The parties agree to negotiate all matters pertaining to wages, hours, or terms and other conditions of employment and the continuation, modification, or deletion of an existing provision of the collective bargaining agreement in accordance with the provisions of Section 4117.08 of the Ohio Revised Code.

SECTION 1.3 NEGOTIATIONS PROCEDURES

Proposals submitted for negotiations shall be exchanged at the initial meeting by both parties. If the parties agree to participate in Interest-Based bargaining, issues to be discussed will be agreed upon at the initial meeting. No additional proposals may be submitted at a later date by either party unless mutually agreed upon.

B. Negotiating Teams

Second Contract	1 Year or 2 Years*

Such interruption may only occur once during the bargaining unit member's tenure. Said probationary contract will be reviewed after one year by the appropriate building administrator. At that time, the administrator may recommend resumption of the contract sequence.
- C. A bargaining unit member who becomes eligible for a continuing contract during the term of a multi-year limited contract may be considered for a continuing contract upon submitting the required documentation and a request for consideration to the Superintendent prior to November 1.
- D. This Article does not apply to supplemental contracts, substitutes who teach less than one hundred twenty (120) days and the employment of persons specifically excluded from the bargaining unit in accordance with Article I of this Agreement.

ARTICLE V

REDUCTION IN FORCE

The Board may reduce the number of teaching positions by suspending contracts for one (1) or more of the following reasons:

- Decline in student enrollment
- Return to duty of an employee after a leave of absence
- Territorial changes affecting the district
- Suspension and/or closing schools
- Financial reasons which may result in a significant decrease in funds from local, state or federal sources

SECTION 5.1 NOTIFICATION OF ANTICIPATED RIF

If the Employer determines a RIF may occur, the employer shall notify the Association in writing, no later than March 5th. The notification shall include the reason(s) for the RIF; the position(s) to be RIF'ed; the names of the Employees to be affected for the purpose of bumping (displacement); the date of Employer action to implement the RIF and the effective date of the RIF.

Within ten (10) days of receipt of the notification, the Association may request a meeting with the Employer to discuss reasons for the implementation of the RIF.

The Employer shall develop and provide the Union with a RIF list of potentially affected employees which shall be based on seniority and contract status within areas of certification/licensure no later than April 30th.

SECTION 5.2 SENIORITY

For RIF purposes only, individuals employed under a continuing contract shall have greater seniority than employees employed under a limited contract.

Seniority shall mean the length of continuous employment in a bargaining unit position as follows:

1. Seniority shall begin to accrue from the first day worked in a bargaining unit position.
2. Seniority shall accrue for all time an employee is on active pay status or is receiving

workers' compensation benefits.

3. Time spent on inactive pay status (unpaid leave or layoff) shall not contribute to the accrual of seniority but shall not constitute a break in seniority.
4. Full-time employees shall accrue one (1) year of seniority for each year worked as determined by the minimal full-time standard as defined by this contract.
5. Part-time employees shall accrue seniority pro-rated against the minimal full-time standard as defined by this contract.
6. No employee shall accrue more than one (1) year of seniority in any work year.

SECTION 5.3 EQUAL SENIORITY

If two or more teachers have the same length of continuous service, seniority will be determined by:

1. The date of the Board meeting at which the teacher was hired; and then by
2. The total years of teaching service in Ohio; and then by
3. The total years of teaching service; and then by
4. The date the teacher signed the initial contract in the district; and then by
5. The recommendation of the principal, using the formal evaluation process, attendance, commitment to professional growth and subjective analysis of other professional competencies; and then by
6. The casting of a lot.

SECTION 5.4 LOSS OF SENIORITY

Seniority shall be lost when an employee retires or resigns; is discharged for cause; or otherwise leaves the employment of the Employer. Seniority shall also be lost when a member of the bargaining unit leaves to take an administrative position.

SECTION 5.5 IMPLEMENTATION OF RIF

1. In making such reductions, the Board shall proceed by giving preference on the basis of those who have greater seniority. Bargaining unit members serving under continuing contracts will be given preference, in descending order of seniority.

2. Bargaining unit members serving under limited contracts will be placed under continuing contract teachers, also in descending order of seniority.
3. A seniority list including areas of licensure and current assignments will be compiled by the administration and distributed to the Association president by January 1 of each school year. Each employee shall have a period of thirty (30) days after the Association president receives the seniority list in which to advise the Employer or its agents in writing of any inaccuracies which affect his/her seniority. The Employer or its agent shall investigate all reported inaccuracies and make such adjustments as may be in order and post the updated list immediately. No protest shall be considered after this thirty (30)-day period and the list shall be considered as final.
4. Recommended reductions in a teaching field will be made by selecting the lowest person in seniority for that area of certification who is currently assigned to a position in that teaching field. A bargaining unit member so affected may elect to displace a member who holds a lower position in seniority for another area certification, provided he/she has successfully taught in the second area of certification for at least one hundred twenty (120) days in the last five (5) calendar years or has taken an academic refresher course of at least six (6) semester hours or nine (9) quarter hours in the other area of certification within the last five (5) years immediately preceding the reduction. Any such election must be made at the time the bargaining unit member is notified he/she will be affected.
5. Upon being notified of Reduction in Force (RiF), staff will have five (5) calendar days to notify the superintendent in writing of their intention to displace (i.e., "bump") and the position they are requesting. The first day of the five calendar days will be the day after notification. The superintendent must be notified no later than four p.m. on the fifth day. If a staff member is bumped, this procedure will continue until the bumping and displacement process is complete.

Non-notification of intent to displace within the five-day period will result in forfeiture of employment.

The superintendent will accept or reject with specific reasons the employee's request in a timely manner.

In the event of a rejection, the employee may elect to bump a different staff member or appeal the rejection to a joint committee equally represented by the LEA and the administration. The president of the LEA will select its representatives, and the superintendent will select the administrative representatives.

If the committee cannot arrive at a decision, the superintendent will make the final determination.

SECTION 5.6 RECALL RIGHTS

The names of bargaining unit members whose contracts are suspended in a RIF will be placed on a recall list for up to twenty four (24) months from July 1 of the year they were reduced. Bargaining unit members on the recall list will have the following rights:

1. No new teachers will be employed by the Board while there are teachers on the recall list who are certified for the vacancy.
2. Bargaining unit members on the recall list will be recalled in order of seniority for vacancies in areas for which they are certified, giving preference to those bargaining unit members who have successfully taught in that area of certification for at least one hundred twenty (120) days during the five (5) years preceding the reduction or have taken an academic refresher course of at least six (6) semester or nine (9) quarter hours within the last five (5) years immediately preceding the reduction.
3. If a vacancy occurs, the Board will send an announcement by certified mail to the last known address of the first person on the recall list who is qualified according to these provisions. It is the bargaining unit member's responsibility to keep the Board informed of his/her current address. The bargaining unit member is required to respond, by certified mail postmarked no later than ten (10) calendar days from the date of the postmarked certified mailing, to the district's central office. Refusing or not responding to an offer of a full-time teaching position will result in removal from the recall list.
4. A bargaining unit member on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulation of sick leave, fringe benefits, and salary schedule placement he/she enjoyed at the time of layoff.

The effective date of the RIF shall be determined by the Board.

When reasons for a RIF are determined, the bargaining unit member to be RIF'ed will be notified thirty (30) days prior to the effective date.

The Superintendent will inform the Association President of any planned reduction prior to the Board meeting at which such reduction is to be voted on.

Bargaining unit members whose contracts have been suspended due to RIF will have the right to pay total group insurance payments as required by COBRA.

The parties agree that these procedures apply only to the suspension of contracts under Ohio Revised Code 3319.17 or for financial reasons. This article shall not require the Board of Education to fill any vacancy, nor shall it interfere with any other lawful personnel procedures in the district.

ARTICLE VI

EVALUATION

SECTION 6.1 PURPOSES

The purposes of evaluation shall be as follows:

- A. To assist the bargaining unit member in improving instruction and effectiveness.
- B. To assist the bargaining unit member in evaluating himself/herself in achieving the Board established job performance expectations in the areas of assigned responsibility.
- C. To provide evidence of a bargaining unit member's performance.
- D. To provide information for consideration of advancement or the award of continued employment.

SECTION 6.2 EVALUATION PROCEDURE

A. Frequency of Evaluation

All bargaining unit members may be evaluated at least once each year except those on a continuing contract who shall be evaluated a minimum of once every three (3) years.

The evaluation of first and second year bargaining unit members, those whose limited contract expires at the end of the current year, and those who become eligible and request to be considered for a continuing contract while serving on a multiple year limited contract, will be based on at least two (2) evaluations: one to take place prior to December 10 and the second prior to March 30.

Any employee who exercises any leave of absence and thereby misses any required evaluations of that employee, in accordance with this contract, shall agree to waive the original scheduled dates for such evaluations and upon return from leave of the employee and within three (3) school days, the LEA president or designee will meet with the evaluating principal to mutually establish evaluation timelines.

Each evaluation shall be based upon at least two (2) observations of thirty (30) continuous minutes each. If additional evaluations are necessary, paragraph E of this Section will be followed.

The evaluation of all other members may be based upon one (1) evaluation per year.

- B. The parties agree to form a committee to revise the evaluation instrument. Both the president of the Association and the Superintendent shall appoint three (3) members to this committee. The committee will develop two (2) evaluation forms. One form will be

a comprehensive evaluation form; the second will be a limited evaluation form. The parties will also develop an observation form that will be used with both evaluation forms. The existing evaluation form shall be used until such time that the new forms are developed and approved by the parties.

C. Evaluation Reports

1. A written report of the results of each evaluation shall be given to the bargaining unit member prior to a scheduled conference to discuss the evaluation. A conference shall be scheduled at a mutually agreed upon time to discuss the evaluation but in no event shall said conference be held later than ten (10) work days following the last required observation.
2. The written evaluation, following a review by the bargaining unit member and the evaluator, will be signed by each party. One (1) copy will be given to the bargaining unit member and one (1) copy will be placed in the bargaining unit member's personnel file. The bargaining unit member's signature signifies only that the bargaining unit member has reviewed the evaluation and does not necessarily imply agreement with the evaluation.

The bargaining unit member shall have the right to attach comments or statements of disagreement relative to the evaluation within five (5) work days following the conference.

- D. A member of the bargaining unit may request an evaluation at any time from his/her principal or the Superintendent.
- E. A bargaining unit member whose evaluations reflect a need to improve one or more areas shall develop with his/her evaluator a positive program of improvement designed specifically to assist in the correction of professional difficulties or deficiencies identified in the evaluation process. The program shall include a plan for improvement as well as a reasonable opportunity to make any recommended changes. The program shall include a specific written plan for improvement as designated by the evaluation forms referenced in Section 6.2 (B). The bargaining unit member may waive his/her right to a written improvement plan. Until the forms referenced in Section 6.2 (B) are developed, the existing evaluation process and instruments shall be used.
- F. The judgment of the evaluator shall not be subject to the grievance procedure in the negotiated Agreement.
- G. Both the Board and the Association intend this provision to satisfy all evaluation requirements contained in Sections 3319.11 and 3319.111 of the Ohio Revised Code.

An observation is defined as a specified period of time during which a member is observed performing his/her assigned responsibilities by an authorized supervisor for the purpose of evaluating his/her performance.

An evaluation is the formal written record revealing a member's performance in accordance with established standards and, which was based upon a minimum of two (2) thirty (30) minute continuous observations performed by the member's authorized supervisor.

- H. The parties may mutually agree to extend the time deadlines under this Article prior to December 10 and March 30. Deadlines shall automatically be extended due to the absence of any of the participants' scheduled observation or evaluation dates by the number of days of the absence.

A bargaining unit member returning from an extended absence shall not be observed during a period less than five (5) days after the bargaining unit member returns to work so long as the evaluation deadlines in Section 6.2 (A) are not affected.

ARTICLE VII

A. Voluntary Transfer

1. A voluntary transfer is a requested transfer initiated by the bargaining unit member from one building to another, one grade level to another, or one subject area to another.
2. Bargaining unit members may request a transfer to another grade, subject or building by means of a letter to the Superintendent. The request shall set forth the reasons for transfer, the school, grade or position sought, and the applicant's qualifications. Such request shall not affect the teacher's existing assignment in the event no vacancy exists in the area to which the transfer is requested.
3. All requests for a transfer must be in writing and submitted to the Superintendent.
4. Requests for a voluntary transfer must be renewed each year.

B. Involuntary Transfer

1. An involuntary transfer is one that is initiated by the administration. Bargaining unit members may be involuntarily transferred to another grade, subject or building upon the initiative of the Superintendent.
2. Involuntary transfers and assignments shall be made in the best interests of the students and the school system. An involuntary transfer shall be made after the completion of the following procedures:

- a. The superintendent and/or his/her designee and the affected teacher(s) will meet to discuss the reasons for the change of teaching assignment. The affected teachers may request an Association representative be present during these meetings.
 - b. Those teachers who are involuntarily transferred will be permitted to requisition (within the building budget) materials which are necessary to implement the instructional process of the new teaching position.
3. If the involuntary transfer occurs during the school year, the affected teacher(s) shall receive three (3) days without students to be used as time for preparation.
 4. Any teacher involved in an involuntary transfer, will, at the end of the school year, after written application and providing the teacher is properly certified/qualified be given first consideration for voluntary transfers as defined in this article.

- E. Properly licensed and qualified members of the bargaining unit will be given first consideration for position openings for which they are qualified to fill. The Association recognizes that the Superintendent and the Board have the final decision-making authority on issues of employment.
- F. All transfers shall be made in a fair and equitable manner and shall not be arbitrary or capricious.

SECTION 7.4 NOTIFICATION OF ASSIGNMENT

- A. Bargaining unit members will be notified by June 1 of their tentative assignments for the following school year.

E. It is the intent of the Association and the Board to pursue a smoke-free environment district wide.

SECTION 11.2 CLASS SIZE

When adjustment is required under this Agreement, the Administration shall have the option to either reduce the number of assigned pupils in the homeroom (or, for grades 6-12, the total teacher load) or in the alternative, to provide additional compensation for the teacher as follows:

For each pupil in excess of the maximum number of pupils provided in this Agreement, after the grace period the teacher will be compensated at the rate of one hundred fifty dollars (\$150) per pupil per year. - B. If the complaint is referred to the staff member, he/she will be given the identity of the complainant and the opportunity to discuss the details of the situation with his/her principal or supervisor. Together they will cooperatively decide on an appropriate response to the complainant and/or solution to the situation causing the complaint.
- C. If the complaint is not referred to the staff member, then such complaint shall be disregarded and may not be used in any subsequent conference, evaluation or other assessment of the staff member involved.

The Emergency Removal Form must be completed entirely and submitted to the proper administrator.

ARTICLE XII

However, the principal may schedule a meeting as determined by necessity in lieu of the planned monthly meeting with a twenty-four (24) hour notice. In the event a meeting is rescheduled, any staff member unable to attend due to previously scheduled commitments will not be penalized.

The agenda for the regular monthly faculty meeting should be posted forty-eight (48) hours prior to the meeting.

Under emergency situations a special faculty meeting may be scheduled by the principal.

Bargaining unit members are required to attend all faculty meetings unless excused by the building principal.

ARTICLE XIII

LEAVES OF ABSENCE

SECTION 13.1 GENERAL

A leave of absence is defined as a period of extended absence from duty by an employee of the Board of Education for which a written request was submitted and approval given by the Superintendent and the Board. The Board may grant a leave of absence for a period not more than two (2) years for educational, professional or other purposes and shall grant such leave for illness or other disabilities for reason of the request if certified by a member's attending physician. A member of the bargaining unit returning to active service following a leave of absence shall be returned to the previous position held at the time the leave began, if available; otherwise he/she will be assigned to a position for which he/she is certified. No leave of absence shall be granted for employment in another business or occupation. For purposes of seniority and salary placement, said bargaining unit member will be counted as having been on leave.

Bargaining unit members must notify the Superintendent, in writing, no later than April 1 of his/her intention to return to duty. The leave of absence becomes a resignation if the teacher fails to comply with the April 1 notification. Bargaining unit members who have served in the London School District for four (4) years or more may be granted a leave of absence for not more than two (2) years for the purpose of approved study. No more than five percent (5%) of the instructional staff shall be granted leave at any one time.

SECTION 13.2 SICK LEAVE

Each full-time bargaining unit member of the Board will be entitled to fifteen (15) days of sick leave with pay for each year under contract and shall accrue sick leave at the rate of one and one-fourth (1¼) days for each month of service. Bargaining unit members may use sick leave for absence due to illness, injury, pregnancy, or exposure to contagious disease for themselves and/or immediate family. Immediate family for illness is interpreted as meaning spouse, children, parents, parents-in-law, grandparents, grandchildren, uncles, aunts, nieces and nephews and any other person residing in the bargaining unit member's household. Sick leave may also be used for the death of a relative of a bargaining unit member or for any emergency which warrants sick leave privileges as determined by the Superintendent. Sick leave may also be used for the death of a close friend provided all personal leave days have been used. Sick leave is cumulative to a maximum of three hundred fifty (350) days.

Should a bargaining unit member exhaust sick leave during the year, and upon written request of the bargaining unit member, the Board may advance up to fifteen (15) days of sick leave to the member. The Board and Association agree that any teacher who is advanced sick leave is obligated to repay all advanced sick leave upon return to duty or upon separation from the district or upon retirement.

In this case, the Board of Education shall require a bargaining unit member to furnish a signed form prescribed by the Board to justify use of sick leave.

The Board may require the bargaining unit member to submit to an examination, at Board expense, to determine the bargaining unit member's ability to return to work.

Sick leave may be used in one quarter ($\frac{1}{4}$), one-half ($\frac{1}{2}$) or full day increments.

A bargaining unit member who finds it necessary to be absent will notify the building administrator or designee the day before the absence or except in cases of personal emergency not later than ninety (90) minutes before the start of his/her school day. Sick leave will not be granted unless approved by the Superintendent, as in a case of an unavoidable emergency, if this procedure is not followed.

A bargaining unit member who has been absent shall notify the building principal(s) or designee no later than one (1) hour before the end of the teacher day of his/her intent to return or not to return to work the following day.

Members of the bargaining unit employed one hundred twenty (120) days or more during one (1) contract year (July 1 - June 30) shall be granted as one hundred twenty-five (\$125) attendance bonus for each of the following quarters during which they used no sick leave:

September	December	March
October	January	April
November	February	May

(This provision is NOT in effect for the 2011-12 school year.)

Any bargaining unit member using a total of twenty (20) or more days of sick leave over a two (2) consecutive year period may be required to furnish a physician's statement justifying the use of any absence beyond seven (7) days in the third year. Failure to furnish a physician's statement may result in the loss of pay for those days used beyond seven (7) days. Consideration will be given to absences due to extended illness.

SECTION 13.3 PROFESSIONAL LEAVE

A. Bargaining unit members may be granted professional leave to attend educational conferences related to the bargaining unit member's assignment or for visitation to exemplary programs. Such leaves must be approved by the principal and affirmed by the Superintendent. Bargaining unit members shall be reimbursed for mileage, meals (no reimbursement for alcoholic beverages) and registration to attend approved conferences and/or visitations.

Necessary expenses for lodging will be reimbursed when attending a conference and/or making a visitation which exceeds a radius of fifty (50) miles and the length of the program or visitation requires overnight lodging. Lodging may be reimbursed when traveling a shorter distance if it is necessary for the bargaining unit member to supervise students and/or the conference extends more than one (1) day and has an evening agenda.

- B. The bargaining unit members shall request professional leave at least one (1) week in advance of the date(s) requested on the form provided by the Board.
- C. Bargaining unit members shall submit their request for reimbursement on the form provided by the Board and shall include the proper receipts and documentation.
- D. Professional leave funds allocated to each building will be divided on a semester basis.

SECTION 13.4 MATERNITY/PATERNITY/ADOPTION LEAVE

A bargaining unit member may request a leave of absence without pay for the purpose of maternity, paternity, and/or adoption leave. Whenever possible, the written request and FMLA paperwork (see faculty forms on district website) must be submitted to the Superintendent at least thirty(30) days prior to the start of the requested leave of absence. The request shall state the length of absence and the anticipated date of return. Upon returning to the employment of the Board, the bargaining unit member shall return to the same position held at the time the leave began, if available; otherwise he/she will be assigned to a position for which he/she is certified.

Bargaining unit members shall have the option of requesting a maternity leave under FMLA. The bargaining unit member shall receive twelve (12) weeks paid leave if the bargaining unit member has the proper amount of sick leave to cover the twelve (12) weeks. Maternity/paternity leave begins upon the birth of a child. A bargaining unit member may request the remainder of a semester on a non-paid status. If the insurance is carried through the school district, the employee will pay the full premium during the non-paid leave.

Any bargaining unit member whose accumulated sick leave days are insufficient to cover the period of leave set forth in this article (12 weeks of paid) may use accumulated sick leave and following the exhaustion of accumulated unused sick leave, shall be granted maternity leave without pay for the remainder of the twelve (12) weeks allowed by FMLA, following the birth of a child.

Paternity leave shall be granted, upon request, via the Family Medical Leave Act.

A bargaining unit member adopting a child will be entitled, upon request, to use his/her accumulated sick leave up to six (6) weeks in connection with adoption of a child. Thereafter, the unit member will be entitled to leave without pay. If the insurance is carried through the school district, the employee will pay the full premium during the non-paid leave.

The continuing contract status of any such bargaining unit member shall not be adversely affected by parental leave, but the normal annual salary increment shall not be granted unless one hundred twenty (120) days of the contract have been fulfilled.

SECTION 13.5 UNRESTRICTED PERSONAL LEAVE

Each bargaining unit member may be granted three (3) days of unrestricted personal leave. Bargaining unit members employed between one (1) and sixty(60) days will receive one (1) personal leave day. Those employed from sixty-one (61) to one hundred nineteen (119) days will receive two (2) personal leave days and those employed one hundred twenty (120) days or more will receive three (3) personal leave days. Such leave will be granted upon submitting a request on a form approved by the Board to the building principal at least five (5) work days prior to taking of the personal leave. The request form shall make provision for the bargaining unit member's name, date the bargaining unit member desires to take personal leave, whether the bargaining unit member desires to take personal leave in whole or half day increments, and the bargaining unit member's signature.

The Association and the Board agree that the intent of the use of unrestricted personal leave is to enable members to conduct that personal business which cannot be conducted during the hours school is not in session.

The following limitations shall prevail:

- A. No more than ten percent (10%) of any building's staff shall be granted unrestricted personal leave at the same time.
- B. In cases where the building has less than ten (10) staff members, only one (1) bargaining unit member will be granted unrestricted personal leave on any given day.
- C. This leave may be used in one quarter ($\frac{1}{4}$), one half ($\frac{1}{2}$) or full day increments.
- D. Unrestricted personal leave shall not be cumulative.
- E. Unrestricted personal leave shall not be granted the day before or the day after a scheduled holiday or vacation or during the last two weeks of the student school year. In the event of an extreme emergency, a written request explaining the circumstances for the request may be submitted to the Superintendent for consideration and approval. The decision of the Superintendent shall be final.
- F. Members of the bargaining unit employed one hundred twenty (120) days or more during any one (1) contract year (July 1 - June 30) who do not use unrestricted personal leave shall be reimbursed as follows:

Use "0" days of unrestricted personal leave	\$150.00
Use one (1) day of unrestricted personal leave	\$100.00

Eligible bargaining unit members shall be reimbursed no later than the second pay date in June. (This provision is NOT in effect for the 2011-12 school year.)

- G. On any given day that absenteeism exceeds fifteen percent (15%) of a given buildings faculty, requests for personal leave maybe refused. Prior approved requests for personal leave shall not be rescinded without the approval of the teacher.
- H. Unused personal leave days shall rollover into sick leave at the end of the contract year (June 30).

SECTION 13.6 ATTENDANCE IN COURT

- A. Absence in Response to Subpoena or Jury Summons
 - 1. A bargaining unit member who is summoned for jury duty during normal teaching hours and who is subpoenaed to appear in a court will be granted a leave of absence from normal teaching duties to permit compliance, provided the bargaining unit member meets the following:
 - a. Notifies the Superintendent within two (2) days after receipt of the jury summons or subpoena.
 - b. Submits a statement signed by the bargaining unit member to the Treasurer stating the following:
 - (1) date and time in attendance at the proceeding
 - (2) actual amount of compensation which was received as a result of the appearance or, if no compensation was received, a statement so stating
 - c. The amount of any witness fee or other compensation, except that which is paid specifically for expenses incurred by reason of the subpoena or summons, must be remitted by the bargaining unit member to the office of the Treasurer before the end of the pay period in which the absence occurred.
 - 2. In court cases in which the bargaining unit member's presence is required, the Superintendent may authorize absence with no loss of salary in accordance with the provisions of this section. The decision of the Superintendent with respect to such matters shall be final.
