ARTICLE 1

------------------------------	--------------------------------

Section B

The above is a complete listing of all classifications within this bargaining unit and shall exclude any employee as provided by and defined by the Ohio Revised Code, Section 4117.01.

Section C

The Parties recognize that some classifications listed are not being utilized at present. However, when current/past classifications are re-utilized, said classifications shall remain in the

bargaining units as defined herein subject to law.

Section D

The above represents current classifications of Professional Unit Employees established by the Employer, and neither adds to nor subtracts from the rights of employees specified elsewhere herein in this agreement, nor purports to be a substantive change, or modifies the bargaining unit originally established by S.E.R.B. Any dispute as to the inclusion or exclusion of any new classification established after the signing of this agreement shall be referred to Step 4 of the grievance procedure within thirty (30) days after such classification is established.

The Union recognizes the Employer as the appointed body which, by law, has the authority and responsibility of establishing policies for the Lucas County Board of Developmental Disabilities which conform to state and federal laws and regulations and do not conflict with this agreement. The parties recognize the Superintendent as the Employer's appointed chief executive officer.

The parties recognize the Local President as the Union's elected chief executive officer.

The term "days" when used in this agreement, shall mean consecutive calendar days unless otherwise indicated. Any such period of time referred to by this agreement shall begin on the day following the day of the act, event, or occurrence.

ARTICLE 2

PLEDGE AGAINST DISCRIMINATION AND COERCION

Neither the Employer nor the Union shall discriminate in a way inconsistent with the laws of the United States or the State of Ohio on the basis of age, sex, marital status, race, color, creed, religion, national origin, political affiliation, disability, union activity, sexual orientation, military status, or veteran status.

ARTICLE 3

DUES CHECKOFF

It is understood and agreed between the Employer and the Union that the Employer will deduct any back unpaid Union dues, initiation fees, and uniform assessments owed the Union, as well as current Union dues, initiation fees, Public Employees Organized to Promote Legislative Equality (P.E.O.P.L.E.), and uniform assessments from the paychecks of all employees who have signed proper legal authorization for such deductions and who are covered by this Agreement each payday for which current Union dues (payable in advance) and initiation fees are due the Union.

The Employer further agrees to remit to Ohio Council 8, before the fifteenth (15th) day of that month, all Union dues, initiation fees, and uniform assessments so deducted from the paychecks of the employees covered by this Agreement. It is also agreed that neither the Union nor

any employee shall have a claim against the Employer for errors in the processing of deductions unless a claim of error is made to the Employer in writing within sixty (60) calendar days after the date such an error is claimed. If it is found an error was made, it will be corrected as soon as possible within thirty (30) days after the Employer was made aware of the error.

All employees promoted to positions exempted by Ohio Revised Code Section 4117.01(C) shall secure a withdrawal card from the Union. Dues checkoff for any exempt positions shall cease upon the written request of the employee, but no later than the satisfactory completion of the probationary period.

The Employer shall provide the Local President the name of the employee being taken off dues deduction and the reason thereof upon the Employer's knowledge but no later than the date the payroll is sent to the Auditor.

The Union agrees to indemnify and save the Board harmless against any judgments, costs, expenses, or other liability the Board might incur as a result of the implementation of this article.

ARTICLE 4

FAIR SHARE FEE

All bargaining unit employees who are not members in good standing of the Union, shall be required to pay a fair share fee to the Union as a condition of continued employment.

All bargaining unit employees who do not become members in good standing of the Union shall be required to pay a fair share fee to the Union effective sixty-one (61) days from the employee's date of hire or the date of execution of this agreement, whichever is later as a condition of employment.

The fair share fee amount shall be certified to the Employer by the Union. The deduction of the fair share fee from any earnings of the employee shall be automatic and does not require a written authorization for payroll deduction.

Payment to the Union of fair share fees deducted shall be made in accordance with the regular dues deductions as provided herein. The Employer shall provide the Union with an alphabetical list of the names, social security numbers and addresses of those employees who had a fair share fee deducted along with the amount of the fair share fee deduction.

The Union agrees to indemnify and save the Board harmless against any judgments, costs, expenses, or other liability the Board might incur as a result of the implementation of this fair share fee article.

ARTICLE 5

GRIEVANCE PROCEDURE

Section A

For purposes of this agreement, a grievance shall mean a claimed violation, misinterpretation or misapplication of any article of this agreement.

The number of days provided for the presentation and processing of grievances in each step of the grievance procedure shall establish the maximum time allowed for the presentation and processing of a complaint. The time limits specified may, however, be extended by mutual agreement in writing. The failure of the Employer to answer a grievance within the time limits specified shall permit the grievant to proceed to the next step of the grievance procedure.

Section B

All grievances shall be presented on a form that has been mutually agreed to by the parties to this agreement.

Section C

An employee may have Union representation at every step of the grievance procedure. The Union steward or officer shall receive a copy of all the Employer's responses to the grievance.

Section D

All grievances shall be presented and processed in accordance with the following procedure:

Informal Procedure:

Except for class actions, the grievant and/or steward must meet with the immediate supervisor to discuss a resolution to a grievance prior to filing a grievance in accordance with Step 1. The Union and Employer may mutually elect to submit a grievance to a higher level of the procedure based on the substance of the grievance where appropriate.

Step 1:

The grievance shall be reduced to writing on the grievance form and submitted to the immediate supervisor within five (5) working days from the date the cause of the grievance occurs, or of the employee's knowledge of the occurrence.

The written grievance shall be signed by the grievant. In cases of "class action" grievances, any number of the affected employees may sign the grievance, and the Local President of the Union shall also sign and file the grievance.

The grievant shall set forth the specific nature of the grievance, and the specific article(s) of the agreement allegedly violated, the adjustment sought, and all facts relied upon to support the grievance. The supervisor shall respond in writing on the form provided within five (5) working days.

Step 2:

If the grievance is not resolved, the grievant and/or Union representative shall complete the next step of the grievance form, stating his reason for rejecting the supervisor's reply, and submit the grievance within five (5) working days to the next level of supervision.

The next level of supervision shall make an independent investigation and reply in writing on the grievance form within five (5) working days.

Step 3:

If the matter has not been resolved, the grievant and/or Union representative may, within five (5) working days, complete the next step of the grievance form and submit the grievance to the Superintendent who may designate a representative to conduct an investigation. The Superintendent or his designee shall render a decision in writing within ten (10) working days.

Step 4:

If within ten (10) working days the Union representative has not accepted the answer from Step 3, the grievance may be submitted to Arbitration. Prior to arbitration, parties may mutually agree to submit a grievance to mediation. The Federal Mediation and Conciliation Service will be jointly requested to provide a list of seven (7) Arbitrators to both the Employer and the Union.

The Union and the Employer shall alternately strike one (1) name from the list until one (1) name remains. The remaining Arbitrator shall hear the grievance. The Arbitrator is mandated to rule on the basis of the evidence and not substitute his judgment in lieu of the agreement. The Arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any terms of this agreement, nor shall he make any decision contrary to law. The decision of the Arbitrator shall be final and binding upon all parties. An arbitration hearing shall be scheduled within 150 days of the last response in Step 3.

With employee termination cases, failure to schedule an arbitration hearing within 150 days of the last response in Step 3 will result in back wages being tolled beginning on the 151st day unless the timelines are extended by mutual agreement in writing.

Section E

Expenses of the Arbitrator including, but not limited to: travel, food, salary and lodging,

shall be shared equally between the parties. Additional expenses shall be paid by the party incurring the cost. Witnesses who are employees of the Employer, and called by the Union to testify, shall not be paid for the time spent in such hearing if the grievance is denied by the Arbitrator. If the grievance is sustained by the Arbitrator, the witness shall suffer no loss of pay while testifying at the Arbitration hearing.

Section F

The Union shall have the right to withdraw a grievance, without prejudice, from any step of this procedure.

Section G

The Employer will provide a table of organization defining, by name, the management personnel authorized to respond to grievances on every step of the procedure by employee classification and will update as changes occur.

ARTICLE 6

DISCIPLINE PROCEDURE

Section A

The Employer shall not take disciplinary action against an employee without just cause.

Section B

In all cases, where appropriate, principles of progressive and corrective discipline shall be followed, using written warnings and suspensions of appropriate length prior to discharge.

Section C

When an employee is to be disciplined, the charges shall first be reduced to writing and given to the employee. At this time the employee shall also be notified, in writing, of his right to Union representation. Charges must be presented to the employee within five (5) working days of the offense, or the Employer's knowledge of the offense, and if not presented within five (5) working days, shall be dismissed. However, if the employee is not working for any reason or if the Employer's investigation is not completed, the time limits shall automatically be extended until the employee returns to work or the Employer's investigation is completed, provided that the Union shall be given written notice prior to the expiration of the five (5) working day period. The Employer must notify the Union no later than five (5) working days from the date of offense, or the Employer's knowledge of the offense if the Employer needs additional time to investigate. When an investigation cannot be completed within five (5) working days, a reasonable and tentative date will be given to the Union President. The Employer will make reasonable attempts to complete the investigation within ten (10) working days. When an investigation cannot be completed within ten (10) working days, a reason and tentative date will be given to the Union President.

Section D

A hearing shall be conducted within five (5) working days of the date the employee received the charges, unless the parties mutually agree to extend the time limits or unless the employee waives, in writing, his right to a hearing. A hearing which may lead to suspension or termination will be scheduled with the Local President or designee, and will be conducted by the Human Resources Director or his designee.

Section E

The employee shall have the right to be represented by a Union representative at any hearing. No more than two (2) employee Union representatives shall be released without loss of pay to attend a hearing. If a Union officer on release time is present, then only one other employee Union representative shall be released without loss of pay. Either party may call witnesses to verify or refute the charges. Witnesses shall not suffer harassment or face retaliation from either the Employer or the Union for their testimony.

Section F

The parties agree that when the charges involve a serious offense such as, but not limited to, being under the influence of drugs or alcoholic beverages, physical violence, gross insubordination, abuse or neglect of individuals served, or for any other just and reasonable cause, an employee may be suspended without pay pending completion of investigation; provided that a hearing is scheduled before the Human Resources Director or his designee with the employee represented by the Local President or Union staff representative prior to the suspension without pay; and provided further that in such cases, the Employer shall notify the Local President, upon request of the employee, and schedule a hearing in compliance with Section D, but no later than ten (10) working days after the suspension, unless postponed by mutual agreement.

Section G

When filing a grievance, the grievance shall be submitted to the next level of supervision from which the discipline was imposed within five (5) working days, as outlined in the grievance procedure. The Union shall have the right to withdraw a discipline grievance without prejudice, except as to timelines.

Section H

When an employee has not been disciplined for 12 consecutive months, prior written warnings and suspensions without pay of less than three days shall not be considered in determining progressive discipline or promotion and will be placed in a separate file in Human Resources.

When an employee has not been disciplined for 24 consecutive months, prior suspensions without pay of three days or more shall not be considered in determining progressive discipline or promotion and will be placed in a separate file in Human Resources.

Section I Due Process Rights

1. If an employee is being interviewed in an investigation that may lead to disciplinary action against the employee, the employee may request a Union representative to be present. The Employer will inform the employee when it is conducting an MUI investigation.
2. The notice of infraction must be specific enough to understand the charges and include a brief description of the facts.
3. The Hearing Officer or supervisor must base his findings on evidence presented during the hearing.
4. The Employer must disclose all fully investigated pending charges.
5. The employee has the right to face accusers involving an alleged charge and cross examine witnesses with the following understanding:
 - a. The Human Resources Director will determine whether an individual served will appear at a hearing. The Union may request that the Human Resources Director interview an individual served as a witness with the Union representative present.
 - b. Other non-employee witnesses may testify by telephone if penalty sought is less than a suspension. Contact with such witnesses by the Union shall only be made in the presence of an Employer representative.

Section J

Verbal reprimands and/or counselings shall be given in private.

ARTICLE 7

PERSONNEL FILES

Personnel files shall be maintained only by the Human Resources Department.

An employee shall receive a copy of any documents placed in the personnel/supervisory file upon request.

An employee may respond in writing to information in his file and have a relevant response included in the file. Upon request of the employee, the Employer shall provide copies of the documents, except those documents that require a third party release, at a minimum charge of five (5) cents per copy.

An employee may grieve the inclusion of any material in his file within ten (10) working days of receipt of copy.

Supervisory files may be kept by the immediate supervisor. The supervisory file may contain notes of employee conferences, observation notes of work performance, attendance records,

and documents relevant to the employee's performance both positive and negative. When an employee has not been disciplined for twelve (12) consecutive months, prior written warnings and suspensions without pay of less than three days shall not be considered in determining progressive discipline or promotion. When an employee has not been disciplined for twenty-four (24) consecutive months, prior suspensions without pay of three days or more shall not be considered in determining progressive discipline or promotion. All counselings in an employee's supervisory file shall be reviewed annually. If there are no other counselings of like and similar incidents the counselings shall be removed.

In the case of a transfer the supervisory file will be sent to the new supervisor. If an employee resigns or is terminated the file will be sent to Human Resources.

An employee and his representative shall have the right to review the above files within five (5) working days of the written request in the presence of a management representative.

Upon completion of investigation anonymous material will not be placed in the personnel/supervisory files unless verified.

ARTICLE 8

JOB POSTING AND BIDDING

Section A

When a vacancy occurs or a new position is created within the bargaining unit, a written notice shall be posted at each work location. The notice of vacancy shall be on a form agreed to by both parties. The Local President shall receive a copy of each vacancy notice.

Section B

Vacancies, which the Employer intends to fill, shall be posted within ten (10) working days of the determination of the vacancy. Employees shall be allowed five (5) working days to file an application to fill vacancies. Vacancies shall be posted in an expeditious manner.

An employee may apply for the position by submitting a bid to the Human Resources Department within the specified time limits. Bid forms will be publicly available in each facility and copies may be made by the employee. Every reasonable effort shall be made to fill vacancies within the bargaining unit within twenty-one (21) days.

Section C

Provided minimum qualifications are met, positions shall be awarded by the Employer based upon seniority, subject to the following. The Employer may consider equally, in addition to seniority and minimum qualifications, verifiable direct experience, education and training related to the specific position, and work record of the bidder subject to Article 6H. Where these factors are substantially equivalent, the determining factor will be seniority.

If any bidder meets the minimum qualifications, the Employer shall not hire from the outside. When the Employer hires from the outside, the new employee must meet the same minimum qualifications of the posted position.

The Employer shall have the burden of proving, by objective evidence, that the above factors are not substantially equivalent.

Disputes under this section shall be submitted to Step 3 of the grievance procedure. If a grievance is filed, the position will not be filled permanently until final resolution of the dispute.

An employee who has been awarded a lateral position shall be notified and moved within two weeks of notification unless there would be an adverse effect in programming. If the move cannot be made within these timelines, the Local President shall be notified as to the reason(s) why. However, the move will take place as soon as possible within a reasonable amount of time. The Employer and the Union agree to a maximum of two (2) lateral moves per year.

Section D

All bidders who were not selected for the position shall be so informed and shall be provided with the reason(s) for their nonselection or disqualification, and told who was awarded the position, in writing, within five (5) working days from the day selection was made.

Section E

An employee removed from a position during a probationary period shall be returned to his former position or similar position.

An employee cannot sign another bid while within the probationary period. Should an emergency opening arise, and with the authorization of the Human Resources Director, the exception would be effected after notification to the Union.

Section F

The Employer shall not change the qualifications of a position for arbitrary or capricious reasons.

Section G

Positions outside the bargaining unit shall be posted. It is understood that management will not be limited to hire from within for positions outside the bargaining unit.

Section H

Union stewards or officers may submit bids on behalf of bargaining unit employees.

Section I

Grievances alleging a violation of this article shall be submitted to Step 3 of the grievance procedure.

Section J – Professional Position Interest Forms – Habilitation Specialists and Early Intervention Specialists Openings within a Facility/Children’s Options

When a vacancy occurs within a facility/Children’s Options Department, prior to programwide posting, a Professional Position Interest Form will be communicated to Habilitation Specialists/Early Intervention Specialists in the facility/Children’s Options Department to express an interest with the understanding that management retains the right to assign. The parties will meet within 6 months to review implementation of 8.J.

ARTICLE 9

NON-BARGAINING UNIT EMPLOYEES

Non-bargaining unit employees will be used only to fill vacancies for leaves of absence up to one year, vacations, or to supplement the work force for a period not to exceed ninety (90) calendar days unless no qualified applicant is available to fill the vacancy.

ARTICLE 10

JOB DESCRIPTIONS

Section A

The Employer will maintain accurate job descriptions that reflect actual duties performed or required of each position. The job description will accurately reflect the requirements or qualifications to perform the job. The Employer will include hours of work, equipment operated and supervisor. Current position descriptions and revisions as they occur will be provided to employees/Union President. Job descriptions will be reviewed at least annually with employees.

The Union President/designee will be invited to Position Description Review Committee meetings which address bargaining unit positions.

Section B

The Employer will not change or assign job duties or qualifications for arbitrary and capricious reasons.

Section C

The employee will contact the Union President or designee to request a job audit. The Union may request a job audit provided the request is made in writing to the Human Resources

Department and states the reason for the job audit. The Union shall be notified of any job audit requests. The Human Resources Department will conduct an audit of the position in a timely manner. Within thirty (30) days after the audit is completed, the parties will meet and discuss the appropriate action.

ARTICLE 11

EVALUATIONS

Section A

An annual evaluation based on an employee's work record and performance shall be conducted by the Employer. Prior to each evaluation, the immediate supervisor shall notify each employee to be evaluated that they should be prepared to discuss goals for the upcoming year. Goals shall then be drafted in cooperation with the immediate supervisor.

Section B

Each employee has the right to attach comments to the evaluation form.

Section C

Prior notice and counseling must be given within each evaluation period when:

1. An employee is given the lowest rating on an evaluation, or
2. An employee drops two levels or equivalent on an evaluation while under the same supervisor and within the same job.

Section D

A rating of 1 or 4 (or equivalent) must be supported by appropriate documentation.

Section E

Any work goals included in an employee's evaluation shall be mutually discussed between the Employer and the employee.

Section F

Management personnel will develop and conduct all evaluations.

ARTICLE 12

PROBATIONARY PERIODS

Section A

All newly hired employees, including rehires, shall serve a 180 work day probationary period. During the probationary period, a new employee shall be covered by the terms of this agreement and may grieve any violations of this agreement except that a new employee may not grieve his discharge.

Employees promoted from another bargaining unit shall serve a 180 work day probationary period. If an employee from another bargaining unit is awarded a position and fails to satisfactorily complete a promotional probationary period, he shall be returned to his former position or similar position in the other bargaining unit subject to the terms of the other bargaining unit agreement.

Section B Lateral Transfer Period

An employee who accepts a lateral transfer (i.e., to a job classification different from one in which a probationary period has been successfully completed) shall serve a 120 work day transfer period. During the first sixty (60) work days of the transfer period the Employer may with just cause of unsatisfactory job performance return the employee to his former or similar position. In the last sixty (60) work days of the transfer period the Employer may with reasonable cause of unsatisfactory job performance return the employee to his former or similar position.

Section C

Before the expiration of the probationary period/lateral transfer period, the Employer may with just cause request an extension of the probationary period/lateral transfer period. Length of the extension will be mutually agreed upon by the parties.

Section D

An employee's probationary period shall be consistent with the Mentor Program.

Section E

An employee who fails to successfully complete a probationary period shall be ineligible to rebid on that job title for a period of one (1) year.

ARTICLE 13

SENIORITY

Section A

Seniority shall be defined as the length of continuous service with the Employer. Seniority shall be measured in calendar days, from the employee's most recent date of regular employment for all purposes except for pay purposes for employees transferring into the bargaining unit.

On or after July 1, 1999, employees transferring from positions with the Employer, but outside the bargaining unit, shall be credited with 50% of their service outside of the bargaining unit for pay purposes.

Section B

Time spent on sick leave and any other authorized leave of absence of twelve (12) months or less shall not constitute a break in service, and employees on such leaves shall continue to earn seniority during the leave.

Section C

Time spent on an authorized leave of absence of more than twelve (12) months shall constitute a break in service. Employees who are on such leaves shall accumulate seniority for the first twelve (12) months of their leave. Thereafter, they shall not lose their seniority, but they shall not earn seniority for the remainder of their leave.

Section D

Employees who resign from employment and are rehired within one (1) year of the effective date of their resignation shall not lose their seniority. However, employees shall not earn seniority during this period of absence.

ARTICLE 14

LOSS OF SENIORITY

The seniority of the employee shall be considered broken and the employee shall be terminated for the following reasons:

- A. The employee resigns and is not rehired by the Employer within one (1) year.
- B. The employee is discharged for just cause.
- C. On recall from layoff, employee fails to report on reporting day, provided recall notice has been sent by certified mail, return receipt requested, to employee's last

address of record at least fourteen (14) calendar days prior to reporting date.

- D. On expiration of leave of absence, unless, for good and sufficient reason, the employee requests and is granted an extension for the leave at least five (5) work days before the date of return, but no later than expiration of date of leave.
- E. The employee is absent on his own accord for a period of more than three (3) consecutive work days without obtaining a leave of absence except when failure to request a leave is due to circumstances beyond the control of the employee. Notice is to be sent to the employee in writing by certified mail, return receipt requested, to employee's last address of record.
- F. An employee is on a layoff recall list continually for two (2) years. Notice is to be sent to the employee in writing by certified mail, return receipt requested, to employee's last address of record.

ARTICLE 15

REASSIGNMENTS DUE TO FACILITY REDUCTIONS

In the event of a shift in individual population and/or reduction of personnel or classification, the employees directly affected and the Union shall be given a ten (10) work day written notice whenever possible.

The Employer shall follow the following procedure as defined:

Section A Closing of a Facility

- 1. In the event the Employer closes an entire facility and transfers the operations to another facility, all affected classifications will be transferred to said facility.
- 2. In the event the Employer closes an entire facility and transfers the operations between two (2) or more facilities, only those employees affected at the closed facility will be given a choice in order of seniority on the relocated positions.

Section B Classification Reassignments

- 1. In the event the Employer eliminates a position and finds it necessary to reassign that position within that or another facility, and the employee in that position does not elect to stay in that position, all employees within the classification will be the only employees eligible to bid on the position.
- 2. In the event there is an insufficient number of bidders within classification for the reassignment, the Employer shall assign the least senior affected employee(s) within the facility to said position.

Section C Restructure

In the event the Employer restructures a whole Department, the Employer will meet with the Union to discuss the restructure.

ARTICLE 16

LAYOFF PROCEDURE

Section A

When employees are to be laid off due to lack of funds, lack of work, or for other legitimate reasons, a 30 calendar day notice will be provided to the Union and the employees. The Employer will offer voluntary layoff in the affected classification.

1. The Employer will designate by classification and location the positions to be laid off. Employees will be laid off in inverse order of seniority.
2. Laid off employees shall have the option to bump into any classification for which they meet the minimum qualifications, provided they have the seniority to displace the least senior employee in the classification to which they wish to bump subject to Article 12. Laid off employees shall receive the salary of the position into which they bumped.

Notwithstanding the above procedure, an employee who has been designated for layoff may accept layoff rather than exercise his displacement rights. The exercise of such option shall not cause the Employer to prejudice the employee's rights to unemployment benefits or recall.

Section B

When an employee is laid off and does not bump, the employee shall declare on the form provided, those positions for which recall will be accepted provided the minimum qualifications are met. Section E Education Leave

Upon request, an employee may be granted an educational leave not to exceed two (2) years. Said leave shall be for the purposes of education, training or specialized experience which would be of benefit to the service by improved performance of any level or voluntary service in any governmentally sponsored program of public betterment.

RETURN TO WORK AFTER AUTHORIZED LEAVE OF ABSENCE

Upon return from a leave of absence, an employee shall be returned to his previous position, provided that the leave of absence has not exceeded ninety (90) calendar days. Upon notice from the employee, the Employer shall, within five (5) working days, return the employee to his former position.

An employee must return to work for at least thirty (30) days in order that a leave of absence not be considered a continuation of the previous leave of absence for the same illness/injury.

If the leave of absence has exceeded ninety (90) calendar days, the employee shall be returned to the position which he formerly occupied, or to a similar position if his former position is no longer available. If the leave of absence was scheduled for more than ninety (90) calendar days, and the employee wishes to return prior to the expiration of the leave, the Employer may, as soon as possible, return the employee to work provided that the employee, if required, has obtained the proper certification.

If a calamity day has been declared and an employee called in to their supervisor according to Board Policy and Procedure to request an emergency vacation day due to the inclement weather, their vacation time shall not be used.

In the event individuals served are sent home early, the staff may be allowed to leave early, with no loss of pay.
