**ARTICLE 3**  
**MANAGEMENT RIGHTS**

6. Except as specifically limited herein, all rights are reserved to and remain vested in the City, including, but not limited to the sole right to:

- A. Determine matters of inherent managerial policy which include, but are not limited to, areas of discretion of policy such as the functions and programs of the City, standard of services, its overall budget, utilization of technology and organizational structure.
- B. Direct, supervise and evaluate or hire employees, and to determine when and under what circumstances a vacancy exists.
- C. Maintain and improve the efficiency and effectiveness of City operations and to require employees to use or refrain from using specified uniforms or other tools of duty.
- D. Determine the overall methods, process, means, or personnel by which City operations are to be conducted.
- E. The City shall have the right to privatize or subcontract services. Upon request, the City will provide detailed information to the Union regarding privatization/subcontracting which entails bargaining unit work. Where the Union identifies a significant increase in such privatization/subcontracting, the Union may request a meeting with the City and the City shall meet for the purpose of discussing alternatives to privatization/subcontracting. However, for subcontracting which would result in the direct layoff of employees, the City shall follow the following process: Sixty-five (65) calendar days prior to any subcontracting the City shall meet and confer with the Union on no less than a weekly basis and the City will disclosed the nature and costs of the proposed contract. Where the City's primary objective is to achieve financial economy, improved operating efficiency, and/or better quality of service, the Union shall have the right to make an offer of a competitive alternative. If that alternative yields financial savings, improved operating efficiency, and/or better quality of service genuinely equivalent to or greater than those the City can achieve through subcontracting, the City will accept the Union's alternative.

Should employees be subject to layoff as a result of the decision to subcontract, the City will make a good faith effort to assign those employees to vacant positions for which they are qualified or can be trained to become qualified within a reasonable period of time.

The City and the Union agree that if there is a disagreement regarding the above, including over the true value of the Union's competitive alternative (financial savings, improved efficiency, quality of service), the Union will have the right to submit the issue of whether or not the Union's alternative "genuinely" meets or exceeds the City's objective to final and binding arbitration by requesting arbitration with the American Arbitration Association within fourteen (14) days of the expiration of the 65-day meet and confer period.

- F. Suspend, discipline, demote, or discharge for just cause, or lay off, transfer, assign, schedule, promote or retain employees.
- G. Determine the adequacy of the work force.
- H. Determine the overall mission of the City.
- I. Manage the work force.
- J. Take actions to carry out the mission of the public employer as a governmental unit.
- K. The City shall staff the recycling tipper trucks and waste tipper trucks with no less than one (1) Waste Collector and the manual trucks with no less than two (2) Waste Collectors. Additional staffing on any truck shall be assigned to Waste Collectors. Any Waste Collector displaced from a waste collection truck as a result of the City's use of tipper, recycling or automated trucks shall be reassigned to other duties within the job classification. If no assignments are available, the Waste Collector shall be reassigned to another job classification within the bargaining unit or laid off. Employees laid off under these circumstances shall maintain recall rights for 36 months.

7. Notwithstanding Section 4117.08 of the Ohio Revised Code, the City is not required to bargain on any subjects — including, but not limited to, those enumerated above — reserved to and retained by the City under this Article. Therefore, the Union agrees that during the life of this Agreement, the City shall have no obligation to bargain collectively with respect to the exercise of any rights reserved to and retained by it pursuant to either Section 4117.08(C) of the Revised Code or pursuant to this Agreement.

**ARTICLE 4**  
**UNION RIGHTS**

8. It shall not be a violation of this Contract and it shall not be a cause for discharge or disciplinary action if any employee refuses to go through or work behind any lawful primary picket line, or refuses to do work normally done by primary striking members of another union, except that the City shall not be required to pay the wages of any such employees. Provided, that in no case shall any employees refuse to do any work, regardless of the existence of a lawful primary labor dispute, if, in the City's judgment, such refusal would be detrimental to the public health or safety unless the City cannot provide for the personal safety of the employees.

9. Any alleged violation of Union rights is subject to immediate review through the Grievance Procedure by submission at Step 3 of that Procedure.

**ARTICLE 5**  
**NO-STRIKE**

10. The Union shall not, directly or indirectly, call, sanction, encourage, finance, and/or assist in any way, nor shall any employee instigate or participate, directly, or indirectly, in any strike. For the purposes of this section, "strike" means concerted action in failing to report to duty; willful absence from one's position; stoppage of work; slowdown or abstinence in whole or in part from the full, faithful, and proper performance of the duties of employment for the purpose of inducing, influencing, or coercing a change in wages, hours, terms, and conditions of employment for the duration of this Contract or any extension thereof.

11. Violations of this paragraph may constitute an unfair labor practice as determined and remediable by the State Employment Relations Board. In the event an unfair labor practice is determined by the State Employment Relations Board, the City will not subsequently impose discipline except as recommended by the State Employment Relations Board.

12. It is understood that all orders of City supervisors shall be complied with during the period when a dispute is being processed through the Grievance Procedure, provided, that no employee shall be required to obey an order which would jeopardize his life or cause bodily injury.

13. The City shall not lock out any employees for the duration of this Contract.

**ARTICLE 6**  
**NON-DISCRIMINATION**

14. The City and the Union hereby state their commitments, legal and moral, not to discriminate in any manner relating to employment or representation on the basis of race, color, creed, national origin, sex, disability or age.

**ARTICLE 7**  
**UNION SECURITY**

15. It has been determined that at least eighty-five percent (85%) of the eligible employees in the bargaining unit of Local 1099 are members of the Union. Therefore, the City agrees that all employees in the Union's bargaining unit shall thereafter be either members of the Union or be required to pay a fair share fee (and so notified by the Union) to the Union as a condition of continued employment in accordance with the terms of ORC §4117.09(c). As provided by that statute, such fair share fee requirement shall not be effective until the completion of the probationary period. The Union shall provide the City with thirty (30) days' advance notification of any change in the fair share amount. It is further provided that an employee who has completed his/her probationary period and is not a member of Local 1099 as of October 1, 1983, and who does not become a member of the Union by March 31, 1984, shall not be required to pay the fair share fee under this provision for the term of this Contract.

16. The City will deduct regular initiation fees and monthly dues from pay of the employees in the bargaining unit covered by this contract upon receipt from the Union of individual written authorization cards voluntarily executed by an employee for that purpose and bearing his signature. Provided that:

- A. An employee shall have the right to revoke such authorization by giving written notice to the City and the Union within thirty (30) days of the termination of this Contract. Said employee shall automatically be placed under the Fair Share provisions of this provision.
- B. The City's obligation to make deductions shall terminate automatically upon timely receipt of revocation of authorization or upon termination of employment or transfer to a job classification outside the bargaining unit.

17. All deductions shall be made during the second pay period of each month, but if an employee's pay for that period is insufficient to cover Union dues, the City will make a deduction from the pay earned during the next pay period.

18. All deductions accompanied by an alphabetical list of all employees for whom deductions have been made shall be transmitted to the Union no later than the fifteenth (15th) day following the end of the pay period in which the deduction is made, and upon receipt, the Union shall assume full responsibility for the dispositions of all funds deducted. The City shall place back on check off those employees who return to the active payroll from a leave of absence, layoff or suspension, or who are transferred from one Division to another Division.

19. The Union will indemnify and save the City harmless from any action growing out of deductions hereunder and commenced by an employee against the City (or the City and the Union jointly).

**ARTICLE 8**  
**UNION REPRESENTATION**

20. The City recognizes the right of the Union to select local officers or stewards to represent employees on grievances arising under this Contract as follows:

21. The alternate steward shall act as steward when the steward is absent from work. It is the responsibility of the Union to have a steward or alternate steward assigned to each work location. A local Union officer may act when necessary in place of a steward. Local officers and stewards shall not be transferred from their respective divisions or work locations during their term of office except upon mutual agreement between the City and the Union, provided the Union has appointed its representatives as described in this Article. The Union will provide, on a divisional basis, a list of local officers, stewards, and alternate stewards in the month of January, annually. The Union will notify the City of any changes in such lists.

22. A steward or alternate steward or local officer shall be permitted to investigate and process grievances and attend meetings provided for in the grievance procedure without loss of regular straight-time pay. Such activity will be with proper regard for the City's operational needs and work requirements, and will be permitted only to the extent that such activity does not disrupt or interfere with the efficient operations of the City. All such activity will be with prior permission of an employee's supervisor and shall be logged on forms provided by the City for that purpose.

23. It is the mutual responsibility of the City and the Union to cooperate in good faith in providing a fair and timely grievance procedure.

24. The City shall assign the Union's principal officer (i.e., Business Manager) to perform on a full-time basis, duties related to the administration of the parties' Labor Contract in handling matters of mutual concern to the Employer and Union. It is understood that this individual shall be included in the Union's bargaining committee for which the Employer shall grant time away from duty while participating in collective bargaining.

25. The City shall assign the Union's Secretary Treasurer to perform on a part-time basis (two days each week: Tuesday and Thursday), duties related to the administration of the parties' Labor Contract and handling matters of mutual concern of Employer and Union. This individual shall be included in the Union's bargaining committee for which the Employer shall grant time away from duty while participating in collective bargaining.

26. Union members of the bargaining committee shall not lose any regular straight time pay for time off the job while attending a negotiation proceeding with the City of Cleveland.

**ARTICLE 9**  
**UNION VISITATION**

27. The representative of Local 1099 shall be admitted to the City's facilities and sites during working hours upon reasonable advance notice to the appropriate Appointing Authority or his office. Such visitations shall be for the purpose of ascertaining whether or not this Contract is being observed by the parties, to participate in the adjustment of grievances or to attend other meetings as provided herein. At no time shall such visitation rights interfere with the work requirements of any employee or disrupt operations in any way, unless expressly permitted by the City.

28. Stewards shall process grievances with proper regard for the City's operational needs and work requirements, and shall cooperate in good faith with the City in keeping to a minimum the time lost from work due to grievance handling. If any steward fails or refuses to comply with this requirement, the City retains the right to impose disciplinary action.

29. A Union steward will work when three (3) or more members of the Union are working, provided the Union has appointed its representatives as described in Article VIII.

**ARTICLE 10**  
**BULLETIN BOARD**

30. The City shall provide the Union with a bulletin board at mutually selected locations.

Provided that:

- A. No notice or other writing may contain anything political or critical of the City or any City official, or any other institution, or any employee or other person;
- B. All notices or other materials posted on the bulletin board must be signed by the President or Chief Steward of the Union or an official representative of the Union.
- C. Upon request from the appropriate Commissioner or his designee, the Union will immediately remove any notice or other writing that the City believes violates this paragraph, but the Union shall have the right to grieve such action through the Grievance Procedure.

**ARTICLE 11**  
**PROBATIONARY PERIOD**

31. Effective January 1, 2002, new employees shall be on a one hundred eighty (180) day probationary period per classification unless the employee is transferred to another division as a result of a certification. The probationary period can be extended an additional thirty (30) calendar days by mutual agreement between the City and the Union. During the initial probationary period, the City shall have the sole right to discipline or terminate a new employee provided such action shall not be subject to review under the grievance procedure. No probationary period shall be extended without mutual written agreement of the parties.

32. The City will provide timely 30, 60, 90 and 120, 150, and 180-day evaluations and have employees sign for receipt or indicate refusal to sign. If an employee is discharged or quits and is later rehired, he shall be considered a new employee and subject to the provisions of the preceding paragraph. Probationary employees may not file grievances protesting discharge/termination during the employee's probationary period.

**ARTICLE 12**  
**SENIORITY**

33. Job classification seniority is defined as an employee's length of service while holding the same classification, whether legal or T.A., for job bidding, shift preference, and vacation. City employment seniority shall be defined as an employee's continuous length of service, effective from his date of hire. The type of seniority applied depends upon the question involved as governed by the provisions of this Contract. An employee shall have no seniority for the initial probationary period, but upon completion of the probationary period, seniority shall be retroactive to the date of hire.

34. Seniority shall be broken (or terminated) when an employee:

- A. Quits or resigns;
- B. Is discharged for just cause;
- C. Is laid off for a period of more than twenty-four (24) consecutive months;
- D. Is absent without leave for five (5) consecutive working days and fails to give proper excuse or notice of the reasons for such absence unless the failure to give notice was beyond the reasonable control of the employee; or
- E. Fails to report for work when recalled from layoff within ten (10) working days from the date on which the City sends the employee notice by certified mail (to the employee's last known address as shown on the City's record).

35. The City will provide the Union with a seniority list of all employees within the bargaining unit twice a year. The seniority list shall contain the name, job classification, department, rate of pay, address and date of classification entry of all employees in the bargaining unit upon request of the Union. The City shall furnish a monthly list to the Union showing name, social security number, address, date of hire, job classification, seniority date, and division of new bargaining unit employees.

36. It is the obligation of each employee to keep the City advised of his current address and telephone number and, for purposes of this Contract, the City may rely on the last address and telephone number supplied by an employee. The Department of Personnel and Human Resources will provide the Union with a monthly list of newly hired full time and seasonal employees each month.

37. An original appointment is the first appointment (hire) of an employee in the classified Civil Service of the City of Cleveland. The appointment shall be any appointment made from an eligible list, created as a result of either a competitive or non-competitive entrance examination, or by the registration of the unskilled labor class. Original appointment shall include all appointments made into the classified service of the City, including regular and temporary appointments, but shall not include the promotional appointment of a City employee pursuant to procedures contained in this collective bargaining agreement.

38. A part-time employee who moves to a full-time position in the same classification shall receive pro-rata job classification seniority and City seniority credit for all time worked as a part-time employee. A part-time employee who moves to a full-time position in a different classification will receive pro-rata City seniority credit for all time worked as a part-time employee. Seniority credited on this basis shall apply only in the case of promotions and/or transfers.

### ARTICLE 13 LAYOFFS

39. Whenever it is necessary to reduce the working force of the City, either for lack of work or lack of funds, employees shall be laid off based upon seniority within the affected classification within their division in the following order:

- A. Seasonal and Part-Time Employees;

- B. Civil Service Temporary Appointment;
- C. Certified employees who have not completed their probationary period;
- D. Certified employees who have completed their probationary period.

40. Before any full-time bargaining unit employee is given notice of layoff, the City and Union will meet for the purpose of attempting to find an available job within the City, within the bargaining unit, which the affected employee is qualified to perform. If any such job is available, the employee will be given the option of accepting said job rather than being laid off. Layoffs shall be in the inverse order of seniority.

41. Employees shall be recalled in the reverse order of layoff. An employee on layoff will be given ten (10) working days' notice of recall from the date on which the City sends the recall notice to the employee by registered mail (to his last known address as shown on the City's records). An employee who is recalled, but refuses the job, shall be removed from the layoff list and shall forfeit all seniority rights, including recall rights.

42. Regular full-time employees shall be given a minimum of ten (10) calendar days' advance written notice of layoff indicating the circumstances which make the layoff necessary. Exceptions to the above will be provided for by mutual consent between the City and the Union.

43. In the event an employee is laid off, he may, upon request, receive payment for earned but unused vacation as quickly as possible, but not later than ten (10) days after the layoff.

44. The City shall not assign or transfer bargaining unit work to a non-bargaining unit employee or to a volunteer without prior agreement while a bargaining unit employee who is capable of performing the required work is on layoff.

**ARTICLE 14**  
**LEAVES OF ABSENCE — GENERAL LEAVE**

45. To the extent any leave of absence is granted under this section, all such leaves of absence (and any extensions thereof) must be applied for and granted or denied, in writing, on forms to be provided by the City. An employee may, upon request, return to work prior to the expiration of any leave of absence if such early return is agreed to by the City. When an employee returns to work after a leave of absence, he will be assigned to the position which he formerly occupied or to a similar position if his former position is not vacant or no longer exists. If the job to which he is assigned pays a higher rate of pay, he shall receive this rate under Article II Employee Starting Rates.

46. If it is found that a leave of absence is not actually being used for the purpose for which it was granted, the employee may be disciplined up to and including discharge.

47. An employee who fails to report to work at the expiration or cancellation of a leave of absence or fails to secure an extension of such leave shall be deemed to be absent without leave and shall be subject to loss of seniority and/or discipline.

**ARTICLE 15**  
**FUNERAL LEAVE**

48. An employee will be granted a leave of absence with pay to be charged against his accumulated sick leave with pay, in the event of the death of his spouse, mother, father, grandparents, grandchildren or person who has been in loco parentis to the employee, mother-in-law, father-in-law, child, brother, or sister, as follows:

- A. If the funeral is within Ohio — five (5) working days.
- B. If the funeral is outside the State of Ohio — seven (7) working days.
- C. To be eligible for funeral leave, an employee must provide the City with a funeral form and must attend the funeral, and the failure to do so, or a misrepresentation of facts related to a funeral leave, shall be proper cause for disciplinary action

(including forfeiture of pay for the leave). Falsification of funeral leave can lead to discipline up to and including discharge.

**ARTICLE 16**  
**COURT LEAVE**

49. An employee called for jury duty or subpoenaed as a witness shall be granted a leave of absence with pay for the period of jury or witness service, as provided herein:

- 50. A. An employee must present verification of his call to jury duty or witness duty;
- B. If a witness, that his testimony was within the scope of his employment for the City and not of a personal nature; and
- C. Turn in the amount received as a jury or witness fee to the City Treasurer in order to receive his regular pay for this time period.

51. An employee who is required to appear in court for reasons outside the scope of his employment, other than jury duty, shall be granted vacation time or an excused absence (non-paid) provided that:

Documentation is provided either in the form of a subpoena or a letter from a participating attorney, and the request for an excused absence (non-paid) or vacation time is made to the appropriate supervisory person at least twenty-four (24) hours in advance.

**ARTICLE 17**  
**MILITARY LEAVE**

52. An employee shall be granted an extended leave of absence without pay for military duty in accordance with state and federal law and, after discharge, shall be restored to employment with the City upon request, in accordance with state and federal law.

53. Employees who are drafted or who enlist in the United States Armed Forces shall be granted a one (1) day leave of absence with pay for the purpose of taking a military physical. Upon return from military leave, an employee will be reinstated at the current applicable rate of his job classification in accordance with law and the provisions as set forth herein.

54. A non-probationary employee of the City who is temporarily called to active duty (e.g., summer training), shall be granted a leave of absence for the duration of such active duty and shall be paid the difference between his/her regular pay and his/her service pay, upon the City's receipt of a service pay voucher, for a period not to exceed thirty-one (31) days in any calendar year and, further, shall accumulate vacation and sick leave with pay credit during the period of such leave.

55. Any non-probationary employee who is entitled to the leave and who is called to military duty for a period in excess of thirty-one (31) days in any one calendar year, for each calendar year in which military duty is performed because of an Executive Order issued by the President of the United States or an Act of Congress is entitled, during the period designated in the Order or Act, to a leave of absence and to be paid, during each month of that period, the lesser of the following:

- A. The difference between his/her gross monthly wage or salary as an employee and the sum of his/her gross military pay and allowances received that month; or
- B. Five hundred dollars.

56. The employee shall not receive payments under this paragraph if the sum of his/her gross military pay and allowances received in a month exceeds his/her gross monthly wage or salary as an employee or if the permanent public employee is receiving his/her pay as described above.

57. Employees on military leave who thereafter return to employment with the City shall receive retirement and longevity credit for all time spent in active military service.

**ARTICLE 18**  
**UNION LEAVE**

58. At the request of the Union, a leave of absence without pay shall be granted to any employee selected for a Union office, employed by the Union, or required to attend a Union

convention or perform any other function on behalf of the Union necessitating a suspension of active employment, as follows:

- A. Any request for leave must be made at least five (5) days prior to the date of such leave. However, any request for a leave of thirty (30) days or more must be made at least thirty (30) days prior to the date of such leave.
- B. Any Union leave shall not extend beyond one (1) year.
- C. The approval and authorization of any Union leave shall be contingent upon operational needs as determined by Management.

59. An employee elected to a full-time Union office shall be granted a leave of absence for the full term of such office.

**ARTICLE 19**  
**EDUCATION LEAVE**

60. An employee may be granted a leave of absence without pay for educational purposes relating to the operations of the City. However, such leaves will be granted only upon reasonable notice to the City and if the leave is job related.

**ARTICLE 20**  
**MERITORIOUS LEAVE**

61. For those employees who have completed their probationary period, personal leaves of absence may be granted without pay for good cause shown for a period not to exceed six (6) months. The granting of such leaves will be based upon the operational need of the employee's department.

**ARTICLE 21**  
**SICK LEAVE WITHOUT PAY**

62. Effective January 1, 2002, after an employee has exhausted his sick leave with pay, he or she shall be granted a leave of absence without pay for a period not to exceed six (6) months because of personal illness, injury or pregnancy (including postpartum recovery periods), upon request, supported by medical evidence satisfactory to the City if the employee has reported such

illness, injury, or pregnancy (including postpartum recovery period), to his or her department head or immediate supervisor by no later than the second day of absence. If the illness, injury or pregnancy (including postpartum recovery period), continues beyond six (6) months, the City may grant additional sick leave under this paragraph upon request. An employee on sick leave is expected to keep the City informed on the progress of his or her illness, injury or pregnancy (including postpartum recovery period), as circumstances allow. Any employee who has been on sick leave beyond three (3) consecutive workdays may be required to submit to and pass a physical examination before being permitted to return to work.

**ARTICLE 22**  
**SICK LEAVE WITH PAY**

63. Effective January 1, 2002, all regular full-time employees shall be credited with paid sick leave at the rate of ten (10) hours per month or fifteen (15) workdays per year. Employees shall be permitted to take sick time only in increments of one (1) hour. Unused paid sick leave has been cumulative in accordance with the provisions of the Memorandum of October, 1972, and sick leave shall continue to accumulate without limitations.

- B. Paid sick leave will be credited, but cannot be used until the employee has satisfactorily completed his initial probationary period with the City.
- C. No paid sick leave shall be granted unless the division authority designated by the City is notified of the sickness no later than one (1) hour prior to the employee's scheduled starting time for employees assigned to a crew, and no later than before the employee's starting time for all other employees, on the first day of the absence on account of sickness. Absences not reported as stated above may be excused by his employer if the appointing authority or his designee determine that there were unusual circumstances which were beyond the employee's control. An employee is required to either call in on each day off or he may notify the City of the tentative length of his absence.

- D. A certificate from a licensed physician shall be required immediately upon returning to work for any sickness from an employee who has been so notified in writing that he has demonstrated a patterned abuse over the preceding months or after any illness requiring hospitalization. The certificate must include: re-employment date, work capable of being performed, all restrictions. An employee shall be required to bring a doctor's certificate for any sickness beyond three (3) days.

The validity of all medical excuses and physician's certificates is subject to review by the City. Any reviews or medical examinations by the City shall be done on City time.

- E. Upon retirement or death, an employee, or his legal representative, shall have the right to convert his accumulated paid sick leave into cash at the rate of one (1) day's pay for each three (3) days of unused accumulated paid sick leave. - G. An employee who is hurt on the job shall have the option of using his paid sick leave, workmen's compensation, sick leave without pay, or his vacation, whichever he prefers. Upon exercising the option to take paid sick leave under this subsection, such absence shall not be charged to sick/absence abuse if the employee provides proper documentation. An employee who elects to take sick leave without pay under this section shall not be required to exhaust the employee's unused accumulated sick leave time prior to taking such leave.
- H. An employee shall be granted paid sick leave for childbirth and/or disability arising out of that condition on the same basis as any other sick leave provided that the City may require the employees to furnish a physician's certification as to when such leave shall commence and when the medical disability is ended.
- I. Family and Medical Leave Act. The City shall comply with all provisions of the Family and Medical Leave Act. However, any leave provisions under this Agreement which are more beneficial than the leave provisions under the FMLA shall remain in effect. As appropriate, the City will designate an employee's use of paid and unpaid time as Family Medical Leave consistent with the Family and Medical Leave Act, and with the City's current Sick Leave and Leave of Absence Policies.

64. Employees who are not on an absence abuse list shall be entitled to voluntarily contribute earned but unused, accumulated paid sick leave for the use of another bargaining unit employee who has a serious medical condition, who must have exhausted his own sick leave, vacation and

personal leave and who also must not be on the absence abuse list at the time of the agreement.

The following conditions shall apply:

The employee so contributing his paid sick leave shall have such contributed time deducted from his accumulated sick leave balance.
- B. Any agreement to contribute must be in writing and signed by the contributing employee and his union representative and subject to final approval by the City's Office of Labor Relations. A copy of the agreement will be placed in each employee's file.

69. In the event a new classification is established by the City which the Union believes is related to an existing classification in the bargaining unit, the Union will notify the City in writing and request a meeting. The Union shall bear the burden of proof at said meeting. If an agreement cannot be reached, the matter may be submitted to arbitration for the purpose of determining a rate of pay.

70. In the event the name of a classification in the bargaining unit is changed and the work duties remain substantially unchanged, the City will promptly notify the Union of said change.

71. If a substantial change in a job or position occurs, the City will provide the Union with written notice of the proposed changes and will meet with the Union to discuss said changes upon request. The Union, at this meeting, must demonstrate a significant change as it relates to the skill level now required of the existing classification which would warrant an increase in pay. If the City agrees, a new rate shall be agreed to. If an agreement cannot be reached, the matter may be submitted to arbitration for the purpose of determining a rate of pay.

72. Prior to the broad banding, consolidation or abolition of classifications within the bargaining unit, the City Personnel Director shall meet with the Union for discussion of issues of mutual interest arising out of such action.

73. Upon request of the Union, the City shall provide to the Union the current job description, including minimum qualifications as established by Civil Service and any special requirements reasonably related to the job being performed for all classifications in the bargaining unit. Whenever a change occurs in the description of any such job, the City agrees to provide the Union with a copy of the newly revised job description before it is put into effect. An employee whose job description has been changed shall also be provided a copy of the newly revised job description before it is put into effect.

**ARTICLE 25**  
**PROMOTIONS AND TRANSFERS**

74. A promotion is defined as an advancement to a classification whose top of pay band is higher than his former title, accompanied by increased duties and/or responsibilities. The bid notice shall contain: the classification, job description, minimum qualifications as determined by the City, shift and salary or pay band. Only when the qualifications of two (2) or more applicants are equal will the position

be awarded on the basis of seniority. All determinations regarding qualifications remain within the sole discretion of the City. Ten (10) working days thereafter, a notice shall be posted stating who, if anyone, has been awarded the position and a copy of this notice sent to the Union at the time of posting. The City reserves the right, as operational needs and conditions

require, to establish and change hours of work and schedules of hours. Before a change takes place, the City will consult with the Union. If the Union is not satisfied with the discussion, it may appeal the decision prior to the implementation of said change directly to the Mayor's Executive Secretary.

When overtime is required, the City shall offer the available overtime to employees within the same classification within the same division, in accordance with their seniority. All non-emergency overtime shall be voluntary and an employee will be excused for a personal emergency if a replacement can be obtained in time to meet the City's emergency. The City may also use supervisors to perform overtime bargaining unit work in emergencies, for instructional purposes, or when all available bargaining unit members refuse such overtime. For the purpose of this paragraph, an emergency is defined as any impairment to City services or operations which cannot be delayed until the beginning of the next regular workday. Before any temporary, part-time or seasonal bargaining unit employee is offered or assigned overtime work, all full-time employees in the same classification in the same work location must first have been offered the overtime opportunity to perform the bargaining unit work. Before any employee outside the bargaining unit is offered available overtime while working under temporary transfer status in a bargaining unit position, such overtime shall be offered to all full-time bargaining unit employees first, then to all temporary, part-time or seasonal bargaining unit employees, if applicable. When this procedure has been exhausted, only then may the City assign non-bargaining unit employees to perform the required work.

86. The City shall equalize all overtime among employees within the same classification within the same division and operational work location/unit, in accordance with job classification seniority on a continuing basis. Employees who are offered overtime and for any reason refuse or fail to work the overtime shall be credited as if they had worked the overtime for the purpose of overtime distribution. If a situation exists where overtime must be performed and all the

An emergency is defined as an impairment to City services or operations which cannot be delayed until the beginning of the next regular workday, and declared by a Director, which will be subsequently confirmed in writing. However, an employee may be excused from contiguous overtime or emergency overtime, provided a replacement can be obtained in time to meet the City's emergency.

98. Overtime shall be equalized on a continuing basis. The City shall credit employees for all overtime hours worked and/or for all overtime hours offered for which employees have declined or failed to work for any reason. Employees who are on an approved leave of absence

If the employee does not make a written request for payment of the longevity pay at the time of taking vacation, the longevity pay will be paid on or before March 31 of each year in accordance with the general City schedule.

103. Full-time employees who share dual classifications, one of which is not compensable for longevity, and one which is, will be entitled to pro-rated longevity payments, as long as the employee works in a non-craft title between January 1 and March 1 of that year.

104. Crafts classification time is not to be used in determining the amount of payment; therefore, an employee must work the required years in qualifying positions to be eligible for any payments.

The two-day advance request requirement may be waived, based on City discretion, in the event of an employee's emergency situation. If the operating needs of the department cannot be met because there are too many requests for a specific day, or for any other reason, the requests will be considered and approved in accordance with seniority guidelines. A new hire cannot use a floating holiday during his probationary period.

123. All regular full-time employees and dependents will be covered for Dental Care.

**ARTICLE 39**  
**VISION INSURANCE**

124. The City shall issue a request for proposals to provide a vision care benefit for all employees. The City shall begin this process as soon as practicable.

**ARTICLE 40**  
**AUTO INSURANCE RIDER**

125. An employee using a City vehicle either to and from work or after work hours will be required to carry an insurance rider on his personal policy.

**ARTICLE 41**  
**PAY DAY**

126. The City shall regularly pay all employees every other week, on either Wednesday, Thursday, or Friday. If the pay day falls on a holiday, the City will pay all employees the day before the holiday.

- A. Employees may elect to be paid either by direct deposit or payroll debit card as authorized by the employee, hand delivery (being issued the paycheck at the work site) during their work shift, or by direct mail.
- B. Employees who receive a paycheck by hand delivery, who are not scheduled to work on the date of the issuance of the paycheck, will make arrangements through the Supervisor and/or Timekeeper to properly receive their paycheck.
- C. City time is not to be used for cashing a paycheck.
- D. The City will process any paycheck error of \$100 or more within three (3) working days, if possible.
- E. The City will notify the Union of any changes in the above provisions five (5) days in advance of such a change.
- F. Wage increases shall be effective: (a) At the beginning of the pay period, if April 1<sup>st</sup> falls in the first week of the pay period; or (b) At the beginning of the next pay period, if April 1<sup>st</sup> falls in the second week of the pay period.

**ARTICLE 42**  
**DISCIPLINE**

127. Discipline is defined as any verbal or written warning, suspension, or demotion for just cause. Whenever the City determines that an employee may be subject to discipline, a pre-disciplinary conference will be scheduled to afford the employee an opportunity to offer an explanation of the alleged conduct, inclusive of oral and/or written testimony. The City shall notify the affected employee and his/her Union representative of the day and time of the conference and the incident for which discipline is being considered. The employee's Union representative shall be present at the pre-disciplinary conference unless otherwise agreed between the City and said employee and his representative. Any such agreement shall be reduced to writing, signed by both parties and submitted to the City for the record. An employee may also elect, in writing, to waive the opportunity for a pre-disciplinary conference.

128. At least five (5) working days prior to meetings of the Accident Review Committee, the City shall provide the Union with the names of any bargaining unit members whose accidents are being reviewed at that meeting and copies of any reports or statements regarding the accident.

129. An employee who is disciplined must be disciplined within five (5) working days of the event(s) upon which the discipline is based, or within a reasonable time from the date the City had knowledge of said event(s). In the case of suspension or discharge, the employee shall be advised of his/her right to have his/her Union representative present and, upon request, will be permitted to discuss his/her suspension or discharge with the Union representative in an area made available by the City before he/she is required to leave the premises. If a Steward is being disciplined, he/she has the right to be represented by a Union Official.

130. Both the employee and the Union President shall be given a copy of any warning, reprimand or other disciplinary action entered on the employee's personnel records within

five (5) working days of the action taken. Any employee who has been disciplined by suspension or discharge will be given a written statement describing in detail the reason(s) for which he has been suspended or discharged. In the case of suspension, the employee will be advised of the duration of the suspension.

131. Any suspension shall be for a specific number of consecutive days on which the employee would regularly be scheduled to work. Holidays occurring during a period of suspension shall be counted as work days for the purpose of the suspension only.

132. All employees are obligated to report convictions for DUI or drug related offenses, and failure to report may result in immediate discharge.

133. The City may discharge an employee for serious misconduct, including, but not limited to, the following:

- (a) theft of City property;
- (b) conviction of an offense involving the sale of drugs;
- (c) for employee regularly scheduled to drive a City vehicle, two DUI convictions within a two-year period.

#### **ARTICLE 43** **GRIEVANCE PROCEDURE**

134. It is mutually agreed that the prompt adjustment of grievances is desirable in the interest of sound relations between the employees and the City. The prompt and fair disposition of grievances involves important and equal obligations and responsibilities, both joint and independent, on the part of the representatives of each party to protect and preserve the Grievance Procedure as an orderly means of resolving grievances. It is the intent of the City and the Union to share information pertaining to grievances at all steps of the Grievance Procedure.

135. A grievance is defined as a dispute or difference between the City and employee(s) or the City and the Union concerning the interpretation and/or application of and/or compliance with any provision(s) of this Contract, including any and all disciplinary actions. A Group Grievance is a grievance filed by a group of employees relating to a single common issue or event covered by this Contract. A Policy Grievance is a grievance filed by the Union relating to a single common issue or event covered by this Contract. The grievance form shall set forth the complete details of the grievance, (i.e., the facts upon which it is based, the paragraph(s) allegedly being violated, the approximate time of occurrence and the relief or remedy requested). It is understood that a written grievance may be amended by the Union at any time during the Grievance Procedure. However, all amendments must be presented prior to the start of the Step Three (3) meeting at which the amended grievance is to be heard, except in the case of grievances which begin at Step 3, in which case all amendments must be presented not later than thirty (30) calendar days prior to arbitration.

136. It is important that the employee's grievance(s) regarding unjust or discriminatory discharges, or wage rates/Step placement be handled promptly. Therefore, all such grievances shall be reviewed through the Grievance Procedure beginning at Step Three (3) within ten (10) working days as in Step One (1).

137. **Step 1:** When a grievance arises, the following procedure shall be followed: An employee who believes he has a grievance has a right to notify his Union representative of the situation and to discuss the alleged violation. This discussion shall take place with regard for the City's operational needs, but as soon as is reasonably possible. The grievance shall be reduced to writing and presented to the Commissioner or Appointing Authority or his designee within ten (10) working days of the event(s) giving rise to said grievance. The Commissioner or

Appointing Authority or his designee shall meet with the Steward, Local Union Official, and grievant within five (5) working days from the date of receipt of the grievance in an effort to resolve the grievance. Within ten (10) working days after this meeting, the Commissioner or Appointing Authority or his designee shall give a written answer to the Union Official. Each grievance shall be answered separately. The answer shall set forth in detail the settlement reached between the parties and shall include the grievance number, grievant's name, and the date of the grievance hearing. Agreement on this settlement shall be noted by both parties, in writing, on the grievance answer. In the event the grievance is not resolved, the answer shall set forth in detail the reason or reasons for the denial of the grievance.

138. **Step 2:** If the grievance is not satisfactorily settled at Step One (1), it shall be presented in writing to the employee's Director or his designee within ten (10) working days of the receipt of the Step One (1) answer. Within five (5) working days thereafter, the Director or his designee shall meet with the Local Union Officer. Within ten (10) working days after the Step Two (2) meeting, the Director or his designee shall give a written answer, as defined in Step One (1), to the Local Union Officer.

139. **Step 3:** If the grievance is not satisfactorily settled at Step Two (2), it shall be presented in writing to the City's Labor Relations Representative, with a copy to the affected Director or his designee, within ten (10) working days after receipt of the Step Two (2) answer. The City's Labor Relations Representative and the Union's Staff Representative will mutually agree on a date for a meeting for the purpose of considering grievances. A complete agenda for all grievances appealed in writing to Step Three (3) will be provided by the Union prior to each meeting. Within thirty (30) calendar days of the Step Three (3) meeting, the City's Labor

Relations Representative shall give a written answer, as defined in Step One (1), to the Union's Staff Representative and to the Local Union President.

140. **Step 4:** If the grievance is not satisfactorily settled at Step Three (3), the Union may, within thirty (30) calendar days in the case of grievances appealing an employee discharge, and within thirty (30) working days in the case of all other grievances, submit the matter to final and binding arbitration. The Union shall notify the City of its intent to arbitrate the grievance. Within ten (10) calendar days thereafter, the parties shall meet and attempt to mutually agree upon an arbitrator. If no agreement can be reached, the Union shall within ten (10) calendar days after the meeting, notify the American Arbitration Association (AAA) and the City at the same time of its intent to arbitrate the grievance. The fees and expenses of the arbitrator shall be borne equally by the City and the Union. Furthermore, the aggrieved employee, his Union representative, and any necessary witness(es) shall not lose any regular straight-time pay for time off the job while attending an arbitration proceeding. The Union will provide the City with twenty-four (24) hours' advance notice of employees required to testify.

141. The parties may, by mutual agreement, choose to have a grievance involving suspension or discharge arbitrated on an expedited basis. The expedited arbitration will be conducted pursuant to the rules of the American Arbitration Association, and the fees and expenses of such proceeding including those of the Arbitrator, shall be borne equally by the City and the Union.

142. All grievances which have been appealed to arbitration will be referred to mediation unless either party determines not to mediate a particular grievance. Arbitration scheduling will give priority to cases which have first been mediated.

143. Within sixty (60) days of ratification of April 1, 2004 through March 31, 2007, Collective Bargaining Agreement, the parties shall mutually agree to a panel of five (5) mediators to serve

in the capacity of grievance mediators. Panel members must be experienced mediators and/or arbitrators with skills in mediation. Mediation panel members may not serve as arbitrators.

144. Each member of the mediation panel will be asked to provide a schedule of available dates and cases will be scheduled in a manner which assures that the mediator will be able to handle multiple cases on each date unless otherwise mutually agreed. The parties agree not to hear more than five (5) cases a day. Mediation shall be scheduled on a rotating basis among the panel members to the extent the mediator is available and his/her schedule allows.

145. Representatives designated by each party shall have the right to be present at the mediation conference. Each party will have a representative vested with full authority to resolve the issues being considered.

146. The mediator may employ all of the techniques commonly associated with mediation, including private caucuses with the parties, but the taking of oaths and the examination of witnesses shall not be permitted and no verbatim record of the proceeding shall be taken. The purpose of the mediation effort is to reach a mutually agreeable resolution of the dispute and there will be no procedural constraints regarding the review of facts and arguments. There shall be no formal evidence rules. Written materials presented to the mediators will be returned to the party at the conclusion of the mediation hearing.

147. Mediation efforts will be informal in nature and shall not include written opinions or recommendations from the mediator. In the event that a grievance that has been mediated is appealed to arbitration, there shall be no reference in the arbitration proceeding to the fact that a mediation conference was or was not held. Nothing said or done by the mediator may be referenced or introduced in to evidence at the arbitration hearing. Nothing said or done by either party for the first time in the mediation conference may be used against it in arbitration.

148. At the mediation conference the mediator shall first seek to assist the parties in reaching a mutually satisfactory settlement of the grievance which is within the parameters of the collective bargaining agreement. If a settlement is reached, a settlement agreement will be entered into at the mediation conference. The mediator shall not have the authority to compel the resolution of a grievance.

149. If a grievance remains unresolved at the end of the mediation session, the mediator will provide an oral advisory opinion as to how the grievance is likely to be decided if it is presented at arbitration. This opinion is non-binding and inadmissible in any subsequent arbitration proceeding.

150. The dates, times and places of mediation sessions will be determined by mutual agreement of the parties. Each party shall designate a representative responsible for scheduling mediation sessions.

151. The fees and expenses to be charged by mediation panel members shall be negotiated between the panel participants and the parties. Fees and expenses for grievance mediation shall be shared equally by the parties.

152. In the event a grievance goes to arbitration, the arbitrator shall have jurisdiction only over disputes arising out of grievances concerning the interpretation and/or application and/or compliance with the provisions of this Contract, including all disciplinary actions. In reaching his decision, the arbitrator shall have no authority: 1) to add to, to subtract from, disregard or modify in any way the provisions of this Contract; 2) to pass upon issues governed by law; or 3) to make an award in conflict with law. The arbitrator shall issue a decision in writing within thirty (30) calendar days after submission of the case to him.

153. In instances where the city objected to arbitration and the Union chose to proceed, the first (1st) question to be placed before the arbitrator will be that of arbitrability. If the arbitrator determines that the grievance is within the purview of arbitrability, the grievance will be heard on its merits before the same arbitrator.

154. All decisions of arbitrators consistent with the above language and all pre-arbitration grievance settlements reached by the Union and the City shall be final, conclusive and binding upon the City, the Union and the employees. Provided, that a grievance may be withdrawn by the Union at any time during the Grievance Procedure and the withdrawal of any grievance shall not be prejudicial to the positions taken by the parties as they relate to that or any other grievance. For purpose of this section, timeliness is counted as working days from the date of the incident or the date expressed on the face of either the answer or the appeal notice, as applicable. Extensions of time limits shall be by mutual agreement and must be verified in writing and signed by both parties. The date of occurrence of the event causing time to run is not counted in the time limit. If the last date of a period is not a regular business day, the time period runs through the end of the next regular scheduled business day.

**ARTICLE 44**  
**REPORT PAY**

155. Employees reporting to work who have not been notified not to report shall be given two (2) hours' work or receive at least two (2) hours' pay. The parties shall comply with relevant provisions of the Fair Labor Standards Act with respect to a standby status.

**ARTICLE 45**  
**MILEAGE**

156. All regular full-time employees authorized to use their car in the performance of their duties for the City shall be reimbursed for such actual mileage at the IRS mileage rate.

**ARTICLE 46**  
**PERSONNEL RECORDS**

157. An employee shall, upon request, be permitted to review his/her Divisional personnel records file, except reference letters, in the presence of appropriate supervision and he/she may initial and date the contents found therein. Only copies of letters of discipline, evaluations and commendations shall be made available to the employee at the time of issuance. However, any materials in the employee's personnel record which have not been seen or signed by him/her or which are more than two (2) years old at the time discipline is being considered shall not be used against him/her. The signing of any materials to be placed in an employee's personnel record does not indicate agreement by the employee as to the contents of the material but does acknowledge he/she has seen it.

**ARTICLE 47**  
**UNIFORMS**

158. The City agrees to provide employees either with uniforms or an annual uniform allowance in the amount of \$300, at the City's option. Further, the City agrees, at its option, either to provide maintenance services or to provide an annual uniform maintenance allowance in the amount of \$150. Effective in 2009, the City agrees to provide all regular full-time employees with a work boot allowance of \$100.00 to be paid on or before March 1 annually. Employees must wear boots of a design and quality designated by the City or be subject to disciplinary action. The City agrees to provide a pro-rated uniform and maintenance allowance to employees commencing upon completion of their probationary period in accordance with the rates identified in the May 21, 1996 Side Letter (date based on conclusion of probationary period) unless the employee is required to wear a uniform during the probationary period, in which case the pro-rated amount will be based on the employee's date of hire. Transferring

employees will either be provided with new uniforms or a uniform allowance, or will not be required to wear a uniform.

159. The standard date established for making all uniform payments shall be on or before March 1st, annually. All employees shall be required to report to work in a uniform designated by management. Employees provided with uniforms or uniform allowance and/or appropriate safety gear, must report to work in said attire and in uniforms that are in an acceptable condition as determined by the City. Failure to do so will result in progressive discipline.

**ARTICLE 48**  
**PARKING TICKETS**

160. Employees who fail to pay moving violation fines and/or parking tickets and/fines received on City vehicles after the ratification of this collective bargaining agreement, will authorize the City to deduct the amount of fines from their pay once the administrative appeal process, if applicable, has been exhausted.

**ARTICLE 49**

162. A laborer working on the Oil Distributor shall receive the Tire Shredder rate of pay.

163. Those employees holding the classification of Grounds Maintenance Worker and Cemetery Maintenance Worker I, shall no longer be considered seasonal employees and shall retain all layoff rights contained in this Contract.

164. The tunnel rate for employees in the Division of Engineering and Construction is twenty-five percent (25%) of that employee's rate of pay. It is treated the same way as shift differential straight-time only.

165. Employee who operates a front-end loader or backhoe in the Department of Parks, Recreation and Properties shall receive \$3.80 per hour above their basic rate. This rate will be increased to \$4.30 per hour effective upon ratification (December 1, 2008).

M.S. Laborers working on a concrete crew in the Division of Cleveland Public Power shall receive their regular hourly rate for one-half (1/2) the hours and eighty percent (80%) of the Jackhammer rate for one-half (1/2) of the hours, for each day worked on such a crew.

167. Effective upon ratification, employees assigned to a basin crew shall receive a one dollar and twenty-five cents (\$1.25) per hour premium for all hours worked in that capacity. The City retains discretion in selecting those employees who work as part of a basin crew.

168. Any classified craft work actually performed by a Laborer shall be paid eighty percent (80%) of said craft rate for all hours worked. Supportive work, i.e., moving materials/supplies or assisting a craftsman in a laboring capacity, does not meet the definition of crafts work.

**ARTICLE 50**  
**EMPLOYEE STARTING RATE**

169. A newly-hired employee shall start at a scale of two dollars (\$2.00) per hour below the top of the band in the classification in which he/she is hired. Six (6) months hence, he/she shall be given a twenty-five cent (\$.25) per hour increase and for each following six (6) month period, he/she shall be given a twenty-five cent (\$.25) per hour increase until he/she reaches the top of

170. If the one hundred and twenty (120) day probationary evaluation applicable to lateral transfers or promotions, as required under the terms of this Agreement, results in failure to successfully complete the probationary period for lateral transfers or promotions, the affected employee will revert to his/her prior classification at his/her previous pay status.

171. An employee of the City who is transferred into a classification in the 1099 bargaining unit governed by this section shall advance to a pay level in the above schedule which is the pay level immediately above the pay level of the job from which he was transferred. Employees in the bargaining unit who change from one classification to another shall likewise be slotted into

the above schedule at the pay level immediately above their existing rate of pay. Employees shall thereafter advance automatically under the above schedule at the times indicated.

**ARTICLE 51**  
**LEGALITY**

172. It is the intent of the City and the Union that this Contract comply, in every respect, with applicable legal statutes, charter requirements, governmental regulations which have the effect of law, and judicial opinions, and if it is determined by proper authority that any provision of this Contract is in conflict with law, that provision shall be null and void. In the event of an unlawful determination, the City and the Union shall promptly meet for the purpose of negotiating a lawful alternative provision.

**ARTICLE 52**  
**WAGES**

173. It is the general policy of the City that no new employee will start at a higher rate than another employee in the same classification. If an individual increase above the general increase is contemplated, the City will advise the Union prior to implementing said action.

174. Effective on or about April 1, 2012, there shall be a three percent (3%) wage increase added to all rates of classifications.

175. Employees not on the active payroll at the time the contract is executed are not entitled to retroactive payments of wages or other monetary benefits.

176. The hourly pay rate for part-time Municipal Service Laborers, Waste Collectors and Radio Operators shall be fixed at two dollars (\$2.00) below the top of their pay band.

**ARTICLE 53**  
**HEPATITIS IMMUNIZATIONS/WORKING CONDITIONS**

177. It is agreed that grievances that protest unsafe working conditions shall be expedited with same day investigation by the Personnel Department's Office of Accident and Safety Control. If

the employee has notified his supervisor of an alleged unsafe condition, the employee shall not be required to perform the work but shall be assigned alternative duties without loss of pay.

178. Upon request, the City shall provide Hepatitis B vaccines (3-dose series) for Practical Nurses and employees, seasonal and regular, assigned to work in solid waste collection and disposal, dead animal collection on pick-up truck, sewer maintenance and vacant lots.

**ARTICLE 55**  
**DURATION**

180. This Agreement represents a complete and final understanding on all bargainable subjects between the City and the Union. The City and the Union acknowledge that they have had every opportunity to submit proposals and bargain over all negotiable subjects and, therefore, the Union hereby expressly waives any right to bargain over all subjects (including management rights) covered by this Agreement during its term.

181. This Agreement shall be effective as of the date of ratification, and shall remain in full force and effect through March 31, 2013. This Agreement (including any and all exhibits, riders and attached letters) supersedes all prior agreements (including any and all exhibits, riders and attached letters) and also supersedes all past practices. In addition, this Agreement supersedes state law on all subjects and matters covered by this Agreement to the extent permitted by Chapter 4117 of the Ohio Revised Code.

**ARTICLE 56**  
**DISPUTE SETTLEMENT PROCEDURE**

182. The Parties agree that upon expiration of this Agreement the dispute resolution procedure found in Ohio Revised Code §4117.14 shall apply.

**ADDENDUM I -  
DRUG TESTING**

All employees who are required to be randomly tested under law (e.g. Department of Transportation regulations regarding employees required to have a Commercial Driver's License who drive vehicles in excess of 26,000 pounds), and all employees in Safety Sensitive Positions (identified below) shall be subject to random drug/alcohol testing. Additionally, an employee involved in any accident resulting in personal injury or one-thousand dollars (\$1,000.00) or more of property damage shall submit him or herself to post-accident drug/alcohol testing. Such testing shall be conducted in accordance with the DOT procedures. Further, when there is a reasonable suspicion to believe that an individual employee is using illegal drugs or alcohol at work or is under the influence of drugs or alcohol at work, such employee will be directed to report to a City-designated physician or medical clinic, on City time and at City expense, for a fitness-for-duty examination. Random examinations and reasonable suspicion examinations and post-accident examinations are conducted for the purpose of determining the presence of illegal drugs or alcohol in the employee tested. An employee who is directed to submit to such examinations shall report to a City-designated physician or medical clinic, on City time and at City expense. The City's Manager of Labor Relations, or his designee, shall approve all drug/alcohol testing. This testing will include possible urine, blood, or breathalyzer exams as determined by the appropriate medical personnel. An employee who refuses to submit to drug/alcohol testing under the provisions herein shall immediately be charged with insubordination and will be subject to discharge. An employee who fails a drug or alcohol test for the second time during his/her employment with the City shall be discharged by the City.

An employee may be referred to fitness-for-duty screening if at least one (1) supervisor has a reasonable suspicion that the employee is then under the influence of alcohol or a

controlled chemical substance. The circumstances supporting an allegation warranting reasonable suspicion testing shall be reduced to writing, signed by the supervisor, and copies to the employee and Union prior to testing. The demand for a urine, blood or breath specimen should be based only upon specific/objective facts and reasonable inferences drawn from those facts in light of experience that the employee is then under the influence of drugs or alcohol. In addition, employees may be referred for mandatory urine, blood, or breath, for drug and/or alcohol screening under the following circumstances:

- (a) A disciplinary probation for employees who have violated the City's drug and alcohol rules; or
- (b) For employees returning from leaves of absence if they have given management a reason to suspect possible illegal drugs and/or alcohol abuse. Possible reasons to suspect substance abuse include, but are not limited to, a history of excessive absenteeism not related to a specific illness, documented evidence of deteriorating job performance or of aberrant behavior in the six months immediately preceding the leave of absence or documented involvement with drugs off the job.

An employee shall be entitled to have a Union representative present before testing is administered.

As concerns urine samples for drug testing, employees to be tested will undergo an initial screening (EMIT) test. For any positive results, a confirmatory test employing the gas chromatography/mass spectrometry (GC/MS) test will be used. The City will ensure that there is a continuous chain of custody of any sample taken from an employee. Specimen collection will occur in a medical setting. The testing procedures should not demean, embarrass or cause physical discomfort to employees. Altering or switching a specimen sample for a drug/alcohol

test, or otherwise refusing to follow the established testing procedure and/or guidelines, shall be grounds for discharge.

The results of any drug or alcohol screening test will be kept strictly confidential. An employee who tests positive for drugs and/or alcohol will have the opportunity to review the test results and, if desired, a reasonable opportunity to rebut the results. Copies of test results shall be given to the City and to the individual tested. Where urine, blood or other samples have been taken, the two samples will be preserved for a reasonable period of time and tested employees will have the opportunity to direct one of these samples to a reputable physician or laboratory of their choosing for retesting.

Employees who may be drug or alcohol dependent are encouraged to voluntarily seek professional assistance through a reputable treatment program. The City's EAP program can provide counseling and referral. All records of an employee seeking medical rehabilitation for a drug or alcohol problem, either through EAP or otherwise, will be kept strictly confidential. Voluntary assistance should be sought before dependence affects job performance so as to endanger fellow employees, the public or otherwise adversely impact on the employee's ability to perform his or her job duties.

Participating in the EAP program does not supplant the normal discipline and grievance procedure. An employee subjected to disciplinary charges which include substance abuse on the job will be given access to the drug or alcohol screening results, the ability to privately test the blood, urine or other samples at an independent lab and the opportunity to rebut any allegation of chemical abuse. Any charging letter issued to an employee which includes allegations of substance abuse on the job shall list the basis upon which it was determined that there was

reasonable cause to believe the employee was using drugs or was under the influence of drugs or alcohol.

Any employee found to have positive screens for drugs or alcohol must be given medical clearance by a qualified physician acceptable to the City before returning to work.

An employee shall be deemed to have failed an alcohol test if:

- (1) The person has a concentration of four-hundredths of one percent or more by weight of alcohol in his blood;
- (2) The person has a concentration of four-hundredths of one gram or more by weight of alcohol per two hundred ten liters of his breath;
- (3) The person has a concentration of 5.7 hundredths of one gram or more by weight of alcohol per one hundred milliliters of his urine.

The City is not responsible for any legal obligations and costs for claims based on the Union's duty of fair representation.

The Union shall be indemnified and held harmless by the City for any violation of an employee's constitutional, common law, or statutory rights.

**CRAFTS ADDENDUM II  
SUPERVISORY AND NON-SUPERVISORY  
COLLECTIVE BARGAINING AGREEMENTS**

This Addendum Between the City of Cleveland (hereinafter referred to as the "City") and Local 1099, Municipal Foremen and Laborers' Union (Chartered: Municipal, County & State Employees Union Local 1099, AFL-CIO) (hereinafter referred to as the "Union" or "Local 1099") covers all employees as stated herein. Re: Management Rights

Dear Mr. Wells:

The City and the Union agreed to the following Management Rights language, which is contained in Paragraph 6 of the agreement:

Notwithstanding Section 4117.08 of the Ohio Revised Code, the City is not required to bargain on any subjects -- including, but not limited to, those enumerated above -- reserved to and retained by the City under this Article. Therefore, the Union agrees that during the life of this Agreement, the City shall have no obligation to bargain collectively with respect to the exercise of any rights reserved to and retained by it pursuant to either Section 4117.08(C) of the Revised Code or pursuant to this Agreement.

As agreed, it is the parties' mutual interpretation of paragraph 6 that the City has no obligation to negotiate on the exercise of those rights clearly provided to the City in the collective bargaining agreement during the term of the Agreement. However, the City is obligated to meet and negotiate with the Union regarding any City decision which reaches beyond clear contractual rights prior to taking action.
