PREAMBLE / PURPOSE

This Agreement, entered into by the Shawnee Township Trustees, hereinafter referred to as the "Employer," and the Fraternal Order of Police, Ohio Labor Council, Inc., hereinafter referred to as the "Union," has as its purpose the following:

To comply with the requirements of Chapter 4117 of the Ohio Revised Code; and to set forth the full and complete understandings and agreements between the parties governing the wages, hours, terms and other conditions of employment for those employees included in the bargaining unit as defined herein.

All references to employees in this Agreement designate both sexes, and wherever the male gender is used it shall be construed to include male and female employees.

It is understood and agreed that the use of headings before articles or sections is for convenience and identification only and that no heading shall be used in the interpretation of any article or section, nor effect any interpretation of any article or section.

ARTICLE 1 UNION RECOGNITION

Section 1.1. Included: The Employer recognizes the Union as the sole and exclusive representative for those employees included in the bargaining unit for the purpose of collective bargaining of all wages, hours, terms and other conditions of employment. Wherever used in this Agreement, the term "bargaining unit" shall be deemed to include those individuals employed full-time by the Employer in the classification of Dispatcher, as certified by the Ohio State Employment Relations Board in Case No. 88-REP-12-0265 and those individuals employed full-time by the Employer in the classification of Dispatch Supervisor as certified by the Ohio State Employment Relations Board in Case No. 2012-REP-02-0022.

Section 1.2. Excluded: All other employees shall be excluded from the bargaining unit as defined in Section 4117.01 of the Ohio Revised Code.

Section 1.3. New Positions: In the event that a new position is created within the Shawnee Township Central Dispatch Department, the Employer shall determine whether the new position will be included in or excluded from the bargaining unit and shall so advise the Labor Council. If there is any dispute as to the Employer's determination of bargaining unit status, the parties will meet to attempt to resolve their disagreement. If the parties agree on the determination, it shall be implemented as agreed by the Employer. If the parties still do not agree, the Union may seek clarification of the bargaining unit through the procedures established by the State Employment Relations Board. Nothing herein shall restrict the Employer's right to fill the position pending final determination by the State Employment Relations Board.

ARTICLE 2
UNION REPRESENTATION

Section 2.1. Non-employee Representatives: A non-employee representative of the Union shall be admitted to the Employer's facilities for the purpose of attending scheduled meetings or hearings. Upon arrival, non-employee Union representatives shall identify themselves to the Employer.

Section 2.2. Employee Representatives: The Union shall submit in writing the names of the employees who will act as Union representatives for processing grievances as outlined in the Grievance Procedure. The Employer shall recognize as employee Union representatives, the Bargaining Unit Chairperson or, in the Chairperson's absence, the Alternate Chairperson.

Section 2.3. Notification to the Employer: The Union shall provide to the Employer the names, office held, business address and telephone numbers of all employee Union officers and the Staff Representative. This list shall be kept current at all times. No employee shall be recognized by the Employer as a representative of the Union until the Union has presented the Employer with written certification of that person's appointment.

Section 2.4. Release for Grievances: The investigation and writing of grievances shall normally be accomplished during non-work time. Reasonable time off, without loss of pay, shall be allowed the recognized Union representative, if there is a conflict of the work schedules of the Union representative and the grievant. Approval by the Chief Dispatcher will be required. If grievance hearings are scheduled during an employee's regular work hours, the grievant and the employee Union representative shall be released from duty with pay for purposes of attending the hearing.

Section 2.5. No Interference: The Union agrees that no representative of the Union, either employee or non-employee of the Employer, shall interfere with, interrupt or disrupt the normal work duties of employees. Further, the Union agrees not to conduct meetings (bargaining unit, local or committee meetings) involving on-duty employees except to the extent specifically authorized by the Employer. Unauthorized activity shall cease upon the demand of the Employer.

Section 2.6. Release for OLC Conference: One (1) bargaining unit employee shall be permitted to schedule two (2) consecutive days off per year without loss of pay in order to attend the annual convention of the FOP/OLC. Such release time shall be requested in writing fourteen (14) days in advance of the date the leave is requested to begin. The Chief Dispatcher may deny release time in the event operational demands require the employee's presence.

ARTICLE 3
DUES DEDUCTION

Section 3.1. Agreement to Deduct: The Employer agrees to deduct regular Union membership dues, initiation fees or assessments once each month from the pay of any employee in the bargaining unit eligible for such deduction upon receiving written authorization signed individually and voluntarily by the employee. The signed payroll deduction form must be presented to the Employer by the employee. Upon receipt of the proper authorization, the Employer will deduct Union dues from the payroll check for the next pay period in which dues are normally deducted following the pay period in which the authorization was received by the Employer. The authorization card may be submitted any time after the effective date of this Agreement and shall continue in effect until the anniversary date of this Agreement. An employee may cancel Union membership at any time, however, the revocation of the dues deduction authorization may only be canceled during the ten (10) day period ending thirty (30) days prior to each anniversary year of this Agreement. Dues deduction authorizations not revoked during this ten (10) day period shall continue in effect for the successive contract year. Written notice of the dues deduction revocation shall be served upon the Employer and the Union by the employee to make the revocation effective. This provision shall not be construed as requiring an employee to become or remain a member of the Union as a condition of securing or retaining employment.

Section 3.2. Remittance of Dues: For the duration of this Agreement, the Employer agrees to remit the dues deducted from eligible bargaining unit employee's pay, in accordance with this Article, once each month to the FOP/OLC Inc., 222 East Town Street, Columbus, Ohio 43215-4611.

Section 3.3. Indemnification: The parties agree that the Employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article regarding the deduction of Union dues, initiation fees or assessments. The Union hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions or proceedings by any employee arising from deductions made by the Employer pursuant to this Article. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

Section 3.4. Relief from Making Dues Deduction: The Employer shall be relieved from making such individual "check-off" deductions upon an employee's: (1) termination of employment; (2) transfer to a job other than one covered by the bargaining unit; (3) layoff from work; (4) an unpaid leave of absence; (5) written revocation of the check-off authorization or resignation by the employee from the Union in accordance with the provisions herein; or (6) any other separation from the Township's payroll.

Section 3.5. Sufficient Wages Necessary: The Employer shall not be obligated to make dues deductions from any employee who, during any dues months involved, shall have failed to receive sufficient wages to make all legally required deductions in addition to the deduction of Union dues.

Section 3.6. Errors in Processing: The parties agree that neither the employees nor the Union shall have a claim against the Employer for errors in the processing of deductions, unless a claim of error is made to the Employer in writing within sixty (60) days after the date such an error is

claimed to have occurred, or was known to have occurred. If it is found an error was made, it will be corrected at the next pay period that Union dues deductions would normally be made by deducting the proper amount.

ARTICLE 4 **MANAGEMENT RIGHTS**

Section 4.1. Rights of the Employer: The Union recognizes and accepts the right and authority of the Employer to determine matters of inherent managerial policy which include but are not limited to areas of discretion of policy such as:

- A. To determine the functions and programs of the Township;
- B. To determine the standards of services to be delivered;
- C. To determine the overall budget;
- D. To determine how technology may be utilized to improve the Township's operations;
- E. To determine the Township's organizational structure;
- F. To direct, supervise, evaluate or hire employees;
- G. To maintain and improve the efficiency and effectiveness of the Township's operations;
- H. To determine the overall methods, process, means or personnel by which the Township's operations are to be conducted;
- I. To suspend, discipline, demote or discharge for just cause, or to lay off, transfer, assign, schedule, promote or retain employees;
- J. To determine the adequacy of the work force;
- K. To determine the overall mission of the Employer as a unit of government;
- L. To effectively manage the work force; and
- M. To take actions necessary to carry out the mission of the public employer as a government unit.

Section 4.2. Authority of the Employer: The Union recognizes and accepts that all rights and responsibilities of the Employer not specifically modified by this Agreement or ensuing agreements shall remain the sole right and function of the Employer.

ARTICLE 5
GRIEVANCE PROCEDURE

Section 5.1. Grievance Defined: The term “grievance” shall mean an allegation by a bargaining unit employee that there has been a breach, misinterpretation or improper application of this Agreement. It is not intended that the grievance procedure be used to effect changes in the Articles of this Agreement nor those matters not covered by this Agreement.

Section 5.2. Steps to be Followed: All grievances must be processed at the proper step in order to be considered at the subsequent steps, unless the parties mutually agree in writing to waive certain steps.

Any employee may withdraw a grievance at any point by submitting in writing a statement to that effect or by permitting the time requirements at any step to lapse without further appeal. Any grievance which is not processed by the employee within the time limits provided, shall be considered resolved based upon management’s last answer.

Any grievance not answered by management within the stipulated time limits may be advanced by the employee to the next step in the grievance procedure. All time limits on grievances may be extended upon mutual written consent of the parties.

Section 5.3. Grievance Procedure: It is the mutual desire of the Employer and the Union to provide for prompt adjustment of grievances, with a minimum amount of interruption of the work schedules. Every reasonable effort shall be made by the Employer and the Union to effect the resolution of grievances at the earliest step possible. In furtherance of this objective, the following procedure shall be followed:

Step 1: Dispatch Supervisor: In order for the alleged grievance to receive consideration under this procedure the grievant, with the local Union representative, if the former desires, must present the written grievance to the Dispatch Supervisor. The written grievance must be presented within ten (10) calendar days of the occurrence of the incident or the employee’s knowledge of the occurrence that gave rise to the grievance, but not later than thirty (30) calendar days following the occurrence of the incident. The Dispatch Supervisor shall investigate and respond in writing to the grievance within seven (7) calendar days following receipt of the grievance. Nothing herein shall prevent the grievant from verbally discussing the complaint with the Dispatch Supervisor prior to filing a formal grievance. However, such discussion must take place within the above stipulated time limits and the written grievance must still be presented to the Dispatch Supervisor within ten (10) calendar days of the occurrence of the incident to be valid.

Step 2: Designated Township Trustee: If the grievance is not resolved at Step 1, the employee shall have seven (7) calendar days following the Dispatch Supervisor’s written response to present the grievance to the Township Trustee designated for the Dispatching Unit. The Trustee and/or a designated representative shall schedule a meeting within ten (10) calendar days to review the grievance with the grievant and the grievant’s Union representative, if a representative is requested. The Trustee shall respond in writing to

the grievant within seven (7) calendar days following the meeting or seven (7) calendar days following receipt of the grievance if no meeting is held.

Step 3: Board of Trustees: If the grievance is not resolved at Step 2, the employee shall have seven (7) calendar days following the receipt of the written response at Step 2 to present the grievance to the Township Board of Trustees. The Trustees shall review the grievance and all previous responses to determine if a meeting with the grievant is necessary. The Township Trustees shall investigate the complaint and provide a written response to the grievant within fifteen (15) calendar days following receipt of the grievance or within seven (7) calendar days following the meeting with the grievant if a meeting is determined necessary.

Step 4: Arbitration: If the grievance is not satisfactorily resolved at Step 3, it may be submitted to arbitration upon request of the Union in accordance with this Section of this Article.

- A. The Union based upon the facts presented, has the right to decide whether to arbitrate any grievance not otherwise resolved or withdrawn. Within fourteen (14) calendar days from the date of final answer on such grievance under Step 3 in the grievance procedure, the Union shall notify the Township Trustees of its intent to seek arbitration.
- B. Representatives of the Union and the Employer shall, within ten (10) calendar days after notification of a request to arbitrate, begin the selection procedures outlined in (E) below.
- C. Nothing in this article or section shall prevent the parties from mutually agreeing on an arbitrator prior to beginning the selection procedures outlined in (E) below.
- D. The Union may withdraw its request to arbitrate at any time prior to the actual hearing. Any cancellation fee due the arbitrator shall be paid by the party canceling the arbitration. Any grievance not submitted within the fourteen (14) calendar day period described above shall be deemed settled on the basis of the last answer given by the Employer.
- E. The procedure for selecting an arbitrator shall be as follows:
The Employer and the Union shall jointly request the American Arbitration Association (AAA) to submit a panel list of fifteen (15) arbitrators from the State of Ohio who are members of the National Academy of Arbitrators. Each party shall have the opportunity to reject one (1) list of arbitrators and request a second list. The parties shall then choose an arbitrator in accordance with the rules and regulations of the AAA.

The parties shall request a "List with Appointment" from the AAA. Once an arbitrator has been appointed by the AAA, the parties shall be solely responsible for contacting the arbitrator and arranging for a mutually agreeable date and time for the arbitration hearing.

- F. The arbitrator's decision shall be limited to the interpretation, application or enforcement of the specific Articles in the Agreement. The arbitrator may not modify or amend the Agreement. All procedures relative to the hearing shall be in accordance with the rules and regulations of the AAA.
- G. The question of arbitrability of a grievance may be raised by either party before the arbitration hearing of the grievance, on the grounds that the matter is non-arbitrable or beyond the arbitrator's jurisdiction. The first question to be placed before the arbitrator will be whether or not the alleged grievance is arbitrable. If the arbitrator determines the grievance is within the purview of arbitrability, the alleged grievance will be heard on its merits before the same arbitrator.
- H. The arbitrator shall be without authority to recommend any right or relief of any alleged grievance occurring at any time other than the contract period in which such right originated, or make any award based on rights arising under any previous agreement, grievance or practices. The arbitrator shall not establish any new or different wage rates not negotiated as a part of this Agreement. The decision of the arbitrator shall be final and binding on all parties.
- I. The costs of the services of the arbitrator, the costs of any proofs produced at the direction of the arbitrator, the fee of the arbitrator and hearing room, if any, shall be borne by the losing party except when the issue being appealed is a disciplinary action, in which case the parties shall equally share the costs outlined above. The expenses of any witnesses, if any, shall be borne by the party calling them. The fee of the court reporter shall be paid by the party asking for one; such fee shall be equally split if both parties desire a reporter, or request a copy of any transcripts.

Nothing in this grievance procedure prohibits the parties from mutually agreeing in writing to skip any specified step and/or meeting required by the grievance procedure and/or from extending the time limits specified within any step of the procedure.

Section 5.4. Information Required in Grievance: All grievances must contain the following information to be considered and must be filed using the grievance form mutually agreed upon by both parties and supplied by the union:

- 1. Aggrieved employee's name and signature.
- 2. Aggrieved employee's classification.
- 3. Date grievance was filed.
- 4. Date and time grievance occurred.
- 5. The location where the grievance occurred.
- 6. A description of the incident(s) giving rise to the grievance.
- 7. Specific Articles and Sections of the Agreement alleged to have been violated.
- 8. Desired remedy to resolve the grievance.

Section 5.5. Who May Bring a Grievance: A grievance may be brought by any employee covered by this Agreement. Where a group of bargaining unit employees desire to file a grievance involving an incident affecting several employees in the same manner, one (1)

employee shall be selected by the Union to process the grievance, but each employee who is participating in the grievance shall be required to sign the grievance form or attachment thereto.

Section 5.6. Grievance Procedure to Supersede Law: This grievance procedure shall supersede and replace any other appeal procedures which may otherwise be available to employees under the provisions of the Ohio Revised Code, including but not limited to appeals of disciplinary actions. This Section shall not, however, be interpreted to limit any employee's right to appeal matters which are not addressed by this Agreement and are appealable in accordance with applicable law.

ARTICLE 6 **DISCIPLINARY PROCEDURES**

Section 6.1. Just Cause Required: Except in the case of job abolishment or layoff, no employee shall be disciplined, reduced in pay or position, suspended, removed, or have accrued leave benefits reduced, except for just cause.

Section 6.2. Progressive Discipline: The principles of progressive disciplinary action will be followed with respect to minor offenses. However, because dispatchers are involved in performing safety-sensitive duties, they are held to a higher standard and progressive discipline principles are not applicable in cases of serious misconduct. Discipline is defined as a verbal warning, written reprimand, suspension without pay, reduction in accrued leave benefits, demotion or discharge. However, the Employer shall take the corrective action deemed necessary by the circumstances, on a case-by-case basis.

Verbal warnings and written reprimands shall not be appealable through the grievance procedure. However, in cases of verbal warnings and/or written reprimands, if an employee disagrees, he may write a memorandum to the Chief Dispatcher explaining his position and why he disagrees with the verbal warning and/or written reprimand. If the Chief Dispatcher agrees with the employee, the verbal warning and/or written reprimand shall be rescinded and a notice of the rescission placed in the employee's file. If the Chief Dispatcher does not agree with the employee, the Chief Dispatcher shall attach the employee's memorandum to the verbal warning and/or written reprimand and keep both of them in the employee's file.

Section 6.3. Use of Paid Leave: In lieu of a suspension without pay, the Employer may offer to reduce the employee's accrued leave benefits, excluding sick leave, by an amount equal to the length of the suspension. If the employee agrees to the reduction of accrued leave, this shall be considered a waiver by the employee and the Union of any appeals regarding such disciplinary action.

Section 6.4. When a Hearing is Required: The Employer agrees not to suspend, demote, reduce accrued leave benefits, or discharge an employee without first conducting a hearing. This hearing is to be held between the Employer, the Employer's representative, the employee, and a Union representative if the employee so desires. Hearings, where practical, shall be conducted at hours reasonably related to the employee's shift.

Section 6.5. Discipline to be Carried Out in Private: The Township agrees that all disciplinary procedures shall be carried out in private and in a businesslike manner.

Section 6.6. Use of Testing in Discipline: The Township shall not use a polygraph machine, voice stress analyzer, or any other mechanical, chemical or electrical means to investigate the truth of statements made by employees, unless the employee being tested volunteers to undergo such test or all of the following circumstances are applicable:

- A. The alleged offense being investigated is a Group 3 offense as defined in the Township Personnel Policy and Procedure Manual;
- B. There is supportive evidence to question the truth of the statements already made during the investigation.

However, this Section shall not be interpreted to restrict the Employer's right to administer drug/alcohol tests.

ARTICLE 7 **PERSONNEL FILES**

Section 7.1. Employer to Maintain Files: It is recognized by the parties that the Employer may prescribe regulations for the custody, use and preservation of records, papers and documents pertaining to bargaining unit employees.

Section 7.2. Review of Files by Employees and Public: Employees shall have access to their individual personnel files for review during normal office business hours, upon reasonable advance notice. All such examinations shall be conducted in the presence of the Employer's designated representative.

When a request for disclosure of personnel records is made by a member of the public, notice of such request and the identity of the requestor will be given to the affected employee(s). The employee may request a meeting with the keeper of the records to discuss any appropriate reason some records should not be released. Employees' personnel files shall be available for public inspection only as provided by law.

Section 7.3. Copies: Employees will be provided with a copy of any materials contained in their personnel file upon written request.

Section 7.4. Correcting Inaccuracies: If employees, upon examining their personnel files, dispute the accuracy in those documents to which they have access, the employees may request in writing that the Employer investigate the disputed information. The Employer shall, after receiving the request from the employee, review the disputed information. The Employer shall notify the employee of the results of the investigation and any action the Employer plans to take with respect to the disputed information. The Employer shall correct any information that is found to be inaccurate. In any case in which an action of record has been disaffirmed, the employee's personnel file shall reflect such findings.

Section 7.5. Duration of Discipline Records: Records of verbal warnings and written reprimands placed in an employee's personnel file shall cease to have force and effect after a period of twelve (12) months, provided the employee receives no additional disciplinary actions during the twelve (12) month period. Records of suspensions, reductions in accrued leave, or demotions shall cease to have force and effect after a period of thirty-six (36) months, provided the employee receives no additional disciplinary actions during the thirty-six (36) month period.

ARTICLE 8 **PROBATIONARY PERIODS**

Section 8.1. Length of Probation Period: Each employee upon entering a full-time dispatcher's classification shall serve a probationary period of one (1) year. Any employee promoted to Dispatch Supervisor shall serve a promotional probationary period of six (6) months.

Section 8.2. Failure to Complete Probation Period: Employees serving their probationary period as a full-time dispatcher may be terminated anytime during the probationary period and shall have no appeal rights regarding such removal. Employees who fail to successfully complete their promotional probationary period shall be returned to their previous position as a dispatcher and will do so without loss of seniority.

Section 8.3. Union Membership Eligibility: New employees shall be eligible to join the FOP/OLC after completing thirty (30) days of employment with the Township.

ARTICLE 9 **SENIORITY**

Section 9.1. Seniority to Accrue: Seniority shall accrue to all employees in accordance with the provisions of this Agreement. Seniority will apply as specifically established under the terms and conditions of this Agreement.

Section 9.2. Seniority Defined: Except as otherwise specified in the other Articles of this Agreement, seniority shall be computed on the basis of the uninterrupted length of continuous full-time employment with the Shawnee Township Dispatch Unit. If an employee of the Shawnee Township Dispatch Unit leaves the Dispatch Unit and it does not fall under a situation which constitutes a "break in continuous employment for which seniority is lost," such employee shall re-acquire seniority previously accrued while in the Dispatch Unit upon return to the unit.

Section 9.3. Break in Service Defined: The following situations constitute breaks in continuous employment for which seniority is lost:

1. Discharge for just cause;
2. Retirement;
3. Layoff in excess of the recall period as established in the Layoff and Recall Article herein;
4. Failure to return to work within fourteen (14) calendar days of a recall from layoff;

5. Failure to return to work at the expiration of a leave of absence; or
6. Voluntary resignation.

Section 9.4. Seniority List to be Kept and Updated: A seniority list for bargaining unit employees shall be kept by the Employer and shall be updated annually. A copy of the seniority list shall be posted for inspection by the Union. The parties shall establish an initial seniority list for current bargaining unit employees. Any employees hired after the effective date of the Agreement, shall be added to the list based upon their date of appointment as a full-time Dispatcher in Shawnee Township. If two or more employees are hired on the same date, seniority shall be determined by a flip of a coin in the presence of both employees.

ARTICLE 10 **LAYOFF AND RECALL**

Section 10.1. Layoff Notification: Whenever the Employer determines that a layoff or job abolishment is necessary, the Employer shall notify the employee in writing. If the layoff or job abolishment will be for more than five (5) workdays, delivery shall be made by personal delivery at least ten (10) calendar days prior to the date of layoff, or sent by certified mail at least fourteen (14) calendar days prior thereto. Notice of a layoff of five (5) workdays or less shall be made by personal delivery as soon as possible.

Section 10.2. Order of Layoff: Part-time employees within the same classification shall be laid off prior to laying off any bargaining unit employee. In the event of a layoff, the Employer shall layoff the least senior employee within the bargaining unit as defined in Section 9.2 of this Agreement.

In the event of a job abolishment of a bargaining unit position, the Employer shall abolish the position of the employee who has the least seniority in the affected classification.

Section 10.3. Recall Procedures: Employees who are laid off for more than five (5) work days, shall be placed on a classification recall list for a period of eighteen (18) months from the date they were laid off. If a vacancy occurs within the employee's classification and the Employer decides to fill it, employees remaining on the list will be recalled to their previous classification in inverse order of their layoff, provided they are still qualified and able to perform the job to which they are recalled. Employees laid off for five (5) work days or less will be notified of their date for return at the time of layoff.

Section 10.4. Notice of Recall: The Employer shall send notice of recall to the employee by certified or registered mail to the employee's last known address and provide the Union with a copy. A recalled employee shall have seven (7) calendar days following delivery of such notice, to notify the Employer of the employee's intention to return to work, and shall have fourteen (14) calendar days following the delivery of such notice to report for duty, unless a later date is specified in the notice.

Section 10.5. Employees from Other Township Departments: Employees employed in another Department of the Township shall not be permitted to bump or displace any employee employed in the Central Dispatch Department in the event of a lay off or job abolishment.

Section 10.6. Compensation Upon Layoff: A laid off employee shall receive full compensation for accrued but unused vacation time and personal leave time. The Township shall pay their portion of the insurance premiums for one (1) payment following the month of the layoff.

**ARTICLE 11
COMPENSATION**

Section 11.1. Wages. Hourly rates shall be increased by one percent (1%) effective January 1, 2013 to the following rates:

	Start	1 Year	2 Years	3 Years	4 Years	5 Years

Section 11.3. Shift Differential: A shift differential of forty-five cents (45¢) per hour shall be paid for all hours worked between 3:00 p.m. and 7:00 a.m.

Section 11.4. Longevity: Each eligible bargaining unit employee will receive an hourly longevity supplement according to the following schedule, based on the employee's length of continuous full-time employment with the Township:

- After completion of ten (10) years of continuous employment = 34¢ per hour
- After completion of fifteen (15) years of continuous employment = 43¢ per hour
- After completion of twenty (20) years of continuous employment = 53¢ per hour

Longevity pay shall be paid each biweekly pay period. The hourly longevity supplement shall be added to the employee's base hourly rate before calculating the employee's overtime rate of pay.

Upon honorable separation from employment, an employee shall receive a longevity payout based on the work hours remaining in the two thousand eighty (2080) hours of the year of separation.

ARTICLE 12

HOURS OF WORK / OVERTIME

Section 12.1. Intention of Article: This Article is intended to define the normal hours of work per day or per week in effect at the time of execution of this Agreement. This Article is intended to be used as the basis of computing overtime and shall not be construed as a guarantee of work per day or per week.

Section 12.2. Workweek Defined: The standard work week for bargaining unit employees shall be forty (40) hours in a seven (7) day period. Any time worked in excess of forty (40) hours in the work week shall be considered overtime. The work week shall be computed between 12:01 a.m. on Sunday of each calendar week and 12:00 midnight the following Saturday.

Section 12.3. Calculation of Overtime: Employees shall be compensated for each hour of overtime worked at the rate of one and one-half (1 1/2) times the employee's regular hourly rate of pay. "Hours worked" as used in this Article shall include all hours during which the employee is performing service for the Township or is in active pay status, (being compensated by the Township), except holiday pay. Holidays shall be compensated in accordance with the applicable article herein.

Section 12.4. Working Overtime: Overtime shall be subject to the approval of the Employer. Scheduled overtime that is subsequently canceled for any reason, does not entitle an employee to overtime compensation if no overtime has been worked. Whenever the Employer determines that overtime is necessary, the Employer shall make a reasonable effort to equally distribute offerings of overtime among all the qualified employees.

The Employer reserves the right to require any employee to work overtime in order to meet the operational needs of the Township.

Section 12.5. No Pyramiding: Overtime payments will not be duplicated for the same hours worked. Hours once compensated at overtime rates will not again be counted for computing weekly, holiday or any premium pay.

Section 12.6. Trading Workdays or Work Shifts: Employees may voluntarily agree to trade workdays or work shifts with another employee, with approval of the Employer. Hours worked by such employees due to the trade shall be excluded from any overtime calculation. The traded workday or work shift must be returned within a reasonable time frame. This section shall not be interpreted to permit employees to pay other employees for working their shift in lieu of returning the traded work time.

Section 12.7. Shift Selection: The Employer shall determine the appropriate shifts and days off to efficiently operate the department. During the first full week in November, the Dispatch Supervisor will submit to the most senior dispatcher a list of shift slots set by the Employer, showing the hours to be worked as well as days off. The most senior dispatcher will make his/her selection by filling his/her name in for one of the listed shift slots and forwarding the list to the next most senior dispatcher. The list will continue down through each non-probationary dispatcher from most senior to least senior until all members have made a selection by no later

than November 30. The new schedule will be posted and/or distributed to employees no later than the end of the first full pay period in December and will become effective at the beginning of the first full pay period in January of the following year. Notwithstanding the above, employees may be temporarily reassigned to a different shift to accommodate the training of a probationary employee, whose shift assignment shall be set by the Dispatch Supervisor.

ARTICLE 13 **CALL-IN PAY / COURT TIME**

Section 13.1. Call-In: A call-in occurs whenever the Employer specifically requires an employee to return to work after the completion of the employee's regular shift and prior to the start of the employee's next regularly scheduled shift, thus necessitating an additional trip to and from work.

When employees are called-in, they shall be paid for the time worked but not less than three (3) hours, at the applicable hourly rate.

When the call-in is contiguous to the employee's regular work shift, the minimum call-in of three (3) hours shall not apply but the employee shall be paid for the actual hours worked at the applicable rate.

Section 13.2. Court Time: Whenever an employee is required to appear during their regular off-duty time before any official court or before the Prosecutor for pretrial conference on matters pertaining to or arising from the employee's official duties, the employee shall be compensated for a minimum of three (3) hours for each such appearance, at the applicable rate. Section 14.6. Life Insurance: The Employer shall pay the full cost for a fifteen thousand dollar (\$15,000.00) group term life insurance policy covering all bargaining unit employees.

The Employer shall determine the appropriate uniform to be worn by the employees and employees shall be required to be in proper uniform upon reporting for duty on each day they work, including holidays. 3. Exposure of the employee to a contagious disease which might be transmitted to other employees.
4. Disability due to pregnancy or childbirth.

The Employer maintains the right to investigate any employee's absence and/or request a signed statement from the employee or a physician verifying any of the above.

Section 17.3. Compensation: While on sick leave, employees shall be paid at their regular rate of pay.

Section 17.4. Notification: An employee requesting sick leave shall notify the Employer or designee of such request at least two (2) hours before the employee's scheduled starting time. Failure to provide such notice may result in denial of sick leave payment during the absence.

Upon return to work, the employee shall complete and submit a Request for Sick Leave Form. Sick leave shall not be paid until the request has been submitted and approved by the Employer. Sick leave shall not be unreasonably denied by the Employer.

Section 17.5. Written Statement May Be Required: If an employee misses three (3) or more consecutive work days due to injury or illness, or establishes a pattern of sick leave abuse, the Employer may request a written statement, prepared and signed by a licensed physician, that explains the absence and certifies that the employee is fit to return to work. Sick days taken the day before and the day after scheduled days off may also require a physician's signed statement.

Section 17.6. Prohibited Activity: An employee is considered to be "on sick leave" for the twenty-four (24) hour period starting at the beginning of the employee's scheduled shift on his first day of absence until the beginning of the employee's scheduled shift on the day he returns to work (except for regularly scheduled days off). An employee who is on sick leave from the Township is prohibited from working another job. An employee is also prohibited from participating in any recreational or social activities until the employee has returned to work if the activity is inconsistent with the employee's absence from work or if the activity shows that the employee is capable of working. While on sick leave, an employee is expected to remain at

home during the hours of the day during which the employee would otherwise be on duty so that, if necessary, the employee may be contacted by the Employer. An employee on sick leave may, if necessary, leave home for things such as keeping an appointment with the employee's doctor or picking up medicine or a prescription. If the reason for sick leave use is because of illness or injury of the employee's child, the employee may leave home to take the child to the doctor or to pick up medicine or a prescription for the child.

Section 17.7. Use of Vacation or Disability Leave for Illness: An employee may request vacation leave, in accordance with the applicable article herein, for personal reasons or family illnesses which do not qualify for sick leave usage or if the employee has used all accumulated sick leave.

Section 17.8. Credit for Prior Sick Leave: If an employee transfers from one (1) department within the Township to another, or has been re-employed by the Township, the employee will be credited with the unused balance of previously accumulated sick leave provided the time between transfer or separation and reinstatement is less than ten (10) years.

Employees hired prior to January 1, 1989 shall be entitled to whatever prior sick leave credits that were granted upon their date of original appointment. Employees hired after January 1, 1989 shall only be entitled to sick leave earned while in the employ of Shawnee Township.

Section 17.9. Excessive Use of Sick Leave: The parties agree that in an effort to control any excessive or patterned use of sick leave, there will be progressive discipline based on the number of sick leave "occurrences" as follows below.

An occurrence shall be defined as any sick leave used by an employee other than:

1. Leave that qualifies under the Family Medical Leave Act;
2. That used as approved funeral leave;
3. That used for pre-scheduled medical appointments for either the employee, their spouse, their children or parents, where the presence or assistance of the employee is reasonably necessary and where the employee is unable to schedule the medical appointment outside of his/her regular work hours or workdays.
4. Any sick leave for which the employee has an excuse and/or sick slip from a licensed physician.

Going home sick, after reporting for work at the regularly scheduled time shall not be counted as an occurrence, provided the employee has worked at least four (4) hours of that shift.

Employees who use sick leave for other than the above-listed reasons shall accrue an occurrence. Occurrences will be counted in a rolling twelve (12) month period and shall be subject to the following discipline:

<u>Number of Occurrences</u>	<u>Discipline</u>
4 th	documented verbal warning
5 th	written reprimand
6 th	one (1) day reduction in vacation or personal leave

Section 17.10. Abuse of Sick Leave: Abuse of sick leave, fraudulent use of sick leave, or falsification of sick leave records, including a physician's statement, shall be grounds for disciplinary action. Abuse of sick leave can be, but is not limited to things such as attending social functions or participating in recreational activities, working at another place of employment, or seeking other employment while on sick leave. Abuse of sick leave can also be determined by patterned use of sick leave, such as sick leave use immediately before or after regularly scheduled days off.

ARTICLE 18 **SICK LEAVE CONVERSION**

Section 18.1. Retirement: Upon retirement from Township service, a bargaining unit employee shall be eligible to be paid an amount equal to twenty-five percent (25%) of the employee's accumulated but unused sick leave, up to a maximum payment for twenty-five percent (25%) of two thousand eighty (2080) hours, which is equal to five hundred twenty (520) hours paid. If the retiring employee has more than two thousand eighty (2080) hours of sick leave accrued but unused, the employee shall be eligible to receive payment for one-third (1/3) of all hours accrued in excess of two thousand eighty (2080) hours.

Section 18.2. Eligibility: To qualify for sick leave conversion, the employee must be eligible to receive retirement benefits from the Public Employees Retirement System at the time of separation from Township employment and shall have had at least five (5) years of service with the Township.

The phrase, "injury suffered in the direct performance of dispatching duties," is not intended to cover all injuries that may occur while working for the Employer; but only those injuries occurring while the employee is engaged in dispatching duties. An employee who injures his/her back while taking a break, walking into the building, or who suffers an injury while performing routine tasks not directly involving dispatching duties may be eligible for sick leave or workers' compensation, but not for injury leave.

Section 19.2. Injuries Excluded. Injury for purposes of this Article does not include:

The Trustees, at their sole discretion, may grant injury leave for any of the above exclusions.

Section 19.4. Length of Injury Leave. Injury leave shall be available during a period of thirty (30) workdays from the date of the injury. After thirty (30) working days from the date of injury, approved absences due to such injury shall be charged to sick leave. At the sole discretion of the Employer, injury leave may be extended beyond thirty (30) workdays for the employee.

Section 19.5. Examination May be Requested. An employee requesting leave, shall upon request by the Employer, submit to medical or psychological examination(s) by a health care professional selected by the Employer who shall determine the extent of the disability. The cost of the examination shall be paid by the Employer.

Section 19.6. Filing of Workers' Compensation Claim. Granting of injury leave is contingent upon the approval of the claim by the Bureau of Workers' Compensation. At its sole discretion, the Employer may require that an employee who requests injury leave, apply to the BWC for medical benefits only, and not lost work time benefits. If the employee does apply for and receive any benefits for lost work time, the employee shall reimburse the Employer for any injury leave paid to the employee for the same period of time. Employees are prohibited from receiving payment of wages or sick leave from the Employer while simultaneously receiving payment for lost wages for the same period from the BWC.

Section 19.7. Denial of Claim by BWC. In the event the employee's claim is denied by BWC, all time previously paid to the employee shall be deducted from sick leave, or otherwise reimbursed by the employee to the Employer.

Section 19.8. Transitional Work Program. At the sole discretion of the Employer, an injured employee may be required to participate in a transitional work program and to perform those departmental duties the employee is determined by a qualified healthcare professional capable of performing.

Vacation hours become effective following the employee's anniversary date each year, for the purpose of computation of vacation hours.

Section 21.2. Vacation Leave Accrual. Vacation is credited each biweekly pay period at the rates indicated below. Newly hired employees shall be credited with 80 hours of vacation upon completion of their first twenty-six (26) pay periods with the Township and shall begin accruing vacation thereafter at the rate of 3.1 hours per pay period. Upon completion of eight (8), fifteen (15) and twenty (20) years of service, the employee shall be credited with an additional forty (40) hours of vacation and shall begin accruing vacation thereafter at the rate designated below for employees who have completed such corresponding years of service.

A selection shall be made by the employee within seven (7) days after receiving the vacation calendar. Requests for vacations of four (4) or more consecutive days shall receive consideration before requests of less than four (4) days.

Any vacation request submitted after the last day in February shall be granted, subject to the operational needs of the Department, on a first-come, first-serve basis. Such requests must be submitted not less than twenty-four (24) hours in advance except when less notice is approved by the Employer.

Approved vacation requests submitted on or before the last day in February may only be changed with the approval of the Employer and provided the vacation change does not conflict with any other employee's approved vacation.

Vacation time may be taken in not less than one (1) hour increments.

Section 21.5. Vacation Carryover: Vacation leave shall normally be taken within the twelve (12) month period following the employee's anniversary date of employment. The employee may carry over up to five (5) days of vacation into the following anniversary year with the written approval of the Employer. A request to carry over five

Section 25.5. Employer's Right to Enforce: Nothing herein shall be construed in any manner as a limitation on the Employer's right to enforce its work rules, policies or directives.

Section 25.6. When Bargaining is Required: The Employer agrees not to implement any new or amended work rules, policies, procedures, job descriptions or standard operating procedures which violate any express terms of this Agreement and materially affect the wages or hours of bargaining unit employees, without the Union's agreement. Prior to implementing new or changed work rules, policies, procedures, job descriptions, or standard operating procedures that

materially affect the wages or hours of bargaining unit employees, the Employer will notify the Union at least fourteen (14) calendar days in advance of the effective date. If the Union requests to bargain over such a change within that notice period, the Employer and the Union will negotiate in good faith pursuant to Ohio Revised Code Chapter 4117. If the Union does not request to bargain, the Employer may implement the proposed change, but the Union may exercise its negotiating rights regarding such matter in the normal course of bargaining as provided in the Duration article herein for any applicable succeeding Agreement.

Section 25.7. Notice of Change Not Required: Notwithstanding the preceding sections, if the change is not a mandatory topic of bargaining under Ohio Revised Code Chapter

4117, or in any case if the change is necessary due to exigent circumstances or a state or federal directive or regulation, the Employer is not required to bargain over the implementation of the change; however, the Employer may elect to do so, if time permits, without waiving the Employer's rights.

ARTICLE 26 **DRUG / ALCOHOL TESTING**

Section 26.1. Testing May be Conducted: Drug/alcohol testing may be conducted on safety-sensitive employees (post-incident, physical examination, or random). In addition, any probationary employee in a safety-sensitive position may be required as a condition of employment to participate in any unannounced mandatory drug test scheduled during the probationary period. All bargaining unit employees shall be subject to drug or alcohol testing based upon reasonable suspicion.

Bargaining unit employees may of their own volition, even if not ordered to do so, undergo a drug and/or alcohol screening test if they are involved in an on-duty incident or accident involving bodily injury, extensive property damage or death. Testing done under these circumstances will be treated in the same manner as if the employee had been ordered to undergo screening.

In addition, the Employer may randomly test bargaining unit employees in safety-sensitive positions in accordance with its Drug Free Workplace Policy in order to meet the minimum requirements established by the Bureau of Workers' Compensation.

Section 26.2. Drug Screening Tests: All drug screening tests shall be conducted by laboratories certified by the Substance Abuse and Mental Health Services Administration (SAMHSA) or certified by a SAMHSA-recognized certification program. No test shall be considered positive until it has been confirmed by a gas chromatography/mass spectrometry full scan test or equivalent. The procedures utilized by the Employer and testing laboratory shall include an evidentiary chain of custody control. All samples collected shall be contained in two (2) separate containers for use in the prescribed testing procedures. All procedures shall be outlined in writing and this outline shall be followed in all situations arising under this Article.

Section 26.3. Alcohol Testing: Alcohol testing shall be done to detect employees reporting for duty or on duty while under the influence. A positive result of blood alcohol concentration of .03% or above shall entitle the Employer to proceed with sanctions as set forth in this Article.

Section 26.4. Test Results:

- A. The results of the testing shall be delivered to the Employer and the employee tested. An employee whose confirmatory test result is positive shall have the right to request a certified copy of the testing results in which the vendor shall affirm that the test results were obtained using the approved protocol methods. The employee shall provide a signed release for disclosure of the testing results. Refusal to submit to the testing provided for under this Agreement shall be grounds for discipline.
- B. The Employer may suspend the employee without loss of pay before the time the confirmatory test results are complete. If the screening test and confirmatory test are positive, the Employer may discipline the employee. The use of illegal substances, on or off duty, will ordinarily result in termination of employment. The improper use of prescription drugs and/or alcohol may result in a lesser discipline, depending upon the relevant circumstances. Such discipline must be uniform in its application.

Section 26.5. Procedure for Confirmed Positive Test — Split Specimen: The Medical Review Officer (MRO) shall notify each employee who has a confirmed positive test that the employee has seventy-two (72) hours in which to request a test of the split specimen. If the employee requests an analysis of the split specimen within seventy-two (72) hours of having been informed of a verified positive test, the MRO shall direct, in writing, the laboratory to provide the split specimen to another SAMHSA certified laboratory for analysis.

If the employee does not request a test of the split specimen within the authorized time limit or if the analysis of the split specimen confirms the positive results of the original test, the Employer may proceed with the sanctions as set forth in this Article.

If the analysis of the split specimen fails to reconfirm the positive results of the original test or if the split specimen is unavailable, inadequate for testing or untestable, the MRO shall cancel the test and report the cancellation and reasons for it to the Employer and the-employee.

The laboratory shall report as negative all specimens that are negative on the initial test or negative on the confirmatory test. Only specimens confirmed positive shall be reported positive for a specific drug.

Section 26.6. Discipline, Rehabilitation and Detoxification: If the testing required above has produced a positive result indicating use of a non-illegal drug, the Employer may take disciplinary action and/or require the employee to participate in any rehabilitation or detoxification program that is covered by the employee's health insurance. An employee required to participate in a rehabilitation or detoxification program shall be allowed to use sick leave, compensatory time, vacation leave and personal leave for the period of the rehabilitation or detoxification program. If no such leave credits are available, the employee shall be placed on medical leave of absence without pay for the period of the rehabilitation or detoxification program. Upon completion of such program, and upon receiving results from a retest

demonstrating that the employee is no longer abusing a controlled substance, the employee may be returned to the employee's former position. Such employee may be subject to periodic retesting upon return to work for a period of one (1) year. Any employee in a rehabilitation or detoxification program in accordance with this Article will not lose any seniority or benefits, should it be necessary for the employee to be placed on medical leave of absence without pay for a period not to exceed ninety (90) days.

Section 26.7. Failure to Complete Rehabilitation or Detoxification: If the employee refuses to undergo rehabilitation or detoxification, fails to successfully complete the rehabilitation or detoxification program, or tests positive during a retesting within one (1) year after the employee's return to work from such a program, the employee shall be subject to disciplinary action up to and including termination of employment.

Section 26.8. Cost of Testing: Costs of all drug screening tests and confirmatory tests shall be borne by the Employer except that any test initiated at the request of the employee, other than post-incident testing, shall be at the employee's expense.

Section 26.9. Confidentiality: All tests results and actions taken under or pursuant to this Article shall be kept confidential in accordance with and subject to state and federal law.

NO STRIKE / NO LOCKOUT

Section 27.1. Agreement of the Parties: The Employer and the Union recognize that a work stoppage of any kind would create a clear and present danger to the health and safety of the public, and that this Agreement provides machinery for the orderly resolution of grievances. Therefore, the parties agree that:

- B. During the term of this Agreement, the Employer shall not cause, permit or engage in any lockout of the bargaining unit employees unless those employees shall have violated Section 27.1(A) of this Article.

Section 27.2. Union's Responsibilities: In the event of any violation of Section 27.1 of this Article, the Union shall promptly do whatever it can to prevent or stop such unauthorized acts.

Section 27.3. Employer's Remedies: Nothing in this Article shall be construed to limit or abridge the Employer's right to discipline employees or seek other available remedies provided by law to deal with any unauthorized or unlawful strikes or other interruption of services as outlined in Section 27.1 (A) above.

ARTICLE 28

Section 28.1. Meetings May be Requested: In the interest of sound labor/management relations, the Employer and/or designee(s) shall meet with not more than three (3) representatives of the Union, upon the request of either party, on a mutually agreeable date and time, to discuss those topics as outlined below. The meeting shall be scheduled no later than twenty (20) calendar days after such request is submitted.

- C. Discuss grievances which have not been processed beyond the final step of the grievance procedure when such discussions are mutually agreed to by the parties;

Section 29.2. Observance of Safety Rules and Safe Practices: The Union and the Employer agree the observance of safe work practices and Employer safety rules is the duty and responsibility of the Employer and all employees.

Section 29.3. Employee Responsibilities: Employees shall be responsible for using reasonable care and diligence in the care and custody of all vehicles, equipment and supplies provided by the Employer.

Section 29.4. Duty to Report Unsafe Conditions: All working conditions believed to be unsafe must be reported to the Chief Dispatcher or designee as soon as such unsafe working conditions are known. The Employer will investigate all reports of unsafe working conditions and will attempt to correct any which are found, as soon as possible.

ARTICLE 30
FITNESS FOR DUTY

Section 30.1. Testing May be Required: The Employer may require employees to submit to physical (agility) testing or medical and/or psychological examinations to determine the employee's ability to perform the essential functions of the classification to which the employee is assigned. Such testing or examination shall be performed by a professional from the respective field selected by the Employer. The cost of such tests or examinations shall be paid by the Employer. If the employee is found to be unfit for duty, the employee will be temporarily placed on available leave time or a leave of absence without pay until a final determination can be made regarding the employee's ability to perform the essential functions of the employee's classification.

Section 30.2. Disability Review Conference to be Held: A Disability Review Conference will be scheduled within fourteen (14) calendar days with the Employer and/or designee, the employee, and the FOP/OLC Representative, if the employee desires representation, to review the findings from the tests or examinations conducted in accordance with Section 30.1 above. At the conference the employee may present any evidence which the employee believes refutes the findings from the previous test or examination. If the employee has reason to doubt the findings from the previous tests or examinations, the employee may submit the results of a second test or examination conducted by a professional from the respective field selected and paid by the employee. If the results from the second test or examination differ from the first, the Employer and the FOP/OLC shall jointly select a third professional from the respective field to conduct a third test or examination. The cost for the third test or examination shall be paid by the Employer unless the employee is the one who initiated the claim of inability to perform the duties of the employee's position, in which case said cost shall be paid by the employee. The results of the third test or examination shall be final and binding on all parties. The employee shall remain on leave until the Employer can verify that the employee is able to perform the essential functions of the employee's classification or is permanently unable to perform such functions.

Section 30.3. Inability to Perform Essential Functions: If an employee is found, as a result of the procedures outlined herein, to be unable to perform the essential functions of the employee's classification, the Employer may:

The Employer will reimburse an employee in accordance with Township policy for meals, and for mileage if the employee uses his/her own car.

Section 31.2. Requests for Training: In addition to on the job training, dispatchers may request to attend specialized job related training. Such request shall be in writing and shall include a description of the program, an explanation of how the program will improve the dispatcher's knowledge, skills, and/or efficiency, dates and times of the program, and an estimated cost for the program, mileage, meals, motel expense, and employee wages, if applicable. The Trustees will consider each request on a case-by-case basis after reviewing the cost of the program, benefits of the program to the employee and the Township, the impact on the operation of the department, and the availability of funding. The Employer may adjust the dispatcher's normal work schedule to better accommodate the employee's participation in the training program.
