**AGREEMENT
LOCAL 7 COMMUNICATION OPERATIONS
AND CITY OF TOLEDO**

2115.01 Local 7 Recognition

(a) The City agrees to recognize the City employees of Local 7, AFSCME (AFL-CIO) Ohio Council 8, as having jurisdiction over and being the sole and exclusive bargaining agent for the employees for the City working in the classifications that are listed in Section 2115.02, "Classifications", herein, and as certified by the State Employment Relations Board in Case No. 97-REP-10- 0276, but excluding all management level employees, supervisors, and all other employees of the City of Toledo. The Union is recognized as the bargaining agency for the purpose of establishing wages, hours of work, handling of grievances and all other conditions of employment.

(b) Classification(s) created or position(s) added shall be subject to negotiations between the City and the Union to determine if they are to be included herein. If the City and the Union cannot reach mutual agreement relative to any new classification(s) or position(s) within thirty (30) days after the date they were created, then the matter shall be jointly submitted to the State Employment Relations Board for determination.

(c) The jurisdictional assignment for newly created Departments or Divisions shall be determined by negotiations between the City and the representatives of the various bargaining units. If agreement cannot be reached, then the matter shall be jointly submitted to the State Employment Relations Board for determination.

2115.02 Classifications

This Bargaining Unit shall consist of (3) three classifications: Fire Communications Specialist, Police Communications Specialist, and Police Communications Specialist II. The Fire Communications Specialist and Police Communications Specialist has each been assigned to salary group seven (7) and the Police Communications Specialist II has been assigned to salary group eight (8). Individuals in this Bargaining Unit shall be paid in accordance with "Base Annual Salaries" Section 2115.114.

2115.03 Collective Agreements

The City shall not negotiate nor make any collective bargaining agreement or contract with any of the employees working in classifications covered in this Agreement individually or collectively. Any agreements entered into between the City and employees covered herein shall be through the President of the Local or representative(s) authorized by the President of the Local. Any other agreements shall be of no effect.

2115.04 Listing of New Employees

The City agrees to furnish the Union at no cost, on a monthly basis, a list of new employees, retirees, disability, and terminations indicating the employee's name, address, date of hire, classification, and department. Notice shall also be provided to the Health and Welfare Office.

Additionally, the City will furnish a quarterly list of all Bargaining Unit employees including the same information as above plus an indication as to whether the employee is a Union member, nonmember or fair share fee payer.

2115.05 Union Assessments

In recognition of AFSCME Local 7's services to the bargaining unit and to promote harmonious and stable relationships between the bargaining unit and the City, employees within the bargaining unit shall, within thirty (30) days of this agreement, or their date of promotion, whichever is later, either become members of AFSCME Local 7 or share in the financial support of AFSCME Local 7 by paying to Local 7 a service fee not to exceed the amount of dues uniformly required of members of Local 7.

(a) The City will deduct current Union dues, initiation fees, and equal assessments owed to the Union, as well as current Union dues, initiation fees, service charges, and equal assessments from the paychecks of employees working in classifications included in the recognition clause herein. Such deductions shall be made from all paychecks of the month for which current dues (payable in advance) and any initiation fees or service charges are due the Union. The City further agrees to remit to the Secretary-Treasurer of the local Union or the Comptroller of Ohio Council 8 as directed by the local Union Secretary-Treasurer, dues, initiation fees, service charges, and uniform assessments so deducted from the paychecks of the employees covered herein.

(b) Fair share fee payment is a condition of employment for those who choose not to be a member of the Union.

(c) The Union will establish a rebate procedure for fees deducted from nonmembers of the Union in accordance with Ohio Revised Code 4117.09.

(d) The Union shall indemnify and save the City harmless against any liability that may arise out of, or by reason of, any actions taken by the City for the purpose of complying with the provisions of this section. In the event that the City is held responsible for the repayment of monies paid to Local 7 pursuant to this section, Local 7 to the extent of those funds actually received, shall reimburse same to the City and/or the designated employees involved.

2115.06 Withdrawal – Conditions

All employees promoted to positions outside of this Bargaining Unit shall notify their payroll clerk in writing upon satisfactory completion of the appropriate probationary period to cease dues check off to this Bargaining Unit.

Dues check off for a Bargaining Unit employee covered under this Agreement shall cease upon such notification of satisfactory completion of such probationary period.

2115.07 Credit Union/Direct Deposit

Given written authorization, the City agrees to make a payroll deduction from an employee's paycheck and forward the same to any authorized credit union.

The City agrees to continue its current direct deposit program for employee paychecks. The employee may choose to receive a paper paycheck or elect direct deposit of his/her paycheck. In order to elect direct deposit, the employee must give written authorization to the City for direct deposit to any authorized credit union or bank eligible to receive Automated Clearing House (ACH) direct deposits and follow the procedures for direct deposit as provided by the City.

2115.08 Charitable Deductions

The City agrees to deduct from employees giving written authorization any monies for the City-sponsored charitable deduction programs and remit such withholdings to the proper authorities.

2115.09 P.E.O.P.L.E.

The City agrees to deduct from the paycheck of all employees who have signed a proper legal authorization for the Public Employees Organized to Promote Legislative Equality (PEOPLE) Committee and remit monthly to said committee all such deducted monies.

2115.10 Deferred Compensation Plan

The City will also make available during the term of this agreement the opportunity for all employees to participate through payroll deduction in a Deferred Compensation Plan (Section 401-K Plan and/or Section 457 Plan subject to I.R.S. limitations) developed and administered by a provider designated by the City. Participating employees in the 401-K plan shall pay all loan application and processing fees.

2115.11 Nondiscrimination Pledge

(a) The provisions herein shall be applied equally to all applicants for employment as well as current employees without discrimination as to age, sex, marital status, race, color, creed, national origin, handicap, sexual orientation or political affiliation.

(b) Particularly, it is the express intent that this Chapter of the Code shall not be interpreted in such a manner as to cause or constitute a violation of any law, specifically including Title VII of PL-88-352, as amended, known as the Equal Employment Opportunity Act of 1964, and the Civil Rights Act of 1991.

(c) Further, it is the intent of the parties to abide by the policies against: sexual harassment as set forth in Administrative Policy and Procedure #34, Sexual Harassment; racial, ethnic and religious harassment as set forth in Administrative Policy and Procedure #46; discrimination based on HIV and AIDS as set forth in Administrative Policy and Procedure #47; disabilities under the Americans With Disabilities Act as set forth in Administrative Policy and Procedure #48, workplace violence as set forth in Administrative Policy and Procedure #51, and health information privacy as set forth in Administrative Policy and Procedure #58 HIPPA Policy and Procedure, provided, however, that any remedy for violation of this policy shall be as set forth therein or provided by law.

(d) All references to employee(s) in this Chapter designate both sexes.

(e) The City agrees not to interfere with the rights of employee(s) to become members of the Union, and there shall be no discrimination, interference, restraint, or coercion by the City or its representatives against any lawful employee activity in an official capacity on behalf of the Union.

(f) The Union recognizes its responsibility as bargaining agent and agrees to represent all employees in the Bargaining Unit without discrimination, interference, restraint or coercion. The Union agrees not to intimidate or coerce any employee in an effort to recruit membership in the Union.

2115.12 Management Rights

Nothing in this Agreement shall be construed as delegating to others the City's right to manage its operations and direct the work forces, including but not limited to the right to:

- (1) Determine matters of inherent managerial policy, which include, but are not limited to, areas of discretion or policy such as the functions and programs of the public employer, standards of services, its overall budget, utilization of technology, and organizational structure;
- (2) Direct, supervise, evaluate, or hire employees;
- (3) Maintain and improve the efficiency and effectiveness of governmental operations;
- (4) Determine the overall methods, process, means, or personnel by which governmental operations are to be conducted;
- (5) Suspend, discipline, demote, or discharge for just cause, or lay off, transfer, assign, schedule, promote, or retain employees;
- (6) Determine the adequacy of the work force;
- (7) Determine the overall mission of the employer as a unit of government;
- (8) Effectively manage the work force;
- (9) Take actions to carry out the mission of the public employer as a governmental unit.

2115.13 Union Stewards

The Union shall be represented by a reasonable number of Union Stewards and Alternates in each of the Communications Bureaus, as well as one of the three (3) current Local 7 Divisional Stewards, and shall furnish their names to the Department of Human Resources and the appropriate Department and Division Heads.

2115.14 Union Release Time

The Union President and the Chief Steward shall be on full-time union release. All other Officers and Stewards of the Union shall be permitted time to conduct union business as reasonably necessary to perform their duties after advising, and getting the permission of, a designee of the City for their need to be absent to conduct union business. The City shall not unreasonably withhold authorization for Union Officers or Stewards to conduct union business.

In the event that Officers and Stewards, other than the President and the Chief Steward, need to be on union release for a full day to tend to union business, the Union shall seek prior approval from the supervising Police or Fire command officer or his/her designee or the Department of Human Resources.

The Union President, Chief Steward, Officers, Stewards, and alternate Stewards shall not receive payment for overtime while on union business.

It is the intent of the parties that Union release time will be utilized in the manner that will least interfere with City operations.

2115.15 Labor Management Meetings

Labor-management meetings shall be scheduled at a mutually agreed upon time and date. They shall be held upon request of either party within a reasonable time period to discuss

problems and/or matters of mutual concern. The subject(s) of the meeting will be provided at the time of the request.

The Union shall have representatives (stewards) from the affected department and shifts present, in addition, the Local President, Chief Steward and/or divisional steward may be present. The City may have individuals attend necessary to a resolution or discussion of the topic. Stewards attending the labor-management meeting will have their shifts adjusted accordingly if they are on opposing shifts to the date and time of the meeting. Any time adjustment for the stewards will be made that work day.

An agenda will be furnished by the party requesting the meeting at least three (3) work days in advance of the scheduled meeting by the party requesting the meeting.

Union representatives of the Labor-Management Committee shall not suffer loss in pay for attendance at such meetings provided by this article. However, such meetings which extend the work day shall be on non-paid time.

Within fifteen (15) work days from the date of the any labor-management meeting, management or the Union shall respond either orally or in writing to the other party on any issues which require an answer.

Agreements reached through labor-management meetings shall be implemented as quickly as possible by both parties.

Labor-Management meetings are not an extension of the collective bargaining agreement between the parties. (Cannot change terms of the labor agreement.)

The Union reserves the right to grieve issues discussed at labor-management meetings, if said issues are specifically part of the existing collective bargaining agreement. The City reserves the right to provide information at labor-management meetings without any legal/contractual duty to arrive at an agreement with the Union.

2115.16 Rights to Visit

An authorized representative of the Union shall have the right to visit the premises at any time during working hours for the purpose of investigating current working conditions and compliance with the terms herein, and shall have reasonable access to all documents pertinent to the investigation of grievances or disciplinaries, provided such representative reports to an official of the City upon entering the premises and such visit is made in such a manner as not to disrupt the City operations.

It is the intent of the parties that reasonable access to documents will be allowed in the manner that will least interfere with City operations.

2115.17 Unit Meeting

A monthly meeting may be held with Local 7 bargaining unit employees in each work unit to discuss topics of mutual concern to all. Due to the unique nature of the work performed by Communications Operators, monthly meetings will be scheduled at times other than assigned working hours, so as not to disrupt the functions of the Communications Operation which are vital to the preservation of public safety.

2115.18 No Strikes, Interruptions or Slowdowns

The services performed by City employees included herein are essential to the public health, safety and welfare. The Union and the City, therefore, agree there shall be no strikes, no

interruption of the work for any cause whatsoever, nor any work slowdown or other interference with the delivery of services to the public. For the purpose of this agreement, a "strike" means, concerted action in failing to report to duty; willful absence from one's position; stoppage of work; slowdown; willful damage to equipment or facilities; or abstinence in whole or in part from the full, faithful, and proper performance of the duties of employment for the purpose of inducing, influencing, or coercing a change in wages, hours, terms and other conditions of employment. Stoppage of work by employees in good faith because of dangerous or unhealthful working conditions at the place of employment which are abnormal to the place of employment shall not be deemed a strike.

Employees may be required to go through picket lines where an emergency requires them to do so to protect the public health, safety and welfare; but only after proper arrangements have been made so as not to cause the employee(s) to be considered strikebreakers and to properly protect them from any possible bodily harm.

2115.19 No Lockout

The City will not engage in a lockout of the employees during the term of this Agreement. For the purpose of this Agreement, a "lockout" means preventing an employee from performing their regularly assigned duties as a means of bringing pressure on the employee or an employee organization to compromise or capitulate to the employer's terms regarding a labor relations dispute.

GRIEVANCE PROCEDURE

2115.20 Grievances

The Union and the City agree to a grievance procedure as stated in this Agreement which may culminate in final and binding arbitration of unresolved grievances that are based on the disputed interpretation(s) of the express written provisions of this Agreement.

It is the mutual desire of the City and the Union to provide for the prompt adjustment of grievances in a fair and reasonable manner, with a minimum amount of interruption of work schedules. Every reasonable effort shall be made by both the City and the Union to effect the resolution of grievances at the earliest step possible. Grievance awards that specify the individual(s) to be paid and the amount shall be issued by the second full pay period after the award date. An award may be made in compensatory time upon the agreement of both the employee and the City.

2115.21 Grievance Procedure

(a) The recognized levels of management under the grievance procedure are as follows: the operational unit (Fire Communications or Police Communications), the Department (Fire or Police), and the Department of Human Resources.

(b) For the purpose of sections 2115.21 "Grievance Procedure" through 2115.24 "Failure to Answer or Appeal", the term "days" or "work", "working", or "workdays" is defined as Monday through Friday, excluding holidays. Appeals and responses at the various steps shall be considered submitted or received on the actual date of receipt, unless sent via U.S. mail in which case the date of posting shall be considered the date of receipt.

(c) Grievance Steps

STEP 1: When a dispute arises from action taken at the operational unit level, the employee and the Union representative shall discuss the matter with the responsible supervisor within seven (7) working days after the existence of the dispute is known to the employee. The responsible supervisor may respond within seven (7) workdays of the discussion. If the responsible supervisor fails to respond in the time frame allowed, the employee has the right to proceed to Step Two. Each operational unit will designate in writing to the Steward and Chief Steward the position(s) to whom grievances are to be presented at this step. Mailed notification to the Union office, or personal service of the City's designees, shall constitute notice to the Steward, Chief Steward and the Union. The Union representative presenting the grievance will be immediately advised if the discussion of the grievance needs to occur at another supervisory level.

When the dispute is resolved at the operational unit level, the responsible supervisor and the Union representative shall reduce the grievance and answer to writing within five (5) working days. Both the responsible supervisor and Union representative shall sign the grievance report.

STEP 2: When the dispute is not settled at the operational level, the Union representative shall reduce the grievance to writing, specifying the disputed interpretation(s) of the express written provisions of this Agreement that are alleged to have been violated, and submit it to the chief of the Department or his/her designee who has jurisdiction of the alleged infraction within ten (10) working days after the answer at the operational unit level. The grievance shall be submitted on an approved form and must specify the express written section of the contract at issue, how the section has been violated, and when the violation occurred. The chief or the designee thereof may at his or her option conduct a hearing on the grievance. If so, the hearing should be scheduled within ten (10) days. A decision should be issued in ten (10) days following the day of the hearing. If there is no hearing, a decision shall be issued within ten (10) days of the submission at the second step. The grievance shall be returned to the Steward with the decision.

STEP 3: A grievance which is unresolved through steps one and two shall at the instance of the Union or the City be submitted in writing to the Department of Human Resources within ten (10) days of the decision in Step 2. The assigned hearing officer shall contact the Union's Chief Steward within ten (10) days of receipt of the appeal with dates for scheduling a Step 3 hearing. The hearing shall then be held within thirty (30) days of the date the Step 3 grievance was submitted to Human Resources. A written decision should be issued within ten (10) days thereafter, except where the parties have agreed to forego a hearing. If no hearing is set, a decision shall be issued within ten (10) days of the agreement to forego a hearing. All Step 3 timelines may be suspended by the City for good cause upon the absence of the union representative, City representative, employee, or hearing officer. A copy of the decision shall be submitted to the Union office, divisional steward and the employee. The failure to submit a copy to any party except to the Union office, or the failure to do so in a timely fashion, except to the Union office, shall not constitute a violation of Section 2115.24, "Failure to Answer or Appeal".

(d) General Provisions

A grievance may be advanced to any step of the grievance procedure up to and including arbitration by mutual consent of the parties.

When a dispute arises from action taken above the operational unit level, the Union shall reduce the grievance to writing and submit it to the level of management where the dispute occurred. Said dispute must be brought to the attention of the responsible level of management within ten (10) workdays after the date the Union has gained knowledge that a dispute exists. A

hearing to resolve said dispute will be scheduled within ten (10) workdays with a written decision required in ten (10) workdays following the hearing.

The Union or the City has the authority to attempt settlement at any step of the procedure.

2115.22 Arbitration

(a) If it is the decision of the Union to submit the grievance to arbitration, then the Union shall notify the Department of Human Resources in writing within fifteen (15) workdays after the final answer of the City has been received by the Union. All such appeals shall be submitted to the Labor Management Forum under paragraph B unless the parties mutually agree otherwise.

Within seven (7) calendar days after this notification, the Union or the City shall provide written notification to the other if the use of expedited arbitration under Section 2115.23 "Expedited Labor Arbitration Rules" is desired. The parties will confer within seven (7) calendar days thereafter to decide if the expedited labor arbitration process is to be used, as set forth in this contract. If neither side requests expedited arbitration or the parties do not agree upon same, then the following process is to be followed.

(b) Two (2) representatives from the Union and two (2) from the City shall meet on a bi-monthly basis to discuss grievances appealed to arbitration since their last session and any other matters mutually agreed upon. Where more than two (2) representatives are needed to effectively deal with items on the agenda, up to two (2) more may attend from each side provided two (2) days advance notice is supplied of this need. The meetings shall serve as a forum for discussing the potential for resolving pending disputes. Information exchanged or positions taken may not serve as admissions in any later arbitrations or other legal proceedings.

Grievances not resolved in the forum may by mutual agreement still be submitted to Expedited Arbitration under Section 2115.23, "Expedited Labor Arbitration Rules", or may be submitted by the Union to binding arbitration pursuant to part (c) of this section. The Union must confirm in writing within thirty (30) calendar days from the date of this labor-management forum that the grievance will proceed to arbitration; otherwise, the grievance will be considered as resolved based on the City's answer to the grievance.

(c) A list of seven (7) arbitrators shall be requested from the Federal Mediation and Conciliation Service (FMCS) or another mutually agreed source. Unless otherwise agreed, any list from FMCS shall be requested from the Northern Ohio and Michigan Sub Regions. After receipt of the list, either party may submit a written request to the non-moving party to strike a panel. The City and the Union shall alternately strike one (1) name from the list. The side to strike the first name shall be chosen by lot. If the non-moving party fails to strike the panel within twenty (20) workdays of receipt of the written request, then the moving party has the right to submit its preference in accordance with federal FMCS policies. The non-moving party shall have fourteen (14) calendar days to respond to the moving party's preference.

(d) The Arbitrator shall conduct a hearing within a reasonable time of his selection, at a time, date and place mutually agreed to by the parties. The Arbitrator shall render a decision within a reasonable time of the conclusion of the hearing, unless the parties agree to an extension. The Arbitrator shall not amend, add to or delete any of the provisions of this Agreement.

2115.23 Expedited Labor Arbitration Rules

The City and the Union shall jointly establish a list which will be defined as an Expedited Labor Arbitration Panel. All grievances referred to this panel will be by mutual agreement, except as otherwise provided by this agreement.

The panel of labor Arbitrators will be comprised of seven (7) persons and shall be selected from a panel of twenty-one (21) Arbitrators requested from the Federal Mediation and Conciliation Service Area 48. The list shall be put in random order as selected by the parties after a coin toss to determine the first selector. An Arbitrator, upon rendering a decision, shall be placed in the seventh (7th) position and the person originally listed as second will become the next Arbitrator so assigned.

If the Arbitrator who is first on the list is unavailable on an expedited basis or within required time frames, the next available Arbitrator shall be used. The hearing shall be conducted by the Arbitrator in whatever manner will most expeditiously permit a full presentation of the evidence and arguments of the parties. There shall be no stenographic record of the proceedings, but the Arbitrator shall make an appropriate record of the proceedings. Normally, the hearing shall be completed in one (1) day. In unusual circumstances and for good cause shown, the Arbitrator may extend the hearing beyond one (1) day, and schedule an additional hearing, within five (5) workdays. There shall be no post hearing briefs unless otherwise agreed upon or unless requested by the Arbitrator. Any briefing shall be on an expedited basis.

The arbitration may proceed in the absence of any party who, after due notice, fails to be present. An award shall not be made solely on the default of a party. The Arbitrator shall require the attending party to submit supporting evidence.

The Arbitrator shall be the sole judge of the relevancy and materiality of the evidence offered.

When both sides have completed their presentations, the Arbitrator shall ask whether either party has any further evidence to offer or witnesses to be heard. Upon receiving negative replies, the Arbitrator shall declare and note the hearing closed.

The award shall be rendered promptly by the Arbitrator and, unless otherwise agreed by the parties, not later than five (5) workdays from the date of the close of the hearing.

The award shall be in writing and shall be signed by the Arbitrator. If the Arbitrator determines that an opinion is necessary, it shall be in summary form.

The expenses of non-City employee witnesses for either side shall be paid by the party producing such witnesses. City employees called as witnesses shall be paid if called during normal working hours.

The Arbitrator shall interpret and apply these rules insofar as they relate to the Arbitrator's powers and duties.

The decision rendered by the Arbitrator shall be advisory only and shall not be precedent setting, except when the parties have agreed otherwise in advance or for adjudications of disputes over the reasonableness of Work Schedule Changes (Section 2115.64, "Work Schedules"), the duty to bargain under general work rules, or the reasonableness issue involving new Policies, Procedures, and Regulations (Section 2115.122 (d)).

2115.24 Failure to Answer or Appeal

In the event that the City or the Union fails to answer a grievance within the time required at any step of the grievance procedure, or if the Union fails to appeal the answer given to the next step of the grievance procedure within the time allowed, then proper notification will

be given to either party to extend the time frames by two work days for reasons of discussion or investigation, prior to filing the grievance to default.

2115.25 Suspension Without Hearing

(a) No employee shall be suspended without pay from the service of the City without first having been afforded a hearing by the City's designated hearing officer, except as provided below.

(b) An employee may be suspended without pay pending a hearing only for major infractions of theft, embezzlement of public funds, being under the influence of alcoholic beverages, illegal drugs, or controlled substances during working hours, physical violence, offenses involving gross misconduct, or gross insubordination.

(c) However, where an employee is suspended under this provision, the President of the Union or a designee shall be notified of the suspension immediately, and a hearing before the City's designated hearing officer shall be held prior to the end of the work day thereafter at a time mutually agreed upon. The sole purpose of the hearing will be to establish whether sufficient cause exists to continue the suspension until a full hearing as provided in Section 2115.26, "Procedure", is held and a determination thereunder rendered. Said full hearing need not be scheduled within the time parameters provided under Section 2115.26, "Procedure"; rather, it shall be at the call of the hearing officer.

2115.26 Procedure

(a) When an employee is to be disciplined, the Division Head or Department Head or their designee shall have the charges against the employee reduced to writing, with one (1) copy to be delivered to the employee and a copy delivered to the local Union President's office. Delivery to the employee shall be deemed to have occurred if the charges are hand-delivered, posted at the employee's last known address, or in the event that hand-delivery fails, placed in the U.S. mail. Delivery to the local Union President's office shall be deemed to have occurred if the charges are hand-delivered, sent by facsimile (fax) transmission, left at the office with a Union representative or Union employee, or placed in the U.S. mail using certified or registered mail, return receipt requested. Where resort to U.S. mail occurs, the date of the posting shall control and a written certification shall be provided to the Hearing Officer stating the date of mailing and address to which mailed. The employee's last known address shall be utilized.

Charges must be brought within fifteen (15) days (Monday through Friday excluding Holidays) of the Division having gained knowledge and completed its initial investigation that an infraction exists unless insufficient time is available for completion of the administrative investigation. A written request for the extension of ten (10) days shall then be made to the Hearing Officer who will hear the case and notice of that request given by the Division to the local Union President or Chief Steward. The Hearing Officer shall have sole discretion to decide extension request; such decisions shall not be the subject to review or appeal. Only one extension may be requested or granted. This does not preclude the parties from mutually agreeing to extend timeframes. If an employee's work related activities are being challenged through litigation, any disciplinary action that can be considered by the City may be deferred pending the conclusion of litigation. The hearing shall be held by the City's designated Hearing Officer on a date and time mutually agreed upon, but no more than ten (10) days (Monday through Friday excluding Holidays) after the charges have been served on the

employee, unless mutually agreed upon otherwise. In the event the hearing cannot be held because of the absence of the employee, or the Division or Department Head then it shall be held within five (5) days (Monday through Friday) after the return of the employee and/or Division or Department Head.

(b) Charges shall be preferred by the Division or Department Head and, if different, the individual originally lodging them. The designee of the City shall serve as the Hearing Officer.

(c) The employee shall have the right to be represented at such hearing by the Union. No more than two (2) representatives of the Union shall be present at the hearing (President or his/her designee, the union steward or divisional) unless otherwise approved by the Division Head in advance.

(d) The employee shall be presumed to be innocent and the burden shall be on the employer to show fault by the evidence presented at the hearing. The employee or his or her representative shall have the right to call and examine witnesses/accuser in the employee's behalf, the right to have all pertinent records made available, and the right to file a written answer to the charges prior to the hearing.

(e) The designee of the City shall hear only the evidence in support of the charges and only the evidence in defense of the charges and shall endeavor to ascertain the truth of the charges. The designee of the City shall make a recommendation to the Mayor on the case within ten (10) days (Monday through Friday excluding Holidays) following the closing of the hearing.

(f) In appropriate cases, referral to the Employee Assistance Program may be considered pursuant to the provisions of Section 2115.34, "Employee Assistance Program".

(g) If the recommendation of the designee of the City is for dismissal or demotion, then the Mayor or designated member of the Mayor's staff shall within ten (10) days (Monday through Friday excluding Holidays) schedule the hearing to hear oral arguments from the parties relative to the recommended penalty. It is the intention of the parties to hold the hearing within ten (10) days (Monday through Friday excluding Holidays). A fair and just decision based on the arguments submitted at the hearing will be rendered in a timely manner. Termination from employment shall not occur until the Mayor's decision is rendered.

If the recommendation of the designee of the City is for termination, the employee will be removed immediately from his/her position and will be suspended on administrative leave without pay, unless the employee elects to use available compensatory time pending the Mayor's decision.

(h) Penalties imposed as a result of the hearing shall be in compliance with Section 2115.29 "Progressive Disciplinary Procedures", or Section 2115.30 "Advanced Disciplinary Procedures".

2115.27 Appeal

(a) Any disciplinary action involving a suspension, a demotion or discharge, shall, at the option of the employee, be subject to the appeal procedure of the Civil Service Commission or shall, at the option of the Union Grievance Committee, be subject to the arbitration procedure provided in Sections 2115.20, "Grievances", through 2115.24, "Failure to Answer or Appeal". When the Union Grievance Committee has elected to file a grievance pursuant to the procedures set forth in said arbitration procedure and the employee subsequently files an appeal to the Civil Service Commission, then said grievance shall be considered waived, the employee having elected to appeal to the Civil Service Commission under the Civil Service Rules, as provided by the Charter of the City.

(b) Any disciplinary action involving a written warning shall be subject to the grievance procedure commencing at the operational level. An appeal of the decision may be submitted to the Department of Human Resources whose decision will be final and binding on the parties.

2115.28 Counseling Employees

When an employee is to be counseled, the matter shall be privately discussed between the employee and appropriate supervisor. A record of the infraction shall be maintained for twelve (12) months, and removed only by the employee's request.

2115.29 Progressive Disciplinary Procedures

(a) Discipline for infractions that are minor in nature will follow the Progressive Disciplinary Process outlined below. All serious infractions may bypass this progression, for example: theft, embezzlement, being at work while under the influence of alcohol or drugs, physical violence, or offenses relating to gross misconduct or gross insubordination.

(b) Progressive Disciplinary Process ("PDP")

Employees have the right to be represented by the Union at all progressive steps.

Step 1. Written Reprimand.

i. If an employee commits an infraction and counseling is not utilized, he or she will be given a Written Reprimand and be placed in Step One. A copy will be given to the employee and the Union representative. The written document will be kept by the Division and put into the employee's file for twelve (12) months.

ii. If an employee does not commit any further infractions within twelve (12) months after the Written Reprimand the Employee will be considered to be at no step in the Progressive Disciplinary Procedure.

Step 2. Suspension – One (1) to Ten (10) Days

i. If an employee commits an infraction within twelve (12) months of a Written Reprimand, he or she will be suspended without pay for one (1) to ten (10) days as determined by the Hearing Officer, and placed in Step Two. The Hearing Officer may determine that some or all of the suspension may be held in abeyance if no further infraction occurs within twenty-four (24) months. A copy will be given to the employee and the Union representative. The written document will be kept by the Division and put into the employee's file.

ii. If an employee does not commit any further infractions within twenty four (24) months after a Step 2 Suspension, the employee shall be considered to be in no Step of the PDP.

iii. An employee who is serving suspension days shall not be entitled to cash in or use vacation time. The employee shall not be permitted to serve as an alternate during his or her time in Step 2.

Step 3. Suspension – Eleven (11) to Twenty (20) Days

i. If an employee commits an infraction within twenty-four (24) months of Step 2, he or she will be suspended without pay for eleven (11) to twenty (20) days after service of the Hearing Officer's decision on the Union and the employee and placed in Step 3. The Hearing Officer may determine that some or all of the suspension may be held in abeyance if no further infraction occurs within thirty-six (36) months. A copy will be given to the employee and the Union representative. The written document will be kept by the Division and put into the employee's file.

ii. If an employee does not commit any further infractions within thirty-six (36) months after the Step 3 suspension, the Employee will be considered in no step in the PDP.

iii. An employee who is serving suspension days shall not be entitled to cash in or use vacation time during the time the suspension days are served, unless approved by management. The employee shall not be permitted to serve as an alternate during his or her time in step 3.

Step 4. Termination

If an employee commits another infraction within thirty-six (36) months of a Step 3 Suspension the employee shall be subject to termination. A designee of the Mayor's Office shall serve as the Hearing Officer and shall have the right to terminate the employee, order a repeat of the Step 3 Suspension, and/or place the employee in the Employee Assistance Program.

2115.30 Advanced Disciplinary Procedure

Acts considered major offenses, including but not limited to theft, embezzlement of public funds, being under the influence of or impaired by drugs or alcohol during working hours, physical violence, gross misconduct, or gross insubordination are not subject to the progressive disciplinary process outlined above. An employee committing these or similarly egregious acts (as determined by management) are subject to advanced discipline as determined exclusively by management. Advanced Disciplinary Procedure means that management can seek punishment at any level including termination, regardless of what step of the disciplinary procedure an employee is in.

2115.31 Documentation of Disciplinary Action

Disciplinary documentation in the reference to Step 2 and Step 3 will not be removed from the employee's personnel files. Placement in a disciplinary Steps 2 and 3 may be considered relative to any promotions, transfers or discipline. The lack of discipline will similarly be considered relative to any promotions, transfers or discipline.

2115.32 Clearing of Employee's Record

Counseling and written reprimands shall become inactive after one (1) year from the date of the infraction provided that no minor infractions occur in the interim.

Once a counseling or written reprimand becomes inactive, said files shall be placed in a non-active status and shall not be used for the purpose of promotion, transfers, or future disciplines.

Advance Steps in the progressive disciplinary process (Step Two (2) and Three (3)), shall remain in the employee's file and may be considered for the purpose of promotion, transfers, or future disciplines.

2115.33 Failure to Follow Procedure

In the event the proper procedure is not followed as set forth in this Article, then charges against the employee will be dropped.

2115.34 Employee Assistance Program

The parties agree that alcoholism and other such drug dependencies are both a sickness and a social ill. The parties desire to work together to help correct the problems this has caused our employees and the City.

The parties will identify in a cooperative fashion persons in need of the Employee Assistance Program both inside and outside the discipline process.

The parties agree that a strengthening of the Employee Assistance Program is essential for effective operation of that program. In order to strengthen it, the following actions must take place.

1. Additional training and education on alcoholism, drug dependency, and the Employee Assistance Program should be made available.
2. When discipline is involved, the parties will fashion discipline so that the remedy will help correct the problem as well as imposing a penalty. The City reserves the right to discipline.
3. When an employee is referred to the Employee Assistance Program as a result of the discipline process, the employee shall attend that program under threat of further discipline.
4. Reports limited to attendance, cooperation, and progress can be confidentially supplied to the employee's division head and other appropriate individuals so as to assure that treatment is completed; provided, however, that the exact nature of the problem, prognosis, and diagnosis should remain confidential. Reports shall only be provided when the employee is enrolled in the Employee Assistance Program as a result of the discipline process or when the employee consents to the submission of status reports.
5. The methods, criteria, functions, successes or failures of this program shall be re-evaluated whenever appropriate.
6. The Union and City shall form a committee of a representative from the Union, a representative from the City, and the coordinator of the Employee Assistance Program to evaluate and assist the Employee Assistance Program.

2115.35 Probationary Period

Newly hired employees shall have no seniority during their probationary period, but upon completion of the probationary period their seniority date shall be the date of hire. Employees in classifications included in Section 2115.02, "Classifications", shall be probationary employees for a period of one thousand five hundred and sixty (1,560) actual hours worked after successful completion of on the job training. Said employees shall not receive any fringe benefits during the initial one hundred and sixty (160) actual work hours of employment, but shall be entitled to full fringe benefits thereafter.

Employees in classifications set forth in Section 2115.02 "Classifications" shall be represented by the Union once they have satisfactorily completed one hundred sixty (160) actual work hours of their original probationary period; except representation shall not be provided in matters relative to retention, discipline, or removal until satisfactory completion of the full probationary period.

2115.36 Seniority

Seniority shall accrue to regular full time employees of the City and shall be based upon the total length of continuous service with the City, and shall be used for the purpose of determining layoffs, bumping rights and recall rights.

The seniority date of a City employee shall be the date of the employee's appointment as a permanent or provisional employee. If the employee (1) was originally hired directly by the City as a temporary employee and (2) worked continuously full-time, and (3) was subsequently made a permanent or provisional employee in any classification without a break in service, then upon the employee's successful completion of the probationary period in the permanent or provisional position, the employee's seniority date shall be the date of original appointment to the temporary appointment.

All full-time continuous service as a temporary employee meeting the above criteria shall be counted for the purpose of determining the employee's entitlement to fringe benefits. If the employee had worked as a temporary continuously full time for one hundred and twenty (120) work days, then the employee shall be eligible for fringe benefits immediately upon appointment as a permanent or provisional employee.

2115.37 Unit Seniority

Unit Seniority shall mean seniority in a classification within the unit and shall be used for preference of vacations, bonus vacations, holidays, shift selection for non-probationary employees, and placement on the overtime rotating list and bidding vacancies on shifts. The list shall be posted for all employees to see. These lists shall be furnished to the Union upon reasonable request.

2115.39 Seniority - Union Officers and Stewards

All of Local 7's officers, divisional stewards and departmental stewards shall have top seniority during their term of office in that order regardless of length of continuous service for the purpose of layoff and recall. The only exception to this section is where there is more than one steward in a division or unit and there are different zones; the stewards shall exercise their seniority so that all zones will be covered. They shall return to their original standings on the seniority list at the end of their terms of office.

2115.40 Military Service

(a) Military leave

An employee who is called or enlists into military service shall be placed on an approved leave of absence during the time the employee is required to serve. Sick leave accrued prior to the date of an employee's entrance into the military service shall be preserved until their return to City employment. Whenever vacancies occur in the classified service by reason of a military leave of absence, appointments may be made for the duration of the emergency or earlier return to City service of the employees granted such leaves for military service. All such appointments shall be subject to the priority rights of the permanent employees granted military leaves.

(C) Military pay

2115.41 Seniority During Industrial Disability

An employee who is unable to work because of industrial (service connected) disability shall accumulate seniority during this period of sickness or disability not to exceed one (1) year's duration, unless this period is extended in writing. Medical evaluation by the Program Preferred Provider for Full Duty Return to Work without restrictions will determine if the employee will be able to return to their classification.

2115.42 Loss of Seniority

The seniority of an employee shall be lost and the employee shall be terminated for the following reasons:

- (a) The employee resigns.
- (b) The employee is discharged by the appointing authority.
- (c) The employee fails to report to work after fourteen (14) calendar days after a recall notice has been sent.
- (d) The employee is absent for five (5) consecutive working days without obtaining an approved leave of absence or notifying the City and substantiating with medical verification that the employee is sick and/or disabled.
- (e) The employee fails to return at the expiration of an approved leave of absence.
- (f) An employee enters employment for another employer or becomes self-employed while on leave.
- (g) An employee is laid off continuously for more than four (4) years.
- (h) When an employee loses seniority for the reasons listed in subsection (c) through (g) above, said employee shall be given written notice of the reason for such loss of seniority. Loss of seniority under paragraphs (d) and (e) shall be subject to a review by the Department of Human Resources, with recommendations made to the Human Resources Director. Loss of

seniority for any reason except paragraph (b) above shall not be subject to review under 2115.26, "Procedure" (g) or 2115.27, "Appeal".

2115.43 Layoff Procedure

(a) When it is necessary to reduce the work force for lack of work or for other legitimate reasons, any temporary, or probationary employee in the classification affected shall be laid off before any permanent or provisional employee is laid off. In making a layoff of permanently certified employees, the employee to be laid off shall be the one with the least amount of continuous service within the Bargaining Unit, with the City.

(b) No bumping into the Police or Fire Communications Sections shall occur unless the employee has completed the requisite training and has been previously qualified.

(c) An employee laid off shall have the right to displace another City employee having less continuous service than the laid off employee in accordance with the following procedure.

(1) First. Employees will be offered funded vacant positions within the Local 7 jurisdiction within the same classification, within the same or lower salary group, provided employees conform to the provisions listed in this section.

(2) Second. The employee shall have the right to displace the employee in the same classification, within the Bargaining Unit, with the least amount of continuous service with the City.

(3) Third. The employee shall displace the employee in the same salary group who has the least amount of continuous City service, within the Bargaining Unit with the City provided the affected employee (I) has performed in that classification or has the required experience in a similar or related position and (II) meets the minimum requirements for the classification and (III) has the ability to perform the duties of that position.

(4) Fourth. The employee shall drop one or more salary groups and displace the employee in the lower salary group who is working in a classification that the employee: (I) has either performed or for which he has the required experience in a similar or related position; and (II) for which the employee meets the minimum requirements for the classification; and (III) for which the employee has the ability to perform the duties of that position.

(5) Fifth. Notwithstanding the above procedure, an employee will be allowed to displace an employee in a classification not previously performed in when that classification is in a logical progression from a present or former classification held. Again, the employee must meet the minimum requirements for the classification and have the ability to perform the duties of the position.

(6) Sixth. The definition "performed in the classification" will include employment outside the City where documentation has been submitted to and approved by the Toledo Civil Service Commission prior to the layoff process. An individual approved must be able to perform the duties of the position.

(7) Seventh. This process shall repeat itself until the employees having the least amount of seniority within the affected classes have been displaced by employees with greater seniority who have met the conditions set forth above.

(8) Eighth. Notwithstanding the above procedure, any employee whose position has been identified for elimination or who has been displaced by a more senior employee shall have the right to accept the layoff without repercussion.

(9) Ninth. In the event that any seasonal employees working anywhere for the City through any temporary agency, employees who have been laid off as a result of this procedure shall have the option of taking those positions by seniority, provided they have the ability to perform the duties of such positions or they may choose to take the layoff without repercussion.

(d) The City of Toledo will notify the Union thirty (30) days prior to the effective date of layoffs that the elimination of positions has become necessary.

(e) In the interest of public safety, no more than 5% of the Local 7 employees in the Police and Fire Communications Sections, respectively, may be bumped under the provisions of this article. Laid off employees who displace into a salary group/classification different than their permanent classification will serve a sixty (60) work day demonstration period following completion of training; if found unsatisfactory during this sixty (60) work day period, the employee will prospectively displace from the original permanent classification.

(f) Any laid off employee who determines a classification/position, to which they have displaced into pursuant to this layoff procedure, is not suitable during the applicable probationary or demonstration period, may either (1) accept placement into an available vacancy equal to or lower than the classification from which they were originally laid off, or (2) will actually be laid off. Otherwise, there is no "re-bump" process.

(g) A laid off employee will receive the appropriate rate of pay for the salary group of the classification to which they displace into and, the twelve (12) month rule for the "steps" within the salary group will be applied from the original salary group (as set forth in "Wage Rates, Premiums and Allowances" Section 2115.114 "Base Annual Salaries") for lateral movement through this layoff procedure.

2115.44 Vacancies

(a) In the event an existing bargaining unit position becomes vacant, it shall be filled in accordance with the following priorities.

(10) New hires who do not meet the preferred qualifications as outlined in the Class Specification for Fire Communications Specialist, Police Communications Specialist, or Police Communications Specialist II.

(b) If the City intends to leave the vacancy unfilled, or intends to defer filling the vacancy until some time certain, the City shall so notify the Union within thirty (30) calendar days of the occurrence of the vacancy.

For purposes of recall procedure, seniority means the total length of continuous service in the bargaining unit.

Employees will remain on this list for return to the division and classification they were in prior to the layoff or displacement for a period of four (4) years. Employees who are laid off or displaced will remain on a recall list to fill vacancies (other than from their permanent classification in the division from which they were laid off or displaced) in the same or lower salary group of their permanent classification for a period of three (3) years.

(c) Laid off employees who refuse recall to their former classifications will forfeit their recall rights and their names will be removed from the list.

(d) Before any vacancies are filled, the qualifications of individuals on the recall list will be reviewed by Department of Human Resources personnel to determine if they possess the necessary qualifications. Permanent employees who are judged qualified will be recalled by seniority to fill vacancies in the same or lower salary group of their permanent classification.

(e) Employees will be contacted by telephone and notified of their being recalled and must accept or reject the recall within three (3) work days. An employee off work will be sent a certified letter notifying them of being recalled; a failure to accept or respond within five (5) work days will result in the City recalling the next most appropriate employee.

2115.46 Reappointment

Incumbents of positions reclassified to a classification at a lower salary group shall be given an opportunity to return to a vacant position in the salary group for which they qualify. If a vacancy does not exist at such time, the name of the incumbent shall be placed on a re-appointment list by seniority for the former salary group. An individual declining an offer to return to the former salary group shall have the rate of pay immediately reduced to the rate established by ordinance for the current classification, or to the red-circled rate of pay for the current classification, whichever is higher.

No employee shall receive a re-appointment into this Bargaining Unit unless the employee has completed the requisite training and has been previously qualified.

2115.47 Promotions

If there are no employees qualified and willing to accept the position from within the unit, then the employee who is determined most qualified from among the three (3) employees with the most classification seniority within that Division who are qualified and willing to accept the position, in the next lower classification, shall have the right to be appointed provisionally to that position. The Commissioner of that Division shall appoint from this list to fill the vacancy provisionally.

(4) When an employee is appointed on a provisional basis, said employee shall become a permanent appointee in the classified service at the conclusion of the employee's promotion probationary period.

(c) In selecting non-competitive and provisional appointees, consideration shall be given to seniority, experience, work record/performance, attendance, disciplinary record, education/training, demonstrated ability to perform the job and the results of a structured interview and/or other competency examination, if the Division Head chooses to have interviews

or a competency exam conducted. A structured standardized process shall be developed by the City to be used in making these selections with input from the Union. However, the City retains the right to make the final decision on the process.

(d) In the event of a vacancy in a Local 2058 bargaining unit classification for which there is no eligibility list and for which the City intends to fill by provisional appointment, the City shall follow the procedure below:

(3) In selecting a candidate for a provisional appointment to a Local 2058 position from among the bargaining unit members of Local #7, the City shall apply the language above.

They may appeal the determination to the Department of Human Resources at Step 3 of the grievance procedure for a determination as to the adequacy of the reason(s) for the bypassing. Said appeal must be filed within three (3) work days of notification of non-selection. Appointment to the position shall not occur until a determination by the Department of Human Resources has been made. For promotions to Local 2058 bargaining unit positions, the determination at the Department of Human Resources level shall be final. For promotions to Local 7 positions, appeal may proceed through the grievance procedure. If the appointment is overturned, the original appointee shall be reinstated to that former position with no loss of seniority.

(f) Promotion Probationary Period

An employee promoted to a higher classification who is found to be unsuited for the work of the new classification, or who desires to return to the former position during the four hundred eighty (480) actual work hour probationary period, shall be reinstated to that former position with no loss of unit seniority. If the employee's former position has been filled, the employee filling that position may be removed and reinstated to their former position, and so forth, with no loss of unit seniority.

(g) Training Credit/Career Pathing

The City may develop training programs using either internal or external resources to enable employees to meet, in whole or in part, experience requirements for higher level Local 7 bargaining unit positions.

(2) The employee must request the transfer in writing to the Department of Human Resources. To be considered for transfer the request must be on file before the job requisition to fill the vacant position is received by the Department of Human Resources. The Appointing Authority may also initiate transfers for the good of the service apart from the procedure and priorities specified here and in Section 2115.44 "Vacancies", provided, however, that no employee from outside the Bargaining Unit may be transferred into the unit for the good of the service until the priorities for filling vacancies with Bargaining Unit employees have been exhausted.

One transfer movement shall be allowed within a twelve (12) month period. One automatic waiver will be allowed on each transfer request. Modifications in this procedure may be approved by the Transfer Board for the good of the service.

(e) An employee transferred to a position in the same classification as provided herein, shall be probationary for a period of four hundred eighty hours (480) actual work hours after successful completion of on the job training. If the employee transfers to a position in a different classification, the employee shall be probationary for a period of nine hundred and sixty hours (960) actual work hours, after successful completion of on the job training. During this period either the employee or the City can request movement of the employee back to their former position. If the employee's former position has been filled, the employee filling that position may be removed and reinstated to their former position, and so forth.

(f) Seniority shall be the determining factor in establishing priority for transfer requests unless the Transfer Board agrees to specific priority adjustments for the good of the service.

(g) Transfer requests are valid until December 31 of the year in which they are filed. After January 1 of each year, a new request must be filed with the Department of Human Resources.

(d) An employee voluntarily demoted as provided herein, shall be probationary for a period of four hundred and eighty (480) actual work hours, after completion of on the job training. During this period either the employee or the City can request movement of the employee back to their former position. If the employee's former position has been filled, the employee filling that position may be removed and reinstated to their former position, and so forth.

(e) Seniority shall be the determining factor in establishing priority for voluntary demotion requests unless the Transfer Board agrees to specific priority adjustments for the good of the service.

(f) Voluntary demotion requests are valid until December 31 of the year in which they are filed. After January 1 of each year, a new request must be filed with the Department of Human Resources.

that bargaining unit may request reinstatement within a one year period from the date of such termination to a vacancy in any classification where permanent certification was previously held, assuming that the individual continues to meet the listed requirements for such classification.

The names of individuals approved for reinstatement shall be placed on a reinstatement list in alphabetical order. Such names shall then be supplied to Division and/or Agency Heads for consideration for appointment to vacant positions. Reinstated employees must pass any physical, medical and/or psychological examination as determined by the Commission.

Individuals approved for reinstatement who have not been appointed after a period of two years shall have their names removed from the reinstatement list.

2115.52 Alternates

(a) An alternate is an employee who is temporarily assigned to perform duties above the employee's regular classification. An alternate may be temporarily assigned under the following circumstances:

- (1) To replace an employee who is off for any reason;
- (2) To fill a vacant position pending the making of a provisional or permanent appointment;
- (3) To temporarily supplement the staffing level authorized in the budget;
- (4) To provide training opportunities and credit as prescribed by the education and training program.

(b) The employee within the unit standing highest on the competitive eligible list for the classification that is to be filled alternately shall have the right to be temporarily assigned. If there is no employee within that unit on the competitive eligible list, then the temporary assignment shall be given to the employee from within that Division standing highest on the eligible list. In the case of a noncompetitive list, it shall be the most senior employee within the unit or Division on said list for Local 7 positions and one of the three (3) most senior for Local 2058 positions. If there is no employee within that Division, then the following procedure shall be used.

(c) For alternate appointments to Local 7 positions, the employee with the most unit seniority in the next lower classification within that unit with the demonstrated ability to perform the work of the classification, shall have the right to be temporarily assigned to the position until an eligibility list is established. The employee will be presumed to have the demonstrated ability to perform in the classification for purposes of this section if the employee meets the minimum requirements for the position. If the employee does not meet the minimum requirements, the employee will still be appointed if they satisfactorily demonstrate to division management their ability to perform in the position. Said demonstration may be by way of a competency exam and/or a demonstration period. If there is no eligible employee willing to accept the appointment within the immediate lower classification, then the employee with the most unit seniority with the demonstrated ability to perform the work in the next lower classification within that unit shall have the right to be temporarily assigned to that position and so forth until no employee willing to accept the appointment within that unit is eligible for the temporary assignment.

If there is no eligible employee(s) willing to accept the appointment within that unit, the employee willing to accept the appointment with the most classification seniority with the demonstrated ability to perform the work within that Division, in the next lower classification, shall have the right to be temporarily assigned to that position until an eligibility list is established. If there are no eligible employees willing to accept the appointment within the immediate lower classification, the employee with the most classification seniority willing to

accept the appointment and with the demonstrated ability to perform the work in the next lower classification shall have the right to be temporarily assigned to that position and so forth until no employee within that Division is eligible for the temporary assignment.

(d) For alternate appointments to Local 2058 positions:

(1) In the absence of an eligibility list, the employee who is determined most qualified to do the work from among the three (3) most senior employees willing to accept the position in the next lower classification in the unit shall have the right to be appointed alternately to that position. If there is no eligible employee within the immediate lower classification, the employee determined most qualified to do the work from among the three (3) most senior employees willing to accept the position in the next lower classification shall have the right to be appointed alternately to that position and so forth until there are no employees within that unit eligible for appointment.

(2) If there are no eligible employees within that unit, the employee who is determined most qualified from among the three (3) employees willing to accept the position with the most classification seniority within that Division, in the next lower classification, shall have the right to be appointed alternately to that position. If there is no eligible employee within the immediate lower classification, one of the three (3) employees willing to accept the position with the most classification seniority within the Division in the next lower classification, shall have the right to be appointed alternately to that position and so forth until no employees within that Division are eligible for appointment.

(3) In selecting alternate appointees, consideration shall be given to seniority, experience, work record/performance, attendance, disciplinary record, education/training, and demonstrated ability to perform the job. Employees bypassed for selection more senior to the employee selected shall be informed of the reason(s) they were not selected by the person making the selection. They may appeal the determination to the Department of Human Resources for a final determination as to the adequacy of the reason(s) for the bypassing. Said appeal must be filed within three (3) work days of notification of the bypassing.

(4) For an employee to be qualified for consideration for appointment to a Local 2058 position under this section, the employee must meet the minimum requirements for the classification.

(e) The employee initially selected as the alternate shall continue to serve for the period that the division determines an alternate appointment is necessary, unless: the alternate is selected for an alternate appointment to a higher classification; or an employee with greater seniority returns who is qualified and interested.

(f) When an employee is worked as an alternate, the employee shall be paid at the alternate rate of the position worked for a single compensated day off, providing the employee worked in the alternate position for three (3) of the five (5) work days immediately preceding the single compensated day off. The employee shall be paid at the alternate rate of the position worked for more than a single compensated day off, providing the employee worked in the alternate position for six (6) of the ten (10) work days immediately preceding the compensated days off.

(g) For purposes of selection of alternates to serve in Local 2058 bargaining unit positions, "unit" as used in this section shall be the applicable Local 7 work unit.

(h) When an employee repeatedly refuses alternate appointments, they may be removed from the alternate list after written notification has been given to the employee and the responsible Union Steward stating the just cause for removal. The employee may only be reinstated at the written request of the employee and responsible Union Steward, with the written request including justification for the requested reinstatement.

2115.53 Transfers of Lucas County E-911 Operators

The City shall recognize the service of former employees of the Lucas County E-911 that are hired into the position of Communications Operator with the City of Toledo prior to December 31, 1997, and shall recognize his or her continuous service date with the Lucas County E-911 for the purpose of determining vacation entitlement only.

2115.54 Leave of Absence Without Pay

(b) An employee on an approved leave of absence shall continue to accumulate seniority during the period of the employee's absence.

(c) It is the parties' express intent that this Chapter of the Code shall not be applied or interpreted in such a manner as to cause or constitute a violation of any law, specifically including PL 103-3 known as the Family and Medical Leave Act of 1993; provided, however, that any remedy for violation of this Act shall be as set forth in the Act.

2115.55 Personal Leave - Up To Five (5) Days

Any request for an excused absence for a period of five (5) work days or less may be granted by the employee's Chief or his designee without the necessity of preparing formal leave papers.

2115.56 Personal Leave From Six (6) to Thirty (30) Calendar Days

(a) Upon the approval of the City and the Union, a leave of absence without pay may be granted for up to thirty (30) calendar days in any calendar year.

(b) Request for such leave of absence shall be in writing, in triplicate, and shall be signed by the employee stating the reason(s) for said leave. One copy shall be retained by the employee, one copy by the Department of Human Resources, and one copy by the Union.

(c) Employees on such leave will not suffer loss of position during said absence. When an employee returns from such an approved leave of absence, that employee shall return to the position in the service from which the leave was granted.

(d) Furthermore, employees on such approved leave of absence for thirty (30) calendar days or less shall have their hospitalization-surgical-drug-life insurance benefits continued in force by the City during this period of time.

2115.57 Personal Leave - More than Thirty (30) Calendar Days

(a) A leave of absence for more than thirty (30) calendar days in any calendar year may be granted provided the request requirements of Section 2115.56, "Personal Leave From Six (6) To Thirty (30) Calendar Days", are met.

(b) When a leave of absence for more than thirty (30) calendar days is granted, the employee shall not be entitled to be returned to the position from which the leave was granted, but will be placed in an open position in the same class or in a class at the same salary group

provided a vacancy exists, except in the case of a leave of absence for the purpose of securing job related educational experience, in which case the employee shall be returned to the Division from which the leave was granted. The exceptions to this provision are as follows: the employee who is on an Industrial Injury Leave and in the City program with the Program Physician will be entitled to return to their position when determined to be physically able to return to work in their classification; or the employee is on a leave pursuant to the Family and Medical Leave Act of 1993 and is entitled to return as provided therein.

If an employee elects to go on Workers' Compensation pursuant to Section 2115.100(d), "Wage/Salary Continuation", the City may fill that position after thirty (30) calendar days.

(c) In no case shall a leave of absence be granted for a period of more than one (1) year, except as otherwise provided herein.

(d) An employee on an approved leave of absence for more than thirty (30) days in any calendar year shall not receive hospitalization-surgical-prescription drug benefits during the period of such leave, however, the employee may arrange to prepay through the Division of Accounts the premiums necessary to continue the employee's hospitalization-surgical-prescription drug benefits in force during the period of time exceeding thirty (30) days the employee is on leave. Life insurance benefits will be maintained during said period. The exceptions to this are a leave pursuant to the Family and Medical Leave Act of 1993 or an industrial injury leave as provided in this Chapter.

2115.58 Falsification

No employee shall be granted leave of absence for the purpose of entering employment for another employer or becoming self-employed. If a leave of absence is falsely obtained and the employee is found to be employed by another employer or to be self-employed while on a leave, the employee shall be given the opportunity to resign from service with the City. If the employee fails or refuses to resign, then the employee shall be discharged.

2115.59 Parental Leave

(a) A female employee who has completed probation will be eligible for maternity leave for that period of time that she is physically incapable of performing her regular work related duties. The employee will be required to document her physical condition in a Statement of Attending Physician forwarded to the City. Application for such leave will be made on the approved form.

(b) The employee shall be entitled to use as much of her accumulated sick time as she desires, in lieu of the Leave of Absence without pay, during this period of time. The employee may request additional release time prior and/or subsequent to the above-stated disability. Such requests shall be made as provided in Section 2115.54, "Leave of Absence Without Pay", through 2115.62, "Employment by Bargaining Agent".

(c) It is the parties' express intent that this section shall not be applied or interpreted in such a manner as to cause or constitute a violation of any law, specifically including PL 103-3 known as the Family and Medical Leave Act of 1993; provided, however, that any remedy for violation of this Act shall be as set forth in the Act.

(d) Any Local 7 employee shall be entitled to take up to ten (10) consecutive work days for the purpose of staying home to assist his/her family due to the birth or adoption of a child to the employee and his/her spouse. The ten (10) sick days when used in accordance with this Section shall have no effect on either bonus days as provided in Section 2115.101, "Bonus

Days”, or on annual sick leave conversion as provided in Section 2115.95, “Accumulation and Payment of Sick Days”.

2115.60 Sick or Injury Leave (Not Work-Related)

When an employee who is sick or has been injured, but not due to work-related cause, and the employee has no sick days or Wage /Salary Continuation left, and extended Sick or Wage /Salary Continuation has not been granted, the employee may apply for a Leave Without Pay as provided in Section 2115.57, “Personal Leave from Six (6) to Thirty (30) Calendar Days”, or 2115.58, “Personal Leave – More than Thirty (30) Calendar Days”. The request must be accompanied by the Statement of Attending Physician verifying the necessity for such leave. The Leave may be granted for periods of thirty (30) calendar days or more, depending on the condition of the employee, but not to exceed one (1) to twelve (12) months from the date the employee's sick pay or Wage/Salary Continuation has been exhausted unless by mutual agreement this period is extended in writing. The employee's position, however, can be filled after thirty (30) calendar days, temporarily until the employee is released to full active duty.

The above paragraph governs ONLY when an employee is sick or injured at home or otherwise off-duty. It does not relate to injuries that occur at work, which are covered by Workers' Compensation.

2115.61 Workers' Compensation Covered Injuries at Work

When an employee is injured at work, they will be covered by Wage/Salary Continuation Program as specified in 2115.100, “Wage/Salary Continuation”. If an employee is compliant with the City's rules for the above two programs, and they are released without medical restrictions, they will return to the same or comparable position they held with the City. An employee's return to work is controlled by the medical opinions of the Occupational Physician Providers and the City's ability to conform the job to those opinions. If an employee chooses to go to their own BWC certified physician, they will no longer be eligible for Wage/Salary Continuation, but will apply for Temporary Total (TT) Disability benefits through the Bureau of Workers' Compensation.

2115.62 Employment by Bargaining Agent

Notwithstanding the provisions of Section 2115.56, “Personal Leave from Six (6) to Thirty (30) Calendar Days”, or Section 2115.57, “Personal Leave – More than Thirty (30) Calendar Days”, an employee may be granted a leave of absence without pay for a period of not to exceed two (2) years for the purpose of entering employment by a Bargaining Agent with which the City of Toledo has entered a collective bargaining agreement covering employees of the City of Toledo. This period may be extended on a year-to-year basis by mutual agreement.

2115.63 Work Schedules

(a) The following work schedule shall govern shifts for employees in this Bargaining Unit:

0600-1400 (6 AM – 2 PM)

1400-2200 (2 PM – 10 PM)

2200-0600 (10 PM – 6 AM)

(b) Except for emergency situations changes in scheduled days and start times shall not be implemented by the City unless they are reasonably calculated to enhance efficiency, effectiveness, or public service. This provision shall not be construed to prevent the City from assigning work from one shift to another.

2115.64 Starting/Quitting Time

The starting time shall be determined on an operational basis and the employees shall be made aware of the established starting time for their unit. Changes in starting time shall be made in accordance with Section 2115.63, "Work Schedules". Work shifts shall consist of consecutive eight (8) hour days with a set starting and ending time.

The employee's workday shall be the regular scheduled work shift with a fixed starting and ending time. No employee shall leave his/her assigned post unless properly relieved or with permission from his/her supervisor.

2115.65 Work Day

The work day shall be the employee's regularly scheduled hours of work with a fixed starting and quitting time and shall consist of consecutive hours, except as broken for the lunch and break periods as specified in 2115.69 "Breaks and Lunch Hour."

2115.69 Breaks and Lunch Hour

Due to the unique characteristics of the work performed by employees in this Bargaining Unit, the City will comply with the Federal Labor Standards Act (FLSA) by providing a reasonable time for lunch and breaks based on operational needs.

It is further the intent of the parties to allow reasonable time between the regular shift and overtime for an employee to make arrangements necessary to work overtime.

Breaks and lunch periods are to be scheduled as follows:

(a) Employees working positions other than dispatch are permitted a 30-minute lunch break and a 10-minute break each hour. Lunch periods/breaks will begin no sooner than 1 hour after the start of the shift and will be complete 1 hour prior to the end of the shift. A break will not be permitted in the same hour as the lunch period.

(b) Employees working dispatch are permitted break periods in a rotation consisting of 90-minute work periods and 30-minute break periods.

All personnel are to be available for call back from lunches and breaks. The City and Union understand that a call back is not recall and therefore does not constitute overtime.

2115.70 Daily Overtime

(a) All work in excess of the regularly scheduled eight (8) hour work day shall be overtime and compensated at a rate of time and one-half the regular rate or as otherwise provided. Overtime shall not be paid twice for the same hours.

(b) If an employee is requested to report back to work not contiguous to the beginning or end of the regular shift, the employee shall be guaranteed a minimum of two (2) hours overtime pay.

(c) If the employee is requested to report to work two (2) hours or less prior to but contiguous to the start of the shift, the employee shall be guaranteed two (2) hours of overtime pay.

All such hours shall be paid at the appropriate overtime rate.

2115.71 Saturday/Sunday Overtime

When a shift worker works their first scheduled day off, it shall be considered as a Saturday and shall be compensated at the time and one-half rate.

When a shift worker works their second scheduled day off, it shall be considered as a Sunday and shall be compensated at the double time rate.

For regularly scheduled employees (Monday through Friday), Saturdays shall be compensated at the rate of time and one-half provided such employees have been credited with forty (40) hours straight time pay in the scheduled work period. A minimum of two (2) hours pay at the appropriate overtime rate shall be guaranteed to such employees.

For regularly scheduled employees (Monday through Friday), Sundays shall be compensated at the rate of double time provided such employees have been credited with forty (40) hours straight time pay in the scheduled work period. When the holiday falls on a Saturday and the City celebrates the holiday on Friday, if an employee works Friday the employee shall be compensated at the double time rate for all hours worked on Friday. In the event the employee works on Saturday, the employee shall be compensated time and one-half for all hours worked on the Saturday. In the event the holiday falls on Sunday and is observed on Monday, this same rule shall apply.

2115.73 Overtime Guarantee

The overtime guarantee set forth herein shall not be applied to those situations where the employee is attending a pre-scheduled meeting; or to attend a required court hearing as a witness in connection with their City employment. In such cases the employee shall be guaranteed two hours pay at the appropriate overtime rate.

2115.74 Time Off - Shift Assignments/Training

All work in excess of an eight (8) hour shift within a twenty-four (24) hour period shall be compensated as overtime.

When there is a change in shift assignments for the next year or when there is mandatory training, there shall be no less than eight (8) hours off between shifts.

While in training the employee's assigned training shift during training will be considered the primary shift for the purposes of overtime and forced recall.

2115.75 Overtime Rotating List

(a) It is the intent of this section to schedule necessary overtime work as evenly as possible among the employees who have completed their original probationary period and are qualified to perform the necessary work. The seniority rotating overtime list shall be established as to job classification according to the employee's unit seniority and such list shall be kept current and posted, and the list shall be followed. The overtime rotating list will be re-established annually at the beginning of the first shift, January 1 of each year according to the aforementioned criteria. All overtime hours worked shall become part of the seniority rotating overtime list of all employees.

(b) Once established, the list shall be adhered to in the selection of employees to work overtime with the exception that: If a particular incident requires overtime to be worked contiguous to the shift in order to complete or further the progress on such incident, then the employee who has been working the incident on his/her regular shift may be allowed to continue with the same incident during the overtime period;

(c) It is also the intent of this section to facilitate overtime scheduling and call out. When an employee is requested to work and refuses such overtime assignment, the employee shall be charged with such overtime. When an employee repeatedly refuses all overtime in a rolling ninety (90) day period, they may be removed from the overtime rotating list for thirty (30) days after written notification has been given to the employee and the responsible Union Steward stating the just cause for removal. The employee may only be reinstated at the written request of the employee and responsible Union Steward, with the written request including justification for the requested reinstatement. Such reinstatement will not be unreasonably withheld. Upon reinstatement the affected employee will be charged with one hour more than the maximum amount of overtime within their job classification on the overtime rotating list.

(d) An employee can be voluntarily removed from the overtime rotating list by submitting a written request to the Commander. To be reinstated to the overtime rotating list an employee must submit a request in writing and will be charged with one (1) hour more than the maximum amount of overtime within their job classification on the overtime rotating list. This does not preclude an employee from being forced for overtime.

When completing daily assignments, supervisors shall first fill all dispatch positions with dispatch trained operators scheduled to work. All other positions will be filled with remaining personnel scheduled to work. Recall will then be offered to qualified personnel based on the positions needed to be filled.

(e)The following recall procedure shall be used for any 4 to 8 hour period using the equalization of overtime procedure:

- (1) Offer to qualified personnel from the affected shift, who are on a day off.
- (2) Offer to qualified personnel from the unaffected shifts, who are on a day off.
- (3) Offer to qualified personnel from the preceding shift, 4 hours holdover,
- (4) Offer to qualified personnel from the following shift, 4 hours early-in,
- (5) Order/force qualified personnel from the preceding shift, 4 hours holdover, utilizing the forced overtime rotating list.
- (6) Order/force qualified personnel from the following shift, 4 hours early-in, utilizing the forced overtime rotating list.

(f)The following recall procedure shall be used for any period less than 4 hours using the equalization of overtime procedure:

- (1) Offer a holdover to qualified personnel from the preceding shift
- (2) Offer early-in to qualified personnel from the following shift.
- (3) Order/force qualified personnel from the preceding shift, holdover, utilizing the forced overtime rotating list.
- (4) Order/force qualified personnel from the following shift, early-in, utilizing the forced overtime rotating list.

For purposes of recall, "day off" shall include any scheduled day off, vacation day or trade with another employee. It does not include employees off on compensatory time or a trade with themselves.

For purposes of recall, a person who has worked or is scheduled to work an 8-hour recall period on a day off shall be considered as having worked a regularly scheduled day.

2115.76 Probationary Employees – Overtime

New employees shall not be eligible to work overtime until thirty (30) calendar days after they have been notified in writing that they can perform their work duties unassisted. When a new employee becomes eligible to work overtime, the employee shall be charged with the hours of the employee having the greatest amount of overtime hours in the appropriate unit of the Communications Bureau.

2115.77 Overtime--Promotions, Transfers, Demotions

(a) Employees that are promoted into a different classification or either transferred or demoted to a different operational unit shall be eligible to work overtime thirty (30) calendar days after they have been notified in writing that they can perform their work duties unassisted.

(b) Employees who have been promoted, transferred or demoted shall be charged with the average amount of overtime hours in the appropriate unit of the Communications Bureau and shall be so placed on the overtime rotating list.

2115.78 Overtime Refusal

(a) When an employee refuses overtime and it is imperative that overtime be worked, a rolling forced overtime rotating list will be used. This list will be established by reverse seniority. Forced overtime will be filled by ordering the operator(s) who have the longest period of time from their last force. In case of a tie, the least senior operator(s) will be forced. This is a rolling list and will start over at the beginning of each calendar year, beginning first shift - January 1. Employees off on scheduled vacation days shall not be forced when other employees are available.

(b) An employee who has accepted overtime who cannot work the overtime must notify their department thirty (30) minutes before the start of the overtime, or following normal daily notice procedures if different. An employee who does not work after accepting the overtime will be charged with double the amount of overtime hours worked. An employee who fails to work accepted overtime on three (3) occasions in a six (6) month period and has not provided the advance notice, shall be removed from the overtime rotating list for six (6) months and may be reinstated thereafter under the provisions of Section 2115.75, "Overtime Rotating List".

(c) Emergency overtime is defined as a non-scheduled overtime situation which threatens the health and safety services of the citizens of Toledo.

2115.79 Premium Hours

It is the intent of the parties hereto that the overtime premium hours shall be kept equal within eight (8) hours for day workers and sixteen (16) hours for shift workers.

No employee shall work more than sixteen (16) continuous hours except in emergency situations where other qualified personnel are not available.

2115.80 Assignments – Inequality

At the time that overtime assignments are made known to the responsible steward or during the course of working the overtime, if errors in the application of the overtime rotating list become known to the steward, he or she shall advise the supervision of any assignment errors so corrections may be made prior to or during the performance of work. Once advised that there is a mistake, supervision still has the prerogative to make the assignments. The responsible steward may then file under the grievance procedure. Employees not called for or offered the overtime when entitled shall be moved to the top of the overtime rotating list, and in the event more than one employee is involved in the correction, they shall be moved to the top of the rotating overtime list in the order they appeared on the list before the error. Employees shall not be compensated for the lost overtime under this section, unless the same employee has been missed two times in a calendar year.

2115.81 Compensatory Time

An employee who has worked overtime shall be allowed to receive compensatory time off in lieu of pay at the appropriate overtime rate, if the employee so elects, provided that the employee does not accumulate compensatory time in excess of Fair Labor Standards Act (FLSA) Limitations.

Compensatory time shall be granted based on operational needs, per shift, as determined by the Commander or his designee and following these guidelines:

(A) Employees must submit the request to the supervisor at least 72 hours prior to the start of the affected shift and not before the posting of the monthly schedule in which the compensatory time is being requested.

(B) Requests will be approved or denied prior to 72 hours of the affected shift.

(C) Compensatory time must be used in 4 or 8-hour blocks and contiguous to the beginning or ending of the shift.

(D) If multiple requests for compensatory time are submitted for the same period, approval/denial will be at the Commander's discretion.

(E) If multiple requests are submitted for the same day, vacation day requests shall be given priority, then overtime requests, and then trade days.

(F) An employee must take all compensatory time in excess of one hundred sixty (160) hours by April 30 of the year following the year in which the time was earned. If the employee has not taken the time by that date, then they shall be paid for all hours not taken in excess of one hundred sixty (160) hours in the next regular pay period. Payment will be made in a separate payment.

Overtime worked at alternate status may be elected as compensatory time and the difference between hourly rates will be paid with the pay period of the hours worked. Any remaining vacation time must be scheduled before compensatory time is permitted after October 1st of each year.

2115.82 Trade Days

Employees shall be allowed to trade days off with other employees within the same classification on the same shift. Employees will also be permitted to trade with themselves based on operational needs, as determined by the Commander or his/her designee and following these guidelines:

(A) Employees must submit the request to the supervisor at least 72 hours prior to the first affected shift and not prior to the posting of the monthly schedule in which the trade day is being requested.

(B) Requests will be approved or denied prior to 72 hours of the affected shift.

(C) A trade with yourself must be completed within the calendar month, adhering to FLSA guidelines.

(D) A trade between 2 employees must be completed within the calendar month.

(E) Employees will be permitted a maximum of 4 trades per month.

(F) If an employee calls off sick on any trade day, the employee will be prohibited from trading any days for 4 months.

(G) If multiple requests are submitted for the same day, vacation day requests shall be given priority, then overtime requests, and then trade days.

2115.83 Shift Bid Process

Section 1. Shift Vacancy/Bidding Procedure

When positions become vacant throughout the year, the vacancies, as determined by management, will be posted. Employees shall bid those positions by submitting a Sergeant's report. The positions will be filled according to Unit Seniority within 10 workdays of the posted vacancy. In the event that no one bids on the vacancy, and management determines that the vacancy shall be filled using overall reverse seniority. In the event of a voluntary shift move, any unused vacation must be selected from the remaining open vacation periods.

Section 2: Annual Bid Process

An annual bid process for shift preference shall occur on the first Wednesday of November. The bid process will be the same as has been in past years. A union representative will contact employees on leave during the selection process.

Employees will be provided with a shift preference form. Employees may fill out the form when it is received; however, it is not required. If the employee chooses to fill out the form, the following will apply:

- (A) Make all choices for shifts, listing the first preference as #1, second preference as #2, etc.
- (B) Place the selection in a sealed envelope with the employee's name on the outside.
- (C) Submit a sealed envelope to the shift supervisor who will forward the envelope to the staff office.
- (D) All preferences will be submitted no later than 0800 hours on the last Wednesday in October of each year.

If an employee submits a preference form, he/she will be required to place their name on a sign-off sheet. The sheet will be maintained at the shift supervisor's position. Employees will print and sign their name on the sign-off sheet. At the time an employee places his/her name on the sign-off sheet, the supervisor will place his/her initials and date next to the entry made by the employee. If an employee chooses not to submit a preference form, no signature is necessary on the sign-off sheet. Envelopes containing preference forms will be forwarded to the staff office, by shift supervisors.

At the conclusion of the period for submitting preference forms, the day shift supervisor will forward the complete sign-off sheets to the staff office.

On the first Wednesday of November at 1200 hours, all employees interested in participating in the bid selection process will assemble in the third floor lobby area adjacent to the Communications staff office. During the hours 1200 to 1400 hours on this date, the bid selection process will be initiated and will be administered by the Commander or his designee. The process will be monitored by a Local 7 Union Representative. The bidding process will be accomplished in the following manner:

- (A) The Union Representative will go to the assembled group of Communication employees and call out the name of the senior employee.
- (B) The Union Representative will accompany the employee to the staff office where the selection process will be administered.
- (C) The Commander or his or her designee will have the employee place his/her name on any available slot for any of the available shifts.

- (D) When that employee has made a selection, he/she will leave the area where the selection process is being administered and the next senior employee will be called to select a shift.
- (E) If the next employee to make a selection is working at the time his/her name is called for selection, he/she will be relieved from their position. Employees will be provided with the opportunity to make a selection indicated above and return to their duty station.
- (F) If at the time an employee's name is called to make a selection and that employee is not present for any reason, the selection process will defer to the shift preference form that was previously submitted by the employee.
- (G) If the need to defer to the preference form arises, the employee will be given the highest available preference listed on the form.
- (H) If no bid preference form was submitted by the employee whose name is up for consideration, no choice will be made for that employee until all others have chosen a shift and the probationary employees have been placed on the shifts by the Commander.

The shift selection process is available only to non-probationary employees. However, a probationary employee shall be given the opportunity to express their preferences by submitting a shift preference form during the same period as the non-probationary employees.

The Commander shall determine shifts for all probationary employees among the available positions that remain at the conclusion of the shift selection process. Consideration will be given to the preferences indicated on the bid forms submitted by probationary employees. However, the sole determination of shift assignment for the probationary employees will be decided by the Commander.

2115.84 Compensated Time Considered as Time Worked

Holidays, vacations and other time off to which the person is entitled as a matter of rights under or by virtue of any ordinance of the City and this Agreement shall be considered as time worked except when determining hours worked for purposes of compliance with the Fair Labor Standards Act.

2115.85 Injury at Work

An employee who may be injured during the course of the day's employment shall be paid a minimum of eight (8) hours pay for that day, if such injury requires the employee to leave the job for medical treatment by a professional medical care provider.

2115.86 Joint Safety Statement

(A) The City and the union will jointly support initiatives that make provisions for the safety of City employees consistent with the rules/requirements of the Ohio Employment Risk Reduction

Standards and such rules as may otherwise be adopted by the Public Employment Risk Reduction Advisory Commission of the Ohio Department of Industrial Relations, Division of Occupational Safety and Health, provided, however, remedies shall be pursuant to the provisions of H.B. 308.

(B) Employees are to comply with all General Safety Rules of the City and any special Divisional safety rules and shall be required to properly use safety equipment provided to them.

(C) Any employee may make recommendations for the correction of unsafe or harmful work conditions and the elimination of unsafe or harmful practices as reported to Division Management or representative(s) of the Department of Human Resources.

(D) The City may develop a safety award program, which may include cash awards and/or other premiums that, upon mutual agreement between the Appointing Authority and the Union, may be adopted/implemented during the terms of this collective bargaining agreement.

(E) The City and the Union shall promote health and safety education and/or participate in such programs.

(F) Divisional Safety Committees shall be formed which will include the Commissioner or designee, a representative designated by the Union and other divisional personnel mutually agreed upon.

The parties agree that the divisional safety committees will recommend training for each respective division. The list of training as established will comply with appropriate laws including provisions of O.R.C. 4167.

2115.87 Excluded Employees

Employees excluded from this Title of the Code shall not perform work covered by the listed classifications and ordinarily assigned to employee(s) covered herein except during emergencies where all positions have to be monitored until help arrives.

Supervisory training on all communication equipment will be ongoing through the year.

This section does not preclude supervisors from relieving employees for breaks and lunches, nor is it intended to prevent supervisors from maintaining proficiencies in the various assignments and equipment throughout the year.

2115.88 Bulletin Boards

The City agrees to furnish bulletin boards in each Unit. The Union shall have the right to post Union notices or notices of social gatherings on the bulletin boards. No article shall be removed from the bulletin boards without first securing permission from the Union. Any person found guilty of this act shall be disciplined. Bulletin board placement shall be mutually agreed upon.

2115.89 Working Below Classification

No employee(s) shall be required to work below their classification(s) if there is an alternate available to fill the position. This section does not preclude members of a Local 7 crew

or a team from agreeing to interchange functions in order to most productively perform a job under a mutually-agreed team concept approach.

Employee(s) temporarily required to work below their classification(s) or pay rate shall receive their regular rate of pay.

2115.90 Working Out of Classification

Employees required to work above their classification(s) or pay rate shall receive the higher rate of pay for said higher classification(s); except that coverage for normal lunch hours and breaks for a position with some overlapping responsibilities shall not entitle the employee to the higher rate of pay. The employee shall be paid the starting rate for said higher classification. An employee appointed on an alternate basis to positions in the Local 2058 Bargaining Unit shall be paid the full Local 2058 rate for the higher classification.

Employee(s) temporarily required to work below their classification(s) or pay rate shall receive their regular rate of pay.

2115.91 Resignation

Any employee whose removal from the service is sought for disciplinary reasons may resign at any time and the record shall show that the employee resigned of the employee's own accord.

Any employee who wishes to leave the City's service in good standing shall sign a written resignation with the Department and/or Division Head at least two (2) weeks in advance of the date the employee wishes the resignation to be effective.

Employees planning to retire shall provide notice of their anticipated retirement date the year before the retirement is planned. This notification is for planning and budgetary purposes only. Employees will not be held to said anticipated retirement date.

2115.92 Other Employment Compatibility

No employee of the City shall accept outside employment that is adverse to or in conflict with the employee's municipal employment. In the event said employee shall be injured while engaged in outside employment, the employee shall not be entitled to any sick leave benefits which have been accumulated by virtue of their employment by the City.

2115.93 Change of Name-Address-Phone

When an employee changes his/her name, address or phone number, he/she shall within five (5) working days notify his/her supervisor on the appropriate form(s). Such changes are to be forwarded by the supervisor to the Department of Human Resources who shall correct the employee's records and file such change in the employee's personal history file. The Local shall receive a copy of such notification for all employees in the bargaining unit.

2115.94 Part-Time Employees

When it is determined that a new permanent part-time employee is required within a division, the City and bargaining unit will agree to the new addition. If an agreement cannot be

reached the parties may submit the dispute to expedited arbitration for the resolution of the issue. This must be done prior to filling the position.

2115.95 Accumulation and Payment of Sick Days

Regular employees of the City hired on or before June 30, 1993 shall be credited with sick days in accordance with the following formula July 1, 1993: ten (10) hours shall be credited for each month of service, not to exceed one hundred and twenty (120) hours per calendar year. Effective as of January 1, 2012 five (5) hours shall be credited for each month of service, not to exceed sixty (60) hours per calendar year. Such hours shall continue to accumulate at such rate without any maximum limitation. An employee granted a leave of absence for thirty (30) calendar days or more shall not accumulate sick pay during the period the employee is on such leave.

Those employees hired on or before June 30, 1993 shall have the option of maintaining their current sick leave accrual and severance pay plan as set forth in Part A or in the sick leave conversion plan as set forth in part B below. This election shall occur during the first six (6) months of this agreement.

Employees hired on or after July 1, 1993, shall be covered exclusively by the sick leave plan in Part B.

(A) Employees who elect to maintain their current sick leave accrual and severance pay plan shall be credited with sick days in accordance with the following formula 7/1/93: ten (10) hours shall be credited for each month of service, not to exceed one hundred and twenty (120) hours per calendar year. Such hours shall continue to accumulate at such rate without any maximum limitation. Provided the conditions of Section 2115.120, "Termination and Severance Pay", have been met, unused sick leave accumulated to the time of termination shall be paid at the rate of one-half ($\frac{1}{2}$) for all such accumulated sick time up sixteen hundred (1,600) hours and full pay for accumulated sick time in excess of sixteen hundred (1,600) hours.

An employee who dies as the direct result of injuries sustained in the course of employment with the City shall receive payment for the full accumulation of sick pay at the time of death.

(B) (1) Employees hired on or before June 30, 1993, who elect the sick leave conversion plan set forth herein will bank accumulated sick leave through June 30, 1993. This banked sick leave accumulation will be used as the need for sick leave arises or may be converted to cash under the terms set forth in Part (B)(3). Provided the conditions of Section 2115.120, "Termination and Severance Pay", have been met, unused sick leave from that banked effective June 30, 1993, will be paid as follows at the employee's regular rate as of June 30, 1993: one-half for all banked sick time up to sixteen hundred (1,600) hours and full pay for accumulated sick time in excess of sixteen hundred (1,600) hours.

(2) On and after June 30, 1993, employees covered by this plan shall be credited with sick days in accordance with the following formula: eight (8) hours per month, not to exceed ninety-six (96) hours per calendar year, until December 31, 2011, and then on and after January 1, 2012, five (5) hours per month not to exceed sixty (60) hours per calendar year, until four hundred and twenty (420) hours have been accumulated, then five (5) hours per month not to exceed sixty (60) hours per year. Such hours shall continue to accumulate at such rate without any maximum limitation.

(3) Sick leave hours not used by the end of the year can either be turned in for payment of a percentage of salary as indicated below or carried over until retirement or separation.

The maximum number of sick hours allowed for year-end payment will be forty (40). Employees using twenty (20) hours or fewer of sick leave in the preceding calendar year shall be entitled to a conversion to pay at fifty percent (50%). Employees using more than twenty (20) but forty (40) or fewer hours shall be entitled to a conversion at thirty-three percent (33%). Employees with fewer than four hundred twenty (420) hours of accrued sick time or who have used more than forty (40) hours in the preceding calendar year, shall not be eligible for this conversion privilege. The employee's accrued sick leave shall be reduced by the number of hours converted to cash.

(4) Provided the conditions of Section 2115.120, "Termination and Severance Pay", have been met, unused sick leave accrued after June 30, 1993, will be paid as follows at the employee's regular rate at the time of termination: thirty-three percent (33%) of salary for the first three hundred and twenty (320) hours and fifty percent (50%) of salary for the next three hundred and twenty (320) hours for a maximum of six hundred and forty (640) hours.

(5) An employee who dies as the direct result of injuries sustained in the course of employment with the City shall receive payment of the full accumulation of sick pay at the time of death.

2115.96 Sick Pay Usage

Sick pay is pay to the employee for the necessary absence from duty on a regularly scheduled work day because of illness, injury or exposure to contagious disease suffered by the employee not in the course of their employment, or illness in the employee's immediate family that necessitates the employee's absence from work or would result in serious hardship to the employee's family. Attendance to the immediate family member at the hospital while undergoing serious medical attention shall be included under this provision. Sick pay shall not be made for illness or injury incurred as a result of outside employment or as a result of any action within the control of the employee such as intentional self-inflicted wounds, use of drugs or alcoholic beverages (except for the treatment of abuse), nor for injuries sustained while committing a felony or other similar action. For the purpose of this section, immediate family shall include only the employee's father, mother, sister, brother, spouse or child. Where a special relationship exists between the employee and any other person for whom the employee would

not normally be granted sick pay, said sick pay will be granted upon pre-authorization of this relationship by the Department of Human Resources. An affidavit stating the existing relationship and certifying that the person resides at the employee's household and is dependent on the employee for their well being must be approved by the Department of Human Resources prior to the utilization of any sick pay. The family illness provision shall be for a limited period of time (not to exceed seven (7) work days) to enable the employee to secure other arrangements for the care of the member of the employee's immediate family. Usage of "Sick Family" of over three (3) consecutive work days shall require a "Statement of Attending Physician".

An employee shall be permitted to substitute a physician's statement not on a City "Statement of Attending Physician" form, provided the statement shows treatment dates, diagnosis, that the employee was unable to work for the period covered, and that the employee is able to fully return to work. If the statement is accepted, a "Statement of Attending Physician" will not be required; if not, then a statement on the City's form is to be submitted within three (3) work days afterward.

When police employees call off sick for duty, they shall do so sixty (60) minutes prior to scheduled start time of shift. When fire employees call off sick for duty, they shall do so thirty (30) minutes prior to scheduled start time of shift. Police and fire personnel shall be considered scheduled to report to duty their next scheduled day.

Sick time use for doctor, dental or medical appointments at the beginning of the shift shall be used in four (4) hour increments. Employees who use sick time in conjunction with the beginning of the shift can report to work at the end of the four (4) hours. Sick time used for doctor, dental or medical appointments that are not in conjunction with the beginning of the shift shall be used as needed. However, employees who leave work can not return. Employees shall bring in written documentation for all appointments under this section. Employees shall notify their supervisor of appointments as soon as possible.

In accordance with these provisions, it is recognized that sick pay is limited to the necessary absences from duty due to illness or non work related injury of the employee or immediate family member that necessitates the employee's absence from work. It is also recognized that employees of the City of Toledo are engaged in the performance and delivery of these services. Good attendance on the part of the City's employees is necessary.

It is further recognized by the current contract provisions specifically Section 2115.97 "Reporting Proof of Illness", and Section 2115.99 "Excessive Absenteeism" that any absence from duty as the result of claimed illness or injury may be investigated during the employee's normal working hours.

The City does not intend to act arbitrarily, capriciously, unreasonably or in bad faith when investigating sick leave nor does the City intend to use sick leave investigation to harass an individual employee. Nor does the City intend to make home visits or calls without taking into account the individual's attendance record.

2115.97 Reporting - Proof of Illness

(a) The employee, while absent on sick pay, must notify the supervisor under agreed practices of either sick personal or sick family only. When claiming sick days an employee must remain at home caring for their illness or that of their sick family member, unless away receiving medical attention such as in a hospital, at a doctor's office or at a pharmacy, and be able to document the absence from home. If the sick family member does not reside in the home of the employee, the employee shall provide notice when reporting off that they will be at the sick family member's home and its location. The employee shall then remain at the sick family

member's home, unless away receiving medical attention such as in a hospital, at a doctor's office or at a pharmacy, and be able to document the absence from home. An employee who is recuperating from surgery or some other major medical condition who is advised by their physician that a change of location would hasten their recovery, may do so with the approval of the Department of Human Resources. An employee who is recuperating from surgery or other medical condition and who has not been released to return to work by a physician within ten (10) work days does not have to remain at home provided that their physician's statement indicates that remaining home is not necessary to their full and fast recovery. The employee then shall be allowed under these conditions to continue to receive sick pay benefits.

(b) This procedure will begin the first day of the month after the execution and signing of the Collective Bargaining Agreement. When an employee has used five (5) days or forty (40) hours of sick time in a calendar year that is not FMLA approved, or is not otherwise documented as specified below, then the employee shall be notified that use of more than six (6) days or forty-eight (48) hours of non-FMLA or undocumented sick time that year may be cause for discipline. When the employee's sick time usage that is neither FMLA approved nor otherwise documented exceeds six (6) days or forty-eight (48) hours, the employee may be subject to discipline pursuant to the PDP for that usage and for each additional non-FMLA approved or otherwise undocumented sick time that calendar year.

"Documented sick time" for purpose of this paragraph and paragraph (c) shall be restricted to notes or other documentation from a medical practitioner's office (physician, nurse practitioner, nurse, dentist, chiropractor, physical therapist) and school officials/school nurses on medical stationery.

(c) An employee who goes home sick after reporting for work shall receive written notification for the second occurrence in a calendar year that has not been documented in accordance with paragraph (b) above. The written notification shall instruct the employee that the same conduct in the future will result in the employee being required to submit appropriate documentation concerning the reasons for leaving early for the remainder of the calendar year. This provision shall not be applicable when the employee has a pre-approved doctor's or dentist's appointment nor shall it apply where an employee is authorized to report to work for a partial work day, either before or during that day, when the employee would otherwise take the entire day as sick leave. Authorization to report to work under this provision will be requested by direct verbal communication between the employee and the employer or its designee and confirmed as soon as practicable in writing. Failure to provide a statement of attending physician or documentation when required by this agreement may subject the employee to disciplinary action.

(d) Any absence from duty as the result of a claimed illness or injury may be investigated during the employee's normal working hours by an authorized City representative.

(e) Any employee found guilty of abusing sick pay benefits provisions set forth herein or whose reasons for absence are falsified shall be subject to appropriate disciplinary action.

2115.98 Sick Pay Extension

In the event of the extended illness of an employee and after having exhausted all accumulated sick days, bonus days and vacation days, then a request may be made to the Department of Human Resources for extended sick pay benefits. The employee's prior work record with regard to usage of sick days and the employee's seniority will be taken into account in determining the eligibility of the employee for such extension. In the event the request is not granted, the employee shall be notified of such action. The answer to the request must be

furnished in writing to both the employee and the Union. In the event a sick and accident insurance benefit mutually agreeable is secured, then this benefit shall be discontinued.

2115.99 Excessive Absenteeism

(a) Employees of the City of Toledo are engaged in the performance and delivery of vital services to our community. In order to ensure the efficient delivery of these services, good attendance on the part of the City's employees is necessary. Moreover, recurring and excessive absenteeism is disruptive to the City's operations, costly to the City and its residents, and detrimental to the morale and efforts of employees who maintain a good work record. Therefore, it is the intent of the parties: (1) to work toward programs and understandings that will reduce absenteeism; (2) to encourage and recognize good attendance on the part of employees; and (3) to cooperate in correcting excessive absenteeism on the part of employees.

(b) This provision in no way detracts from the City's right to investigate illnesses or to bring charges against any employee for abuse of sick leave or for single instances of unexcused absence.

2115.100 Wage/Salary Continuation

(a) Employees injured in the course of and arising out of their employment under such circumstances as would cause such injury or disability to be compensable under the Workers' Compensation Laws of the State of Ohio will be eligible to participate in the City's Wage/Salary Continuation program. The City will recommend the occupational medical facilities.

(1) Employees sustaining a work related injury that requires medical attention at a medical treatment facility (i.e., sprains, simple fractures, etc.) will be transported to and treated at an occupational medical facility. The occupational physician, along with rendering a diagnosis and prognosis, will determine if the employee is capable of returning to regular duties.

(2) Employees sustaining a work related life threatening, injury may be treated at any medical treatment facility to which emergency medical personnel transport them. The employee will be examined at the preferred occupational medical facility upon release by the Emergency Medical Facility. The designated program physician will determine if the employee is capable of returning to regular duties. The occupational physician(s) may require follow-up medical evaluations.

(3) An employee may, after the initial evaluation by the preferred occupational medical facility physician, elect to continue treatment with their physician. The employee's physician will be the physician of record for Workers' Compensation purposes.

(b) Upon the occupational physician's determination that an injury requires the employee to be off work, wherein the employee reports said injury within twenty-four (24) hours of the incident of illness or injury, completes the injury packet information, Wage/Salary Continuation shall be granted by the Department of Human Resources for up to sixty (60) days.

Should such disability exceed sixty (60) calendar days, the Director of Human Resources, on application therefore and proof of continued disability, may extend the period during which

such person is carried on the regular payroll. An extension may be granted to the injured worker based upon the severity of the injury.

Injury pay extension requests, accompanied by a "Statement of Attending Physician" setting forth the illness or injury and the need for additional time, must be presented to the Director of Human Resources prior to the expiration of the original sixty (60) day disability period. If the above requirements are not fulfilled, the request for injury pay extension will not be considered.

(c) Workers' Compensation: At the expiration of the injury leave granted, if the employee is still unable to return to work, the employee may elect in writing to use accumulated sick and other accrued time. If the employee is still unable to return to work, payment of Wage/Salary Continuation will be stopped and the injured worker may apply to the Bureau of Workers' Compensation for compensation benefits.

(d) Employees who sustain injuries in the course of and arising out of their employment under such circumstances as would cause such injury or disability to be compensable under the Workers' Compensation Laws of the State of Ohio who choose not to be evaluated by the preferred occupational physician and go only to the physician of their choice are not entitled to any Wage/Salary Continuation benefits contained in this collective bargaining agreement. Notice of intent not to participate in the City's injury program must be given within three (3) work days of the injury. Any and all work-related injury claims will be processed through and conform with the Workers' Compensation Act.

(e) False Claim: The City reserves the right to recoup Wage/Salary Continuation benefit payments to any employee who is guilty of submitting a false claim, or abuse of the privileges covered in this Section, or working for another employer while on injury leave, and may take disciplinary action.

(f) An employee whose treating physician has declared the employee to be "maximum medically improved" (M.M.I.), shall have the right to fill a position according to the following priorities:

- (1) Return to the same job as long as it does not violate their physical restrictions;
- (2) Return to the same job with reasonable accommodations for their physical restrictions;
- (3) Return to a vacant position in the same salary group for which he/she qualifies that does not violate their physical restrictions;
- (4) Return to a vacant position in a lower salary group for which he/she qualifies.

In the event that an employee cannot be returned to work in their regular job or alternate position, or is applying for disability retirement, the employee may use any sick and/or vacation time that they have accrued. Where appropriate, if the employee qualifies for Bureau of Workers' Compensation rehabilitation the City will cooperate with the Bureau in allowing on the job training to help qualify the injured worker for a position.

2115.101 Bonus Days

A regular full-time employee of the City shall be given Bonus Days provided the employee has earned sick pay benefits in the previous year, in accordance with the Bonus Day Table set forth below. For the purpose of bonus vacation, unpaid sick days taken will be applied in the same manner as paid sick days.

Effective for sick days taken starting January 1, 2012 forward:

The parties agree that employees shall continue to be covered by the AFSCME Health and Welfare Plan, which includes, (1) life insurance, (2) hearing care plan, and (3) an increase of \$5.25 for the vision care plan. The cost of this plan shall be borne by the City, provided that the total cost shall not exceed twenty dollars (\$20.00) per employee, per month during the life of this agreement.

2115.103 Hospitalization; Prescriptive Drug; Dental Insurance

(a) GENERAL PROVISIONS: The City shall continue to provide hospital, medical, surgical, major medical, outpatient diagnostic laboratory services, prescription drug, dental care and benefits under the terms and conditions set forth below.

(i) Coverage shall be provided to each employee, each employee's spouse and all unmarried dependent members of the employee's family to age twenty-three (23). Spouses who are both employed by the City must jointly elect only one coverage: Traditional or HMO. A new election may occur after an open enrollment due to circumstances such as layoff or other separation of one of the spouses, death, or divorce. Where spouses who are both employed have dependents from prior marriages for whose hospitalization coverage they are responsible they shall be exempt from this joint election requirement. Where the spouse of a City employee is employed by a different employer and he or she desires to waive his or her employer's plan in favor of City coverage, the City is not obligated to place the spouse on the City's plan. In cases of demonstrated hardship due to excessive co- premiums (e.g., 40% co-premiums or premium payments equaling 30% or more of earnings), special consideration will occur.

(ii) Coverage for this purpose shall be furnished through the insurance carrier(s) selected exclusively by the City on a fair fee basis until such time as some other insurer may be selected or the City determines that it would be in its best interest to self insure these benefits.

(b) The following health care cost containment procedures shall be effective for all employees:

(i) Second surgical opinions, pre-admission notification or certification, emergency care limitations, post-admission concurrent review, outpatient surgery, continued treatment and technological review, medical case management, planned discharge, and other procedures as may be established under the medical review programs established by the City shall be followed. Failure to follow the procedures shall result in only eighty percent (80%) coverage for necessary care.

(ii) Full-time employees covered by another health care program due to marriage or other reasons may waive their City of Toledo coverage and receive twenty-five thousand dollars (\$25,000.00) in additional life insurance coverage. This shall also be extended to those employees whose spouses are also employed by the City.

(iii) Coverage for nervous and mental treatment is limited as follows. Inpatient care shall be maintained at a maximum of thirty-one (31) days per calendar year. Outpatient coverage shall be expanded to a maximum of twenty-two (22) visits per year at fifty percent (50%) co-insurance.

(iv) Coverage for drug and alcoholism treatment is limited as follows. Inpatient care shall be maintained at a maximum of thirty-one (31) days per calendar year. Inpatient coverage shall be at one hundred percent (100%) for an individual's first admission, seventy-five percent (75%) for a second admission, and fifty percent (50%) for a third admission. No coverage shall be provided beyond three (3) admissions per lifetime or thirty-one (31) days per calendar year. Outpatient coverage shall be expanded to a maximum of two thousand five hundred dollars (\$2,500.00) per calendar year at fifty percent (50%) co-insurance. Employees using drug and alcoholism treatment benefits must use the City employee assistance program.

(v) The panel of providers, and/or Preferred Provider Organization (P.P.O.), selected by the City for managing and providing nervous and mental, drug and alcohol treatment must be utilized. The City will request proposals toward a managed care plan for this purpose with an effective date of June 1, 1999. The Union shall have a seat on the selection committee, but the right of final selection is reserved to the City. The Schedule of Benefits in effect as of February 9, 1999 shall be maintained, without additional co-pays or deductibles.

(c) The following cost sharing plan and cost coverage restrictions shall be effective for all employees:

(i) There shall be a five hundred dollar (\$500.00) annual per person maximum on chiropractic care and a one thousand three hundred dollar (\$1,300.00) annual per person maximum on physical therapy, both subject to the major medical deductible (\$100/individual and \$200/family) and co-insurance (80%/20%).

(ii) Major medical benefits shall be paid to a lifetime maximum of one million dollars (\$1,000,000.00) per person with a one hundred dollar (\$100.00)/individual and two hundred dollar (\$200.00) family deductible and 80%/20% co-payment; provided that coverage for nervous and mental, drug and alcoholism treatment is limited per paragraph (b)(iii) and (iv).

(iii) There shall be a one hundred dollar (\$100.00) co-pay for all emergency room visits, which shall be waived if the individual is admitted to the hospital or if the visit is between the hours of 8:00 p.m. and 9:00 a.m., or on a Saturday after 12:00 Noon, or on a Sunday.

(d) Effective June 1, 1994 the availability of a Health Maintenance Organization (HMO) and preferred provider Organization (PPO) shall be discontinued. All employees including those in the Traditional Plan, shall thereafter be enrolled in the Consortium Plan. Consortium Plan coverage and benefits shall be at the Traditional Plan levels as of June 30, 1993 except as otherwise provided here or in the plan document. Consortium Plan Medical Providers shall be restricted to those hospitals, physicians, and other care providers designated in the plan as developed by the City in conjunction with the Cost Containment Committee. It is understood that the City is currently utilizing the hospital and ancillary providers panels through the Cooperative Health Network (CHN). It is further understood that the CHN physicians' panel may be implemented by the City without further consultation with the cost containment committee. However, the schedule of benefits shall not be diminished.

(e) The cost containment committee shall be formed from among representatives of the various Bargaining Units and representatives of the City and shall be maintained. The committee shall develop other cost containment measures, which shall include:

1. Enhanced managed care, such as pre-certification, concurrent review, and utilization review;

2. Changed coverage or benefits, such as increased deductibles, limitations on coverage, and contributions from employees;

3. Increased claims control, such as coordination of benefits, subrogation, worker's compensation deferral, patient audits, and claims audits;

4. Alternate delivery systems, such as preferred provider organizations for specific benefits and direct provider negotiations; and,

5. Development of a participative employee plan by which employees will be encouraged to contain costs, audit bills, correct lifestyles, maintain wellness, and undertake other cost saving measures.

The committee shall meet regularly, on at least a monthly basis, and attendance shall be required. Actions taken in the absence of a bargaining unit representative shall be binding upon that bargaining unit.

The committee shall develop annual goals, objectives, and timetables directly aimed at reducing health care costs. Sub-committees may be formed as deemed necessary by the co-chairpersons to study issues, develop reasonable solutions, and report back to the committee. Goals and objectives not met within established timeframes shall be critically reviewed by the committee. If the City, in its sole discretion, is dissatisfied with progress in meeting goals and objectives or with the committee's action or inaction on 1, 3, 4, and/or 5 measures listed above, the City may take such actions as it deems necessary to exact cost containment. Changes in measure 2 must be by agreement of the parties.

(f) The Union releases the City from any obligation to expend monies currently in the healthcare savings fund created pursuant to former paragraph (g) of this section on future cost increases or for wellness programming. The Union further releases the City from any obligation to consult with the cost containment committee relative to the transfer or expenditure of those funds.

(g) Coverage for well baby care, pap tests, and office visits shall be offered to all employees enrolled under conventional coverage as follows:

(i) well baby care limited to routine examinations and immunizations for an infant until the infant's 1st birthday;

(ii) pap tests as well as office fee will be paid in full once every twelve (12) months;

(iii) office visits for routine wellness, services and treatment of illness or injury rendered in the physician's office, including physical examinations and family planning shall be subject to a twenty five dollar (\$25.00) co-payment, which shall be counted toward the individual's major medical deductible;

Fees that the physician charges for the services under paragraphs (i), (ii), and (iii) shall be paid on the same basis as other covered services (e.g. Usual, customary, and reasonable). Payment for services under Part (g)(i) and (iii) will be made for the first one hundred twenty-five

(\$125.00) per single contract or three hundred dollars (\$300.00) per family per calendar year collectively for well baby care (after the federally specified limits have been met) and for office visits. The twenty five dollar (\$25.00) office visit co-pay shall not be counted toward the \$125/300 limits. After deductibles are reached, payment shall then be under the major medical plan; provided, however, that the bill shall be reduced by the twenty five dollar (\$25.00) office visit co-pay before the 80%/20% co- payment formula is applied.

(h) The City shall continue to provide a major dental program which provides the following:

Type A Services: Preventative 100%

Type B Services: Major and minor restorative 80%

Type C Services: Orthodontia 60%

Deductible for Type B Services: \$50.00 per person per year maximum payment of \$1,000.00 per year.

This program shall continue in effect for the duration of this agreement.

(i) The City shall provide a three tier closed formulary prescriptive drug purchase program with a co-payment structure of a twelve dollar (\$12.00) co-payment Tier 1 drugs (generic); a twenty five dollar (\$25.00) co-payment for Tier 2 drugs (preferred brand name drugs); and a thirty-five dollar (\$35.00) co-payment for Tier 3 (non- preferred brand name drugs). This program will include a generic drug substitution option. The city shall select the provider for the formulary drug program who shall group drugs according to determination made by the provider's therapeutic committee as it deems necessary. The City may select an alternative carrier at its option.

The City may implement managed care for the prescriptive drug program. This would allow for an evaluation of the interaction of an individual's different prescriptions on a voluntary basis. Recommendations could then be made to the individual and his/her physician for more effective drug therapy.

The coverages herein for dental and prescription drug shall be under either an individual or family contract as may be appropriate. The selection of the insurance carrier to provide the coverages herein is the exclusive right of the City.

(j) A reopener over the terms of this section may occur upon ten (10) days notice by the City if the City's percentage rise in medical services costs in the year 2012 is more than seven percent (7%) greater than the industry actuarial trend for Northwest Ohio. The base cost for this purpose will be the average annual full-time equivalent employee cost for medical services for the combined calendar years 2010 and 2011. In calculating the City's percentage rise, claims for an individual that total more than twenty-five thousand dollars (\$25,000.00) shall be excluded from consideration from both the base cost and the year 2012 cost. If agreement cannot be reached within thirty (30) days after commencement of the reopener, the parties shall select an arbitrator using the selection procedure set forth in section 2115.23, "Arbitration". The arbitrator shall conduct a hearing and render a decision following the provisions of the Ohio Public Employee Collective Bargaining Law at Section 4117.14(G), notwithstanding the provisions of 4117.14(D)(1).

In consideration for the right to reopen on this basis during the term of the 1999 Collective Bargaining Agreement, the City shall not exercise its rights under Paragraph (e) above to take such actions as it deems necessary to exact cost containment through measures 1, 3, 4, and/or 5. The existence of this reopener provision, or this clause of that provision, does not prevent the parties from agreeing through the cost containment committee or otherwise to cost containment measures during the term of this agreement.

(k)(i) Effective January 1, 2012, employees shall pay eight percent (8%) of the cost of medical, hospital, prescription drug costs calculated at the COBRA rate subject to the following caps: \$50.00 for single coverage; \$70.00 for single coverage plus one; and \$90.00 for family coverage.

This plan will be in accordance with Internal Revenue Service regulations and Ohio Attorney General opinions, whereby State and Federal Income Taxes on employee pension contributions by all bargaining unit members will be deferred.

All bargaining unit employees who have completed one hundred sixty (160) actual work hours will serve as mentors and/or trainers for fellow employees. Mentors shall assist in the support and development of fellow employees. Mentors shall assist fellow employees in managing the personal demands of emergency service. Peer trainers shall assist in developing the technical skill of a fellow bargaining unit employee by monitoring his/her work and offering suggestions for improvement.

Further, the City recognizes the cost associated with the cleaning and maintenance of required uniforms.

In recognition of the importance of these issues and in order to promote a positive, supportive work environment, the City agrees to compensate all eligible bargaining unit employees with annual lump sum payments as follows: Payments will be made in a separate check.
