**ARTICLE 1  
PURPOSE**

This Contract sets forth a complete agreement between the City of Cleveland, hereinafter referred to as the "City" and the C.P.P.A. - Civilian, hereinafter referred to as the "Union" which represents employees as specified herein. Specifically, the agreement addresses all matters pertaining to wages, hours, or terms and other conditions of employment mutually expressed between the parties.

The male pronoun or adjective where used herein refers to the female also unless otherwise indicated. The term "employee" or "employees" where used herein refers to all employees in the bargaining unit. The purpose of this Contract is to provide a fair and reasonable method of enabling employees covered by this Contract to participate, through Union representation, in the establishment of the terms and conditions of their employment and to establish a peaceful procedure for the resolution of contract differences between the parties

**ARTICLE 2  
RECOGNITION**

The Union is recognized as the sole and exclusive representative for the following job classifications for the purpose of establishing rates of pay, wages, hours, and other conditions of employment, but excluding all supervisors and security employees:

Bi-Lingual Communication Specialist

Police Radio Dispatchers

Police Safety Aides

Safety Telephone Operator

In the event the Union is recognized as the exclusive bargaining representative of another classification, the parties will immediately commence negotiations with respect to wages and

other terms and conditions of employment. Should the parties fail to reach agreement on all items, the Voluntary Dispute Settlement Agreement provisions herein provided shall be followed

### **ARTICLE 3 MANAGEMENT RIGHTS**

Except as specifically limited herein, all rights are reserved to and remain vested in the City, including, but not limited to, the sole right to:

- a) Determine matters of inherent managerial policy which include, but are not limited to, areas of discretion of policy such as the functions and programs of the City, standard of services, its overall budget, utilization of technology and organizational structure;
- b) Direct, supervise, evaluate or hire employees and to determine when and under what circumstances a vacancy exists;
- c) Maintain and improve the efficiency and effectiveness of City operations;
- d) Determine the overall methods, process, means, or personnel by which City operations are to be conducted;
- e) Suspend, discipline, demote, or discharge for just cause, or lay-off, transfer, assign, schedule, promote, or retain employees;
- f) Determine the adequacy of the work force;
- g) Determine the overall mission of the City;
- h) Manage the work force;
- i) Require employees to use or refrain from using specified uniforms or other tools of duty;
- j) Take actions to carry out the mission of the public employer as a governmental unit. The City reserves the right to implement new or revised existing policies which do not conflict with the express terms of this Contract.

Notwithstanding §4117.08 of the Ohio Revised Code, the Employer is not required to bargain on any subjects--including, but not limited to, those enumerated above--reserved to and retained by the City under this Article. Therefore, the Union agrees that, during the life of this Agreement, the City shall have no obligation to bargain collectively with respect to the exercise of any rights reserved to and retained by it pursuant to either 341 17.08(C) of the Revised Code or pursuant to this Article of this Agreement.

The City shall have the right to institute competitive initiatives or subcontract services where the City's primary objective is to achieve financial economy, improved operating efficiency, and/or better quality of service. In the event the City institutes competitive initiatives, or desires to subcontract services, and such would result directly in the layoff of employees, it shall follow the following procedures:

Sixty-five (65) calendar days prior to such subcontracting the City shall meet and confer with the Union on no less than a weekly basis and the City will disclose the nature and costs of the proposed contract. The Union shall have the right to make an offer of a competitive alternative. If that alternative yields financial savings, improved operating efficiency, and/or better quality of service genuinely equivalent to or greater than those the City can achieve through subcontracting, the City will accept the Union's alternative.

Should employees be subject to layoff as a result of the decision to subcontract, the City will make a good faith effort to assign those employees to vacant positions for which they are qualified or can be trained to become qualified within a reasonable period of time. The City and the Union agree that if there is a disagreement regarding the above, including over the true value of the Union's competitive alternative (financial savings, improved efficiency, quality of service - including the payment of a living wage), the Union will have the right to submit the issue of

whether or not the Union's alternative "genuinely" meets or exceeds the City's objective to final and binding arbitration by requesting arbitration with the American Arbitration Association within fourteen (14) days of the expiration of the sixty-five (65) day meet-and-confer period. Any such arbitration will be completed before the City implements its competitive initiative or subcontracts.

#### **ARTICLE 4 UNION RIGHTS**

It shall not be a violation of this Contract, and it shall not be a cause for discharge or disciplinary action if any employee refuses to go through or work behind any lawful primary picket line, or refuses to do work normally done by primary striking members of another union, except that the City shall not be required to pay the wages of any such employees. Provided, that in no case shall any employees refuse to do any work, regardless of the existence of a lawful primary labor dispute, if, in the City's judgment, such refusal would be detrimental to the public health or safety, unless the City cannot provide for the personal safety of the employees.

#### **ARTICLE 5 NO-STRIKE**

The Union shall not, directly or indirectly, call, sanction, encourage, finance, and/or assist in any way, nor shall any employee instigate or participate, directly or indirectly, in any strike. For the purposes of this section, "strike" means concerted action in failing to report to duty; willful absence from one's position; stoppage of work; slowdown or abstinence, in whole or in part, from the full, faithful and proper performance of the duties of employment for the purpose of inducing, influencing, or coercing a change in wages, hours, terms and conditions of employment for the duration of this Contract or any extension thereof.

Violations of this paragraph may constitute an unfair labor practice as determined and remediable by the State Employment Relations Board ("S.E.R.B."). In the event an unfair labor practice is determined by the S.E.R.B., the City will not subsequently impose discipline except as recommended by S.E.R.B. The City shall not lock out any employees for the duration of the Contract.

## **ARTICLE 6 NON-DISCRIMINATION**

The City and the Union hereby state their commitments, legal and moral, not to discriminate in any manner relating to employment or representation on the basis of race, color, creed, national origin, sex, handicap, disability, or age.

## **ARTICLE 7 UNION SECURITY AND CHECKOFF**

The following provisions shall become effective on January 1, 1987, provided that prior to or at any time after that date the Union provides documentation and substantiation that at least 85% of the eligible employees in the Bargaining Unit are dues-paying members of the Union.

a) All non-probationary employees covered by this Contract shall be required to pay dues in an amount determined by the Union. Employees are not required to join the union as a condition of employment, however, non-probationary employees, after April 1, 1984, shall, during the term of this Contract, be subject to pay a service fee in an amount not to exceed the Union dues for the purposes of administering the provisions of this Contract.

b) It shall be the responsibility of the Union to establish the amount of such a service fee, and to notify all affected employees of the established service fee. The Union shall notify the City of the amount of said service fee, and the names of the affected employees. The Union must provide the City with at least thirty (30) days advance notice of any change in the fair share fee

amount or other voluntary contribution amounts. The City shall deduct this amount from the pay of said employee(s) and remit it to the Union. The Union shall indemnify and save the City harmless from any and all legal actions brought by an employee against the Union, the City, or the Union and the City jointly as the result of the enforcement or required compliance with this provision.

Deductions shall be made during the second pay period of each month, but if an employee's pay for that period is insufficient to cover Union dues, the City will make a deduction from the pay earned during the next pay period.

All deductions accompanied by an alphabetical list of all employees for whom deductions have been made, shall be transmitted to the Union, no later than the fifteenth (15th) day following the end of the pay period in which the deduction is made, and, upon receipt, the Union shall assume full responsibility for the disposition of all funds deducted.

The Union will indemnify and save the City harmless from any action growing out of deductions hereunder and commenced by an employee against the City (or the City and the Union jointly).

## **ARTICLE 8 UNION REPRESENTATION**

The City recognizes the right of the Union to select stewards in accordance with past practice to represent employees, upon request, on grievances concerning the interpretation or application of this Contract. The Chief Steward for the Union shall be scheduled on a Monday through Friday day shift unless the City and the Union mutually agree to a different arrangement. The Chief Steward shall be permitted to attend to Union business directly affecting the bargaining unit during his or her regular tour of duty, without loss of straight-time pay or

benefits, unless the Commander determines operational requirements dictate otherwise in a particular instance.

During their tour of duty and without loss of straight-time pay, union stewards shall be permitted to investigate and process grievances, and attend disciplinary hearings, such activity taking into consideration, and with proper regard for, the Department's operational needs and requirements.

The Chief Steward shall be released from duty without loss of straight time pay or benefits to attend one Executive Board and one Directors Meeting per month; Shift Stewards, other than a Steward assigned to the same shift as the chief Steward, shall be released from duty without loss of straight time pay or benefits to attend one Directors Meeting per month, provided, however, that all such meeting attendance shall take into consideration, and give proper regard to, the Department's operational needs and requirements.

An office with an untaped phone line will be available for the use of stewards in handling union business.

The Union shall furnish the City with a written list of stewards, indicating the department and shift to which each is assigned, and, further, shall promptly notify the City in writing of any changes therein.

The non-employee representative of the Union shall be admitted to the City's facilities and sites during working hours upon reasonable advance notice to the appropriate Appointing Authority or his office. Such visitations shall be for the purpose of ascertaining whether or not this Contract is being observed by the parties, to participate in the adjustment of grievances or to attend other meetings as provided herein. At no time shall such visitation rights interfere with the

work requirements of any employee or disrupt operations in any way, unless expressly permitted by the City.

The City shall provide the Union with a bulletin board at mutually selected locations. Provided that --

a) No notice or other writing may contain anything political or critical of the City or any City official or any other institution or any employee or other person.

b) All notices or other materials posted on the bulletin board must be signed by the President or Chief Steward of the Union or an official representative of the Union.

c) Upon request from an appropriate Commissioner or his designee, the Union will immediately remove any notice or other writing that the City believes violates this paragraph, but the Union shall have the right to grieve such action through the Grievance Procedure.

Members of the Bargaining Committee for the Employees covered by this Agreement, not to exceed four (4) in number, shall be granted time away from duty without loss of straight-time pay or benefits, for the purpose of negotiating an agreement with the City, or any supplements thereto. Other members of the Committee may attend negotiation sessions on their own time, but no more than two (2) additional members per meeting.

## **ARTICLE 9 PROBATIONARY PERIOD**

New employees shall serve a probationary period of one hundred eighty (180) calendar days. Employees will be eligible to utilize accrued benefits during the second half of this probationary period. The probationary period may be extended upon written agreement of the City, Union and affected employee. Discharge of an employee prior to completion of the probationary period shall not be subject to the Grievance Procedure herein contained. Any

proficiency testing shall be conducted, to the extent reasonably possible, at a similar time of day and at similar work load levels.

## **ARTICLE 10 SENIORITY**

Job classification seniority is defined as an employee's length of service while holding the same classification. The employee shall receive credit for all time spent on the City's payroll in that classification. Where more than one employee was hired on the same date, seniority shall be established first by test score of those who passed an open competitive civil service examination then by random lottery in lieu of such scores. A union representative shall be present for any such lottery. Job classification seniority would be used where applicable in other provisions of this Contract.

CCS seniority is defined as an employee's combined length of service while employed as a Police Radio Dispatcher, Safety Telephone Operator, or Bi-lingual Communications Specialist. The employee shall receive credit for all time spent on the City's payroll while employed in any of those classifications. Where more than one employee has the same CCS seniority, seniority shall be established first by test score of those who passed an open competitive civil service examination then by random lottery in lieu of such scores. An Association representative shall be present for any such lottery.

City employment seniority shall be defined as an employee's continuous length of service, effective from date of hire. City employment seniority would be applied as described in other provisions of this Contract. An employee's time spent as an emergency or temporary appointee shall be included in calculating his or her job classification, CCS, City employment and unit seniority for all purposes.

City employment seniority shall be terminated when an employee:

- a) Resigns or quits;
- b) Is discharged for just cause;
- c) Is laid off for a period of more than twenty-four (24) consecutive months;
- d) Is absent without leave for three (3) consecutive working days, that employee will

be considered to have voluntarily quit. After the third consecutive day, if the employee alleges that he or she called, the tapes upon which any call should appear shall be made available to the Chief Steward.

- e) Fails to report for work when recalled as provided in Article 12.

The City will provide the Union with a list of all employees within the bargaining unit listing name, job classification, department, date of hire, and date of classification not more than twice a year upon request by the Union.

It is the obligation of each employee to keep the City advised of his current address, and, for purposes of this Contract, the City may rely on the last address supplied by an employee.

## **ARTICLE 11 PLATOON, SHIFT AND DUTIES ALLOCATION**

Platoon and Shift Bidding. Not less often than in October of each year, all positions on all platoons shall be posted for bid on the basis of seniority within each of the job classifications of Police Radio Dispatcher, Safety Telephone Operator and Bilingual Communications Specialist. Changes shall be effective no later than January 1 of the following year.

Duties Preference. Not less often than annually, coincident with Platoon and Shift Bidding, all Dispatchers shall declare their preference for working telephones, channels, or both. Dispatchers desiring to change their preference designation during the year may do so only in writing during the last week of each calendar month. The City will make reasonable efforts to

assure that each qualified Dispatcher's preferences are respected. Overtime worked shall not be counted in assessing whether a Dispatcher's preference has been respected. Assigning a Dispatcher to work outside his or her preference more than eight (8) times in a calendar month shall be considered violation of this paragraph unless the assignments are made pursuant to an established rotation (such as two consecutive shifts in-preference then one out-of-preference then two in-preference, etc.) agreed to in writing by the Association.

Whenever the City maintains that a Dispatcher is not qualified, he or she will be immediately retrained.

The City will continue on a daily basis to track "in-preference" assignments, "out-of-preference" assignments and "both" as part of the City's reasonable efforts to assure that preferences are respected; in this context, "both" refers to situations in which an employee works part of a shift "in-preference" and part of a shift "out-of-preference." The City will continue to provide copies of the tracking spreadsheet on request by the Association.

Transfers. All lateral transfer openings to locations other than the current Bureau of Communications, whether involving new or established positions, shall be declared by management and shall be filled by the most senior qualified, employee within the affected job classification.

Posting. All positions shall be posted for a minimum of fourteen (14) calendar days unless operational need necessitates a shorter posting period but in no case less than seven (7) calendar days.

Channel Assistance. Requests for assistance working on a channel will not be unreasonably denied.

Personal Relationship. The City will honor requests from employees not to be assigned to a position on which he or she would be dispatching to an immediate family member.

**ARTICLE 12  
LAY-OFFS**

Whenever it is necessary to reduce the working force of the City, either for lack of work or lack of funds, employees shall be laid off based upon job classification seniority within their division in the following order:

- 1) Emergency employees;
- 2) Temporary employees;
- 3) Certified employees.

Before any bargaining unit employee is given notice of lay-off, the City will notify the Union.

Regular full-time employees shall be given a minimum of ten (10) days advance written notice of lay-off indicating the circumstances which make the lay-off necessary. Exceptions to the above will be provided for by mutual consent between the City and the Union.

In the event an employee is laid off, he shall receive payment for earned, but unused, vacation as quickly as possible, but not later than ten (10) days after the lay-off.

Employees shall be notified of recall by certified mail addressed to the employee's last known address as shown on the City's records. If an employee fails to accept recall within fourteen (14) calendar days of the date of receipt of the recall notice or the date on which the certified mail notice is returned to the City, he or she shall be removed from the layoff list and shall forfeit all seniority rights, including recall rights.

Chief dispatchers who are “civil service regular” and who are noticed for layoff may elect to return to the position of police dispatcher. The returning employee’s seniority shall be as defined by Article 10, Seniority.

### **ARTICLE 13 LEAVES OF ABSENCE**

Funeral Leaves. An employee will be granted a leave of absence with pay to be charged against his accumulated sick leave with pay, in the event of the death of his spouse, mother, father, grandparents, grandchildren, or person who has been in loco parentis to the employee, mother-in-law, father-in-law, child, brother, or sister, as follows:

- a) If the funeral is within Ohio --five (5) working days.
- b) If the funeral is outside the State of Ohio -- seven (7) working days.
- c) To be eligible for funeral leave, an employee must provide the City with a funeral form and must attend the funeral, and the failure to do so, or a misrepresentation of facts related to a funeral leave, shall be proper cause for disciplinary action (including forfeiture of pay for the leave).

Jury Duty. An employee called for jury duty or subpoenaed as a witness shall be granted a leave of absence with pay for the period of jury or witness service, as provided herein:

- a) An employee must present verification of his call to jury duty or witness duty;
- b) If a witness, that his testimony was within the scope of his employment for the City and not of a personal nature; and
- c) Turn in the amount received as a jury or witness fee to the City Treasurer in order to receive his regular pay for this time period.

The V-Days of employees on jury duty will be adjusted to fall on days other than jury duty days. However, employees shall not be entitled to overtime as a result of such adjustment.

An employee who is required to appear in court for reasons outside the scope of his employment, other than jury duty, shall be granted vacation time, compensatory time or an excused absence (non-paid) provided that documentation is provided, either in the form of a subpoena or a letter from a participating attorney; and the request for an excused absence (non-paid), vacation time or compensatory time is made to the appropriate supervisory person at least twenty-four (24) hours in advance.

Military Leave. An employee shall be granted an extended leave of absence without pay for military duty in accordance with law and after discharge shall be restored to employment with the City, upon request, in accordance with law.

Employees who are drafted or who enlist shall be granted a one (1) day leave of absence with pay for the purpose of taking a military physical. Upon return from military leave, an employee will be reinstated at the current applicable rate of his classification in accordance with law and the provisions as set forth herein.

A regular (non-probationary) employee of the City who is temporarily called to active duty, e.g., summer training, shall be granted a leave of absence for the duration of such active duty and shall be paid the difference between his regular pay and his total military pay (upon receipt of appropriate vouchers) for a period not to exceed thirty-one (31) days in any calendar year and, further, shall accumulate vacation and sick leave with pay credit during the period of such leave.

Employees on military leave who thereafter return to employment with the City shall receive retirement and longevity credit for all time spent in active military service.

Union Leave. At the request of the Union, a leave of absence without pay shall be granted to any employee selected for a Union office, employed by the Union, or required to

attend a Union convention or perform any other function on behalf of the Union necessitating a suspension of active employment.

Education Leave. Upon reasonable notice, the City may grant a leave of absence with or without pay for educational purposes relating to the operations of the City; if unpaid, the employee will be permitted to use accumulated time other than sick time during any such leave.

Sick Leave With Pay. All regular full-time employees shall be credited with paid sick leave at the rate of ten (10) hours per month or fifteen (15) work days per year. Unused paid sick leave has been cumulative in accordance with the provisions of the Memorandum of October, 1972, and sick leave shall continue to accumulate without limitation.

a) Paid sick leave shall be granted only for pregnancy leave, actual sickness or injury, confinement by reason of a contagious sickness, physical examination or evaluation, or visit to a doctor or dentist for medical care of the employee or his immediate family, and pregnancy (including postpartum periods).

b) Paid sick leave will be credited, but cannot be used until the employee has satisfactorily completed the first ninety (90) days of his initial probationary period with the City.

c) No paid sick leave shall be granted unless the division authority designated by the City is notified of the sickness no later than one hour before the employee's scheduled starting time on the first day of the absence on account of sickness. Absences not reported as stated above may be excused by his employer if the appointing authority or his designee determine that there were unusual circumstances which were beyond the employee's control. An employee is required to either call in on each day off or he may notify the City of the tentative length of his absence.

d) An original certificate from a licensed physician shall be provided or presented (with a copy provided thereafter) immediately upon returning to work for any sickness from an employee who has been so notified in writing that he has demonstrated a patterned abuse over the preceding months or after any illness requiring hospitalization. The certificate must include the actual dates of incapacity, reemployment date, work capable of being performed, and all restrictions. An employee shall be required to submit a doctor's certificate as defined above for any sickness beyond three (3) days.

Review to determine whether there exists a pattern of sick leave usage which gives rise to a reasonable inference that such usage is not for a valid purpose shall be limited to the ninety-five (95) day period immediately before the issuance of the above written notification or a Notice of Investigation, whichever occurs earlier. Days of sick leave usage for which an employee has submitted a certificate from a licensed physician immediately upon returning to work, shall not be considered in determining the existence of a pattern absent a direct challenge (as authorized below) of the validity of the documentation.

The validity of all medical excuses and physician's certificates are subject to review by the City. Any reviews or medical examinations by the City shall be done on City time. Upon request by an employee presenting an excuse or certificate, his or her supervisor shall sign and date the document and provide a copy (or the original) to the employee.

e) Upon retirement or death, an employee or his legal representative shall have the right to convert his accumulated paid sick leave into cash at the rate of one (1) day's pay for each three (3) days of unused accumulated paid sick leave. The hourly pay rate used shall be the last three (3) year average of earnings, overtime and longevity pay divided by 2080 hours. Once sick leave is converted upon retirement, all then-accumulated sick leave is forfeited.

f) Once each year the City will distribute to all regular full-time employees an annual statement fully advising the employee of his paid sick leave status.

g) An employee who is hurt on the job shall have the option of using paid sick leave or furlough.

h) Except where an injury or illness is alleged to be covered under Workers' Compensation and except where an employee is on an approved medical leave of absence, employees who have exhausted their accumulated sick leave shall be required to use accumulated H-days, compensatory time, P-H days and furlough time, in an order determined by the affected employee. An employee required to use furlough time may use it in increments of one (1) day and may choose which day of furlough is being used, but all of the days of a particular furlough period must be exhausted before selecting days from another furlough period.

Sick Leave Without Pay. After an employee has exhausted his sick leave with pay, he or she shall be granted a leave of absence without pay for a period not to exceed six (6) months because of personal illness, injury or pregnancy (including postpartum recovery periods), upon request, supported by medical evidence satisfactory to the City if the employee has reported such illness, injury or pregnancy (including postpartum recovery period), to his or her department head or immediate supervisor by no later than the second day of absence. If the illness, injury, or pregnancy (including postpartum recovery period), continues beyond six (6) months, the City may grant additional sick leave under this paragraph upon request. An employee on sick leave is expected to keep the City informed of the progress of his or her illness, injury or pregnancy (including post-partum recovery period), as circumstances allow. Any employee who has been on sick leave for beyond three (3) consecutive work days may be required to submit to and pass a physical examination before being permitted to return to work.

Personal Leave. For those employees who have completed their probationary period, personal leaves of absence may be granted without pay for good cause shown for a period not to exceed ninety (90) days. The granting of such leaves will be based upon the operational needs of the employee's department.

General Leave. All leaves of absence (and any extensions thereof) must be applied for and granted in writing on forms to be provided by the City. An employee may, upon request, return to work prior to the expiration of any leave of absence if such early return is agreed to by the City. When an employee returns to work after a leave of absence, he will be assigned to the position which he formerly occupied or to a similar position if his former position is not vacant or no longer exists.

If it is found that a leave of absence is not actually being used for the purpose for which it is granted, the City may cancel the leave, direct the employee to return to work, and impose disciplinary action up to and including discharge.

An employee who fails to report back to work at the end of a leave of absence shall be considered to have voluntarily resigned, unless a timely request for extension is pending or the City has not cleared the employee to return.

Except when on military leave, an employee in any unpaid leave of absence does not accrue credit toward furlough, paid sick leave, step raises, longevity or P.E.R.S. However, no employee shall lose previously accrued credit by operation of the preceding sentence.

Family and Medical Leave Act. Any paid or unpaid leave granted by the City which is based upon reasons which would qualify for use of leave pursuant to the Family and Medical Leave Act may be charged against an employee's entitlement for FMLA leave, provided that the employee is notified as required by the FMLA.

Upon request by a bargaining unit member, the member's current status as to time-off available and used, as kept by CCS supervision, will be provided within one working day.

Medical excuses presented by an employee will be received and kept by the City.

**ARTICLE 14**  
**ASSIGNMENT OF WORK - TEMPORARY TRANSFERS**

All employees shall be required to perform any and all authorized temporarily assigned duties, regardless of their usual or customary duties or job assignment. A temporary transfer shall not exceed sixty (60) working days, except (1) to fill a vacancy caused by an employee being on sick or other approved leave of absence, (2) to provide furlough relief scheduling, (3) to fill an opening temporarily pending permanent filling of such opening, or (4) to meet an emergency situation. For projects of a defined scope and of temporary duration, the City can extend temporary transfers to up to ninety (90) working days. The employee shall be given a written notice of said transfer if the work assignment exceeds eight (8) hours. When an employee is temporarily transferred to another job classification:

- a) If the rate of pay for such other classification is lower than his regular rate, he shall receive his regular rate;
- b) If the rate of pay for such other classification is higher than his regular rate of pay, he shall receive the higher rate if he works in the other classification for one (1) complete day or more;
- c) Effective upon ratification of the 2004-2007 Agreement, the hourly wage rate for Safety Telephone Operators shall be increased by Twenty-five cents (\$.25).

**ARTICLE 15  
JOB EVALUATION AND DESCRIPTION**

The City has the sole and exclusive right to make job evaluations and job descriptions and create job classifications when it deems appropriate.

In the event the name of a classification in the bargaining unit is changed and the work duties remain substantially unchanged, the City will promptly notify the Union of said change.

If a substantial change in a job occurs, the Union may ask for a meeting with the City to discuss the situation. The Union, at this meeting, must demonstrate a significant change as relates to the skill level now required of the existing classification which would warrant an increase in pay. If the City agrees, a new rate shall be agreed to. If an agreement cannot be reached, the matter may be submitted to arbitration as provided in Article 33 for the purpose of determining a rate of pay.

**ARTICLE 16  
SHIFT PREFERENCE**

A bargaining unit member may exercise his job classification seniority for the purpose of transferring from one shift and/or location to another shift and/or location when an opening is declared. Any such opening will first be offered to employees who bid for the shift and/or location during the previous annual bid, by seniority. If necessary, then any such opening shall be posted for a period of not less than fourteen (14) calendar days unless operational need necessitates a shorter posting period, but in no case less than seven (7) calendar days.

**ARTICLE 17  
PROMOTIONS**

Employees shall be promoted in accordance with the rules and regulations of Civil Service.

**ARTICLE 18  
HOURS OF WORK**

The City reserve the right, as operational needs and conditions require, to establish and change hours of work and schedules of hours. Except in the most extreme emergency, no employee shall be required to work more than one (1) channel at the same time.

The normal work week for regular full-time employees shall begin at Midnight Sunday and shall end at Midnight the following Sunday.

Individual notification of any changes in shift scheduling shall be provided to all employees and the Union at least forty-eight (48) hours in advance of the changes, unless operational needs dictate otherwise. Any employee not properly notified of a change who shows up for work and is not permitted to work shall receive two (2) hours of compensatory time.

Employees shall be scheduled according to operational needs on regular work shifts. The normal workday for employees shall consist of eight (8) hours of work, inclusive of time allotted for meals, with regular starting and quitting times. The regular work shifts will require employees to work between 32 and 48 hours in any seven-day period. In the normal year, employees will average two thousand eighty (2,080) hours of work. The employee's' yearly salary, divided by 2,080 is the employee's hourly regular rate of pay.

Employees shall receive their salary in equal biweekly amounts. Said fixed salary is compensation (apart from overtime premiums) for all regularly scheduled hours worked. Said fixed salary is intended to compensate employees at straight time rates for all regularly scheduled hours worked.

Employees shall be compensated for overtime hours in accordance with the Fair Labor Standards Act.

The parties to this agreement agree that these provisions are in compliance with the provisions of the Fair Labor Standards Act. The City reserves the right to modify these provisions if, in the City's opinion, such modification is necessary to bring the City into compliance with the Fair Labor Standards Act.

Extended Shifts. Upon proposal by the Association, the Labor Management Committee shall consider and discuss in good faith a system of hours of work based upon longer shifts. Good faith discussion shall continue until either a plan has been developed which the Committee as a whole will present to the Administration and the bargaining unit, or the Committee members agree to terminate further discussion.

In-Service. Absent exigent circumstances, employees will not be required to attend an in-service training shift within twelve (12) hours of an assigned shift.

V-Day Openings. A bargaining unit member may exercise his or her CCS seniority for the purpose of transferring from one V-day class to another when an opening is declared provided, however, that the City may specify which classes are eligible to transfer.

## **ARTICLE 19 OVERTIME**

The City shall be the sole judge of the necessity for overtime.

The City shall retain the sole and exclusive right to determine weekly and daily work schedules and the number of shifts required.

For those bargaining unit employees on the normal eight (8) hour day, five (5) days per work week, shifts are defined as follows:

1st Shift: An employee for whom the majority of his normal hours of work fall after 7:30 a.m. and before 3:00 p.m.

2nd Shift: An employee for whom the majority of his normal hours of work fall after 3:00 p.m. and before 12:30 a.m. receives a shift premium of thirty-five cents (\$.35) per hour.

3rd Shift: An employee for whom the majority of his normal hours of work fall between 12:30 a.m. and 7:30 a.m. receives shift premium of thirty-five cents (\$.35) per hour.

Employees rotating between all three shifts shall receive a shift premium of thirty-five cents (\$.35) per hour. All shift premiums are paid on a straight-time basis only.

All employees in the job classifications covered by this Contract shall receive time and one-half (1-1/2) their regular rate of pay for all hours worked in excess of forty (40) hours in one work week.

All employees in the job classifications covered by this Contract shall receive time and one-half (1-1/2) their regular rate of pay for all hours worked in excess of eight (8) hours in one day.

All employees in the job classifications covered by this Contract shall receive time and one-half (1-1/2) their regular rate of pay for all hours worked on holidays.

Paid holiday hours and paid vacation hours shall be counted as hours worked, sick leave shall not, for the purpose of computing overtime unless the holiday hours or vacation hours are not part of the employee's regular work week. If an employee is in a six (6) or seven (7) day operation and is regularly off on Monday, and the holiday falls on Monday, and the employee works full days Tuesday through Saturday, his regular work week, the employee shall receive an H-Day on the books.

There shall be no pyramiding of overtime or other premium pay compensation, and overtime pay shall be computed on whatever total overtime hours are the greater for the week, either on a daily or weekly basis, but not on both.

**ARTICLE 20  
DOCKING**

The City will dock employees on the basis of 1110 (or six (6) minutes) per hour.

**ARTICLE 21  
EQUALIZATION OF OVERTIME**

**A. Provisions Specific to Police Radio Dispatchers, Safety Telephone Operators, and Bi-lingual Communications Specialists.**

When overtime is required, the City shall offer the available overtime to employees on a shift in accordance with job classification seniority, subject to the provisions set forth in this article for equalization of overtime among all bargaining unit members, and subject to exceptions for emergency situations and contiguous work extending beyond the normal work schedule.

OVERTIME FORMS

Daily Overtime Sheet. During the first seven (7) hours of each shift, bargaining unit employees present and working on that shift may write their name in the "Daily Overtime Book" if they wish to be offered any overtime opportunity which is immediately available on the next shift. If an overtime opportunity is immediately available on the next shift, it shall be offered to employees in the Daily Overtime Book from the preceding shift in the manner described below for awarding available "daily overtime" opportunities.

Overtime Call-In List. Bargaining unit employees desiring to be offered overtime call-in opportunities shall notify their supervisor on or before the twenty-first (21<sup>st</sup>) day of the month preceding the beginning of the next calendar quarter in order to be eligible for call-in overtime opportunities during the following calendar quarter.

There shall be a single calendar-quarterly "Overtime Call-In List" on which the name and designated phone number of all signed-up employees shall be listed in seniority order. The designated phone number will be the only phone number used to contact the employee. When an

overtime call-in opportunity becomes available on a shift, it shall be offered to employees on the Overtime Call-In List in the manner described below for awarding overtime call-in opportunities.

Employees whose names are on the list and do not wish to be considered for overtime call-in opportunities can remove their name from the list at any time; once removed, however, an employee cannot become eligible again until the next calendar quarter.

#### AWARDING AVAILABLE OVERTIME

Daily Overtime Opportunities. “Daily overtime” is defined as an overtime opportunity that arises with less than sixteen (16) hours’ notice. When daily overtime opportunities become available, they shall be offered in accordance with the following procedure:

First: To individuals regularly scheduled to work and working on the immediately preceding shift that have signed up in the Daily Overtime Book. The daily overtime opportunity shall be offered first to the most senior employee in the Daily Overtime Book as compared to the last employee who accepted daily overtime on the shift. The employee with the least seniority is followed by the employee with the most seniority.

Second: if there is no individual from the immediately preceding shift signed up in the Daily Overtime Book, or if all eligible employees from the Daily Overtime Book, refuse or are unavailable, then the overtime call-in procedure will be used.

Should the offer of daily overtime be for eight (8) hours, it will be offered in accordance with the above procedure until either one employee accepts the full eight (8) hours or two employees agree to work four (4) hours each.

Anticipated Overtime Opportunities. “Anticipated overtime” is defined as an overtime opportunity that arises at least sixteen (16) hours before a shift begins. When an anticipated overtime opportunity arises, it will be offered as follows:

First: To the employees assigned to the same shift as the shift on which the overtime opportunity will take place, who are scheduled to be on a V-day on the day the overtime opportunity occurs, and who are present working their regularly scheduled shift on the day the overtime opportunity is offered. The offer will be made to the next most senior employee as compared to the last employee who accepted anticipated overtime in each V-Day class (by shift). The employee with the least seniority is followed by the employee with the most seniority.

Employees shall have four (4) hours after the end of the shift on which they accepted an Anticipated Overtime offer to cancel their acceptance without penalty. Cancellation thereafter or failure to appear and work the accepted overtime more than once in any twelve (12) month period may result in loss of overtime offers for up to ten (10) calendar days. In the event of a cancellation, the overtime will be offered pursuant to the Overtime Call-In Procedure.

Second: To the employees assigned to the same shift as the shift on which the overtime opportunity will take place, who are scheduled to be on a V-day on the day the overtime opportunity occurs, and who are on a V-day on the day the overtime opportunity is offered. The offer will be made to the next most senior employee as compared to the last employee who accepted anticipated overtime in each V-day class (by shift). The employee with the least seniority is followed by the employee with the most seniority. Employees shall have four (4) hours after acceptance of an Anticipated Overtime offer to cancel their acceptance without penalty. Cancellation thereafter or failure to appear and work the accepted overtime more than once in any twelve (12) month period may result in loss of overtime offers for up to ten (10) calendar days. In the event of a cancellation, the overtime will be offered pursuant to the Overtime Call-In Procedure.

Third: If no eligible employee accepts an anticipated overtime opportunity, then the overtime call-in procedure will be used.

Overtime Call-In Procedure. If an overtime call-in opportunity becomes available on a shift, it will be offered to the next most senior employee on the Overtime Call-In List as compared to the last employee who accepted overtime. The employee with the least seniority is followed by the employee with the most seniority.

If all names on the Overtime Call-In List for a shift are called and either refuse or cannot be reached, the City may assign supervisors the overtime work that would normally be performed by members of the bargaining unit.

#### **B. General Provisions.**

Hours Limitation. Employees are prohibited from working in excess of sixteen (16) hours in a twenty-four (24) hour period except in the case of an emergency.

Administrative Personnel. Except where offered overtime during circumstances of mandated overtime or where special operational need exists, bargaining unit employees regularly assigned administrative or clerical duties shall not be eligible to receive offers of overtime taking calls or dispatching. Once an offer is accepted, administrative personnel cannot be “bumped off” by other personnel.

Emergency Overtime. All non-emergency overtime shall be voluntary, and an employee shall have the right to refuse an overtime assignment, except for emergencies; provided that an employee will be excused for personal reasons if a replacement can be obtained in time to meet the City’s emergency. Mandatory emergency overtime shall be required in reverse seniority order of those employees present on a shift when an emergency arises in order that such overtime shall be roughly apportioned among the employees on each shift. The reverse seniority rotation

shall begin with the least senior employee on January 1, April 1, July 1, and October 1 of each calendar year. The Equalization of Overtime set forth in this Article shall either be exhausted before or immediately after an employee is required to work mandatory emergency overtime unless the employee notifies his or her supervisor that exhaustion is not necessary. In declared emergency situations, employees may be required to work overtime in other than reverse seniority order. For the purposes of this paragraph, an “emergency” is defined as an impairment to City services or operations which cannot be delayed until the beginning of the next regular work day.

No bargaining unit employee will be required to work emergency overtime (as distinguished from declared emergency overtime) more than twice in a calendar quarter unless all other eligible employees have twice been required to work emergency overtime or are refusing to do so. Similarly, if all eligible employees have worked such overtime on two occasions, an employee will not be required to work a third occasion until all less senior eligible employees have worked a third occasion or are refusing to do so, and so on. An emergency assignment lasting four (4) or more hours counts toward the above limits.

For purposes of the above paragraph “eligible” refers to other employees present when the emergency overtime arises. The City will track emergency overtime assignments on an ongoing basis in order that disputes concerning the above paragraph will be minimized, and will provide the information to employees as requested.

Discipline under this provision may be administered for refusals even if accompanied by a doctor’s excuse, consistent with state and federal law and City policy.

Continuous Work Overtime. The City is not required to offer overtime on a seniority basis when an employee is requested to continue working for a reasonable time to complete a specific task.

Tracking Overtime Hours. The City shall maintain a record of all overtime hours worked by each employee. The Supervisor, Timekeeper and/or Payroll Clerk keeping the record shall make the overtime record available to the employees or the Union upon request. The City shall record all overtime hours on a daily basis.

Amendments. The Management/Labor Committee may by consensus decide to amend the provisions of this Article in order to improve the efficiency with which they operate. Any such amendment must be in writing signed by all members of the Committee.

## **ARTICLE 22 HEALTH COVERAGE / HOSPITALIZATION**

Hospitalization/Surgical. The City agrees to provide single or family coverage, whichever is applicable, for each eligible employee enrolled in any of the health coverage plans for the term of the Labor Contract under the terms and conditions set forth in this Article. There shall be no duplicate coverage if both spouses are on the City's payroll.

Health Care Benefits. Effective June 1, 2011, the City will provide the following health insurance benefits as summarized in the attached descriptions. (See, Exhibit A).

Dependent coverage shall be limited to members of the employee's immediate family (*i.e.*, spouse and children)

All members shall contribute on any hospitalization/medical plans offered by the City and, effective June 1, 2011 such contributions shall be deducted from the member's wages on a monthly basis as follows:

	<u>Individual Coverage</u>	<u>Family Coverage</u>
MMO Plus	\$52.50	\$105
HMO Health Ohio	\$62.50	\$125
Kaiser	\$67.50	\$135

Health care deductions of one-half the above amounts shall be made the first two pay periods of each month.

For all mental, nervous, and substance abuse treatment, in-patient and outpatient coverage shall be that set forth as part of the health care insurance plan selected by the employee.

The prescription program shall be set forth as part of the health care insurance plan selected by the employee.

Life Insurance. During the term of this Contract, the City shall provide all unit employees with Group Insurance in the amount of \$15,000.00.

Provisions for conversion at the time of retirement or other termination shall be in accordance with the provisions set for other employees.

Dental Insurance. All regular full-time employees and dependents will be covered for Dental Care.

Vision Insurance. The City shall implement a vision insurance plan for employees effective October 1, 2002.

The City shall have the right to change insurance carriers provided the City first convenes a Health Care Committee in which all unions are given an opportunity to be represented. The City shall negotiate through that Health Care Committee over the change in carriers before implementing any changes in health care carriers.

**ARTICLE 23  
PAY DAY**

The City shall regularly pay all employees every other week, on either Wednesday, Thursday or Friday. If the pay day falls on a holiday, the City will pay all employees on the day before the holiday.

Employees may be paid either by direct deposit or debit card, as authorized by the employee, hand delivered (being issued the paycheck at the work site) during their work shift, or by direct mail.

Employees who receive a paycheck by hand delivery, who are not scheduled to work on the date of the issuance of the paycheck, will make arrangements through the Supervisor and/or Timekeeper to properly receive their paychecks.

City time is not to be used for cashing a paycheck.

The City will process any significant paycheck error within six (6) working days, if possible.

When an employee works a scheduled holiday and is entitled to receive time and one-half his or her regular rate of pay for the time spent working on the holiday, the employee shall receive pay for that holiday with the next scheduled pay.

Wage increases shall be effective: (a) During the pay period in which April 1<sup>st</sup> falls if April 1<sup>st</sup> falls in the first week of a pay period; or (b) During the pay period following the pay period in which April 1<sup>st</sup> falls if April 1<sup>st</sup> falls in the second week of a pay period.

**ARTICLE 24  
WAGES**

In settlement of wages for the year 2010, there shall be no wage increase.

In settlement of wages for the year 2011, there shall be no wage increase.

In settlement of wages for the year 2012, there shall be a general raise of three percent (3%) effective on or about April 1, 2012, given to all employees. The tops of the classifications' pay bands shall be increased by a similar amount.

**2010**

<b>Classification</b>	<b>Start</b>	<b>After 1 Year</b>	<b>After 2 Years</b>
Police Radio Dispatcher	24,286.70	40,105.44	41,305.44
Bilingual Communication Specialist	24,283.44	36,522.97	37,722.97
Safety Telephone Operator	22,567.69	31,304.88	32,504.88
Police Safety Aide	22,073.13	NA	29,405.82

**2011**

<b>Classification</b>	<b>Start</b>	<b>After 1 Year</b>	<b>After 2 Years</b>
Police Radio Dispatcher	24,286.70	40,105.44	41,305.44

Safety Telephone Operator	23,244.72	32,280.03	33,480.03
Police Safety Aide	22,735.32	NA	30,287.99

Employees not on the active payroll at the time the contract is executed are not entitled to retroactive payments of wages or other monetary benefits.

A Dispatcher with one (1) year of service in the classification shall be \$1,200.00 below the top of his pay band. A Dispatcher with three (3) years of service shall be at the top of the pay

band. A Bilingual Communications Specialist and Safety Telephone Operator shall be on this schedule.

In addition to his or her regular pay, each bargaining unit employee shall receive one and one-half (1-1/2) hours of compensatory time for each shift or any part thereof spent training another individual.

Before an employee is required to provide translation services other than on the telephone or the radio, the Commander shall be notified. Under no circumstances shall an employee be left without police escort while providing such services. Should an employee be required to leave the building, he or she shall be compensated at the rate of 1.5 hours of paid time off for each day on which such services are required.

#### **ARTICLE 25 COMPENSATORY TIME**

As each occasion arises, employees shall be given an opportunity to choose whether to receive pay or compensatory time for overtime hours worked and for hours worked on a holiday, provided, however, that the City may elect to require cash payment for such hours worked on a bargaining-unit-wide basis for any period of time which the City deems necessary.

Compensatory Time may be accumulated at each employee's discretion to a maximum of Four Hundred Eighty (480) accumulated hours. Compensatory time shall be used upon reasonable request by the employee and with at least five (5) days' notice. Compensatory time shall be paid out at the employee's then prevailing wage rate:

- a) Upon discharge, resignation or layoff, or
- b) Upon death of the employee to the employee's estate.

To be eligible for the voluntary use of compensatory time (including for “family days”), the employee must have and maintain compensatory time sufficient to cover requests from the time of the request until the date on which the time is to be used.

**ARTICLE 26  
LONGEVITY**

Longevity is tenure with the City while in a pay status. Time in authorized leaves of absence shall be deducted for purposes of computing the amount of employment. For an employee to be eligible to receive longevity pay in a given year, his longevity time must have been accumulated by March 1 of that year and the employee must have been in a pay status at some time between January 2 and March 1 of that year.

On or before March 31 of each year, all regular full-time employees shall receive longevity pay as follows:

After 5 years	\$300.00
After 10 years	\$475.00
After 15 years	\$575.00
After 20 years	\$750.00

**ARTICLE 27  
UNIFORM ALLOWANCE**

All regular full-time employees in the job classification of Police Dispatcher, Bilingual Communication Specialist, and Safety Telephone Operator, shall receive an annual uniform credit of Two Hundred Fifty Dollars (\$250.00) and a cash uniform maintenance payment of Two Hundred Fifty Dollars (\$250.00) on a date established by the City. Effective January 1, 2009, the cash uniform maintenance payment shall be increased to Three Hundred Dollars (\$300.00). Uniform maintenance payments to retirees may be prorated based upon the employee’s date of retirement.

An employee must be on the City's active payroll at the time of payment. Newly hired employees shall receive their payment after successful completion of their probationary period. The uniform maintenance payment for newly-hired employees shall be prorated.

Employees provided uniforms, a uniform allowance, or safety equipment shall report to work properly attired and equipped. Failure to do so will result in discipline. All clothing and uniforms shall be picked up by the date designated in the Department Notice.

Beginning in 2012, employees who have been employed in the Bureau of Communications for at least ten (10) years as of March 1 will have the option of receiving their uniform credit in cash.

## **ARTICLE 28 HOLIDAYS**

All regular full-time employees shall be entitled to eleven (11) paid holidays as follows:

New Year's Day	Good Friday
Dr. Martin Luther King	Labor Day
President's Day	Thanksgiving Day
Memorial Day	Christmas Day
Independence Day	

Employees are entitled to two (2) floating holidays in each calendar year. At each employee's option, unused floating holidays shall be paid out or credited to accumulated compensatory time at the end of each calendar year. Floating holidays will be granted contingent upon operational needs and a request by the employee being submitted for consideration at least five (5) days prior to the date being requested. If the operating needs of the department cannot be met because there are too many requests for a specific day or for any other reason, the requests will be considered and approved in accordance with seniority guidelines. New hires cannot use floating holidays during their probationary period.

To be entitled to holiday pay, an employee must be on the active payroll (i.e., actually receives pay) on the last regular work day before and the first regular work day after the holiday. However, in no case shall an employee receive holiday pay if sick leave (other than for a bona fide injury or illness) is taken on the last scheduled work day before or first scheduled work day after the holiday.

Observance. New Year's Day, Independence Day, and Christmas Day shall be observed on the day they actually occur.

Family Day. Employees may request up to two (2) days off per calendar year for graduation, wedding or religious ceremony or similar family event, and will give five (5) days written notice of said request to the Bureau. Such day off shall be granted unless a conflict exists with the emergency operational needs of the Department and employees shall use their accumulated compensatory time, earned H-days and PH days, but not sick-time, for the day off. A family day request shall have priority over all other time-off requests and will be granted based on order of request. In the event that more than one employee requests the same day off and the requests are made during the same shift, the Family Day will be granted based on seniority.

## **ARTICLE 29 FURLOUGHES**

All regular full-time employees shall be granted the following furlough with full pay for each year based upon their length of City service as of December 31 of the preceding year, as follows:

<u>Years of Service</u>	<u>Furlough</u>
After 1 year	10 days
After 8 years	15 days
After 12 years	20 days
After 22 years	25 days

The administration of furloughs (including eligibility requirements) shall be in accordance with the following rules and regulations:

1) Any employee who has completed less than one (1) year of continuous employment by December 31 of the previous year shall receive one (1) work day off for each month worked prior to December 31 of the previous year, but not to exceed ten (10) days. New employees whose starting date is prior to the 16th of the month shall be credited with one (1) day of furlough for that month.

2) For furlough purposes, an employee's continuous employment is defined as the period of time during which he is continuously listed as an employee on the rolls of the City, including paid sick leave.

3) If an employee is discharged for cause, or quits and is re-employed at a later date, his length of continuous employment will be computed from the date of his re-employment.

4) An employee who is laid off and is later re-employed shall be given credit s for his service before the lay-off, but no credit will be given for that period of time during which the employee did not work.

5) Time in authorized leave of absence shall be deducted for purposes of computing the amount of employment.

6) An employee transferred from one division to another shall be given credit for his service elsewhere with the City, providing such employment has been continuous.

7) An employee who is on leave of absence without pay for a period totaling more than thirty (30) calendar days in any calendar year shall earn furlough leave at the rate for which he is eligible based on length of service as follows: 1 day per month, not to exceed ten (10) days; eight (8) years, but less than twelve (12) years' service – 1 ½ days per month, but not to exceed

fifteen (15) days; twelve (12) years, but less than twenty-two (22) years' service -- 2 days per month, not to exceed twenty (20) days; twenty-two (22) years' service -- 2 ½ days per month not to exceed twenty-five (25) days.

8) An employee may use any furlough earned prior to December 31 of the preceding year. Furlough being earned currently in any calendar year may not be used until after December 31 of that year.

9) Furlough shall be taken during each current year, provided that the City may permit an employee to accumulate and carry over his vacation leave to the following year, and must be taken during that period of time.

10) If an employee is laid off or terminates prior to taking his furlough earned but not used for the previous year, he shall be paid in full for that furlough time, in addition to receiving pro-rata furlough earned during the current year in which he terminates.

11) The estate of a deceased employee shall receive payment for any unused leave, including pro-rata furlough earned during the current year for which the employee was eligible at the time of death.

12) Any employee eligible for furlough under existing rules, who enlists or is inducted into the armed forces, shall at the time of leaving for military service be paid in full for all accrued furlough time (earned but not previously taken).

13) A returning serviceman may be entitled to his furlough in the calendar year following the year of his return on the same basis as if he had been on the City payroll during the full preceding calendar year, providing he returns to duty within six (6) months of discharge from military service.

14) If a recognized holiday falls within an employee's furlough, the employee shall receive an additional paid furlough day in lieu of the holiday, (either at the beginning or at the end of his furlough, at his option).

Employees may take their furlough during the calendar year at the convenience of the City. During the first quarter of each calendar year, employees will be given an opportunity to indicate on a form provided by the City their furlough preferences, and promptly thereafter a written furlough schedule (by department) will be prepared by the City with priority given to employees according to their CCS or job classification seniority to the extent consistent with operational requirements. Furlough preferences will be considered within each platoon/shift. Once the departmental furlough schedule is determined, it shall not be changed without the consent of the involved employee(s) except in response to an operational emergency. Any employee who fails to make his furlough application during the appropriate period will be given his furlough leave without regard to seniority, based upon when his application was made.

The City may change an employee's selected/scheduled furlough if the employee voluntarily changes his/her platoon. In these cases, employees will select an alternative furlough period agreeable to the City, but will also be able to reserve his/her previously selected furlough period, and will be able to use that period if it becomes available prior to the date of the alternative furlough.

Except for those furloughs reserved as set forth in paragraph (14), furloughs of one (1) week or longer which have been vacated thirty (30) or more days before they are scheduled are available for bid on a seniority basis to the other employees on that shift.

15) After twenty-two (22) years of service, an employee, with the approval of the Chief of Police, may work his/her furlough at straight time and be paid for it in the same pay

period in which the furlough was worked. If the employee exercises this option, no compensatory time may be used by the employee as vacation time off during the work period that this option is exercised.

16) All openings will be posted for a minimum of fourteen (14) calendar days unless operational need necessitates a shorter posting period but in no case less than seven (7) calendar days.

17) Requests to use up to two (2) days of compensatory time in conjunction with a furlough in order to bridge to V-days shall be given priority over other requests to use compensatory time (except for Family Days).

### **ARTICLE 30 CALL-IN PAY / COURT TIME**

An employee who is called in to work at a time when he is not regularly scheduled to report for work shall receive a minimum of four (4) hours of work at his applicable rate of pay. If an employee is called in and works more than four (4) hours, he shall be paid for all hours worked.

To be eligible for the minimum of four (4) hours of work, the employee must report for work at the time agreed upon by the employee and supervisor. Absent agreement by the employee, the City shall provide a minimum of one (1) hour to report to work following the call-in, unless exigent circumstances require a shorter notice period.

When an employee is required to remain at work after the normal quitting time of his/her regular shift in order to make a court appearance, prosecutor review, or continued presence in a court-related matter, the employee will be paid the overtime rate of pay for the actual time worked in excess of the employee's normal shift. If an employee is called in when he/she is not regularly scheduled to work and at a time not contiguous with his/her regular shift for a court

appearance, prosecutor review, or other court-related matter, the employee shall be paid for a minimum of three (3) hours work at his/her applicable rate of pay, provided that Third Platoon employees who must make a court appearance on a day on which the employee has concluded his/her tour of duty, shall be guaranteed pay for a minimum of four (4) hours of work at his/her applicable rate of pay.

### **ARTICLE 31 DISCIPLINE**

Discipline is defined as any verbal or written warning, suspension, discharge, demotion, or reduction in pay. No discipline shall be imposed except for just cause. An employee who is disciplined must be charged within ten (10) working days of the event(s) upon which the discipline is based or within a reasonable time from the date the City had knowledge of said event(s). An employee shall be considered to have been “charged” when he or she receives written notification of the specific conduct or activity being investigated or evaluated to determine whether there has been a violation of any City rule, order, or policy. The notification will be specific as to time, place, assignment, and conduct or activity under investigation or evaluation. Employees so notified shall be given written notice of the disposition of the investigation or evaluation within a reasonable time following receipt of the notice of investigation, and shall be advised of the status of an investigation or evaluation upon request. Employees will be notified that formal charges are not being brought within ten (10) days of such a determination. Where it is agreed that it is likely that notification would prejudice an ongoing criminal investigation, notification may be delayed no longer than fourteen (14) days following the conclusion of the criminal investigation. In the case of suspension or discharge, the employee has a right to have a Union steward present and, upon request, will be permitted to discuss his suspension or discharge in an area provided by the City before he is required to leave

the premises. If a steward is being disciplined, he has a right to be represented by a Union officer.

An employee who is suspended or discharged shall be given a written notice stating the reason for the disciplinary action within three (3) working days. Upon request by the employee, a copy of the written notice will be given to the Union. All suspensions shall be for a specific number of consecutive work days. Any disciplinary action taken as a result of an employee's violation of the No-Strike Section shall not be appealable through the grievance procedure.

When computing days of suspension, holidays shall count as working days. However, in those instances where a disciplinary suspension causes an employee to be in inactive pay status on the last work day prior to the holiday, such employee shall not be entitled to holiday pay in accordance with the holiday section.

The City shall not consider, as a basis of progressive discipline, any reprimand, suspensions, or other disciplinary action which occurred more than three (3) years previous.

No work rules shall be implemented unless they have been posted in a conspicuous place for at least three (3) days and the Chief Steward has been notified in writing. If it is necessary to implement a work rule in less than this three (3) day period, such work rule shall be effective upon notification to the Chief Steward, but shall, nevertheless, be posted for at least three (3) days.

The Deputy Chief or Commander can administer discipline up to and including five (5) day suspensions and/or ten (10) day overtime suspensions.

Employees can be subject to immediate discharge for, including but not limited to, the following offenses:

- 1) Theft of City property;

- 2) Conviction of an offense related to the sale of drugs; and
- 3) Conviction of two (2) DUI offenses within a two (2) year period for employees

who regularly drive City vehicles.

Employees are obligated to report convictions for DUI and drug related offenses. Failure to report such convictions may result in immediate discharge.

Work rules shall be applied to all employees in the bargaining unit in a reasonably uniform manner.

All employees are required to notify the City within ten (10) calendar days of the date on which they knew that they were criminally charged with, convicted of, or arrest warrants had been issued for:

1. a felony, or
2. a misdemeanor.

Exempt from this provision are minor misdemeanors as defined in the Ohio Revised Code if they do not involve alcohol, drugs or other controlled substances or use of a computer. Failure to notify the City may result in discipline. It shall not be a violation of this notice requirement if exigent circumstances compel a longer period before an employee provides notice.

### **ARTICLE 32 MANAGEMENT / LABOR COMMITTEE**

A Management/Labor Committee shall be established to discuss areas of concern. This Committee shall consist of six (6) members; three (3) chosen by management and three (3) chosen by the Chief Steward. Meetings shall be convened at times agreed upon by the parties.

**ARTICLE 33  
GRIEVANCE PROCEDURE**

A grievance is a written claim or complaint arising under and during the term of this Contract filed by an employee or a group of employees (involving a single common issue or event) covered by this Contract with regard to the interpretation or application of this Contract, including any and all disciplinary actions as they relate to alleged violations of this Contract.

An employee who believes he has a grievance has a right to notify his steward of the situation and discuss it; however, proper regard for the City's operational needs and prior authorization of the supervisor is required. Every grievance must be dated and signed by the employee and the steward, must set forth the complete details of the grievance including the provision(s) allegedly violated, the history of the occurrence (date, time, etc.), and the relief requested. Nothing in this procedure shall prevent an employee from discussing the matter with his Supervisor(s) in an attempt to resolve any problem before filing a grievance. It is the intent of the City and the Union to share information pertaining to grievances at all Steps of the grievance procedure.

Whenever any employee is subjected to interrogation by any departmental personnel for reasons that could lead to disciplinary action, the employee shall be apprised of the nature of the investigation and may contact a union officer to be present. This does not include criminal investigations, unless the interrogation is being conducted by, or under the auspices of, Internal Affairs or a similar body. If any of these procedures are alleged to be violated, such allegations shall be subject to the grievance procedure beginning at Step 3.

Step 1: A grievance shall be presented to the employee's Bureau of Communications Commander within seven (7) working days after the event giving rise to said grievance. The Bureau of Communications Commander or his/her designated representative will meet with the

steward and/or the local Union officer (the City or the Union may request the presence of the grievant) within five (5) working days from receipt of the grievance in an effort to resolve said grievance and shall render an answer in writing within three (3) working days of the Step 1 answer. Grievances concerning payment of wages or discharge may be filed at Step 3 within the seven (7) working day time limit.

This answer shall set forth in detail the settlement reached between the parties. Agreement on this settlement shall be noted by both parties in writing on the grievance form. In the event the grievance is not resolved, the answer shall set forth in detail the reason or reasons for the denial of the grievance.

Step 1-A: Any disciplinary action involving suspension of eleven (11) working days or more, or a disciplinary reduction in rank or pay may be appealed to the Civil Service Commission in accordance with its rules and regulations. An employee may choose to appeal such disciplinary action by filing either a grievance or an appeal to the Civil Service Commission, but in no case shall an employee be permitted to utilize both procedures. If an employee does not file a grievance within the seven (7) working day time limit or files an appeal through both the grievance procedure and the Civil Service Commission, the employee shall be deemed to have chosen to appeal to the Civil Service Commission. Decisions of the Civil Service Commission are not appealable through the grievance procedure.

Step 1-B Grievances may be filed within the seven (7) working day time limit at the management level at which the decision or discipline being grieved was made, or at the Step above that level if that level is not a Step in the grievance procedure.

Step 2: If a grievance is not satisfactorily settled at Step 1 of the grievance procedure, the Union may appeal the grievance in writing to the employee's Director or his designated

representative within five (5) working days of the Step 1 answer. The Director or his designated representative shall meet with the local Union President and/or local Union officer(s) within five (5) working days after receipt of the written appeal. The City or the Union may request that the grievant also be present. The Director or his designated representative will render an answer in writing within ten (10) working days after the Step 2 meeting. The answer will set forth in detail the settlement reached between the parties. Agreement on this settlement shall be noted by both parties in writing on the grievance form. In the event the grievance is not resolved, the answer shall set forth-in detail the reason or reasons for the denial of the grievance.

Step 3: If the grievance is not satisfactorily resolved at Step 2, the Union may appeal the grievance in writing to the City's Labor Relations representative within ten (10) working days of the Step 2 answer. The City's Labor Relations representative will meet with the Union's business representative, local Union President, and/or local Union officer(s) within ten (10) working days from receipt of the written appeal.

The City and the Union shall not have more than four (4) representatives, respectively, at these meetings.

The City will render an answer in writing to the Union business representative within fifteen (15) working days from the Step 3 meeting: with a copy provided to the local Union President.

Step 4 Any grievance not satisfactorily settled at Step 3 may be submitted for arbitration. Such must be submitted in writing within thirty (30) working days of the Step 3 answer. The selection of an arbitrator shall be by agreement or under the auspices of AAA.

The parties shall bear equally the fees and expenses of the arbitrator. The aggrieved employee, local Union officer, local Union President, and/or any necessary witness will not lose

regular straight-time pay for time spent at arbitration proceedings, provided the Union notifies the City of the names of the individuals whom they are requesting to be present at least seventy-two (72) hours prior to the hearing.

In instances where the City objects to arbitration, and the Union chooses to proceed, the first question to be placed before the arbitrator will be whether or not the alleged grievance related to specific provisions covered by the Contract and/or whether or not the grievance has been timely processed and is, therefore, arbitrable. If the arbitrator rules that the grievance is not arbitrable, the grievance will be considered concluded at that point in favor of the City.

If the arbitrator determines that the grievance is within the purview of arbitrability, the grievance will be heard on its merits before the same arbitrator.

The arbitrator's decision shall be rendered to both parties in writing within thirty (30) days and shall be final and binding on both parties. The arbitrator shall have no authority to: add to, subtract from, disregard, or modify any provisions of this Contract, and shall confine his decision to the express issue(s) put before him by the parties relating to express terms and provisions of this Contract. An arbitrator may rule on the validity of a verbal or written warning, if it is presented on the basis for further progressive disciplinary action.

Enforcement of Award: Arbitration awards shall be implemented in good faith and within a reasonable time after their issuance, or after any good faith appeals of an award are completed. Where a party has failed to implement or appeal an award in good faith and/or within a reasonable time, that party shall bear the court costs and/or arbitrator's fees of the other in any subsequent proceedings to mandate compliance with the award.

A grievance which is untimely filed or untimely appealed by the Union may be denied on that basis.

Any grievance for which the response by management is not timely may be appealed by the Union to the next step.

Computation of time. For purposes of this section, timeliness is counted as working days from the date of the incident, the date expressed on the face of either the answer, or the appeal notice, as applicable. Extensions of time limits shall be by mutual agreement and must be verified in writing and signed by the parties. The date of occurrence of the event causing time to run is not counted in the computation of any time limit. The last day of the period is included in the computation of the time limit. If the last day of a period is not a regular business day, the time period runs through the end of the next regularly scheduled business day. For the purposes of this section, "working days" shall be Monday through Friday, except holidays as provided in this Agreement.

#### **ARTICLE 34 STRESS UNIT**

Employees shall be given access to any stress unit to which uniformed safety personnel have access. In recognition of the possibility that an employee may be subject to an extraordinary stressful situation in the course of his/her employment, the City may grant any employee so involved or exposed either a paid or an unpaid administrative leave. Employees may use their own or donated accumulated time to maintain income during an unpaid administrative leave. The determination and the final decision of the use and duration of an administrative leave will be made by the City.

#### **ARTICLE 35 DRUG / ALCOHOL TESTING**

1) Policy Statement: Both the Union and the City recognize illegal drug usage and workplace alcohol abuse/misuse as a threat to the public safety and welfare and to the employees

of the Police division. Thus, the Division will take the necessary steps, including drug and alcohol testing, to maintain a drug/alcohol free workplace. The goal of this policy is education, prevention and rehabilitation rather than termination.

2) Definitions:

a) The term “drug” includes cannabis as well as other controlled substances as defined in the Ohio Revised Code.

b) The term “illegal drug usage” includes the use of cannabis or any controlled substance which has not been legally prescribed and/or dispensed, or the abusive use of a legally prescribed drug.

c) The term “drug test” means a urinalysis test consisting of an initial screening step and a confirmation step employing the gas chromatography/mass spectrometry (GCIMS) method utilizing urine samples collected according to collection methods and chain of custody procedures consistent with United States Department of Transportation (“D.O.T.”) regulations.

d) The term “Misuse of Alcohol” means the use or possession of ethyl or methyl alcohol in the workplace, or testing positive (as defined in paragraph (e)) for the presence of alcohol in an employee’s system while at work.

e) The term “Alcohol Test” means a breath analysis test selected and certified under Federal Standards. An initial positive level of .04 grams per 210L of breath shall be considered positive for purposes of authorizing a confirming alcohol test. If initial screen results are negative, *i.e.*, below the positive level, testing shall be discontinued, all samples destroyed and records of the testing expunged from the employee’s personnel file. Only employees with screen test results that are positive on the initial screen shall be subject to

confirmation testing for alcohol. With respect to confirmation testing, a positive alcohol level shall be .04 grams per 210L of breath. In confirmatory breath testing results are negative, *i.e.*, below the positive level, all records of the testing shall be expunged from the employee's personnel file.

f) "Voluntary Participation in a Dependency Program" means in the absence of a positive test result or a request to take a drug/alcohol test, an employee seeks the professional assistance of a treatment program supervised by the Medical Director and/or members of the Employee Assistance Unit or pursuant to another City program such as Recovery Resources and/or a program covered by the employee's insurance plan.

3) Notice and Education of Employees Regarding Drug/Alcohol Testing: There will be a ninety-(90) day education and information period prior to the testing under this policy for employees, except that prior policies governing the testing of cadets and testing under consent forms shall remain in effect during this period.

All employees will be informed of the Division's drug/alcohol testing policy. Employees will be provided with information concerning the impact of the use of drugs on job performance. In addition, the employer will inform the employees of the manner in which these tests are conducted, the reliability of the tests performed, under what circumstances employees will be subject to testing, what the tests can determine and the consequences of testing positive for illegal drug use and alcohol abuse/misuse. All new employees will be provided with this information when initially hired. No employee shall be tested until this information has been provided.

4) Basis for Ordering an Employee to be Tested for Drug/Alcohol Abuse:

Employees may be tested for drug/alcohol abuse misuse during working hours under any of the following conditions:

a) Reasonable Suspicion. Where there is reasonable suspicion that the employee to be tested is using or abusing illegal drugs or alcohol while on duty. Such reasonable suspicion must be based upon objective facts or specific circumstances which present a reasonable basis to believe that an employee is using alcohol or illegal drugs in violation of this policy. Two examples of where reasonable suspicion shall be deemed to exist are where there has been a serious on-duty injury to an employee, or another person, the cause of which is otherwise unexplained, and where an employee, while driving a city vehicle, becomes involved in a traffic accident which results in physical harm to persons or property where the circumstances raise a question as to the existence of substance abuse by the employee involved. The listing of these examples is not intended to exclude other situations which may give rise to reasonable suspicion of abuse. A supervisor ordering an employee to take a drug/alcohol test shall give the Chief of Police, in writing, his/her "reasonable suspicion" reasons for ordering the test. A copy of the "reasonable suspicion" reasons shall be provided to both the employee and the Union upon request.

b) For Random Testing. The term "Random Testing" means employees during their normal tour of duty, are subject to Random Drug/Alcohol Testing, effective after the employee education process (as stated above) is completed. The annual number of such random tests shall not exceed twenty-five percent (25%) of the members covered by the contract as of January 1 of each calendar year (if testing commences later than March 31, the number of tests taken shall not exceed a pro-rated amount of 25% of the members). Such tests shall be

reasonably spread throughout the year. Employees in the Police Safety Aide classification are not subject to random testing. Member(s) notified of their selection for random drug/alcohol testing shall proceed immediately to the collection site. A member who is on a regularly scheduled V-Day, furlough Day, already absent due to illness or injury, on Compensatory Time Off (approved before the member was scheduled for testing) or under subpoena from a Court, shall be excused from testing, but will remain subject to future random testing.

c) Prior to a return to duty after participation in a substance abuse rehabilitation program regardless of the duration of the program, and following an employee's return under these circumstances wherein the employee shall be required to undergo three (3) unannounced urine tests within the one-year period starting with the date of return to duty.

d) For post-accident testing, where an accident results in a reportable injury or property damage of one thousand dollars (\$1,000.00) or more. Such testing shall take place within a reasonable time following the accident.

Prior to obtaining a drug/alcohol test from an employee as set forth in sections (a) through (c) above, the City shall instruct the officer that the results of the drug/alcohol test can result in termination from employment.

5) Urine Samples: Specimen collection will occur in a medical setting and conform to D.O.T. regulations. The procedures should not demean, embarrass, or cause physical discomfort to the employee.

Each step in the collecting and processing of the urine specimens shall be documented to establish procedural integrity and the chain of evidence.

The employee will complete a form indicating the use of all drugs currently being taken and identify the prescribing physician.

The employee designated to give a sample must be positively identified prior to any sample being taken.

Specimen samples shall be sealed, labeled and checked against the identity of the employee to ensure that the results match the employees tested. Samples shall be stored in a secure and refrigerated atmosphere until tested or delivered to the testing lab.

Upon request, an employee shall be entitled to the presence of a union representative before testing is administered.

6) Testing Procedure: The Laboratory selected by the City to conduct the analysis must be a federally certified laboratory experienced and capable of quality control, documentation, chain of custody, technical expertise, and demonstrated proficiency in urinalysis testing. The testing or processing phase shall consist of a two-step procedure.

(i) Initial screening step, and

(ii) Confirmation step.

The urine sample is first tested using a screening procedure. (EMIT or an equivalent test). For a specimen testing positive, a confirmatory test employing the gas chromatography/mass spectrometry (GCIMS) test (or an equivalent test) will be used. An initial positive report will not be considered positive; rather it will be classified as confirmation pending. Where a positive report is received, urine specimens shall be maintained under secured storage for a period of not less than one (1) year. Any sample which has been adulterated or is shown to be a substance other than urine shall be reported as such. All test results shall be evaluated by suitable trained medical or scientific personnel prior to being reported. All unconfirmed positive test records shall be destroyed by the laboratory. Test results shall be treated with the same confidentiality as other employee medical records. Test results used as evidence for disciplinary action shall also

be entitled to the same confidentiality. An employee who tests positive for drugs and or alcohol will be given the opportunity to review the tests and, if desired, a reasonable opportunity to rebut the results.

7) Medical Review Officer:

The City shall maintain a Medical Review Officer ("MRO"). The MRO shall review any positive test results before a determination is made regarding a violation of this policy. The MRO will be available to discuss the test results with the employee.

8) Disciplinary Action:

a) Drugs. Employees who as a result of being drug tested on the basis of reasonable suspicion are found to be using illegal drugs shall be subject to dismissal. Employees who test positive for illegal drugs pursuant to a random test or who are found to be abusing drug(s) which have been legally prescribed shall be subject to dismissal unless the employee agrees to participate in and satisfies the obligations of a treatment program supervised by the Medical Director and members of the Employees Assistance Unit. Any employee who tests positive for a second time pursuant to a random test or who is found for a second time to be abusing drugs which have been legally prescribed shall be subject to dismissal.

b) Alcohol: An employee who tests positive for alcohol shall be subject to dismissal unless the employee agrees to participate in and satisfies the obligations of a treatment program supervised by the Medical Director and members of the Employees Assistance Unit.

An employee who agrees to participate and satisfies the obligations of this treatment program will be subject to discipline up to a three (3) day suspension (but is also subject to additional discipline for other rules violations).

Any employee testing positive for alcohol for a second time shall be subject to dismissal.

c) Refusal to submit to a drug/alcohol test, or adulteration of, or switching a sample shall also be grounds for dismissal.

9) Right to Appeal: An employee disciplined as a result of a drug test has the right to challenge such discipline beginning at Step 3 of the grievance procedure.

10) Voluntary Participation in a Dependency Program: Employees who may be drug/alcohol dependent are encouraged to voluntarily seek professional assistance through a treatment program supervised by the Medical Director and/or members of the Employee Assistance Unit or through another City program such as Recovery Resources and/or a program covered by the employee's health insurance plan. Voluntary assistance should be sought BEFORE the drug abuse affects job performance or endangers fellow employees or members of the public.

Participation in a dependency program is voluntary and strictly confidential. Under provisions of GPO 25-85, neither the City administration, the Division of Police nor any unit or entity within the City shall have access to the program's files and records. However, the Chief of Police or his designee of the Medical Unit shall be advised when an employee is hospitalized or is an outpatient as part of drug dependency rehabilitation. Also, upon written request of the participating officer, efforts at rehabilitation will be divulged on his/her behalf in cases of disciplinary action.

11) Illegal drug use or alcohol misuse or participation in any substance abuse dependency or rehabilitation program will not preclude disciplinary action against employees for any law or rule violation even though such law or rule violation may have been connected in part with drug/alcohol abuse, and/or even if the rehabilitation program is voluntarily undertaken.

12) The Union shall be indemnified and held harmless for the violation of any employee's constitutional, common law, or statutory rights. The City is not responsible for any legal obligations and costs for claims based on the Union's duty of fair representation.

13) The Union shall be permitted reasonable access to all records, facilities, documents, and procedures necessary to enable it to properly and effectively monitor all aspects of this program, and shall in no event be excluded from any procedure where Association presence is requested by an employee (and a representative is readily available), or be denied access to any records which an employee has requested be provided to the Association and to which an employee is entitled to have access. The City shall provide the Union on an annual basis, a list of employees tested and the date of each test.

**ARTICLE 36  
NEW EMPLOYEE / TRANSFER OF CREDITS**

Employees shall not receive credit for any prior governmental or public service for employers other than the City of Cleveland for purposes of computing vacation and sick leave benefits.

**ARTICLE 37  
STO CONVERSION**

The City may require STOs to undertake training to become Police Radio Dispatchers. Any training to become a Police Radio Dispatcher will be made available to STOs where such training does not unduly interfere with operational needs. In either event, the following procedure will govern the conversion of STOs to Dispatchers.

1) STOs will be given written notice that they have fifteen (15) days to notify the CCS Commander that they wish to become Dispatchers. The CCS Commander will make sure that all STOs are notified of this opportunity.

2) Once all of the STOs have made their election, those who wish to become Dispatchers will begin a 90-day training period. During this period, trainees will not work on a dispatch console unassisted by a trained Dispatcher.

At the end of the training period, the City shall notify in writing each individual, whether or not he or she has successfully completed the required course of training. If an individual is rejected, he or she shall be given a written description of the specific reasons for the rejection. Rejections shall be based only upon specific objective factors fairly applied to all trainees and observed by a member of management either directly or on tape.

3) The pay of successful trainees will be increased to \$1,200.00 less than the top Dispatcher rate upon completion of the training period.

4) After the number of successful trainees is determined, that same number of openings (on platoons and shifts to be determined by the City) will be posted for bid by all qualified employees on the basis of seniority. The openings which remain after the bidding procedure or which are created on other platoons or shifts as a result of this bidding procedure will be filled by the successful trainees on the basis of CCS employment seniority. Upon completion of the bidding procedure and any required Civil Service Testing, successful trainees will be appointed to the classification of Dispatcher and shall begin serving a ninety (90) day probationary period.

5) Any employee failing to pass the training period or probationary period shall revert to STO with all wages, seniority, benefits, etc. intact, as if he or she had never embarked upon training.

6) The classification seniority of trainees shall commence on the day that training of any of them begins, except that in the case of ties, CCS employment seniority shall govern.

7) Upon written notice to the CCS Commander, any ST0 may resign from the conversion process. Any such individual shall remain an ST0 as provided in Paragraph 6.

8) The implementation of this ST0 conversion process in no way affects the City's ability to eliminate any job classification including the ST0 job classification.

### **ARTICLE 38 PAID TIME OFF DONATION**

Bargaining unit members may donate accumulated sick time to eligible bargaining unit members under the following conditions:

1) Eligible Employees. Any bargaining unit member who is eligible for sick leave, has exhausted his/her own sick leave, vacation and personal leave, who is suffering from a serious medical condition as defined by the FMLA and who has not been within the steps of the sick leave abuse policy during the last twelve (12) months, will be eligible for donations.

2) Eligible Donors. Any employee may donate up to a maximum of forty-eight (48) hours per donation. In order to make a donation, an employee must have a sick leave balance of one hundred (100) hours immediately following the donation and must sign a written contribution agreement subject to final approval by the City's Office of Labor Relations.

3) Donations. Eligible recipients may request sick time donations by completing and signing a Request for Donation form and submitting it to a supervisor.

Requests for donations shall be posted on the bulletin board in the Communications Control Section for a period not to exceed seven (7) days. Donations will be deducted from the donor's accumulated sick leave time at his/her hourly rate and credited to the account of the recipient at his/her hourly rate. All donations are irrevocable.

Indemnification. The Union shall indemnify and hold harmless the City from any damages, liabilities, obligations, claims, costs and expenses, including, without limitation,

reasonable attorneys' fees, arising from or attributable to any act or omission of the City or any employee thereof in administering this provision except as pertains in the normal course of the grievance/arbitration provision of this Agreement, and except in those cases where donor and recipient eligibility requirements have been met and donation has otherwise not been approved by the City.

**ARTICLE 39  
LEGALITY**

In the event that any portion of this agreement is found by a court to be unlawful, the remainder of the Agreement shall not be affected, and the City and the Union shall promptly meet to negotiate a lawful alternative provision.

**ARTICLE 40  
VOLUNTARY DISPUTE SETTLEMENT PROCEDURE**

Either the City or the Union may initiate negotiations by letter received by the other party no earlier than one hundred-fifty (150) days before and no later than one hundred-twenty (120) days before the Agreement expires. The parties shall hold their first negotiation session within fifteen (15) days of notification, at which time they will jointly notify S.E.R.B. of the commencement of negotiations and impasse procedures identified in this Agreement in place of the procedure alternatively provided and then in effect under Rev. Code 4117.14 and related sections.

All negotiation sessions shall be closed to the public and media and conducted during times mutually agreed upon by the respective parties.

If within forty-five (45) days before the nominal expiration of the Agreement, or a date mutually agreed upon, tentative agreement on all items is not reached, either party may use the

services of the Federal Mediation and Conciliation Service (FMCS) or S.E.R.B. mediation, as follows:

- 1) FMCS or S.E.R.B. shall be contacted by either party so that mediation may start within three (3) days after petitioning FMCS or S.E.R.B. on the date mutually agreed upon.
- 2) Once started, mediation shall continue until tentative agreement is reached on all unresolved items with mediation sessions being held at the direction of the mediator.

In the event the parties are unable to reach agreement by thirty (30) days before the nominal termination date, or a date mutually agreed upon, either of the parties may request a list of arbitrators from either S.E.R.B. or the American Arbitration Association and the parties shall select an arbitrator by an alternate strike-off method, beginning with the Union. As soon as practical thereafter, the parties positions with respect to all unresolved issues will be presented to the arbitrator for final and binding decision.

#### **ARTICLE 41 MEDIA**

Unless required by applicable law, the City shall not disseminate the names, addresses, telephone numbers or other personal data of a bargaining unit member. Reasonable notice will be provided to bargaining unit members prior to filming, taping or interviewing by the media.

#### **ARTICLE 42 PARKING TICKETS**

Employees who fail to pay moving violation fines and/or parking tickets/fines on City vehicles will authorize the City to deduct the amount of the fines from their pay once the administrative appeal process, if applicable, has been exhausted.

**ARTICLE 43  
EDUCATION INCENTIVE**

The city will consider requests for reimbursement for the cost of job-related seminars taken by employees.

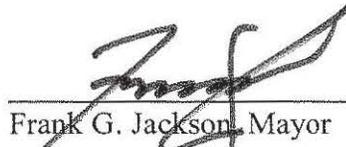

**ARTICLE 44  
DURATION**

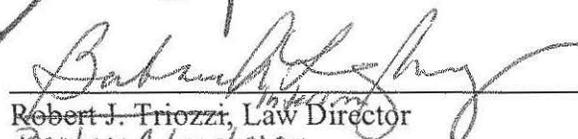

This Contract represents a complete and final understanding on all bargainable issues between the City and the C.P.P.A. and it shall be effective as of the date of ratification and remain in full force and effect until March 31, 2013.

This Contract supersedes all previous agreements and memoranda.

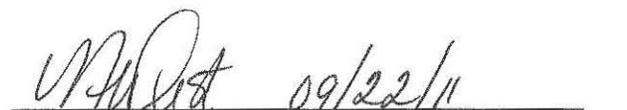

The attached contract sets forth the terms and conditions of employment of employees in the bargaining unit of the Cleveland Police Patrolmen's Association, as agreed upon by the City of Cleveland and the elected officials of the Union and ratified by the membership of the Union.
