PREAMBLE

Section 1. This Agreement, entered into by the City of Waterville, hereinafter referred to as the "Employer," and the International Brotherhood of Teamsters Local No. 20, hereinafter referred to as the "Union," has as its purpose the following:

To comply with the requirements of Chapter 4117 of the Ohio Revised Code; and to set forth the full and complete agreements and understandings between the parties governing the wages, hours and terms and conditions of employment for those employees included in the bargaining unit as defined in Article 2 herein below.

ARTICLE 2
RECOGNITION

Section 2.1. The Employer recognizes the Union as the sole and exclusive representative for those employees included in the bargaining unit as established by the State Employment Relations Board in Case No. 2012-REP-01-0010. Wherever used in this Agreement, the term "Bargaining Unit" shall include those individuals employed by the Employer as permanent, full-time, non-probationary employees in the classification of Public Works Technician.

Section 2.2. Positions excluded from the above described bargaining unit shall include all employees of the City of Waterville not classified as Public Works Technicians, including, but not limited to "all office and professional personnel and all supervisory personnel" as excluded by the State Employment Relations Board (SERB) in Case No. 2012-REP-01-0010.

ARTICLE 3
UNION DUES AND FAIR SHARE FEES

Section 3.1. In recognition of the Union's service to the Bargaining Unit and to promote harmonious and stable relationships between the Bargaining Unit and the Employer, employees within the Bargaining Unit shall, within thirty (30) days of this Agreement, or completion of their probationary period, whichever is later, either become members of Teamsters Local 20 or share in the financial support of Teamsters Local 20 by paying to Local 20 a service fee not to exceed the amount of dues uniformly required by members of Local 20.

Section 3.2. The Employer will deduct any unpaid Union dues, initiation fees and equal assessments owed to the Union, as well as current Union dues, initiation fees, service charges and equal assessments from the paychecks of employees working in classifications included in the recognition clause herein. Such deductions shall be made from the first paycheck of the month for which current dues and any initiation fees or service charges are due the Union. In the case of dues and assessments by members of the Union, the deduction shall be made upon receipt of authorization to do so upon the form attached to this agreement as Appendix A. The Employer further agrees to remit to the Secretary-Treasurer of the Union, dues, initiation fees, service

charges, and uniform assessments so deducted from the paychecks of the employees covered herein.

Section 3.3. The Union will establish a rebate program for fees deducted from non-members of the Union in accordance with Ohio Revised Code 4117.09.

Section 3.4. The Union shall indemnify and hold the Employer harmless against any claims and liability that may arise out of, or by reason of, any actions taken by the Employer for the purpose of complying with the provisions of this Article. In the event that the Employer is held responsible for the repayment of monies paid to Local 20 pursuant to this section, Local 20, to the extent of those funds actually received, shall reimburse same to the Employer and/or the designated employees involved.

ARTICLE 4

UNION REPRESENTATION

Section 4.1. The parties recognize that it may be necessary for an employee representative of the Union to leave a normal work assignment while acting in the capacity of representative. The Union recognizes the operational needs of the Employer and will cooperate to keep to a minimum the time lost from work by representatives. Before leaving an assignment pursuant to this Section, the representative must obtain approval from the Public Works Director or his designee. The Employer will compensate a representative at the normal rate for time spent in the good faith processing of grievances, and at any meetings at which the Employer requests a representative to be present.

Section 4.2. The Union shall provide the Employer an official roster of its local officers, assigned Union representative and Union President. Such roster should be kept current at all times by the Union and shall include the following:

Section 4.4. The Union will be allowed one bulletin board for official Union notices. The bulletin board will be located in a mutually agreed upon location for use by the Union.

Section 4.5. Union notices shall include, but not be specifically limited to, the following items, which may be posted without the necessity of receiving the Employer's prior approval:

- a. Union recreational and social affairs;
- b. Notice of meetings;
- c. Union appointments;
- d. Notice of Union elections;
- e. Results of Union elections;
- f. Non-political Union reports and decisions.

All other notices or materials not covered above must receive prior approval of the Director of Public Works or his designee. It is also understood that no other postings on the Union bulletin board shall be permitted at any time, which contain the following:

- a. Personal attacks upon any other member or any other employee;
- b. Scandalous, scurrilous, or derogatory materials of any kind;

Section 4.6. Any posted material found in violation of Section 4.5 above will be removed when brought to the attention of the Union Representative or President.

ARTICLE 5 **NONDISCRIMINATION**

Section 5.1. Neither the Employer nor the Union shall discriminate against any bargaining unit employee on the basis of age, sex, race, color, creed, national origin, military status, disability, Union membership, or abstaining from Union membership.

Section 5.2. Except as specifically provided elsewhere in this Agreement, all references to employees in this Agreement designate both sexes, and wherever the male gender is used, it shall be construed to include male and female employees.

ARTICLE 6 **MANAGEMENT RIGHTS**

Section 6.1. The Union recognizes the right and authority of the Employer, through the Public Works Director and/or their designee(s) to administer the business of the City of Waterville, and, in addition to other functions and responsibilities which are required by law, the Union recognizes that the Employer, Public Works Department and/or its designee(s), has and will retain the full right and responsibility to direct the operations of the Public Works Department, to promulgate rules and regulations, and to otherwise exercise the prerogatives of management, which more particularly include, but are not limited to, the following:

- E. To determine the size, composition and duties of the work force and the organizational structure, the number of shifts required, to establish work schedules, to establish hours of work, to establish, modify, consolidate or abolish jobs, positions or classifications, and to determine staffing patterns, including but not limited to, the assignment of employees, duties to be performed, qualifications required and areas worked;

Section 6.2. The Union recognizes and accepts that all rights and responsibilities of the Employer not expressly restricted or modified herein, and as permitted by law shall remain the exclusive function of the Employer, and that nothing herein shall be construed to restrict the Employer's inherent and exclusive rights with respect to matters of general managerial policy.

ARTICLE 7
WORK RULES

Section 7.1. The Union recognizes that the Employer, in order to carry out its statutory mandates and goals, has the right to promulgate work rules, regulations, policies, and procedures consistent with the Employer's statutory authority to regulate the personal conduct of employees and the conduct of the Employer's operations, services, programs, and business.

Section 7.2. It is the Employer's intention that work rules, policies, and directives should be interpreted and applied uniformly to all employees under similar circumstances. Work rules adopted by the Employer that violate the express terms of this Agreement shall be appealable through the grievance procedure contained elsewhere herein.

Section 7.3. The posting of work rules in the Employer's read and sign book shall constitute notice to all employees. The Employer shall also give notice of new work rules and work rules changes to the Union not later than thirty (30) days prior to the effective date and time thereof. Directives and expectations shall not constitute work rules which consist solely of general departmental work rules.

This shall not apply to general orders of the Department Head.

Section 7.4. Each newly hired employee covered by this Agreement will be informed of the posting of the Employer's work rules and the means of accessing same.

ARTICLE 8
NO STRIKE/NO LOCKOUT

Section 8.1. The Employer agrees not to institute a lockout of employees during the term of this Agreement. The members of the bargaining unit will not engage in any strike during the term of this agreement.

ARTICLE 9
CORRECTIVE ACTION/EMPLOYEE RIGHTS

Section 9.1. No employee shall be suspended, discharged, subjected to working suspension or otherwise disciplined except for just cause.

Section 9.2. Except in instances where the employee is found guilty of serious misconduct, discipline will be applied in a corrective, progressive, and uniform manner in accordance with the Employer's policy.

Examples of serious misconduct include, but are not limited to, criminal behavior, insubordination, dishonesty, and immoral conduct.

Progressive discipline shall take into account the nature of the violation, the employee's record of discipline, and the employee's record of performance and conduct.

Section 9.3. Any employee who, as a result of the action of any court, loses his or her ability to drive a vehicle may be charged with serious misconduct and discharged without progressive discipline.

Section 9.4. Whenever the Employer determines that an employee's conduct may warrant a suspension with or without pay, or termination, a predisciplinary conference will be scheduled to give the employee an opportunity to offer an explanation of the alleged misconduct. An employee may be represented at such predisciplinary conference by a Union representative.

Section 9.5. Records of verbal warnings and written reprimands that are maintained in the employee's personnel file shall include a copy to the employee at the time the warning or reprimand is included in the employee's personnel file.

Section 9.6. Upon appropriate request to the Employer an employee may inspect his personnel file subject to the following:

- A. Every employee shall be allowed to review his personnel file at any reasonable time upon written request made in advance. An employee may also authorize the Union Representative to review the personnel file. Any request to review a personnel file shall be made in writing to the City in advance and review of the file shall be made at any reasonable time in the presence of the City's designated representative. Personnel files shall not be made available for review by anyone except as provided by law.
- B. Copies of nonconfidential materials in an employee's personnel file shall be provided the employee upon written request. The employee shall bear the cost of duplication.
- C. Preemployment information such as reference checks, or information provided to the Employer with the requirement that it remain confidential, shall not be subject to inspection or copying.
- D. All items with regard to complaints and investigations will be clearly marked with respect to final disposition.
- E. Records of disciplinary action shall be removed from the employee's personnel file in accordance with the following: (A) Records of reprimands shall be removed from the record after one (1) year from the date of such reprimand, provided there has been no intervening disciplinary action of a like or similar nature taken against the employee during said one (1) year period; (B) Records of suspension shall be removed from the record, after two (2) years from the date of such suspension provided there has been no intervening disciplinary action of a like or similar nature taken against the employee during said two (2) year period.

No such discipline removed from the employee's personnel file shall be used to support further discipline of a progressive nature but shall be retained to record

the facts of the prior discipline and to support "last straw" discharge determinations.

Section 9.7. This article shall not be applicable to investigations involving alleged criminal violations by employees. If an employee is a suspect of criminal investigation he shall be afforded the same constitutional rights to which any other individual is entitled.

Section 9.8. In lieu of disciplinary action, an employee may receive a counseling statement directed to correct a work deficiency or to improve work performance. Counseling is not disciplinary action. Records of a counseling shall not be retained in the employee's personnel file for more than one (1) year from the date of issuance.

Reprimands may be appealed to Steps 1 through 2 of the grievance procedure only. No such grievances may be appealed to arbitration.

Section 9.9. Whenever the Employer or his designee(s) interviews, questions, or interrogates bargaining unit members in reference to alleged or suspected misconduct, either in preliminary investigations or in predisciplinary conferences, the following conditions shall apply:

- A. Employees being questioned as witnesses shall be so informed and advised of their rights before any questioning.
- B. When an employee who is suspected of misconduct is interviewed, questioned, or interrogated regarding such misconduct, he shall be apprised of the nature of the suspected misconduct as it is known at that time and his right to have a Union representative present to advise him during the questioning.
- C. Prior to questioning, employees (including witnesses) shall be informed that failure to respond or failure to respond truthfully may result in disciplinary action for insubordination or dishonesty.
- D. The employee, Union Counsel, or the Union shall be provided opportunity to inspect all written statements that pertain to the investigation at the time the employee is charged. All other materials that pertain to the investigation, e.g. video or audio recordings, shall be made available for inspection and/or review by the employee, Union Counsel, or the Union upon request, during regular business hours.
- E. When a single anonymous complaint is made against an employee, the Public Works Director may provide advice and discuss the complaint with the employee. In the event there is corroborative evidence, the accused employee shall be required to make a report or statement and may be the subject of disciplinary action. If, in any event of a grievance from discipline, the employer relies upon the previously anonymous complaint, the employee's due process right of confrontation and cross examination of the complaint will be protected.

ARTICLE 10
GRIEVANCE PROCEDURE

Section 10.1. Every employee shall have the right to present his or her grievance in accordance with the procedures provided herein, free from any interference, coercion, restraint, discrimination or reprisal and shall have the right to be represented by the Union at all stages of the grievance procedure. It is the intent and purpose of the parties to this Agreement shall all grievances shall be settled, if possible, at the lowest step of this procedure.

Section 10.2. For the purposes of this procedure, the below listed terms are defined as follows:

- A. Grievance – the term “grievance” means an allegation by a non-probationary bargaining unit employee that there has been a breach, misinterpretation, or improper application of this Agreement.
- B. Grievant – the term “grievant” includes any employee, group of employees within the bargaining unit of the Union. Where a group of the bargaining unit employees desire to file a grievance involving a situation affecting more than one (1) employee of the bargaining unit in a similar manner, one (1) employee selected by such group will process the grievance, at least one (1) affected employee must sign the grievance, but the grievance must identify each individual to be included in the grievance.
- C. Days – the terms “days” as used in this procedure means calendar days, excluding Saturdays, Sundays, or holidays as defined in this Agreement.

Section 10.3. All grievances must be processed at the proper step in the progression in order to be considered at any subsequent step. The following procedures shall apply to the administration of all grievances filed under this procedure:

- A. The written grievance shall be submitted in writing, and shall contain the following information:
 - (1) Aggrieved employee’s name and signature;
 - (2) Aggrieved employee’s classification;
 - (3) The date grievance was first discussed and the name of supervisor with whom the grievance was discussed;
 - (4) The date the grievance was filed in writing;
 - (5) Specific sections of articles of the Agreement violated; and
 - (6) The desired remedy to resolve the grievance; and, where necessary to the understanding of the grievance:

- (7) The date and time of the incident giving rise to the grievance;
 - (8) The location where the incident giving rise to the grievance occurred;
 - (9) A description of the incident giving rise to the grievance.
- B. All decisions shall be rendered in writing at each step of the grievance procedure. Each decision shall be transmitted to the grievant and his or her representative, if any.
 - C. The grievant may choose a union representative to represent him or her at any step of the grievance procedure.
 - D. The existence of this grievance procedure shall not require any employee to pursue the remedies herein provided and shall not impair or limit the right of any employee to pursue any other remedies available under law, except that any employee who pursues any other available remedy other than provided by this procedure shall automatically have waived and forfeited any remedies provided by this procedure.
 - E. This procedure shall not be used for the purpose of adding to, subtracting from or altering in any way the provisions of this Agreement.

Section 10.4. It is the mutual desire of the Employer and the Union to provide for prompt adjustment of grievances with a minimum amount of interruption of the work schedules. Every responsible effort shall be made by the Employer and the Union to affect the resolution of grievances at the earliest step possible. In furtherance of this objective, the following procedure shall be followed:

Step 1: An employee who believes he or she may have a grievance shall reduce the grievance to writing and present it to the Public Works Director within five (5) days of the occurrence of the event or the employee's knowledge of the occurrence of the event, whichever is later. The Public Works Director shall give his or her written decision within five (5) days following his or her receipt of the grievance.

Step 2: If the grievant is not satisfied with the written decision at the conclusion of Step 1, a written appeal of the decision may be filed with the City Administrator within five (5) days from the date of the rendering of the decision at Step 1. Copies of the written decisions may be submitted with this appeal. The City Administrator shall convene a hearing within ten (10) days of the receipt of the appeal. The hearing will be held with the grievant, his or her Union representative, and the other party necessary to provide the required information for the rendering of a proper decision. The City Administrator shall issue a written decision to the employee and his or her Union representative within fifteen (15) days from the date of the hearing. If the grievant is not satisfied with the decision at

Step 2, he or she may proceed to arbitration pursuant to the arbitration procedure herein contained.

Step 3: If the Union disagrees with the decision rendered at Step 2, it may request to submit the grievance to arbitration in accordance with the timeframes and procedures set forth in Article 11.

The parties recognize the benefits of having grievances resolved at the earliest opportunity. In recognition of this, employees are encouraged to bring grievances to the attention of their immediate supervisor at the earliest opportunity in an effort to resolve the grievance. This informal discussion with a supervisor does not waive or extend any of the time limits set forth above.

Section 10.5. The time limitations provided for in this Article may be extended by mutual written agreement between the Employer and the Union.

ARTICLE 11 **ARBITRATION**

Section 11.1. Upon mutual agreement of the parties, the arbitration process may be postponed to allow the grievance to be submitted to grievance mediation with the Federal Mediation and Conciliation Service (FMCS). If the parties agree to engage in grievance mediation, a joint request shall be made to FMCS to obtain the services of a federal mediator to mediate said grievance.

Section 11.2. In the event a grievance remains unresolved after being processed through all steps of the grievance procedure unless mutually waived, the Employer and Union agree that such grievances involving interpretation or application of the Collective Bargaining Agreement, may, through the Union, be submitted to grievance arbitration. The Union must make written notification to the Employer for arbitration within ten (10) days of the written answer from the Employer at Step 2. Any grievance not submitted within such time period shall be deemed settled on the basis of the last answer given by the Employer. Within ten (10) days following such written notification to the employer for arbitration, the parties may meet to attempt to mutually agree upon an arbitrator. If such agreement is not reached, either party shall request a list of seven (7) arbitrators from the Federal Mediation and Conciliation Service. It is agreed that in the request to FMCS, the list will be comprised of "National Academy" arbitrators whose principal place of business is within 150 miles of the City. Upon receipt of the list of seven (7) arbitrators the parties shall, within ten (10) days, select the arbitrator via the alternate strike method. The first to strike shall be rotated. Either party shall have the option to completely reject the list of names provided by the FMCS and request another list.

Section 11.3. All procedures relative to the hearing shall be in accordance with the rules and regulations of the FMCS. The arbitrator shall hold the arbitration hearing promptly and issue a decision within a reasonable time thereafter. The arbitrator shall limit his decision strictly to the interpretation, application or enforcement of the agreement which are in question and shall have no power or authority to add to, subtract from or in any manner alter or modify the specific terms

of the agreement or to make any award requiring the commission of any act prohibited by law or to make any award that itself is contrary to law or violates or otherwise infringes upon any of the terms and conditions of the agreement. The arbitrator shall not establish any new or different wage rates not specifically negotiated as part of the agreement.

Section 11.4. The first question to be placed before the arbitrator will be whether or not the alleged grievance is arbitrable. Should the arbitrator determine the grievance is within the purview of arbitrability, the alleged grievance will be heard on its merits before the arbitrator. Nothing in this section shall preclude the arbitrator from choosing to hear the arbitrability argument and the arguments on the merits of the grievance in the same proceeding.

Section 11.5. The fees and expenses of the arbitrator shall be shared equally by the parties. In the event of a "split" decision by the arbitrator, the parties shall share equally in such costs. All other expenses shall be borne by the party incurring them. The costs of a court reporter shall be borne by the party requesting the court reporter's services; however, if the other party orders a transcript, the parties shall share equally in the cost of the transcript. Neither party shall be responsible for any of the expenses incurred by the other party. The decision of the arbitrator shall be final and binding upon the parties.

Section 11.6. Any employee whose attendance is required for such hearing shall not lose pay or benefits to the extent such hearing is conducted during the employee's normally scheduled working hours.

ARTICLE 12

WAIVER IN EMERGENCY

Section 12.1. In cases of emergency declared by the President of the United States, the Governor of the State of Ohio, the Emergency Management Agency or the Federal or State legislature, such as acts of God, civil disaster or civil disorder, the following conditions of this Agreement may be temporarily suspended by the Employer:

- A. Time limits for the processing of grievances; and
- B. Agreements relating to the assignment of employees.

Section 12.2. Upon the termination of the emergency, grievances filed prior to the emergency shall be processed in accordance with the provisions outlined in the grievance procedure of this Agreement from the point in the grievance procedure to which the grievance(s) had properly progressed prior to the emergency.

illegal drugs or improper use of alcohol; or (3) randomly in common with all other employees of the Employer who hold commercial drivers' licenses to the extent required by law and for the Employer to receive the maximum premium discounts available to it under the State of Ohio Bureau of Workers' Compensation Drug Free Workplace Program. Drug screening/testing shall be conducted solely for administrative purposes and the results obtained shall not be used in any criminal proceedings. Under no circumstances may the results of drug screening or testing be released to third party. Any employee refusing to submit to the drug test or refusing to sign the drug test release and authorization will be subject to the disciplinary process of this Agreement.

Section 13.2. Alcohol testing shall be done to detect drivers operating a motor vehicle under the influence. A positive result of .04 shall be cause for the Employer to proceed with sanctions as set forth in this Article.

Section 13.3. All drug screening tests shall be conducted by medical laboratories certified by the Department of Health and Human Services (DHHS) or certified by DHHS recognized certification program. Testing shall be conducted in a manner to ensure that an employee's legal drug use does not affect the drug test results. The procedures utilized by the Employer and testing laboratory shall include an evidentiary chain of custody control. All samples collected shall be collected utilizing the split sample method of collection, following prescribed testing procedures.

C. In the event the split sample test confirms the results of the first test, the Employer may proceed with the sanctions as set forth in this Article.

D. In the event that the split sample test contradicts the result of the first test, the split sample result is determined to be the final result. The results of this test, if positive, shall allow the Employer to proceed with sanctions as set forth in this Article. If the results are negative, the employee shall be given the benefit of the doubt and no sanctions shall be imposed, and the employee will be reimbursed for the cost of the split sample test.

Section 13.5. Selection of employees for random testing shall be made on an anonymous basis by the testing laboratory utilized by the Employer using Employee identification numbers only. Random testing shall be administered at the Employer's expense and during the work hours of any selected Employee.

Section 13.6. If a positive result is produced after the required testing, the Employer shall conduct an internal investigation to determine if facts exist to support the conclusion that the employee knowingly used an illegal controlled substance. Upon the conclusion of such investigation, an employee who has tested positive for the presence of illegal drugs pursuant to this Section shall be referred to an employee assistance program or detoxification program as determined by appropriate medical personnel on drug and alcohol counseling. An employee who participates in a rehabilitation or detoxification program shall be allowed to use sick leave, vacation leave or any other paid leave for the period of the rehabilitation or detoxification program. If no such paid leave is available, such employee shall be placed on a medical leave of absence without pay for the period of the rehabilitation or detoxification program. Upon completion of such program and upon receiving satisfactory results from a retest demonstrating that the employee is no longer abusing a controlled substance, the employee may be returned to the employee's former position. Such employee may be subject to periodic retesting upon the employee's return to work as provided for in Section 13.9. Any employee in a rehabilitation or detoxification program in accordance with this Article will not lose any seniority or benefits.

Section 13.7. If the employee refuses to undergo rehabilitation or detoxification, or if the employee tests positive during a retesting within one (1) year after the employee's return to work from such a program, the employee shall be subject to disciplinary action. The employee and the Union shall be given a copy of the laboratory report of all specimens before any discipline is imposed.

Section 13.8. The costs of all drug screening tests and confirmative tests shall be borne by the Employer; except that any test initiated at the request of the employee, the cost of such test shall be at the employee's expense.

Section 13.9. The Employer may conduct four (4) tests of an employee during the one (1) year period after the employee has completed a rehabilitation/detoxification program as provided in this Article.

Section 13.10. The provisions of this Article shall not require Employer to offer a rehabilitation/detoxification program to any employee more than once.

Section 13.11. Duty Assignment After Treatment. Once an employee successfully completes rehabilitation, they shall be returned to their regular duty assignment.

Section 13.12. Right of Appeal. The employee has the right to challenge any discipline imposed in the same manner that any other Employer action under the terms of this Agreement is grievable.

Section 13.13. Changes in Testing Procedures. The parties recognize that during the life of this Agreement, there may be improvements in the technology of testing procedure which provide more accurate testing. In that event, the parties will bargain to amend this procedure to include such improvements.

Section 13.14. Conflict With Other Laws. This article is in no way intended to supersede or waive any constitutional or other rights that the employee or the Employer may be entitled to under federal, state, or local statutes.

Where more than one (1) employee has been appointed on the same date, such seniority shall be in accordance with the oldest employee deemed the most senior.

So long as (s)he has not lost seniority under section 16.5, the previously accumulated bargaining unit seniority will be restored if (s)he resumes employment in the bargaining unit.

ARTICLE 20
HOURS OF WORK AND OVERTIME

Section 20.1. This Article is intended to define the normal hours of work in effect at the time of execution of this Agreement. Nothing contained herein shall be construed as preventing the Employer from restructuring the normal workday or workweek for the purpose of promoting efficiency or improving services and for the purpose of responding to emergency situations. This Article is intended to be used as the basis for computing overtime and shall not be construed as a guarantee of work per day or per week.

Section 20.2. The normal work day for full-time employees covered by the terms of this Agreement shall be eight (8) hours, but exclusive of a daily one-half (½) hour unpaid lunch period. The normal work week for full-time employees shall be five (5) days, Monday through Friday. Changes in the normal work schedule for some or all employees may be made with reasonable notice to the employee(s).

Section 20.3. When an employee is required to work in excess of eight (8) hours in a day, or in excess of forty (40) hours in a week, the employee shall be paid overtime for such additional hours at the rate of one and one-half (1½) times the employee's regular hourly rate of pay. There shall be no pyramiding of overtime pay under this section.

Section 20.4. For purposes of determining an employee's eligibility for overtime, all hours in active pay status by the employee will be included. "Active pay status" includes actual hours worked, paid sick leave, paid injury leave, funeral leave, vacation, and unworked holidays. Other absences from work, paid or unpaid, shall not be considered "active pay status." There shall be no pyramiding of overtime compensation and/or premium pay.

The election shall be in writing and must be made immediately following the end of the work week in which the overtime is worked. Each overtime hour worked shall be equal to one and one-half (1½) hours of compensatory time. An employee shall be able to accrue a maximum of sixty (60) hours of compensatory time. When an employee is at the maximum accumulation limit for compensatory time all overtime worked shall be paid. Compensatory time shall be granted at a time convenient to the employee and the Employer, which does not create additional overtime unless otherwise approved by the Employer. The employee must submit a written request for compensatory time off and receive approval from the Employer prior to taking compensatory time off. Such request shall not be unreasonably denied. In the event the prohibition of allowing compensatory time to be used if overtime would have to be paid to an employee is determined to be unenforceable by a court of competent jurisdiction in a suit brought by the Union, the parties will re-open this Agreement with respect to compensatory time only. Prior requests for vacation time will take priority over requests to use compensatory time off at the same time. Increases from current staffing levels shall proportionately increase the number of employees who may be permitted to utilize vacation and/or compensatory time off. The Public Works Director or his designee(s) shall grant or deny the employee's request for compensatory time off within two (2) working days of its submission by the requesting employee.

Section 21.2. Compensatory time off may be used in increments of not less than one (1) hour. ARTICLE 32 **VACATIONS**

Section 32.1. Accrual: Full-time employees accrue paid vacation leave according to the following schedule:

- a. During the first year of full-time service through the end of seven (7) years of full-time service completed: 0.0388 hours of paid vacation leave earned for each hour in active pay status. Maximum accumulation per year = 80 hours (10 days vacation, 2 weeks).

- b. At the beginning of eight (8) years of full-time service through the end of 14 years of full-time service completed: 0.0575 hours of paid vacation leave earned for each hour in active pay status. Maximum accumulation per year = 120 hours (15 days vacation, 3 weeks).
- c. At the beginning of 15 years of full-time service through the end of 21 years of full-time service: 0.0775 hours of paid vacation leave earned for each hour in active pay status. Maximum accumulation per year = 160 hours (20 days vacation, 4 weeks).
- d. At the beginning of 22 years of full-time service: 0.0962 hours of paid vacation leave earned for each hour in active pay status. Maximum accumulation per year = 200 hours (25 days vacation, 5 weeks).

Vacation leave is credited each biweekly pay period for all hours in active pay status, except overtime hours worked, which hours shall not be counted for vacation accrual purposes. Vacation is not earned while an employee is in non-paid status (i.e., leave of absences without pay, disciplinary suspensions, etc.) Vacation accruals are based on the employee's number of years of full-time service with the employer and any state or political subdivision in the State of Ohio.

Section 32.2. Scheduling and Approval:

Vacation scheduling is subject to the approval of the Public Works Director and is based on the operational needs of the departments. Each department head shall be responsible for establishing an annual vacation schedule for department employees. Written approval for vacation leave must be obtained from the Public Works Director prior to the beginning of the leave period.

Vacation leave is to be taken in minimum units of one-quarter (1/4) hour and must be requested on the Absence Request and Report Form.

The Public Works Director or designee may either approve or disapprove the request. An attempt will then be made to reschedule the employee's vacation at a time mutually agreeable to both the employee and the department head. The date of employment shall be the basis for determining vacation preference.

Section 32.3. All vacation leave must be taken during the anniversary year following the anniversary year in which it was accrued, except an employee may carry over up to 40 hours of accumulated vacation leave into the next anniversary year. Effective December 31, 2008, all excess leave was eliminated from the employee's leave balance.

An employee who has more than ten (10) years of service and who accrues more than 80 hours vacation leave may elect to request pay once per anniversary year for all leave accrued over 80 hours. Approval of the request shall be at the discretion of the Municipal Administrator. Eighty hours shall be the maximum pay out per anniversary year.

Section 32.4. Vacation requests will be scheduled with the approval of the Employer in accordance with operating requirements.

ARTICLE 35 **GROUP INSURANCE**

The Employer and the employee shall each pay fifty percent (50%) of the premium during any extension of coverage under paragraph 3 of Appendix C after exhaustion of active pay status. These premium shares shall also apply to any Employer contribution increases described in paragraph 2 of Appendix C. Employees may pay their portion of premium by means of a pre-tax payroll deduction through a plan to be adopted by the Employer no later than six (6) months after this Agreement is signed.

APPENDIX B

FAMILY AND MEDICAL LEAVE

Under the federal Family and Medical Leave Act of 1993 (FMLA), eligible employees are entitled to up to 12 weeks unpaid leave in a 12-month period with health insurance maintained under the same terms and conditions as if the employee were working, and with the right to return to the same, or a substantially equivalent, position. The 12-month period is a rolling 12-month period measured backward from the date the employee uses any FMLA leave.

Eligibility

To be eligible for FMLA leave, the employee must meet the eligibility requirements of the Act including:

- a. Having worked for the City for at least 12 months; and
- b. Having actually worked at least 1,250 hours for the City during the 12 months prior to the leave.

Reasons for Leave

Eligible employees may take Family and Medical Leave:

- a. For the birth of the employee's child;
- b. For the placement of a child with the employee for adoption or foster care;
- c. To care for the employee's spouse, child or parent suffering from a serious health condition;
- d. Due to the employee's own serious health condition; or
- e. To address a qualifying exigency arising out of the fact that the employee's spouse, parent, or child is on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces.

An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service-member may take a total of 26 workweeks of FMLA leave during a 12-month period to care for the service-member. The leave described in this paragraph is only available during a single 12-month period.

If the employee and the employee's spouse both work for the City, they are together entitled to only 12 weeks leave in a 12 month period to care for a newly arrived child or parent with a serious health condition.

Intermittent Leave

Employees may take FMLA leave on an intermittent basis or by reducing the number of hours worked if leave is taken because of the employee's serious health condition or to care for a family member with a serious health condition.

Concurrent Use of Other Leave

Employees taking FMLA leave will be required to use any accumulated vacation, paid sick leave, and compensatory time balances concurrently with FMLA leave before taking unpaid FMLA leave.

Leaves of absence for an employee's own serious health condition (including pregnancy) will be granted under the provisions of the City's medical leave of absence policy, including the requirement for medical certification of the need for leave. Leaves granted to employees under that policy will count against an eligible employee's FMLA entitlement.

Medical Certification

To be eligible for FMLA leave to care for a spouse, child or parent with a serious health condition, an employee must provide a certificate from the patient's health care provider setting forth the date on which the serious health condition began, the probable duration of the condition, appropriate medical facts concerning the condition, a statement that the employee is needed to care for the spouse, child or parent or child, and an estimate of the time required. Copies of the certification form are available from the Municipal Administrator. If intermittent leave is medically necessary, the certificate will also show the dates and duration of the treatment to be given.

The City may require a second opinion from an examining health care provider of its own choosing if it has reason to doubt the validity of a medical certification. If the opinions of the health care provider who issued the certificate and the health care provider selected by the City conflict, the City and employee will select a third examining health care provider whose opinion will be binding upon the City and the employee. The employee and members of the employee's family must give timely cooperation with the City's examining health care provider and the third examining health care provider. The City will pay for examinations by the City's health care provider and any third health care provider. The employee must provide recertification of the need for continued leave every 30 days.

Notice

An employee must give 30 days advance notice of a request for leave for birth, adoption or placement of a child or for planned medical treatment for a serious health condition of the employee or a covered family member. If such advance notice is not possible due to unforeseeable circumstances, the employee must give such notice as is practicable. The employee will make every effort to schedule planned medical treatment for himself/herself, spouse, parent or child so as not to disrupt the City's operations.

Insurance

Health insurance coverage will continue during an employee's FMLA leave on the same terms and conditions as if the employee were working, as long as the employee pays the employee's portion of the premium each month.

Return to Active Status

Upon completion of FMLA leave for the employee's own health condition, the City may require the employee to provide a certification of fitness to return to work. After FMLA leave, most employees are entitled to return to their same job or an equivalent position with equivalent pay, benefits and other terms of employment. The use of FMLA leave will not result in the loss of any employment benefit that accrued prior to the start of an FMLA leave, however, no benefits other than health care benefits will continue to accrue during FMLA leave. The City may recover the costs of premiums paid to maintain an employee's health insurance, or other types of insurance, if the employee fails to return to work from FMLA leave.

2. Any increases in the amount of Health and Welfare contributions to be paid during the term of this Agreement, due to a rise in health costs or otherwise, which does not increase the amount of Health and Welfare coverage for the employees, shall be paid for by the Employer.
