Laws pertaining to civil rights, affirmative action, unemployment compensation, and retirement of Fire fighters are not superseded by this Agreement except where supplemental workers' compensation or supplemental unemployment compensation have been negotiated and included herein. The conduct and grading of civil service examinations, the rating of candidates, the establishment of eligible lists from the examinations and original appointments from the eligible lists are not subjects of bargaining under this Agreement.
- B. Should any part of this Agreement be held invalid by operation of law or by any tribunal of competent jurisdiction, or should compliance with or enforcement of any part of this Agreement be restrained by any such tribunal, pending a final determination as to its validity, such invalidation or temporary restraint shall be limited to the circumstances which the law or tribunal has prescribed and shall not invalidate or affect the remaining portions hereof. In the event of invalidation of any portion of this Agreement by a tribunal of competent jurisdiction, and upon written request by either party, the parties to this Agreement shall meet as soon as practicable, but no later than thirty (30) days of receipt of the written request, in an attempt to modify the invalidated provisions by good faith negotiations.

- D. The City agrees that no employee hereunder, shall be asked to make any written or verbal agreement which may in any way conflict with this Agreement.

Section 4. Sanctity of Agreement.

No changes in this Agreement shall be negotiated or effected during the duration of this Agreement, unless there is a written accord by and between the parties hereto to do so. Any negotiated changes, to be effective and incorporated in this Agreement, must be in writing and signed by the parties and accepted by the authorized City representatives and by the Bargaining Unit.

This Agreement shall be binding upon the successors and assigns of the parties thereto, and shall not impede on any management rights under the Management Rights Article of this Agreement nor ORC 4117.08 (C).

Section 5. Enforceability of Agreement.

The City and the Union assert and believe that the provision of this Agreement is enforceable in a Court of Law.

The probationary period for all newly hired employees will be a period of twelve (12) months from the date of hire, or six (6) months from the date of successful completion of Fire Academy training, whichever is longer. Total Probationary period shall not exceed (19) nineteen months. After successful completion of the probationary period, employees will be credited with seniority from the original date of hire. During the probationary period, the member may be dismissed if the member fails to demonstrate that he can completely and satisfactorily perform the job.

Section 2. Promotional Probationary Period.

Any member who is promoted shall serve a six (6) month probationary period or three (3) months from when the Chief determines that minimum job classification requirements that exist at the time that the promotion is made are met, whichever is longer, from the date of his promotion. If the member fails to demonstrate that he can completely and satisfactorily qualify for and perform the job within the probationary period, the City may return the employee to his former classification, without any loss in seniority. Any other members who are promoted following and as a result of this member's promotion shall also be returned to their former positions.

Section 3. Adjustments and Extensions.

The probationary periods required herein may be extended if the member is on an authorized leave of absence or other approved leave equal to or greater than 30 days. The probationary periods shall be extended by the length of the authorized leave of absence or other approved leave.

ARTICLE 8

NO STRIKE, NO LOCKOUT

Section 1. Strikes Prohibited.

It is understood and agreed that the services performed by the employees covered by this Agreement are essential to the public health, safety and welfare. The Union, therefore, agrees that it will not authorize, instigate, aid, condone, or engage in any strike, work stoppage, or other action at any time which will interrupt or interfere with the operation of the City for the duration of this Agreement. No employee represented by the Union shall cause or take part in any strike, work stoppage, slowdown, or other action which will interrupt or interfere with the operation of the City. In the event of a violation of this Article, the Union agrees to take affirmative steps with the employees concerned such as letters, bulletins, telegrams, employee meetings and public denouncement of any violation to bring about an immediate resumption of normal work.

Section 2. Lockouts Prohibited.

The City agrees that it will not engage in any lockout of employees covered by this Agreement.

ARTICLE 9

LABOR/MANAGEMENT COMMITTEE

Section 1.

In the interest of sound Labor/Management Relations, unless mutually agreed otherwise, the employer and/or his designee(s) shall meet at least annually on a mutually agreeable day and time, with not more than three (3) representatives of the IAFF to discuss pending problems and to promote a more harmonious labor/management relationship.

Section 2.

An agenda will be exchanged by the parties at least five (5) working days in advance of the scheduled meeting with a list of matters to be taken up in the meeting and the names of those representatives who will be attending. The purpose of such meeting shall be to:

- A. Discuss the administration of this agreement.
- B. Notify the union of changes made by the employer which affect bargaining unit members of the IAFF.
- C. Discuss grievances which have not been processed beyond the final step of the grievance procedure when such discussions are mutually agreed to by the parties.
- D. Disseminate general information of interest to parties.
- E. Discuss ways to increase productivity and improve effectiveness.
- F. Consider and discuss health and safety matters relating to employees.

Section 3.

It is further agreed that if special labor/management meetings have been requested, and mutually agreed upon, they shall be convened as soon as possible.

Section 4.

Although questions of contract interpretation are appropriate for discussion in these meetings, it is not intended that the meetings replace the collective bargaining process or be used as a forum for trying to alter this agreement. Although it is intended that the parties can suggest any topic for discussion that relates to terms and conditions of employment, no discussion constitutes a waiver of any of the Chief's or the City's management rights.

ARTICLE 10

CORRECTIVE ACTION

Section 1. Just Cause.

Except as provided in Article 7 of this Agreement, no Bargaining Unit member shall be removed, reduced in pay or position, suspended or reprimanded except for just cause.

Section 2. Progressive Discipline.

The City agrees to follow the principle of progressive, corrective action. The Fire Chief may skip any step of progressive action if the violations are of a very serious nature. Further, the City agrees to fairly and equitably discipline members.

Section 3. Use of Prior Discipline.

In assessing proper levels of discipline, the City will take into account the length of time since any previous offenses have occurred. Records of Instruction and Cautioning will not be used as a basis for further discipline two (2) or more years after issuance, and records of written reprimand will not be used as a basis for further discipline three (3) years or more after issuance. By the request of the member and providing there has been no intervening discipline, discipline records after the 2 or 3 year period shall be disposed of in accordance with the Human Resources Public Records Retention Schedule.

Section 4. Disciplinary Investigation.

Employees under investigation for a disciplinary determination may be placed on administrative leave and any such administrative leave shall be with pay until a determination has been made by the employer. Once the employee is the subject of an investigation, the City will notify the employee, and schedule a review hearing within thirty (30) calendar days. If the investigation involves a criminal nature, the above prescribed time lines shall be waived by the parities. No determination involving a disciplinary suspension without pay or termination shall be made before scheduling a review hearing. A review hearing shall be held before a non-bargaining unit supervisor for all disciplinary actions which may result in a suspension of three (3) days or less. A review hearing shall be held before the City Manager or his designee for all disciplinary actions which may result in a suspension of more than three (3) days, demotions and for terminations. Union representation shall be present at such hearing if so desired by the employee.

Section 5. Suspension Defined.

For the purposes of this Article and corrective action, suspensions will generally be administered in time off in increments of 8 hours for 40 hour members and 10 hours for 50 hour members.

ARTICLE 11

GRIEVANCE PROCEDURE

Section 1. Grievance Defined.

Should any difference or dispute arise between the City and any employee, group of employees in the Bargaining Unit or the Union with respect to the interpretation or application of this agreement, it will be considered a grievance and must be resolved in accordance with the provisions of this Article.

Section 2. Grievance Liaison.

The Union will designate not more than three (3) grievance liaisons, one from each shift. From among these three grievance liaison representatives, the Union may appoint a grievance liaison chairman.

Section 3. No Loss of Pay.

A grievant shall not suffer any loss of regular pay for time spent presenting his grievance in any of the steps in this grievance procedure during regular duty hours.

Section 4. Union Representation.

A grievant shall be entitled to a Union representative at steps 1, 2, 3, and 4 of this procedure. The Union representative shall be entitled to present the grievance on behalf of the grievant if the grievant so desires, to ask questions and to have full participation. The grievant's Union representative will not suffer any loss of regular pay for time spent representing a grievant in discussions under this procedure during regular duty hours. Grievants' and grievance representatives should not use City paid time to reduce a grievance or appeal to writing, to investigate the facts regarding a grievance or facts regarding other similar situations, to engage in discussions with others regarding a grievance or to otherwise prepare to present a grievance at any of the steps in this procedure. However, the City recognizes that members may have conversations regarding grievances during slow work hour periods and shall not discipline such members for conversations or activities related to such conversations as long as such activity does not interfere with the performance of job duties.

Section 5. Meetings.

All meetings regarding this grievance procedure may occur during the grievant's duty hours and the grievant and his representative, if he desires one, shall be released from duty for the purpose of attending such meetings provided that neither the grievant nor his representative, if one is desired, are needed to satisfy the City's manpower needs.

Section 6. Working Days.

For the purposes of this "Article", the term "Working Days" will not include scheduled days off, approved leaves or holidays.

Section 7. Steps.

All grievances shall be resolved in accordance with the following procedure:

Step 1.

If any employee, group of employees, or the Union believe that he or they have a grievance (as defined above), he or they shall first informally discuss the grievance with the Fire Chief or designee within ten (10) calendar days of the incident, or within ten (10) calendar days of the time the employee should have been aware of the incident. If the grievant is not satisfied with the proposed disposition of the grievance, then within ten (10) calendar days:

Step 2.

The grievance shall be reduced to writing and shall be signed by the aggrieved employee, employees, or the Union and presented to the Fire Chief or designee. Such written grievance shall designate the relief or disposition sought. Any grievance not reduced to writing and submitted to the Fire Chief shall be considered as abandoned. The Fire Chief shall answer, in writing, all grievances within ten (10) calendar days of their receipt. (The day of submission is not counted as a day of this step or any succeeding step.) If the grievant is not satisfied with the proposed disposition, then within ten (10) calendar days:

Step 3.

The grievance shall be presented to the City Manager. Such written grievance shall designate the relief or disposition sought. Any grievance not reduced to writing and submitted to the City Manager shall be considered as abandoned. On any grievance submitted in writing to the City Manager or his designee, the grievant and the grievant's representative shall meet to discuss the grievance within ten (10) calendar days. The City Manager or his designee shall answer in writing all grievances within ten (10) calendar days of the meeting. (The day of submission is not counted as a day of this step or any succeeding step.)

Step 4.

A. Appeal to Arbitration.

Should a member-grievant, after receiving the written answer to his grievance in Step 3 of the Grievance Procedure, still feel that the grievance is unresolved to his satisfaction, he may, upon approval of the Union, request it be heard before an arbitrator. The Union Grievance Chairman must make application to the City Manager or his designee for arbitration within fourteen (14) calendar days of his receipt of the written answer from the City Manager (Step 3).

B. Selection of Arbitrator.

Within fourteen (14) calendar days following receipt of the Union's application for arbitration, the City Manager, or his designee, and a Union representative will consult and attempt to select an impartial arbitrator by mutual agreement. In the event these representatives cannot reach an agreement on an arbitrator, by joint letter the parties will request the Federal Mediation and Conciliation Service (FMCS), or the State Employment Relations Board (SERB) to submit a panel of arbitrators. Within 35 days from the date on the arbitrator panel list received from FMCS or SERB, the City and the Union shall select an arbitrator by mutual agreement. If agreement cannot be reached as to one mutually acceptable arbitrator from the panel, an arbitrator will then be selected by the representatives of the parties alternately striking names and selecting the final remaining name. Failure by either party to mutually select an arbitrator from the panel, alternately strike names from the panel-or to reject the panel within 35 days of the date on the panel list shall constitute a waiver on the part of that party to participate in the arbitrator selection process

C. Authority of the Arbitrator.

The arbitrator shall conduct a fair and impartial hearing on the grievance, hearing and recording testimony from both parties and applying the rules of the American Arbitration Association. The arbitrator shall not have the authority to add to, delete from, or modify any provisions of this Agreement. It is expressly understood that the ruling and decision of the arbitrator, within his function as described herein, shall be binding.

D. Arbitrator Costs.

The costs of any proofs produced at the direction of the arbitrator, the fee of the arbitrator and the rent, if any, for the hearing room shall be borne entirely by the loser. The arbitrator shall designate in his/her award the prevailing party, or the predominately prevailing party, and shall submit all charges to the other party for payment. Such charges shall not be divided by the arbitrator between parties in any manner or under any circumstances without prior approval of both parties. The expenses of any witnesses shall be borne, if at all, by the party calling them. The fees of the court reporter shall be paid by the party asking for one; such fees shall be split equally if both parties desire a reporter or request a copy of the transcript. Grievants, or grievance representatives, and witnesses called by the City who appear at such a hearing during their normally scheduled working hours shall not suffer any loss of pay. Member witnesses, other than the grievant or the grievance representative, called by the Union will be afforded time off, without pay, or will be allowed to use accumulated leave time to attend the hearing, manpower needs permitting.

E. Arbitrator's Findings.

The arbitrator's decision shall be based solely upon his interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented. The arbitrator shall render in writing his findings as quickly as possible within thirty (30) calendar days after the hearing, or within thirty (30) calendar days after submission of post-hearing briefs, if any, and shall forward such findings and all supporting data to the office of the City Manager and to the Union.

Section 8. Time Limits.

It is the Administration's and the Union's intention that all the time limits in the above Grievance Procedure shall be met. To the end of encouraging thoughtful responses at each step, however, the Union's and the Administration's designated representative may mutually agree, at any step, to short time extensions, but any such agreement must be in writing and signed by the parties. In the absence of such mutual extensions, any grievance not answered by the City within the specified time limits shall be considered to be answered in the negative and automatically advanced to the next step. Any step in the Grievance Procedure may be skipped by mutual consent.

Section 9. Representatives.

In each step of the Grievance Procedure outlined in Section 7 above, certain specific representatives shall be given approval to attend the meetings therein prescribed. Upon prior notice, either may bring additional representatives to any meeting in the Grievance Procedure.

Section 10. Nondiscrimination.

No member or official of the union shall be removed, disciplined, harassed or discriminated against because he has filed or pursued a grievance under these procedures.

ARTICLE 12

WORK RULES AND DIVISION DIRECTIVES

The Administration agrees that, to the extent possible, any work rules which the City may promulgate shall be reduced to writing and provided to all covered members at least seven (7) days in advance of their enforcement. Any charge by a member that a work rule, or Department Directive, is in violation of this Agreement or has not been applied or interpreted uniformly to all members, shall be a proper subject for a grievance. The Administration will provide the Union copies of any revised or new work rules, and Department Directives, in advance of their intended effective dates.

The administration agrees that when it is necessary to change a bargaining unit member's work schedule, that member shall be notified at least fourteen (14) calendar days before the scheduled change is to take place. It is understood that emergency situations may arise and a fourteen (14) calendar day notice may not be possible. In emergency situations the administration agrees to notify the member as soon as possible before the schedule change is to take place.

ARTICLE 13

UNION RELEASE TIME

The Union shall be credited each contract year with a total of seventy-two (72) hours which may be used as paid time off by union representatives for the purpose of attending or participating in union functions or activities. Members authorized to use union release time shall be chosen by the Union. Time off for union release time shall be in accordance with the terms of Article 39, Earned Time. No more than twenty-four (24) unused hours provided in accordance with this Article shall be carried over for use in the next contract year.

ARTICLE 14

CONTINUATION OF EXISTING BENEFITS AND CHANGES OF AGREEMENT

All benefits, rights, privileges and working conditions enjoyed by members of the bargaining unit, which have existed for a reasonably long time, have occurred repeatedly, have been clear and consistent, and have been known to the City and the Local, shall remain in full force, unchanged and unaffected in any manner, during the term of this Agreement, unless changed by mutual consent of the parties to this Agreement.

The Local and the City will strive on a continual basis to reduce all past practices to writing. Should a dispute arise during the life of this Agreement over a past practice, the final resolution of the dispute shall become binding for both parties and will be addressed as such in the form of a letter of understanding.

ARTICLE 15

MISCELLANEOUS

Section 1. Local No. 606 Officials' Roster.

The Union shall provide to the Administration an official roster of its officers and representatives within thirty (30) calendar days of the effective date of this Agreement. This roster will be updated within 30 calendar days of any change, and will include the following:

The City agrees to continue to provide a safe and healthy work environment for all employees consistent within its obligations under the law, and the Union agrees to cooperate with the City in its efforts to maintain a safe and healthy work environment. The Union shall be given a copy of injury reports upon written request. If an employee has a justifiable reason to believe that his safety and health are in danger due to an alleged unsafe working condition, or alleged unsafe equipment, he shall inform his supervisor who shall have the responsibility to determine what action, if any, should be taken.

Section 3. Agreement Copies.

Upon completion of negotiations and any required fact-finding and or arbitration, the City and the Union shall sign two duplicate copies of this Agreement. The City and the Union shall each maintain a master copy of the Agreement. The City and the Union shall be responsible for providing copies to their respective members. Copies for any new employees who are hired during the life of the Agreement shall be provided by the City.

Section 4. Assignments.

Fire fighters, other than those receiving out-of-class pay, will not be assigned administrative duties.

Section 5. Bulletin Boards.

The Union shall be provided a Union bulletin board at all fire stations. Union bulletins and Union materials only will be permitted to be posted on this bulletin board.

Section 6. Ballot Boxes.

The Union shall be permitted, upon prior notification to the Fire Chief, to place a ballot box at the Central Fire Station up to four (4) times per calendar year for the purpose of collecting members' ballots on all Union issues subject to ballot. Such boxes shall be the property of the Union and neither the ballot boxes nor their contents shall be subject to the Fire Department's review.

Section 7. Bargaining Unit Meetings.

The Union shall be permitted, upon prior written request to the Fire Chief, to hold meetings for Union members employed by the City of Delaware at the Central Fire Station. The notification required under this Section shall be delivered to the Chief at least forty-eight (48) hours prior to the time for the requested meeting and shall state the date, time and requested location of the meeting. The City agrees to allow the Union to use the requested location on the date and at the time specified in the Union request provided the location is not otherwise in use. However, under no circumstances will Union use of these facilities be permitted to interfere with the business of the City. In the event that permission is granted at the time of the request and the requested facility, due to unexpected events arising during the forty-eight (48) hour notice period, is needed for City business, then permission will be revoked. In the event that the permission must be revoked, the City will, if possible, give the Union at least twelve (12) hours notice of the revocation. Upon appointment, each recruit shall receive an initial uniform and equipment. All such purchases will be made by the Delaware Fire Department. None of the items listed in this article, may be worn while off duty. Uniforms must be worn during and only during assigned work hours.

Section 3. Turnout Gear.

The Delaware Fire Department will purchase and provide turnout gear to all uniformed ranks. The City will endeavor to see that the type and quality of those items to be purchased should be satisfactory to the Union Safety Committee (to be N.F.P.A. and/or O.S.H.A. approved), but the ultimate discretion and responsibility rests with the Fire Chief.

The City will provide safety apparel as needed at the discretion of the City.

Upon termination, all safety equipment and turn out gear provided to the employee pursuant to this section must be returned to the City.

ARTICLE 23

INSURANCE

Section 1. Hospitalization, Surgical and Major Medical.

The City will provide comprehensive hospitalization, surgical and major medical coverage for all full-time members and their dependents. Beginning October 1, 2004, or at some date thereafter, the City may implement a Preferred Provider Organization (PPO). The Plan if implemented will provide for the following deductibles and co-payments as follows:

		NETWORK PROVIDERS	NON-NETWORK PROVIDERS
Annual Deductible	Single	None	\$500
	Family	None	\$1,000
Office Visit Co-pay		\$10	N/A
ER Visit		\$50 unless admitted into the hospital, otherwise co-insurance will apply in excess of the deductible.	N/A
Co-insurance	Single	90/10% of first \$1,000 80/20% of next \$3,000	50/50% of first \$5,000
	Family	90/10% of first \$2,000 80/20% of next \$5,000	50/50% of first \$10,000

The parties acknowledge that all of the "wellness benefits" added to the plan effective January 1, 1992 are subject to all of the generally applicable plan limits, such as deductibles and co-payments. Contributions will be deducted from the member's gross income prior to taxes, subject to compliance with all applicable federal tax regulations.

Effective the first full pay period following execution of this Agreement, employees will contribute to the cost of the health benefit plan in an amount equal to 11% of the established monthly COBRA rate utilized by the City, and if the percentage premium contributions for the City's Police Patrol Officers and Police Supervisors bargaining units are increased to 15% of the established monthly COBRA rate utilized by the City, then the first month following the effective date of that increase, the percentage premium contributions for employees under this Agreement unit will be commensurately increased (to 15%). Annually, in April, the monthly COBRA rate to be utilized by the City will be established. Subsequent annual changes to the calculated COBRA rate will be applied to the monthly employee contributions on the first pay date in April of each year.

Contributions will be deducted from all members in a paid status based on twelve (12) months times the monthly rate, divided by the number of pay periods per year (26). An example would be \$68.33/mo. x 12 = \$819.96, \$819.96/26 pay periods = \$31.53 per pay period. In the event federal tax regulations are changed so that medical benefit plans are no longer tax exempt, the City will not be responsible to pick up the member's tax burden.

The City will permit employees who have alternate health options through a spouse to opt out of the City plan in return for a payment of \$100.00 per month. Families who have both spouses employed full time by the City of Delaware will not be eligible to opt out of the plan. One spouse will carry the cost of the plan minus the opt out payment. The employee will provide proof that they do in fact have other coverage before the City will drop that employee's current coverage. The City will continue to provide dental coverage if it is not provided under the employee's spouse's insurance. A member may elect to return to coverage under the City's insurance plan by notifying the City in writing of any substantial changes in circumstances which the member determines justifies such decision. The member must give thirty (30) days notice of his or her election to return to the City's plan, except in the case of an emergency, such as sudden loss of spouse's coverage, significant cost increase of spouse's coverage, divorce or other change in family status. The plan will comply with Internal Revenue Code Section 125 which governs this matter.

Employees who opt out of the health insurance program will be compensated as follows:

No Coverage	\$100 per month
Maintain Prescription Only	\$60 per month
Maintain Dental Only	\$65 per month
Maintain Prescription and Dental	\$55 per month

* An employee may not elect to have medical coverage only.

Payments will begin on the first pay period of the month following 30 days notice of an employee's desire to drop coverage. A form will be provided which will contain all information necessary to discontinue coverage under the plan. The form must be signed and returned to the Department of Administrative Services. Until such time that an employee is effectively dropped from City coverage, they will be subject to any payroll contributions.

All payments made in lieu of insurance coverage will be included as other pay on employee's paycheck. This income will not be included in income subject to OP&F contributions but will be subject to all applicable taxes.

Section 2. Prescription Card.

The City will provide a prescription card plan for members and their dependents. The prescription benefits will be the following, with the City paying the higher amount and the employee paying the lesser amount of prescription coinsurance:

Drug	Retail Benefits	Mail Order Benefits
Generic Drugs	80/20%	90/10%
Name Brand Drugs	50/50% with \$25 copay for each disbursement	75/25% for name brand drugs with no co-pay

The maximum expense a member will pay for coinsurance is \$500 for Family coverage and \$250 for Single coverage annually for prescription benefits, however the \$25 co-pay for retail, name brand drugs will not count towards the calculation of the \$500 or the \$250 coinsurance maximum and will always apply even after a member reaches the \$500 or \$250 coinsurance maximum expenditure.

Section 3. Dental Care.

The City will maintain dental coverage for full time members.

Section 4. Life Insurance.

The City will maintain life insurance for full time members at a face value of \$100,000.

Section 5. Certificate of Coverage.

The City shall provide a certificate of coverage for each member. Such certificate shall be for the members' family situation.

Section 6. Insurance Review Committee.

The City and the IAFF agree to participate in a city-wide employee-management insurance review committee for the purpose of mutually monitoring the status of the health plan. This review committee shall meet at least annually.

The City reserves the right to change providers of health benefits including the PPO Plan, the prescription card plan and the dental plan.

The Employer agrees to provide bargaining unit members health plan coverage. Such coverage may be provided through a self-funded plan or an outside insurance carrier/provider. Cost containment measures may be adopted by the Employer in consideration of projected costs, market availability of coverage and utilization. The Employer shall meet and confer with the Union regarding health care providers and levels of coverage but the employer shall make the final determination if a consensus is not reached.

Section 7. Liability Insurance Coverage.

The City shall provide, if available, the following insurance coverages: ambulance driver's malpractice and fire fighters errors and omissions. A certificate of coverage shall be provided to the bargaining unit. If at any time during this contract the cost of this coverage exceeds \$10,000 per year, the parties agree to re-open negotiations, upon either parties' request, for the purpose of discussing these coverages.

(1) No eligible member shall lose his rank, grade, or seniority enjoyed at the time of his enlistment, induction, or call into the active service (other than for military training leave) of the Armed Forces of the United States of America, or any branch thereof, except that a provisional member, at the time of entering active military service, shall not be entitled to restoration to his position if an eligibility list from which appointments to such positions may be made has been established prior to his application for restoration to such position.

(2) Any member who has entered the service, as stated above, upon his Honorable Discharge, or a Discharge with Honorable Conditions, from the service and establishment of the fact that his physical and mental condition has not been impaired to the extent of rendering him incapable to perform the duties of the position, shall be returned to the position he held immediately prior to his enlistment or induction into the service or to a position of equal rank and grade. Such member must request restoration to his position within ninety (90) days of receiving an Honorable Discharge, or a Discharge with Honorable Conditions, from the Armed Forces or his position will be declared vacant. (6) A member who achieves permanent status while filling a vacancy resulting from the enlistment or induction of a member into military service shall be placed on an eligibility list in the order of his original position, upon the return of that member from service.

(7) In any case where two (2) or more members (who are entitled to be restored to a position) left the same position in order to enter the Armed Forces, the member with the greatest seniority in that classification shall have the prior restoration right without prejudice to the re-employment rights of the other member or members to be restored.
