ARTICLE 1
AGREEMENT/PURPOSE

Section 1.1. This Agreement, which may be referred to as the "DISPATCHERS Contract," entered into by the City of East Cleveland, hereinafter referred to as the "Employer" or the "City," and the Fraternal Order of Police/Ohio Labor Council Inc., hereinafter referred to as the "FOP" or the "Union," has its purpose as the following:

To comply with the requirements of Chapter 4117 of the Ohio Revised Code, and to set forth in its entirety the full and complete understandings and agreements between the parties governing the wages, hours, terms and conditions of employment for those employees included in the bargaining units as defined herein.

Section 1.2. The parties acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any matter or subject not removed by law or regulation from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of those rights and opportunities are set forth in the Agreement. The provisions of this Agreement constitute the entire Agreement between the parties.

ARTICLE 2
APPLICABILITY OF EXTERNAL LAW AND SEPARABILITY

Section 2.1. Application of External Law. The parties agree that no section of the civil service laws contained in the Ohio Revised Code Sections 9.44, 124.01 through 124.56, nor any local ordinance of the City of East Cleveland or Rules and Regulations of the Civil Service Commission of the City of East Cleveland, pertaining to wages, hours, terms and other conditions of employment, shall apply to bargaining unit employees where such matter has been specifically or generally addressed by this agreement.

Section 2.2. Notwithstanding the above, Sections 124.388 and 124.57 ORC shall continue to apply to bargaining unit employees. Additionally, in accordance with Revised Code 4117.10(A), laws pertaining to civil rights, affirmative action, unemployment compensation, worker's compensation, the retirement of public employees, residency requirements, and the provisions of 124.34 (A) concerning the disciplining of employees convicted of a felony prevail over any conflicting provisions of this collective bargaining agreement.

Section 2.3. In accordance with the provisions of Ohio Revised Code section 4117.10 (A), this Agreement covers the wages, hours, and terms and conditions of employment to the extent provided herein. It is therefore the intent of the parties that the terms and conditions of this Agreement specifically preempt and/or prevail over the statutory rights of bargaining unit members as set forth below:

ARTICLE 3
RECOGNITION

Section 3.1. Under this Agreement, the Employer hereby recognizes the FOP/Ohio Labor Council, Inc., as the sole and exclusive bargaining agent for all employees listed below:

All regular full-time Dispatcher/Records Clerks, and the Dispatcher/Office Manager, excluding all other employees.

Section 3.2. Said recognition is for the purpose of collective bargaining on any and all matters relating to wages, hours, terms and other conditions of employment for all members of the bargaining unit pursuant to the Ohio Public Employees Collective Bargaining Act.

ARTICLE 4
UNION DUES DEDUCTION/FAIR SHARE FEES/FOP SECURITY

Section 4.1. Within sixty (60) days of the date of this Agreement, employees in the bargaining unit shall either become dues paying members of the FOP or, as a condition of continued employment, remit to the FOP a fair share fee in accordance with the provisions of Ohio Revised Code Section 4117.09(C).

Section 4.2. Dues Deduction. The Employer agrees to deduct from the wages and salaries of the bargaining unit members dues required by the FOP/OLC by payroll deduction.

Section 4.3. Fair Share Fee. In recognition of the Union's services as the bargaining representative, all members of the bargaining unit not electing Union membership shall share in the financial support of the Union by paying a fair share fee. The assessment and collection of all fair share fees including, but not limited to, automatic payroll deductions shall be in accordance with Ohio Revised Code, Section 4117.09(C). During the life of this Agreement, the City shall deduct fair share/service fees levied by the Union from the pay of each employee not electing Union membership. The Union shall defend and indemnify the City against any and all claims or demands against it arising out of this deduction.

Section 4.4. Fair Share Fee Deduction Procedure. Sixty (60) days after the commencement of employment, all employees covered by this Agreement who have not become Union members shall, as a condition of employment, pay a fair share fee rebated for expenditures in support of partisan politics or ideological causes not germane to the work of employee organizations in the realm of collective bargaining. All disputes concerning the amount of fair share fee shall not be subject to the grievance procedure of this Agreement. Disputes of this nature shall be resolved under the Union's internal rebate reduction procedure, and the Union warrants to the Employer that it has a fair share fee notice and internal rebate procedure that complies with both Federal and State law.

Section 4.5. Deduction Remittance/Timing. Employer agrees to deduct from the wages and salaries of the bargaining unit members dues required by the FOP/OLC by payroll deduction. Dues and fair share fees deducted by the Employer shall be remitted to the FOP no later than the fifth (5th) day of the month following the month in which they were deducted. Deductions will be remitted to the FOP/OLC Inc., 222 East Town Street, Columbus, Ohio 43215.

Section 4.6. Termination. The Employer's obligation to make deductions shall terminate automatically upon timely receipt of revocation of authorization or upon termination of employment or transfer to a job classification outside the bargaining unit.

ARTICLE 5 **UNION ACTIVITY/REPRESENTATION**

Section 5.1. Access. Non-employee representatives of the FOP shall be admitted to the Employer's facility for the purpose of processing grievances, attending meetings, or for monitoring the administration of this Agreement, upon approval of the Employer or its designee. The Employer or its designees shall facilitate any necessary contact between the representative and an on duty bargaining unit member employee, provided that arrangement of the contact is not unduly disruptive of the employee's job responsibilities as may be solely determined by the Chief of Police.

Section 5.2. Grievance Meetings/Negotiations. Bargaining unit members shall not suffer a loss in pay for their attendance at grievance meetings or hearings and/or negotiations sessions that occur during the employee's scheduled shift.

Section 5.3. Use of Employer Facilities for Union Meetings. The Union may schedule meetings on Police Department property, insofar as those meetings are not disruptive of the duties of the employees or the efficient operation of the Department. Special rank-and-file

Union meetings may be held at any hour. Insofar as is feasible, all on or off-duty Union members shall be afforded the opportunity to attend these meetings.

Section 5.4. Negotiation Preparation Time. Upon advance approval by the Chief of Police or designee, time off may be allowed for up to eight (8) hours per person each week for a maximum of three (3) members of the negotiating committee, designated in advance, during the last sixty (60) days of this Agreement, exclusive of any extensions.

Section 5.5. Annual Union Time. The Union shall be authorized an aggregate of ten (10) work days of paid leave per calendar year for delegates to use any time during the year to attend Union functions such as, but not limited to, conventions, educational meetings, or conferences. Management shall make other reasonable provisions for authorizing vacation leave or personal allowance credits for employees to attend Lodge functions in addition to the above mentioned ten (10) days.

In addition to the ten (10) delegate days listed in this article, the Union shall be authorized a delegate "time bank." Each year of this Agreement bargaining unit members shall be authorized to donate accrued leave time to said bank via a voucher form provided by Management. The Union may utilize such time as necessary for Union approved activities. The Union may utilize all aforementioned provisions of this article by having the Associate or their designee notify the Chief of Police as soon as practicable upon learning of the need for such leave, but not less than two (2) employees from one (1) detail are designated by the Lodge for said leave at any given time.

Section 5.6. Monthly Release Time. Sufficient time off, not to exceed three (3) hours per man, per month, shall be granted to any two (2) elected Dispatchers, for the purpose of attending and the conducting of regular meetings of the Union, provided a forty-eight (48) hour notice is given to the Chief of Police. Such release from duty is subject to the scheduling requirements in the interest of efficient operation of the Police Department.

ARTICLE 6 **NON-DISCRIMINATION**

Section 6.1. Neither the City, its agents, agencies, or officials, nor the FOP/OLC or its agents or officers shall discriminate against any employee on the basis of age, sex, marital status, military status, genetic information, race, color, religion, national origin, political affiliation, or disability.

Section 6.2. The City and the FOP/OLC agree not to interfere with the desire of any person to become or remain a member of the FOP/OLC.

Section 6.3. All references in this Agreement to the male gender shall be construed to be equally applicable to females.

ARTICLE 7
MANAGEMENT RIGHTS CLAUSE

Section 7.1. Except as specifically limited by explicit provision of this Agreement, the City shall have the exclusive right to manage the operations, control the premises, direct the working forces, and maintain efficiency of operations. Specifically, the City's exclusive management rights include, but are not limited to, the sole right to hire, discipline and discharge for just cause; layoff and promote; to promulgate and enforce reasonable employment rules and regulations; to reorganize, discontinue, or enlarge any department or division; to transfer employees (including the assignment and allocation of work) within department or to other departments; to introduce new and/or improved equipment, methods or facilities; to determine work methods; to determine the size and duties of the work force, the numbers of shifts required, and work schedules; to establish, modify, consolidate, or abolish jobs (or classifications); and to determine staffing patterns, including, but not limited to, assignment of employees, numbers employed, duties to be performed, qualifications required, and areas worked, subject only to the restrictions and regulations governing the exercise of these rights as are expressly provided herein.

In addition, unless otherwise restricted by an express term of this Agreement, all rights are exclusively reserved by the City. Further, the exercise of any enumerated or reserved management right shall not be the subject of negotiation during the term of this Agreement, either with respect to the decision or its effects.

ARTICLE 8
INTERNAL INVESTIGATIONS

Section 8.1. Internal Investigation Procedures. When a bargaining unit member is under investigation by the Employer for administrative rule violations, the following standards shall apply:

1. **Interview Timing.** Questioning of the bargaining unit member shall be conducted at a reasonable hour, preferably when the bargaining unit member is on duty, unless circumstances otherwise require. Prior to being subjected to an interview or questioning as part of an internal investigation, where the employee could be subject to discipline, an employee will be afforded Union representation if requested.
2. **Interview Location.** Questioning of the bargaining unit member will generally take place at the offices of those conducting the investigation or the place where such bargaining unit member reports for duty, subject to operational need.
3. **Breaks/Rest Periods.** Any questioning of a bargaining unit member in connection with an investigation shall be for a reasonable period of time and shall allow for reasonable periods of rest and personal necessities of the bargaining unit member.
4. **Garrity Warnings.** Prior to being charged with insubordination for refusing to answer questions or cooperate in an investigatory interview, a bargaining unit member will be advised that his continued refusal could form the basis for a charge of insubordination and may result in discipline. A member shall not be charged with insubordination in such

instances, unless immunity has been granted by the proper legal authority for the statements that are to be made in connection with the interview.

5. **Representation Rights.** Upon the request of the bargaining unit member under investigation, and in circumstances where the results of the investigation could result in discipline of the member, the member shall be entitled to the presence of a Union representative and reasonable time to procure the presence of a representative.
6. **Questioning/Identification of Interviewer.** Questioning of the bargaining unit member shall be conducted in a professional and business-like manner, and the interviewer shall identify himself to the member.
7. **Subject Matter/Complainant:** Bargaining unit members will be advised of the subject matter of the interview, basis for the complaint, and whether or not it is criminal or administrative prior to questioning. When the matter does not have criminal implications, the officer will be advised of the identity of the complainant.
8. **Polygraphs.** No polygraph, VSA, or other stress measuring device shall be used during investigatory interviews.
9. **Disclosure of Personal Assets.** The disclosure of personal assets will not be required without a reasonable basis.

Section 8.2. Notification of Findings/Results. At the conclusion of the investigation, the Employer agrees that all public records under the Ohio Public Records law will be made available to the member or the FOP/OLC. The parties agree that any recordings or transcripts made during the course of an internal investigation and meeting the previous definition shall be made available.

ARTICLE 9 **DISCIPLINE**

Section 9.1. The tenure of every employee subject to the terms of this Agreement shall be during good behavior and efficient service. No employee shall be reduced in pay or position (including working suspensions), fined, suspended, discharged, or removed except for grounds stated in Section 2 of this article. The Employer may take disciplinary action against any employee in the bargaining unit for just cause. Forms of disciplinary action are:

1. Letter of instruction and cautioning.
2. Written reprimand.
3. Suspension without pay, at the option of the employee, and with concurrence of the Employer, accrued vacation or holiday time may be forfeited equal to the length of the suspension. Record of suspension will be maintained.
4. Suspension of record (i.e., paper suspension).

5. Fines (i.e., forfeiture of accrued leave).
6. Demotion.
7. Discharge.

An employee who is given a working suspension (i.e., suspension of record) shall be required to report to work to serve the suspension and shall be compensated at his or her applicable rate of pay for those hours worked.

Section 9.2. If established, incompetency, inefficiency, dishonesty, drunkenness, immoral conduct, insubordination, discourteous treatment of the public, neglect of duty, failure of good behavior, absence without leave, substance abuse, violation of City or department work rules, or any conduct unbecoming a representative of the Employer, or any other acts of misfeasance or malfeasance or nonfeasance, shall be cause for disciplinary action.

Section 9.3. Progressive Discipline. Except in instances where an employee is charged with a serious offense, discipline will be applied in a corrective, progressive, and uniform manner. Progressive discipline shall take into account the nature of the violation, the employee's record of discipline, and the employee's record of conduct.

Section 9.4.—Predisiplinary Conference. Whenever the Employer determines that an employee may be suspended, reduced in pay or position, or terminated, a predisiplinary meeting will be scheduled to investigate the matter. The Employer shall notify the employee and the Union in writing of the charges against the employee and what form of discipline may be imposed. This notification shall also include the time and place of a predisiplinary meeting, to be held within five (5) business days, between management, including the Law Director and/or Human Resource Director, and the employee. The employee may be accompanied by a Union representative during the predisiplinary meeting. The notice shall be issued with at least forty-eight (48) hours to the Union. Should the employee not wish to be represented by the Union, a Union Representative shall be allowed in the disciplinary meeting as an observer only. The employee shall have an opportunity in this meeting to respond orally to the charges prior to discipline being imposed. The employee or union representative shall be given an opportunity to question or examine any witnesses present. Any resolution to the disciplinary action by the employee and the Employer shall be consistent with the terms and provisions of this Agreement. An employee who is disciplined may file a grievance in accordance with the grievance procedure herein.

Section 9.5. Disciplinary Appeals. Appeals of disciplinary actions must be filed at the appropriate level of the grievance procedure within five (5) calendar days from receipt of the notice of discipline by the employee. Disciplinary action not involving a loss in pay may be appealed through the grievance procedure, but is not subject to the arbitration procedure.

Section 9.6. Administrative Leave. An employee may be placed on paid administrative leave pending the imposition of discipline. An employee found guilty of a felony by trial court may be discharged, and any accrued unused leave will be forfeited to offset the time spent on administrative leave. Where the charges are reduced to a misdemeanor or the employee is found

innocent of the charges, the employee may be subject to discipline pursuant to the terms of this article.

Section 9.7. Disciplinary Records. Records of written warning and reprimands shall cease to have force and effect twelve (12) months from the date of issuance and shall, upon the written request of a bargaining unit member, be removed from the personnel file, provided no intervening discipline has occurred. Any records relating to any suspension of less than thirty (30) days shall be removed from the file two (2) years after the suspension provided no intervening discipline has occurred. Any records relating to any suspension of more than thirty (30) days shall be removed from the file five (5) years after the suspension providing no intervening discipline has occurred.

ARTICLE 10 **GRIEVANCE PROCEDURE**

Section 10.1. Every employee shall have the right to present his grievance in accordance with the procedures provided herein, free from any interference, coercion, restraint, discrimination or reprisal and except at Step 1, the employees shall have the right to be represented by a person of his own choosing at all stages of the Grievance Procedure. It is the intent and purpose of the parties to this Agreement that all grievances shall be settled, if possible, at the first step of this procedure.

Section 10.2. For the purposes of this procedure, the terms listed below are defined as follows:

- A. Grievance - A "grievance" shall be defined as a dispute or controversy arising from the misapplication or misrepresentation of the specific express written provisions of this Agreement.
- B. Grievant - The "grievant" shall be defined as any employee or group of employees within the bargaining unit or the FOP/OLC.
- C. Party in Interest - A "party in interest" shall be defined as any employee of the Employer named in the grievance who is not the grievant.
- D. Days - A "day" as used in this procedure shall mean calendar days, excluding Saturdays, Sundays or holidays as provided for in this Agreement.

Section 10.3. Procedure Generally. Nothing in this procedure shall prohibit an employee from informally attempting to resolve a dispute during the five (5) day period prior to the initiation of a formal grievance. Where a formal grievance is initiated, the following procedures shall apply to the administration of all grievances filed under this procedure:

- A. **Grievance Contents.** All grievances shall include the name and position of the grievant; the identity of the provisions of this Agreement involved in the grievance; the time and place where the alleged events or conditions giving rise to grievance took place; the identity of the party responsible for causing the said grievance, if known to the grievant;

and a general statement of the nature of the grievance and the redress sought by the grievant.

- B. **Decisions.** All decisions shall be rendered in writing at each step of the grievance procedure. Each decision shall be transmitted to the grievant and his representative, if any.
- C. **Group Grievances.** If a grievance affects a group of employees working in different locations, with different principals, or associated with an employer-wide controversy, the grievance may be submitted at Step 3.
- D. **Grievance Settlement.** Any informal adjustment to a matter without the intervention of the FOP/OLC shall not be inconsistent with the terms of this Agreement. In the event that the grievance is adjusted without formal determination, pursuant to this procedure, while such adjustment shall be binding upon the grievant and shall, in all respects, be final, said adjustment shall not create a precedent or ruling binding upon the Employer in the future proceedings.
- E. **Representation.** The grievant may choose whomever he wishes to represent him at any step of the grievance procedure after Step 1.
- F. **Time Limits.** The time limits provided herein will be strictly adhered to and any grievance not filed initially or appealed within the specified time limits will be deemed waived and void. If the Employer fails to reply within the specified time limit, the grievance may be forwarded to the next step under the Procedure. The time limits specified for either party may be extended only by written mutual agreement.
- G. **Grievance Limitations.** This procedure shall not be used for the purposes of adding to, subtracting from, or altering in any way, any of the provisions of this Agreement.

Section 10.4. Procedure. All grievances shall be administered in accordance with the following steps of the grievance procedure:

STEP 1: An employee who believes he may have a grievance shall file the grievance with his immediate supervisor within five (5) days of the occurrence of the facts giving rise to the grievance. The supervisor will schedule a meeting with the employee within five (5) days of receiving the grievance, if necessary, or issue a decision on the grievance. If a meeting is held, the supervisor shall issue his decision within five (5) calendar days.

STEP 2: If the dispute is not resolved at Step 1, it shall be reduced to writing by the grievant and presented as a grievance to the Chief/designee within five (5) days of the Step 1 decision or default rejection, whichever is applicable. The Chief/designee shall schedule a meeting within five (5) days of receiving the Step 1 appeal if necessary or issue a decision on the grievance. If a meeting is held, the Chief/designee shall issue his decision within five (5) days of the meeting.

STEP 3: If the grievant is not satisfied with the written decision at the conclusion of Step 2, a written appeal of the decision may be filed with the Mayor/Safety Director within five (5) days

from the date of the rendering of the decision or default rejection at Step 2. Copies of the written decisions shall be submitted with the appeal. The Mayor/Safety Director or his designee shall convene a hearing within fifteen (15) days of the receipt of the appeal. The hearing will be held with the grievant, his FOP/OLC representative and any other party necessary to provide the information for the rendering of a proper decision. The Mayor/Safety Director or his designee shall issue a written decision to the employee and his FOP/OLC representative within fifteen (15) days from the date of hearing. If the Union is not satisfied with the decision at Step 3, it may proceed to arbitration pursuant to the Arbitration Procedure herein contained.

Section 10.5. Arbitration. In the event a grievance is unresolved after being processed through all steps of the Grievance Procedure, unless mutually waived, within thirty (30) days after rendering the decision of Step 3, the Union may submit the grievance to arbitration. Within this thirty (30) day period, the parties will meet to attempt to mutually agree upon an arbitrator. If such agreement is not reached, the parties will promptly request the Federal Mediation and Conciliation Service to submit a panel of fifteen (15) Ohio based, national academy certified arbitrators. Once the panel of arbitrators is submitted to the parties, each party shall have fourteen (14) days from the mailing date in which to strike any name to which it objects, number the remaining names to indicate the order of preference, and return the list to FMCS. Each party shall have the right to reject one (1) panel of arbitrators. The party requesting a second list of arbitrators shall satisfy the required fee for this service.

Section 10.6. The arbitrator shall have no power or authority to add to, subtract from or in any manner, alter the specific terms of this Agreement or to make any award requiring the commission of any act prohibited by law or to make any award that itself is contrary to law or violates any of the terms and conditions of this Agreement.

Section 10.7. The hearing or hearings shall be conducted pursuant to the "Rules of Voluntary Arbitration" of the Federal Mediation and Conciliation Service (FMCS).

Section 10.8. Fees/Expenses. The fees and expenses of the arbitrator and the cost of the hearing room, if any, will be borne equally by the parties. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the attorney fees or expenses incurred by the other party.

Section 10.9. Witnesses. An employee requested to appear at the arbitration hearing by either party shall attend without the necessity of notice of subpoena and shall be compensated at his regular hourly rate for all hours during which his attendance is required by either party. Any request made by either party for the attendance of witnesses shall be made in good faith. Employees shall suffer no loss of pay for appearing as a witness at a predisciplinary conference/hearing or at an arbitration during their work shift. Where the Employer requires attendance during non-work time, the employee shall be compensated at his applicable hourly rate of pay for appearing as a witness in a predisciplinary conference or arbitration.

ARTICLE 11
LABOR MANAGEMENT AND SAFETY COMMITTEE

Section 11.1. The Labor Management and Safety Committee shall consist of the Mayor, Safety Director or his designee, the Chief of Police or his designee, and one (1) member of the bargaining unit, and a representative of the Union. It is mutually agreed that this committee may meet on a quarterly basis or as mutually agreed, or after a written request from either party for the following purposes:

1. To disseminate general information of interest to the parties.
2. To give the FOP/OLC Representatives the opportunity to share the views of their members and/or suggestions on the subjects of interest to their members.
3. To discuss ways to improve efficiency within the Department.
4. To promote harmonious relations between the City and the FOP/OLC in the best interest of the community.
5. To discuss safety and health issues of the Department.

Section 11.2. Occupational safety and health is a mutual concern of the FOP/OLC and the Employer. The FOP/OLC will cooperate with the Employer in encouraging employees to comply with applicable safety rules, regulations, and common knowledge safety standards of the law enforcement industry. The Employer agrees to operate and maintain a safe working environment for all bargaining unit members.

Section 11.3. The Employer and the FOP/OLC shall comply with all applicable federal and state laws, rules, and regulations with regard to safety.

Section 11.4. All bargaining unit members are responsible to report, in writing, all unsafe conditions relating to police operations to the Chief of Police. No bargaining unit member shall be subject to any disciplinary action for such reporting.

Section 11.5. If the unsafe condition remains uncorrected after five (5) calendar days, it may be subject to the Grievance and Arbitration Procedure of this Agreement.

Section 11.6. The Employer shall not instruct any bargaining unit member to operate any equipment, which anyone in the exercise of ordinary care would reasonably know might cause injury. However, if the dispatcher in charge at the time concludes that the equipment is not unsafe, the employee shall operate the equipment. Said dispatcher's decision is subject to the Grievance and Arbitration Procedure.

Section 11.7. The FOP/OLC recognizes the right of the Employer to establish and change safety rules. Any new or changed rule(s) will be communicated to the Labor Management and Safety Committee for discussion.

Section 11.8. All bargaining unit members of the Labor Management and Safety Committee shall be paid at their regular rate of pay while performing committee duties on a no loss, no gain basis.

ARTICLE 12 **SENIORITY**

Section 12.1. Definition. For the purpose of this Agreement, seniority shall be defined as total continuous service in the City Police Department as a full-time employee in a classification within this bargaining unit measured from the employee's date of appointment. For benefit levels (e.g., vacation, longevity etc.) seniority is defined as the length of continuous, uninterrupted full-time service within the City of East Cleveland from the most recent date of appointment. A seniority list is appended to this Agreement as Appendix C. Continuous service shall not be considered broken due to absence caused by military, pregnancy, injury, sick, and other City approved leaves of absence as allowed by this Agreement.

Section 12.2. Identical Seniority Dates. Where conflict occurs because of identical service or date of appointment, the member with the earliest application date is deemed to be senior.

Section 12.3. For vacation purposes, shift seniority shall be determined by the bargaining unit member's date of service as defined in Section 12.1.

Section 12.4. For shift selection purposes, seniority shall be determined by the bargaining unit member's seniority, except the Chief of Police may make assignments based on operational needs. The election of shift preferences by seniority shall not result in the creation of vacancies. No bargaining unit member shall change assignment through the exercising of shift preference.

Section 12.5. Seniority List. The Employer shall post a seniority list once every six (6) months on the FOP/OLC bulletin board showing the continuous service of each bargaining unit member. One (1) copy of the seniority list shall be furnished to the FOP/OLC associate.

ARTICLE 13 **LAYOFF AND RECALL**

Section 13.1. It is the intent of the parties, through this article, to establish an objective procedure by which a reduction in force (i.e., layoff or job abolishment) may be accomplished, should the need arise, and supersede the provisions of ORC 124.321 to 124.328, 124.37, OAC 123: 1-41-01 to 123: 1-41-22, and all local rules and regulations of the City of East Cleveland Civil Service Commission governing work force reductions.

Section 13.2. Procedure. Employees may be laid off as a result of lack of work, lack of funds, or abolishment of position. In the event of a layoff, the Employer shall notify the affected employee thirty (30) calendar days in advance of the effective date of layoff. The Employer agrees to discuss with representatives of the FOP/OLC the impact of the layoff on the bargaining unit member. Any layoff in the bargaining unit shall be in accordance with departmental seniority, i.e., the most recent employee hired is the first employee laid off.

Any employee laid off from a bargaining unit position may, at his option, displace a permanent part-time or intermittent employee in the same classification. Failure to bump or failure to accept a recall to a part-time or intermittent position shall not jeopardize an employee's recall rights to a full-time position.

Section 13.3. Recall Rights. Employees who are laid off shall be placed on a recall list for a period of three (3) years. If there is a recall, employees who are still on the recall list shall be recalled, in the inverse order of their layoff, provided they are presently qualified to perform the work in the work section to which they are recalled not including any certifications mandated through LEADS. Any recalled employee requiring additional training to meet the position qualifications in existence at the time of recall must satisfactorily complete the additional training required in this section. Such training shall be at the Employer's expense.

Section 13.4. Recall. The recalled employee shall have ten (10) calendar days following the date of recall notice to notify the Employer of his intention to return to work and shall have fifteen (15) calendar days following receipt of the recall notice in which to report for duty, unless a different date for return to work has been otherwise agreed upon.

ARTICLE 14 **PERSONNEL FILES**

Section 14.2. Every bargaining unit member shall be allowed to review the contents of his personnel file at all reasonable times upon written request except that any bargaining unit member involved in a grievance or disciplinary matter shall have access at any reasonable time in order to adequately prepare for such process. Memoranda clarifying and explaining alleged inaccuracies of any document in said file may be added to the file by the bargaining unit member.

Section 14.3. All entries of a disciplinary or adverse nature shall be maintained solely in the personnel file which shall be maintained in the Department of Human Resources. The affected bargaining unit member shall be notified of any such entry and shall be afforded a copy of the entry and an opportunity to attach a dissenting statement. ARTICLE 16
DRUG/ALCOHOL TESTING

Section 16.1. Policy Statement. Both the Union and the City recognize illegal drug usage and workplace alcohol abuse/misuse as a threat to the public safety and welfare and to the employees of the Division of Police. Thus, the Division will take the necessary steps, including drug and alcohol testing, to maintain a drug/alcohol free workplace. The goal of this policy is education, prevention and rehabilitation rather than termination.

Section 16.2. Definitions.

- A. The term "drug" includes cannabis as well as other controlled substances as defined in the Ohio Revised Code.
- B. The term "illegal drug usage" includes the use of cannabis or any controlled substance which has not been legally prescribed and/or dispensed, or the abusive use of a legally prescribed drug.
- C. The term "drug test" means a urinalysis test consisting of an initial screening step and a confirmation step employing the gas chromatography/mass spectrometry (GC/MS) utilizing urine samples collected according to a chain of custody procedures consistent with the United States Department of Transportation ("D.O.T.") regulations.
- D. The term "Misuse of Alcohol" means the use or possession of ethyl, methyl or isopropyl alcohol in the workplace, or testing positive (as defined in paragraph (e)) for the presence of alcohol in an employee's system while at work.
- E. The term "Alcohol Test" means a test selected and certified under federal standards. An initial positive level of .04 grams per 210L of breath shall be considered positive for purposes of authorizing a confirming alcohol test. If initial screen results are negative, i.e., below the positive level, testing shall be discontinued, all samples destroyed, and records of the testing expunged from the member's personnel file. Only members with screen test results that are positive on the initial screen shall be subject to confirmation testing for alcohol. With respect to confirmation testing, a positive alcohol level shall be .04 grams per 210L of breath. If confirmatory breath testing results are negative, i.e., below the positive level, all records of the testing shall be expunged from the member's personnel file.
- F. "Voluntary Participation in a Dependency Program" means in the absence of a positive test result or a request to take a drug/alcohol test, an employee seeks the professional assistance of a treatment program under the Employee Assistance Program and/or covered by the employee's insurance plan.

Section 16.3. Notice and Education of Employees Regarding Drug/Alcohol Testing. There will be an education and information period prior to random testing under this policy for employees, except that prior policies governing the testing of cadets and testing under consent forms shall remain in effect during this period.

All employees will be informed of the Division's drug/alcohol testing policy. Employees will be provided with information concerning the impact of the use of drugs on job performance. In addition, the Employer will inform the employees of the manner in which these tests are conducted, the reliability of the tests performed, under what circumstances employees will be subject to testing, what the tests can determine, and the consequences of testing positive for illegal drug use and alcohol abuse/misuse. All new employees will be provided with this information when initially hired. No employee shall be randomly tested until this information has been provided.

Section 16.4. Basis for Ordering an Employee to be Tested for Drug/Alcohol Abuse.

Employees may be tested for drug/alcohol abuse misuse during working hours under any of the following conditions:

- A. Where there is reasonable suspicion that the employee to be tested is using or abusing illegal drugs or alcohol while on duty. Such reasonable suspicion must be based upon objective facts or specific circumstances found to exist which present a reasonable basis to believe that an employee is using alcohol or illegal drugs in violation of this policy. Two (2) examples of where reasonable suspicion shall be deemed to exist are where there has been a serious on-duty injury to an employee, or another person, the cause of which is otherwise unexplained, and where an employee, while driving a city vehicle, becomes involved in a traffic accident which results in physical harm to persons or property. The listing of these examples is not intended to exclude other situations which may give rise to reasonable suspicion of abuse. If reasonable suspicion of drug/alcohol use is suspected, it shall be reported to the Chief. He shall determine if drug/alcohol testing is warranted, and if so, shall order that the test be taken.
- B. **For Random Testing.** The term "Random Testing" means employees during their normal tour of duty are subject to Random Drug/Alcohol Testing, effective after the employee education process (as stated above) is completed. The annual number of such random tests shall not exceed twenty-five percent (25%) of the members covered by the contract during a calendar year beginning January 1 (if testing commences later than January 31, the number of tests taken shall not exceed a pro-rated amount of 25% of the members). Such test shall be reasonably spread throughout the year. Member(s) notified of their selection for random/drug alcohol testing shall proceed immediately to the collection site. A member who is on a regularly scheduled day off, vacation, already absent due to illness or injury, on Compensatory Time Off (approved before the member was scheduled for testing) or under subpoena from a Court, shall be excused from testing, but will remain subject to future random testing.
- C. Upon return to duty after an absence for an unexplained illness or from a thirty (30) day or more disciplinary suspension, or upon reappointment to the Division.
- D. Prior to a return to duty after participation in a substance abuse rehabilitation program regardless of the duration of the program, and following an employee's return under these circumstances wherein the employee shall be required to undergo three (3) urine tests within the one (1) year period starting with the date of return to duty.

E. During the six (6) month probationary period after leaving the Training Academy.

Prior to obtaining a drug/alcohol test from an employee as set forth in sections (A) through (E) above, the City shall instruct the employee that the results of the drug/alcohol test can result in termination from employment, subject to the conditions set forth below.

Section 16.5. Urine Samples. Specimen collection will occur in a medical setting and conform to D.O.T. regulations. The procedures should not demean, embarrass, or cause physical discomfort to the employee.

- A. Each step in the collecting and processing of the urine specimens shall be documented to establish procedural integrity and the chain of evidence.
- B. The employee will complete a form indicating the use of all drugs currently being taken and identify the prescribing physician.
- C. The employee designated to give a sample must be positively identified prior to any sample being taken.
- D. Specimen samples shall be sealed, labeled and checked against the identity of the employee to ensure that the results match the employees tested. Samples shall be stored in a secure and refrigerated atmosphere until tested or delivered to the testing lab.
- E. Upon request, an employee shall be entitled to the presence of a Union representative before testing is administered unless honoring the request will result in a delay of the testing process.

Section 16.6. Testing Procedure. The laboratory selected by the City to conduct the analysis must be experienced and capable of quality control, documentation, chain of custody, technical expertise, and demonstrated proficiency in urinalysis testing. The testing or processing phase shall consist of a two-step procedure.

- (i) Initial screening step, and
- (ii) Confirmation step.

The urine sample is first tested using a screening procedure (EMIT or an equivalent test). For a specimen testing positive, a confirmatory test employing the gas chromatography/mass spectrometry (GC/MS) test (or an equivalent test) will be used. An initial positive report will not be considered positive, rather it will be classified as confirmation pending. Where a positive report is received, urine specimens shall be maintained under secured storage for a period of not less than one (1) year. Any sample which has been adulterated or is shown to be a substance other than urine shall be reported as such. All test results shall be evaluated by suitable trained medical or scientific personnel prior to being reported. All unconfirmed positive test records shall be destroyed by the laboratory. Test results shall be treated with the same confidentiality as other employee medical records. Test results used as evidence for disciplinary action shall also be entitled to the same confidentiality. An employee who tests positive for drugs and or alcohol

will be given the opportunity to review the tests and, if desired, a reasonable opportunity to rebut the results.

Where urine samples have been taken, the two (2) samples will be preserved for a reasonable period of time and tested employees will have the opportunity to take one of these samples to a reputable physician or laboratory of their choosing for retesting.

Section 16.7. Disciplinary Action.

- A. **Drugs.** Employees who as a result of being drug tested are found to be using illegal drugs shall be subject to dismissal unless the employee agrees to participate in and satisfies the obligations of an approved treatment program supervised by the Medical Director and members of the Employees Assistance Unit.

An employee who agrees to participate and satisfies the obligations of this treatment program will be subject to discipline up to a three (3) day suspension (but is also subject to additional discipline for other rules violations). Any employee testing positive for illegal drugs for a second time shall be subject to termination.

Employees who are found to be abusing drug(s) which have been legally prescribed shall be subject to dismissal unless the employee agrees to participate in and satisfies the obligations of an approved treatment program. Any employee found for a second time to be abusing drugs which have been legally prescribed shall be subject to dismissal.

- B. **Alcohol.** An employee who tests positive for alcohol shall be subject to dismissal unless the employee agrees to participate in and satisfies the obligations of an approved treatment program supervised by the Medical Director and members of the Employees Assistance Unit.

An employee who agrees to participate and satisfies the obligations of this treatment program will be subject to discipline up to a three (3) day suspension (but is also subject to additional discipline for other rules violations). Any employee testing positive for alcohol for a second time shall be subject to termination.

- C. Refusal to submit to a drug/alcohol test, or adulteration of, or switching a sample shall also be grounds for dismissal.

Section 16.8. Right to Appeal. An employee disciplined as a result of a drug test has the right to challenge such discipline beginning at Step 4 of the grievance procedure.

Section 16.9. Voluntary Participation in a Dependency Program. Employees who may be drug/alcohol dependent are encouraged to voluntarily seek professional assistance through an approved treatment program, the Employee Assistance Program, and/or a program covered by the employee's health insurance plan. Voluntary assistance should be sought BEFORE the drug abuse affects job performance or endangers fellow employees or members of the public.

Participation in a dependency program is voluntary and strictly confidential. Neither the City administration, the Division of Police, nor any unit or entity within shall have access to the program's files and records. However, the Chief of Police or his designee shall be advised when an employee is hospitalized or is an outpatient as part of drug dependency rehabilitation. Also, upon written request of the participating employee, efforts at rehabilitation will be divulged on his behalf in cases of disciplinary action.

Section 16.10. Illegal drug use or alcohol misuse or participation in any substance abuse dependency or rehabilitation program will not preclude disciplinary action against employees for any law or rule violation even though such law or rule violation may have been connected in part with drug/alcohol abuse, and/or even if the rehabilitation program is voluntarily undertaken.

ARTICLE 17 **OVERTIME COMPENSATION/ DUTY HOURS**

Section 17.1. Overtime shall be defined as any work in excess of forty (40) hours in a workweek and paid in accordance with the FLSA.

Section 17.2. Overtime Rotation. Scheduled overtime shall be offered first, on a rotation basis, to the full-time members of the bargaining unit. In the event that no full-time member of that classification agrees to work the scheduled overtime, the opportunity for overtime may be filled by other employees.

Section 17.3. Call-In Time. An employee in an off duty status who is ordered to report for work and actually reports for duty shall be paid a minimum of two (2) hours or the actual time worked, whichever time frame is greater.

Section 17.6. Compensatory Time/Requests. The employee may take compensatory time (at the overtime rate) in lieu of overtime pay at the employee's option. All requests for compensatory time shall be subject to the approval of the Chief of Police, who may deny or limit such requests based upon operational needs, which includes but is not limited to maintaining adequate manpower, meeting scheduling needs, etc. Compensatory time requests must be submitted at least one (1) week in advance of the date requested, unless mutually agreed otherwise, and denials may not be made for the sole purpose of avoiding overtime. The parties agree that where an employee has been denied the usage of compensatory time, he shall be offered an alternative day for compensatory time usage within the next thirty (30) days for usage, be offered cash payment for the amount of hours denied, or the employee may withdraw his request for usage. The parties specifically agree that thirty (30) days constitutes a reasonable

time period for satisfying an alternative request for compensatory time usage under the Act. The parties acknowledge that the Employer retains all rights to manage the use of and administration of accumulated time under federal law.

Section 17.7. Compensatory Time Cashout. Employees with twelve (12) years or more seniority shall be afforded the ability to receive a cash payment or cash out of up to twenty percent (20%) of the employee's accrued compensatory time. Employees with less than twelve (12) years shall be afforded the ability to receive a cash payment or cash out of up to fifteen percent (15%). Such request will only be considered on an annual basis and must be submitted in writing to the office of the Chief of Police by November 1 of the calendar year preceding the request for conversion. Conversion payments shall be distributed in the form of a bi-weekly pay supplement during the year following the payment request.

Section 17.8. Work Period/Shift Duration/Workday. The regular, standard two-week work period shall be eighty (80) hours, scheduled in increments not less than eight (8) hours per day or more than ten (10) hours per day. For the purpose of all provisions of this Agreement, a work day is defined as a continuous eight (8) or ten (10) hours of time within the work period unless otherwise defined in this Agreement.

In the event of an emergency call-out being ordered for over a one (1) hour period, the employee shall be guaranteed a minimum of four (4) hours pay (in compensatory time) at the assigned duty rate which shall be duly recorded on a time sheet and approved by the superior dispatcher. This provision does not include holdover opportunities.

Section 17.10. Breaks/Lunch Periods. Subject to emergency, employees shall be entitled to two (2) paid fifteen (15) minute breaks and a paid half hour lunch break during each eight (8) hour shift, plus an additional paid half hour break for each additional four (4) hours worked.

ARTICLE 18 **SICK LEAVE**

Section 18.1. Usage. Sick leave shall be defined as an absence with pay necessitated by: 1) illness or injury to the employee or to a member of the employee's immediate family; and/or 2) exposure by the employee to a contagious disease that may be communicable to other employees. Immediate family is defined as spouse, parents, child, step-child, or other person for whom the employee is the legal guardian/in loco-parentis for purposes of this article.

Section 18.2. Accrual. All full-time employees shall earn sick leave at the rate of four and six-tenths (4.6) hours for every eighty (80) hours worked, excluding overtime, and may accumulate such sick leave hours to an unlimited amount.

Section 18.3. Notification. An employee who is to be absent on sick leave shall notify the supervisor of such absence and the reason therefor at least two (2) hours before the start of his work shift each day an absence occurs, unless there is an emergency.

Section 18.4. Documentation. Before an absence may be charged against accumulated sick leave, the Employer may require such proof of illness, injury, or death as may be satisfactory to him, or may require the employee to be examined by a physician designated by the Department Head and paid by the Employer. In any event, an employee absent for more than three (3) consecutive days must supply a physician's report to be eligible for paid sick leave.

Section 18.5. If the employee fails to submit adequate proof of illness, injury, or in the event that such proof as is submitted or upon the report of medical examination, the Employer finds there is not satisfactory evidence of illness, and/or injury sufficient to justify the employee's absence, such leave may be considered an unauthorized unpaid leave.

Section 18.6. Excessive Usage/Patterned Absence. Any abuse of sick leave or any pattern of sick leave use shall be just and sufficient cause for discipline as may be determined by the Chief of Police.

Section 18.7. Employer Required Examinations. The Chief of Police may require an employee who has been absent due to personal illness or injury, prior to return to duty, to be examined by a physician designated and paid by the City. Additionally, if the Employer has a reasonable basis for believing that an employee is no longer mentally or physically capable of performing the essential functions of his position, or poses a threat to himself or others, the Employer may order an examination by an appropriately qualified medical professional, at the Employer's expense. Upon receipt of the medical professional's opinion on fitness for duty, the Employer, the Union, and the employee will meet to discuss possible alternatives and/or accommodations. If no alternative or accommodation is mutually agreeable, then the employee will be placed on sick leave, FMLA, disability leave or disability separation.

ARTICLE 19 **ON-DUTY INJURY LEAVE**

- C. The employee shall be charged sick leave for the first three (3) work days which he misses due to the accident. Beginning with the fourth (4th) work and continuing for a maximum of ninety (90) calendar days from the date of the accident, the employee shall be paid his regular salary during the period of line-of-duty injury leave; notwithstanding this limitation, the City reserves the sole right to extend such injury leave on a case by case basis; and

- D. Furnish the City Human Resource Director with a signed City of East Cleveland Authorization(s) to Release Medical Information relevant to the claim.
- E. Provide a medical certification and seek treatment from a physician on the list of Employer approved providers opining that the claimant is disabled from employment in excess of three (3) consecutive work days as a result of the work-related injury and specifying the injury, recommended treatment, and the employee's inability to return to work as a result of the injury along with an estimated return to work date.
- F. This leave shall terminate no later than ninety (90) calendar days after the beginning of the leave or at such earlier time as follows:

Section 19.5. The Employer shall have the right to require the employee to have a physical exam by a physician appointed and paid by the Employer. The physician should provide certification which indicates the employee is unable to work due to the injury. The physician's certification is a condition precedent to the employee receiving any benefits under this article. The designated physician's opinion shall govern whether the employee is actually disabled.

Section 19.6. Light Duty/Transitional Work after IOD Period. An employee incapable of returning to work beyond the ninety (90) day IOD period shall use accumulated sick leave or any other accumulated paid leave prior to going on an unpaid leave. Should the employee not have any accumulated paid leave available, the employee may apply for lost wages and benefits through the Bureau of Workers' Compensation. Additionally, the Employer, at its discretion,

may require the employee to submit to a fitness for duty exam to ascertain whether or not a light duty/transitional position may be available. Should a fitness for duty exam determine that the employee is capable of performing in a light duty capacity, and the Employer determine that it wishes to offer a light duty position, an offer of light duty may be made to the employee. The light duty position will be compensated at seventy percent (70%) of the employee's regular hourly rate. It is within the employee's sole discretion whether or not he wishes to accept the Employer's offer of light duty. Nothing in this article shall obligate the Employer to offer or create a light duty position for an employee who is unable to return to work after the ninety (90) day period. The light duty assignment shall end when the employee's physician certifies that he/she is capable of performing the normal duties of the original position.
