ARTICLE 1 MANAGEMENT RIGHTS

Section 1. Except as specifically limited by explicit provisions of this Agreement, the College reserves and retains the sole and exclusive right to determine and fulfill the mission of the College, determine staffing policy, and in all other respects to plan, manage, evaluate, administer, govern, control and direct its personnel and operations. Such exclusive rights include, but are not limited to the right to:

- A. Establish, amend and enforce all rules, regulations, policies and procedures governing and effecting the operations of the College.
- B. Determine matters of inherent managerial policy, including but not limited to: functions, processes, programs, standards of service, budgets, utilization of technology and organization structure, facilities and equipment;
- C. Determine the adequacy, size and composition of the workforce; subcontract work; and, implement a temporary shutdown of all or parts of the College's operations;
- D. Recruit, select and determine qualifications, characteristics and job titles and job families of new hires and establish, determine and modify job descriptions and duties for current employees;
- E. Promote, direct, supervise, evaluate, discipline, suspend, discharge for cause, transfer, classify and retain employees and determine criteria for the foregoing;
- F. Determine, establish and modify: hours of operations, employee hours, schedules, shifts and assignments, including but not limited to: work assignments to non-bargaining unit members, student workers and casual employees;
- G. Determine the mission of the College and effectively and efficiently fulfill that mission including the transfer, alteration and curtailment of any services or operations;
- H. Determine the location or locations of its operations. Sell, lease or transfer any portion of its operations, properties or facilities;

- I. Train or retrain employees as needed to fulfill the purpose or mission of the College.

Section 2. The College reserves any and all rights, powers and authority previously exercised by the College and specified above except as specifically modified by the provisions of this Agreement.

Section 3. The rights, powers and authority granted to the College in this Article are, and shall remain, exclusively those of the College.

ARTICLE 2

RECOGNITION AND SCOPE OF UNIT

Section 1. **Recognition.** The College recognizes the Union as the sole and exclusive representative for the purpose of establishing wages, hours and other terms and conditions of employment for those employees defined in SERB in Case Numbers 05-REP-11-0171 and 06-REP-03-0047. Specifically excluded from the bargaining unit are: all job titles not specifically included, all management, supervisory, seasonal, casual, student workers, professional, confidential employees as defined by the Ohio Public Employee Collective Bargaining Act, Ohio Revised Code Chapter 4117, as presently enacted or hereinafter amended, and all restricted fund employees. The Executive Assistant to the President, and the Administrative Assistant to the Vice President for Student and Administrative Affairs, and Administrative Assistant to the Vice President for Academic Affairs are specifically excluded from the bargaining units as confidential employees.

Section 2. **Full Time Employees.** A *full time employee* is defined as an employee who is regularly scheduled for forty (40) hours per week.

Section 3. **Regular Part-Time Employees.** All provisions of this Agreement apply to those employees except for those articles, sections and clauses which reference *regular, full-time employees* only. A *regular, part-time employee* is defined as an employee who has been designated a part-time employee by the College and who regularly works between twenty (20) and twenty-nine (29) hours per week. *Regularly works* means that the employee was scheduled between twenty (20) and twenty-nine (29) hours for the majority of work weeks in the prior fiscal year. All other part-time employees are specifically excluded from the bargaining unit.

Section 4. **Reduced Appointment Employees.** Only reduced appointment employees included in the job titles referenced in Section 1 of this Article are included in the bargaining units. A *reduced appointment employee* is an employee who has been designated a reduced appointment employee by the College and who regularly works between thirty (30) and thirty-nine (39) hours per week. *Regularly works* means that the employee was scheduled between thirty (30) and thirty-nine (39) hours for the majority of work weeks in the prior fiscal year. All other reduced appointment employees are specifically excluded from the bargaining unit.

Section 5. Truck Driver Training Academy Instructors. It is recognized that the Truck Driver Training Academy instructors comprise a distinct and separate bargaining unit under SERB Case Number 06-REP-03-0047. The provisions of this Agreement apply to the Truck Driver Training Academy instructors unless otherwise indicated.

Section 6. Membership. The College and the Union agree that membership in the Union shall not be compulsory. The Union agrees that neither it nor any of its officers or members will intimidate or coerce any employee with respect to becoming or remaining a member of the Union.

Section 7. New Job Titles. A *job title* is the name that the College gives to a specific position. If a new job title is created which falls within the parameters of either bargaining unit described above, the wage rate for the position will be negotiated with the Union and the position shall be posted as a vacant position in accordance with the applicable provisions of this Agreement. A list of active and inactive job titles is attached to this Agreement and incorporated by reference.

Section 8. New Job Families. A *job family* is a group of job titles that share a common purpose but which have different levels of job responsibilities. The parties will first meet and attempt to resolve any disputes as to the appropriateness of adding (or not adding) any new job family to the bargaining unit. Thereafter, any disputes shall be resolved through the Grievance and Arbitration Procedure contained herein or any other mutually agreeable dispute resolution procedure. A list of job families is attached to this Agreement and incorporated by reference.

Section 9. Restricted Fund Employees. A *restricted fund employee* means any individual whose terms and conditions of employment with the College are restricted to purposes specified by grants, contracts, or other similar arrangements with governmental agencies (federal, state, or local), foundations, corporations, or individuals donating resources to the College, or employees whose primary job responsibilities are unrelated to the College's educational mission.

ARTICLE 3 **NON-DISCRIMINATION**

Section 1. The Parties agree that neither the College nor the Union shall discriminate against any bargaining unit member because of national origin, race, color, creed, religion, sex, sexual orientation, age, disability or veteran's status.

Section 2. The use of the masculine or feminine gender in references throughout this Agreement shall be construed as including both genders unless the Agreement clearly requires a difference construction.

ARTICLE 4
NO STRIKE AND NO LOCKOUT

Section 1. **Union and College Cooperation.** During the term of this Agreement or any extension thereof, the Union, its agents, representatives and members shall not directly or indirectly call, sanction, encourage, finance and/or assist in any way nor shall any employee instigate or participate directly or indirectly in any strike, slow-down, walk-out, call-in, sick-out, failure to report, work stoppage, mass resignation, picketing, or other interference with any operation or operations of the College or with any deliveries to or from the premises of the facilities operated by the College. The Union shall cooperate with the College throughout the terms of this Agreement and any extension thereof in continuing operations of the College in a normal manner and shall actively discourage and endeavor to prevent or terminate any violation of this Section.

Section 2. **Violations.** Any employee who violates this Article shall be subject to discharge or other disciplinary action at the option of the College.

Section 3. **Notification.** In the event that any strike, slow-down, walk-out, work stoppage, picketing or other interference described in this Article occurs, the Union shall promptly notify all employees that such conduct is prohibited by this Article and is not in any way sanctioned or approved by the Union. The Union shall also promptly order all employees to return to work at once.

Section 4. **Lockout.** The College shall not lock out any or all of its employees during the term of this Agreement.

Section 5. **Limitations.** Nothing in this Article shall be construed as a limit on the Union's statutory right to strike after the expiration of this Agreement or any extension thereof upon compliance with the statutory procedures and requirements of Ohio Revised Code 4117.

ARTICLE 5
UNION REPRESENTATION

Section 1. **Stewards.** The employer will recognize one (1) Union employee from each bargaining unit per shift designated by the Union as stewards for employees in the bargaining units for the purpose of processing grievances and attending meetings. The Union may designate one (1) alternate representative per bargaining unit per shift to act in the absence of the representative.

Section 2. **Negotiation Committee.** The bargaining unit members shall elect two (2) negotiation committee members and one (1) alternate for participation in contract negotiations. This provision may be modified by mutual agreement of the parties.

Section 3. **President.** One (1) employee per bargaining unit shall be elected by the bargaining unit as the President of the Union bargaining unit.

Section 4. Union Duties. The Union agrees that no official of the Union, employee or non-employee, shall interfere, interrupt, or disrupt the normal work duties of other employees. Union representatives shall make all reasonable efforts to investigate and process all grievances during non-working hours. When absolutely necessary to investigate or process grievances during work hours, Union representatives shall be permitted reasonable time to investigate, present and process formal grievances on the College property without loss of pay during their regular working hours; provided that, normal operations of the College are not disrupted and, in each and every instance where such time is required, only one (1) bargaining unit representative is assigned to a grievance, and such representative notifies his supervisor of the need for absence from his work station and the supervisor is provided sufficient time to make arrangements to cover the representative's normal job duties.

Section 5. Union Access. A non-employee representative of the Union shall have the right to visit the premises at any time during normal College business hours only for the purpose of investigating current working conditions and compliance with the terms of the Agreement, provided such representative receives prior approval from the College before entering the premises, and such visit is made in such a manner as to not unduly disrupt College operations. The Union is permitted to use the College's rooms for Union meetings so long as those rooms are available, not being used or needed for College business and properly requested and reserved.

Section 6. Union Business. The Union shall notify the College of the names, addresses, home telephone numbers and Union offices held for officers, stewards, negotiation committee, and other representatives as they are elected and shall update that information.

Section 7. Union Meetings. The annual meeting of the Northwest Ohio Association of Public School Employees is held each fall. Employees who wish to attend the annual meeting may attend by utilizing available vacation time scheduled in advance following the College's paid time off procedures.

ARTICLE 6

DUES DEDUCTION AND FAIR SHARE

Section 1. Dues Deduction. The College shall deduct from the pay of members of the Union covered by this Agreement any Union dues when such dues are individually authorized by the employee. Deductions shall be made only following receipt from the Union of individually signed authorizations executed by Union members for the purpose and delivered within thirty (30) days of the date that the deduction is to commence. All authorized deductions shall be made from the Union members' pay over twenty-four (24) pay periods. The College's obligation to make deductions will terminate automatically upon receipt of a revocation of authorization by an employee or upon the transfer to a job outside the bargaining unit. The College shall inform the Union promptly of all revocations of dues deductions. The Union agrees to indemnify and hold the College and any of its agents harmless against any and all claims, demands, suits and other forms of liability that may arise out of, or by reason of, action

taken or not taken by the College for the purpose of complying with this provision, or in reliance on any notice or authorization form furnished under any provision of this Agreement.

Section 2. Fair Share Fee. As a condition of continued employment, on or after sixty (60) days following the beginning of employment or the effective date of this Agreement, whichever is later, the members of the bargaining unit shall become members of the Union or pay to the Union a fair share fee. Such fee shall be deducted from the paychecks as provided in Ohio Revised Code, Section 4117.09(C) or successor statute.

Section 3. PEOPLE. The College agrees, upon receipt of prior written authorization, to make a one (1) time annual deduction from the pay of participating employees for contribution to Public Employees Organized to Promote Legislative Equality (PEOPLE). The deduction shall be strictly voluntary.

ARTICLE 7

NEGOTIATIONS PROCEDURE

Section 1. Exchange of Proposals. At the second negotiation meeting, complete and specific proposals from both sides shall be exchanged. Upon mutual agreement between the parties additional proposals may be added no later than the third meeting of negotiation sessions.

Section 2. Directing Requests. Written requests to initiate negotiations shall be made to the College President or to the Local President, respectively. Such requests may only be submitted during the period of ninety (90) to one hundred twenty (120) days prior to the expiration of the Agreement. A mutually convenient initial meeting date shall be set (not held) within fourteen (14) days of the date of the request.

Section 3. Negotiation Meetings. Employees on the negotiation committee shall be released from duties to attend meetings held during the work day. However, negotiation meetings may be called after working hours whenever possible. Each negotiation team size shall be limited to no more than three (3) members, including one (1) non-employee representative. At the outset of negotiations, the parties shall meet and agree upon ground rules which will govern the negotiations.

Section 4. Assistance. The parties may call upon consultants to consider matters under discussion and to make suggestions.

Section 5. Exchange of Information. The College agrees to furnish the Union, upon reasonable request and in a reasonable period of time (typically within fourteen (14) days), all public records needed to assist in negotiations. The Union shall provide as much needed assistance as possible.

Section 6. Agreement. When a tentative agreement on any item is reached, it shall be reduced to writing and, when approved by the Union and the College negotiation

committees, it shall be signed by the parties. Upon ratification and adoption of a successor Agreement, the Agreement shall be completed and distributed to employees within sixty (60) days after approval by the College's Board of Trustees. The Agreement shall not discriminate against any employees regardless of membership or non-membership in the Union. The College shall print sufficient copies for the Union and all current and future employees. The College and Union shall share equally in the cost of printing the Agreement.

Section 7. **Impasse.** Except as noted below, the parties will generally follow the dispute resolution procedures contained in the Ohio Revised Code Section 4117.14 *et seq.* or successor statutes. However, by mutual agreement, the parties can opt out of the statutory dispute resolution procedure. In the event an agreement is not reached by negotiations, either party may declare an impasse. Following a declaration of impasse, either party may request that the Federal Mediation and Conciliation Service (FMCS) provide a mediator to assist the parties with the negotiations. The mediator shall have the authority to schedule meetings for the purpose of promoting an agreement between the parties but shall have no authority to bind either party to any agreement.

Section 8. **Costs.** Costs and expenses which may be incurred in securing and utilizing the services of any mediator or third-party consultant, if mutually agreed upon by the parties, shall be shared equally by the College and the Union. Otherwise, each party will be responsible for any costs or expenses that it individually incurs.

ARTICLE 8 **WORK RULES**

Section 1. The Employer shall provide copies of all existing work rules, policies or directives to the Local Officers and the employees.

Section 2. Copies of newly established work rules or amendments to existing work rules applicable to bargaining unit members will be furnished to and discussed with the Local Union President or designee prior to posting and implementation.

Section 3. No such work rules, policies or directives shall conflict with or violate any provision of this Agreement. Such rules, policies and directives shall be reasonable and shall be subject to the grievance procedure.

ARTICLE 9
DISCIPLINE AND DISCHARGE

Section 1. Depending upon the nature and severity of the offense and whether the employee has received prior discipline, employees may receive discipline up to and including termination. The following non-exhaustive list of offenses is illustrative of the types of infractions which constitute cause for which employees may be terminated:

1. Violation of local, state or federal laws which involve immoral conduct or adversely affect the College's reputation or the ability of the employee to effectively perform his or her job duties;
2. Insubordination;
3. Theft;
4. Excessive absenteeism or tardiness or absence without authorization or justification;
5. Violation of the College's drug free workplace policy or related procedures;
6. Actions which are detrimental to the effective operation of the College, its educational programs, students and/or employees;
7. Repeated documented performance deficiencies.

Section 2. The College will endeavor to employ corrective and progressive discipline. However, the College will determine, on a case by case basis, the level of discipline which may be imposed and may include: verbal and written warnings, suspensions with or without pay, probation and termination. For less serious infractions, it is expected that most cases will be disposed of by informal conferences without resort to formal disciplinary action. These informal conferences will not be recorded as discipline in the employee's personnel file.

Section 3. The College will maintain a written record of all formal disciplinary actions in the employee's personnel file. The employee and Local President may receive copies of any formal disciplinary documentation upon request and the employee may provide a written response to the discipline which shall be kept in the personnel file. A representative of the Union shall be notified and have an opportunity to be present for any disciplinary action and/or proceedings. All discipline shall be subject to the grievance procedure.

ARTICLE 10
SENIORITY

Section 1. *Seniority* is defined as the uninterrupted continuous length of employment as a bargaining unit member at the College since the member's original full time,

reduced appointment or part time (non-student) date of hire. Any employee entering the Union on or after July 1, 2007 will have his/her seniority based on the date he/she became a bargaining unit member.

Section 2. On or before January 31 each year, a seniority list shall be provided to the Local Union President containing the seniority date for all employees and their job families and job titles. The Union or any employee may notify the Human Resources Department if there are any inaccuracies regarding seniority dates. When one or more employees have the same seniority date, the employee whose birthday occurs first in the calendar year shall be considered more senior.

Section 3. Seniority shall not accrue during unpaid leaves of absence or layoffs unless otherwise required by law.

Section 4. Employees shall lose seniority for reasons which include the following:

- A. Resignation;
- B. Discharge for cause;
- C. Absence from work for five (5) consecutive work days without providing actual notice to the College by the end of the fifth day of absence. *Actual notice* means notice received by the College's Human Resources Department by means of a telephone call from the employee or family member, or electronic mail or certified mail from the employee;
- D. Failing to return after a leave of absence or layoff without prior approval of an extension;
- E. Failure to notify of intent to return to work within fourteen (14) calendar days following mailing of recall notice;
- F. Retirement;
- G. Engaging in outside employment without prior approval of the College during medical and/or workers' compensation leave of absence;
- H. Any period of absence greater than the employee's length of service or one (1) year.

ARTICLE 11
GRIEVANCE PROCEDURE

Section 1. Purpose. The primary purpose of this procedure shall be to obtain, at the lowest level and in the shortest period of time, equitable solutions to grievances which may arise from time to time.

Section 2. Definitions. A *grievance* is defined as any dispute regarding the interpretation of this Agreement which includes claims by an employee(s), the Union or the College that there has been a violation, misapplication or misinterpretation of one or more specific provisions of this Agreement or that College policies promulgated after the effective date of this Agreement conflict with or violate the terms of this Agreement. In the event the grievance affects a group of employees, the Union may file a grievance on behalf of those employees. One grievance shall be written and signed by all affected employees. A *grievant* is the party who files a grievance.

Section 3. General Provisions.

- A. **Time Limits:** Stipulated time limits are considered maximums to ensure rapid resolution to problems and grievances. Extensions must be mutually agreed to by both parties in writing. Failure of the grievant or the Union to adhere to the time limits at any step, without mutual written agreement, will result in a nullification of the grievance. Failure of the College to timely respond to a grievance will enable the grievance to be processed to the next step in the grievance procedure.
- B. **Representation:** A grievant(s) may have a designated Union representative present at all grievance meetings.
- C. **Validation:** The grievance must be reduced to writing on a mutually acceptable grievance form. The written grievance shall specify the name of the grievant, the date and place the grievance occurred, the employee's name and signature, the contractual provision (Article and Section) allegedly violated, pertinent facts giving rise to the grievance and the requested remedy. The written grievance must be signed and dated by the designated Union representative. No grievance shall be processed or considered timely without the foregoing information. At each step of the grievance procedure, the appropriate section of the grievance form must be signed and dated by the Immediate Supervisor or Administrator in order to be considered valid.
- D. **Written Decisions:** All decisions rendered shall be in writing and conveyed to the grievant(s) and Local President within the time limits contained herein.
- E. **Reprisals:** No reprisals of any kind shall be taken by the College or any of its agents against any grievant, any representative, any employee or any other participant in the grievance procedure because of such participation. Similarly,

no reprisals of any kind shall be taken by the grievant or the representative or the Union against the College or any of its agents.

Section 4. (Step I) - Immediate Supervisor. The grievance form must be filed within fifteen (15) work days after the grievant(s) or Union could reasonably be expected to have knowledge of the occurrence of the alleged grievance. The Immediate Supervisor shall schedule and hold a meeting with the grievant and designated Union representative within ten (10) work days of receipt of the grievance. Parties will discuss and attempt to reach a resolution. The date of discussion, nature of discussion and reference to the contractual provision allegedly violated shall be evidenced in writing and signed by the parties to the discussion. A written decision shall be provided by the Immediate Supervisor within ten (10) work days of the meeting.

Section 5. (Step II) - Appropriate Vice-President. If the grievant is not satisfied with the disposition of the grievance at Step I, the grievance may be appealed in writing to the appropriate Vice-President within ten (10) work days of receipt of the Step I response. The appropriate Vice-President or the College's designee shall schedule and hold a meeting with the grievant(s) and designated Union representative within ten (10) work days of receipt of the appealed grievance.

Section 6. (Step III) - FMCS Mediation. If the decision at Step II is unsatisfactory, the grievance may be submitted for mediation to FMCS by filing a request with the appropriate Vice-President within ten (10) work days of receipt of the Step II response. The parties shall first attempt to mutually agree on a mediator. If unable to do so, the parties shall request for FMCS to appoint a mediator. The parties shall conduct grievance mediation in accordance with FMCS rules.

Section 7. (Step IV) - Binding Arbitration. If the decision at Step III is unsatisfactory, the grievance may be appealed to binding arbitration. The notice of intent to arbitrate shall be made within fifteen (15) work days following the conclusion of mediation and sent to the College President by certified mail.

- A. The parties may mutually petition FMCS to provide both parties with a list or lists of seven (7) names from which an arbitrator will be selected and notified in accordance with the rules of the FMCS. A panel of arbitrators shall be requested by the party seeking arbitration within fifteen (15) work days of the College's receipt of the notice of intent to request arbitration. The parties shall select an arbitrator by the alternating strike method with the party requesting arbitration striking first. Each party may request one (1) additional panel without agreement by the other party.
- B. Once the arbitrator has been selected, he/she shall conduct a hearing on the grievance in accordance with the rules and regulations of the FMCS.
- C. The decision shall be in writing and a copy sent to both parties. The decision of the arbitrator shall be binding.

- D. The arbitrator shall not have the authority to add to, subtract, modify, change or alter any of the provisions of this Agreement. The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to decide any other issue(s) not submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching his/her decision.
- E. Costs. The fees associated with procuring a panel from FMCS shall be borne by the party requesting arbitration. The costs of any proof produced at the direction of the arbitrator, the arbitrator's fee and the rent, if any, for the hearing room shall be borne equally by the parties. The expenses of any non-employee witnesses shall be borne by the party calling them. The grievant and any bargaining unit member subpoenaed by the arbitrator to testify as a witness shall not lose any pay and benefits for time spent testifying so long as those hours are during his normally scheduled work hours. The fees of the court reporter shall be paid by the party requesting the court reporter. However, such fees shall be borne equally by both parties if both parties desire a court reporter or request a copy of any transcript.
- F. Arbitrability. The removal of a probationary employee is not arbitrable. If there is a question concerning arbitrability, either party may request that the arbitrator rule on the arbitrability of the grievance in advance of the arbitration via a conference call or other expedited means. If the arbitrator finds the grievance to be arbitrable, he shall proceed to hold a hearing on the merits of the grievance.
- G. Arbitrator's Authority. The foregoing provisions for arbitration are not intended and shall not be construed as in any way qualifying or making subject to change any term or condition of employment specifically covered by this Agreement, nor shall they apply to any dispute as to the terms or provisions to be incorporated into any new or successor agreement between the parties. The arbitrator shall have no power or authority to add to, subtract from or in any manner alter the specific terms of this Agreement. The arbitrator shall only decide the grievance presented as articulated on the written grievance form. The Union shall have the right to amend the grievance up to thirty (30) days prior to the date of the arbitration hearing. The decision of the arbitrator is final and binding.
- H. Settlements. A grievance settled at any step of the grievance and arbitration procedure shall not constitute precedent or prejudice for future settlements or arbitrations unless otherwise agreed to by the parties. Absent mutual agreement of the parties, settlements of grievances or the contents thereof shall not be admissible into evidence in arbitration proceedings regarding separately numbered grievances.

ARTICLE 12
LABOR-MANAGEMENT COMMITTEE

Section 1. Purpose. The purpose of the Labor Management Committee (LMC) is to discuss matters of concern to either the College or the Union.

Section 2. Meetings. Unless mutually agreed otherwise, LMC meetings will be held every other month (February, April, June, August, October and December). Either the College or Union may request an emergency meeting. The Labor Management Committee will consist of three (3) Union Members, two (2) College Vice Presidents and the Manager of Human Resources. The OAPSE representative will be rotational. The Union will nominate one individual for a Co-Chair position and the Vice President for Student and Administrative Affairs will be Co-Chair for the College.

ARTICLE 13
PROBATIONARY PERIODS

Section 1. The first ninety (90) days of employment actually worked shall be deemed a probationary period. At any time during this probationary period, the College may terminate the employee at its discretion and with or without prior notice or just cause. During such probationary period, an employee shall have no recourse to the grievance procedure or recall or lay off seniority rights. Bargaining unit members retained beyond their probationary period shall have their seniority computed based upon their most recent date of hire.

Section 2. Employees who are promoted within the College shall serve a thirty (30) working day probationary period. If an employee's performance is deemed by the College to be unsatisfactory in the position to which he has been promoted, he will be reinstated to the position from which he was promoted or to a similar position as determined by the College.

Section 3. The College may extend the probationary periods contained in this Article an additional thirty (30) working days provided that the College notifies the employee of such extension prior to the expiration of the probationary period, and the reason therefore in writing. *Working days* for purposes of this Article shall be defined in terms of shifts actually worked.

ARTICLE 14
VACANCIES

Section 1. Definition. A *vacancy* is defined as a job opening in a bargaining unit position including positions that become open as a result of terminations, retirements and resignations, that the College has posted and intends to fill, and for which an offer of employment has not been accepted.

Section 2. If a job opening occurs within the bargaining unit, the College will determine whether there is a vacancy and whether or not to fill the position or temporarily fill the position. If the College determines that the position should be filled, the College will post a notice of the vacancy for a ten (10) calendar day period and employees may bid on the vacancy by signing the bid sheet within the ten (10) calendar days. The vacant position will be awarded to the most senior qualified bargaining unit bidder. If an employee bids but is not awarded the position, the employee may submit a written request to the Vice President for Student and Administrative Affairs asking for the reason(s) why the employee was not awarded the position. If the College determines that there is no qualified bargaining unit bidder, then the vacancy may be filled from outside the bargaining unit. Nothing in this Section shall be construed to require the College, at any time in the process, to fill the vacancy. A vacancy may be temporarily filled for a maximum of sixty (60) working days which may be extended by mutual agreement by the College and the Union. A leave of absence does not create a vacancy.

Section 3. The posting under this Article shall contain the hours of work, starting and ending times, job description and rate(s) of pay. The College shall post the position on the College's website and on bulletin boards in the General Technology Building and provide a copy of the posting to the Local Union President.

Section 4. No employee will be awarded more than three (3) bids in any calendar year. Declining an awarded position or positions to take another open bid position will only count as one bid under this section.

Section 5. Employees on an extended leave of absence (twenty (20) or more work days) are not eligible to bid on vacancies. Employees will be allowed a minimum of ten (10) calendar days from the date of the initial posting to provide written notice to the College, and other information required by the job posting, of their intent to bid on the position. Employees simultaneously bidding on more than one position must state their preference on each bid. Notice of job bids will be provided upon request to the Local Union President at the conclusion of the job posting period.

Section 6. A successful bidder who fails to perform satisfactorily in the judgment of the College will be returned to his former position within thirty (30) working days of being assigned to the vacancy. A successful bidder may, at his discretion, notify the College that he wishes to return to the former position, job family, shift and wage rate no later than thirty (30) working days after being assigned to the vacancy. *Working days* for purposes of this Section shall be defined in terms of shifts actually worked.

Section 7. The College may extend the probationary period contained in Section 5 of this Article an additional thirty (30) working days provided that the College notifies the employee of such extension prior to the expiration of the probationary period, and the reason therefore in writing. *Working days* for purposes of this Article shall be defined in terms of shifts actually worked.

ARTICLE 15
LAYOFF AND RECALL

Section 1. Layoff Notification. When the College determines that a layoff is necessary due to lack of funds, lack of work or circumstances beyond the College's control, it will notify the affected employee and the Union at least thirty (30) calendar days in advance, if possible, of the effective date of the layoff.

Section 2. Layoff and Consideration for Vacancies. The College shall determine in which job family layoffs will occur and those decisions will be shared with the Union. Layoffs will be made according to seniority within the affected job family with the least senior employee laid off first. An employee scheduled for layoff may request to be considered for vacancies for which the employee is qualified.

Section 3. Bumping. An employee laid off from a job family may bump an employee with less seniority who works the same number of hours in the same or lower paying job title within the job family provided the employee is immediately qualified to perform the job. Should the bumping employee not be immediately qualified to perform a position of equal hours in the same or lower paying job family, then the bumping employee may displace a bargaining unit employee in the same or lower paying job family who works less hours. An affected employee may not use the bumping procedure to increase pay or hours. If no least senior employee in the job family exists, the employee must bump the least senior employee (either full time, reduced appointment or part time) in a different job family in a position for which the employee is immediately qualified to perform. Immediately qualified to perform the applicable work is determined from the job description of the position being bumped into, in addition to the employee's ability, aptitude, skill, experience, and qualifications to perform the essential functions of the job. Assessment tests created for the position may be used as part of the evaluation of whether the employee is immediately qualified to perform the applicable work. Any employee who is displaced by the bumping procedure shall immediately exercise his right to bump or to accept layoff. Employees who bump into a position within their job family are presumed immediately qualified to perform it. The Union and the College will meet to discuss options if the College believes the employee is not qualified for a position in the employee's job family. If there is no resolution to the discussion, any disputes shall be resolved through the Grievance and Arbitration Procedure contained herein or any other mutually agreeable dispute resolution procedure.

Section 4. Compensation in the New Position. The bumping employee will be paid his/her existing salary prior to the bump if that salary falls into the pay grade for the position into which the employee bumped, or the highest salary for the position into which the employee bumped, whichever is less.

Section 5. Recall. When employees are laid off, the College shall create a recall list within each job family. The College shall recall employees from layoff as needed. An employee shall be eligible for recall for a period of one (1) year after the effective date of the layoff. When the College recalls employees from the list, they shall be recalled to their previous

job family in a position of equal or lesser hours at the same or lower rate of pay, if available, but not necessarily to the shift on which they were working when laid off.

Section 6. Recall Notification. Notice of recall shall be sent to the employee by certified mail. An employee on layoff has fourteen (14) days from receipt by certified mail of the notice of recall to return to work unless the College determines a longer period is acceptable or necessary. An employee recalled may request an extension of up to two (2) weeks to return to work provided the employee notifies the College of his intent to return to work within the aforementioned fourteen (14) day period. The College shall be deemed to have fulfilled its obligations by mailing the recall notice by certified mail, return receipt requested, to the last address provided by the employee. Employees who are laid off shall remain eligible to bid on vacancies and be recalled for one year from the effective date of the layoff. An employee shall no longer be eligible for recall if he or she waives recall rights in writing or has lost seniority under this Agreement.

Section 7. Continuation of Insurance. The College shall pay its portion of health care insurance until the employee is laid off. Thereafter, employees may continue health insurance under COBRA. A laid off employee may cash out vacation accrued prior to the layoff. An employee does not accumulate paid time off during layoff and sick leave cannot be used during a layoff.

Section 8. In order to avoid a layoff, the College, the Union and affected employees in the job family may agree to reduce hours in certain job families.

ARTICLE 16

HOURS OF WORK AND OVERTIME

Section 1. Definitions. The standard College work week begins at 12:01 a.m. Sunday and ends at 12:00 a.m. the following Saturday for purposes of calculating overtime. Each work day is considered as beginning at 12:01 a.m. and extending for a twenty-four (24) hour period. Except for holidays and inclement weather or emergency closing days, or other paid time off as provided in this Article, *hours worked* means hours actually worked and does not include paid or unpaid time off.

Section 2. Working Day and Schedules. The College will establish work schedules for employees including, but not limited to, the following:

(1) All employees shall comply with the assigned work schedule established within their respective work area. All non-exempt employees are expected to have a set schedule.

(2) Once work days and hours have been established, all events that occur on the scheduled work day will be in conjunction with the hours set. The employees will be charged, or paid, the number of hours that would have been worked should vacation, sick leave, holiday, or College closing occur. Department supervisors may adjust the regular

weekly work schedules to accommodate the holiday pay so that the total hours will not exceed forty (40) hours per week.

(3) Work schedules for each area shall be determined by the supervisor on the basis of the needs and requirements of each department.

(4) Full-time staff (forty (40) hours per week) usually work five (5) eight (8) hour days each week from 8 a.m. to 5 p.m. Monday through Thursday with a one (1) hour unpaid lunch, and from 8:00 a.m. to 4:30 p.m. on Friday with a thirty (30) minute unpaid lunch. However, unique situations may warrant establishment of schedules that vary from this pattern.

(5) Special rearranged schedules for full-time employees may be approved by Administration for the department.

(6) In the event that a part-time employee is hired to work in two different areas, supervisors shall be notified by the Payroll Department. Total working hours for a part-time employee hired in more than one area shall not exceed forty (40) hours per week, and shall be coordinated between the supervisors in order to comply with the above-mentioned limits.

(7) If the employee's shift consists of six (6) or more hours, those employees are required to take a mandatory thirty (30) minute unpaid lunch break at the minimum. This lunch break should be taken as close to the middle of the employee's shift as possible.

(8) Each employee shall have two (2) paid, interruptible fifteen (15) minute breaks per work day which may be scheduled by the employee's immediate supervisor.

(9) The College may establish and modify regular hours of work and work schedules for any and all employees and methods and means of tracking hours worked. The College will provide reasonable prior notice to the employee and reasonable prior notice and discussion with the Union in the event of a change in the employee's set schedule. Mandatory meetings called by the College shall be considered hours worked. Noticed meetings are presumed to be mandatory unless otherwise stated.

Section 3. Work Week and Overtime. The College does not guarantee overtime. The normal work week for full-time employees is forty (40) hours. Hours worked by non-exempt bargaining unit employees in excess of forty (40) per work week shall be paid at the rate of one and one-half times the employee's regular rate. The College may require employees to work overtime and the College shall be the sole judge of the necessity for overtime. Overtime shall not be paid more than once for the same hours worked. All overtime must be requested by the College and must receive prior approval of the employee's supervisor. An employee entitled to overtime pay may elect compensatory time, accrued at the rate of one and one-half hours for each hour of overtime worked, in lieu of overtime pay which may be accumulated up to a maximum of forty (40) hours. All accumulated

compensatory time must be used by June 30 of each fiscal year or it will be paid out to the employee.

Section 4. Overtime Rotation. All employees will be offered overtime work in the job title in which they are working, when the College determines overtime is necessary. Overtime work will be distributed by the College on a rotating basis within the job title, among those qualified to perform the work, beginning with the employee with the greatest length of service. If the employee with the greatest length of service refuses the overtime, it is then offered to the employee within the job title with the next greatest length of service. This process will continue through the rotation until an employee voluntarily accepts the overtime or if there is no voluntary acceptance of the authorized overtime, it shall be assigned to the employee with the least length of service.

The next time overtime work is available, the work will be offered first to the second highest senior person within the job title regardless of who volunteered first. If the employee declines the overtime, the overtime rotation will then continue using the above process. If everyone in the job title declines, the overtime is assigned to the employee with the least length of service.

This process of offering overtime work will continue through the list of employees; once it reaches the end of the seniority list, the process will then start over by offering overtime work first to the most senior employee. In any emergency, the supervisor has the authority to assign the necessary overtime work without resorting to the overtime rotation.

Section 5. Overtime, Sick Time, and Vacation. Employees working over forty (40) hours in a work week that includes the use of sick or vacation time shall not be charged for the sick or vacation time which would cause the weekly total to exceed forty (40) hours.

Section 6. Emergency Situations. *Emergency*, for the purposes of this Article, means unforeseen conditions beyond the College's control including, but not limited to: inclement weather, work stoppages, or technological or mechanical malfunctions. In the rare situations where employees are called in for emergencies, overtime or compensatory time may be earned in a week where sick and/or vacation time was used by the employee. This Section does not pertain to unscheduled shifts as defined in Section 8 of this Article.

Section 7. Emergency Call-In Pay. Employees in the Service and Maintenance job family will receive a minimum of three (3) hours pay for off-duty call-in when called back by the supervisor or law enforcement personnel. This section does not pertain to time worked at the beginning or end of an employee's regular work day. This minimum pay runs concurrent with and is not added to all other employee hours worked throughout the work week.

Section 8. Unscheduled Shift. Regular full-time and part-time employees, who are requested to work at least two (2) hours of an unscheduled shift, either immediately before or immediately following their regular shift, shall be compensated for the hours worked at one and a half times the employee's regular rate. Compensation paid at one and a half times the employee's regular rate for working the unscheduled shift shall not be used to determine the

employee's hourly rate for purposes of calculating overtime pay for the work week and may be earned in a week where sick and/or vacation time was used by the employee. This provision will not be applicable when the employee's schedule is changed with twenty-four (24) or more hours notice.

ARTICLE 17 **HOLIDAYS**

Section 1. Full-time and reduced appointment employees only are eligible for paid holidays as follows. Full-time employees shall be compensated for eight (8) hours of regular, straight-time pay for the following holidays:

- New Year's Day, January 1st
- Martin Luther King Day (third Monday in January)
- Memorial Day (last Monday in May)
- Independence Day, July 4th
- Labor Day (first Monday in September)
- Veteran's Day
- Thanksgiving Day (fourth Thursday in November) and the day before and after Thanksgiving
- Christmas Day, December 25th
- One Floating Holiday (effective January 1, 2011)

Section 2. Reduced Appointment employees shall receive holiday pay for the above holidays based upon the amount of time an employee is scheduled to work on the holiday.

Section 3. Part-time employees may, with approval of the supervisor, modify schedules the week of the holiday to reduce or limit any loss of hours.

Section 4. For each holiday above, the employee will be excused from work at the discretion of the employee's supervisor. If a holiday occurs while an employee is on a paid leave of absence (i.e., vacation), the employee shall receive holiday pay and shall not be charged against the paid leave.

Section 5. A full-time or reduced appointment employee shall receive regular straight-time pay for hours worked on a holiday, in addition to his regular, straight-time holiday pay when scheduled or called in to work.

Section 6. To be eligible for holiday pay, an employee must have worked or been on an approved leave, for the employee's full regularly scheduled work day before and after the holiday.

Section 7. For purposes of this Article, *holiday* shall apply to the shift beginning on the day on which the holiday is celebrated. A recognized holiday that falls on a Saturday will

typically be observed on the preceding Friday and a recognized holiday that falls on a Sunday will be observed the following Monday.

Section 8. The College may establish and modify the holiday schedule (not the number of paid holidays) annually. If the College is closed the week between Christmas and New Year's Day, full-time and reduced appointment employees shall be paid their regular rate of pay for the closed days.

Section 9. Holidays are considered *hours worked* for purposes of calculating overtime.

Section 10. If a holiday falls on an employee's normally scheduled day off, the employee will be paid eight (8) hours for the holiday and the employee's schedule will be modified to accommodate the extra paid hours.

Section 11. The floating holiday must be scheduled in advance and approved by the employee's supervisor. The floating holiday must be taken as a full-day. The floating holiday must be taken in the calendar year in which it is received. An unused floating holiday will not be paid out at the end of the year or on termination of employment.

ARTICLE 18 **VACATION**

Section 1. All full-time and reduced appointment employees shall accrue vacation in accordance with the following schedule:

<u>Years of Continuous</u> <u>Full-Time Service at Terra</u>	<u>Vacation</u>
0-5 years	10 days

After 15 years	20 days

Section 2. All part-time employees shall accrue vacation in accordance with the following schedule:

<u>Years of Continuous</u> <u>Part-Time Service at Terra</u>	<u>Vacation</u>
0-5 years	32 hours
6-14 years	40 hours
After 15 years	48 hours

Accrued vacation for all part-time employees may be used on days the College is closed for holidays as long as the employee does not exceed the number of hours as per their regular set schedule.

Section 3. Reduced appointment employees earn vacation pro-rata based upon days worked in the fiscal year and vacation is charged in the amount of time the employee was scheduled to work on the vacation day.

Section 4. Vacation requests shall be made in advance to the employee's immediate supervisor who will approve or disapprove vacation based upon the needs of the College.

Section 5. Employees may carry over accrued but unused vacation time to the following fiscal year but the vacation carryover cannot exceed twice the annual accrual rate.

Section 6. Upon termination of employment, employees will be paid for any accrued but unused vacation accumulated as of the date of termination subject to the limits contained in Section 5 of this Article.

Section 7. Except as otherwise provided in this Agreement, vacation pay is not *hours worked* for purposes of calculating overtime.

Section 8. Vacation may be taken in fifteen (15) minute, hourly, half day or full-day increments of accrued vacation.

Section 9. Employees transferring to positions with different vacation benefits will begin accruing the vacation benefit associated with the new position upon the date of transfer.

Section 10. Vacation is paid based upon the salary or hourly rate in effect at the time the vacation is taken.

ARTICLE 19 **SICK TIME**

Section 1. **Accrual.** Full-time, non-probationary and reduced appointment employees shall accrue sick leave. Full-time, non-probationary employees accrue fifteen (15) sick days per year (4.62 hours each bi-weekly pay period). Reduced appointment employees accrue sick leave on a pro-rata basis. Unused sick leave may be accumulated up to a total of one hundred eighty (180) days.

Section 2. **Usage.** Eligible employees may use sick leave of no less than thirty (30) minutes (in fifteen (15) minute increments) for personal illness, medical appointments, injury, pregnancy, disability, exposure to contagious disease which could be transmitted to others, and for absence due to illness or injury to a member of the employee's immediate family as defined under the Family & Medical Leave Act. Employees should make every effort to schedule medical and dental appointments during non-working hours. Sick leave runs concurrently with Family and Medical Leave.

Section 3. **Reporting.** Employees wishing to use sick leave must request such leave from his immediate supervisor prior to the start of the employee's workday. E-mail

correspondence, direct telephone contact or voice mail to the supervisor are sufficient notices of a request under this section. If the employee is physically unable to contact the supervisor, notice may be provided by an authorized representative of the employee. All sick time used must be reported on the employee's time records. Reduced appointment employees will be charged sick hours in the amount of time that the employee was actually scheduled to work for that day.

Section 4. Certification. A licensed physician's statement which details the nature of the illness and necessity for leave for the entire period requested is required for all sick leave periods more than five (5) consecutive work days. The College may require the employee to be examined by a licensed physician selected and paid for by the College and the College may require further substantiation of the reason for leave. An employee is required to submit a return to work certification prior to returning from a leave of more than five (5) consecutive work days. The College may also require the employee to be examined by a licensed physician selected and paid for by the College to determine fitness for return to work. Failure to submit to the examination shall be grounds for discipline, up to and including discharge. Falsification of any documents or giving false verbal representations relating to grounds for sick leave is grounds for discipline up to and including discharge. The College will consider an employee's failure to return to work upon expiration of sick leave a voluntary resignation of employment.

Section 5. Donation of Leave and Other Paid Time Off. Employees may voluntarily donate any form of accrued paid leave to other bargaining unit employees who have exhausted all forms of paid leave and are in critical need of additional leave due to a catastrophic illness or injury to the employee or a member of the employee's immediate family. A catastrophic illness or injury is one that is life threatening and requires an extensive period of recovery.

Section 6. Donation Procedures. The following procedures apply to donated paid time off:

- A. Employees with less than sixty (60) days of accumulated sick leave shall not be eligible to donate.
- B. Employees may only donate up to five (5) days per fiscal year.
- C. Once leave is donated, it shall not be returned.
- D. Donated leave shall be taken in full-day increments and be converted in value to the rate of the employee to whom the leave is donated.
- E. All applicable paid leave must first be exhausted before requesting donated days.

- F. An employee may no longer receive donated sick leave if the employee becomes eligible for another leave benefit, including but not limited to, long-term disability, workers' compensation or disability retirement.
- G. A doctor's statement certifying the catastrophic illness or injury and the employee's need to be off work must be submitted with the request.
- H. Employees may receive a maximum sixty (60) days of donated leave per catastrophic injury or illness.
- I. Sick leave donation may be discussed at Labor Management Committee meetings.

Employees on approved leaves of absence shall pay to the College the full costs of the employee's health insurance premiums (College and Employee share) during the period of unpaid leave of absence. The amount of the premium owed by the employee shall be prorated in accordance with the number of days the employee is on unpaid leave.

Section 3. Usage. Employees are required to use unpaid leave only for the reason such leave was originally requested. Any unauthorized use of unpaid leave may result in discipline, up to and including termination of employment. The College will consider an employee's failure to return to work upon expiration of the leave a voluntary resignation of employment.

ARTICLE 21

FAMILY AND MEDICAL LEAVE

Section 1. The College will comply with the provisions of the Family and Medical Leave Act of 1993 (FMLA). Bargaining unit members that meet the eligibility requirements of the College's policy are entitled to twelve (12) weeks of unpaid FMLA leave per rolling twelve (12) month period (measured backward from the date the leave commences). Eligible bargaining unit members will receive FMLA in accordance with the College's FMLA policy, including the requirement that employees exhaust all paid leave, if applicable, prior to using unpaid leave. FMLA runs concurrently with workers' compensation leave. There will be no break in seniority for bargaining unit members during the course of FMLA leave.

ARTICLE 22
BEREAVEMENT LEAVE

Section 1. Full-time and reduced appointment employees shall be granted bereavement leave due to the death of a member of the employee's immediate family. *Immediate family*, for this purpose, shall be defined as: Grandparent (including grandparent-in-law and step grandparent), parent (including parent-in-law and step-parent), sibling (including sibling-in-law, half-sibling and step-sibling), spouse, child (including step-child, grandchild and children-in-law) and other persons residing in the home of the employee.

Section 2. The employee shall receive pay for bereavement leave in accordance with the number of hours normally worked for the days missed due to the approved bereavement leave. Bereavement leave shall not exceed three (3) working days.

Section 4. Additional days which will be charged against an employee's sick time may be taken as a result of the death of an immediate family member if approved by the immediate supervisor.

Section 5. Employees who wish to take time off due to the death of an immediate family member should notify their supervisor immediately. A *Request for Qualified Paid Leave* form shall be completed, specifically marked "Bereavement Leave" and the relationship of the deceased to the employee, to document the reason for the employee's absence. Completed forms shall be sent to the Payroll Department.

Payments will be based on the pay rate on record at time of such service. Payments will be made only for time lost from work because of jury duty.

Time lost by an employee to give testimony as a witness in court shall not be charged against personal leave if such employee is subpoenaed unless the employee is named in the cause of action. The full rate of compensation shall be allowed for such services provided the check received as a witness fee is endorsed and made payable to the College.

ARTICLE 25

INCLEMENT WEATHER DAYS

Section 1. **Inclement Weather Determination.** The responsibility and authority to interrupt all or a specific part of the operations of the College due to inclement weather is vested in the President or his/her designee. If an employee does not feel they are able to travel into work due to weather conditions when the College remains open, he/she is to notify their supervisor immediately. The employee will be required to take vacation leave or leave without pay for the time missed.

Section 2. **Delay, Dismissal, or Cancellation.** Only on days where the College's operations are interrupted due to inclement weather, the following applies to regular full-time, reduced part-time, and core part-time bargaining unit employees who have a set schedule on file in the Human Resource Office.

Section 3. **Delays.** During inclement weather, the College may delay operations rather than close for the entire day. When such an occasion arises, personnel are expected to report for work at the time normal operations resume and work the remainder of their set schedule for that day. Hours missed due to the delay will be considered as leave with pay.

Section 4. **Early Dismissals.** The College may choose to announce an early dismissal and suspend classes and/or operations in the event of inclement weather. If operations are suspended and employees are asked to leave, the resulting absence for the remainder of that work day will be considered as leave with pay.

Section 5. Cancellation. When the College is officially closed because of inclement weather, the resulting absence will be considered as leave with pay.

Section 6. Extended Work Hours. Employees who need to work additional hours above their set schedule during the work week due to time lost for inclement weather are required to get prior approval from their supervisor.

Section 7. Exceptions. Full-time, non-exempt personnel who are required by their supervisor to work during a period of time that the College is closed for inclement weather, and while the other employees are not required to work, shall receive pay for their normal hours plus receive pay at the rate of time and a half for the hours they actually worked while the College was officially closed.

Employees of the College may request or be asked by the College to attend and participate in professional development programs such as trainings, meetings, workshops, seminars, or conferences. 1. Brief description of the program,

2. Explanation of how the program will benefit both the employee and the College as it pertains to the employee's job title, and
3. Itemized list of all expenses associated with attending the program.

Section 2. Approval. Approval of the written request is at the sole discretion of the College and will be contingent upon a number of factors including: the financial conditions of the College, relevance to the employee's Job Title, and the College's ability to reallocate work responsibilities and/or staff coverage during the times or days the employee will be absent. All requests must be approved by the employee's direct supervisor, appropriate Vice-President, and, if out-of-state travel is requested, by the College President.

Section 3. Procedure. Employees approved to attend and participate in professional development programs will be responsible for completing and submitting required documents in a timely manner. Except in special circumstance when the College has elected to make arrangements for the individual or group of individuals, the employee will be responsible for making any necessary travel arrangements prior to attending the program. If pre-payment is required to attend the program then the employee must submit the appropriate information to the Financial Services Office at least two weeks prior to the date of the program.

Section 4. Reimbursement. Upon returning from the program, it will be the responsibility of the employee to submit documentation and actual receipts for College approved reimbursable items.

ARTICLE 28

JOB AUDITS

Section 1. The College may audit bargaining unit positions to determine whether those positions are properly classified as to job title, job family and/or pay grade. If the College determines that the position is improperly classified, the position will be placed into the appropriate job title, job family and/or pay grade. The Union shall be notified fourteen (14) calendar days prior to the effective date of the change in job title, job family and/or pay grade.

Section 2. If an employee believes his or her job has significantly changed, a request for a job audit may be submitted to the employee's immediate supervisor for consideration. Job audit requests must be submitted by February 1st to be effective for the next fiscal year (beginning July 1st).

Section 3. Upon receipt of a properly completed request for a job audit, the immediate supervisor shall review the request and forward the request to the Vice President, Student and Administrative Affairs. In order to conduct the review, the Vice President, Student and Administrative Affairs or his designee may use all available information including, but not limited to, applicable job descriptions and interviews of appropriate employees.

Section 4. The Vice President, Student and Administrative Affairs or his designee will issue a written response to the job audit request by March 31st. The determination by the Vice President, Student and Administrative Affairs is final and shall not be grievable by the Union or any employee.

Section 5. If the College determines as a result of the audit that a pay adjustment should be made, the employee shall be reassigned to the new entry level pay for the new pay grade or a 2% pay increase, whichever is greater. If the new pay grade is lower, the employee will be reassigned to the new pay grade without a reduction in pay, but pay for that employee will not increase until such time as the employee's pay falls within the pay range for the new grade. Pay grade adjustments shall not be retroactive.

Section 6. If the College determines as a result of the audit that a new job title or job family should be created, the parties will follow the process outlined in Article 2, except that the new job title will be filled by the audited employee(s) and not be posted as a vacant position.

Section 7. A bargaining unit employee may submit one request for a job audit every three (3) years. Additional employee requests for a job audit will not be considered.

ARTICLE 29 **SAFETY**

Section 1. The College agrees to maintain safe working facilities, vehicles, tools, and equipment and the employees agree to follow all College safety rules and regulations at all times.

An employee may inspect his/her personnel file that is maintained by the employer. The employee may have a Union Representative present during such inspection. The employee may obtain a copy(s) of his/her files at a cost of \$0.10 per page. The College is entitled to a

reasonable period of time to compile the file and produce it for inspection and may have a College representative present at the inspection.

The College will provide uniforms to employees in Plant Operations and Custodial Services. Employees will be required to wear the uniforms and will be permitted to provide input into the uniform selection process.

ARTICLE 33 **SUBCONTRACTING**

ARTICLE 34 **HEALTH INSURANCE**

Section 1. The College will provide group health insurance benefits to full time and reduced appointment bargaining unit employees and eligible dependents. Except as limited by this Article, the College retains the right to change carriers, self-insure, institute cost containment programs, or modify its insurance program, including changes to benefit levels and/or cost to the employee and eligible dependents, in the same manner and effective on the same date(s) as it may choose to modify group health insurance for all other College employees covered by the insurance plan.

Section 2. For the term of the Agreement, the College will pay eighty-eight percent (88%) and the employees will pay twelve percent (12%) of the health insurance premiums for employees hired before January 1, 2008.
