State Employment Relations Board:

Please be advised that the Elyria Public Library and Office & Professional Employees International Union Local 17 have mutually agreed to not reopen our collective bargaining agreement at its expiration date of March 31, 2014 and to extend the current Agreement through September 30, 2014.

Both parties agree that any and all economic issues will be retroactive to April 1, 2014.

This extension is due to budget and levy concerns for 2014.

Sincerely,
