Dear Ms. Wehr:

Thank you for taking the time to speak to me recently regarding your need for copies of current signed collective bargaining agreements with our Unions: AFT, Local 795 Teachers; AFT, Local 795 Non-Teachers; EAPSC; AFSCME 4, Local 617; OAPSE 102; and OAPSE 100.

As we had discussed on the telephone, all agreements were due to expire in June of 2007. Each Union and our Board of Education extended those agreements for an additional year until June of 2008 with 3% salary increases across the board.

Each Union has now completed negotiations and ratification of new agreements which span the timeframe of July 1, 2008 to June 30, 2011. We will be forwarding you electronic PDF files of those documents just as soon as they are each available.

Should you have any questions/concerns, please do not hesitate to contact me.

Sincerely,

Nylajeon R. McDaniel, Ph.D.
