Memo

To: Ron Thornton
From: Walnut Township Education Association
Date: 5/27/2011
Re: Salary Negotiations

After meeting with our negotiations team we would like to propose the following for the 2011-2012 school year:

The teachers would be willing to accept a one-year base pay freeze in return for having the master contract extended through June 2016. Salary negotiations will reopen each year during the stated contract period.

Thank you,

Kim Yenni, President
Walnut Township Education Association
