**ARTICLE 1  
AGREEMENT/PURPOSE**

1.01 This agreement, entered into by the County of Summit Sheriff's Office, hereinafter referred to as the "Sheriff and/or Employer," and Ohio Council 8 and Local 1229, both of the American Federation of State, County and Municipal Employees, (AFSCME), AFL-CIO, hereinafter referred to as the "Union."

1.02 The parties acknowledge that during the negotiations which resulted in the agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any matter or subject not removed by law or regulation from the area of collective bargaining pursuant to O.R.C. Chapter 4117, and that the understanding and agreements arrived at by the parties after the exercise of those rights and opportunities are set forth in this agreement. The provisions of this agreement constitute the entire agreement between the parties, and all prior agreements, oral or written, are hereby cancelled and prior practices may be cancelled at the Employer's discretion.

**ARTICLE 2  
RECOGNITION**

2.01 The Employer hereby recognizes the Union as the sole and exclusive bargaining representative of employees of the Summit County Sheriff's Office for the purpose of collective bargaining in any and all matters relating to wages, hours, benefits, terms and all conditions of employment in the certified bargaining unit as follows:

**INCLUDED:**

All Communication Technicians employed by the Summit County

**EXCLUDED:**

All management level employees, professional employees, confidential employees of the Sheriff's Department, and supervisors as defined by the Act, all seasonal and casual employees as defined by the State Employment Relations Board, all service, maintenance, and clerical employees, all other employees represented by an employee organization in a different bargaining unit and Communications Supervisor (one (1) employee).

2.02 a. The Employer at times establishes new classifications, abolishes classifications, and changes titles. At least ten (10) days prior to the date it plans to implement any of the actions set forth above, it will notify the Union. With the notice of intent, the Employer will provide the Union with the following information, if available and relevant:

1. Name of old and/or new classification(s)
  2. Job description of new classification
  3. Organizational chart.
- b. Should the parties be unable to resolve the Union question, the Employer will, upon request, or on its own, supply any additional information necessary and relevant to resolve the dispute.
  - c. The Employer and the Union shall meet for the purpose of negotiating a wage rate and job description for any newly created classification(s) that either is mutually agreed to be included in the bargaining unit or has been included in the unit as determined by the State Employment Relations Board (SERB).
  - d. Pursuant to O.R.C. 4117 and the SERB rules and regulations, any changes in the bargaining unit must be approved by SERB. The parties may jointly or individually petition SERB for a unit clarification on any changes in the bargaining unit certification.

2.03 Work normally performed by employee(s) of the bargaining unit shall not be performed by supervisors, foreperson, or other personnel unless:

- a. Qualified bargaining unit employees are not available to perform the work; or
- b. Supervisors, forepersons, or other non-bargaining unit personnel and excluded classifications have normally and previously been performing the work on a normal basis; or
- c. It is for the purpose of instructing or demonstrating proper methods of work procedures.

### **ARTICLE 3 CHECKOFF**

3.01 The Employer agrees to deduct Union dues, initiation fees, and assessments from pay of employees within the unit upon receipt of a voluntarily written authorization executed by the employee on an Authorization for Checkoff of Dues Form provided for that purpose. The Union shall notify the Employer of the amounts to be deducted, including any subsequent increases in dues, initiation fees, or assessments. The Union shall afford its members an opportunity to cancel their dues deductions during the thirty (30) to forty-five (45) day period prior to the expiration of this agreement.

3.02 Previously signed and unrevoked authorization cards shall continue to be effective for current and reinstated employees.

3.03 Deductions will be made from the pay of employees biweekly. Should deductions not be made in such pay period, a double deduction shall be made in the next deduction period. Dues in arrears shall continue until the employee is current.

3.04 The Employer's obligation to make such deductions shall terminate automatically beginning with the pay period immediately following the pay period of the termination of the employment of the employee who signed the authorization, or upon his transfer to a job with the Employer not covered by this agreement, or upon his layoff from work, or upon his absence due to an unpaid approved leave, or upon timely receipt of a revocation authorization as defined in Section 3.01 (deductions shall then be subject to the fair share fee provisions of this article). Such deduction shall be resumed if an employee who is on layoff status is recalled, or an employee who is on an approved unpaid leave of absence returns, or an employee transferred to a job not covered by this agreement is later transferred to a job covered by this agreement, or a job to which an employee has been transferred becomes covered by this agreement. The Employer will notify the Union of such employees during the pay period following the pay period in which the revocation, termination, transfer, layoff, or unpaid leave takes place.

3.05 Deductions provided in this article shall be transmitted to the Comptroller of Ohio Council 8 no later than the tenth (10<sup>th</sup>) day following the pay dues are deducted. The Employer will furnish, together with its check for Union dues, an alphabetical list by job classification of all employees whose dues have been deducted showing the deductions and the employee's social security number. A copy shall be submitted to the Ohio Council 8 Akron Regional Office and the Local Union at the same time.

3.06 Effective the sixty-first (61<sup>st</sup>) day from date of hire, all employees who are not members in good standing of the Union shall pay a fair share fee to the Union.

All employees hired on and/or after January 1, 1994, who do not become members in good standing of the Union, shall pay a fair share fee to the Union, effective sixty-one (61) days from the employee's date of hire. The fair share fee amount shall be determined by the Union in accordance with the provisions of the Union's lawful fair share fee procedure and shall be certified to the Employer by the Union. The deduction of the fair share fee from any earnings of the employee shall be automatic and does not require a written authorization for payroll deduction. The Union agrees to immediately provide the Employer a copy of any changes to its fair share fee procedures. The Union affirms that it is its intent that its fair share fee procedures meet all existing and future state and/or federal requirements.

Payments to the Union of fair share fees shall be made in accordance with regular dues deductions as provided herein, and employees who are not members of the Union are required as a condition of employment, to pay the fair share fees. A separate listing of those employees

paying the fair share fee shall be submitted to the Union along with the check for the fair share fees, in accordance with Sections of this Article. The Employer's obligation to make such fair share fee deductions shall terminate automatically beginning with the pay period immediately following the pay period of the termination of the employment of the employee, or upon his transfer to a job with the Employer not covered by this agreement, or upon his layoff from work, or upon his absence due to an unpaid approved leave.

The Union warrants and guarantees to the Employer that no provision of this article violates the constitution of the United States of American or the State of Ohio. The Union hereby agrees to indemnify the Employer from any and all claims, suits, and judgments and other forms of liability, including all costs of proceedings, arising out of the Employer's agreement with the Union contained in complying with any provisions of this article. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

3.07 The Employer shall not be required to remit to the Union the monthly dues, assessments, fair share fees, or membership fees of Union or non-Union members during the period of an authorized or unauthorized strike, walkout, or other job action by the Union or the Union membership, or upon contract termination.

#### **ARTICLE 4 WAIVER IN CASE OF EMERGENCY**

4.01 In the case of circumstances beyond the control of the Employer, such as riot, flood, civil disorder and other similar acts, but excluding strikes and other similar work stoppage acts on the part of other County employees, the following conditions of this agreement shall be automatically suspended without recourse from the Union, upon declaration of said emergency by the Employer or his designated representative:

- a. Time limits for replies on grievances.
- b. Limitations on distribution of work assignments.

5.01 The Employer and the Union agree not to discriminate against any bargaining unit employee with respect to compensation or terms and conditions of employment, because of such individual's race, color, creed, religion, sex, **sexual orientation, gender identity**, age, national origin or disability. In the event that the rule or regulation is required to prevent or correct an immediate threat to public safety or security, it may be initiated with immediate notice. The Union and the Employer shall meet regarding such rules and regulations upon request of the Union. Such meeting will be scheduled within a reasonable time mutually acceptable to the Union and the Employer. The President of Local 1229 AFSCME and Chapter Chairperson will be notified of the final revisions and/or newly initiated rules and regulations of the Sheriff on the same date that supervisors are notified of said rules and regulations. Such rules will be equitably applied to all employees.

9.01 Employee members of the AFSCME Negotiating Committee shall be permitted reasonable time off, during normal scheduled working hours, without loss of pay, for the purpose of participating in meetings related to collective bargaining with the Employer. The number of employees paid under this provision shall not exceed two (2).

9.02 The Union shall notify the Employer, in writing, of the members of the AFSCME Negotiating Committee and the Employer shall notify the Union, in writing, of members of the Employer's Negotiating Committee.

10.01 Employees selected by the Union to act as Union Representatives for the purpose of investigating and processing grievances under the grievance procedure of this agreement shall be known as Stewards. Each Steward shall have an alternate who shall act as the Steward when the regular Stewards are unavailable. The Union shall notify the Sheriff in writing of the persons designated as Union Representatives, including the Local Union President, Chapter Chairperson, Stewards and Alternate Stewards, and/or when changes occur in these positions.

The Chapter Chairperson and Stewards shall be excused to leave work without loss of pay to represent a member(s) of the Union at scheduled hearings. The Chapter Chairperson shall be excused for a reasonable amount of time during working hours without loss of pay for the purpose of conducting normal Union business upon notification to the Employer and provided prior authorization has been obtained from the immediate supervisor. To secure pay for time off during their regularly scheduled working hours, the Chapter Chairperson or Steward will be required to use the authorization form that is attached hereto as Appendix D. Prior approval can be given verbally with the form to be completed when the supervisor is available.

10.04 If it is found that the Union is abusing the time provisions of Section 10.03 of this article, the Sheriff or his designee shall discuss the situation with the Union at the next scheduled Labor/Management meeting, as provided in Article 12, unless a meeting on such matters can be held at an earlier time.

10.07 The parties agree not to discriminate against any bargaining unit employee on the basis of membership or non-membership in the Union.

10.08 The Union President shall normally be provided forty (40) hours per week for Union business related to the administration of the labor agreement of the County of Summit. The Union President, however, may be required to perform his/her normal duties of his/her classification in emergency or related events. Moreover, the Union President shall be eligible for overtime as set forth in this Agreement. The parties recognize that this provision does not entitle each separate bargaining unit to a "release time" president and the President may come from another bargaining unit.

#### **ARTICLE 11 VISITATION OF UNION REPRESENTATIVES**

11.01 Authorized representatives of the Union shall be permitted access to the Employer's facilities, with reasonable advanced notice for the purposes of processing grievances, meeting with Local Union and/or Employer representatives and employees concerning matters covered by terms of the agreement, upon approval of the Employer or his designee. #### **ARTICLE 12 LABOR MANAGEMENT MEETINGS**

12.01 At a minimum, there shall be a quarterly meeting of the Employer Representatives, the Local Union President, Chapter Chairperson and Stewards of the Union. Representatives of Ohio Council 8 may also be in attendance. Such meetings shall be scheduled at a mutually agreed upon time.

12.02 The proposed agenda will be determined at the time the meeting is scheduled. Items not included on the agenda may be discussed if mutually agreed to by the Employer and the Union.

12.03 The following list represents matters that may be discussed at labor/management meetings:

- a. The administration of this agreement;
- b. To disseminate information of interest to the parties;

- c. To discuss ways to increase productivity and improve effectiveness; and
- d. To consider and discuss health and safety matters relating to employees.

12.04 Special labor/management meetings may be convened by mutual consent of the parties to discuss a matter(s) that needs to be handled prior to a regular quarterly meeting.

### **ARTICLE 13 PROBATIONARY PERIOD**

13.01 Newly hired employees shall be considered on probation for a period of one hundred eighty (180) calendar days. A probationary employee who has lost work time due to illness or injury may have his probationary period extended by the length of illness or injury. A new hire probationary employee will be evaluated once during the first half of the probationary period and once during the second half of the probationary period; however, such employee may be terminated any time during his probationary period and shall have no right to appeal the termination under this agreement. A new hire probationary employee will be provided a copy of his probationary evaluations, if any.

13.02 The Employer will furnish the Union a list of new hires each month showing name, address, date of hire, starting rate, department and classification. The Employer shall also furnish this same information to the Union, at least bi-weekly, for employees who have completed this probationary period, been terminated, promoted or transferred.

13.03 Promotional and trial probationary period.

- a. Any bargaining unit employee who successfully bids upon and is appointed to another job classification in the bargaining unit, or any Office Clerical bargaining unit employee who successfully bids upon and is appointed to a Communication Technician position, shall have a trial period of ninety (90) calendar days. During this trial period, the employee shall have reasonable help and supervision. If the successful bidder fails thereafter to qualify during the trial period, he shall have the right to revert to his former job, and this right shall in turn apply to the others who changed jobs as the result of filling the posted position. Within the first ten (10) calendar days of the trial period, an employee may disqualify himself. During the ninety (90) day promotional (trial) probationary period the Employer shall have the right to place the employee in his former position.

## **ARTICLE 14 SENIORITY**

14.01 Seniority is an employee's uninterrupted length of continuous service with the Employer, including any approved leaves of absence, except as otherwise defined in Section 14.04 of this article. Newly hired probationary employees who have completed their probationary period shall be entered on the seniority list, with seniority retroactive to date of hire.

14.02 The Employer shall post a copy of the seniority list showing the seniority of each employee listed by job classification and department on each of the Employer's bulletin boards. The seniority list shall be reviewed or updated every ninety (90) days with copies being furnished to the Union at such time.

14.03 An employee shall lose all seniority rights for any one (1) or more of the following reasons:

- a. Retirement (this is not to be construed to mean that the retiring employee loses benefits to which he is entitled at the time of his retirement).
- b. Voluntary resignation.
- c. Discharge for just cause.
- d. Loss of recall rights.
- e. Failure to report off for three (3) consecutive work days, unless the employee can verify that conditions make it impossible for him to report off during this period.
- f. Failure to return to work upon expiration of an approved leave of absence, unless otherwise mutually agreed to by the employee and the Employer.

14.04 Employees of the Employer who are in classifications outside the bargaining unit, who become employed in bargaining unit covered classifications, shall be considered as new employees for purposes of seniority under provisions of this agreement. However, such employee shall receive all credit for accumulated sick leave, vacation, retirement or other type benefits that are accrued by service time or hours worked.

An employee who leaves the bargaining unit for a non-bargaining unit position shall have his/her seniority frozen. If such employee returns to the bargaining unit within a period of six (6) months, such seniority shall be reinstated. However, the employee shall maintain all credit (bargaining unit and non-bargaining unit) for vacation, retirement, longevity, sick leave, and other benefits of this type that are accrued by service time or hours worked.

- i. If the Union Chapter Chairperson is a member of this Bargaining unit, he/she shall remain at the top of seniority lists for layoff and recall purposes. Such Union Chapter Chairperson shall be designated in writing to the Director of Personnel.

15.02 Recall of employees on layoff status shall be in the reverse order of layoff. Notification of recall shall be first by telephone (to be confirmed the same day by mail). Each employee recalled from layoff shall be given a seven (7) day notice of recall by certified mail to their last known address as shown on personnel records.

An employee who fails to report to work on the date specified in the recall letter shall be deemed to have declined re-employment and the employee shall lose all recall and employment rights.

An employee shall have recall rights for eighteen (18) months or employee's seniority, whichever is less.

15.03 In the event of layoff, an employee may choose to exercise rights of voluntary layoff under the following conditions:

- a. Prior to the actual layoff, employee(s) must notify the Employer in writing of their decision to be considered for any voluntary layoff.
- b. The volunteer with the most seniority shall be laid off first.
- c. An employee who chooses voluntary layoff will have recall rights as provided in section 15.02.

15.04 The Employer agrees that no bargaining unit employee shall be laid off, have his normal work week shortened, or experience a reduction in his hourly rate of pay, so that the Employer can assign a welfare recipient, workfare participant, or other such public assistance recipient/participation to perform the duties of such individual employee's position.

## ARTICLE 16 JOB VACANCIES

16.01 **Job Postings:** When the Employer intends to fill a vacancy in an existing job or a new job within the bargaining unit, employees desiring to bid on such job may do so as follows:

- a. Notice of vacancy or new job shall be posted on all Union bulletin boards for seven (7) calendar days from the date the job opening has been posted.
- b. During this seven (7) day period, employees who wish to apply for a posted opening may do so by submitting a bid application. The

bid application must be in writing, signed by employee, dated, and be submitted **online** to the **Human Resource Department using the appropriate forms contained on the County employment website. The employee must comply with the employer's procedures and requirements as set forth on the County employment website in order to apply for the vacancy.**

- c. The posting shall contain a description of the position to be filled, any required basic and/or special qualifications, rate of pay, location, work shift, and basic duties of said position.

16.02

**Cross-Bidding:**

- a. Vacancies in the bargaining unit shall be offered to employees in the Office/Clerical Unit at the same time that the job vacancy is posted according to Section 16.01 (A) of this article.
- b. Employees in the Office/Clerical Unit shall be considered if there is no qualified bidder from the Communication Technician Unit to fill the position.
- c. If the Employer determines that there is no qualified bidder, the Employer may fill the vacancy from the other sources.
- d. Cross bidding shall not constitute a break in service; therefore, employees shall be promoted according to their current step progression with no loss in credit for longevity, retirement, and vacation accrual.

16.03

**Selection**

- a. It will be the function of the Employer, within fourteen (14) calendar days after the close of the posting period, to select the applicant based on qualifications and experience. When qualifications and experience are relatively equal, then seniority shall be the determining factor in the selection of the applicant. Successful applicants shall be prohibited from applying for any other bargaining unit vacancies for a period of one (1) year from the date of the reassignment, except when applying for a higher classification whereas that employee may be considered one (1) additional time.
- b. The Employer will provide each employee who bid on the posted position and was not selected a written notification within five (5) calendar days subsequent to the selection, listing the reasons why such employee was not selected for the posted position.

- c. The Employer will provide a notice to the Union showing the name, seniority date, and classification of the employee selected to fill the position, or that no employee was selected to fill the position. This notice shall be provided to the Union within five (5) calendar day subsequent to the decision to select or not to select an employee.

## **ARTICLE 17 DISCIPLINE**

17.01 The Employer shall have the right to discharge, suspend, or otherwise discipline any non-probationary employee for just cause.

17.02 The Employer will notify the Union, in writing, at least twenty-four (24) hours prior to the dismissal or suspension of any bargaining unit member covered by this agreement. The written notice shall contain the reasons for and the disciplinary action to be imposed. The employee shall have the right to Union representation if available. If a Union representative is not available within twenty-four (24) hours, the Employer may proceed with the disciplinary process. The employee shall receive a copy of any written disciplinary action at the disciplinary meeting. Should a situation arise where the Employer determines that due to the seriousness of a situation, an employee or employees should be immediately placed on administrative leave with pay and required to leave the Employer's premises, the Union representative will be notified. An employee charged with a felony indictment or indicted for a crime of moral turpitude, such as dishonesty, theft or conduct contrary to morality or fraudulent activity, will, at the Employer's discretion, be placed on administrative leave without pay. The Employer shall continue to pay the employee's insurance premiums as set forth in this contract during this unpaid leave of absence up to a period not to exceed three (3) months.

17.03 For all other disciplinary actions, including a supervisor's verbal consultation that pertains to discipline, warnings and reprimands, employees shall be given at least two (2) hours advanced notice of the Employer's intent to discipline and of the employee's right to Union representation during the disciplinary meeting.

17.04 Any records of disciplinary action taken against an employee shall expire and not be used against the employee for the purposes of progressive discipline provided there has been no intervening disciplinary action taken against the employee during the specified time period as follows:

- a. Disciplinary actions resulting in no loss of time or pay – 8 months;
- b. Disciplinary actions resulting in the loss of time or pay not to exceed five (5) days pay - 15 months;
- c. Disciplinary actions resulting in the loss of pay or time exceeding

five (5) days pay - 18 months.

If intervening discipline has not occurred, said notations shall be removed from their file and personnel file if the employee requests the removal of the disciplinary notation in writing. Said requests must be directed to the attention of the Personnel Administrator. Last chance agreements are not subject to the above time limitations.

17.05 The Employer shall take disciplinary action within fifteen (15) business days of the date the Employer determines there is cause for discipline. If such disciplinary action is not taken against an employee within such period of time, the disciplinary action is deemed withdrawn. Furthermore, if the Union alleges the Employer engaged in unreasonable delay prior to the date the Employer determined there was cause for discipline of an employee, the Employer agrees to demonstrate to the Union that the delay was not unreasonable. If no agreement is reached as to the reasonableness of the delay, the Employer shall bear the burden of proving reasonableness at any arbitration of the matter.

17.06 Any suspension shall be for a specific number of consecutive days which the employee would regularly be scheduled to work. Holidays occurring during a period of suspension shall not be counted as work days for purpose of suspension. The employee may request and the Employer may approve that accrued vacation, floating holiday or holiday compensatory time be forfeited up to the length of the suspension. However, a record of the suspension will be maintained regardless of forfeited accrued time as set forth in Section 17.04.

## **ARTICLE 18 GRIEVANCE PROCEDURE**

18.01 The term "grievance" shall mean any dispute or difference between the employee and the Employer or the Employer and the Union concerning the interpretation of and/or application of, or compliance, with any provision of this Agreement, including disciplinary action against a non-probationary employee (those who have passed initial newly hired probationary period). Such grievance shall be processed in accordance with the terms of this grievance procedure.

18.02 A policy grievance which affects all or a substantial group of employees and arising from the same event or set of facts may initially be presented by the Union at Step 2 of the grievance procedure. Grievances involving the discharge or suspension of a non-probationary employee, or any other running-back-pay liability case, may be brought initially to Step 2 of the grievance procedure.

18.03 The time limits provided for in this article may be extended by mutual agreement of the Employer and the Union. Any grievance not presented within the time limit of any step shall not thereafter be considered a grievance under this agreement. Failure to provide a timely answer under any step of the grievance procedure shall entitle the employee and/or Union to proceed to the next step. Any disposition of a grievance between the Employer and the Union shall be final, conclusive, and binding on the Employer, the Union, and the employees. The Union shall have the right to withdraw any grievances from the grievance procedure, and the

withdrawal of any grievance shall not be prejudicial to the positions taken by the parties as they relate to that grievance or any other grievances.

18.04 It is important that the employee complaints regarding suspension and/or discharge be handled promptly; therefore, such disciplinary action may be filed at Step 2 of the grievance procedure.

18.05 Should a grievance, as defined above, arise between the Employer and an employee or Employer and Union, such grievance shall be processed as described below:

Step 1:

An employee who has a grievance will take it up orally with his immediate supervisor. Upon the employee's request, his steward will be present. Such grievance shall be taken up within ten (10) work days of the incident's occurrence, or within ten (10) work days of the time at which the employee gains knowledge of the occurrence. The supervisor shall answer the employee's grievance within ten (10) work days after the grievance is presented to him. A steward having an individual grievance in connection with his own work may ask for the Chapter Chairperson or his designee to assist him in adjusting the grievance with his supervisor. The grievant and the immediate supervisor will both sign the appropriate form (Appendix A) in order to acknowledge the occurrence of Step 1 of this procedure.

Step 2:

If the grievance is not satisfactorily settled at Step 1, the grievant may, within ten (10) work days after receipt of the Step 1 answer, have his grievance reduced to writing and filed by the Union with the Director of Personnel on a Grievance Form setting forth the details of the grievance (namely, the facts upon which it is based, the date and time of occurrence, the relief or remedy requested, and the section or sections of this agreement alleged to have been violated), dated and signed by the employee and the Union Representative. The Director of Personnel, or designee, shall provide a written answer to the grievant and the Union Chapter Chairperson within ten (10) work days of receiving the grievance.

Step 3:

The parties may mutually agree to mediate a grievance prior to the selection of the Arbitrator. The mediator shall be chosen from the panel of arbitrators, but shall not be used as the Arbitrator, should mediation fail and the grievance goes to arbitration. Costs of grievance mediation shall be split between the parties.

Step 4:

If the grievance is not satisfactorily settled at Step 2, it may be submitted for arbitration upon request of the Union in accordance with Step 4 of this Article. Should any grievance not be settled satisfactorily at the second (2<sup>nd</sup>) step, the Union may, within thirty (30) work days of the receipt of the second (2<sup>nd</sup>) step answer, submit a request for arbitration to the Employer. The Arbitrator shall be selected from the permanent panel of arbitrators set forth in this Section 18.06. The parties may also mutually agree to select an Arbitrator from the American Arbitration Association (AAA) in accordance with its rules.

The fees and expenses of the Arbitrator shall be borne by the losing party. The fees will be split in the event of a split award. The Arbitrator shall have jurisdiction only over disputes arising out of grievances as defined herein. The Arbitrator shall not have the power to add to, subtract from, or modify any terms or conditions of this agreement. All decisions of arbitrators consistent with their jurisdiction, power and authority as set forth herein and all pre-arbitration grievance settlements reached by the Employer and Union shall be final, conclusive and binding on the Employer, the Union and the employees. The Arbitrator shall be requested to render a written decision on the parties within thirty (30) days of the close of the hearing.

18.06 Employee Union witnesses, the grievant, and employee Union Representatives shall not lose pay for attendance at mediation or arbitration proceedings.

18.07 There is hereby established, a permanent panel of arbitrators. These individuals shall be: 1) James Mancini; 2) Robert Stein; 3) Harry Graham; 4) Dennis Byrne; 5) David Pincus; 6) Anna DuVal Smith; and 7) Dennis Minni.

#### **ARTICLE 19 EMPLOYEE EVALUATION**

19.01 Each employee shall be evaluated by his/her immediate supervisor once each calendar year, during the anniversary month of the previous year's evaluation. Both the employee and the supervisor shall participate in all evaluations. The employee shall be given an opportunity to examine all evaluations and discuss the findings with his supervisor, and to sign the evaluation form to indicate that he has done so. In the event any employee refuses to sign an evaluation form, it shall be so noted on the evaluation form by the employee's supervisor and a witness.

Evaluations shall be used for the purpose of calling an employees attention to perceived area where the employee can show improvement.

19.02 Any additional comments, statements, or objections by the employee to the evaluation, may be indicated on the evaluation form. Employees will receive a copy of all evaluations and memorandums. Such memorandums must be signed by the employee. Employee signature does not mean concurrence with the memorandum, only that the employee has seen and received a copy of the memorandum and evaluation.

#### **ARTICLE 20 PERSONNEL RECORDS**

20.01 Personnel files are considered public records as defined in the Ohio Revised Code. Employees shall have access to their records as maintained in the Personnel Office, at a scheduled time and with reasonable notice.

**ARTICLE 21  
HOURS OF WORK/OVERTIME**

21.01 The standard work period for a full-time employee shall consist of forty (40) hours in a seven (7) day period. All hours worked in excess of forty (40) hours in a seven (7) calendar day, period shall entitle an employee to premium compensation at the rate of one and one-half (1½) times their regular hourly rate of pay. Employees shall be given two (2) consecutive days off during the seven (7) calendar day period.

The work period shall commence at 00:01 a.m. hours on Monday and end at 24:00 p.m. on the following Sunday.

Negotiated changes in this paragraph, 21.01, shall become effective at the beginning of the first full payroll period after execution of this Agreement.

21.02 Normally, the shift times shall be as follows:

First Shift	6:30 a.m. - 2:30 p.m.
Second Shift	2:30 p.m. - 10:30 p.m.
Third Shift	10:30 p.m. - 6:30 a.m.
Float Shift	To be scheduled by the Employer as required.

If it is necessary, based upon operational needs, the Employer reserves the right to set the hours, shifts, work days, and work week according to the Employer's needs for continuous operations.

21.03 Employees who are scheduled to work an eight (8) hour shift shall be provided a thirty (30) minute paid meal period each work day. The meal period shall be scheduled as close as possible to the middle of each shift. Employees who are requested and do work four (4) hours beyond the employee's regular quitting time shall be provided a twenty (20) minute paid meal period and each four (4) hours thereafter while the employee continues to work.

21.04 There shall be no duplication (pyramiding) of overtime for the same hours worked or for premium hours paid (i.e., court time, call-in, etc.). Overtime shall be calculated in one-tenth (1/10) hour increments. Only hours actually worked in a work period, pre-approved sick time (does not include same day request or approval), or pre-approved vacation or holiday compensatory time shall be considered hours worked in the work period for the purpose of determining overtime eligibility and payment.

21.05

- a. When the Employer determines that it is necessary to work full time employees beyond their shift, overtime work shall be offered, and distributed as equitable as practical within each department to all qualified employees who have completed their probationary period and working within the same job classification. A qualified probationary employee may be called in or assigned overtime work,

if permanent qualified employees are unavailable for such work. All employees shall provide the Employer one (1) number where they can be reached by the Employer for overtime purposes. This number shall be a land line number, a cell phone number, or a pager number. This number shall then be utilized by the Employer to contact employees under this Article.

- b. On January 1 of each succeeding year of this agreement, charged overtime hours shall revert to zero (0). Initial overtime assignments, at the beginning of the new year, will be offered by order of seniority to qualified employees. Once all employees have been offered overtime opportunities, using these procedures, the offering of overtime opportunities shall then revert to an offering of overtime to the extent practical.

On each occasion, the opportunity to work overtime shall be offered to the employee who has the least number of overtime hours to his credit at that time. If however, the employee does not accept the assignment or cannot be contacted, or fails to work it, the hours offered shall be charged to the employee and will be recorded and will be part of the total hours to the extent practical. The "total hours" under this provision shall mean all overtime hours worked annually, including overtime hours due to being held over by the Employer, and all hours offered and refused as set forth in this provision. The employee with the next fewest overtime hours to his credit shall then be offered the overtime assignment. If the Employer inadvertently fails to offer overtime to an employee as outlined above, such employee shall be offered the next available overtime opportunity.

If sufficient employees do not accept an overtime assignment/opportunity, the Employer may select a qualified employee from outside the classification or may require the least senior employee in the classification on the shift to work overtime. On the next occasion, the employee who is the next least senior employee on the shift will be required to work the overtime. This procedure will continue until all employees and on the shift have been required, in the inverse order of their seniority, to work overtime. The procedure will then start again with the least senior employee on the shift.

- c. It shall not be necessary for the Employer to follow the procedure set forth in this section in selecting employees to work overtime when the Employer does not have sufficient notice of at least three (3) hours of the necessity for such overtime. In situations where the employee(s) need two (2) hours or less additional time to complete

a job, management need not use the overtime list.

d. Management shall not be obligated to call an employee for overtime when the employee on said day(s) reported off for any of the following reasons:

1. Sick leave
2. Vacation
3. Authorized or unauthorized leave (one (1) day or more, as well as any portion of a day).

However, the employee shall not be charged with the hours if on vacation, holiday, compensatory time off or pre-approved sick leave.

e. The Employer agrees to post a record of overtime hours worked and/or refused on the departmental bulletin boards every twenty-eight (28) days. This listing of employees shall be by classification, shift, and department.

21.06 Work regularly performed by an employee in the bargaining unit shall not be performed by supervisory personnel and excluded classifications, except as set forth in Article 2, Section 2.03 (Recognition), in order to deny overtime work to bargaining unit employees.

21.07 If a part-time employee works forty (40) or more hours per week for twenty-six (26) consecutive weeks, such employee may, upon his request to the Employer, have his status changed from part-time to full-time. This does not apply in any situation where a part-time employee is filling in to cover a leave of absence of another employee.

21.08 For purposes of daylight savings time adjustments, work hours shall be based on the County's time clock with no regard to "spring forward" or "falling back" one actual hour. Normal work days, including any work on a midnight or third shift, will be eight (8) hour regardless of actual hours worked.

## **ARTICLE 22 HOLIDAYS**

22.01 Full-time employees shall receive the following paid holidays each year of the agreement:

1. New Year's Day                      First day in January
2. Martin Luther King Day          Third Monday in January

- |     |                        |   |

Any other day designated by act of the County Executive or Sheriff in conjunction with County Council will also be considered as a paid holiday.

22.02 To be entitled to holiday pay, an employee must be on the payroll (actually receive pay) during the week the holiday falls. An employee who does not work on a holiday shall receive eight (8) hours pay at his regular rate of pay, if the employee is on the payroll during the week the holiday falls.

Employees who are required to work on a holiday shall receive one and one-half (1½) times their regular rate of pay for hours worked in addition to eight (8) hours holiday pay or eight (8) hours of compensatory time, at the employee's option. The employee must work the last scheduled work day before the holiday and first scheduled work day after the holiday in order to receive holiday pay or compensatory time. In the event that an employee is absent due to sickness for either or both days, verification, acceptable to the Employer, must be provided with a doctor's slip in order for the employee to receive pay or compensatory time for said holiday.

22.03 When a holiday falls on a Saturday, the preceding Friday shall be observed as a holiday. When a holiday falls on a Sunday, the following Monday shall be observed as a holiday. Employees in classifications that either work in a continuous operation, or a non-Monday

through Friday schedule, shall observe the holiday on the dates specified in Section 1 above.

22.04 If a holiday falls during an employee's approved vacation period, he shall be paid for the holiday and his vacation adjusted accordingly.

If a holiday is observed while an employee is receiving sick pay, he shall be paid holiday pay for the holiday within the same period that all other employees receive holiday pay, and such time shall not be deducted from the employee's sick leave balance.

22.05 An employee shall be normally scheduled off on the day requested, for use of holiday compensatory time, upon five (5) days advance notice to the employee's supervisor. However, the granting of such time off requests are subject to the manpower needs of the Employer. Once a holiday compensation day has been approved, no other article of time off request shall supersede (i.e., vacation request).

Holiday compensatory time to an employee's credit as of December 1<sup>st</sup> of each agreement year shall be paid at the rate of one (1) hour of pay for each compensatory time hour, prior to December 20<sup>th</sup>, of the calendar year.

22.06 A part-time employee who is normally scheduled to work, but is not because of a holiday, shall receive straight time pay for those hours the employee would otherwise have been scheduled to work. A part-time employee who works a holiday shall receive one and one-half (1½) times his regular rate of pay for those hours actually worked, in addition to straight time holiday pay for those hours scheduled on the holiday.

For purposes of this section, holidays shall be as follows:

New Year's Day	First day in January
Martin Luther King Day	Third Monday in January
President's Day	Third Monday in February
Memorial Day	Last Monday in May
July 4 <sup>th</sup>	Fourth day in July
Labor Day	First Monday in September
Columbus Day	Second Monday in October
Veteran's Day	Eleventh day in November
Thanksgiving	Fourth Thursday in November
Day after Thanksgiving	Fourth Friday in November

Christmas Day

Twenty-fifth day in December

For eligible part-time, non-continuous operations personnel, when a holiday falls on a Saturday, the preceding Friday shall be observed as a holiday. When a holiday falls on a Sunday, the following Monday shall be observed as a holiday. For eligible continuous operations personnel, holidays shall be observed on the dates specified in this section.

22.07 In the event the County Executive or Sheriff declares that any Summit County office, agency or building be officially closed at which any bargaining unit employees are employed, the bargaining unit employee that is required to stay and work beyond the time of the building closure will receive pay for the remaining hours of work within their normal day at time and one-half the employee's normal rate of pay. Employees who are required to work on the second and/or third shift will also receive time and one-half the employee's normal rate of pay if the building remains closed through the remainder of that day and they are still required to report to work. Employees who are not working after the building closes will receive their regular rate of pay for that day.

Employees not scheduled to work because of scheduled vacation, sick leave or the continuation thereof, or other forms of paid leave, will be charged for the leave regardless of the declared building closure. If, however, the employee is at work on the day the building closure is declared, but prior to that declaration the employee submits any leave for that day, the employee may withdraw that leave and will not be charged leave for that day.

### **ARTICLE 23 VACATIONS**

23.01 Full-time bargaining unit employees, who have completed one (1) year of service with the County or any political subdivision of the state, shall be eligible for and annually thereafter, eighty (80) hours of vacation leave with full pay. One (1) year of service shall be computed on the basis of twenty-six (26) bi-weekly pay periods. An employee who has attained five (5) or more years of service with the County or any political subdivision of the State shall be eligible for, and annually thereafter, one hundred twenty (120) hours of vacation leave with full pay. An employee who has attained ten (10) or more years of service with the County or any political subdivision of the State shall be eligible for, and annually thereafter, one hundred sixty (160) hours of vacation leave with full pay. An employee who has attained fifteen (15) years of service with the County or any political subdivision of the State shall be eligible for, and annually thereafter, two hundred (200) hours of vacation leave with full pay.

Such vacation leave shall accrue to the employee at the rate of three and one-tenth (3.1) hours each bi-weekly period for those entitled to eighty (80) hours per year; four and six-tenth (4.6) hours each bi-weekly period for those entitled to one hundred twenty (120) hours per year; six and two-tenths (6.2) each bi-weekly period for those entitled to one hundred sixty (160) hours per year; and seven and seven-tenths (7.7) hours each bi-weekly period for those entitled to two hundred (200) hours per year. Employees shall forfeit their right to take or be paid for any

vacation leave to their credit which is in excess of the accrual for three (3) years. Such excess leave shall be eliminated from the employee's leave balance.

Upon separation or death of an employee, all earned but unused vacation leave shall be paid in full to the employee or his/her estate.

23.02 No vacation shall accrue while an employee is in a no pay status.

23.03 The Employer shall distribute a vacation calendar in each division one time annually in January each year. Employees may request, prior to February 1<sup>st</sup>, the dates which they prefer to use their accumulated vacation. Employees may request first and second choices during this preference scheduling period, and shall be notified by February 10<sup>th</sup> of the date approved for vacation. Such request shall be honored on the basis of the employee's seniority, subject to the following limitations and exceptions:

- a. Vacation requests submitted after February 1<sup>st</sup> shall be honored solely on the basis of order of application, and no seniority rights to preferred dates shall exist.
- b. All vacations must be scheduled and approved in advance by the Employer.
- c. An employee who has received approval of his vacation request, and is subsequently reassigned, shall not lose his right to that approved vacation period.
- d. Approval/disapproval for vacation leave shall be in writing to the employee within seven (7) calendar days from the submission of a request for vacation, if such request is outside the seniority preference period.
- e. Vacation shall not be involuntarily scheduled.
- f. Once vacation requests have been approved, no compensatory time off approval shall supercede the vacation approval.

23.04 Vacation will be granted in increments of one-half (1/2) hour when requested by the employee. If an employee, while on vacation, contracts an illness or injury or experiences a death in the family which would warrant paid sick leave had the employee been at work, such employee shall upon the showing or proper evidence and with the approval of the department head be allowed to charge such absence to sick leave rather than vacation time off.

23.05 An employee may request to receive cash payment for unused vacation of not more than ten (10) days per year and calculated at ninety (90%) percent of the employee's current rate of pay. Approval of the request shall be subject to the Employer's availability of funds. For the purposes of this section, "availability of funds" shall mean those funds that are within the

monies budgeted to the Sheriff within any annual appropriation, and which may legally be utilized for such purpose. An employee must submit such request by November 1<sup>st</sup> of each year and shall be notified of such approval or disapproval by November 15<sup>th</sup>.

23.06 A part-time employee will be permitted to take unpaid leave for vacation purposes. The amount of such leave shall be equivalent to the amount of time the employee is normally scheduled to work during a two (2) week period. The procedure for requesting such leave shall be the same as that outlined for full-time employees in Section 23.03 of this Article.

#### **ARTICLE 24 CALL BACK PAY**

24.01 A full-time employee who has finished his shift and left the premises shall be given at least four (4) hours pay or four (4) hours work at the appropriate overtime rate of pay when called back to work within the same work day.

24.02 A part-time employee who has finished his shift and left the premises shall be given at least two (2) hours pay or two (2) hours work at the appropriate rate of pay when called back to work within the same work day.

#### **ARTICLE 25 REPORT IN PAY**

25.01 A full-time employee who reports to work on a scheduled work day shall be provided eight (8) hours work in the employee's classification. If such work is not available, the employee shall be provided work, if available, in a different classification.

If no work is available for the employee, the employee shall be paid four (4) hours pay.

25.02 A part-time employee who reports to work on a scheduled work day, and if such work is not available, the employee shall be paid one (1) hour's pay for reporting to work.

#### **ARTICLE 26 SICK LEAVE**

26.01 Sick leave shall be defined as an absence with pay necessitated by: 1) illness or injury to the employee; 2) exposure by the employee to a contagious disease communicable to other employees; and/or 3) serious illness, injury or death in the employee's immediate family.

26.02 All employees shall earn sick leave at the rate of four and six-tenths (4.6) hours for every eighty (80) hours worked and shall accumulate such sick leave to an unlimited amount.

26.03 An employee who is to be absent on sick leave shall notify the Employer so such absence and the reason therefore at least one (1) hour before the start of his work shift each day he is to be absent.

26.04 Sick leave may be used in segments of not less than one-half (1/2) hour.

26.05 Before an absence may be charged against accumulated sick leave, the employee or designee may require proof of illness, injury or death, or may require the employee to be examined by a physician designated by the Employer and paid by the Employer. In any event, an employee absent for three (3) or more days must supply a physician's report to be eligible for paid sick leave.

26.06 If an employee fails to submit adequate proof of illness, injury or death upon request, or in the event that upon such proof as is submitted or upon the report of medical examination, the Employer's designee, at his discretion, finds there is not satisfactory evidence of illness, injury or death sufficient to justify the employee's absence, such leave may, at the Employer's discretion, be considered an unauthorized leave and shall be without pay.

26.07 Abuse or patterned use of sick leave shall be just and sufficient cause for disciplinary action.

The following are potential examples of sick abuse; however, this is not an exhaustive list: Failure to notify a supervisor of absences, failure to follow proper leave procedures, failure to provide physician's verification when requested or where required, any presentation of or reference to fraudulent documentation to secure time off, absences that create a pattern, maintaining low sick leave balances due to excessive/frequent sick leave usage (not including Family Medical Leave Act leave).

26.08 The Employer may require an employee who has been absent due to personal illness or injury, prior to and as a condition of his return to duty, to be examined by a physician designated and paid by the Employer, to establish that he is not disabled from the performance of his duties and that his return to duty will not jeopardize the health and safety of other employees.

26.09 When the use of sick leave is due to illness or injury in the immediate family, "immediate family" shall be defined to only include the employee's spouse, children, step children, or parents actually residing with the employee. When the use of sick leave is due to death in the immediate family, "immediate family" shall be defined to only include the employee's parents, grandparents, spouse, spouse's parents, child, step-children, brother, sister, half brother, half sister, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandchildren, aunt, uncle, niece, nephew, a legal guardian, or other person who stands in place of a parent, or person in loco parentis.

26.10 The previously accumulated sick leave of an employee who has been separated from the public service shall be placed to his credit upon his re-employment in the public service, provided that such re-employment takes place within ten (10) years of the date on which the employee was last terminated from public service. An employee who transfers from one (1) public agency to another shall be credited with the unused balance of this accumulated sick leave up to the maximum of the sick leave accumulation permitted in the public agency to which the employee transfers.

26.11 No sick leave may be granted to an employee upon termination of employment except as follows:

An employee who retires from active service with the Employer shall be paid sick leave conversion pursuant to the policy of Summit County, (i.e., 50% of accumulated unused sick leave not to exceed 90 days (720 hours)).

26.12 The Employer agrees to permit a full-time employee to take two (2) personal days per calendar year, with such time being deducted from the employee's sick leave balance. Such days shall be taken at a time mutually agreeable to the employee and his supervisor.

## ARTICLE 27 LEAVES OF ABSENCE

27.01 **Court Leave:** The Employer shall grant full pay where an employee is summoned and appears for any jury duty or subpoenaed and appears as a witness (outside the scope of his employment) by any court or other adjudicatory body as listed in this article. All compensation for such duty shall be reimbursed to the Employer for disbursement to the County Treasurer, unless such duty is performed totally outside of normal working hours. An employee released from jury or witness duty, at least two (2) hours prior to the end of his scheduled work day, shall report to work for the remaining hours.

Employees will honor any subpoena issued to them, including those from Workers' Compensation and the State Personnel Board of Review. Employees will not receive pay when appearing in court for criminal or civil cases, when the case is being heard in connection with the employee's personal matters (such as traffic court, divorce proceedings, custody, appearing as directed with juvenile, etc.) These absences will be leave without pay or vacation at the discretion of the employee.

An employee shall request prior approval for court leave in order for such leave to be granted.

Leave in excess of one hundred seventy-six (176) hours in one (1) calendar year shall be leave without pay, or vacation at the option of the employee. Employees are required to submit to the Employer an order or statement from the appropriate military commander as evidence of such duty. There is no requirement that the service be in one (1) continuous period of time. Employees who are members of those components listed above will be granted emergency leave for mob, riot, flood, civil defense, or similar duties when so ordered by the Governor of the State of Ohio, to assist civil authorities. Such leave will be without pay if it exceeds authorized military leave for the year. The leave will

cover the official period of the emergency.

27.03        **Unpaid Medical Leave.** If an employee becomes unable to perform the essential functions of his or her position due to disabling injury, illness or other medical condition, including pregnancy, he or she shall be given a medical leave of absence, upon presentation of proper medical documentation. Such leave shall not exceed one hundred eighty (180) days. The employee, at his or her option, may utilize any or all accrued sick leave and vacation leave prior to requesting an unpaid leave. Any family and medical leave granted for the same or a related disabling illness, injury, or condition shall be tolled against the one hundred eighty (180) days maximum duration. Except as required by the FMLA, benefits shall not continue or accrue during an unpaid medical leave.

              If the employee is unable to return to active work status within the one hundred eighty (180) days, due to the same disabling illness, injury, or condition, the employee will be given a disability separation.

              If the employee has been granted a disability retirement, the requirements for reinstatement shall be in accordance with the rules of the Public Employees Retirement System. If a medical examination is requested by the Employer, the Employer shall bear the cost of the examination.

27.04        **Education Leave and Educational Schedule Change.**

- a.        Leave without pay may be granted for a maximum period of one (1) year for the purpose of education or training which would be of benefit to the employee and the County. Consideration will also be given to voluntary service in a governmentally sponsored program of public betterment. Renewal or extension beyond the one (1) year period may be permitted. Employees who notify the Employer of their intent to return to work shall be considered for the next available opening for which they are qualified.
  
- b.        An employee who wishes to take educational classes which would benefit the employee and the Employer may temporarily trade work schedules with another employee to attend such educational classes in accordance with the following:
  1.        Such trades must be voluntary and limited to employees in the same classification and status (i.e., full-time or part-time).
  2.        Such trades may not involve employees who are completing probationary or trial periods.
  3.        Such trades may not interfere with the operational needs of the Employer.

4. Such trades will be limited to the period of time that the employee is enrolled in the classes.
  5. Such trades may not result in the payment of overtime.
  6. The employees must notify the Employer of their desire to temporarily trade work schedules at least fourteen (14) days in advance of the date that the classes are scheduled to begin (see Appendix B for Educational Schedule Change Form).
- c. Any employee who wishes to exchange a work shift with another employee may do in accordance with the following:
1. Such trades must be voluntary and limited to employees in the same classification and status (i.e., full-time or part-time).
  2. Such trades may not involve employees who are completing probationary or trial periods.
  3. Such trades may not interfere with the operational needs of the Employer.
  4. Such trades may not result in the payment of overtime.
  5. The employees must notify the Employer of their desire to trade work schedules at least three (3) days in advance of the date of the proposed shift exchange unless extenuating circumstance exist. Employees must use the Approved Schedule Change Form.

27.05 **Workers' Compensation Injury Leave.** In cases of compensatory industrial illness or injury, as determined by the Bureau of Workers' Compensation, a leave of absence shall be granted provided such leave is supported by medical documentation which states that the employee is not medically fit to return to full duty. Such leave shall continue for the duration of the illness or injury - providing such does not exceed two (2) years. No paid leave credits shall accumulate during this or any unpaid leave.

If the employee has not ceased such activity after the fourteen (14) days, and the Employer still believes the employee is acting in violation of federal law, the Employer shall once again advise the employee to cease such activity within seven (7) days or be subject to discipline, up to and including discharge.

- e. This will serve to confirm the parties' understanding that the Employer agrees to deduct from the wages of any employee who is a member of the Union a P.E.O.P.L.E. deduction as provided for in a written authorization. Such authorization must be executed by employee and may be revoked by the employee at any time by giving written notice to both the Employer and the Union.
