Board members shall be notified of all meetings of committees established by this agreement and a board member(s) may attend, but not participate as a committee member unless specifically provided for in this agreement.

### **SECTION 1.03 EQUAL RIGHTS CLAUSE**

The parties to this Agreement jointly pledge that provisions of this Agreement shall apply uniformly to all members of the bargaining unit without regard to race, creed, color, sex, sexual preference/orientation, marital status, national origin, handicap, or age.

## **ARTICLE II – NEGOTIATIONS**

### **SECTION 2.01 NOTICE**

Either the Association or the Board may initiate negotiations by a letter of submission forwarded to the other party during the month of February prior to the expiration date of this contract outlining their intent to bargain. Letter of submissions by the Board shall be forwarded to the Huron Education Association President as well as the current Labor Relations Consultant at the Ohio Education Association office in Vermilion, OH.

### **SECTION 2.02 PROCEDURE**

Within fifteen (15) calendar days of transmittal of said submission letter, the parties shall hold their first negotiations session unless it is otherwise agreed to postpone or delay negotiations. At any negotiation session, either party may be represented by no more than five (5) representatives.

All issues for negotiations by the Association and the Board shall be submitted in writing at the first meeting. No additional issues shall be submitted by either party, unless agreed to by both parties.

If, after sixty (60) calendar days from the first negotiation session, agreement has not been reached on all items under negotiation, either party may call for the services of the Federal Mediation and Conciliation Service to assist in negotiations. If a party calls for mediation involvement, the other party shall join in a joint request. Meetings shall be held at the discretion of the mediator.

The Board and the Association agree that the aforementioned Federal Mediation shall supersede all other dispute settlement procedures. The Board further recognizes that the members of the bargaining unit have the right to strike provided that, (1) the employee organization representing the employees has given a ten-day prior written notice of an intent to strike to the public employer and to the Board signifying the date and time of day the job action is to commence; and (2) the contract has expired; and (3) the impasse resolution procedure has been followed. The Association agrees that no strike shall be conducted during the term of this agreement.

Meetings shall last no longer than three (3) hours unless mutually agreed otherwise by the parties.

Either party may call a caucus at any time. Caucus time shall be limited to thirty (30) minutes unless further time is requested.

### **SECTION 2.03 AMENDMENT**

This agreement may be amended by mutual consent of both parties. A meeting to negotiate such amendment proposals shall be held no more than ten (10) days following a written request for such meeting by either party. Negotiations shall be conducted in accordance with the procedures in this document, but such amendment proposals shall not be permitted during the negotiations period.

#### **SECTION 7.06 PART TIME TEACHERS**

A. Definition

A "part-time" teacher is a member of the bargaining unit represented by the Association who is regularly employed by the Board for a period of service less than the full work day specified in the Master Agreement. - B. Seniority shall accrue for all time an employee is on active pay status, on a Board approved teaching or studying leave of absence, or is receiving worker's compensation benefits.
- C. Time spent on inactive pay status (unpaid leave or layoff) shall not contribute to the accrual of seniority but shall not constitute a break in seniority.
- D. Full-time employees shall accrue one (1) year of seniority for each year worked as determined by the minimal full time standard.
- E. Part-time employees shall accrue seniority pro-rated against the minimal full-time standard. Part-time teachers employed on or before July 31, 1991, shall continue to accrue full seniority.
- F. No employee may accrue more than one (1) year of seniority in any work year.

### **SECTION 10.03 EQUAL SENIORITY**

- A. A tie in seniority shall occur when two (2) or more employees have the same amount of seniority credit as determined by the seniority list.
- B. Ties in seniority shall be broken by the following method to determine the most senior employee:
  - 1. The employee with the first day worked on a limited teaching contract shall be deemed most senior.
  - 2. If a tie persists, then the employee with the earliest date of employment on a limited teaching contract, said date determined by the date of the meeting at which a Board resolution to hire was passed, shall be deemed most senior.

3. If a tie persists, then the most senior employee shall be determined by a flip of a coin. This procedure shall be implemented in the presence of a designated HEA representative.

#### **SECTION 10.04 SUPER SENIORITY**

- A. For RIF purposes only, employees under continuing contract shall have greater seniority than employees under limited contracts and be given preference in descending order of seniority.

#### **SECTION 10.05 LOSS OF SENIORITY**

Seniority shall be lost when an employee retires or resigns or is discharged.

#### **SECTION 10.06 POSTING OF SENIORITY LIST**

- A. The seniority list shall be posted annually by the first Monday of February. The Board shall prepare and post on the designated bulletin board in each building a seniority list of all teaching employees of the district, including those on any type of leave, indicating all areas of certification, license, or entry level requirement, the first day worked, the date of the Board resolution to hire, and the contract status (limited/continuing) of each employee. Said list shall be provided to the HEA president on or before the dates of posting.
- B. Each individual staff member shall have twenty (20) calendar days from the date of posting to authenticate the validity of all data pertaining to his/her seniority status. Any errors must be brought to the attention of the Superintendent in writing within the twenty (20) calendar day period. The Superintendent shall investigate all reported inaccuracies, make adjustments as may be in order, and post an updated list immediately. Upon posting of the updated list, staff members shall have ten (10) calendar days to report any errors of the updated list to the Superintendent. The Superintendent shall investigate any reported errors and immediately post a final list. No protest shall be considered after posting of the final list and the list shall be considered as final until the next posting.
- C. The names of the persons on the seniority list shall appear in seniority rank order with the name of the most senior employee appearing at the top of the listing and the name of the least senior employee appearing at the bottom.

- A. Decreased enrollment of pupils;

- B. Return to duty of regular teachers after leaves of absence;
- C. Suspension of schools or territorial changes affecting the district;
- D. Financial reasons.

**SECTION 11.02 PROCEDURE FOR REDUCTION IN FORCE**

- A. The Superintendent's recommendation for contracts to be suspended shall be made in accordance with the following procedures:
  - 1. Every effort will be made in reducing the staff to do so by normal attrition before implementing any reduction in force pursuant to this Article. Attrition means not replacing people who leave the district for any reason.
  - 2. Reductions recommended in a teaching field will be made by selecting the lowest person in seniority for that area of certification/licensure who is currently assigned to a position in that teaching field. Preference shall be given first to teachers on continuing contracts and then to teachers on limited contracts in order of seniority. A teacher so affected may elect to displace a teacher who holds a lower position in seniority for another area of certification/licensure, provided that the teacher is certificated/licensed for the other position. Any such election must be made at the time the teacher is notified he/she will be affected.
  - 3. Prior to implementation of a RIF, no transfer, reassignment, or job classification shall take place which would cause a more senior employee to be Riffed before a less senior employee.
  - 4. Certification/licensure shall be defined as the teaching area(s) appearing on a teacher's current State of Ohio certificate/license. Teachers shall be responsible for keeping their certification/license current.
- B. The names of teachers whose contracts are suspended in a reduction in force will be placed on a recall list for twenty-four (24) months from the effective date of the reduction.
- C. The effective date of the RIF for computing the twenty-four (24) month call back period shall be from the time that instruction actually began without the position being filled.
- D. When reasons for a RIF are determined, the teachers to be Riffed or affected will be notified no less than thirty (30) days prior to the Board action implementing the RIF.
- E. This article shall not require the Board to fill any vacancy, nor shall it interfere with any other lawful personnel procedure in the district.
- F. At least sixty (60) days prior to Board action implementing a RIF under the above provisions, the Association president shall receive written notification from the Superintendent delineating the reason(s), position(s), and areas of certification/licensure to be affected. Within fifteen (15) days of such notice, the Superintendent shall meet with the Association president and his/her designee to discuss the potential RIF.

- G. If a teacher displaces another in a certification/licensure area in which he/she has not taught nor taken additional college course credit work within the past five (5) years, said teacher shall be encouraged to complete additional college training (undergraduate or graduate), up to three (3) courses, to improve skills in that subject area.

### **SECTION 11.03 RECALL RIGHTS**

Teachers on the recall list will have the following rights:

- A. No new teachers will be employed by the Board while there are teachers available for recall on the recall list who are certificated/licensed for the vacancy.
- B. Teachers on the recall list will be recalled in order of seniority for vacancies in the areas for which they are certificated/licensed, with preference given to those on continuing contracts.
- C. If a vacancy occurs, the Board will send an announcement by certified mail to the last known address of the first two (2) teachers on the recall list who are qualified according to these provisions. It is the teacher's responsibility to keep the Board informed of his/her current address. The teacher is required to respond, in writing, to the district's central office within seven (7) calendar days. Failure to respond will result in forfeiture of all recall rights.
- D. A teacher may decline the offer of reinstatement of position for health reasons or if under contract in another school district without affecting his/her recall rights for the remainder of the twenty-four (24) month period. Taking employment elsewhere does not remove a person from the recall list.
- E. A teacher on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulated sick leave, and position on the salary schedule as he/she enjoyed at the time of the layoff. Accumulated sick leave shall remain the same upon return to active employment provided no sick leave has been used since the initial layoff.
- F. While on the recall list, a teacher will have the option to remain an active participant for hospitalization and other board provided fringe benefit programs by contributing thereto the amount necessary to maintain such benefits, in accordance with the provisions set forth in the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA).
- G. Teachers on the recall list will be given preferential treatment as substitute and part-time teachers. However, acceptance or refusal of said positions shall not disqualify any teacher from call back rights herein specified.

## **ARTICLE XVII -- EVALUATION AND JOB DESCRIPTIONS**

### **SECTION 17.01 TEACHER EVALUATION**

A competent staff is the essential element of a good, effective, educational system. To assist and encourage professional growth, members of the school staff have developed these evaluative procedures.

Evaluation, if it is to serve as a guidance for self-appraisal and evaluation, must be a cooperative process. This form for self-appraisal and evaluation has been designed for the purpose of maintaining and improving the quality of instruction. As each item is checked for instructional strength and weakness, the purpose of the evaluation, professional growth, must be kept in mind.

This form may be used by the teacher for self-appraisal and shall be used for the administrator's appraisal of the teacher. Self-appraisal by the teacher shall be voluntary. Self-appraisal seeks only to indicate what a teacher feels about his/her own performance and to stimulate the growth which comes from a systematic review of desirable teaching practice.

#### **A. Schedule for Evaluations and Observations**

Administrators are responsible for written evaluation reports of their professional staff members according to the following schedule:

1. All new teachers working on a one-year contract or teacher who has received an unsatisfactory evaluation in the previous year: three (3) appraisals based on classroom observations and overall professional performance; the first to be completed by October 30; the second by January 30; the third by March 15.
2. All teachers other than those found in Section A(1), above, whose contracts are up for renewal for the next school year are to be observed and a complete evaluation made by January 30. Any unsatisfactory evaluation will be followed by an additional observation and evaluation within sixty (60) days.
3. All teachers on a continuing contract: an annual evaluation to be completed by June 1 once every three (3) years.
4. The evaluation procedures described in this Article supersede and replace those set forth in Section 3319.11 and 3319.111 of the Ohio Revised Code.

B. Classroom Observations

The classroom observation should be of sufficient length in the subject area covered in order to watch the complete development of a lesson. At this observation, the principal may check the lesson plans, seating charts, daily schedule, emergency classroom procedure, and the adequacy of preparation for a substitute teacher. There should be as little distraction from the classroom routine as is possible under the circumstances, and the teacher should continue as planned and not teach the observer. Observations may be either scheduled or unscheduled.

C. Conferences with Teacher and Principal

1. Within five (5) school days following each classroom observation, the teacher shall meet in conference with the principal and discuss the teaching performance appraisal prepared by the administrator. For the purpose of this section, school days shall be counted as days when both the evaluator and teacher are present.
2. During this conference, the evaluator shall indicate any areas which he/she found to be unsatisfactory and needing improvement. Such indication shall include specific written recommendations for the desired improvements and the means by which the teacher may obtain assistance in making such improvements.
3. At the conclusion of this conference, the evaluation report will be prepared in triplicate, signed and distributed as follows: original to the superintendent, copy to the teacher, and a copy to the principal. The signature of the teacher indicates that the report has been examined but not necessarily that the teacher agrees with the written evaluation. The teacher may attach any comments or a rebuttal to this report.
4. The conference shall emphasize the material contained in the written report and it is imperative that a rapport based on trust and mutual respect be established prior to these conferences (early in the school year) if they are to be meaningful to all concerned. It is understood that all areas appearing in the written form may not be applicable at every evaluation and, therefore, should be indicated by a "NO" (not observed) in the space provided.
5. The evaluation will be based on the classroom observation and overall professional performance.

**SECTION 17.02 EVALUATION PROCEDURES FOR SUPPLEMENTAL CONTRACTS**

- A. Each contract employee will receive the Supplemental Contract Description from the Principal or designee no later than the first teachers' record day for extra-curricular and co-curricular positions, for all athletic supplemental positions on or before the first day of coaching, as defined by the OHSAA.
- B. The contract employee will be given the Supplemental Contract Evaluation form by the Administrator before the conclusion of the activity or athletic season.

- C. The contract employee may complete the self-evaluation (SE) column of the form; write comments, if desired; and circle the appropriate overall self-evaluation. This form must be returned to the Administrator within five (5) working days after the completion of the last contest or activity.
- D. Upon the return of the Supplemental Contract Evaluation form, the Administrator will complete the Administration Evaluation (AE) column of the form; write comments, if desired; and circle the appropriate overall administration evaluation.
- E. A conference between the contract employee and the Administrator is to be held within fifteen (15) working days of the receipt of the Supplemental Contract Evaluation self-evaluation form from the contract employee. Differences in evaluations and methods of improvement, if necessary, will be discussed at this conference. The contract employee will sign the evaluation form at this time to signify that the conference was held and that the evaluation was discussed and methods of improvement, if necessary, were suggested by the Administrator.
- F. The contract employee and the Administrator will use the following symbols to complete the evaluation columns:
  1. "S" if the item was Satisfactorily completed.

The committee shall meet to review and revise as necessary the current negotiated evaluation procedures. If mutually agreeable, meetings shall be held during the regular work day.
- B. No later than March 1, 2009, the committee shall present all recommended changes in the teacher evaluation procedures to the Association and the Board of Education for approval. If approved, this new teacher evaluation will replace the existing teacher evaluation in Appendix B.4.
