

**CONTRACT AMENDMENT TO
CITY OF LONDON AND AFSCME 1428, UNITS A, B, AND C**

ARTICLE 19/20 — INSURANCE

The Contract Amendment, as set forth below, shall serve as an agreement between the City of London and AFSCME 1428, Units A (Article 20), B (Article 19), and C (Article 19).

Section 19.1/20.1. Effective January 1, 2015, the City shall pay eighty-five percent (85%) of the major medical plan that the City contracts each year. Employees shall pay fifteen percent (15%) of the major medical plan that the City contracts each year. The City will endeavor to provide "cafeteria plan offerings" substantially equivalent to the medical plan, eye, dental, voluntary life, disability, and dependent care plans. It will continue to offer any special plans that have a substantial employee interest. Reimbursement of the co-insurance shall remain in effect.

Effective December 1, 2015, the parties agree to re-open Article 19/20 in accordance with R.C. 4117.

Section 19.2/20.2. The City and the Union shall establish an insurance committee. If the City is considering any changes to health insurance, the committee shall meet at least thirty (30) days in advance of any potential changes to review potential changes to health insurance costs or coverage. The committee shall make a recommendation to the Safety Service Director with respect to any changes to health insurance. The committee may consider changes that include, but are not limited to, the level of benefits, co-pays, deductibles, the selection of alternate carriers and/or changes in employee contributions. If the parties are unable to agree to alternatives, the City may propose to implement the changes subject to the Union's right to proceed to arbitration with respect to the differences in the health insurance. The City and Union agree to discuss, during the term of the contract, the possible implementation of a Health Savings Account (HSA) together with potential changes to health insurance coverage.

Section 19.3/20.3. The City shall provide each employee in the bargaining unit life insurance in an amount of \$25,000. The City will continue its practice of providing \$5,000 life insurance for a dependent.

Section 19.4/20.4. The Employer shall maintain a Health Reimbursement Arrangement for all eligible employees. The HRA plan will maintain an HRA Account in each employee's name to keep record of the amounts available to him/her for reimbursement of eligible Medical Care Expenses. Each HRA account is an employer funded account designed to help pay employee's health insurance deductible. All reimbursements are paid from the general assets of the Employer, and it does not bear interest or accrue earnings of any kind.

The maximum dollar amount that may be credited to an HRA account of an employee who participates for an entire twelve month period of coverage will be disclosed by the Employer before the beginning of each plan year.

Article 19/20 — Insurance (continued)

Unused amounts may not be carried over to the period of coverage.

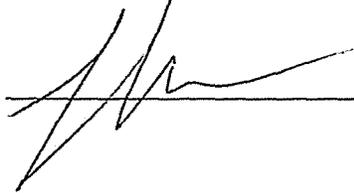

Section 19.5/20.5. The City will provide an employer-funded HRA at a rate equal to seventy-five percent (75%) of the applicable deductible. The employee shall be responsible for the remaining twenty-five percent (25%) of the applicable deductible. The deductibles are as follows:

Coverage	Deductible	Employee	HRA
Single	\$2,000.00	\$500.00	\$1,500.00
Employee plus one	\$4,000.00	\$1,000.00	\$3,000.00
Family	\$6,000.00	\$1,500.00	\$4,500.00

The employer's portion of the deductible shall be paid first.

If any changes in policies or the terms thereof occur during the duration of this Agreement, such revisions will be made available to employees prior to implementation.
