ARTICLE I – RECOGNITION

- 1.01 The Perkins Board of Education, hereinafter the “Board”, hereby recognizes the Perkins Education Association (OEA/NEA-Local) hereafter the “Association” as the sole and exclusive bargaining representative, for the purposes of and as defined in Chapter 4117 Ohio Revised Code, for all professional, non-supervisory personnel, as employed by the Perkins Board of Education, (as certified by the State Employment Relations Board), classroom teachers (K-12, full-time and part-time, vocational), guidance counselors, librarians, and department heads. The Association recognizes that the Superintendent, Assistant Superintendent, Principals, and other Administrative personnel as defined in Chapter 4117 Ohio Revised Code are excluded from the bargaining unit. Also excluded would be the athletic director. The Employer recognizes that Association representation will include any newly created position unless employment into the position is governed by Section 3319.02 of the Ohio Revised Code.

ARTICLE II – NEGOTIATIONS

- 2.01 Either the Association or the Board of Education may initiate negotiations in the year of contract expiration by letter of submission forwarded to the other party by February 1, outlining their intent to bargain as defined in Chapter 4117, O.R.C.
- 2.02 A. Within twenty (20) working days of transmittal of said submission letter, the parties shall hold their first negotiation session. At any negotiation session, either party may be represented by no more than five (5) representatives.
- B. All issues for negotiations by the Association and the Board shall be submitted in writing at the first meeting. No additional issues shall be submitted by either party, unless agreed to by both parties. This language shall not be interpreted by either party as limiting the right of one party or another to present counter proposals.
- C. Each party shall pay its own expenses pertinent to any representations or witnesses, and any expenses incurred in preparation for negotiating.
- D. Resource persons may be present by mutual consent of both parties.
- E. The following shall be determined at the commencement of each meeting prior to proceeding to negotiating items:
- 1) the time, date, and place of the next meeting;
 - 2) the agenda for the meeting in session;
 - 3) the time of the meetings should be approximately three (3) hours unless otherwise agreed.

- F. As negotiated items are tentatively agreed upon, each shall be initialed by each party.
 - G. When a contract has been reached by both parties, the tentative contract will be submitted to the Association for ratification. The ratified contract must be returned to the Board by the Association. The Board will at its next meeting approve or disapprove the contract by appropriate motion.
- 2.03 If after thirty (30) calendar days from the first negotiation session, agreement has not been reached on all items under negotiation, either party may call for the services of the Federal Mediation and Conciliation Services to assist in negotiations. If a party calls for Mediation involvement, the other party shall join in a joint request.
 - 2.04 The Board of Education agrees that the aforementioned Federal Mediation shall supersede all other dispute settlement procedures contained in Chapter 4117.14 O.R.C.
 - 2.05 The Association and the Board of Education may by mutual consent agree to enter into non traditional negotiations.

ARTICLE III – STRIKE CLAUSE

- 3.01 The Board of Education agrees that the members of the bargaining unit have the right to strike under Chapter 4117.14 of the Ohio Revised Code at the expiration of the contract, provided that the employee organization representing the employees has given a ten-day prior written notice of an intent to strike to the public employer and to the State Employment Relations Board.

ARTICLE IV – GRIEVANCE PROCEDURE

4.01 **PURPOSE**

The primary purpose of this procedure shall be to obtain at the lowest level and in the shortest period of time, equitable solutions to grievances which may arise from time to time.

4.02 **DEFINITIONS**

- A. A “grievance” is a claim by a member of the bargaining unit, that there has been a violation, misapplication, or misinterpretation of one or more of the provisions of this agreement. In the event that such a violation, misapplication, or misinterpretation of the agreement affects a group of teachers, the Association may file a grievance on behalf of the group, in which case the Association shall be the grievant.
- B. An “aggrieved person” is a member of the bargaining unit having a grievance. The Association shall designate one or more representatives for grievance

procedures in each school building. Any teacher may consult a representative for assistance.

- C. A "day" in this section where not stated, shall mean a working day. The number of days indicated at each level shall be considered as maximum and should be adhered to in expediting the procedure.

4.03 **PROCEDURE**

Time limits stipulated herein are considered maximums to ensure rapid resolution to problems. Time limits may be extended only by mutual agreement of all parties concerned. Failure of Administration to adhere to the time limits will affirm the grievance. Failure of the grievant to adhere to the time limits will result in a nullification of the grievance.

4.04 **LEVEL ONE – INFORMAL**

Within twenty (20) working days of an event or condition that an individual considers a grievance, he/she shall discuss the problem with his/her immediate supervisor, or with the member of the administration whose action or inaction created the situation in an attempt to resolve the problem without filing a formal grievance and meet with the aggrieved within five (5) work days of the request. The administration will respond in writing within five (5) work days of the meeting. He/she may do this alone or with his/her official Association representative.

4.05 **LEVEL TWO – FORMAL**

- A. In the event the aggrieved person is not satisfied with the disposition at Level One, within ten (10) working days after the receipt of the written response, he/she may inaugurate the formal proceedings and a hearing shall be arranged between the aggrieved, the immediate supervisor, or aggrieved administrator, and Association Representative, and other parties who may be needed to give information relative to the claim. The disposition by the Supervisor shall be added to the Grievance Report Form in triplicate within two (2) working days unless mutually agreed upon.
- B. In all levels of the formal proceedings, official Grievance Report Forms shall be made in triplicate; one (1) for the aggrieved; one (1) for the administration; and one (1) for the Association. (See Appendix A)

4.06 **LEVEL THREE**

- A. Within ten (10) working days, if the aggrieved person is not satisfied by the disposition of the appropriate Supervisor, he/she may seek a hearing with the Superintendent or his/her designated representative, after the hearing in Level Two, by completing Step Two of the Grievance Report Form in triplicate and submitting one copy of it to the Superintendent.

- B. In the event that the Level Two, or Formal Step, of this procedure was with the Superintendent, the next step would be Level Four.

4.07 **LEVEL FOUR**

- A. If the aggrieved person and the Association are not satisfied with the disposition in Level Three, he/she may demand that the issue be submitted to arbitration within five (5) work days after the Level Three hearing.
- B. Notwithstanding the language of Section 4.07 A., the parties may request the grievance to be mediated by a mediator chosen by the parties from the American Arbitration Association before the issue is submitted to arbitration. Such request shall be made by mutual agreement of the parties.
- C. The arbitration shall be conducted in compliance with the American Arbitration Association's voluntary rules and regulations.
- D. The arbitrator shall be appointed pursuant to the American Arbitration Association's Labor Arbitration Rules. Either party shall have the right to request an additional list if it is not possible to appoint an arbitrator from the first list supplied to the parties.
- E. The arbitrator will render the written decision and award no later than thirty (30) days following the closing of the record on the case. His/her decision shall be final and binding on the Association, its members, the employee or employees involved, the Board of Education, the Superintendent, and all other agents of the Board of Education. Cost of the arbitrator's services shall be shared by the parties.

4.08 **RIGHTS OF PARTIES**

- A. Both parties agree that grievance proceedings should be handled in a confidential manner.
- B. No teacher may be represented by any teacher organization other than the Association in any grievance procedure initiated pursuant to this procedure.
- C. No teacher shall be denied the right to legal advice and/or counsel in any of the levels listed above.
- D. Copies of all written decisions of grievances shall be sent to all parties involved, the Association president, the aggrieved, and the appropriate administrator.
- E. No records, documents, or communications concerning a grievance shall be placed in the personnel file of any of the participants in the procedures described in this agreement.

- F. Forms for processing grievances shall be made available through all administrative offices in each building, the central administration office, and designated officials of the Association including Building Representatives and members of the Association Grievance Committee.
- G. Records of the grievance proceedings shall be kept in a separate file, called grievance file, by the Treasurer of the Board. All records of proceedings will be kept until it is permissible to destroy them in accordance with the local "Records of Retention Policy".

ARTICLE V – LEAVE PROVISIONS

5.01 ASSAULT LEAVE

In the event of a physical assault on a teacher in the performance of his/her duties by a student of the district, which results in the teacher being absent, such absence will not be charged to sick leave.

Such assault leave shall be granted upon certification of the attending physician and shall not exceed one hundred twenty (120) days.

For purposes of this Article, to be entitled to assault leave, the assaulted teacher shall file formal charges with the appropriate law enforcement agency.

Assault leave shall not be granted if it is found by a court of competent jurisdiction that the teacher committed a criminal assault against the student causing the injury.

The Association will be granted for each OEA Representative Assembly not to exceed two (2) meetings annually, a maximum of two (2) days for three (3) delegates.

5.03 JURY DUTY/COURT LEAVE

When it becomes necessary for a teacher to accept jury duty, the teacher shall be paid his/her regular salary for the number of service days involved. The check received for jury duty must be endorsed payable to the Board. Such leave shall not be deducted from any other type of leave.

5.04 MILITARY LEAVE

Military leave shall be granted to teachers pursuant to Ohio Revised Code.

5.05 PERSONAL LEAVE

A bargaining unit member shall be allowed to take personal leave days to attend or to travel to school related athletic events that occur during the work day in which their child(ren) are participating. The right to use personal leave days for school related athletic events shall be limited to that level of competition prior to the state event and the competition at the state level.
 - B. A bargaining unit member who wants personal leave for a short period of time (i.e. 2 hrs or less) may avoid taking personal leave by making arrangements with another bargaining unit member to cover his/her assignment. The bargaining unit member covering for a fellow bargaining unit member shall not be entitled to additional compensation under Article XXI. The bargaining unit member shall inform his/her immediate administrative supervisor of the time of the leave, the duration of the leave, and the fellow bargaining unit member that is covering the duty assignment.
4. Personal business would **NOT** include such activities as vacation, extending a vacation or holiday period, social or recreational activities, shopping trips, hobby activities, secondary employment, accompanying spouse on a trip, job hunting, sick leave, etc. If a questions arises as to the appropriateness of a reason, it should be reviewed with the immediate supervisor **before** taking the leave.
5. If the Administration has reasonable grounds to believe that a bargaining unit member has applied for and used personal leave in violation of #4, above, the Administration may request the bargaining unit member to verify his/her use of personal leave. Any bargaining unit member found to have used personal leave for any of the activities cited in #4, shall be reprimanded and have his/her salary docked for the day in question and/or face criminal prosecution.
6. Written request for personal leave shall be submitted at least three (3) days in advance of the date for which leave is requested. If three (3) days notice is not possible the staff member shall notify the building principal or immediate supervisor as soon as possible. In such situations, the personal leave form shall be submitted during the first workday after conclusion of the leave.
7. When a member requests personal leave on the appropriate form the member is not required to list specific reasons. There will not be a deduction in salary or sick leave when personal leave is used in accordance with this provision.
8. Personal leave shall only be used in increments of one (1) or one-half (1/2) days.

5.06 A. **LEAVE OF ABSENCE (UNPAID)**

A leave of absence for up to one (1) year shall be granted by the Board of Education to members of the teaching staff for the following purposes:

1. Personal illness
2. Physical or mental disability
3. Pregnancy

The Board of Education may, but shall not be obligated to do so, grant an unpaid leave for the following purpose if so recommended by the Superintendent:

1. Election to political office

An employee desiring such leaves, shall present in writing, a request stating clearly the reason and purposes of the leave to the Superintendent. When the reason for the leave is personal illness, physical or mental disability, or pregnancy, an employee shall also attach a doctor's statement.

The Superintendent shall report the request to the Board at the next regular meeting. Without request, the Board may grant a leave of absence because of physical or mental disability.

If a leave of absence is granted for personal illness, physical or mental disability, or pregnancy, it may be extended for a second year by written request presented to the Superintendent and with the approval of the Board.

Any employee who is on leave of absence and who wishes to return to his/her duties at the beginning of the following school year shall notify the Superintendent of such intention no later than May 1st.

Upon return from a leave of absence, a teacher shall resume the contract status held prior to such leave and will be returned to a position for which he/she is qualified. Teachers using any Board approved leave of absence shall not lose seniority held prior to the leave, nor shall they gain additional seniority for the time on leave.

Teacher(s) on an unpaid leave(s) of absence as stated herein shall not be eligible to receive any of the following benefits:

1. The accrual of sick leave
2. Payment for calamity day(s)

Contingent upon the procedures established by the insurance company(ies) providing the specific coverage, an employee shall be eligible to have any and all of his/her insurance coverage continued during an unpaid leave of absence, provided the employee pays the premium(s) for said coverage no later than the first day of each month.

B. **PARENTAL LEAVE**

A non-paid parental leave shall be granted to a teacher for the purpose of child bearing or adoption of a child less than six (6) years of age or upon request and on the conditions set forth below.

A teacher who is expecting or adopting a child will be entitled to a leave of absence without pay for paternity reasons to begin at any time between the commencement of pregnancy, or in the case of adoption, the receipt of custody, and up to one (1) year after the child is born or adopted. Such leave may be for a one (1) year period and may be extended up to two (2) years.

1. **Application for Leave**

b. This contract will automatically expire at the conclusion of the last contracted teacher day or the date indicated as the teacher's return date without prior written notice of nonrenewal.

c. The provisions of O.R.C. 3319.11 and 3319.111 shall not apply to a teacher employed under this provision but any teacher who is employed the following year under a regular teaching contract shall receive seniority for the time spent as a replacement teacher.

4. **Insurance Coverage While on Leave**

Insurance coverage(s) shall be continued for a bargaining unit member on such leave upon his/her payment of premium. Said premiums will be payable at the beginning of each month at the office of the Treasurer.

5. **Exclusions**

Teacher(s) on parental leave shall not be eligible to receive any of the following benefits:

- a. The accrual of sick leave
- b. Payment for calamity days

5.07 **PROFESSIONAL LEAVE**

The Board of Education and the Perkins Education Association agree to the following guidelines or definitions of Professional Leave, which shall be applied for on the Professional Leave Form.

- A. Professional Leave is a leave from a teacher's position to attend a conference, seminar, or workshop which has a direct bearing and immediate benefit to the teacher in the performance of his/her duties and is consistent with building, district and subject goals. Professional Leave is also understood to include visits to selected schools or school districts that would yield a direct benefit to the teacher.
- B. The Professional Leave Fund, excluding funds for mandated meetings, will be allocated per building on a professional staff per capita basis. The school to which the teachers report first to on Monday will be their designated home school building. Funds will be appropriated for each building on July 1st for use during that contract year. The total amount for each building shall be based on the number of bargaining unit positions in that building as of September 1 x \$300. Unused building funds shall be carried over and the professional leave committee shall encumber unused funds by June 15. Each teacher shall normally be limited to three (3) contract days of teacher-initiated professional leave per school year for non-supplemental leave reasons. Additional days may be approved by the building's Professional Leave Committee.
- C. With the approval of the principal and/or athletic director, three (3) days of professional leave may be taken per year without the loss of pay to attend a clinic(s), workshop(s), seminar(s), or an event of state level competition. This leave shall be considered supplemental leave. This restriction does not include professional days off for district, regional, or state competition in which the team, individual team members, or the organization is competing.
- D. There shall be a professional leave committee established in each building made up of the building principal and members selected by PEA. The director of curriculum and PEA president shall be ad hoc members of each committee. The committee shall review, approve and authorize professional leave funds based on their building and individual bargaining unit member's needs. The procedures for approval and reimbursement shall be consistent district wide and in accordance

with the PEA professional guidelines (Appendix J). Changes in IRS allowance rates will be emailed to the PEA president.

- E. Items considered for reimbursement shall include receipt and verification for all expenditures. No expenditures shall exceed amounts approved by the committee. Failure to submit form 5.07b within twenty-one (21) calendar days following the end date of the leave shall result in forfeiture of all reimbursable expenses. The following items will be considered reimbursable:
 - 1. Lodging, where conferences require overnight accommodations.
 - 2. Registration and direct expense costs for the conference the teacher is attending.
 - 3. Mileage as per Article 16.01 of this Agreement.
 - 4. Reimbursement will not be granted for any alcoholic beverages.
- F. The building's professional leave fund will be credited up to fifty dollars (\$50) for each professional leave taken on a non-contractual day.

5.08 **SABBATICAL LEAVE**

The Board of Education may provide sabbatical leave in keeping with the provisions of the Ohio Revised Code 3319.131.

5.09 **SICK LEAVE**

- A. Each full-time certified employee shall receive 1 1/4 days sick leave per month.
- B. Each part-time certified employee shall accumulate pro-rated sick leave as provided in the Ohio Revised Code.
- C. All new employees shall be advanced five (5) days of sick leave credit after the first day of work.
- D. Sick leave shall be accumulated to two hundred and twenty (220) days. After two hundred and twenty (220) days of sick leave have been accumulated, a bargaining unit member will accumulate 1 1/4 days per month (15 per year) to be used only in the year of accumulation. Sick leave will be deducted from those accumulated days the year before they are taken from the two hundred and twenty (220) previously accumulated days. The unused days above two hundred and twenty (220) are erased at the end of the school year, July 31 each year. This addition does not affect the severance pay article.
- E. New employees shall receive credit for sick leave accumulated up to two hundred and twenty (220) days in any elementary or secondary school chartered by a State Department of Education or public agencies in Ohio. It will be the

responsibility of the new employee to supply the Treasurer with the address of the former employer to secure a certified record of the accumulated sick leave from the former employer.

- F. Any employee of the Perkins Board of Education who is absent from school duty because of illness in his/her immediate family (spouse, father, mother, children, sisters, brothers, father-in-law, mother-in-law, brothers-in-law, sisters-in-law, grandparents, or any person who is a member of the immediate household) shall be entitled to full pay for such absences.
- G. For personal illness or immediate family illness, the employee may be required to furnish a statement of attending physician after a prolonged absence.

H. **MATERNITY LEAVE**

- 1. A bargaining unit member may use sick leave for illness and/or injury arising out of pregnancy, or illness and/or injury of the member, the member's spouse, or child as a result of the birth of a child. There is no limit on the number of sick days that may be used, as long as the bargaining unit member's doctor certifies that the bargaining unit member/spouse is ill or injured and unable to return to work, or that the child is ill or injured.
- 2. The use of sick leave days because of an illness or injury due to pregnancy or birth is not to be construed as a means that an otherwise healthy bargaining unit member may stay home with pay solely to be with a new born child.

5.10 **FAMILY AND MEDICAL UNPAID LEAVE**

An employee employed no less than half-time with at least 12 months of service in the Perkins Local Schools shall be granted up to 12-weeks, unpaid family medical leave (during each fiscal period) for:

- 1) the birth and the first-year care of a child;
 - 2) the adoption or foster placement of a child;
 - 3) the serious illness of a member of the employee's immediate family as defined in Section 5.09 of this Article; and
 - 4) the employee's own serious health condition that keeps the employee from performing the essential functions of his or her job in accordance with the following specification:
- A. The employee shall apply in writing to the Superintendent or his/her designated representative not later than thirty (30) days prior to the beginning date of the requested leave of absence, if leave request was foreseeable. The written application, requiring Superintendent's approval, shall specify the proposed dates the leave is to commence and terminate, with every attempt being made to select those dates least disruptive to the educational process and district operations. The

Board may require the employee to provide certification from a health care provider containing verification in accordance with the Family Medical Leave Act if he or she requests a medical leave. Pursuant to the act the employer may at its expense require a second medical certification by a medical provider of its choice.

- B. While on family medical leave, the employee will continue to receive the same group health coverage that he/she had while employed. The Board will pay for this continued group health coverage to the same extent that the Board paid for the coverage that each employee had before beginning his/her leave.
- C. Serious health condition is defined as an illness, injury, impairment, or mental condition that involves: a) in-patient care in a hospital, hospice, or residential medical facility; or b) continuing treatment by a health care provider.
- D. If a husband and wife eligible for leave are employed by the district, their combined amount of leave for birth, adoption, foster care placement, and parental illness is limited to twelve (12) weeks.
- E. An employee on family medical leave shall not be entitled to advancement on the salary schedule for the period of absence, however, the employee shall continue to accrue sick leave.
- F. Once the leave is approved by the Superintendent and the Board, it may be altered or cancelled with the approval of the Superintendent, the Board, and the applicant.
- G. Upon returning from leave, the Board will restore the employee to the same or an equivalent position. If an employee on family leave decides not to return to work, then the Board will charge the employee for the amount of the insurance premiums that the Board paid for that employee's health care coverage during his/her leave, unless there is a continuation, recurrence or onset of a serious health condition, or other circumstances beyond the employee's control.
- H. The taking of intermittent leave, leave on a reduced leave schedule, and leave near the end of an academic term shall be governed by the Act.

5.11 **BEREAVEMENT CLAUSE**

All bargaining unit members shall be entitled to the use of the following bereavement leave:

- A. Death of an immediate family member as defined in 5.09(F). Bargaining unit members shall be entitled to three days of bereavement leave with an additional four days of personal leave, if necessary. Information to be included in the instruments is not limited to a specific observation. Information will be from both formal and informal observations.

The evaluation process must provide the framework which offers encouragement and resources to enable the staff person to develop and implement any agreed-upon improvements.

The parties intend this evaluation procedure to supersede the requirements of O.R.C. §§3319.11 and 3319.111.

- B. Half-time teachers are limited only to observation procedures.

LOCAL PROFESSIONAL DEVELOPMENT COMMITTEE GUIDELINES

The Perkins Public Schools are an integral part of the community and provide for the intellectual, physical, social, and emotional growth of the people we serve.

Our mission is to:

Provide a safe, positive, learning environment.

Encourage maximum personal growth.

Develop productive and responsible citizens.

A. MEMBERSHIP QUALIFICATIONS

The LPDC shall consist of seven (7) members. A majority shall be teachers (4), two (2) building administrators, and one (1) administrator appointed by the Superintendent.

Teacher membership shall be representative of primary (K-2), intermediate (3-5), middle school (6-8), and high school (9-12). For the purpose of identification as an elementary or secondary, a teacher engaged in both elementary and secondary responsibilities shall be designated at the level at which the majority of their student contact time dictates. Any one so elected shall be allowed to finish the duration of their term despite any transfer, voluntary or involuntary, which takes place prior to the completion of their term.

Committee members who discover they are unable to fulfill their role as an active committee member may withdraw by notifying the chair in writing and shall receive a prorated share of their supplemental salary. A new member elected for a resigning member shall receive a prorated supplemental salary. No reason need be given. Each committee member must have a minimum of three (3) years of professional experience in Perkins Schools.

Committee vacancies among teacher members shall be addressed by the bargaining unit, which shall designate replacement members as necessary. Similarly, the Superintendent shall address administrative vacancies.

Committee members shall be issued a limited supplemental contract subject to their election by the bargaining unit. Each building shall nominate teacher candidate(s) to be elected by the general membership in August or September for teacher committee vacancies.

B. FREQUENCY OF MEETINGS

Committee members shall be compensated pursuant to the supplemental salary for service as committee members.

The Perkins Public Schools LPDC members shall determine the frequency, time, and place of meetings.

Members shall be compensated at Level 14 of the current negotiated agreement.

C. TRAINING

LPDC members shall participate in a maximum of twenty (20) hours of professional development designed to prepare them for their roles as members of the district's LPDC. Training shall include information about Senate Bill 230 requirements, LPDC guidelines, team building, decision-making, and roles and responsibilities. The training shall include evaluation training so the committee can monitor its operation. Training shall be approved by the chairperson.

D. DUTIES

Committee members will serve as staff information contact persons, serve as reviewers of district educator professional development plans for the certificate/license renewal, and suggest necessary professional growth needs for educators.

Members shall conduct business during LPDC meetings using the following rules:

The vote to approve a teacher's renewal of license and/or certificate shall be three (3) teachers and two (2) administrators.

The vote to approve an administrator's renewal of license and/or certificate shall be by three (3) administrators and two (2) teachers.

Committee members may abstain from voting when approving an IPDP or a renewal request from their building.

Approval of all IPDP's is by simple majority.

A quorum shall be six (6) of the seven (7) members in order to conduct LPDC business.

Minutes of all meetings shall be maintained.

E. INDIVIDUAL PROFESSIONAL DEVELOPMENT PLAN (IPDP)

Beginning with the 1998-1999 school year, all district educators, except those working under a permanent certificate/license, will prepare an Individual Professional Development Plan (IPDP) to address their personal, professional, and assigned goal as they relate to student needs, grade level and assignment, building goals, district goals, regional and state performance standards.

Professional development included within an IPDP should reflect the needs of the community, district, building, classroom, and/or individual. The majority of the professional development indicated in the IPDP should be relevant to current working assignments.

An IPDP will be submitted to the LPDC by the second Friday of October to begin a five-year cycle.

Year one:

Step 1 Each educator must complete an informal self-assessment.

Step 2 Each educator may meet with members of a support team (i.e. grade level team member, department head, mentor, etc.) assisting in the development of another's educators IPDP.

Step 3 By the second Friday in October, each teacher will submit their IPDP to their building administrator for review.

Step 4 Growth Plan submitted.

Years two, three, four, and five will include a yearly building level reflection/update due by the second Friday in October.

Educators new to the district shall meet with the LPDC committee in late September to complete or review their IPDP. This is during release time.

F. PROCEDURES

A simple majority, three (3) of the five (5) members of the LPDC, must approve all decisions affecting the status of IPDP's, revisions of IPDP's and/or CEU proposals. LPDC members shall review each proposal with respect to the Checklist criteria. Each Checklist item must have 3/5 agreement to be approved. All Checklist items must indicate "yes" to qualify for IPDP approval.

The educator must maintain a log of professional growth activities for his/her own review and for later post-approval by the LPDC prior to the time of the educator's certificate/license renewal. Any changes to the IPDP must be approved by the LPDC prior to implementing the change. It is the responsibility of the educator to maintain a personal record of all locally approved CEU's and university transcripts.

Coursework must conform to the existing negotiated agreement policy for consideration. Other courses/classes/workshops may be submitted as equivalent activities.

Every employee of the Perkins Local Schools Board of Education, holding an Ohio Provisional or Professional certificate(s)/license(s), must have an approved IPDP on file by the second Friday of October, 1998.

Any submitted proposal deemed unreadable by the LPDC shall be returned to the person submitting the proposal without review. The proposal may be resubmitted in appropriate form for consideration at the next regularly scheduled LPDC meeting.

IPDP's are to be returned within five (5) working days after the LPDC has reviewed the plan.

IPDP's which are denied may be resubmitted with modifications, or they may be appealed.

IPDP's must be submitted on the forms prescribed by the LPDC.

Coursework and Ohio Department of Education (ODE) approved CEU's must be from ODE accredited providers and must have been earned during the life of the certificate or license to be renewed.

Reimbursement for tuition or movement on the salary schedule as part of the district's negotiated agreement is not related to LPDC approval of coursework or CEU's for renewal purposes.

Coursework, CEU classes/workshops, and/or equivalent activities completed prior to July 1, 1998 shall be accepted if included in the applicant's IPDP.

G. APPEALS

An appeals process is available for any IPDP or section of an IPDP not approved by the LPDC. All appeals correspondence must be directed to the LPDC.

The appeals process is as follows:

Step 1: If the IPDP is rejected by the LPDC, the educator shall be given a copy of the IPDP Review Criteria with the reasons for rejection clearly indicated. Educators may then submit a revised plan prior to the next regularly scheduled LPDC meeting.

Step 2: If the plan is rejected following Step 1, the educator may request reconsideration through a personal explanation to the LPDC within five (5) working days of the rejection in Step 1.

Step 3: If lack of approval still exists, the educator may request the formation of a three-person appeals panel consisting of:

- 1 certificated/licensed educator selected by the educator;
- 1 certificated/licensed educator selected by the LPDC;
- 1 certificated/licensed educator mutually agreed upon by the educator and the LPDC.

The appeal's panel is the final step in local resolution to the appeal. The Ohio Department of Education as the administrative agency of the Ohio State Board of Education is the issuing authority for educator certificates and licenses.

H. RECIPROCITY

Previously employed new hires that hold an Ohio Certificate/License and who have had coursework/activities approved by their prior LPDC during the current renewal cycle shall have that coursework/activities approved by the Perkins LPDC when accompanied by supporting documentation.

I. CREDITS

Units may be granted if they support an individual’s Professional Development Plan that is based on the Ohio Department of Education’s Teacher Education and Licensure Standards (Administrative Code, Chapter 3301-24). Units may not be granted for what is part of your job expectation. Balanced professional growth is dependent upon a variety of experiences, including:

- Courses taken at accredited colleges or universities
- CEU’s
- Workshops
- Building/district projects
- Individual projects

Under the standards for license renewal, eighteen (18) professional development units or six (6) semester hours are required.

1 semester hour = 3 CEU units

1 quarter hour = 2 CEU units

10 contact hours = 1 CEU unit for workshop/project experiences

To nurture the development of master teachers with expansive liberal arts knowledge, the LPDC has set limits on the following areas:

- The number of units earned during student attendance days is two (2) units per year
- The number of units that can be earned from locally developed initiatives (i.e. summer writing, district workshops) is two (2) units per year
- The number of units that can be earned from individual projects is two (2) units per year
- Year refers to growth plan year, March-March, overlapping experiences may be assigned to either year.

Units will be granted according to how they support an individual’s IPDP in one or more of the following areas, but not limited to:

Subject matter	Student learning	Diversity of learners
Planning instruction	Instructional strategies	Learning environment

On partial days of a multiple day meeting/workshop/conference (first day of travel and last day of travel), the District will pro rate the amount of reimbursement.
