Section 7: An employee may inspect his personnel file as set forth in this Agreement under Article 35, Personnel Files.

Section 8: No portion of this agreement shall be construed as to limit the Chief of Police and an Employee from arriving at a mutually agreed upon resolution to an issue pending formal discipline, prior to the steps in this Article being implemented.

The Employee will be permitted to bring along with him representation of his choosing for the above-mentioned informal proceeding.

Section 3: Negotiating Committee. The Township agrees to pay the OPBA negotiating committee for their regular scheduled duty hours lost during agreed upon negotiation-scheduled meetings between the OPBA and the Township.

This benefit will be limited to a maximum of three (3) members of the OPBA.

Section 4: Union Activities. The Township agrees that during scheduled working hours, the President, Vice-President, and Secretary of the OPBA shall be granted reasonable time off from duty hours with pay for the purpose of fulfilling their local Union related responsibilities.

This benefit shall be limited to a maximum of three (3) hours per month for the listed officers above excluding those hours for which they are involved in negotiations, grievance meetings or attending conferences.

Such time off from scheduled work hours must be arranged in advance, and approved by the Chief of Police.

Section 5: Conferences or Seminars. In the event that the OPBA requests the attendance of local members to a national or state Union conference, or any seminar related to OPBA job activity, the local President and one (1) appointed designee from the OPBA be permitted up to two (2) days per year paid leave of absence to attend such meetings. ARTICLE 11: GRIEVANCE PROCEDURE

Section 1: Every employee shall have the right to present his grievance in accordance with the Procedures provided herein, free from any interference, coercion, restraint, discrimination or reprisal and except at Step 1, shall have the right to be represented by a person of his own choosing at all stages of the Grievance Procedure. It is the intent and purpose of the parties to this Agreement that all grievances shall be settled, if possible, at the lowest step of this procedure.

Section 2: For the purposes of this procedure, the below listed terms are defined as follows:

- A. Grievance - A "grievance" shall be defined as a dispute or controversy arising from the misapplication or misinterpretation of the specific and express written provisions of this Agreement.
- B. Grievant - The "grievant" shall be defined as any employee, group of employees within the bargaining unit or the OPBA having or filing the grievance.
- C. Party in Interest - A "party in interest" shall be defined as any employee of the Employer named in the grievance who is not the grievant.
- D. Days - A "day" as used in this procedure shall mean calendar days, excluding Saturdays, Sundays or Holidays as provided for in this Agreement.

Section 3: The following procedures shall apply to the administration of all grievances filed under this procedure.

- A. Except at Step 1, all grievances shall include the name and position of the grievant, the identity of the provisions of this Agreement involved in the grievance; the time and place where the alleged events or conditions giving rise to the grievance took place, the identity of the party responsible for causing the said grievance, if known to the grievant; and a general statement of the nature of the grievance and the redress sought by the grievant.
- B. Except at Step 1, all decisions shall be rendered in writing at each step of the grievance procedure. Each decision shall be transmitted to the grievant.
- C. If a grievance affects a group of employees, or is associated with an employer-wide controversy, it may be submitted at Step 3.
- D. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with the Chief of Police and having said matter informally adjusted without the intervention of the OPBA, provided that the adjustment is not inconsistent with the terms of this Agreement. In the event that the grievance is adjusted without formal determination, pursuant to this procedure, while such adjustment shall be binding upon the grievant and shall, in all aspects, be final, said adjustment shall not create a precedent or ruling binding upon the Employer in future proceedings.
- E. The grievant may choose whomever he wishes to represent him at any step of the grievance procedure after Step 1.
- F. The existence of this Grievance Procedure, hereby established, shall not be deemed to require any employee to pursue the remedies herein provided and shall not impair or limit the right of any employee to pursue any other remedies available under law, except that any employee who pursues any other available remedy other than provided by this procedure, shall automatically have waived and forfeited any remedies provided by this procedure.
- G. The time limits provided herein will be strictly adhered to and any grievance not filed initially or appealed within the specified time limits will be deemed waived and void. If the Employer fails to reply within the specified time limit, the grievance shall automatically proceed to the next step. The time limits specified for either party may be extended only by written mutual agreement.
- H. This procedure shall not be used for the purposes of adding to, subtracting from, or altering in any way, any of the provisions of this Agreement.

Section 4: All grievances shall be administered in accordance with the following steps of the grievance procedure.

Step 1: An employee who believes he may have a grievance shall notify the Chief of Police of the possible grievance within five (5) days of the occurrence of the facts giving rise to the grievance. The Chief will schedule an informal meeting with the employee and an OPBA representative, if such representation is requested by the employee, within five (5) days of the notice of the employee, at which time the issue in dispute will be discussed with the objective of resolving the matter informally.

Step 2: If the dispute is not resolved informally at Step 1, it shall be reduced to writing by the grievant and presented as a grievance to the Chief of Police within five (5) days of the informal meeting or notification of the Chief's decision at Step 1, whichever is later, but not later than seven (7) days from the date of the meeting if the Chief fails to give the employee an answer. The Chief of Police shall give his answer within five (5) days of the receipt of the written grievance.

Step 3: If the grievant is not satisfied with the written decision at the conclusion of Step 2, a written appeal of the decision may be filed with the Trustees within five (5) days from the date of the rendering of the decision at Step 2. Copies of the written decisions shall be submitted with the appeal. The Trustees or their designee shall consider the grievance at the next regularly scheduled meeting of the Trustees, provided that at least ten (10) days are allowed between the receipt of the appeal and the Trustees meeting. The hearing will be held with the grievant, his OPBA representative and any other party necessary to provide required information for the rendering of a proper decision. The Trustees or their designee shall issue a written decision to the employee and OPBA representative within fifteen (15) days from the date of the hearing. If the grievant is not satisfied with the decision at Step 3, he may proceed to arbitration pursuant to the Arbitration Procedure herein contained.

ARTICLE 12: ARBITRATION PROCEDURE

Section 1: In the event a grievance is unresolved after being processed through all steps of the grievance procedure, unless mutually waived, then within ten (10) days after the rendering of a decision at Step 3, the grievant may submit the grievance to arbitration. Within this ten (10) day period the parties will meet to attempt to mutually agree upon an arbitrator. If the parties are unable to mutually agree upon an arbitrator, then the parties shall jointly request the American Arbitration Association (AAA) or the Federal Mediation and Conciliation Service (FMCS) to submit a panel of arbitrators and will choose one by the alternative strike method with the OPBA striking first.

Section 2: The hearing or hearings shall be conducted pursuant to this contract or the procedures of the AAA or FMCS.

Section 3: The fees and expenses of the arbitrator and the cost of the hearing room, if any, will be borne by the parties equally. All expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the expenses incurred by the other party.

Section 4: An employee requested to appear at the arbitration hearing by either party shall attend without necessity of subpoena and shall be compensated by the party calling same at his regular hourly rate for all hours during which his attendance is required by either party if during regular scheduled hours. Any request made by either party for the attendance of witnesses shall be made in good faith, and at no time shall the number of employees in attendance exceed five (5) employees.

Section 5: The arbitrator shall have the authority to consider only a single grievance or several grievances involving a common question of interpretation or application. The arbitrator shall hold the necessary hearing promptly and issue the decision within such time as may be agreed upon. The decision shall be final and binding in writing, and a copy sent to all parties present at the hearing.

The arbitrator shall not have the authority to add to, subtract from, modify, change, or alter any of the specific provisions of the collective bargaining contract, nor add to, detract from, or modify the language therein in arriving at a determination of any issue presented that is proper within the limitations expressed herein, nor to make any award that is contrary to law. The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to determine any other issue(s) not so submitted to him/her or to submit observations of declarations of opinion which are not directly essential in reaching the determination. The arbitrator shall in no way interfere with management prerogatives involving the Employer's discretion, nor limit or interfere in any way with the powers, duties and responsibilities of the Employer under its policies, applicable law, and rules and regulations having the force and effect of law.

ARTICLE 13: NON-DISCRIMINATION

Section 1: The Employer and the OPBA agree not to discriminate against any employee(s) on the basis of race, religion, color, creed, national origin, age or sex.

Section 2: The OPBA expressly agrees that membership in the OPBA is at the option of the employee and that it will not discriminate with respect to representation between members and non-members.

ARTICLE 14: GENDER AND PLURAL

Section 1: Whenever the context so requires, the use of the words herein in the singular shall be construed to include the plural, and words in the plural, the singular, and words whether in the masculine, feminine or neuter genders shall be construed to include all of said genders. By the use of either the masculine or feminine genders it is understood that said use is for convenience purposes only and is not to be interpreted to be discriminatory by reason of sex.

ARTICLE 15: OBLIGATION TO NEGOTIATE

Section 1: The Employer and the OPBA acknowledge that during the negotiations which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Section 2: For the life of this Agreement, the Employer and the OPBA each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to negotiate collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated and signed this Agreement.

ARTICLE 16: CONFORMITY TO LAW

Section 1: This Agreement shall be subject to and subordinated to any present and future State and Federal Laws, along with any applicable Rules and Regulations, and the invalidity of any provisions of this Agreement by reason of any such existing or future law or rule or regulation shall not affect the validity of the surviving portions.

Section 2: If the enactment of legislation, or a determination by a court of final and competent jurisdiction (whether in a proceeding between the parties or in one not between the parties) renders any portion of this Agreement invalid or unenforceable, such legislation or decision shall not effect the validity of the surviving portions of this Agreement, which shall remain in full force and effect as if such invalid portion thereof had not been included herein.

ARTICLE 17: WORK SCHEDULES

Section 1: The standard workweek for all full-time employees of the Employer covered by this Agreement will be forty (40) hours inclusive of a thirty (30) minute meal period. This Article is intended to be used as a basis for computing overtime.

Section 2: All days off shall be in succession based on the needs of the Department and when the schedule permits.

Section 3: Each employee shall be granted two (2) fifteen (15) minute break periods with pay, which will be scheduled whenever practical, one (1) approximately midpoint in the first half and one (1) in the second half of the employee's assigned work shift. Break periods should be taken at a time and in a manner that does not interfere with the efficiency of the Department. The break period is intended to be a recess to be proceeded and followed by an extended work period, thus it may not be used to cover an employee's late arrival to work or early departure, nor may it be regarded as accumulative if not taken. This provision shall not be construed as a relief from duty.

Section 4: Time Change Day. When an employee works the midnight shift in the fall, and works a nine (9) hour shift, the employee shall be compensated one (1) hour overtime at the appropriate rate of pay.

When an employee works the midnight shift in the spring of the year, it shall be the employee's responsibility to report to work one (1) hour early for the midnight shift. Failure to report to work one (1) hour early shall result in the employee being paid seven (7) hours pay for that shift.

ARTICLE 18: OVERTIME PAY AND COURT TIME

Section 1: All employees, for work performed in excess of forty (40) hours in one week or eight (8) hours in a day (except for double backs, call-in and court time) shall be compensated, at the employee's election, either at (a) the rate of one and one-half (1.5) times the employee's regular hourly rate for all overtime or (b) compensatory time computed at the same rate to be taken in the future as approved.

Section 2: Any overtime worked by an employee and compensated in compensatory time, rather than cash will be taken at the employee's choice as long as an advance request is made by the employee and as long as this request is approved by the Chief of Police. All overtime cash compensation earned will be added to the employee's next regularly scheduled pay. Employees must request use of earned but unused compensatory time, in writing, at least forty-eight (48) hours prior to requested use time.

Section 3: Each employee may accumulate up to 480 hours of compensatory time as is provided for under the provisions of the Fair Labor Standards Act. Any employee reaching the 480-hour compensatory time limit shall be compensated in cash for any overtime worked in excess of the compensatory time limit of 480 hours.

Section 4: An employee appearing in court on behalf of the employer or called into work at a time disconnected from regular and rescheduled hours of work shall be compensated at the employee's regular hourly rate of pay with a minimum of four (4) hours. If said court time or work exceeds four (4) hours, the officer shall be compensated for actual time worked or in court at his regular hourly rate of pay.

Section 5: Any and all overtime so granted as per the above mentioned paragraphs shall be paid or placed into compensatory time hours at the option of the officer involved.

Section 6: Pyramiding of Overtime. Whenever two (2) or more overtime or premium rates may appear applicable to the same hour or hours worked by an officer, there shall be no pyramiding of such overtime.

Section 7: An officer may request in writing to the Chief to convert full or partial time coming accounts to cash. The written request must be filed with the Chief no later than March 15 of the year preceding payment. Payment will then be made by March 15, of the following year.

Section 8: In the event that an officer is needed to cover an open shift(s) due to an officer(s) utilizing any approved leave, which occurs within 24 hours of the start of his/her shift, the following steps will be followed:

1. Step 1 – Part time officers will be contacted to cover the shift. If no part time officers are available, then move to Step 2.
2. Step 2 – The officer presently on duty and the officer scheduled for the succeeding shift will each be offered to split the shift. If only one of the two officers wishes to cover the shift, that officer will be offered the entire shift. If said officer can only cover four hours, then the remaining hours will be offered in an overtime call out, starting with the most senior officer from a rotating list of members of Bargaining Unit A and B. Once an officer accepts a shift, they will be rotated to the bottom of the list. If either is unable to cover the open shift, then move to Step 3.
3. Step 3 – If Step 2 failed to cover the shift, a supervisor will order the officer presently on duty and the officer scheduled for the succeeding shift to split the shift. In emergency situations, if supervision deems that is not feasible to force out these officers, the supervision will force out the least senior officer from Bargaining Unit A and B.

In the event that an officer is needed to cover an open shift(s) due to an officer(s) utilizing any approved leave, which occurs prior to 24 hours of the start of his/her shift, the following steps will be followed:

1. Step 1 – Part time officers will be contacted to cover the shift. If no part time officers are available, then move to Step 2.
2. Step 2 – A list of officers consisting of members of Bargaining Unit A and B will be maintained in order of most to least seniority. The overtime will be offered to the most senior officer. If that officer accepts the shift or refuses it, he/she will then be rotated to the bottom of the list.
3. Step 3 - If Step 2 failed to cover the shift, a supervisor will order the officer presently on duty and the officer scheduled for the succeeding shift to split the shift. In emergency situations, if supervision deems that is not feasible to force out these officers, the supervision will force out the least senior officer from Bargaining Unit A and B.

DRUG SCREENING PROGRAMS FOR EMPLOYEES OF THE BEAVER POLICE DEPARTMENT

I. POLICY STATEMENT

The Employer and employees of Beaver Township recognize their obligation to provide a safe and efficient workplace. They understand that substance abuse poses a direct threat to the public safety and to the welfare of fellow employees of the Beaver Police Department. Public trust and confidence in the integrity of the Police Department is threatened by suspicion of officer drug use. Officer drug use also impacts potential departmental civil liability. This drug screening program ideally will serve to detect and deter prohibited drug use by police officers, thereby, preserving the public trust and confidence in a fit and drug-free Police Department.

A. LEGAL DRUGS

Employees shall not use any legal drug to the extent that said drug may adversely affect the employee's safety and or job performance or the safety of others. It is the responsibility of the employee to insure that he/she does not violate this requirement.

B. ILLEGAL DRUGS

The illegal possession, sale, purchase or use of any controlled substance is prohibited whether on or off duty. Employees shall not report to work or be on duty with an illegal drug traceable in their systems

II. DEFINITIONS

For purposes of this drug screening policy, the following terms shall have the following meanings:

- 1. "Illegal drug: means any controlled substance as defined in Ohio Revised Code Section 3719.01 (D), the possession or sale of which is prohibited by law.
- 2. "Illegal drug usage" includes the use of cannabis or any other controlled substance, which has not been legally prescribed and/or dispensed, or the

- abusive use of a legally prescribed drug.
3. "Legal drug" means any substance the possession or sale of which is not prohibited by law, (i.e.: prescription drugs, over the counter drugs, etc.) which contain any substance set forth in IV (C) of this document.
 4. "Medical Provider" means the facility mutually approved by the Township and the OPBA, which may change from time to time, which collects, screens and/or stores urine samples.
 5. "Medical Review Officer" (MRO) means the physician mutually approved by the Township and the OPBA whose primary responsibility is to review and interpret positive test results obtained through this drug screening program.
 6. "Reasonable suspicion" means objective facts or specific circumstances found to exist, including inferences from those facts and circumstances, which present a reasonable basis to believe an employee is using or abusing illegal drugs.
 7. "Substance abuse" means a positive confirmation result indicating the existence of a drug at or above the levels prescribed by the Township and OPBA and set forth in IV (C).
 8. "Traceable in the employee's system" means that the result of the Medical provider's analysis of the employee's urine specimen is positive for the tested substance pursuant to the standards set forth in IV (C) of this policy.
 9. "Voluntary submission" means any time prior to the employee being randomly selected for testing or prior to being tested for cause.

III. PROCEDURES

A. WHEN SCREENING MAY OCCUR

Employees may be tested for employment related illegal drug usage under any of the following conditions:

1. Whenever an employee's behavior creates a reasonable suspicion of drug use. The following is a non-exclusive list of factors, which may give rise to reasonable suspicion of substance abuse. Any factor alone, or in combination with other factors may be sufficient to constitute reasonable suspicion.
 - a. Direct observation of drug use
 - b. Possession of drugs or related paraphernalia outside employee's scope of employment
 - c. Employee admissions of drug use or possession
 - d. Symptoms of drug use including, but not limited to, disturbances in gait, slurred speech, impaired gross or fine motor control
 - e. Any tampering with the drug screening process
 - f. Any arrest for any drug related criminal offense, or the filing of any drug related criminal charge against the employee

The following factors must be used in combination with other factors and cannot, by themselves, serve to constitute reasonable suspicion:

- a. Attendance problems, including absenteeism, tardiness, or unusual use of sick leave
- b. Excessive or repetitive vehicular, equipment or other workplace accidents
2. Whenever an employee assigned to fill a sensitive position beyond a two week period will be subject to a once a year random test. This random test will be in addition to the department's random drug test procedure. The "sensitive positions", which may subject the employee to screening, are listed below.
 - a. Drug interdiction and enforcement personnel including, but not limited to, the Detective Division, DEA or Drug Task Force assignments, D.A.R.E. Unit and other units with high potential for exposure to substance abuse.
 - b. Personnel assigned to any organized task force.
 - c. Evidence Room personnel.
 - d. Internal Affairs personnel.

The Chief shall determine whether a position falls within one of the sensitive position categories.

3. Whenever an employee returns to duty after an absence of thirty (30) calendar days or more resulting from medical leave or a disciplinary suspension.
4. Whenever an employee returns to duty after participation in a substance abuse rehabilitation program regardless of the duration of absence. Such an employee shall be required to undergo a minimum of twelve (12) urine tests within a two (2) year period starting with the date of return to duty.
5. Whenever an employee is certified from a promotional eligibility list. All promotions will be contingent upon the absence of a confirmation test result.
6. When randomly selected. All employees shall be subject to random drug screening. WorkMed will administer and select by means of a computer the person(s) to be randomly screened. The employee who was selected will be notified to report for a random drug test. Any selected employee who is on an approved leave status during the current screening process will automatically be tested in the next random screening.

B. DECISION TO SCREEN FOR CAUSE

A supervisor who has a reasonable suspicion of employee substance abuse will immediately relieve the employee from his or her duties and will immediately notify the Chief or his designee of the reasons he suspects substance abuse. Under no circumstances will such employee be permitted to operate a motor vehicle, equipment or other machinery or be in possession of a firearm. The supervisor shall, prior to the arrival of the Chief or his designee, complete and sign an "observation check list" setting forth the facts upon which such supervisor relied. The Chief or his designee will then report to the police department. The Chief or his designee will determine whether sufficient suspicion exists to warrant screening and the determination will be based only upon reliable information, as set forth in III (A)(1).

If the Chief or his designee determines that an employee must participate in the screening process, it will be considered a direct order.

The Chief, his designee, or the employee's supervisor will then telephone the Medical Provider to notify it that an employee is being transported for testing.

A supervisor will transport the employee to be screened directly to the Medical Provider, and the employee will remain under observation to ensure the integrity of the screening process.

The supervisor will provide the employee transportation home after the screening process.

The employee will remain on leave with pay until the test results are reported to the Chief. If the test results are negative, the Chief or his designee or the employee's supervisor will inform the employee of the date the employee is to resume work.

C. UNION REPRESENTATION

After an employee has been ordered to submit to drug testing for cause, the employee shall be provided an OPBA representative to accompany the employee and the supervisor to the testing site. The employee may release the OPBA representative if he/she so desires. The Union may designate names of members solely for the purpose of representation during drug screening.

IV. SCREENING PROCESS

A. SAMPLE COLLECTION

Specimen collection will occur in a non-monitored medical setting and the procedures should not demean, embarrass or cause physical discomfort to the employee.

Each step in the collecting and processing of the urine specimens shall be documented to establish procedural integrity and the chain of evidence. The employee designated to give a sample must be positively identified by the Medical Provider by means of his Beaver Police Department photo identification.

The Medical Provider will furnish urine sample containers pre-labeled with the employee's Beaver Police Department identification number, date and time of collection. After collection, the sample will be split into two containers and will be sealed, the Chain of Custody form will be completed and the employee will be asked to confirm the information contained on the sample container and the Chain of Custody form by signing the Chain of Custody form.

B. TESTING METHODOLOGY

The Medical Provider selected by the Township and the OPBA to conduct the analysis must be experienced and capable of quality control, documentation, chain of custody, technical expertise, and demonstrated proficiency in urinalysis testing. The testing or processing phase shall consist of a two-step procedure.

1. Initial screening step, and
2. Confirmation step

The urine sample is first tested using a screening procedure. A specimen testing positive will undergo a confirmatory gas chromatography/mass spectrometry (GS/MS) test. An initial positive report will not be considered positive; rather it will be classified as confirmation pending. Where a positive report is received, urine specimens shall be maintained under secured storage for a period of not less than one (1) year. Any sample, which has been adulterated or is shown to be a substance other than urine shall be reported as such. All test results shall be evaluated by suitable trained medical or scientific personnel prior to being reported to the Medical Review Officer. All test results shall be treated with the same confidentiality as other employee medical records and will be disclosed only to those administrative personnel involved in the screening, rehabilitation or disciplinary process.

C. SCREENING STANDARDS

The Township and the OPBA in consultation with the Medical Provider have determined the type of screening to be used. The only substances to be tested for and the threshold substance levels that shall be considered a positive test result are as follows:

DRUG	INITIAL SCREENING LEVEL	CONFIRMATION LEVEL
Amphetamines	1000 ng/ml	500 ng/ml
Barbiturates	500 ng/ml	200 ng/ml
Benzodiazepines	300 ng/ml	300 ng/ml
Cannabinoids	100 ng/ml	15 ng/ml
Cocaine Metabolite	300 ng/ml	150 ng/ml
Methadone	300 ng/ml	300 ng/ml
Methaqualone	300 ng/ml	300 ng/ml
Opiates	300 ng/ml*	300 ng/ml
Phencyclidine (PCP)	25 ng/ml	25 ng/ml
Propoxyphene	300 ng/ml	300 ng/ml

*25 ng/ml if immunoassay specific for free morphine

Should NIDA add to or delete from the current panel of controlled substances or alter the initial screening or confirmation levels, this program will be modified to conform to NIDA standards. Employees will be notified, in writing, of such changes.

D. SCREEN RESULTS

1. Negative Results – If the screen results are negative, the results will be reported in writing to the Medical Review Officer and the sample will be

discarded.

2. Positive Results – If the results of the first screen are positive, the Medical Provider will immediately conduct a second screening using a different methodology on a different portion of the original sample.

The Medical Provider will report the confirmation screen results, whether positive or negative, to the Medical Review Officer. Any adulterated sample or samples otherwise tampered with may be treated for disciplinary purposes as a positive result. If a sample is "flagged" by the Medical Provider because the sample is not consistent with recognized specimens, the MRO will be notified. Upon notification, the employee will be required to provide another sample in a monitored setting. This sample will be obtained when the employee returns to his next regular scheduled day of work.

If the confirmation screen results are positive, employees may request an additional screening, beyond the confirmation screening, by any NIDA approved alternate laboratory. Employees will be responsible for the cost of any additional screenings. For chain of custody purposes, the sample will be transferred directly from the Medical Provider to the alternate laboratory, and the alternate laboratory will complete the Chain of Custody form. If the confirmation screen results are positive, the Medical Provider will retain the sample for at least one (1) year to allow for additional screenings and employee appeals.

E. ROLE OF MEDICAL REVIEW OFFICER

The Medical Review Officer (MRO) is a physician knowledgeable in the medical use of prescription drugs and the pharmacology and toxicology of illicit drugs. The MRO's primary responsibility is to review and interpret positive test results obtained through the DSP. In fulfilling these responsibilities, the MRO is to be guided by the U.S. Department of Health and Human Services (DHHS) Mandatory Guidelines.

If any question arises as to the accuracy or validity of a positive test result, the MRO should, in collaboration with the laboratory director and consultants, review the laboratory records to determine whether the required procedures were followed. The MRO then makes a determination as to whether the result is scientifically sufficient to take further action. If records from collection sites or laboratories raise doubts about the handling of samples, the MRO may deem the urinary evidence insufficient and no further actions relative to individual employees would occur.

The MRO must also access and determine whether alternate medical explanations could account for any positive test result. In reviewing the laboratory results, the MRO may conduct a medical interview with the employee, review the employee's medical history, or review any other relevant biomedical factors. The MRO shall also review any information provided by an employee attempting to show legitimate use of a drug. The MRO may perform limited physical examinations, seeking, for example, needle tracks, in determining whether clinical signs of drug abuse are present.

The MRO must ultimately determine whether some reason other than illegal drug use explains a drug positive urine. If the MRO verifies illegal drug use, the information related to the use of illegal drugs will be disclosed to the Chief or his designee. Any medical information provided to the MRO that is not specifically related to use of illegal drugs will be treated as confidential and not disclosed. If it is determined with reasonable certainty that there is a legitimate medical or other reason to account for the positive laboratory findings, no information identifying the specific employee will be disclosed and the tests results will be reported as negative.

V. DISCIPLINARY ACTION AND APPEAL

A. Disciplinary action against an employee for substance abuse shall occur only after a departmental investigation in which the employee is informed of the evidence against him and has had an opportunity to respond.

B. Employees who are found to be using illegal drug(s) or who have been abusing legally prescribed drug(s) shall be allowed to enter a substance abuse rehabilitation program and shall not be terminated on the first instance of drug use. Refusal to submit to a drug test, or adulteration of, or switching a urine sample may be grounds for dismissal.

C. Employees may appeal any formal disciplinary action pursuant to the current Labor Agreement.

VI. PARTICIPATION IN A TREATMENT PROGRAM

Employees who may be drug dependent are encouraged to voluntarily seek professional assistance through a treatment program. Voluntary assistance should be sought BEFORE the drug abuse affects job performance or endangers fellow employees or members of the public.

VII. MEDICAL PROVIDER

The Medical Provider for collection of samples referred to above will be a company that has been mutually agreed upon by the Township and the OPBA. The hours of operation will be defined and listed in a separate notice that will be provided to each member of the Bargaining Unit.

VIII. NOTICE OF EDUCATION OF EMPLOYEES REGARDING TESTING

1. All employees will be informed of the Department's drug testing policy. Employees will be provided with information concerning the impact of the use of drugs on job performance, the manner in which these drug tests are conducted, the reliability of the tests performed, under what circumstances employees will be subject to testing, what the tests can determine, the types of substances to be screened, and the consequences of testing positive for illegal drug use. All new employees will be provided with this information when initially hired. No employee shall be tested until this information has been provided.

IX. PROBATIONARY EMPLOYEE DRUG TESTING

All newly promoted probationary employees shall be required, as a condition of employment, to participate in any unannounced mandatory drug tests scheduled during the probationary period.

X. RANDOM ALCOHOL TESTING

As part of the random drug-testing program agreed to by the Association and the Township, the following procedure has been negotiated.

When randomly selected according to previously agreed upon procedures or tested for cause, the officer will be checked for alcohol use by recognized accepted testing methods. If a positive screen is obtained and a confirmatory positive result is found the following procedure will be implemented.

Positive Confirmed Test Result Under .05

1. The officer in question will be removed from duty for the remainder of their shift and the amount of time lost as a result will be deducted from their AT or Sick Time.
2. At least one hour prior to returning to any duty, the officer will report to the screening site on their own time and be re-tested.

If the re-test result is a positive and confirmed, the officer will be referred to a Substance Abuse Professional for assessment and evaluation. The officer will not return to duty until cleared by this individual. In addition to the recommendations of the SAP, the officer upon his return will be subject to six mandatory random alcohol screenings during the next year. These tests will be in addition to the regular random screenings established previously in this policy.

If the re-test is negative, the officer will return to duty. Within one week, the officer shall meet with the Chief of Police to discuss the positive result. During this meeting, the officer may make a written statement as part of the official record.

Positive Confirmed Test Result .05-.099

1. The officer in question will be removed from duty for the remainder of their shift and the amount of time lost as a result will be deducted from the AT or Sick Time.
2. At least one hour prior to their returning to any duty, the officer will report to the screening site on their own time and be re-tested.

If the re-test is positive and confirmed, the officer will be referred to a Substance Abuse Professional for assessment and evaluation. The officer will not return to any duty until cleared by this individual. In addition to the recommendations of the SAP, the officer upon their return will be subject to six mandatory random alcohol screenings during the next year. These tests will be in addition to the regular random screenings established previously in this policy.

If the re-test result is negative, the officer will be permitted to return to work and the officer scheduled for an assessment and evaluation by an SAP. In addition to the recommendations of the SAP, the officer upon his return will be subject to two mandatory random alcohol screenings during the next year. These tests will be in addition to the regular random screenings established previously in this policy.

Positive Confirmed Test Result .10 or Above

1. The officer in question will be removed from duty for the remainder of their shift and the amount of time lost as a result will be deducted from their AT or Sick Time.
2. The officer will be referred to a Substance Abuse Professional for assessment and evaluation. The officer will not return to any duty until cleared by this individual. In addition to the recommendations of the SAP, the officer upon their return will subject to six mandatory random alcohol screenings during the next year. These tests will be in addition to the regular random screenings established previously in this policy.

Any time during testing that a second positive result is confirmed, the officer will be removed from duty, and will be subject to referral to the SAP as outlined above.
