2. The bargaining unit includes all full-time and regular short-hour employees in the following departments:
 - A. Food Service
 - B. Buildings and Grounds
 - C. Transportation
 - D. Aides and Monitors (including Special Education Aides)
3. For the purpose of this Agreement, the following are excluded from the bargaining unit:
 - A. Substitute Personnel
 - B. Administrative Office Personnel
 - C. Building Secretaries
 - D. Supervisory Employees
 - E. Community Education Personnel
4. All matters regarding exclusive representation, bargaining unit appropriateness, and certification or de-certification elections, shall be determined in accordance with O.R.C. 4117.05, 06, and 07.
5. Fair Share Fee
 - A. Sixty (60) days following the beginning of employment, employees in the bargaining unit who are not members of the union shall pay to the union a fair share fee as a condition of employment with the Board. Such fair share fee shall not exceed dues paid by members of the union who are in the bargaining unit. The union shall notify the Board of the fair share fee amounts and of any changes in the fair share fee amounts in the same manner as notification of amounts and changes in the amounts of due deductions.

Fair share fees shall be deducted from the payroll checks of the employees in the same manner as regular membership dues are deducted and forwarded by the Board to the union in the same manner except that written authorization for deductions of fair share fees is not required.

B. Those employees wishing to establish Conscientious Objector Status shall do so in accordance with O.R.C. 4117.09(C).

C. In the event that an employee objects to the deduction of Fair share fees, the employee may file a written objection with both the Board and the union within fifteen (15) days after the fair share fee was first deducted from the employee's pay-check.

After an objection is filed the union shall place ten (10%) percent of the fair share fee collected from the objecting employee in an interest bearing escrow account. This procedure shall continue pending the exhaustion of the union's internal rebate procedure and any determination by the State Employment Relations Board pursuant to O.R.C. 4117.09(C). The union agrees not to use the funds in the interest bearing escrow account pending final resolution by the State Employee Relations Board.

D. Other than to make the deduction provided herein and to remit the same to the union, the Board assumes no financial obligation arising out of the provisions of this Article. The union agrees that it will indemnify and hold the Board harmless from any claims, actions or proceedings by any employee arising from deductions made by the Board pursuant to this Article.

III. PRINCIPLES

1. The Board and the Association agree that all items in this contract which supersede applicable state law and which may permissibly do so under Ohio Revised Code section 4117.10(A) shall not be affected by this Article. Should any clause of this contract be held to be in violation of the law by a court of competent jurisdiction, then that clause of the contract shall be rendered null and void, but the remainder of the contract shall remain in full force and effect.
2. The Board has the right notwithstanding anything herein to do everything required to comply with all laws and regulations of the State of Ohio, of the United States or any agency thereof, and to execute orders of the President, or the Governor as they may pertain to employment and discrimination practices.

IV. BOARD (MANAGEMENT) RIGHT CLAUSE

1. The Board retains the sole right to manage the operations of the schools including, but without limiting the generality of the foregoing, the right
 - A. To the executive management and administrative control of the school system, its properties and facilities; and of the activities of its employees while on school property and/or during working hours.

- B. To hire all employees, and subject to the provisions of law, to determine their qualifications and the conditions of their continued employment, or their dismissal or demotion; and to promote and transfer all such employees.
 - C. To establish grades and courses of instruction, including special programs, and to provide for athletic, recreational and social events for students, all as deemed necessary or advisable by the Board.
 - D. To decide upon the means and methods of instruction, and the duties, responsibilities, and other employees with respect thereto, and with respect to administrative and non-teaching activities, and the terms and conditions of employment to other than those articles or sections specifically agreed to in this Agreement.
 - E. The Board reserves the right to attain the best possible operation of a school system to improve the physical plant and condition of the schools, to eliminate waste, conserve materials and supplies, and to establish efficient and economic methods of operation for the improvement of services provided to the teaching staff, to the administration, to the students and to the public as well.
2. The Board reserves the right to exercise the foregoing rights, powers, and authority through the adoption and enforcement of policies, rules, regulations, and practices and further reserves the right to change these policies, rules, regulations and practices throughout the term of the within Agreement, and to use the rights of discretion and judgment in carrying out the responsibilities of administering the school system.

V. WAIVER CLAUSE

- 1. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.
- 2. Therefore, the Board and the Association, for the life of this Agreement, agree that under Section 4117.08 of the Revised Code bargainable items shall solely be construed to mean wages, hours, and all items contained within this Agreement. The Board shall not be required to negotiate on any matter which affects wages, hours, terms, and conditions of employment except as described under this article. Nothing in this Article shall limit the rights of either side to submit issues for negotiation in accordance with Article VI Procedures and Conducting Negotiations.
- 3. Should the Board find it necessary to change any matter which affects wages, hours or any other item(s), contained within this Agreement, the Board shall notify the Union President, in writing, requesting a meeting date to discuss and negotiate the matter and its effects. The Union President, shall contact the Board, within ten (10) working days of

receipt of such written notification to set up a meeting to negotiate said matter. Nothing shall limit either side to submit issues for negotiations in accordance with Article VI Procedures for Conducting Negotiations.

VI. PROCEDURES FOR CONDUCTING NEGOTIATIONS

1. Negotiations Teams

The Board, or designated representative of the Board, will meet with representatives designated by the Association, which may include the Association field representative, for the purpose of discussing and reaching agreements. All negotiations shall be conducted exclusively between said teams. Each of the parties may call upon up to three (3) professional or lay consultants in any of the negotiations meetings, in an advisory capacity. The consultants will not address the parties for more than fifteen (15) minutes unless both parties agree to permit a longer address. The expense of such consultants shall be borne by the party requesting or hiring.

2. Submission of Issues

Upon request of either party for a meeting to open negotiations, a meeting date shall be set within fifteen (15) days following such request. Such request shall not be made more than ninety (90) days prior to contract termination date. All issues for negotiations by the Association and the Board shall be submitted in writing at the first meeting. No additional issues shall be submitted by either party following the designated meeting, unless agreed to by both parties.

3. Negotiations Procedures

The parties shall meet at places and times agreed upon at the beginning of the prior meeting. Length of meetings as well as times and places of the meetings, as well as times and places of the following meeting shall be agreed upon at the outset of the beginning of each session.

5. Exchange of Information

Prior to and during the period of negotiations, or impasse provisions, the Board and the Association agree to provide to each other, upon request, all regulatory and routinely prepared information concerning the issue(s) under consideration.

6. Public Release

Prior to the declaration of impasse, statements concerning negotiations may be issued to the media only upon prior two (2) hour notification of the other party. Once impasse is declared, either party may issue statements or press releases without approval of, or notifying, the other party.

7. Item Agreement

As negotiated items are agreed upon they shall be reduced to writing and initialed by the chief negotiator of each party. Such initialing shall be construed as tentative agreement by both parties on that item, or issue, subject to finalization by ratification by the membership of the Association and adoption by the Board.

8. Agreement Finalization

A. When concensus is reached on those matters being negotiated, the understanding of both parties shall be reduced to writing and submitted to the Association for ratification. Within thirty (30) days from the time the agreement, ratified by the Local, is presented to the Board, the Board shall take action upon the recommendation submitted.

B. While no final agreement shall be executed without ratification by the Association and the Board, the parties mutually pledge that their representative will be clothed with all necessary power and authority to make proposals, consider proposals, and to make concessions in the course of negotiations. All negotiations shall terminate upon ratification of both parties.

C. All negotiated benefits shall be implemented on the dates stated in the negotiated agreement.

D. Any agreement reached and accepted by the Association and the Board shall supersede any rules, regulations or practices of the Board which are contrary to or inconsistent with the terms of this Agreement.

9. Resolving Differences

In the event an agreement is not reached after full consideration of proposals and counter proposals, either party may declare impasse. Impasse shall not be declared earlier than thirty (30) working days from the opening negotiation meeting. The parties shall jointly prepare a request for a mediator to the Federal Mediation and Conciliation Service. It is understood that impasse proceedings are declared on all unresolved issues; however, items previously agreed to may be modified in order to reach an agreement.

The mediator shall have no authority to recommend or bind either party to any agreements.

VII. NO STRIKE

1. For the duration of this contract, neither the Association, its agents, nor the employees represented by the Association shall engage in any strike, slow down, or withholding of services designed to interfere with the normal operations of the school district.
2. The Association and all Association members agree that for the term of this Agreement it shall not cause, engage in or sanction any picketing or other public demonstration which would be associated with resolving a difference arising from the terms of this Agreement.

VIII. ENTIRE AGREEMENT CLAUSE

This Agreement supersedes and cancels all previous agreements, verbal or written or based on alleged past practices, between the School District and the Association and constitutes the entire agreement between the parties.

IX. GRIEVANCE PROCEDURE AND ARBITRATION

1. A grievance is defined as an alleged violation of a specific article or section of this Agreement. If any such grievance arises, there shall be no stoppage or suspension of work, or concerted activity because of such grievance; but such grievance shall be submitted to the following grievance and arbitration procedures. Grievances will be presented in the following steps:

A. Step One

Within ten (10) working days of the time the grievant knew or should have known of the event or issue underlying the grievance, the employee shall first discuss the alleged grievance with their supervisor or appropriate designated person. Failure to discuss the grievance with the supervisor or appropriate designated person within ten (10) working days of the time the grievant knew or should have known of the event or issue underlying the grievance shall render the grievance null and void, and shall constitute a waiver of any right to file a grievance. This discussion will be held confidentially between employee and/or the Association's representative and the supervisor.

B. Step Two

If the grievance is not resolved in Step One, then within five (5) working days of the meeting held in Step One, the employee or the Association will present the grievance in writing to his/her supervisor or the appropriate designated person. Failure to file the grievance with a supervisor within fifteen (15) working days shall render the grievance null and void, and shall constitute a waiver of any right to file a grievance. Within five (5) working days after presentation of grievance,

the supervisor or designated representative shall give his/her answer in writing to the employee.

C. Step Three

If the grievance is not resolved in Step Two, the Employee or the Association representative may, within five (5) working days of receipt of the supervisor's answer, submit to the Superintendent or his/her designated representative the answer at Step Two with the original grievance statement. The Superintendent or his/her designated representative shall give the employee or his/her Association representative an answer in writing no later than five (5) working days after receipt of the written grievance.

D. Step Four

If a satisfactory disposition of the grievance is not made as a result of the procedure provided for in Step Three, the employee or his/her Association representative shall have the right to appeal the dispute to an impartial arbitrator under and in accordance with the rules of the American Arbitration Association.

Such appeal must be taken within twenty (20) working days from the date of the meeting provided in Step Three by filing a notice with the "Statement of Grievance" attached thereto with the American Arbitration Association, and a copy of the notice served on the Administration's representative.

- (1) Any grievance must be filed on the authorized grievance form agreed to between the parties to this agreement. Such form must provide for naming of the alleged violation, the provision of the Negotiated Agreement alleged to have been violated, shall state the contention of the employee or the Association, and shall indicate the relief requested.
- (2) Any grievance not advanced to the next step by the Association within the time limit in that step, shall be deemed resolved by the Administration's last answer.
- (3) Any grievance not answered by the administration within the time limit in Step Three shall be deemed denied, and eligible for advancement to the next step.
- (4) Time limits may be extended by the administration and the Association in writing; then the new date shall prevail.

E. Step Five - Powers of the Arbitrator

- (1) It shall be the function of the arbitrator, and he/she shall be empowered except as his/her powers are limited below, after due investigation, to

make a decision in case of alleged violations outlined in Article IX, 1st paragraph of this Agreement.

- (2) He shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement.
- (3) He shall have no power to establish salary schedules or change salary schedules.
- (4) He shall have no power to decide any questions which, under this Agreement, is solely within the responsibility of management to decide. In rendering decisions, an arbitrator shall give due regard to the responsibility of management and shall so construe such responsibilities except as they may be conditioned by this Agreement.
- (5) In the event that a case is appealed to an arbitrator on which he/she determines he/she has no power to rule, it shall be referred back to the Association, with a notification to the Administration without decision or recommendations on its merits.
- (6) He shall have no power to rule on any of the following:
 - a. The termination of services of or failure to re-employ any probationary or limited contract employee.
 - b. The placing on probation of or not re-hiring a limited contract employee.
 - c. Any claim or complaint for which there is another remedial procedure of forum established by law or by regulations having the force of law which shall include, but not be limited to the following: EEOC, OSHA, Local and State Health Boards, Local and State Fire Marshalls, Industrial Commission of Ohio, including any matter subject to the procedures specified in the Ohio Revised Code (Section 3319.07 through 3319.41 inclusive).
 - d. Any matter involving employee evaluation.
- (7) He shall have no power to change any practice, policy, or rule of the Board nor to substitute his/her judgment for that of the Board as to reasonableness of any such practice, policy, rule, or any action taken by the Board. His/her powers shall be limited to deciding whether the Board has violated the express articles or sections of this Agreement; and he/she shall not imply obligations and conditions binding upon the Board from this Agreement, it being understood that any matter not specifically set forth herein remains within the reserved rights of the Board.

- (8) The arbitrator's decision shall be final and binding on the employee or employees involved in the grievance, and the Association and the Administration and Board.
 - (9) The fees and expenses of the arbitrator shall be shared equally by the Board and the Grievant. All other expenses shall be borne by the party incurring them and neither party shall be responsible for the expense of witnesses called by the other.
 - (10) Claims for back pay. The Board shall not be required to pay back wages more than three (3) days prior to the date a written grievance is filed.
 - a. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned, less unemployment, workmen's or disability compensation, that he/she may have received during the period of the back pay.
 - b. No decision in any one case shall require a retroactive wage adjustment in any other case.
 - (11) Any grievance occurring during the period between the termination date of this Agreement and the effective date of a new agreement shall not be processed. Any grievance which arose prior to the effective date of this Agreement shall not be processed. The fact that preceding steps of the grievance shall not constitute a waiver of jurisdictional limitations upon the arbitrator in this Agreement.
2. Neither the filing of a grievance by an aggrieved person, nor the participation in a grievance proceeding by an aggrieved person or those people involved in a group grievance shall be the subject or cause of disciplinary action or reprisal or notations put into their personnel file.

X. PAYROLL DEDUCTIONS

1. An Employee, under reasonable guidelines set down by the Treasurer for the Board, may elect to have the following deductions:
 - A. Association Dues.
 - B. Local Association Fair Share.
 - C. Any deductions permitted by the Board and authorized by the employee, except as limited above.
2. The association shall file with the Treasurer by October 15th the list of employees who have paid their Association dues or Fair Share Fee by lump sum. The remaining members of the bargaining unit shall be listed showing the amount to be deducted. The

deduction shall be in twelve (12) approximately equal installments November through April, every pay.

3. The Board agrees not to honor any dues deduction authorization executed in favor of any other labor organization.

XI. WORKMEN'S COMPENSATION

1. All employees of the Margaretta Board of Education are protected under the State Workmen's Compensation Act of Ohio, in cases of injury or death incurred in the course of, or arising out of, their employment. Any injury incurred while performing assigned responsibilities shall be reported immediately to the injured employee's supervisor or other designated representative and an application shall be filed with the Bureau of Workmen's Compensation.
2. An employee who is temporarily disabled under Workmen's Compensation due to injury incurred in the course of, or arising out of, their employment, with Margaretta Schools and who has exhausted their leave shall have their medical insurance continued for up to six (6) months at the same share of Board payment as when on active duty. After which time the employee will be covered by Article XV, Leave of Absence.

If the temporary disability is at least two (2) months (40 working days) and sick leave is exhausted, then upon return to work thirty (30) days of sick leave shall be advanced. This loan shall be repaid over the next 24 months, should the employee not complete 24 months then the balance due shall be deducted from any monies payable. If no monies are payable then the employee will be billed for the sick leave used but unearned. An employee shall have the right to use sick leave, if available, or worker's compensation for a temporary disability, but not both.

XII. MILITARY LEAVE

Any employee who enters the armed forces of the United States Government shall upon being discharged, be offered re-employment of like contract status and pay. If the employee is ill or hospitalized, he/she shall be given one (1) year continued leave of absence and will be rehired as soon as he/she is released. Volunteering or being called into the active services in the armed forces of the United States, during a period in which a state of peace exists, the retention and accumulation of contract status provided for herein shall not be continued for a period longer than two (2) years beyond the original active service period in the event the employee re-enlists into the armed forces of the United States.

XIII. PERSONAL LEAVE

1. Personal leave is granted to allow an employee to meet personal obligations which may not conveniently be taken care of at times other than when school is in session. Reasons are not required for personal leave.
2. Each regular employee may be granted three (3) unrestricted days of personal absence per school year. The following regulations govern the use of these days:
 - A. The employee must make application at least five (5) working days in advance of the absence, except in cases of extreme emergency. If leave is requested fewer than five (5) working days prior to absence, the leave shall be subject to the approval of the Superintendent or his/her designee. Approval for emergency usage can be handled verbally with supervisor or business manager.
 - B. Except for the graduation of a child from high school or college, personal leave shall not be granted on the day before or the day after a holiday, vacation period, inservice day, or the first week or last week of school. Personal leave shall not be granted to more than 5% of the total non-certificated staff on any one given day, nor granted to more than 10% of any one category of non-certificated employees on any one given day, except with the approval of the Superintendent or his/her designee.

The employee will suffer no loss of regular pay, but first must submit any compensation that is received along with an Employee's Certificate or copy of any order to appear in court that is received.

The employee shall receive the difference between his/her regular pay and any compensation received, should the compensation received exceed the employee's regular pay, there shall be no pay; should the compensation received be less than the employee's regular pay, the employee shall receive the difference. This will be accomplished by the

employee endorsing over their jury duty check to Margareta Local Schools and receiving their full check.

2. If the court appearance is work related, such as a bus driver testifying against a driver who passed a stopped school bus, and is outside normal work hours, the employee shall be paid for hours in court at their regular rate of pay. A subpoena will be required and pay will be handled as in #1 above, the employee can either turn over any compensation received or the Employee's Certificate and the pay will be reduced by the compensation received.

XV. LEAVE OF ABSENCE (REQUESTED)

1. The Board may, upon the request of an employee, grant leave of absence for sufficient reason and for a period of not more than twelve (12) months. The leave may be extended for/or up to another twelve (12) months, for a maximum of two (2) years leave of absence, and shall grant such leaves where illness or other disability is the reason for the request.
2. The Board reserves the right to non-renew a contract of one who is on leave of absence and the right to lay off one who is on leave of absence, and in no event will the period during the leave of absence be counted for purposes of determining the persons to be laid off or re-employed.
3. The person's name shall be kept on the payroll so he/she is eligible for medical insurance. The cost of premium shall be borne by the employee. Premiums must be paid in advance and any later payment shall result in cancellation of medical insurance on premium due date.
4. Upon the expiration of leave of absence approved by the Board, an employee of the Board shall return to work within ten (10) working days of the termination of said leave, or request an extension of leave. Between the termination of leave and the return to work or the request for extension, the employee shall be without pay and without credit to length of service.
5. Upon the return of the employee from a leave, the Board may terminate the employment of a person hired exclusively for the purpose of replacing the returning employee while he/she was on leave.

If after the return of the employee from leave, the person employed exclusively for the purpose of replacing an employee on leave is continued in employment as a regular employee, or if hired by the Board as a regular employee within a year after his/her employment as a replacement, he/she shall receive credit for his/her length of service with the Board during such replacement period.

6. Short term leave of absence for non-medical reasons shall be governed by the same rules as specified in Article XIII, Personal Leave, section 2 B. Short term LOA's shall count

toward the 5% and 10% quota's to limit the number of employees off work for non-medical reasons on a given day.

7. Short-Term Unpaid Leave

1. Employees may request a short-term unpaid leave on a pay dock basis by making a written request to the Superintendent/designee stating the following information:

 - B. Sick leave shall be cumulative up to 210 work days for 9-month employees and 245 days for 12-month employees. Each employee who has accumulated the maximum days shall be granted retroactive all days due, which are equal to the total days of accumulation allowed the certified staff.
3. Short-term (hourly, etc.) employees shall be entitled to sick leave for the time actually worked at the same rate as that granted full-time employees.

An employee shall furnish the following:

- A. A written, signed statement to justify the use of sick leave.
 - B. If absence is due to illness, pregnancy, disability or injury and greater than ten (10) consecutive days the employee shall provide a doctor's return to work authorization. Such authorization shall be full and unconditional release to return to full duty status. No light duty or restricted return to work authorization will be accepted. The only exception to this shall be with the approval of the Superintendent or his/her designee after due consideration of the special circumstances that must exist. Exceptions shall be applied equally to all employees within the same job classification. This return to work requirement also applies to medical leave of absences.
 - C. Falsification of the statement shall be grounds for disciplinary action and/or dismissal.
- 4. Each newly hired regular employee who has no accumulation or other regular employee who has exhausted their accumulation shall be entitled to an advance of five (5) days, provided there is reasonable assurance that it can be recovered through future accumulation or accrued vacation or accrued wages.
 - 5. If absence is for more than ten (10) consecutive days for personal illness, or if the Superintendent suspects abuse or falsification of sick leave, the employee may be required to submit to a physical exam at Board expense to verify the medical necessity to remain off work. Should the Board's physician not support the employee's physician's diagnosis a third opinion shall be obtained from a physician chosen by the employee's physician, third opinion shall also be at Board expense.

XVII. BEREAVEMENT LEAVE

- 1. A regular employee shall be allowed three (3) working days of absence (per occurrence) with pay, not chargeable to sick leave, in the event of a death in the immediate family, in accordance with Margareta's calendar.

Anyone on leave will be called at his/her turn. If they are not at home to take the call, it's a pass and the next driver is asked. Any trips left open after this procedure will be filled at the Supervisors discretion (i.e. subs). Once trips are chosen through Steps 2 or 3 there shall be no switching or trading trips.

4. Emergency trips are any trips with short notice and not available for the process in section 2 above. As they become available the Supervisor shall offer the trip(s) using the process in section 3 above.
5. If the driver shows up for a trip that is canceled with no prior notice, they shall receive the minimum two (2) hour call in pay. This only applies to trips outside their regular working hours. If a trip cancels and the driver is not compensated they shall be placed atop the emergency list for the next available trip.

All extra trips shall commence at the time the supervisor directs the driver to leave for loading, and shall end when the driver returns to the bus garage.

If there is a conflict between the driver's regular shift and an extra trip the driver shall receive regular pay for their normal shift and the extra trip hours shall begin at the normal shift ending time.

If the scheduled driver is sick and cannot take the scheduled trip it shall be offered to the next eligible on the emergency list.

6. A rescheduled or delayed trip shall not be considered a new trip, the original driver shall be assigned to the trip. If the original driver is unable to take the trip it shall be considered a new trip and be offered to the next driver in line on the emergency list. The original driver shall receive the minimum two (2) hour pay.
7. Drivers taking extra trips shall be responsible for cleaning the bus interior and refueling the bus upon their return from the trip, or as soon as possible if the fuel pumps are turned off.
8. The Transportation Supervisor shall provide directions for the trip and an Ohio map if requested.
9. The Transportation Supervisor shall secure drivers for the trips that occur over the summer months in round robin order according to seniority from a list of drivers that have requested summer trips.
10. Extra trips to pick up or return students to the Ohio School for the Deaf shall be paid at the H. I. rate instead of the Extra Trip Rate.

The person shall acknowledge that he/she has read such materials by affixing his/her signature and date on the actual copy to be filed with the understanding that such signature merely signifies that he/she has read the material to be filed and does not necessarily indicate agreement with its contents. If the person refuses to sign, a dated note to that effect may be attached to the material. The material to be placed on file no longer than three (3) years at which time it will be returned to the employee. Visits with employees may only be arranged before or after school, during lunch; or during the employee's break period which may be at a different time than normal so as to accommodate the visit. Also, employees within the system shall not visit other employees on Association matters and interrupt their normal working duties.

The responsibility to correct unsatisfactory job performance or behavior resulting from a suspected health problem rests with the employee. Failure to do so will result in appropriate corrective or disciplinary action as determined by the Board.

No employee will have his/her job security or promotion opportunities jeopardized by his/her request for counseling or referral assistance.

Medical records of employees with alcohol or other drug abuse problems will be preserved with the same degree of confidence as all other medical records.

E. Reasonable Suspicion Testing

A supervisor trained in detecting the symptoms of alcohol and drug abuse may require an alcohol and/or controlled substance test when there is reasonable suspicion that the employee has violated the rules. Suspicion must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the employee. Observations may include indications of the chronic and withdrawal effects of controlled substance. The Board shall provide transportation to the testing site and return to garage if
