

The following shall serve as a resolution between the Elida Education Association and the Elida Board of Education.

For this resolution, Article 25.02 will reflect the following table of percentages for supplemental contracts. The values will be multiplied by the negotiated base salary. In addition, for each year of experience, a factor of .002 times the base will be added to the total. The maximum amount of experience (within the extra-curricular position) will be twelve (12) years.
