## PREAMBLE

### ARTICLE 1

Section 1.1. This Agreement is hereby entered into by and between the City of Broadview Heights, hereinafter referred to as the "Employer," and the Fraternal Order of Police, Parma Lodge #15, Sergeants and Lieutenants Unit, hereinafter referred to as the "F.O.P."

## PURPOSE AND INTENT

### ARTICLE 2

Section 2.1. In an effort to continue harmonious and cooperative relationships with its employees and to insure its orderly and uninterrupted efficient operations, the Employer and the F.O.P. now desires to enter into an agreement reached through collective bargaining which will have for its purposes, among others, the following: 1) To recognize the legitimate interests of the employees of the Employer to participate through collective bargaining in the determination of the terms and conditions of their employment; 2) To promote fair and reasonable working conditions; 3) To promote individual efficiency and service to the Employer; 4) To avoid interruption or interference with the efficient operation of the Employers business; and 5) To provide a basis for the adjustment of matters of mutual interest by means of amicable discussion.

## LODGE RECOGNITION

### ARTICLE 3

Section 3.1. The Employer recognizes the F.O.P. as the sole and exclusive representative for those employees included in the bargaining unit for the purpose of negotiating wages, hours, benefits and conditions of employment. Wherever used in this Agreement, the term "bargaining unit" shall mean the Sergeants and Lieutenants unit consisting of all full-time sworn sergeants and full-time sworn lieutenants, excluding patrolmen, the Chief of Police, and all other non-sworn personnel.

Section 3.2. All positions and classifications not specifically established herein as being included in the bargaining unit shall be excluded from the bargaining unit.

## DUES DEDUCTIONS

### ARTICLE 4

Section 4.1. The Employer agrees to deduct F.O.P. membership dues for the bargaining unit upon the successful completion of their individual field training officer periods.

Section 4.2. The Employer agrees to deduct regular F.O.P. membership dues once each month from the pay of an employee in the bargaining unit eligible for membership upon receiving

authorization signed individually and voluntarily by the employee. The signed payroll deduction form provided by the F.O.P. must be presented to the Employer by the employees.

Upon receipt of the authorization, the Employer will deduct F.O.P. dues from the payroll check for the next pay period in which the authorization was received by the Employer.

Section 4.3. The parties agree that the Employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article, regarding the deduction of F.O.P. dues. The F.O.P. agrees that it will indemnify and hold the Employer harmless from any claims, actions or proceedings by any employee arising from the deductions made by the Employer pursuant to this Article. Once the funds are remitted to the F.O.P., their disposition thereafter shall be the sole and exclusive obligation and responsibility of the F.O.P.

Section 4.4. The Employer shall be relieved from making such individual "check-off" deductions upon an employee's: 1) termination of employment; 2) transfer to another job other than one covered by the bargaining unit; 3) layoff from work; 4) unpaid leave of absence; 5) revocation of the check-off authorization in accordance with the terms of this Agreement and applicable state and federal laws; or 6) resignation by the employee from the F.O.P.

Section 4.5. The Employer shall be obligated to make dues deductions from any employee during the dues month involved provided wages are paid during the deduction period.

Section 4.6. The parties agree that neither the employees nor the F.O.P. shall have a claim against the Employer for errors in the processing of deductions unless a claim is made to the Employer in writing within ninety (90) days after the date such an error occurred. If it is found an error was made, it will be corrected at the next pay period that the F.O.P. dues deduction would normally be made by deducting the proper amount.

Section 4.7. The rate at which dues are to be deducted shall be certified to the Employer Finance Director by the treasurer of the F.O.P. during January of each year. One (1) month advance notice must be given to the Finance Director prior to making any changes in an individual's dues deductions.

Section 4.8. Except as otherwise provided herein, each eligible employee's written authorization for dues deduction shall be honored by the Employer for the duration of this Agreement.

## MANAGEMENT RIGHTS

### **ARTICLE 5**

Section 6.3. The Employer agrees not to interfere with the rights of bargaining unit employees to become members of the F.O.P., and the Employer shall not discriminate, interfere, restrain or coerce any employee because of F.O.P. membership or because of any legal employee activity in an official capacity on behalf of the F.O.P., as long as that activity does not conflict with the terms of this Agreement.

In the event of a violation of the “no-strike” clause, the F.O.P. shall promptly notify all employees in a reasonable manner that the strike, work stoppage or slowdown, or other unlawful interference with normal operations of the Employer is in violation of this Agreement, unlawful and not sanctioned or approved of by the F.O.P. Such representation shall be limited to two (2) per department and one (1) from a shift. The Employer shall be notified in writing of changes of all officers of the Lodge. A copy of the Notice of Discipline form is attached to this Agreement. The Notice Discipline served on the employee shall be accompanied by a written statement that:

1. The employee has a right to object by filing a grievance within five (5) days of the Notice of Discipline and that such grievance shall be heard by the Mayor or his designee in accordance with Step 2 of the Grievance Procedure;

- 1 year for verbal reprimands;
- 2 years for written reprimands; and

## GRIEVANCE PROCEDURE

### ARTICLE 10

Section 10.1. It is mutually understood that the prompt presentation, adjustment and/or answering of grievances is desirable in the interest of sound relations between the employees and the Employer. The prompt and fair disposition of grievances involves important and equal obligations and responsibilities, both joint and independent, on the part of representatives of each

party to protect and preserve the grievance procedure as an orderly means of resolving grievances. Actions by the Employer or the F.O.P. which tend to impair or weaken the Grievance Procedure are improper.

Section 10.2. A grievance is a dispute or a difference between the Employer and the F.O.P., or between the Employer and the employee concerning the interpretation and/or application of and/or compliance with any provision of this Agreement. When any such grievance arises, the following procedure will be observed:

Step 1. An employee who has a grievance must submit it in writing to the Chief within seven (7) calendar days after the occurrence of the events upon which his grievance is based. The grievance shall include the name and position of the grievant, the identity of the provisions of this Agreement involved in the grievance, the time and place where the alleged events or conditions giving rise to the grievance, the identity of the party responsible for causing the said grievance, if known to the grievant; and a general statement of the nature of the grievance and the redress sought by the grievant. The grievance shall be signed and dated by the grievant and/or the F.O.P. representative. The Chief shall give his answer in writing within seven (7) calendar days after receiving the grievance to the grievant or the F.O.P. representative.

Step 2. If the grievance is not satisfactorily settled with the written decision at the conclusion of Step One, a written appeal of the decision may be filed with the Mayor within seven (7) calendar days from the date of the rendering of the decision at Step One. Copies of the written decisions shall be submitted with the appeal. The Mayor or his designee shall meet with the grievant and/or a representative of the F.O.P. within seven (7) calendar days after receipt of the appeal. The Mayor or his designee shall issue a written decision to the employee and his F.O.P. representative within seven (7) calendar days from the date of the meeting.

Step 3. In the event a grievance is unresolved after Step Two, then within ten (10) calendar days after the rendering of the decision at Step Two (Mayor's level), the grievant may submit the grievance to arbitration. Within this ten (10) calendar day period, the parties may mutually select an arbitrator from among the following: 1) Harry Graham; 2) James Mancini; 3) Nels Nelson; 4) Virginia Wallace-Curry; 5) Robert Stein; 6) Dennis Byrne; and 7) Anna Duval-Smith. However, if the parties are unable to agree from among the named arbitrators, then within five (5) calendar days the party wishing to proceed to arbitration shall request a list of arbitrators from the American Arbitration Association. The arbitrator shall be selected from the list using the alternate strike method. The parties shall submit the matter to the American Arbitration Association for administration unless the arbitrator selected by the parties agrees to arbitrate the matter outside the jurisdiction of the American Arbitration Association. The list of the suggested named arbitrators shall be reviewed from time to time and may be amended by mutual agreement.

The arbitrator shall have no power or authority to add to, subtract from, or in any manner, alter the specific terms of this Agreement or to make any award requiring the commission of any

act prohibited by law or to make award that itself is contrary to law or violates any of the terms and conditions of this Agreement.

The hearing or hearings shall be conducted pursuant to the "Rules of Voluntary Arbitration" of the American Arbitration Association.

The fees and expenses of the arbitrator and the cost of the hearing room, if any, will be shared equally by the parties. Neither party shall be responsible for any of the expenses incurred by the other party.

Employees who are reasonably necessary to the resolution of the grievance shall attend the arbitration hearing without the necessity of subpoena and shall be compensated at their regular hourly rate for all hours during which attendance is required by the Employer. Any request made by either party for the attendance of witnesses shall be made in good faith, and at no time shall the number of employees in attendance adversely affect the normal operations of the department.

The parties shall attempt to schedule the arbitration hearing during the grievant's normal working hours. If the arbitration cannot be scheduled during working hours, the grievant shall be permitted to use compensatory time, vacation leave, personal hours or holiday hours for all hours to attend the hearing.

The arbitrator's decision and award will be in writing and delivered within thirty (30) days from the date the record is closed. The decision of the arbitrator shall be final and binding upon the parties.

Section 10.3. The time limits set forth in the Grievance Procedure shall, unless extended by mutual written agreement of the Employer and the .F.O.P., be binding, and any grievances not timely presented, or timely processed thereafter, shall not be considered a grievance under this Agreement. Any grievance not timely processed by the Employer at any of the preceding steps may be immediately referred by the F.O.P. to the next level.

Section 10.4. Calendar days as provided within the Grievance Procedure shall not include Saturdays, Sundays, or Holidays.

Section 10.5. An employee may present grievances and have them adjusted, without the intervention of a representative of the F.O.P., as long as the adjustment, if any, is not inconsistent with the terms of this Agreement.

## SENIORITY

### ARTICLE 11

Section 11.1. Seniority shall be determined by the length of service in rank with the Broadview Heights Police Department since the most recent date of hire. In case of same date of hire, seniority shall be determined by the employee's standing on the Civil Service list.

Section 11.2. After operational consideration, seniority shall be the determining factor in selecting vacation and holiday times off.

Section 11.3. The probationary status of newly hired Patrolmen shall be for a period of one (1) year active duty from the completion of the state mandated Police Academy.

Section 11.4. Full-time employees promoted to the Sergeant's or Lieutenant's classification shall be on a probationary period for six (6) months of active duty from the date of promotion. Removal shall be for just cause and subject to the Grievance Procedure. If during the probationary period the employer determines that such employee shall be removed, he shall be returned to his former classification consistent with the applicable terms of the labor Agreement.

Section 11.5. In the event of a lay-off, members of the bargaining unit will be laid off in accordance with their departmental seniority, or "last hired first laid-off."

Section 11.6. A member of the bargaining unit who is laid off shall be subject to recall from layoff for a period of two (2) years provided that he maintains his current address and telephone number with the Employer.

Section 11.7. A recall from layoff will be in accordance with departmental seniority, or "Last laid off first recalled." In the event full-time employees are laid off and there is a need for part-time employment, such full-time employees on layoff status will be given preference for such part-time employment provided that they have on record with the Employer their current phone number and address and they are available on a forthwith basis. During periods of layoff, the Employer agrees not to recall full-time employees for part-time employment when full-time employment is available.

Section 11.8. Employees failing to respond to recall from layoff within ten (10) calendar days of receipt shall be deemed to have quit without notice provided that they are notified by certified letter with a copy to the designated F.O.P. representative.

Section 11.9. After operational considerations, seniority shall be the determining factor in filling temporary vacancies.

## PROMOTIONS

### **ARTICLE 12**

Section 12.1. When, in the Employer's sole determination, a vacancy or vacancies exist in any of the ranks the Employer shall make such promotional decisions consistent with the following "Rule of Three" procedure: For one (1) vacancy the promotional selection will be made from the three (3) persons standing highest on the Civil Service eligibility list.

- (1) For 2 to 4 vacancies, add 2 to the number of vacancies.

Section 12.3. The Employer shall utilize the Civil Service Rules and Regulations to establish the Civil Service eligibility list.

In addition, each employee shall be reimbursed at the prevailing cost for overnight accommodations. Receipts for meals and/or accommodations must be submitted and approved by the Chief.

Section 14.5. If an employee is permitted or required to use his personal automobile for Employer business, he shall be reimbursed at the prevailing Internal Revenue Service rate. The Chief shall approve all such requests.

### LIABILITY INSURANCE

#### **ARTICLE 15**

Section 15.1. The Employer, when economically feasible and when such insurance is available, shall name each employee as an insured on a law enforcement officer's comprehensive liability insurance policy, with policy limits of \$500,000.00 for each occurrence and an aggregate of \$1 million. In no event will the Employer hold harmless or indemnify any employee for any award of punitive or exemplary damages against such employee when such award is not indemnified by the terms of said policy of liability insurance.

Section 15.2. When liability insurance is not economically feasible or available, the Employer shall provide all coverages available under the liability policy in effect on January 1, 2000, on a self-insured basis during the term of this Agreement.

### HOURS OF WORK/OVERTIME

#### **ARTICLE 16**

Section 16.1. The regular work period for all employees covered by this Agreement will be eighty (80) hours in a fourteen (14) day period. It is expressly understood that the scheduling of employees within such fourteen (14) day period is a management right.

Section 16.2. Overtime pay for employees shall be at the rate of one and one-half (1-1/2) times the employees regular hourly rate for any time employed over and above eight (8) hours in a

single day if an employee's work schedule is based on an eight (8) hour shift, ten (10) hours in a single day if an employee's work schedule is based on a ten (10) hour shift, or twelve (12) hours in a single day if an employee's work schedule is based on a twelve (12) hour shift, depending on the schedule implemented by the City, or eighty (80) hours in a fourteen (14) day period.

Section 16.6. The parties agree that, subject to advance notice, officers who work in the same capacity may voluntarily agree to trade time provided that the trade does not result in any overtime or premium obligation to the City. Said trading time is a convenience to an officer who is confronted with a personal issue which requires his or her attention on a short notice basis. The dollar value of sick pay shall be based on:

- a) Employees annual salary at the time of retirement; and
- b) A work year of 52 weeks and 5 days per week.

For this calculation, paid vacation days and holidays are considered work days. Payment for sick leave on this basis shall be considered to eliminate all sick leave accrued by the employee at that time. Such payment shall be made by the Employer only once for any employee during his lifetime. This section shall only apply to the retirement of full-time municipal employees pursuant to state retirement laws and shall not be deemed applicable to any removal, voluntary or involuntary resignation or any other like termination except at retirement as set forth herein.

Section 17.5. Employees hired after January 1, 1988, at the time of retirement from active full-time service with the Employer, with ten or more years of continuous service with the Employer, shall be paid in cash for 1/3 of the employees accrued but unused sick leave, up to a maximum accrual of 960 hours. The dollar value of sick pay shall be based on:

- a) Employees annual salary at the time of retirement; and
- b) A work year of 52 weeks and 5 days per week.

For this calculation, paid vacation days and holidays are considered work days. Payment for sick leave on this basis shall be considered to eliminate all sick leave credit accrued by the employee at that time. Such payment shall be made by the Employer only once for any employee during his lifetime. This section shall only apply to the retirement of full-time municipal employees pursuant to state retirement laws and shall not be deemed applicable to any removal, voluntary or involuntary resignation or any other like termination except at retirement as set forth herein.

Section 17.6. If an employee is sick in excess of three (3) consecutive days, the Chief may require a certificate from a licensed physician to be filed not later than four (4) days after the commencement of the sickness or disability.

Section 17.7. An employee who is to be absent or sick shall notify his supervisor of such absence and the reason therefore within a reasonable time before the start of his shift each day he is to be absent and maybe required to substantiate such absence on return to work.

Section 17.8. Sick leave shall be granted for the absence from duty because of illness, injury, disease, exposure to contagious disease, or attendance upon members of the immediate family whose illness requires the care of such employee. "Immediate family" shall mean father, mother, sister, brother, wife or husband related either by blood or marriage to the employee. In the case of children only, the employee is eligible for sick leave to care for such child even though the child may not reside with the employee, where the employee has custodial or legal parental rights pursuant to a court decree.

Section 17.9. An employee who, without service interruption, transfers from this Department to another Department of the City shall be allowed to transfer his accumulated sick leave to the new department.

Section 17.10. Employees may convert unused sick leave above and beyond the 960 hours accumulated to time off at the rate of 16 unused sick hours to 8 hours off.

Section 17.11. Employees hired on or after January 1, 1990 shall not be permitted to retain and transfer accumulated sick leave from any public service employment outside the City of Broadview Heights.

## APPENDIX IV

### City Drug and Alcohol Testing

Section 1.     Policy: The parties are concerned about the effects of alcohol abuse and illegal drug use. Such use and abuse adversely affects work quantity and quality, jeopardizes employee health, and can create an unacceptable and dangerous work environment. Further, substance abuse is contrary to our commitment to excellence. Therefore, in order to promote a safe, healthy, and productive work environment the parties agree to implement the following substance abuse procedures.

Section 2.     Procedure: Employees are prohibited from:

1.     Possessing, using, buying, selling, transporting, or transferring illegal drugs while working, while on City property, or while operating City vehicles.
2.     Possessing, consuming, buying, selling, transferring or transporting alcoholic beverages while working, while in City vehicles, unless specifically authorized in advance in writing by management.
3.     Any use of controlled substances, which are defined under the regulations as marijuana, cocaine, opiates, amphetamines, and phencyclidine (PCP).
4.     Reporting for duty or remaining on duty while having an alcohol concentration of 0.04 or greater.
5.     Any use of alcohol that could affect the performance of the employee including use during the eight (8) hours prior to work, or until an employee undergoes a post-accident alcohol test.

Section 3.     Definitions:

1.     “Under the influence” means, with respect to drugs and alcohol, the presence in an employee’s system of any detectable amount of alcohol or drug, or its metabolites, and speech, actions, or an appearance which lead a supervisor to reasonably suspect that the employee’s ability to perform his or her job safely and effectively has been impaired by drugs or alcohol.
2.     The term “drugs” includes marijuana, cocaine, opiates, amphetamines, and phencyclidine (PCP), pursuant to Federal and Ohio law.

Section 4.     Testing Procedure:

1.     The following situations will result in the selection of employees for drug and/or alcohol testing:

- a. Pre-employment. All newly-hired employees and employees promoted or transferred into a safety-sensitive position must complete a drug test with a verified negative result prior to beginning employment or performing any safety-sensitive functions.
- b. Periodic. All affected employees may be drug tested in conjunction with their periodic physical at the City's expense.
- c. Random. All affected employees will be subject to random drug and alcohol testing and must report immediately upon being informed of their random selection.
- d. Reasonable Cause. Any affected employee shall be escorted to a collection site and provide a specimen if, in the opinion of their supervisor(s), there is reasonable cause to suspect the use of drugs or alcohol based on specific, contemporaneous, articulable observations concerning the employee's appearance, behavior, speech, or odors.
- e. Post Accident. Immediately upon a supervisor/management decision that an employee has been involved in an accident while on duty or while acting in his or her capacity as an employee or representative of the City, the employee must submit to a urine collection at a designated collection site to test for the presence of drugs. Such urine test shall be conducted no later than thirty-two (32) hours after the accident. A post-accident alcohol test shall also be administered, generally within two (2) hours, but no later than eight (8) hours after the accident. Tests conducted by authorized federal, state or local law enforcement officials for drugs and/or alcohol may be used in lieu of the City conducting its own testing. An employee shall be subject to testing following an accident involving loss of human life if he/she was performing a safety-sensitive function. An employee involved in a nonfatal accident shall be subject to post-accident testing if he/she received a citation for a moving violation arising out of an accident.
- f. Follow-up Testing. After a previous positive test, the employee will be subject to unscheduled testing as required by the DOT and consist of at least six (6) tests in the first twelve (12) months following the employee's return to duty. Follow-up testing shall not exceed sixty (60) months from the date of the employee's return to duty. Follow-up testing may also be conducted pursuant to the terms of a last chance agreement voluntarily entered into between the City and the employee.
- g. Return to Duty. An employee who tests positive for drugs or alcohol shall not be permitted to return to duty until he/she produces a negative test result and completes any recommended rehabilitation.

2. Employees will be directed to cooperate in urine and alcohol tests under the following circumstances:
  - a. Post accident as described above.
  - b. The appearance, speech, or actions of an employee causes a supervisor to reasonably suspect that the employee's ability to work may be impaired by alcohol or drugs.
  - c. As part of a required physical examination in which the employer will cover the cost of the test.
  - d. The employee tested positive previously and agreed to or is required to participate in follow-up testing.
  - e. The employee is selected at random for drug and/or alcohol testing.
  - f. Prior to returning to work if the employee has previously tested positive.
  - g. The employee is promoted or transferred into a safety-sensitive position from any non-safety sensitive position.
3. Employees who refuse to be tested are subject to discipline up to and including, discharge, depending upon the circumstances and the requirements of applicable law. Each employee shall be paid his/her regular hourly wage for the time involved in taking any drug/alcohol test required by the City.
4. All applicants for employment must submit to pre-employment testing for evidence of drug use. Refusal of an applicant to be tested will result in the applicant not being hired. The City will obtain, according to DOT regulations, information on positive alcohol and controlled substances tests and refusals to be tested within the preceding two (2) years from the previous employers. This information will be reviewed no later than fourteen (14) days after the employee performs safety-sensitive functions.
5. Urine specimens will be collected at a designated collection site under circumstances designed to prevent sample switching or tampering. Urine specimens will be sealed and sent via courier to a certified lab for testing. Detailed records will be kept to prevent misidentification of samples.
6. The following protocol will apply to all specimen collections:
  - a. The applicant/employee will provide a urine sample at the assigned collection site at the appointed time.

- b. The applicant/employee will participate in the chain of custody procedures in order to insure accurate collection by:
    - (1) providing photo identification;
    - (2) completing and signing consent, release of information, and Chain of Custody forms; and
    - (3) following urine collection procedures in cooperation with the collection site.
  - c. If the applicant/employee refuses to provide the specimen for drug or alcohol testing, the applicant may not be hired and the employee will be subject to discipline including discharge.
7. All positive urine screens will be confirmed through GC/MS testing (Gas Chromatography/Mass Spectrometry) before any discipline is imposed or hiring decisions are made.
8. An independent Medical Review Officer (MRO) will review all drug tests performed by the laboratory. The MRO is to determine whether positive test results indicate illegal drug use or whether other medical explanations could account for the result. The MRO will attempt to contact the employee prior to notifying the City of the results.
9. On all "positive" drug screen test results, the MRO will make reasonable efforts to first contact the applicant/employee and review the findings. If the applicant/employee cannot be reached during the above-mentioned time frame, City management will be contacted and informed to contact the applicant/employee and have such person contact or make themselves available to be contacted by the MRO to review the findings. If the applicant/employee does not make himself/herself available to be contacted by the MRO, the applicant may not be hired and an employee will be subject to discipline including discharge unless valid circumstances unavoidably prevented the employee from contacting the MRO in a timely manner.
10. Confidentiality & Privacy. The City will attempt to ensure that all aspects of the testing process are as private and confidential as reasonably practical. As such, the City shall maintain records related to its substance abuse programs including employee test results in a secure location with controlled access. Actual test results will be provided to supervisors and managers who have a need to know such information; to the person tested; and any person permitted or required by law or regulation to receive such information including a subsequent employer. Except as required by law, test results will not be disclosed to co-workers, an employee's family, uninvolved supervisors, or law enforcement authorities without the specific permission of the person tested.

11. The City will, however, inform the police of trafficking in illegal drugs by employees or other criminal activity and will turn over any illegal drugs confiscated on City property to the police.
12. Consequences of Testing Positive. Employees who provide valid pre-dated prescriptions for the substance(s) for which they test positive will not be disciplined.
13. The consequences of testing positive may result in discipline including termination and refusal to submit to a test will result in termination of employment. Each case shall be reviewed on its own merits. A "positive test" for purposes of alcohol testing shall mean an alcohol concentration of 0.04 or greater. However, an employee who is found to have an alcohol concentration of 0.02 or greater, but less than 0.04 shall not be permitted to perform safety-sensitive functions. A "positive test" for purposes of drug testing shall mean the presence of a drug above the levels prescribed by DOT. In the event that the Employer elects not to terminate an employee for testing positive, the Employer may condition reinstatement upon successful completion of any treatment recommended and/or approved by the MRO. An employee who undergoes such treatment shall do so at his or her expense if not fully covered by applicable insurance. Additionally, an employee undergoing recommended treatment as a condition to reinstatement may utilize sick or other available leave, but if none is available shall be placed on unpaid leave.
14. Voluntary Treatment And Counseling. (Prior to detection or selection for testing.) The City shall reasonably accommodate an employee's substance abuse problem by granting an employee's request for treatment/rehabilitation, including treatment or rehabilitation through the employee assistance program. Employees who request leaves of absence for treatment will not be subject to discipline. These unpaid leaves will be approved by management and the employee must agree to abide by the "Last Chance Agreement." Employees may not, however, escape discipline by first requesting such treatment or leaves after being selected for testing or violating City policies and rules. Such requests for treatment will be kept confidential in accordance with federal and state law.
15. The City will establish an employee assistance program which will include a committee of an equal number of City and Union representatives to review requests and assist in the preparation of a plan for an employee who feels he or she may have a substance abuse problem. Such employees coming to the employee assistance program for help will not be disciplined or retaliated against.
16. Employees caught possessing, using, selling, buying or transferring drugs or alcohol while at work, on City premises, or while using City vehicles will be terminated.

17. Employees arrested for selling drugs to, or buying them from another employee will be suspended without pay and if convicted, terminated. Depending on the circumstances, employees arrested for and convicted of other drug offenses may also be terminated.
18. Employees are responsible for their conduct and actions while under the influence and will be subject to disciplinary actions for any policy or rule violations in an impaired state. Impairment due to drugs or alcohol shall not be construed so as to condone or exonerate an employee or be considered a justifiable defense or mitigating circumstances for any improper actions, violations of City policy and procedures, or poor performance.
19. Supervisor and Employee Training. The City will ensure that persons authorized to determine reasonable suspicion, including Union representatives, are trained to recognize the symptoms of impairment and intoxication. Further, employees of the City shall be provided a copy of this policy and information pertaining to testing procedures, conduct that is prohibited, the effects of drugs and alcohol, and the consequences for violations of the policy.
