ARTICLE IV - GRIEVANCE PROCEDURE

A. Definitions

1. A grievance is a complaint involving the alleged violation, misinterpretation, or misapplication of the written agreement entered into between the Board and the Association, setting forth the understanding of the parties upon those matters negotiated and agreed to.
2. A grievant shall mean a member, a group of members, or the Association alleging that some violation, misinterpretation, or misapplication of the aforementioned agreement has actually occurred. A grievance alleged to be a "group" grievance shall have arisen out of identical circumstances affecting each member of said group.
3. A "party of interest" is the member(s) or the Association making the claim and any member who might be required to take action against or against whom action might be taken in order to resolve the claim.
4. The reference to "days" in this article shall be considered school days.

B. Procedure

1. Informal

Any member having a grievance shall first discuss such grievance with his/her building principal. Discussion must occur within twenty-five (25) days of the act or condition which is the basis for the grievance. If the grievance is not resolved to the satisfaction of the grievant, he/she may proceed to the formal procedure.

2. Formal

Step One: If the discussion (informal) does not resolve the grievance to the satisfaction of the member, such member shall have the right to lodge a written grievance with such member's building principal within five (5) days of the conclusion of the informal discussion(s). The written grievance shall be on a standard form supplied by the Board or the Association and shall contain a concise statement of the facts upon which the grievance is based and a reference to the specific provision of the contract allegedly violated, misinterpreted, or misapplied.

A copy of such grievance shall be filed with the Superintendent and the President of the Association. The member shall have a right to request a hearing before the building principal. Such a hearing shall be conducted within five (5) days after receipt of such request. The aggrieved member shall be advised in writing of the time, place, and date of such hearing and shall have the right to be represented at such hearing by counsel or by a representative of his/her employee organization.

The building principal shall take action on the written grievance within five (5) days after the receipt of said grievance, or, if a hearing is requested, within five (5) days after the conclusion of said hearing. The action taken and the reasons for the action shall be reduced to writing and copies sent to the member, the Superintendent, and the President of the Association.

Step Two: If the action taken by the building principal does not resolve the grievance to the satisfaction of the member, such member may appeal in writing to the Superintendent. Failure to file such appeal within five (5) days from receipt of the written memorandum of the principal's action on said grievance shall be deemed an acceptance of the principal's action. Upon request, a hearing shall be conducted by the Superintendent within five (5) days after the receipt of the request. The aggrieved member shall have the right to be represented at such hearing by counsel or by a representative of his/her member organization.

The Superintendent shall take action on the written grievance within five (5) days after the receipt of said grievance, or, if a hearing is requested, within five (5) days after the conclusion of said hearing. The action taken and the reasons for the action shall be reduced to writing and copies sent to the member, the building principal, and the President of the Association.

Step Three -- School Board: In the event the aggrieved member is not satisfied with the disposition of his/her grievance at Step Two, or in the event no decision has been rendered within five (5) days following the hearing with the Superintendent or his/her designee, he/she may file the grievance in writing with the President of the Association within three (3) days after the

decision or lack of decision by the Superintendent or his/her designated representative. Within three (3) days after receipt of the written grievance, the President of the Association shall refer it to the Treasurer of the Board.

Within ten (10) days after receipt of the written grievance, the Board shall either (1) meet with the aggrieved member with the objective of solving the grievance or (2) appoint a third party to hear the grievance on behalf of the Board. If a third party is to be utilized, such appointed individual shall not be an employee of the Board, shall have reasonable expertise in the processing of grievances and contract interpretation, shall follow the timelines as set forth in this section, and shall make recommendations to the Board that would be intended to resolve the grievance situation. The cost of such third party would be paid by the Board.

The hearing shall be held in executive session at the request of either party. The Board will render its decision and reasons therefore in writing five (5) days following the hearing. The action taken shall be sent to the member, the Superintendent, and the President of the Association.

Step Four – Arbitration: If the grievant is not satisfied with the disposition of the grievance by the Board at Step Three, the grievant may request a hearing before an arbitrator by completing Grievance Report form, Step Four. The grievant's request for arbitration shall be made within five (5) days following the receipt of the disposition of the grievance in Step Three. The grievant's request for arbitration shall be by certified mail, with return receipt requested, to the Treasurer of the Board.

Within five (5) days following receipt of the grievant's request for arbitration by the Treasurer, the Board or its designated representative and the grievant or his/her representative shall mutually petition the Federal Mediation and Conciliation Service (FMCS) to provide an arbitrator in accordance with the rules and regulations of the Federal Mediation and Conciliation Service (FMCS). The arbitrator shall limit his/her decision to the application cited in the grievance. The arbitrator will render a decision as soon as possible after the hearing and such decision will be binding on the parties. The cost of the arbitrator and costs related to obtaining adequate facilities for the hearing, i.e., room rental and other equipment necessary for the holding of the hearing, shall be shared equally by grievant and the Board. Costs of transcripts of the hearing (if any) shall be paid by the requesting party or shared equally by the parties when such transcript is to be available to both the grievant and the Board.

C. Rights of the Member to Representation

No reprisal nor discriminatory action of any kind shall be taken by the Board or by any member of the administration against any party of interest, any Association

representative, any member of the Association Executive Committee, or any other participant in the grievance procedure by reason of such participation.

Any party of interest may be represented at any or all stages of the grievance procedure by a person of his/her own choosing from the bargaining unit, the Association, a representative of the Association, or of the legal profession. A member may not choose to be represented by a members' organization other than a representative of the Association.

When a member chooses to be presented by other than a representative of the Association, he/she shall so indicate by signing a "Waiver of Representation Rights" form which shall be filed with the Treasurer of the Board and the President of the Association (see Appendix E). In all cases, the Association President shall receive notification of date, time, and place of hearings and the Association shall be entitled to representation at such hearings in accordance with ORC 4117. Such representation shall be determined solely by the Association. The adjustment of a grievance(s) shall not, under any circumstances, be inconsistent with the terms of this Contract.

D. Miscellaneous

1. If, in the judgment of the Association Executive Committee, a grievance affects a group or class of members, is an Association grievance, or if the principal is without authority to resolve the grievance, the Committee may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall begin at Step Two. The Committee may process such a grievance through all steps of the grievance procedure even though the aggrieved member(s) does not wish to do so.
2. Decisions rendered at all steps of the grievance procedure shall be in writing setting forth the decisions and the reasons. This material shall be promptly transmitted to all parties of interest including the Association President.
3. If the aggrieved does not follow the time limits as specified in the grievance procedure, the grievance is deemed waived. If the party to whom the grievance is submitted does not follow time limits as specified in the grievance procedure, the aggrieved party has the right to proceed to the next step.
4. Any step of the grievance procedure may be waived by agreement of both parties and the grievance shall immediately proceed to the next step.

6. Severance Pay

Members of the bargaining unit, at the time of retirement from active service, with ten (10) or more years of active service in Ohio shall be paid in cash for one-fourth of the member's accrued but unused sick leave credit. Such payment shall be based on the member's daily rate of pay (including extended time and supplemental contract payments, but excluding stipends) at the time of retirement.

Payment on this basis shall be considered to eliminate all sick leave credit accrued by the member at that time. Payment shall be made within 45 days after the effective date of retirement to the member or the members designated financial advisor annuity company. Form Appendix H must be completed and submitted, with the Salary Reduction Agreement form to the Treasurer's office at least 30 days prior to the employee's effective date of retirement.

Such payment shall be made only once to any member and the maximum payment under this policy shall be for fifty (50) unused sick leave days.

If said bargaining unit member notifies the Board in writing of his/her retirement at the end of the school year prior to March 15 of that year, that member will be entitled to an additional ten (10) days of severance pay.

The above payments shall be exempt from deductions, except as provided by law.

Modification: The deadline for the additional ten (10) days of severance pay as listed in Article V, A.7. will be extended until March 31, 2011 for the 2010-2011 school year only.

7. Enhanced Severance Pay

The Board will add an additional forty (40) days of severance pay to the severance pay of those employees who retire in the first year of eligibility. For the purposes of this benefit, "first year of eligibility" shall be defined as Service Retirement as determined by the State Teachers Retirement System of Ohio (STRS). Members may choose between the STRS Member Eligibility Requirements; however, under no circumstances shall any enhanced severance pay be given for retirement beyond thirty (30) years of service credit.

The enhanced severance pay shall be a one-time payment. All other requirements of Article V, Section 4 remain in effect. Staff not accepting the enhanced severance pay in the first year of eligibility waive the right to participate and will only be eligible for the current severance pay formula upon retirement.

The annual enrollment period for this enhanced severance pay shall be March 1 through May 15, (inclusive) of the year in which retirement is to occur.

Severance pay and the enhanced severance pay shall be paid within forty-five (45) days of retirement.

Modification: Effective July 1, 2010 through June 30, 2011 only, Enhanced Severance Pay (Article V,A,8) shall be extended to all bargaining unit members eligible to retire, pursuant to STRS rules/regulations. Enrollment for any bargaining unit member (not previously eligible) will commence after ratification of this agreement by the Board and will end at 3:30 p.m. March 31, 2011. A minimum of five (5) bargaining unit members must be met for this modification provision to be valid. If less than five (5) bargaining unit members submit retirement resignations (which may be effective/dated at the end of the 2010-2011 school year) this modifying provision will be automatically invalidated and considered null and void for any contractual purpose.

8. Extended Time

Extended time will be paid at the member's appropriate per diem rate less any supplemental pay.

9. Placement on Salary Schedule

Hours qualifying for placement in the MA+10, MA+20, MA+30, and MA+40 columns shall be limited to only graduate hours earned after the awarding of the Master's degree, unless approval is given by the Superintendent. This provision shall take effect upon ratification.

Each teacher who has completed training which qualifies such teacher to move to the BA+10, BA+20, MA, MA+10, MA+20, MA+30, or MA+40 salary column may file with the district treasurer an official certified transcript from the institution attended.

If the transcript is received on or after July 1st or on or before September 15th, the move will be effective for the entire current school year and a retroactive salary adjustment will be made if necessary.

Mid-year transcripts must be submitted on or before January 31 in order to

qualify for second semester movement on the salary schedule.

All current members on such steps shall be grandfathered at such step and shall be eligible to advance from such step in accordance with this provision.

B. Supplemental Pay Schedule

1. Any member performing duties listed in the supplemental pay schedule shall receive the indicated compensation for that responsibility and shall be issued a contract for said responsibility.
2. Approval and compensation for activities added between negotiations shall be determined with mutual consent of the Association and the Board and shall be in accordance with the provisions of the contract.
3. Members shall not be required, as a condition of employment, to accept assignment to supplemental activities unless the activity is approved by the Board as a supplemental responsibility and the member agrees to accept such responsibility.
4. Period of assignment of additional duty shall appear on the supplemental limited contract.
5. At the end of the supplemental duty period, the principal/athletic director and the coach/advisor shall have a conference to review the season/assignment. The principal/athletic director shall use the supplemental evaluation form located in the appendix of this agreement. Members holding supplemental contracts shall be evaluated during their season/assignment.
6. Percentages stated in the supplemental pay schedule are to be applied to the base salary (BA-0) of the regular member salary schedule.

All members will receive preliminary class list(s) not later than August 1.

No change of assignment will be made after July 1 except assignment changes due to vacancy and transfer or when an emergency situation arises. Assignment notices that indicate a change in building, grade level, and/or subject(s) (different area[s] of certification) would be subject to the transfer provision of this section.

2. Posting

a. Regular Teaching and Supplemental Positions

All position openings for instructional, administrative, and supplemental, regardless of position or whether the opening implies a promotion or whether the position is a newly created position or an extra duty position, shall be posted conspicuously on the bulletin board in each office near the member mailboxes in the building during the school year. Said posting shall occur within fifteen (15) days of the position becoming open or the creation of the position provided, however, that position openings that occur during the student school year may be filled temporarily for the remainder of that school year, but must be posted no later than fifteen (15) days prior to the last day of that school year. Such notices will be indelibly dated at the time of posting. When school is not in session such notices shall be posted in the lobby near the administrative offices and shall

If no applications are received ten (10) school days (three [3] full weeks when school is not in session) of the date of posting the notice (or the postmark on mailings) and if no member has expressed interest in accordance with Section 3 below, it will be assumed that there is no interest in the position among members and the position may be filled outside the system.

If a position becomes vacant on or after July 10, then the posting period shall be reduced to two (2) weeks.

A member hired to fill a position must possess the posted certification and minimum qualifications for the position. Any member having proper certification may apply for the posted position and shall be granted an interview. b. Involuntary Transfer - Every effort shall be made to avoid involuntary transfers by fully utilizing the voluntary transfer procedure. If the Superintendent directs an involuntary transfer (reassignment) in the building, subject [different areas of certification], grade level, notification thereof shall be given to the involved member(s) preceding the effective date of said involuntary transfer. No member shall be involuntarily transferred without just cause. When involuntary transfers are necessary due to a staffing need, a

member's area(s) of certification, his/her teaching experience, and length of continuous service in the district will be used as the criteria in determining if a member is to be transferred (least service - first transferred).

Members being involuntarily transferred will be assigned only to a position for which they are fully and properly certified. In discussing an involuntary transfer, there will be a meeting (within five [5] days of a written request) of the member(s) involved and the Superintendent or his/her designee to explain the circumstances of the transfer. The involved member may have representation of his/her choosing at the meeting; however, the Association President or his/her designee shall receive notice of such meeting and shall be entitled to attend said meeting. 1. When by reason of decreased enrollment of pupils, return to duty of regular members after a leave of absence, or by reason of suspension of schools or territorial changes affecting the district, a reasonable reduction of bargaining unit positions may be made. Such reduction shall be made by suspending a member(s) contract(s), by the Board, in accordance with the provisions of this section and ORC 3319.17.

a. Definitions

- (1) Reduction in Force: The elimination of a current bargaining unit position.
- (2) Position: One position is determined by the previous status of the member fulfilling contractual (either written or verbal) responsibilities on a full-time, part-time, per diem, or temporary basis; i.e., the responsibilities performed by a member who is employed to perform responsibilities for six (6) or more hours per day or is paid at a full-time rate shall be considered a full position, the responsibilities performed by a member who is employed to work three (3) hours per day and is paid a salary and/or per diem rate that is one-half of what is normally paid for a full-time assignment shall be considered one-half (1/2) position
- (3) Decline in Student Enrollment: A decline in student enrollment (ADM) shall be determined first on a district-wide basis and then also within the area of certification which is to be reduced.
- (4) Reasonable reduction will be arrived at by mutual agreement between the Association President, an Association building representative, the Superintendent, and the building principal.
- (5) Suspension of contract that results from a return of a member(s) after a leave of absence shall not result in a reduction of positions.

- (6) Suspended contract shall mean employed but on an inactive status without pay.

2. The procedures for a reduction are as follows:

- a. Implementation of a RIF program shall be effective as of August 1.
- b. On or before February 15 preceding the date of implementation, the Association President shall be notified of the Board's intent to consider a RIF program.
- c. A meeting(s) shall be held between the representatives of the Association and representatives of the Board to review appropriate data and determine the need for a RIF program. If it is agreed that such reduction is justified according to the provisions in E. 1., such reduction shall be made in accordance with this section.
- d. Procedures for determining seniority list(s):

- (1) A seniority list(s) shall be prepared of all members according to continuous service in the district within each and every area(s) of certification. This list(s) shall be maintained and updated on annual basis prior to February 1. All approved "leave of absence" will be applied toward continuous service for seniority purposes. The list(s) shall include the following information:

- (a) Date of initial employment (continuous service in the district).
- (b) Date of application for employment.
- (c) Areas of certification (eligible for as of October 1).
- (d) Current teaching area(s).

The Association President shall receive two (2) copies of the seniority list(s) by January 15 of each year.

- e. A formalized list shall be prepared indicating the specific number of positions to be abolished within each area of certification. The certification area(s) of member(s) who will be returning from approved leave of absence will be separately indicated as a part of the aforementioned formalized list. The number of members who will be returning, within an area of certification, will be indicated. This statement shall be prepared prior to March 1 during the calendar year

in which implementation is to occur. The Association President shall receive two (2) copies of said list on or before March 1.

- f. The suspension of contracts that would result from the return of member(s) whose Board-approved leave of absence is expiring shall be initiated on a position-by-position basis. The contract suspension, if necessary, shall affect the position held by the least senior, as defined by this section, in the area of certification in which the returning member was teaching prior to the leave, unless the returning member can be assigned to an open position for which the member is certified. When the latter occurs, no contract suspension will occur. Said suspensions, with regard to such returning member(s), shall not result in a reduction in force. Contracts that are suspended as a result of members returning from Board-approved leaves of absence shall be processed first and shall be in accordance with the procedures stated in part g. (3) below.

- g. Contracts that are to be suspended as the result of members returning from Board-approved leaves of absence or a reduction in force will be accomplished by applying the following steps on or after May 1 of the year of implementation.
 - (1) Any return from leave or reduction in force as indicated in parts e and f shall be covered to the extent possible through normal attrition (leave of absence, resignations, retirement, etc.).
 - (2) If suspension of contract(s) by the Board is/are necessary to accommodate the returning member(s) or position reduction, positions to be abolished, as established in 2. e., will be applied to the seniority list.
 - (3) The member(s) who presently hold those position(s), as determined in 2.e., are the member(s) whose contract(s) is/are to be suspended, unless it is possible, for the involved member(s), to bump a member(s), with less seniority in another area for which the involved member(s) is or can become properly certificated by August 1 of the year of implementation.

- h. System-wide seniority shall be the basis of any RIF program. If ties occur in seniority, regarding years of service, the member with the earliest date of Board action to employ will be considered most senior. If a tie(s) still remain, the tie(s) will be broken by the earlier date of application for employment. If a tie(s) still remain, the tie(s) will be broken by administrative decision.

- i. A member(s) whose contract(s) is suspended by the Board as a result of a RIF program shall be given written notification by registered mail. This notification shall occur prior to May 15 of the year that the RIF program is to be implemented and shall indicate the date that the Board acted to suspend the member's contract.
 - j. Contract suspensions will be effective on August 1 of the year of implementation, but Board approval must occur on or before May 15.
3. Reemployment of a member(s) whose contract(s) was/were suspended by the RIF program shall be in accordance with the following procedures:
 - a. Member(s) whose contract(s) is/are suspended shall be placed on a recall list stating years of continuous service to the district and subject(s) certified to teach.
 - b. A member on the recall list shall be offered a contract, for positions for which he/she is certificated, (or has become certificated as set forth on said recall list, as positions become available and in keeping with the seniority provisions of the RIF policy -- inverse order -- last RIFed, first reemployed). Notification will be made by registered mail. It is the responsibility of the involved member(s) to advise the Board of the address where he/she can be reached.
 - c. A member who is offered a contract under the provisions of this policy must respond within fourteen (14) days of the receipt of said offer. If an individual does not accept a contract or fails to respond in the time stated, the individual will be reduced to least senior for that area of certification
 - d. No members new to the district will be employed until all properly certificated member(s) on the recall list have been offered a contract for the position in accordance with the provisions of this policy.
 - e. Upon reemployment, all rights related to salary, fringe benefits, and seniority shall be fully restored.
4. Transfers of member(s) employed but not affected by the RIF program shall be limited to areas of certification not affected by said program. If a position(s) initially abolished is/are reinstated or a new position(s) is/are established, this position(s) will be offered first to member(s) who are properly certificated and whose name(s) appear on the recall list (as developed in Section 3.a.). Transfers may be made to or within an area affected by the RIF program after the position(s) have been offered to all properly certificated members on said recall list.

5. Members not employed as a result of the RIF program will be given first consideration as casual day-to-day or long-term substitute teachers as the need occurs.
6. RIFed members shall have the right to pay the total premium for group life, hospitalization, and other group benefits for a period not to exceed five (5) years. During the aforesaid five (5) year time period, members whose contracts have been suspended and who have not been recalled shall have the same contractual status as members who are on an approved unpaid leave of absence.

The signing of the material does not indicate that the member agrees with the content of the document. Further, the member shall have the right to respond, in writing, to any material that is to be placed in the system prior to such placement. Said response shall be attached to and shall become a part of the document that is to be placed in the system. The response shall be included should dispersal of the document be made.

No parent complaints will be placed in the personnel file of a member unless and until the parent has discussed the complaint with the involved member, and if not satisfied, has submitted the complaint formally in writing and has signed such communication.

No anonymous letters or material will be placed in the system.

The member shall have the right to dispute the accuracy, relevance, timeliness, or completeness of information contained in the system. The Superintendent must make an immediate investigation to determine the validity of the claim and to notify the member within a reasonable period of time of the results of the investigation and the action that is to be taken (if any).
