ARTICLE 1 - RECOGNITION

The Board of Education of the Blanchester School District, hereinafter referred to as the "Board," recognizes the Blanchester OAPSE Local #477, hereinafter referred to as the "Local," as the sole and exclusive representative for all non-certificated personnel who are under contract to work, hereinafter referred to as "employees," for the purpose of negotiation of wages, hours, fringe benefits and matters of mutual concern during the term of this Agreement.

The Association agrees that the functions, rights, powers, responsibilities and authority of the Board in regard to the management of the work force and the operation of the District, not specifically limited or modified by an expressed provision or term of this Contract, shall remain exclusively those of the Board.

ARTICLE 2 - PREAMBLE

It is recognized that the best interests of the public education will be served by establishing procedures to provide an orderly method for the Blanchester Board of Education, or their representatives, and representatives of non-certificated personnel to discuss matters of mutual concern and to reach satisfactory agreement on these matters. We do hereby declare that:

- A. The Board of Education, under law, has the final responsibility establishing policies for the District.
- B. The Superintendent and his staff have the responsibility of carrying out the policies established.

The Blanchester Local Board of Education also recognizes that the best interests of our school system will be served by establishing procedures to provide an orderly method of the Board of Education and representatives of the Blanchester OAPSE (Ohio Association of Public School Employees) Local #477 to discuss matters of common concern and to reach a mutually satisfactory agreement on these matters.

ARTICLE 3 - NEGOTIATING IN GOOD FAITH

Negotiating procedures require that all parties involved will negotiate in good faith and that the employees representing the Local will be protected from reprisals of any sort resulting from their work in negotiations.

Good faith involves coming to the negotiating table with the intention of negotiating, not of dogmatically pursuing preconceived stands. Good faith requires that the Local and the Board be willing to react to each other's proposals. If a proposal is unacceptable to one of the parties, that party may give reasonable explanations and offer counterproposals. Good faith requires both parties to recognize negotiation as a shared process.

ARTICLE 4 - PRINCIPLES

A. Attaining Objectives

Attainment of objectives for the operation of the Blanchester School District requires mutual understanding and cooperation among the Board of Education, the Superintendent and the employees. Therefore, free and open exchange of views is desirable and necessary with parties participating in negotiations leading to determination of wages, hours, fringe benefits and matters of mutual concern.

B. Negotiation Teams

The Board, or the designated representative(s) of the Board, will meet with representatives designated by the Local for the purpose of discussing and reaching agreements. All negotiations shall be conducted exclusively between said teams. The Board's negotiating team and the Local's negotiating team will be limited to a maximum of four (4). Neither party shall have control over the selection of the other party's team members. While no final agreement shall be executed without ratification by the Local and adoption by the Board, the negotiating teams will have the authority to make proposals, consider proposals and determine items acceptable to both parties involved in negotiations. A field representative of the Association may be included in the Local's negotiating team and the Board of Education may include a professional negotiator as a member of its team.

ARTICLE 5 - PROCEDURES

A. Inaugurating Steps to Agreement

A written request for meetings will be submitted by the Local to the Board through the Superintendent or by the Superintendent to the President of the Local by April 1.

B. Meetings

Meetings between the negotiation teams of the Local and the Board will be held within fifteen (15) days after the date of request for a meeting, unless a later date is mutually agreed upon. The negotiation period shall not exceed 90 days, and all sessions are to be completed within this time period. The time limit may be extended for a specific period of time by mutual agreement.

1. A list of the specific proposals to be negotiated must be received by either the Board or the President of the Local no later than five (5) days prior to the scheduled date of the meeting.

2. If mutually agreed upon, consultants may be invited by either party to be present to serve in an advisory capacity, but may not enter into direct negotiations.
3. Upon request of either party, the negotiation meeting shall be recessed to permit the requesting party a period of time within which to caucus in privacy.

C. Reporting

1. When the negotiating teams reach an agreement, a joint report will be prepared and presented to the Local for ratification. If ratified by the Local, it shall be submitted to the Board at its next regularly scheduled meeting.
2. While discussions are in process, any verbal or written release prepared for news media must be approved by both parties.

D. Disagreement

In the event an agreement is not reached by negotiations after full consideration of proposals and counter-proposals, either of the parties shall have the option of declaring Impasse.

Impasse is whenever the parties have stopped talking to each other at the negotiating table or after many bargaining sessions have been held and the position of the parties has solidified.

1. If impasse is declared by either party, it is with the understanding that impasse proceedings are declared on all the issues.
2. The parties shall jointly prepare a request for a mediator and direct such request to the Federal Mediation and Conciliation Service.
3. The assigned mediator shall have the authority to call meetings for the purpose of promoting an agreement between the parties.
4. The mediator has no authority to recommend or to bind either party to any agreement.

E. Final Agreement shall contain:

1. Terms of all items negotiated;
2. Effective date of negotiated items;
3. Signatures of Local and Board Chairman after ratification by their respective governing bodies.

ARTICLE 6 -GRIEVANCE PROCEDURE

Definition

A grievance is defined as a complaint by an employee or employees involving the interpretation, application or alleged violation of this Agreement. It is the intent of the parties to equitably resolve grievances at the lowest possible administrative level. It is the intention of the parties to encourage as informal and confidential an atmosphere as is possible in the resolution of grievances.

Procedure

A. Grievances shall be handled in the following manner:

Step One

The employee that feels that he/she has been aggrieved may present the alleged grievance to the immediate supervisor. The grievance shall be submitted orally. If the grievance is not satisfactorily adjusted informally, the grievance may proceed to Step Two. The grievance must be filed within twenty (20) work days of the Union's knowledge of the event giving rise to the grievance.

Step Two

An aggrieved employee may present directly the grievance to the immediate supervisor in writing. If the grievance is not satisfactorily adjusted within five (5) work days after the submission of the grievance, the immediate supervisor shall reduce to writing his/her response to the grievance within that five (5) day period.

Step Three

- A. If the grievance is not resolved in Step Two, the employee may, within five (5) work days of receipt of the supervisor's answer, submit to the Superintendent or his designated representative, the answer at Step Two with the original grievance statement. The Superintendent or his designated representative shall give the employee an answer in writing no later than five (5) work days after receipt of the written grievance. He/She may request a conference with the aggrieved or other parties involved in order to reach a decision.
- B. A grievance may be initiated at Step Three if such grievance is not in the realm of responsibility of the immediate supervisor or Principal. The same time-line in Step One (1) shall apply.

Step Four

If a satisfactory disposition of the grievance is not made as a result of the procedure provided in Step Three, the employee shall have the right to appeal in writing to the Board of Education, with a copy of said appeal to the immediate supervisor and the Superintendent. The notice of appeal shall be filed with the Treasurer of the Board of Education at least five (5) work days prior to the next regular meeting of the Board of Education after completion at Step Three.

The Board, or a committee thereof, shall review the grievance, hold a hearing with the employee if necessary, and render a decision in writing within thirty (30) calendar days.

Step Five

Grievance Mediation - In the event the grievance is not resolved at Step Four, the Federal Mediation and Conciliation Service shall be contacted to appoint a Mediator to conduct the mediation conference.

Step Six

In the event that the grievance is not satisfactorily resolved at Step Five, the Association may submit the grievance to arbitration or Common Pleas Court. The request for arbitration shall be made within ten (10) days of the mediation hearing at Step Five. The Board's representative and the grievant's representative shall then immediately meet to attempt to select a mutually acceptable arbitrator from the lists of the American Arbitration Association. The arbitrator shall have the authority to hold hearings and to confer with any person deemed advisable in arriving at his/her decision on the grievance. The arbitrator shall report his/her decision to the grievant, the Union, and the Board in accordance with the rules and regulations of the American Arbitration Association. It is agreed by the parties that the decision of the arbitrator shall be advisory. Each party shall pay one-half (1/2) of the cost of the arbitrator.

ARTICLE 7- PROBATIONARY PERIOD

An employee shall be considered a probationary employee during the first one hundred sixty (160) working days. Employees retained beyond the probationary period will be placed on the seniority list. Termination of an employee during the probationary period shall not be subject to Article 6, Grievance Procedure.

This article supersedes Section 3319.081, R.C.

The annual salary notice set forth in Section 3319.082, R.C., shall not be required.

ARTICLE 8- DISCIPLINARY PROCEDURE

This procedure shall apply to discipline, suspension and termination and shall be for "Just Cause." Normally, an employee shall receive a verbal warning on the first offense; a written reprimand on the second offense; shall be suspended on the third offense and shall be suspended or terminated on the fourth offense, provided, however, that the Superintendent may accelerate disciplinary measures to any step if, in his opinion, the gravity of the offense warrants such action.

Forty-eight (48) hours prior to discipline, suspension or termination, the unit member shall be informed, in writing, of the reason for the disciplinary measure, shall be given an opportunity to respond and shall be given the right to be accompanied to any meeting by a representative of the collective bargaining agent.

Records of discipline or suspension shall be expunged from an employee's file if no similar offense occurs within a three (3) year period of time, provided, however, that any offense related to sexual imposition shall not be expunged.

Discipline, suspension and termination shall be subject to the grievance procedure. This provision replaces 3319.081, Revised Code.

ARTICLE 9 HOLIDAYS

School employees will be paid for the following holidays: Labor Day, Thanksgiving Day, Thanksgiving Recess, Christmas Day, New Year's Day, Martin Luther King Day, Memorial Day, and July Fourth. Each employee to be laid off shall be given advance written notice of the layoff.

Each notice of layoff shall state the following:

1. Reasons for the layoff or reduction;
 2. The effective date of layoff.
- F. For the classifications in which the layoff occurs, the Board shall prepare a reinstatement list and the name of all employees who have been suspended shall be placed on the reinstatement list in the reverse order of layoff. Reinstatement shall be made from this list before any new employees are hired in that classification.

The following table shows the results of the experiment. The data is presented in a table with columns for the different variables and rows for the different trials. The table is organized into two main sections, one for the first set of trials and one for the second set of trials. The first section contains data for trials 1 through 5, and the second section contains data for trials 6 through 10. The table is organized into two main sections, one for the first set of trials and one for the second set of trials. The first section contains data for trials 1 through 5, and the second section contains data for trials 6 through 10.

Trial	Variable 1	Variable 2	Variable 3	Variable 4
1	1.2	2.5	3.8	4.1
2	1.5	2.8	4.1	4.4
3	1.8	3.1	4.4	4.7

8	3.3	4.6	5.9	6.2
9	3.6	4.9	6.2	6.5
10	3.9	5.2	6.5	6.8

The data shows a clear upward trend in all variables across the trials. The first variable increases from 1.2 to 3.9, the second from 2.5 to 5.2, the third from 3.8 to 6.5, and the fourth from 4.1 to 6.8. This indicates a strong positive correlation between the trial number and the values of all variables.
