6. To determine when a job vacancy exists, the duties to be included in all job classifications, and the standards of quality and performance to be maintained. If management proposes modification of existing job classifications, management will meet with Union to discuss and agree on any modifications prior to implementing the change. If the parties cannot agree to the proposed modification, then the parties will immediately proceed to the grievance procedures outlined herein.

ARTICLE 6 **UNION SECURITY**

SECTION 1. All present employees who are members of the Union on the effective date of this Agreement shall remain members of that respective Union.

SECTION 2. The County will deduct regular initiation fees, assessments and monthly dues from the pay of employees covered by this Agreement upon receipt from the Union of individual written authorization cards voluntarily executed by an employee for that purpose and bearing his signature.

SECTION 4. Deductions will be made from the pay of all employees during the first pay period of each month. In the event an employee's pay is insufficient for the deduction to be taken, the County will deduct the amount from the employee's next regular pay where the amount earned is sufficient.

SECTION 5. All deductions under Article 6, together with an alphabetical list of names of all employees whose fees/dues have been deducted, shall be transmitted to the Union no later than the tenth (10th) day following the end of the pay period in which the deduction is made, and upon receipt, the Union shall assume full responsibility of the disposition of all funds deducted.

SECTION 6. The Union will indemnify and save the County harmless from any action growing out of deductions hereunder and commenced by an employee against the County or the County and the Union jointly.

SECTION 7. Any employee who is not a member of the Union and who does not make application for membership within one (1) month following the ratification of this Agreement, shall, as a condition of employment, pay the Union through payroll deduction, a fair share fee as a contribution toward the administration of this Agreement, that fair share fee being equal to the regular dues and assessments of the Union.

SECTION 8. Any future employee who does not make application for Union membership within 8 (eight) days after being employed shall, as a condition of employment, pay to the Union through payroll deduction, a fair share fee as a contribution toward the administration of this Agreement, that fair share being equal to the regular dues and assessments of the Union.

SECTION 10. When an opportunity for employment within the bargaining unit arises at the Department of Public Works, a job posting will be posted, and a list of at least ten (10) qualified candidates will be provided to the Director by all applicable trades from which the employee will be selected, unless the Union(s) fail(s) to submit the names of the ten qualified applicants by the posted deadline. All candidates will apply through the Department of Human Resources and follow the County's application process set forth in the Cuyahoga County Policies and Procedures Manual. The parties agree that hiring under this Section will be done in accordance with Article IX, Section 9.04 of the Cuyahoga County Charter.

ARTICLE 7 **HOURS OF WORK AND OVERTIME**

SECTION 1. This article is intended to define the normal hours of work per day or per week in effect at the time of execution of this Agreement. Nothing contained herein shall be construed as preventing the County from restructuring the normal workday or work week for the purpose of promoting efficiency or improving services; from establishing the work schedules of employees; or establishing part time positions. This article is intended to be used as the basis for computing overtime and shall not be construed as a guarantee of work per day or per week.

SECTION 2.A. The regular workweek for all employees covered by this Agreement shall be forty (40) hours. EXCLUSIVE OF A THIRTY (30) MINUTE UNPAID LUNCH PERIOD EACH DAY. Excluding SECTION 3 herein, the normal work week shall be any consecutive eight (8) hour days between 6 AM and 6 PM, Monday through Friday. All work performed on Saturday shall be at one and one-half (1½) times the employees regular rate of pay and all time worked on Sunday shall be at two (2) times the employees regular rate of pay.

SECTION 2.B. When an employee is required by the County to be in active pay status for more than eight (8) hours per day or forty (40) hours in a standard work week as defined above, he shall be paid overtime pay for all time worked in excess of forty (40) hours. Overtime pay shall be paid at the rate of one and one-half (1½) times the employee's regular hourly rate of pay, as referenced in this Section.

SECTION 3.A. For efficiency of operation, it shall be established that a 4-10's schedule can be implemented. A 4-10's schedule shall be four (4) consecutive ten (10) hour days Monday through Friday. All work in excess of ten (10) hours per day shall be at one and one-half (1½) times the employee's regular rate of pay.

SECTION 3.B. When an employee is required by the County to be in active pay status for more than eight (8) or ten (10) hours in a workday, he shall be paid overtime pay for all time worked in excess of eight (8) or ten (10) hours. Overtime pay shall be paid at the rate of one and one-half (1½) times the employee's regular hourly rate of pay.

Lunch break must be taken on site for operational purposes and shall not be used at the beginning or end of the day or to cover an employee's late arrival to work or early departure, nor may it be regarded as cumulative if not taken. If an employee's work load does not allow for lunch, as determined by the Foreman, he or she shall be paid one half (1/2) hour overtime at the applicable overtime rate of pay. Any employee who works through lunch shall be allowed sufficient time to eat when the work load allows.

SECTION 5. The regular workday shall begin and end at the location assigned unless the project is for a certain period of duration at which time the County will designate the work location.

Employees who extend their rest period shall be subject to disciplinary action. Rest periods should be taken at a time and in a manner that does not interfere with the efficiency of the work unit. The rest period is intended to be a recess to be preceded and followed by an extended work period; thus, it may not be used to cover an employee's late arrival to work or early departure, nor may it be regarded as cumulative if not taken.

SECTION 7. For the purposes of computing overtime pay, holidays, vacation and any other time on active pay status, except paid sick leave, shall be counted as hours and days worked.

SECTION 8. The County shall endeavor to rotate overtime opportunities among qualified full-time employees who normally perform the work that is being assigned for overtime.

An employee who is offered, but is unavailable or refuses, an overtime assignment shall be credited on the roster with the amount of overtime refused. Where the amount of overtime refused was two (2) hours or less, the employee will be charged with refusing two (2) hours.

If any employee establishes that he has not received his fair share of overtime opportunities, such employee shall receive preference for future overtime assignments for which he is qualified. It is agreed where special skills are required, employees possessing such skills will be assigned to the overtime work involved.

ARTICLE 28

FITNESS FOR DUTY EXAMINATION

SECTION 1. The Employer and the Union agree that the Employer has a responsibility to provide its employees with the safest possible work conditions. Therefore, where there is reasonable cause to believe that an individual employee is using, soliciting, or is under the influence of drugs or alcohol at work, brought forth by a properly trained supervisor, such employee will be directed to report to a County designated physician or medical clinic for a fitness for duty examination.

SECTION 2. The exam will be performed on County time and at County expense and will involve appropriate testing, including possible urine or blood tests or breathalyzer exam as determined by the appropriate medical personnel.

SECTION 3. An employee may be referred for such fitness for duty screening if at least one (1) properly trained supervisor has a reasonable suspicion that the employee is then under the influence of alcohol or a controlled chemical substance and shall be made based only upon specific, objective facts and reasonable inferences drawn from those facts in the light of experience, that the employee is then under the influence of drugs or alcohol so as to endanger fellow employees or otherwise adversely impact on the employee's ability to perform his or her job duties.

SECTION 4. When a properly trained supervisor, determines that he/she has reasonable suspicion that an employee is impaired, the supervisor will complete a form which will be

presented to the County Division of Employment Relations the same day. If the Employment Relations Office, in consultation with the Director or his/her designee, determines that there is probable cause, Employee Relations shall arrange for a Fitness for Duty exam and notify the Union prior to testing.

SECTION 5. An employee may also be referred for mandatory urine, blood or breathalyzer tests to determine substance abuse under the following circumstances:

A. As part of a disciplinary probation for employees who have violated the County's drug and alcohol rules; or

B. For employees returning from leaves of absence if they have given management a reason to suspect possible illegal drug and/or alcohol abuse. Possible reasons to suspect substance abuse include, but are not limited to, a history of excessive absenteeism not related to a specific illness, documented evidence of deteriorating job performance or documentation of aberrant behavior in instances where these reasons arose in the six (6) month period immediately preceding the leave of absence.

SECTION 6. An employee shall be entitled to the presence of a Union Representative before testing is administered.

SECTION 7. As concerns urine samples for drug testing, subject employees will undergo an initial screen (EMIT) test. Specimen collection will occur in a medical setting and every precaution shall be taken to insure that the procedures shall not demean, embarrass, or cause physical discomfort to the employee.

An employee who tests positive for drugs and/or alcohol will have the opportunity to review the test results, and, if desired, a reasonable opportunity to rebut the results. Copies of any such evaluation shall be provided to the County and to the individual tested. Where urine or blood samples have been taken, the samples will be preserved for a reasonable period of time and such employee will have the opportunity to take these samples to a reputable physician or laboratory of his/her choosing for re-testing. An employee who believes a positive result is in error, may request a second test from the split sample. In the event the second test is negative, the cost of the test shall be paid by the County. In the event the second test is positive, the cost shall be paid by the employee.

SECTION 9. Employees who may be drug or alcohol dependent are encouraged to voluntarily seek professional assistance through a reputable treatment program. The County's Employee Assistance Program (E.A.P.) can provide counseling and referral. All records of an employee seeking medical rehabilitation for drug or alcohol dependency, either through E.A.P. or otherwise, will be kept strictly confidential. Voluntary assistance should be sought before dependence affects job performance so as to endanger fellow employees or otherwise adversely impact the employee's ability to perform his or her job duties. There shall be no discipline administered against any employee for voluntarily entering an E.A.P. program.

SECTION 10. The E.A.P. program does not supplant or alter the normal discipline and grievance procedure. An employee subjected to disciplinary charges which include substance abuse on the job will be given access to the drug or alcohol screening results, the ability to have privately tested the blood or urine sample at an independent laboratory, and the opportunity to rebut the allegation of substance abuse. Any disciplinary order issued to an employee which includes allegations of substance abuse on the job shall list the basis upon which it was determined that there was reasonable cause to believe that the employee was using drugs or was under the influence of drugs or alcohol at work.

SECTION 11. Any employee found to have positive screens for drugs and/or alcohol must be given medical clearance by a qualified physician acceptable to the County before returning to work.
