ARTICLE I

SECTION 1. This Agreement is hereby entered into by and between the City of Solon, hereinafter referred to as the "the Employer," and the Ohio Patrolmen's Benevolent Association, hereinafter referred to as "the OPBA."

PURPOSE AND INTENT

ARTICLE II

SECTION 1. In an effort to continue harmonious and cooperative relationships between the parties and to insure orderly and uninterrupted efficient operations, the parties now desire to enter into an agreement reached through collective bargaining which will have for its purposes, among others, the following: (1) To recognize the legitimate interests of the employees of the Employer to participate through collective bargaining in the determination of the terms and conditions of their employment; (2) To promote fair, safe and reasonable working conditions; (3) To promote individual efficiency and service to the City of Solon; (4) To avoid interruption or interference with the efficient operation of the Employer's business; and (5) To provide a basis for the adjustment of matters of mutual interest by means of amicable discussion.

RECOGNITION

ARTICLE III

SECTION 1. The Employer recognizes the OPBA as exclusive representative for negotiating wages and salaries and all other terms and conditions of employment for all regular, non-supervisory full-time corrections officers on the Solon Police Department (hereinafter "employees"), excluding the Chief, Lieutenants, Sergeants, Patrol Officers, Dispatchers and all other employees of the Employer.

SECTION 2. The Employer will furnish the OPBA with a list of all employees in the classifications covered by this Agreement indicating their starting date of employment. Such list will be furnished no less than annually and will be supplemented by the names of all new employees as hired.

SECTION 3. Employees shall be on a non-contestable probationary period, defined as one (1) full year of active service. However, employees who fail to pass the correction officer certification exam within the one (1) year period shall be on an extended probationary period thereafter until the exam is successfully completed. During such probationary period, employees may be discharged or disciplined without cause and without resort to either the grievance procedure or the Civil Service Commission. Upon completion of such probationary period, employees' seniority shall

date from the date of hire. Employees with the same employment date shall be assigned to the seniority list in order of their ranking on the Civil service Exam Eligibility List.

DUES DEDUCTION

ARTICLE IV

SECTION 1. During the term of this Agreement, the Employer shall deduct initiation fees, assessments levied by the OPBA and the regular monthly OPBA dues from the wages of those employees who have voluntarily signed dues deduction authorization forms permitting said deductions.

No new authorization forms will be required from any employees in the City of Solon for whom the Employer is currently deducting dues.

SECTION 2. The initiation fees, dues or assessments so deducted shall be in the amounts established by the OPBA from time to time in accordance with its Constitution and Bylaws. The OPBA shall certify to the Employer the amounts due and owing from the employees involved.

SECTION 3. The Employer shall deduct dues, initiation fees or assessments from the first pay in each calendar month. If an employee has no pay due on that date such amounts shall be deducted from the next or subsequent pay.

SECTION 4. A check in the amount of the total due withheld from those employees authorizing a dues deduction shall be tendered to the treasurer of the OPBA within thirty (30) days from the date of making said deductions.

SECTION 5. The OPBA hereby agrees to hold the Employer harmless from any and all liabilities or damages which may arise from the performance of its obligations under Articles IV and V and the OPBA shall indemnify the Employer for any such liabilities or damages that may arise.

AGENCY SHOP

ARTICLE V

All members of the bargaining unit, as identified in Article III of this Agreement, shall either (1) maintain their membership in the OPBA, (2) become members of the OPBA, or (3) pay a service fee to the OPBA in an amount not to exceed the monthly dues for membership in the OPBA, as a condition of employment, all in accordance with Ohio Rev. Code Sec. 4117.09. In the event that a service fee is to be charged to a member of the bargaining unit, the Employer shall deduct such fee in the same manner

Section 2. Before an employee may be charged with any violation of the Rules and Regulations for a refusal to answer questions or participate in an investigation, he shall be advised that his refusal to answer such questions or participate in such investigation will be the basis of such a charge.

Section 3. Investigations shall be conducted at reasonable times giving due consideration to the urgency of the matter under investigation, allowing for rest periods and attendance to physical necessities. When an employee is given Garrity Rights, such employee shall have the right to an OPBA representative present during questioning if the employee requests to have such a representative present.

No item shall be removed from a file.

Section 5. All complaints by civilians which may involve suspension or discharge of an employee, shall be in writing and signed by the complainant. The Employer will furnish a copy of the complaint to the employee whom the complaint has been filed against when such employee is notified of the investigation. Section 7. In the course of an internal investigation, a polygraph examination and/or voice stress analyzer will be administered only with the consent of the employee under investigation. If, in the course of an internal investigation, an employee has been given a polygraph examination and/or voice stress analysis, such examination and/or analysis shall not be used in any subsequent court action, except in accordance with applicable rules of evidence.

Section 8. Any anonymous complaint will not be kept in the employee's personnel file, but will be kept in a separate file for anonymous complaints.

Section 9. Any unfounded or unsustained complaint will not be kept in the employee's personnel file, but will be kept in a separate file for unfounded and unsustained complaints.

NO STRIKE

ARTICLE VIII

Section 1. The Employer and the OPBA agree that the grievance procedure provided herein is adequate to provide a fair and final determination of all grievances arising under this Agreement. It is the desire of the Employer and the OPBA to avoid work stoppages and strikes.

Section 2. Neither the OPBA nor any member of the bargaining unit, for the duration of this Agreement, shall engage in or directly or indirectly assist in any strike, work stoppage, slowdown, concerted use of sick leave or other similar conduct. The OPBA shall, at all times, cooperate with the Employer continuing operations in a normal manner and shall actively discourage the attempt to prevent any violation of the "no-strike" clause. If the Employer seeks injunctive relief against any unlawful strike pursuant to Section 4117.15 (A) O.R.C., the OPBA shall cooperate with the City by not opposing such relief.

The OPBA recognizes the operational needs to the Employer and will cooperate to keep a minimum the time lost from work by representatives. Before leaving an assignment pursuant to this section, the representative must obtain approval from the officer in charge of the shift.

Section 2. All notices required in the Agreement to be given by either party to the other or by any employee to the Employer or vice versa shall be given by depositing same in the police station personal mail unless the employee to whom the notice is directed is on vacation or leave of absence, in which case it shall be sent to his home.

In the event a bargaining unit member is temporarily transferred by the Employer and at the Employer's sole discretion, to a classification other than their own for more than one (1) complete full-time shift, they shall be paid at the higher rate of the two rates between their regular rate and the rate of their other classification.

GRIEVANCE PROCEDURE

ARTICLE XIV

Section 1. Every employee shall have the right to present his grievance in accordance with the Procedures provided herein, free from any interference, coercion, restraint, discrimination or reprisal and except at Step 1, shall have the right to be represented by a person of his own choosing at all stages of the Grievance Procedure. The Employer shall only be required to resolve grievances with the grievant or the OPBA or its representative. It is the intent and purpose of the parties to this Agreement that all grievances shall be settled, if possible, at the lowest step of this procedure.

Section 2. For the purposes of this procedure, the below listed terms are defined as follows:

- (a) Grievance- A "grievance" shall be defined as a dispute or controversy arising from the misapplication or

misinterpretation of the specific and express written provisions of this Agreement.

(b) Grievant- The "grievant" shall be defined as any employee, group of employees within the bargaining unit or the OPBA.

(c) Days- A "day" as used in this procedure shall mean calendar days, excluding Saturdays, Sundays, or Holidays as provided for in this Agreement.

Section 3. The following procedure shall apply to the administration of all grievances filed under this procedure.

(a) Except at Step 1, all grievances shall include the name and position of the grievant, the identity of the provisions of this Agreement involved in the grievance; the time and place where the alleged events or conditions giving rise to the grievance took place, the identity of the party responsible for causing the grievance, if known to the grievant and a general statement of the nature of the grievance and the redress sought by the grievant.

(b) Except at Step 1, all decisions shall be rendered in writing at each step of the grievance procedure. Each decision shall be transmitted to the grievant and the OPBA.

(c) Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with the shift officer or the Chief and having said matter informally adjusted without the intervention of the OPBA, provided that the adjustment is not inconsistent with the terms of this Agreement. In the event that the grievance is adjusted without formal determination, pursuant to this procedure, such adjustment shall be binding upon the grievant and shall, in all respects, be final.

(d) The methods for resolution of complaints regarding alleged violations of this Agreement set forth in this Agreement shall be the sole and exclusive method for the determination of such complaints and no party nor any employee covered by this Agreement shall commence any action in any other forum other than to compel arbitration or to prevent a violation of the no-strike, no-lockout clause or to enforce the award of an arbitrator's decision hereunder.

(e) The parties may, by written mutual agreement, bypass or otherwise waive any step of the grievance procedure.

- (f) The time limits provided herein will be strictly adhered to and any grievance not filed initially or appealed within the specified time limits will be deemed waived and void. If the Employer fails to reply within the specified time limit, the grievance shall be deemed denied. The time limits specified for either party may be extended only by written mutual agreement.
- (g) This procedure shall not be used for the purpose of adding to, subtracting from, or altering in any way, any of the provisions of this Agreement.

Section 4. All grievances shall be administered in accordance with the following steps of the grievance procedure.

Step 1: An employee who believes he may have a grievance shall notify his immediate supervisor of the possible grievance within five (5) days of the occurrence of the facts giving rise to the grievance. The supervisor will schedule an informal meeting with the Jail Administrator, the employee and the OPBA representative, if such representation is requested by the employee, within five (5) days of the notice of the employee, at which time the issue in dispute will be discussed with the objective of resolving the matter informally.

Step 2. If the dispute is not resolved informally at Step 1, it shall be reduced to writing by the grievant or the OPBA and presented as a grievance to the Chief or his designee within five (5) days of the informal meeting or notification of the supervisor's decision at Step 1, whichever is later, but not later than seven (7) days from the date of the meeting if the supervisor fails to give the employee an answer. The Chief or his designee will schedule a meeting with the employee and an OPBA representative, if such representative is requested by the employee, within seven (7) days of the notice of the employee, and shall give his answer within seven (7) days of the meeting.

Step 3. If the OPBA is not satisfied with the written decision at the conclusion of Step 2, a written appeal of the decision may be filed with the Mayor or his designee within seven (7) days from the date of the rendering of the decision at Step 2. Copies of the written decisions shall be submitted with the appeal. The Mayor or his designee shall convene a hearing within ten (10) days of the receipt of the appeal. The hearing will be held with the grievant, his OPBA representative and any other party necessary to provide the required information for the rendering of a proper decision. The Mayor or his designee shall issue a written decision to the employee and his OPBA representative within ten (10) days from the date of the hearing. If the OPBA is not satisfied with the decision at Step 3, it

may proceed to arbitration pursuant to the Arbitration Procedure herein contained.

ARBITRATION PROCEDURE

ARTICLE XV

Section 1. In the event a grievance is unresolved after being processed through all steps of the Grievance Procedure, unless mutually waived, then within ten (10) days (postmarked) after the receipt of the decision at Step 3, the OPBA may submit the grievance to arbitration by notifying the Employer in writing of such fact. Within ten (10) days after receipt of such notice, the parties will meet to attempt to mutually agree upon an arbitrator. If such agreement is not reached, the parties shall mutually request the American Arbitration Association to submit a panel of arbitrators in accordance with the rules of the F.M.C.S.

Section 2. The arbitrator shall have no power or authority to add to, subtract from, or in any manner, alter the terms of this Agreement or to make commission of any act prohibited by law itself is contrary to law.

Section 3. The hearing or hearings shall be conducted pursuant to the "Rules of Voluntary Arbitration" of the American Arbitration Association.

Section 4. The fees and expenses of the arbitrator and the cost of the hearing room, if any, shall be borne by the parties equally. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the expenses incurred by the other party.

Section 5. An employee requested to appear at the arbitration hearing by either party shall attend without the necessity of subpoena and without loss of pay if he is otherwise scheduled to work, for all hours during which his attendance is required by either party. Any request made by either party for the attendance of witnesses shall be made in good faith, and at no time shall the number of on duty employees in attendance exceed two (2) employees.

Section 6. The arbitrator's decision and award will be in writing and delivered within thirty (30) days from the date the record is closed. The decision of the arbitrator shall be final and binding upon the parties.

ARTICLE XVII

Section 1. The Employer and the OPBA acknowledge that during the negotiations which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Section 2. Therefore, for the life of this Agreement, the Employer and the OPBA each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to negotiate collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated and signed this Agreement.

Section 2. All full-time employees shall earn sick leave at the rate of four and six tenths (4.6) hours per each completed 80 hours in active pay status to a maximum of 120 hours per year and may accumulate such sick leave without limit.

Section 3. An employee who is to be absent on sick leave shall notify his supervisor of such absence and the reason therefore at least one (1) hour before the start of his work shift each day he is to be absent.

Section 4. Sick leave may be used in segments of not less than one-half (1/2) hour.

Section 5. Before an absence in excess of three (3) consecutive work days may be charged against accumulated sick leave, the Chief may require such proof of illness, injury or death, as may be satisfactory to him, or may require the employee to be examined by a physician designated by and paid by the Employer. In the case of chronic absenteeism occurring after December 31, 1986, the Chief may, after written notice to the employee and OPBA, require such proof for absences of less than three (3) consecutive work days.

Section 6. Any abuse of sick leave or the patterned use of sick leave shall be just and sufficient cause for discipline as may be determined by the Chief.

Section 7. The Chief may require an employee who has been absent due to personal illness or injury, prior to and as a condition of his return to duty, to be examined by a physician designated and paid for by the Employer, to establish that he is not disabled from the performance of his normal duties and that his return to duty will not jeopardize the health and safety of other employees.

Section 8. When the use of sick leave is due to a serious illness or injury in the immediate family, "immediate family" shall be defined to only include the employee's children or the employee's spouse, stepchildren or parents. All leaves of absence will follow the City's FMLA Policy and amendments thereto.

Section 9. An employee who transfers from this department to another department of the Employer shall be allowed to transfer his accumulated sick leave to the new department.

Section 10. When an employee retires or dies, the employee or his legal representative in the event of death, shall be paid a lump sum for his accumulated and unused sick leave (except unused sick leave credited under Paragraph 10 above). The compensation shall be calculated as follows:

(a) The first 360 hours of accumulated sick leave shall be paid to employees on an hour for hour basis based on the employee's base rate of pay at the time of his death or retirement. All accumulated sick leave in excess of 360 hours shall be paid to employees on the basis of one (1) hour for every four (4) hours accumulated, based on the employee's base rate of pay at the time of his death or retirement.

(b) For purposes of this section, an employee shall be deemed to be retired when he terminates his employment and either applies for and obtains a disability pension or is eligible to receive a public employment retirement pension at the time of termination of his employment. The provisions of this Section shall not apply to transfers to another public employer in a full-time capacity.

b) Funeral leave for all employees normally assigned to a twelve (12) hour shift shall be granted for up to two (2) days (24 total hours) after the death of a member of an employee's immediate family. Up to one (1) day (12 total hours) shall be granted after the death of other family members.

The Chief at his discretion may authorize the use of sick leave and/or additional funeral leave for any extension hereunder.

INJURY LEAVE

ARTICLE XXV

Section 1. An employee who is disabled as a result of hazardous duties, as defined below, within the scope of his employment as a full-time employee of the City, if such disability prevents him from performing his duties, shall be paid his regular compensation during the continuance of such service related disability, for a period not to exceed 180 work days from the date that such service related disability was incurred. During such disability leave, compensation shall be paid in accordance with this Section whether or not the regular employee has accumulated sick leave. Hazardous duty is defined as injury resulting from those active police duties inherently dangerous and unique, including but not limited to apprehension or attempted apprehension of suspects, active intervention to prevent the commission of crimes and the pursuit of suspects, maintaining order in the jail, and the contraction of a communicable disease as proven as work related. The City would make available hepatitis immunization shots and tuberculosis screenings for the employees at no cost to them.

Section 2. An employee who is disabled as a result of the performance of non-hazardous duties within the scope of his employment as a full-time employee of the City, if such disability prohibits him from performing his duties, shall be paid his regular compensation during the continuance of such service related disability, for a period not to exceed 180 work days from the date that such service related disability was incurred. During such disability leave, compensation shall be paid in accordance with this Section whether or not the regular employee has accumulated sick leave. In the event accumulated sick leave is available, however, and a service related disability within the meaning of this paragraph is incurred, the first fifteen (15) days of said service related disability shall be charged to said employee's accumulated sick leave credit, or if less than fifteen (15) days accumulated sick leave credit is available, the existing sick leave credit then available shall be charged to disability leave. In no event will an employee receive more than his regular compensation while on disability leave.

Section 3. Any employee who obtains a paid leave under this Article shall file for Worker's Compensation and sign a waiver assigning the City to those sums of monies (temporary total disability benefits) he would ordinarily receive as his weekly compensation as determined by law for those number of weeks he receives benefits under this Article.

Section 4. Certification of the attending physician or surgeon certifying to the service related disability and the cause thereof shall be filed with the Finance Director before the last day of each two (2) week period which disability occurred or continues, or more often, if requested to do so by the Finance Director, or the Chief, and any employee receiving disability leave must, as a condition thereof, submit to a physical or physicals by a physician or surgeon chosen and paid for by the City at any time.

Section 5. In the event that any employee is dissatisfied with the determination of the Finance Director based on the City's medical examination, the employee may submit the question to the Grievance Procedure.

Section 6. When an employee is injured, he may be eligible to return to work on light duty, if approved by the Chief, with the prior approval of a City appointed physician attesting to the fact that the employee is capable of satisfactorily performing light duty. The employee on light duty shall be compensated at his regular rate of pay while performing light duty work.

JURY DUTY LEAVE

ARTICLE XXVI

Section 1. Any employee who is called for jury duty, either Federal, County or Municipal, shall be paid for his or her regular rate of pay, less compensation received from such court for jury duty, as provided for in the Ohio Revised Code. If the employee is working first or third shift, the affected employee shall be placed on second shift, Monday through Friday, until jury duty is completed. If the employee is excused in

sufficient time to report for work, he shall do so and work to the end of normal second shift. When manpower permits, and the employee is working midnight shift or afternoon shift, the employee will be placed on day shift.

Section 2. Employees hired on or after September 1, 1998 shall be entitled to longevity pay which shall be calculated as an additional one-quarter of one

percent (.0025) of the base salary for each full year of service. For employees hired prior to September 1, 1998, the maximum longevity pay shall be five percent (5%).

Section 3. Full years of service shall be calculated on the employee's anniversary date of each year and the compensation shall be adjusted to reflect the increased amount on the first pay following January 1st, using the salary in effect on January 1st.

Section 4. Time served by an employee during a probationary period shall be included in computing longevity pay. Any interruption in the service of an employee except for allowed vacation, holidays, sick leave, disciplinary suspension and authorized leaves of absence, shall be deemed a termination of such employee's tenure in office for the purpose of determining his eligibility for longevity pay.

Section 5. Longevity payments shall be divided into twenty-six (26) equal payments and added to the employee's normal bi-weekly paycheck.

EDUCATIONAL AND OTHER PAYS

ARTICLE XXIX

Section 1. All schools, seminars and classes which an employee intends to attend, with the expectation of being compensated or reimbursed for expenses, must be approved by the Chief and Mayor in advance. A completion report or a certificate must be presented to the Chief upon completion.

Section 2. When employees attend required schools or formal training sessions the Employer shall pay for all required tuition, fees, texts, meals, lodging and travel expenses, including mileage.

Section 3. When attendance at such schools or training session is required it shall be considered normal working time and the employee shall receive his full pay as appropriate.

Section 9. All Correction Officer's obtaining and/or maintaining their Blood Alcohol Content (BAC) certification shall receive an annual \$250 bonus during the last quarter of each year of this contract. If the BAC recertification test is failed or if the BAC certificate lapses at any time during the calendar year, the bonus is forfeited, except if the recertification is missed and prior authorization of the Jail Administrator was received the bonus may still be given. All employees will be given the opportunity to obtain and/or maintain the B.A.C. certification.

UNIFORM ALLOWANCE

ARTICLE XXX

Section 1. Each newly hired, full-time, probationary employee shall receive a uniform allowance in the amount requested by the Chief after successfully obtaining the appropriate corrections officer state certifications. However, the Chief is authorized to apply for and pay a uniform allowance to an employee for a year an employee is precluded from attending the Correction Officer Academy. In the event an employee leaves the employ of the City, said employee shall be required to reimburse the City a prorated amount of the uniform allowance based on the number of months actually worked during the anniversary year (i.e. if an employee leaves the employ of the City after working eleven (11) months, he shall be required to reimburse the City one-twelfth (1/12) of the uniform allowance).

Section 2. All non-probationary employees shall receive an annual uniform allowance in the amount of \$925.00, which shall include footwear approved by the Chief. This amount shall be paid on or before the first pay in March of each calendar

year. If an employee leaves employment with the City, the uniform allowance shall be pro-rated as applicable.

DRUG AND ALCOHOL FREE WORKPLACE POLICY AND RULES FOR CONTROLLED SUBSTANCE AND ALCOHOL TESTING.

ARTICLE XXXII

A. Introduction

The parties are committed to maintaining an efficient, effective and safe work environment in order to safeguard personnel, property, equipment and the citizens

being served. The Employer and the public also have a reasonable expectation that employees will be free from the effects of drugs and alcohol. The Employer has the right to expect employees to report for work fit and able for duty. As a result, the Employer and the OPBA agree that it is the purpose of this article to absolve or eliminate illegal drug usage and/or alcohol abuse problems through education and rehabilitation of any affected employee.

Employees' action regarding possession and usage of alcohol or drugs, both on and off duty is governed under the Rules and Regulations for the Operation of the Solon Police Department and the Employer's Drug Free Workplace Policy. To ensure conformance to the Rules and the goals of a drug and alcohol free workplace, employees will be subjected to alcohol and/or drug testing under any of three distinct circumstances as described in Sections B, C, and D below. Acceptable testing procedures and methodologies are described in Section E, below.

B. Post-Accident Testing

Drug and alcohol testing of employees will be conducted following a motor vehicle accident if all the following conditions exist:

1. While driving a City vehicle the employee is involved in an accident and is cited for a moving violation of any kind, and,
2. Any involved vehicle requires towing from the scene, and,
3. Any personnel involved requires medical treatment away from the scene of the incident, and,
4. Injury occurs that requires medical treatment beyond the first aid and/or lost time, and,
5. Damage to property exceeds \$2,000 (Two Thousand Dollars and 00.100).

C. Reasonable Suspicion Testing

If objective evidence exists and is documented which establishes reasonable cause to believe that an employee's work performance is impaired due to drug or alcohol use or abuse, an employee will be required to submit to drug and alcohol testing. Each time there is cause for reasonable suspicion testing, separate suitable documentation shall be prepared and maintained by the Employer.

D. Random Drug and Alcohol Testing

Employees covered under this Agreement are subject to "random" drug and alcohol testing subject to the procedures and methodologies described in Section E below, at the following percentage:

1. All covered employees will be subject to a random test at a rate of 10% per annum out of the pool of all City employees. Any bargaining unit member who must have a commercial driver's license as a condition of employment shall be

part of the city's commercial driver's license pool for purposes of random drug and alcohol testing with all other provisions of this article to apply.

2. The Human Resources Director shall submit a list of active personnel on the city's payroll to the city's Third Party Administrator who administers the random selection, prior to January 31st of each year. Ten percent (10%) of the active personnel recorded on the list shall be randomly pulled for testing. This list shall exclude CDL driver's currently participating in random testing in accordance with Federal Department of Transportation regulations and Seasonal Employees and shall be provided to the bargaining unit.
3. No covered employee will be entered into the pool subject to random drug and alcohol testing until such time as recommended training has been provided by the Employer to meet Ohio B.W.C. minimum standards (two hour training for employees, additional four hour training for supervisors). Newly hired covered employees will be entered into the pool as soon as they have been provided similar training. This required training will also cover the Employer's Drug Free Workplace Policy as it applies under the terms of this Agreement. No covered employee will be entered into the pool subject to random drug and alcohol testing until being provided with a copy of the Employer's Drug Free Workplace Policy, a copy of the Rules and Regulation for the Operation of the Solon Police Department, and being given the opportunity to sign an acknowledgement that the training and documents have been received.
4. The Employer will contract with an independent third party to provide random selection services through the use of a computerized random number generation program at the percentage discussed above. To maintain confidentiality of the process, the third party contractor will exclusively have contact with the Assistant Chief of Police and/or the Director of Human Resources for purposes of notifying selected employees that they have been assigned to be tested.
5. As the purpose of "random" testing is to proactively keep employees and citizens safe from the effects of illegal drugs and alcohol in the workplace, all "random" testing of covered employees will be for illegal drugs, amphetamines & opiates, and alcohol. At the time of each individual test, such testing shall be for illegal drugs, amphetamines, opiates or alcohol.

E. Testing and Methodologies

In an effort to ensure the accuracy, confidentiality and trustworthiness of the process, the following methodologies will be required:

1. Medical Review Officer

The Medical Review Officer (MRO) plays a key role in the testing process, in both interpretations of test results as well as notification of involved parties. As

such, the MRO must be a licensed physician in the state of Ohio who maintains current certification from the Medical Review Officer Certification Council (MROCC) or the American Association of Medical Review Officers (AAMRO).

The MRO must examine alternative medical explanations for any positive test results. This action will include conducting a medical interview with the affected employee, review of the employee's medical history and review any other relevant biomedical factors. Upon request, the MRO must review all medical records made available by the tested employee when a confirmed positive test could have resulted from a legally prescribed medication.

The MRO may not have any business relationship with the laboratory used for testing that causes a conflict of interest or the appearance of a conflict of interest as defined under D.O.T. guidelines.

2. Sample Collection

The collection of samples shall be performed only by health care professionals who are qualified and authorized to do such collections and meet current D.O.T. collection standards and certification requirements, operating under the direction of the MRO approved in subsection E (1) above. Documentation that collectors have met D.O.T. training requirements for both drug and alcohol testing are to be provided to the city's Director of Human Resources by March 1st of each calendar year and provided to the collective bargaining unit.

Blood or urine samples will be submitted as per National Institute on Drug Abuse (NIDA) standards and D.O.T. guidelines under 49 CFR Part 40. Employees have the right to have a witness or a designated representative present during the collection/submission of any sample, unless this causes a delay beyond thirty minutes for such collection/submission. The collection site will operate using non-federal testing that follows the federal model. A sufficient sample will be collected in all cases to provide for split specimen testing.

The collection site will begin the chain of custody of all samples submitted using the federal model, identifying each specimen through use of an identifying number only with no other employee information. Identities of each employee will be kept in the custody of the MRO/collection site.

3. Alcohol Testing

Preliminary alcohol testing will be by a certified technician as provided for above, using an Evidentiary Breath Testing Instrument. Certification of the instrument designated for use must be provided to the Director of Human Resources prior to March 1, of each year testing is to occur.

A preliminary test result of .04 grams per 210 liters of breath will be considered positive. Preliminary test results that are below .04 shall result in the discontinuation of testing. Test results that are positive shall result in an immediate confirmatory test being run. The confirmatory test shall be a second breath alcohol content test unless the bargaining unit member requests a blood alcohol content test. Sample handling procedures as detailed in subsection E (2) above shall apply. A confirmatory test result of .04 grams per 100 ml of blood and/or .04 grams per 210 liters of breath will be considered a positive test result and reported to the MRO.

4. Laboratory Procedures

The laboratory utilized for blood and urine testing will be designated by the Employer after a recommendation of the OPBA prior to March 1, of each calendar year in which testing is to take place. The laboratory must have a current certification that it meets College of American Pathologists' Forensic Drug Testing Accreditation standards as well as proof that it is operating with Department of Health and Human Services/Substance abuse and Mental Health Services Administration (SAMHSA) certification.

Strict chain of custody procedures must be followed for all samples as set by NIDA. The Employer and the OPBA agree that security of submitted biological samples is such a paramount issue that any breach of the chain of custody or apparent tampering with sample integrity results immediately in an invalid sample that may not be used for any purposes. A split sample shall be reserved in all cases for an independent analysis in the event of a positive test result. All samples must be stored in a scientifically acceptable preservation manner as established by NIDA. All positive confirmed samples and related paperwork must be retained by the laboratory for at least one year or for the duration of any grievance, disciplinary action or legal proceedings regarding the sample, whichever is longer. At the conclusion of said period, the sample is to be destroyed along with laboratory maintained paperwork.

The laboratory is authorized to test only for the following drugs or classes of drugs: marijuana metabolites, cocaine metabolites, opiate metabolites, Phencyclidine and amphetamines. The laboratory shall test only for these substances within the limits of initial and confirmation tests as currently defined by DHHS/SAMHSA. Initial testing will consist of a preliminary immunoassay (EMIT Screen). If initial testing results are negative, testing shall be discontinued.

Under this Agreement, the following cutoff levels shall be used in determining test results as positive or negative:

<u>Drug Class.</u>	<u>Prelim. Cutoff</u>	<u>Confirm. Cutoff</u>
Marijuana metabolites	100 ng/ml	15 ng/ml
Cocaine metabolites	300 ng/ml	150 ng/ml
Opiate metabolites	2,000 ng/ml	2,000 ng/ml
Phencyclidine	25 ng/ml	25 ng/ml
Amphetamines	1,000 ng/ml	500 ng/ml

The laboratory will report to the MRO and subject to the MRO's investigation of alternative medical explanations, positive results in the case where both the preliminary and confirmatory test results are positive as to the same sample and the MRO's independent investigation provides no reasonable alternative medical explanation. All initial and confirmatory testing shall be performed at a certified laboratory and not at any individual collection site.

In the event that tests are altered, invalid, diluted positive or positive test results, upon request to the MRO, each covered employee will be provided with a report of the confirmed positive results of each test that includes the types of tests conducted, the results of each test, the detection level used by the laboratory and any other information provided to the Employer by the laboratory.

F. Positive Test Results

In the case of alcohol testing, if a covered employee tests at a level greater than .04 grams per 210 liters of breath during the preliminary test, that employee will be immediately relieved from duty and not permitted to return to work for 24 hours following the administration of the test. In the event the 24 hour time period overlaps an employee's regularly scheduled shift, the employee shall use leave in the following order to cover the overlapping time period: vacation and/or holidays; compensatory time; and then sick leave. No further action will be taken until the results of confirmatory blood tests are received through the MRO, if such test has been requested by the bargaining unit member.

In the case of a first time positive confirmatory test for alcohol or a positive test for drugs after review by the MRO, appropriate notification and receipt of results as indicated in Section E(4) above, the employee shall be provided the opportunity to participate in and satisfy a rehabilitation treatment program as recommended and administrated by the Employer's EAP. Employees who complete such rehabilitation program will be re-tested at random times, once every quarter for the following twenty-four months. Treatment and rehabilitation shall be paid for by the employee's insurance program. Employees will be allowed to use any accrued and earned paid time off for the necessary time off involved in the rehabilitation program. Once the employee successfully completes the required rehabilitation treatment, they shall be returned to regular full duty status. Once all follow-up care has been completed, and five (5) years

have passed since the employee entered the program, the employee's personnel file shall be purged of any reference to drug/alcohol testing and treatment.

If an employee declines to participate in the EAP, they shall be immediately subject to disciplinary action as per the Department Rules and Regulations and in accordance with Article IX.

If an employee tests positive for drugs and/or alcohol during the twenty-four month period after initial entry into the EAP, they shall be subject to disciplinary action as per the Department Rules and Regulations and in accordance with Article IX. The employee shall be solely responsible for any costs, not covered by insurance, which arise from necessary additional counseling or treatment.

If an employee tests positive for drugs and/or alcohol a second or subsequent time, after completion of a required EAP and the passing of the twenty-four month quarterly testing period, they shall be subject to disciplinary action as per the Department Rules and Regulations up to and including discharge and in accordance with Article IX.

Any employee who fails to provide a sample or appear for testing under any of the three testing circumstances in Sections B, C, and D of this Article will be considered to have a positive test result for purposes of disciplinary actions in accordance with Article IX.

G. Employee Rights

Covered employees who voluntarily seek assistance with drug and/or alcohol related problems, shall not be subject to any disciplinary or adverse employment action by the Employer by reason of seeking such assistance, other than the Employer may require reassignment of the employee with pay if he is then unfit for duty in his current assignment. Such assistance must be sought prior to the provision of any biological sample which results in a positive test for the employee.

The OPBA and/or the employee, with or without the OPBA, shall have the right to file a grievance concerning any aspect of this Article in accordance with Article XI, including, but not limited to: contesting the basis for reasonable suspicion testing under Section C above, contesting the administration of any required test, contesting the significance and accuracy of any test, and contesting the consequences of any required test or result. The Parties agree that this Article is in no way intended to restrict, diminish or otherwise injure or impair any legal right that an employee may have with regard to such testing. Employees retain any such rights as may exist and may pursue the same at their own discretion, with or without the assistance of the OPBA.

Any employee who tests positive for drugs and/or alcohol may request, fourteen (14) days of notification of positive result, that the separately maintained split

portion of the sample that resulted in the positive test be submitted to an independent laboratory, certified as required in Section E (4) above, at the Employee's expense, for independent confirmation of the accuracy of the testing procedures. If such test is negative, the Employer will reimburse the Employee's expense for such independent confirmation.

Test results that result in an employee entering an EAP are "medical records" as defined in Ohio Rev. Code § 149.43 (A)(3) if they are utilized for diagnosis and treatment of a medical condition are therefore not public records subject to release by the Employer.

The Employer agrees that any communication, whether verbal, written, electronic or otherwise, made by an employee to any professional involved in an EAP is confidential and privileged. Such communication shall be protected from disclosure unless otherwise legally required. Information about an employee's participation in an EAP shall not be disclosed to anyone without written permission from the employee.

H. Testing Program Costs

The Employer shall pay for all costs involved with drug and alcohol testing as well as expenses related to the MRO, the collection facility, or the independent third party contractor designated to administrate the random selection process. All time spent administering a drug or alcohol test under this Article, including travel time, will be paid at the employee's regular rate of pay, or at their overtime rate, if applicable. Exhibit A

City of Solon Tuition Reimbursement Program

PURPOSE

The purpose of the Tuition Reimbursement Program is to assist full-time City of Solon employees in developing themselves in their current positions or for possible future positions within the City. The City offers reimbursement for courses of study which support both the community plans and future objectives of the City and meet the individual aspirations of the employee. The Tuition Reimbursement Program reimburses for planned employee development programs leading to a degree, professional certification or license. While successful completion of a course of study improves educational background, it does not obligate the City to reward such completion through promotion, transfer, reassignment, or wage or salary increase.

ELIGIBILITY

All full-time City of Solon employees with six months of service are eligible to participate in the Tuition Reimbursement Program. An employee must be on the payroll on the date the course or semester begins and ends in order to receive reimbursement. However, the City may reimburse costs if the employee is affected by a reduction-in-force before the completion of a course.

PRIOR APPROVAL

Employees must submit an approved Application for Tuition Reimbursement Form at least two weeks prior to the course date. Application forms are available through the Human Resources Department. The application must be signed by the Department Head and the Mayor and forward to Human Resources for processing.

CRITERIA AND EXCLUSIONS

The program is primarily intended to cover specialized courses of study and programs leading to a degree, professional certification or license which link the current and future business priorities of the City with the individual aspirations of the employee. In some cases, the program can also be used for single courses of study, which will improve the employee's effectiveness on the job or for a possible future position through transfer or promotion.

In order to be approved for reimbursement, all courses and educational programs must be accredited by a nationally-recognized accredited body. The accrediting institution of post-secondary education must meet U.S. Department of Education eligibility requirements.

Courses that are of short duration, such as but not limited to, workshops and seminars given by consultants or commercial training organizations are considered as training and are not eligible for education assistance.

Courses taken to maintain certifications or licenses must be taken at an accredited college or university or through a source recognized by the state or national professional organization governing the certified or licensed professional.

Employees attending institutions using alternative types of instruction-home study, satellite or on-line networks, may be reimbursed when programs lead to a professional certificate or degree.

All courses must have prior approval through your Department Head.

AMOUNT OF REIMBURSEMENT

The amount of reimbursement available to the employee is based on IRS guidelines. The current limit is \$5,250 per calendar year. The reimbursement will be paid upon successful completion of the course. In accordance with current IRS regulations, applicable taxes may be withheld at the time of payment. Because tax laws continue to change, program participants should consult Human Resources for the latest information about the tax status of tuition reimbursements.

The program will reimburse the difference an employee receives from other education benefits (i.e., Veterans Administration, scholarships, or grants). The amount of reimbursement will be as follows:

- 100% for grade C or above, numerical equivalent or certificate of statement of satisfactory completion. Passing if grading system is Pass/Fail.
- 0% for grade D or lower or statement of unsatisfactory completion.

COST ELIGIBLE FOR REIMBURSEMENT

Reimbursement to the employee will be issued upon completion of the course or exam and upon receipt of grade(s) or letter of completion.

APPLICATION FOR TUITION REIMBURSEMENT:

To apply for tuition reimbursement, an employee must complete an Application for Tuition Reimbursement Form, attach requested documentation (if receiving a grant or scholarship), and obtain signatures from your Department Head and the Mayor. The application is to be submitted to the Human Resources for final processing.

If employees are receiving financial assistance through the Veterans Administration, grants or scholarships, the City of Solon will deduct the amount received and will reimburse the remaining balance based on the employee attaining grade levels stipulated under the "Amount of Reimbursement." Documentation of such assistance must be submitted with the Application for Tuition Reimbursement. Misrepresentation of other education assistance may result in the employee being barred from future participation in the program, repayment of funds expended by the City, and disciplinary action up to and including termination.

Applications must be received by Human Resources at least two weeks prior to commencing classes. An employee cannot assume approval of reimbursement until he or she has been notified by the Human Resources Department that their application has been approved.

CHANGES IN COURSEWORK

Employees will be reimbursed for the actual courses stated on the application for Tuition Reimbursement. No substitutions will be allowed at the time of reimbursement. If

changes occur in the employee's coursework after approval has been given, the employee must notify Human Resources within two weeks of the change.

REIMBURSEMENT

Upon completion of the approved course(s), the following must be submitted to Human Resources for reimbursement:

1. A copy of the Approved Application for Tuition Reimbursement.
2. A copy of the grade report or certificate of completion.
3. A receipt of payment for tuition and reimbursable fees.

The reimbursable amount will be paid by manual check.

MANAGEMENT RESPONSIBILITY

Managers and above are responsible for reviewing and approving applications. In reviewing such applications, approving managers should check the courses of study for their relevance to the City's current and future plans. A manager may not refuse to approve an application due solely to budget restraints.

EMPLOYEE RESPONSIBILITY

- Employee should be sure that courses for which reimbursement is requested are provided by an accredited institution.
- Applications must be submitted at least two weeks prior to commencing classes.
- Employees are also responsible for ensuring that their educational courses do not interfere with their normal job responsibilities. Approval for a program does not excuse an employee from performing normal job responsibilities.
- Employees must retain receipts and a c copy of grades in order to be reimbursed. Employees have one year to submit these documents for reimbursement. If this information has not been received within one year of the course start date, the original application will be discarded.
- Employees must submit all receipts and payment records associated with educational benefits received from other sources.
- If an employee's Application for Tuition Reimbursement is denied by management (without justifiable cause or satisfactory reasoning), an employee may seek consultation with the Human Resources Manager.

RESTRICTIONS/REPAYMENT OBLIGATION

Employees who receive tuition reimbursement and voluntarily leave employment prior to three years from the date of their last reimbursement, will be required to pay back all tuition reimbursement received within three years from the date of their resignation. Voluntary leave does not include disability retirement. The city may deduct amounts for this purpose from the departing employee's final paycheck(s). The Director of Law may institute legal proceedings to collect any remaining unpaid tuition reimbursement.

The Human Resources Department is responsible for the overall administration of the Tuition Reimbursement Program.
