Before leaving an assignment pursuant to this section, the representative must obtain approval from the Chief. The Employer will compensate a representative at the normal rate for the time spent in the good-faith processing of grievances, and at any meetings at which the Employer requests a representative to be present, but only for such time expended during normal working hours.

The FOP shall advise the employees to return to work immediately.

7.04 The Employer shall not lock out any employees for the duration of this Agreement.

ARTICLE VIII **DISCIPLINE**

8.01 A non-probationary employee who is suspended, demoted or discharged shall be given written notice regarding the reason(s) for the disciplinary action within a reasonable time after the Employer has knowledge of the conduct for which an employee is being disciplined. In the case of suspension or discharge, the employee shall be advised of the right to confer with a representative of the FOP prior to leaving the premises.

8.02 Disciplinary action taken by the Employer shall only be for just cause.

8.03 Any disciplinary action against a non-probationary employee shall be processed in accordance with the Grievance and Arbitration Procedure in Article IX of this Agreement beginning at Step 3 (Police Chief level) of the Grievance Procedure.

ARTICLE IX **GRIEVANCE AND ARBITRATION PROCEDURE**

9.01 Definitions.

(a) A “grievance” is a dispute or difference between the Employer and the FOP or the Employer and an employee concerning the interpretation or application of any provision of this Agreement.

(b) For the purpose of this Article, “working days” means Monday through Friday. In the event the Employer or its representatives does not respond in accordance with the time limitations as set forth herein, the grievance will automatically move to the next step of the Grievance Procedure.

9.02 Grievance Procedure.

(a) Step 1. An employee who has a grievance may take it up orally with the Lieutenant (or at the next rank level above where the discipline was meted out), either alone or with a representative of the FOP, within one calendar week after the events occur which gave rise to the grievance. The Lieutenant will respond orally or in writing within two (2) working days after the grievance is presented. If there is no rank of Lieutenant, the grievance should be taken up orally with the Captain in accordance with Step 2.

(b) Step 2. If the grievance is not satisfactorily settled at Step 1, it shall be taken up orally with the Captain within three (3) working days after receipt of the Step 1 answer. The Captain will respond orally or in writing within two (2) working days after the grievance is presented.

(c) Step 3. If the grievance is not satisfactorily settled at Step 2, it shall be reduced to writing with details and remedy requested and submitted to the Police Chief on forms provided by the Employer within five (5) working days after receipt of the Step 2 answer. The Chief will meet with the employee and with representatives of the FOP within three (3) working days of the receipt of the grievance and will provide the FOP with a written answer within two (2) working days after the meeting.

(d) Step 4. If the grievance is not satisfactorily settled at Step 3, the employee may appeal in writing to the Director of Public Safety on forms provided by the Employer within five (5) working days after receipt of the Step 3 answer. The Director will meet with the employee and with representatives of the FOP within three (3) working days of the receipt of the grievance and will provide the FOP with a written answer within two (2) working days after the meeting.

(e) Step 5. If the grievance is not satisfactorily settled at Step 4, the employee may appeal, in writing, to the Mayor on forms provided by the Employer within five (5) working days of the receipt of the Step 4 answer. The Mayor, or his designee, shall respond in writing within five (5) working days of the receipt of the appeal.

(f) Step 6. If the grievance is not satisfactorily settled at Step 5, the FOP may submit the grievance to arbitration by notice to the Employer within fifteen (15) working days of the Step 5 answer. The parties will promptly meet to select an arbitrator from the panel of arbitrators herein contained and will choose one by the alternative strike method. Fees and expenses of the arbitrator so selected will be shared equally by the parties.

9.03 Attendance at Arbitration. An employee or Employer official requested to appear at the arbitration hearing by either party shall attend without the necessity of subpoena and without any loss of regular pay for time off the job while attending the arbitration proceeding. Any request made by either party for the attendance of witnesses shall be made in good faith. At no time shall the number of employees in attendance exceed three (3) employees at any one time.

9.04 Policy Grievance. A grievance which affects a substantial number of employees may be initiated at Step 3 of the Grievance Procedure.

9.05 Authority of Arbitrator. The arbitrator shall have no power or authority to add to or subtract from or modify in any way the provisions of this Agreement, or to make an award in conflict with law.

9.06 Binding Arbitration. The grievance procedure set forth herein is the exclusive method of resolving disputes and all decisions of arbitrators or settlements of grievances reached prior to arbitration shall be final and binding on the Employer and the FOP; provided that the withdrawal of any grievance at any stage shall not be prejudicial to the positions of the parties as they relate to that grievance or any future grievance.

9.07 There is hereby created a panel of arbitrators for the selection of an arbitrator pursuant to this procedure. The arbitrators shall be: 1) James Mancini; 2) Dennis Minni; 3) David Pincus; 4) Robert Stein; and, 5) Nels Nelson.

ARTICLE X **DUTY HOURS**

10.01 The regular work week for employees in the Division of Police will be forty (40) hours.

10.02 All Patrolmen who adjust their schedules four (4) times per year for training (in-service or otherwise departmental approved), court, schedule adjustment to fit manpower needs or for other operational need, shall receive sixteen (16) hours of pay at the same time as the clothing allowance payment in December each year.

ARTICLE XI **PERMANENT SHIFTS**

11.01 There shall be permanent shifts for non-probationary patrol officers. The FOP will be responsible to balance shifts among senior and junior members. In that regard, FOP members will make an annual shift selection by seniority and submit the same to the Employer for review. Shift assignments will not be used as a form of discipline. This provision is applicable to patrol officers, except all employees assigned to special units. Employees, if any, in the motorcycle unit and K-9 unit can only select those shifts authorized for such units or his designee (i.e., motorcycle unit cannot bid for midnight shift and K-9 unit cannot bid for day shift). Employees within the detective bureau will have their shifts assigned by the Employer.

11.02 The City shall have the right to request that an officer be removed from his/her selected shift for good cause. After such request, the parties shall meet and negotiate before the City makes a final decision as to such removal. The Employer will make every effort not to switch an officer's shift during the calendar year; provided, however, that if a shift discrepancy occurs during the year, the Employer will meet with the FOP before it makes any final decision. Nevertheless, affected individuals shall have the right to file a grievance regarding such shift change directly at Step 5 (Mayor's level) of the Grievance Procedure. No action on shift change will be taken until the Mayor or his designee provides a written response in accordance with Step 5 of the grievance procedure.

11.03 Officers will not be required to switch shifts to fill a manpower need unless an officer's absence will be greater than fourteen (14) days. The Employer will seek volunteers to fill shift discrepancies. If there are no volunteers, the Employer agrees to make every effort to fill shift discrepancies by reverse seniority.

ARTICLE XII OVERTIME

12.01 When a full-time employee is required to work in excess of their regularly scheduled work day, overtime will be computed on a daily rather than weekly basis, such employee shall receive an overtime payment at the rate of one and one-half (1-1/2) times the employee's regular rate of pay for each hour worked beyond the regularly scheduled tour of duty. Time spent for required and approved school, training, staff meetings and court appearances (outside of regular duty time) will be paid at time and one-half (1-1/2), provided, however, that the employee shall receive a minimum of three (3) hours' pay for each such appearance (whichever is greater). For purposes of court appearances, in the event that any portion of the actual court appearance falls within the officer's regular shift time, or if the actual court time is scheduled within thirty (30) minutes of the regularly scheduled shift, the officer shall be entitled to additional compensation for only that amount of time actually spent outside of his regularly scheduled shift.

12.02 Overtime will be computed by including all items such as longevity, cost-of-living, and extra training pay.

12.03 Employees shall be eligible to receive either compensatory time or overtime at the rate of time and one-half as noted above. Employees may accumulate no more than eighty (80) hours of compensatory time. Employees eligible for such time shall have the right to receive overtime pay or compensatory pay. However, when an employee accumulates eighty (80) hours of compensatory time, he/she must take overtime pay at the applicable rate of pay for that year.

All employees shall receive eight (8) hours of compensatory time during the first pay period of each year, which shall be added to their compensatory time bank. If such time creates the compensatory time bank to exceed the eighty (80) hour limit, then this time must be used in such year causing the bank to drop back to the eighty (80) hour limit.

12.04 Employees who currently have more than eighty (80) hours of compensatory time will not be eligible to receive additional compensatory time and must receive overtime pay until their Compensatory time "bank" is reduced to below eighty (80) hours.

12.05 The use of compensatory time may not create an overtime situation elsewhere in the department.

ARTICLE XIII LEAVES

13.01 Sick Leave. Each employee shall be credited with sick leave at the rate of ten (10) hours for each completed month of service. Employees may use sick leave, upon the approval of the responsible administrative officer of the employing unit, for absence due to personal illness, pregnancy, injury, exposure to contagious disease which could be communicated to other employees, and to illness, injury or death in the employee's immediate family. Unused

sick leave shall be cumulative without limit. When sick leave is used, it shall be deducted from the employee's balance on the basis of one hour for every hour of absence from previously scheduled work. An employee using sick leave shall furnish a satisfactory written signed statement justifying its use. If medical attention is required, a certificate stating the nature of the illness from a licensed physician shall be required to justify the use of sick leave. Falsification of either a written, signed statement or physician's certificate shall be grounds for disciplinary action, including dismissal. This section shall be uniformly administered as to all employees. No sick leave may be granted to an employee upon or after his retirement or termination of employment.

13.02 Conversion of Unused Sick Leave.

(a) An employee who retires shall be entitled, as part of the employee's final pay, to a lump sum payment of four-eighths (4/8) of all of the employee's accrued and unused sick leave not to exceed a maximum payout of 1200 hours (4/8 of 2400 hours equals 1200 hours maximum payout). The payment will be based upon the employee's hourly rate on the last date of employment and will eliminate all accrued and unused sick leave. To be eligible, an employee must have at least ten (10) years of full-time employment with the Employer. "Retirement" means disability or service retirement under any state retirement system.

(b) Any current employee who has accumulated over 1920 hours of sick leave as of January 01, 2005, will be paid four-eighths (4/8) of all accumulated sick leave (with no maximum) at the rate of pay at the time of retirement or death. Such conversion shall take place as soon as possible after the effective date of retirement, but not later than sixty (60) days thereafter. Current employees who have not accumulated over 1920 hours of sick leave as of the effective date of this agreement are not eligible for the additional sick leave payment (i.e. are subject to the maximum payout of 1200 hours).

(c) The above sick leave conversion payment will be paid after a member retires, or paid to his estate upon his death.

13.03 Funeral Leave. A full-time employee shall be granted a leave of absence with pay, not to be charged against sick leave, in the event of the death of his spouse, mother, father, or legal guardian within the family environment, child, stepchild, brother, sister, mother-in-law, father-in-law, grandparents, brother-in-law, or sister-in-law. The attendance of funerals for other family members as approved by the Chief of Police shall be charged against sick leave. The employee will be granted three (3) working tours leave. To be eligible, the employee must notify the Employer in the manner it will establish and must attend the funeral. Failure to do so or misrepresentation of the facts relating to funeral leave shall be grounds for disciplinary action, including discharge. Eighty (80) hours of leave shall be granted to a member of the Department whose spouse or child dies. Employees may utilize sick leave for additional time in excess of three (3) days.

13.04 Jury Duty Leave. Any full-time member of the Division of Police who is called for jury duty and any full-time employee who is called and actually serves on the jury in any court, either

federal, county or municipal, shall be paid his or her regular salary less any compensation received from such court for jury duty as provided for in the Ohio Revised Code.

13.05 Wage Continuation/Transitional Work Policy. All employees are subject to the Employer's Wage Continuation/Transitional Work Policy which is on file at the Human Resources Commissioner's Office.

13.06 Leave of Absence Without Pay.

(a) The Chief of Police may grant a leave of absence without pay to employees. The employee must request in writing all leaves of absence without pay. The request shall state the reason(s) for taking such leave of absence and the dates for which leave is requested. The leave may be granted for a maximum duration of six (6) months. This leave is in addition to any leave provided by the Family and Medical Leave Act or other provisions of this collective bargaining agreement.

(b) If it is determined that the leave is not actually being used for the purpose it was granted, the Chief of Police may cancel the leave and direct the employee to return to work.

(c) An employee who fails to return to service from a leave of absence without pay may be removed from service. A member who fails to return to duty and is subsequently removed from service is deemed to have a termination date corresponding to the starting date of the leave of absence without pay.

(d) Upon completion of a leave of absence, the member is to be returned to his/her classification formally occupied. Time spent on authorized leaves of absence without pay will count toward seniority, layoff purposes and for computing the amount of vacation leave, provided the member is properly returned to service and is not serving a probationary period.

(e) Members that do not return to service from a personal leave of absence shall not receive service credit for the time spent on such leave.

(f) This provision is not subject to the grievance procedure.

(g) Except for seniority, no other employee benefits, including health care, are accrued under this provision.

13.07 Leave Donation Program. Employees may donate paid leave to a fellow employee who is otherwise eligible to accrue and use sick leave. The intent of the leave donation program is to allow employees to voluntarily provide assistance to their co-employees who are in critical need of leave due to a serious illness or injury of the employee or a member of his or her immediate family. An employee may not donate paid leave if it will result in the employee having less than forty (40) hours of accrued leave. An employee is not entitled to receive donated paid leave until he first exhausts all of his accumulated leave time. Employees may not actively solicit donations for paid leave.

13.08 Sick Leave Bonus. Effective January 01, 2012, any employee who does not utilize any paid sick leave for a period of four (4) consecutive months shall be entitled to eight (8) hours of compensation. At the employee's option, this compensation is to be eight (8) hours of straight time placed into the employee's compensatory time bank or paid in cash in the first pay period following each four month period. The cash payment shall be in a separate check and distinct from any other regular compensation. The consecutive month periods shall be 1) January, February, March, and April. 2) May, June, July, and August. 3) September, October, November, and December.

13.09 Family and Medical Leave Act. Employee may request and be granted time off without pay pursuant to the Family and Medical Leave Act of 1993 (FMLA). Such time off without pay shall not exceed twelve (12) weeks in any twelve (12) month period. Leave under this provision shall be computed when first approved. During such leave, the employees shall continue to receive health insurance benefits with the same conditions as set forth in Article XVII. Employees are subject to the Employer's FMLA policy.

ARTICLE XIV
VACATION

14.01 All full-time employees shall be granted the following vacation leave, with pay, for each year based on length of service with the Employer. Vacations shall be taken from January 01 through December 31 and shall be selected by employees in December preceding the year the vacation is to be taken based upon seniority and classification.

After 10 years	4 weeks
After 18 years	5 weeks

14.02 Compensation for vacation shall be based upon forty (40) hours of pay at the employee's regularly hourly rate for each week of vacation.

14.03 Any break in service by an employee will result in a forfeiture of all accumulated years of service. Break in service shall mean retirement or resignation by an employee or termination by the Employer, which is final.

14.04 Accumulation. Vacation shall be taken in the calendar year following the calendar year in which it is earned, except that all employees of the Division of Police may accumulate up to three times their annual vacation provided that in no event shall such accumulation exceed ten (10) weeks. Accrued vacation time in excess of accumulation permitted by the preceding paragraph, and carried over to the following calendar year, shall be forfeited.

14.05 Employees may be permitted to take two weeks of vacation one day at a time provided that permission for such vacation has been secured from the Chief or his designee and further provided that such vacation does not cause overtime.

Time off for each holiday shall be taken according to departmental rules, except that should any holiday be taken prior to the actual date of the holiday, an employee shall be liable for repayment of the holiday pay to the Employer if the employee ceases to be an employee of the Employer by the date of the holiday.

15.02 Any full-time employee who actually works on one of the holidays enumerated in Section 1 will be compensated at the overtime rate defined in Article XII, Section 1, for the hours actually worked on the holiday. Any full-time employee who is working overtime on one of the holidays enumerated in Section 1 will be compensated an additional one-half (1/2) of their normal rate.

15.05 **Mental Health / Stress Day** Any employee desiring to take time off which will interfere with shift manpower requirements may have another bargaining member work the shift for which the time off is requested. The employee working these hours will be paid the normal overtime rate. Each bargaining unit member will be permitted to use this benefit one time per calendar year. This time off request must be made with at least a 24 hour notice, to enable the shift supervisor to fill these overtime hours.

Time for this will be deducted from the employee's sick time bank, and will not be counted against the employee in regards to the Sick Time Bonus, (Section 13.08). If the employee does not have 8 hours in their sick time bank, Mental Health / Stress Day will not be granted.

(c) All full-time employees who earn a degree above an Associate Degree in Law Enforcement, such as a bachelor or master degree, and provided the courses taken to earn such degree are job related to police technology, shall receive four (4%) percent of the top Patrolmen salary in addition to their annual salary as an incentive for obtaining such degree.

(d) The payment referred to in paragraphs (a), (b), and (c) of this Section are to be made at the time the required degree is received and also during the first pay period of July of each subsequent year; however, if an employee receives a two (2%) percent payment in July of any year for completing Law Enforcement courses and later in the same year qualifies for a four (4%) percent payment for receipt of a degree under paragraph (b) or (c), the Employer shall pay the individual an additional two (2%) percent upon receipt of such degree.

(e) The maximum payment per year for any employee under this Section will be four (4%) percent of the top Patrolmen salary in addition to an employees annual salary.

(f) All full-time employees who desire to attend classes for extra training pay under this Section shall attend classes on their own time and/or compensatory time previously earned. Such employees shall not be awarded overtime for classes attended on their own time.

1) If an employee wishes to attend classes when scheduled for duty, using compensatory time, it shall first be determined by the Chief of Police, with concurrence of the Safety Director, that sufficient manpower is available, but if the employee has not accumulated compensatory time and still desires to attend classes during the scheduled working hours, the employee must agree to reimburse the Employer for the time missed while attending classes.

2) The agreement to reimburse the Employer must be in the form of a notarized affidavit signed by the employee. The reimbursement must take place within ten (10) months from the date the employee first missed work to attend classes or prior to termination of employment with the City of Brook Park, whichever occurs earlier.

(g) No payment will be made under this Section until satisfactory evidence that the courses have been completed or the degree has been earned is submitted to the Audit Department through the Chief of Police, who shall determine the validity of such evidence presented by the employee.

(h) Said payment shall be made by separate check.

16.05 In the event that the Chief or his designee appoints the senior available patrol officer as the replacement, that patrol officer will be considered the officer-in-charge and will receive the Sergeant's rate of pay for such fill-in period.

19.01 Medical Examinations. In any instance where the Employer sends an employee for a medical examination, the Employer shall pay the cost of the examination and shall pay the employee for the time expended taking such examination.

19.02 Telephones. During the term of this Agreement, the Employer shall not change the provision of Ordinance Number 5134-1977, requiring police and fire employees to install a telephone in their residence. However, a cellular telephone may be used in lieu of an installed telephone line.

19.03 Suits Against Employees. Except where an employee is found by a Court to have acted in a willful, wanton or malicious manner, the Employer shall indemnify and hold harmless all employees covered by the terms of this Agreement from any liability arising from or because of any claim or suit brought against such employee arising from or because of any action or inaction by such employee in the scope of employment. If a layoff of police officers should become necessary, the Employer shall pay the police officers laid off the following: (1) regular overtime pay due; (2) compensatory time, if any, due; and (3) accrued but unused vacation time.

It is further understood that before any full-time police officers may be laid off under this Article, all part-time work must first have been eliminated and that no civilian employee shall be hired to do any work currently performed by members of the bargaining unit if such hiring would cause the layoff of a member of the bargaining unit.

ARTICLE XXI

Specifically, the members' gross salary shall be reduced by the full amount of said contribution. The members' contributions which are "picked up" by the Employer shall be treated in the same manner as contributions made by members prior to the commencement of the "pick-up" program and will, therefore, be included in "compensation" for the purposes of the Police and Fire Disability and Pension Fund benefit calculations, and for the purposes of the parties in fixing salaries and compensation of members as set forth in this contract. The Employer's contribution to the Police and Fire Disability Pension Fund will be calculated on the full salary of members before the "pick-up" is deducted from gross salary.

ARTICLE XXV
LABOR MANAGEMENT COMMITTEE

25.01 It is agreed by and between the City of Brook Park and FOP that it is in the best interests of the parties to create a Labor Management Committee for the purpose of discussing areas of mutual concern.

25.05 Employee members shall have the right to attend such meetings without loss of pay.

ARTICLE XXVI **SAVINGS CLAUSE**

26.01 In the event any one or more provisions of this Agreement is or are deemed invalid or unenforceable by any final decision of a court or governmental agency, that portion shall be deemed severable from the rest of the Agreement and all such other parts of this Agreement shall remain in full force and effect. In such event, the Employer and FOP will, at the request of either party hereto, promptly enter into negotiations relative to the particular provisions deemed invalid or unenforceable.

ARTICLE XXVII **SHIFT TRADE / RESCHEDULING**

27.01 Employees may trade scheduled workdays or shifts with approval of their shift sergeants. Approval for such shift trades or workday trades shall not be unreasonably denied. Each scheduled workday or shift trade can only be done between pay periods.

27.02 During any given pay period, employees may change scheduled days off with the approval of the shift sergeant as long as such request does not create overtime.

27.03 Shift trades by employees shall be limited to thirty (30) days in a calendar year.

ARTICLE XXVIII **MOTORCYCLE UNIT**

28.01 There shall be a motorcycle unit, to which up to two (2) patrol officers working in the Division of Police shall be assigned. The Employer shall only discontinue the motorcycle unit if maintaining the unit causes substantial financial detriment to the Employer or for other good cause shown by the Employer.

28.02 The Employer will provide patrol officers presently assigned to the motorcycle unit with an initial supply of uniforms, to include, in management's discretion, helmets, gloves, goggles, boots, pants and jackets. Thereafter, it will be the officers' responsibility to purchase additional or replacement articles using their uniform allowance per Article XVIII.

Employees shall have no seniority during such probationary period. However upon completion of the probationary period, seniority shall start from date of hire.

29.02 If a new employee is discharged or quits while on probation, and is later rehired, he shall be considered a new employee.

ARTICLE XXX **DURATION OF AGREEMENT**

30.01 This Agreement represents the complete Agreement on all matters subject to bargaining between the Employer and the FOP and except as otherwise noted herein shall become effective on January 01, 2010, and shall remain in full force and effect until December 31, 2011. If either party desires to make any changes in the Agreement for a period subsequent to December 31, 2011, notice of such a desire shall be given prior to November 01, 2011. If such notice is given, this Agreement shall remain in effect until the parties reach agreement on a new contract. If no notice seeking modification is given, then the Agreement shall remain in effect for another year, although notice may be given in any subsequent year prior to November 01, and the procedure stipulated herein shall then take effect.

30.02 This Agreement shall be subject to a "me too" agreement relating to any changes; either increases or decreases, in wages or economic benefits in the Agreement between the Employer and the International Association of Fire Fighters, AFL-CIO, during the 2011 calendar year.
