The purpose of this Agreement is to assure that a high quality of education continues to be provided to the students.

The educational interests of the students in the Norwood Public Schools will be most successfully promoted through the establishment of orderly procedures which will provide for the educators in the Norwood Public Schools a means of communication with the Norwood Board of Education.

ARTICLE I:
RECOGNITION/BARGAINING UNIT

- 1.01 The Board hereby recognizes that the Association, an affiliate of the OEA, SWOEA, and the NEA, is the sole and exclusive bargaining agent for all full and part-time professional (as defined in O.R.C. 4117.01[J]) personnel employed by the Board, including those persons on leave or on long-term substitute basis but excluding casual substitutes, and all administrative and supervisory staff whose function is to develop information and make recommendations relative to hiring, evaluation, promotion, and nonrenewal or termination of staff.
- 1.02 Payroll deductions for Association dues shall be authorized solely for the Norwood Teachers' Association as the exclusive bargaining agent.
- 1.03 The group of represented employees shall be referred to herein as the "bargaining unit", and any teacher represented as a member of the bargaining unit shall be referred to herein as a "member."
- A. Long-term Substitute - a properly certificated person approved by the Board to fill in for the same certified member for a length of time over sixty (60) school days in the same school year.
- (1) This position shall receive Board approved substitute daily pay up to and including the 60th day.
 - (2) After the 60th day as a long-term substitute in the same school year, this position shall receive the per diem rate B.A., Step 1 of the approved salary schedule. This person shall also start receiving other bargaining unit benefits provided by this Agreement.
 - (3) Long-term substitutes acquiring bargaining unit status are deemed employed under a one-year limited contract which automatically expires upon completion of the school year.
- B. Full-time is defined as employment for five and one-half (5½) hours per day or more, exclusive of lunch period, five (5) days per week. Part-time is defined as any employment less than full-time.

ARTICLE II:
AUTHORITY OF BOARD OF EDUCATION

Except where express terms of this Agreement provide otherwise, it is recognized that the Board of Education has full authority and responsibility to make decisions on a unilateral basis in all matters. Any decision of the Board which pertains to a matter which is not expressly provided for in this Agreement is not subject to the grievance procedures.

ARTICLE III:
ORGANIZATIONAL RIGHTS

3.01 **DISSEMINATION OF MATERIALS**

The Association shall have the right to:

- A. Provide organization identification, which the members or their designee may place on their mailbox, and to place notices, circulars, and other material in all teachers' mailboxes.
- B. Use the interschool mail and electronic mail system to distribute material of the type described above.
- C. Use one (1) bulletin board in the faculty lounge or faculty lunchroom in each building.

3.02 **RIGHT OF ACCESS FOR ASSOCIATION PRESIDENT**

The Association President shall have the right to visit schools. Either prior to or immediately upon the arrival of the President at any school, the Association President shall advise the principal, or in the principal's absence, the acting building administrator of his/her desire to visit the school and secure the permission of each administrator to make the visit. Such permission may be delayed only if the visit, at the time desired, would interfere with the regular teaching duties of the member(s) to be contacted. Visits that are made to discuss special problems of members with the principal must be arranged in advance with the principal or, in the principal's absence, with the acting building administrator.

3.03 **BOARD MEETING**

The Board shall provide the Association through its President or designee notice of every regular or special Board meeting. A copy of the agenda of the meeting shall be provided to the Association President or designee no later than the afternoon of the meeting. Minutes of the Board meeting shall be sent to the Association President or designee. A failure of the Board to comply with this Section shall not be deemed to negate the actions or decisions of the Board.

3.04 **DOCUMENTS**

The Association shall be provided, upon request, at reasonable cost, and in a timely manner, a copy of any and all documents and information which are matters of public record.

3.05 PAYROLL DEDUCTION OF DUES

- A. Members authorizing payroll deduction of Association dues under Article X of this Agreement shall have the right to authorize a continuing deduction until such time that the member revokes the authorization. A member who revokes a continuing authorization must certify that a copy of the revocation notice was served upon the Association. A continuing authorization, once revoked, may not be reinstated for the remainder of the school year in which the revocation is made.

- B. If the Association submits to the Board Treasurer all authorization forms for payroll deduction by October 1 each year, the Board Treasurer shall begin payroll deduction of dues with the first paycheck following October 1 and continue deducting in equal installments for not less than twenty (20) deductions. If the forms are submitted later, the Board Treasurer will begin deductions with the first paycheck following submission of forms.

- C. All payroll deductions of dues shall be transmitted to the Association Treasurer monthly, accompanied by a list of members for whom the deductions are made and the amount of each deduction. Failure of the Board to comply with this provision for reasons of technical difficulty will not result in a grievable matter.

ARTICLE IV:
GRIEVANCE PROCEDURE

4.01 **DEFINITIONS**

- A. A "grievance" is an allegation by a member or by the Association that there has been a violation of one (1) or more of the provisions of this Agreement.
- B. An "aggrieved person" or "grievant" is the person(s) making the allegation.
- C. A working day is defined as one of the scheduled days in the bargaining unit members' school calendar.

4.02 **INITIATION AND PROCESSING**

A. **Step One**

- (1) The grievant shall within fifteen (15) working days of knowledge of the event(s) giving rise to the grievance, discuss the grievance with his/her immediate superior or with the Administrator most directly concerned with the grievance, with the objective of resolving the matter informally.
- (2) If the grievant is not satisfied with the disposition of his/her grievance, he/she may within fifteen (15) working days of the response or, if there is no response, within thirty (30) working days of knowledge of the event giving rise to the grievance, file a written grievance with a full statement of the facts constituting the alleged violation with his/her principal or supervisor. Copies of such written grievance shall be sent by the aggrieved party to the representative of the Association and to the Superintendent. Neither the Board nor the administration will recognize any representative of any teacher organization other than the Association and its affiliates.
- (3) The principal or supervisor shall communicate to the grievant his/her decision to the written grievance in writing within five (5) working days of the receipt of the written grievance.

B. **Step Two**

- (1) Within five (5) working days of receipt by the grievant of the decision rendered by the principal or supervisor, such decision may be appealed to the Superintendent. The appeal shall include:

- (a) A copy of the decision;
- (b) The grounds for appeal.

(2) The appeal shall be heard by the Superintendent within fifteen (15) working days of its receipt by him/her. Five (5) working days prior to the hearing, written notice of the time and place shall be given to the grievant and to the Association.

(3) Within five (5) working days of hearing the appeal, the Superintendent shall communicate to the grievant his written decision, including supporting reasons. A copy of the decision shall be sent to the Association.

C. Step Three

(1) If the Association is not satisfied with the disposition of the grievance by the Superintendent, or if no disposition has been made within the period above provided, the grievance may be submitted to arbitration before an impartial arbitrator. The Association shall demand arbitration by written notice to the Superintendent not later than thirty (30) working days of receipt of the Step Two response from the Superintendent but not later than one hundred eighty (180) days of knowledge of the event giving rise to the grievance.

(2) The parties mutually agree to use the following three (3) arbitrators:

- A. Michael Paolucci
- B. Charles Adamson
- C. Mitch Goldberg

Assignment of grievances shall be made on a continuous rotating basis among the three (3) above-mentioned arbitrators. In the event that an arbitrator is unable to remain on the list, the parties shall meet to mutually agree on a replacement. The arbitrator shall expressly confine himself/herself to the precise issues submitted for arbitration and shall have no authority to determine any other issues not so submitted or to submit observations or declarations of opinion which are not directly essential in reaching the determination. The arbitrator shall in no way interfere with the management prerogatives involving Board discretion or interfere with the powers, duties and rules and regulations having the force and effect of law. The arbitrator shall have no power to alter, add to, and/or subtract from the terms of the Agreement. The fees and expenses of the arbitrator shall be shared equally by the Board and by the Association. The decision of the arbitrator shall be binding on all parties. With the exception of the process for the selection of the arbitrator, or any other contractual provision related to the arbitration hearing, the parties agree that the arbitration process shall adhere to the American Arbitration Association's rules and regulations.

(3) Grievance records will not be retained in any member's personnel file unless resolution of the grievance results in a change of the member's status which must be recorded in the personnel file.

- (4) The grievant may be represented by an Association representative at any step of the grievance process.
- (5) The grievance may be withdrawn at any step without prejudice.
- (6) The grievant(s) and/or Association representative(s) shall be permitted to attend a grievance meeting or arbitration hearing with no loss of pay or benefits if the meeting or hearing is scheduled during regular working hours.

4.03 The time limits contained herein shall be strictly enforced, provided that any failure on the part of the employer to respond within the time limits set for a response shall not be deemed a default, but shall allow the grievant to proceed to the next step of the grievance procedure. A failure of the grievant to take the grievance to the next step of the grievance procedure shall be deemed a resolution of the grievance in accord with the last answer of the employer.

ARTICLE V:

No member shall be disciplined, terminated or suspended without good and just cause.

5.02 **NOTICES**

Statutory appeal rights set forth in Chapter 3319, ORC, shall not be applicable to bargaining unit members. Displacement rights shall be exercised by all members within their respective contract status (continuing contract or limited contract), with no limited contract member exercising displacement over continuing contract members. Displacement shall be limited to areas of the member's certification/licensure.
 - (1) If a member, whose position is being abolished, has a provisional, professional, or permanent certificate in more than one area, and there is a less senior member in an area in which the member holds a certificate, the least senior member among all the less senior members in all the other areas of certification/licensure shall be displaced.
 - (2) If a member has a temporary certificate to meet the requirements of the current teaching assignment, and also holds a provisional or higher certification/licensure in other teaching fields, that member shall be placed with the appropriate contract group based on their provisional or higher certification/licensure. - D. If degrees are equal, seniority will go to the member with the highest total number of post degree graduate hours as of April 1 of the member's contract year.
- E. Contract status, degrees, hours and certification/licensure must be of record as of April 1 in order to determine displacement rights.

- B. Seniority shall be lost when a member resigns or retires.

20.06 Members whose contracts have been suspended shall have rights to recall as follows:

Certificated continuing contract members shall be recalled before certificated limited contract members. Total district wide seniority shall determine the order of recall within the area of certification/licensure and contract status.

- B. A member shall be considered certified for recall purposes if the member's certification/licensure permits the member to teach the subject and grade level to which the member is to be recalled, as set forth in the Ohio Revised Code and the Ohio Administrative Code.
 - C. A recall list shall be maintained for a period of not less than two (2) years commencing with the day following the last day of paid service and shall remain in effect until the September 1 following the two (2) year period.  - D. A member who finds employment, either as a teacher or in another area of employment during the two (2) year period, shall still have recall rights.
 - E. Members recalled shall have the same seniority, accumulated sick leave days, and continuous years of service when they return as they had when their contract was suspended, and shall enjoy the same benefits as all other members.
 - F. If a teacher refuses an offered vacancy, his/her name shall be removed from the recall list and the Board's obligation is terminated.
- 20.07 A seniority list shall be prepared and regularly updated ranking all continuing contract members in the District by seniority, giving areas of certification/licensure and present teaching assignment, then all limited contract members in the District by seniority, giving areas of certification/licensure, and present teaching assignment. The Association President shall receive a copy of this list by December 1 of each year. Each member whose contract is to be suspended shall receive copies of this list.
- 20.08 If errors in this list are found within thirty (30) days of receipt of this list by the member whose contract is suspended, a revised list shall be prepared with all errors corrected and reduction in force shall be carried out in accord with the revised seniority list.
