Chief,

On April 29 a negotiation meeting was held and Management made an offer to Local 2550. The offer was for a \$700 sign on bonus for all members. This offer is in lieu of a raise for the second year of the 2012-2014 contract. Later that evening Local 2550 held a meeting and the proposal was voted on by the members. I am pleased to announce that the members have accepted the offer from Management.

Sincerely,

Ryan Schott
President
