AGREEMENT
BETWEEN
CITY OF WAUSEON
AND
OHIO PATROLMEN'S BENEVOLENT ASSOCIATION
(Sergeants and Lieutenants)

Effective January 1, 2013 to December 31, 2015

PREAMBLE

This Agreement is hereby entered into by and between the CITY OF WAUSEON, hereinafter referred to as the "Employer", and the Ohio Patrolmen's Benevolent Association, hereinafter referred to as the "OPBA" to comply with the requirements of Chapter 4117 of the Ohio Revised Code; and to set forth in its entirety, the full and complete understandings and agreements between the parties governing wages, hours, terms and conditions of employment for those employees included in the bargaining unit as defined herein.

RECOGNITION

ARTICLE I

Section 1. The Employer recognizes the OPBA as exclusive representative for negotiating wages and salaries, hours of work, and all other terms and conditions of employment for all Sergeants and Lieutenants in the Wauseon Police Department as set forth in the certifications issued by the Ohio State Employment Relations Board.

Section 2. The Employer will furnish the OPBA with a list of all employees in the classifications covered by this Agreement indicating their starting date of employment. Such list will be furnished no less than annually and will be supplemented by the names of all new employees as hired.

DUES DEDUCTION

ARTICLE II

Section 1. During the term of this Agreement, the Employer shall deduct initiation fees, assessments levied by the OPBA and the regular monthly OPBA dues from the wages of those employees who have voluntarily signed dues deduction authorization forms permitting said deductions. No new authorization forms will be required from any employees in the Wauseon Police Department for whom the Employer is currently deducting dues.

Section 2. The initiation fees, dues or assessments so deducted shall be in the amounts established by the OPBA from time to time in accordance with its Constitution and Bylaws. The OPBA shall annually certify to the Employer the amounts due and owing from the employees involved.

Section 3. The Employer shall deduct dues, initiation fees or assessments from the employee's regular paycheck. If an employee has no pay due on that pay date, such amounts shall be deducted from the next or subsequent pay. The employer shall not be obligated to make dues deductions from any employee who, during any dues month involved, shall have failed to receive sufficient wages to make all legally required deductions in addition to the deduction of OPBA dues.

Section 4. A check in the amount of the total dues withheld from these employees authorizing a dues deduction shall be tendered to the treasurer of the OPBA within thirty (30) days from the date of making said deductions. Once the funds are remitted to the OPBA, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the OPBA.

Section 5. The OPBA hereby agrees to hold the Employer harmless from any and all liabilities or damages which may arise from the performance of its obligations under this Article and the OPBA shall indemnify the Employer for any such liabilities or damages that may arise.

FAIR SHARE FEE

ARTICLE III

Section 1. All members of the bargaining unit, as identified in Article I of this Agreement, shall either (1) maintain their membership in the OPBA, (2) become members of the OPBA, or (3) pay a service fee to the OPBA in an amount equivalent to the annual dues for membership in the OPBA, as a condition of employment, all in accordance with Ohio Rev. Code Sec. 4117.09 Effective 60 days following the beginning of employment or the effective date of this Agreement, whichever is later, employees in the bargaining unit who are not members of the OPBA shall pay to the OPBA a Fair Share Fee. This does not require any employee to become a member of the OPBA nor shall the Fair Share Fee exceed dues paid by members of the OPBA who are in this Bargaining Unit. The OPBA shall prescribe an internal rebate procedure which conforms to Federal law and to Ohio Revised Code 4117.09(C). The deduction of a Fair Share Fee from the payroll checks of employees and its payment to the OPBA is automatic and does not require the authorization of the employee. Payments by employees holding religious conscientious objections shall be governed by Ohio Revised Code 4117.09(C). No employee shall be required to become a member of the OPBA as a condition for securing or retaining employment.

MANAGEMENT RIGHTS

ARTICLE IV

Section 1. The Employer shall have the exclusive right to manage the operations, control the premises, direct the working force and maintain efficiency of operations. Among the Employer-s management rights are the right to hire, transfer, discipline and discharge for just cause, layoff and promote; to promulgate and enforce work rules; to introduce new equipment, methods of performing work or facilities; to determine the size, duties and qualifications of the work force, and work schedules.

EMPLOYEE RIGHTS

ARTICLE V

Section 1. An employee has the right to request the presence and advice of an OPBA representative at all disciplinary interrogations.

Section 2. An employee who is to be questioned as a suspect in any investigation of any criminal charge against him shall be advised of his constitutional rights before any questioning starts.

Section 3. An employee will be informed of the nature of any investigation against him prior to any questioning. If the employee being questioned is, at that time, a witness and not under investigation, he shall be so advised.

Section 4. An employee may request an opportunity to review his personnel file, add memoranda to the file clarifying any documents contained in the file at a reasonable time and place designated by the Employer, and may have a representative of the OPBA present when reviewing his file. A request for copies (at a cost of \$.05 per copy) of items included in the file shall be honored. All items in an employees file with regard to complaints and investigations will be clearly marked with respect to final disposition.

Section 5. In the course of an internal affairs investigation, a polygraph examination will be administered only (1) if a complainant submits to a polygraph first; or (2) with the consent of the employee under investigation.

Section 6. All complaints by civilians which may involve suspension or discharge of an employee shall be in writing and signed by the complainant. The Employer will furnish a copy of the complaint to the employee against whom the complaint has been filed when such employee is notified of the investigation.

Section 7. Records of disciplinary action that are more than two (2) years old shall not be used concerning any disciplinary action against the employee, nor used in any grievance or arbitration hearing concerning any employee.

NO STRIKE

ARTICLE VI

Section 1. The Employer and the OPBA agree that the grievance procedures provided herein are adequate to provide a fair and final determination of all grievances arising under this Agreement. It is the desire of the Employer and the OPBA to avoid work stoppages and strikes.

Section 2. Neither the OPBA nor any member of the bargaining unit, for the duration of this Agreement, shall directly or indirectly call, sanction, encourage, finance, participate, or assist in any way in any strike, slowdown, walkout, concerted "sick leave" or mass resignation, work stoppage or slowdown, or other unlawful interference with the normal operations of the Employer for the duration of this Agreement. A breach of this Section may be grounds for discipline up to and including discharge. The OPBA shall not be held liable for the unauthorized activity of the employees it represents or its members who are in breach of this Section, provided that the OPBA meets all of its obligations under this Article.

Section 3. The OPBA shall, at all times, cooperate with the Employer in continuing operations in a normal manner and shall actively discourage and attempt to prevent any violation of the "no-strike" clause. In the event of a violation of the "no-strike" clause, the OPBA shall promptly notify all employees in a reasonable manner that the strike, work stoppage or slowdown, or other unlawful interference with normal operations of the Employer, is in violation of this Agreement, unlawful and not sanctioned or approved of by the OPBA. The OPBA shall advise the employees to return to work immediately.

Section 4. The Employer shall not lock out any employees for the duration of this Agreement.

DISCIPLINE

ARTICLE VII

Section 1. Disciplinary action taken by the Employer shall only be for just cause.

Section 2. A non-probationary employee who is suspended, demoted or discharged shall be given written notice regarding the reason(s) for the disciplinary action. The employee shall be informed of the right to confer with a representative of the OPBA.

ASSOCIATION REPRESENTATION

ARTICLE VIII

Section 1. The parties recognize that in limited circumstances it may be necessary for an employee representative of the OPBA to leave a normal work assignment while acting in the capacity of representative. The OPBA recognizes the operational needs of the Employer and will cooperate to keep to a minimum the time lost from work by representatives, and attempt to accomplish association duties on non-work time. Before leaving an assignment pursuant to this Section, the representative must obtain approval from the officer in charge of the shift. The Employer will compensate a representative at the normal rate for the time lost in the good faith processing of grievances, and at any meetings at which the Employer requests a representative to be present.

Section 2. One (1) Employee shall be allowed reasonable time off to participate in collective bargaining meetings with the Employer, if held during a member's regular working hours without loss of pay.

Section 3. Provided, in the opinion of the Employer, scheduling allows, Director(s) of the OPBA may be allowed three hours per month off, without pay, for the purpose of attending OPBA Director meetings.

GRIEVANCE PROCEDURE

ARTICLE IX

Section 1. Every employee shall have the right to present his grievance in accordance with the procedures provided herein, free from any interference, coercion, restraint, discrimination or reprisal and, except at Step 1, shall have the right to be represented by a union representative of his attorney at all stages of the Grievance Procedure. It is the intent and purpose of the parties to this Agreement that all grievances shall be settled, if possible, at the lowest step of this procedure.

Section 2. For the purposes of this procedure, the below listed terms are defined as follows:

- (a) Grievance - A "grievance" shall be defined as a dispute or controversy arising from the misapplication or misinterpretation of the specific and express written provisions of this Agreement.
- (b) Grievant - The "grievant" shall be defined as any employee or group of employees within the bargaining unit or the OPBA.
- (c) Party in Interest - A "party in interest" shall be defined as any employee of the Employer named in the grievance who is not the grievant.
- (d) Days - A "day" as used in this procedure shall mean calendar days, excluding Saturdays, Sundays or Holidays as provided for in this Agreement.

Section 3. The following procedures shall apply to the administration of all grievances filed under this procedure:

- (a) Except at Step 1, all grievances shall include the name and position of the grievant, the identity of the provisions of this Agreement involved in the grievance; the time and place where the alleged events or conditions giving rise to the grievance took place, the identity of the party responsible for causing the said grievance, if known to the grievant, and a general statement of the nature of the grievance and the redress sought by the grievant.
- (b) Except at Step 1, all decisions shall be rendered in writing at each step of the grievance procedure. Each decision shall be transmitted to the grievant and his representative, if any.
- (c) Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration and having said matter informally adjusted without the intervention of the OPBA, provided that

the adjustment is not inconsistent with the terms of this Agreement. In the event that the grievance is adjusted without formal determination, pursuant to this procedure, while such adjustment shall be binding upon the grievant and shall, in all respects, be final, said adjustment shall not create a precedent or ruling binding upon the parties in future proceedings.

- (d) The grievant may request an OPBA representative to represent him at any step of the grievance procedure after Step 1.
- (e) The time limits provided herein will be strictly adhered to and any grievance not filed initially or appealed within the specified time limits will be deemed waived and void. If the Employer fails to reply within the specified time limit, the grievance shall automatically be advanced to the next step. The time limits specified for either party may be extended only by written mutual agreement.
- (f) This procedure shall not be used for the purposes of adding to, subtracting from or altering in any way any of the provisions of this Agreement.

Section 4. All grievances shall be administered in accordance with the following steps of the grievance procedure:

Step 1: An employee who believes he may have a grievance shall notify his immediate supervisor of the possible grievance within five (5) days of the occurrence of the facts giving rise to the grievance. The supervisor will schedule an informal meeting with the employee and an OPBA representative, if such representation is requested by the employee, within five (5) days of the notice of the employee, at which time the issue in dispute will be discussed with the objective of resolving the matter informally.

Step 2: If the dispute is not resolved informally at Step 1, it shall be reduced to writing by the grievant and presented as a grievance to the Chief within five (5) days of the informal meeting or notification of the supervisor's decision at Step 1, whichever is later, but not later than seven (7) days from the date of the meeting if the supervisor fails to give the employee an answer. The Chief shall give his answer in writing within five (5) days of the meeting.

Step 3: If the Chief fails to give his written answer within five (5) days, or the grievant is not satisfied with the written decision at the conclusion of Step 2, a written appeal of the decision may be

filed with the Mayor within five (5) days from the date of the rendering of the decision at Step 2. Copies of the written decisions shall be submitted with the appeal. The Mayor or his designee shall convene a hearing within twenty (20) days of the receipt of the appeal, except in a discharge, where the hearing shall convene within ten (10) days of the receipt of the appeal. The hearing will be held with the grievant, his OPBA representative and any other party necessary to provide the required information for the rendering of a proper decision. The Mayor or his designee shall issue a written decision to the employee with a copy to the OPBA representative within fifteen (15) days from the date of the hearing. If the grievant is not satisfied with the decision at Step 3, he may proceed to arbitration pursuant to the Arbitration Procedure herein contained.

ARBITRATION PROCEDURE

ARTICLE X

Section 1. In the event a grievance is unresolved after being processed through all steps of the Grievance Procedure, unless mutually waived, then within ten (10) days after the rendering of the decision at Step 3, the grievant may submit the grievance to arbitration. Within this ten (10) day period, the parties will meet to attempt to mutually agree upon an arbitrator. If such agreement is not reached, the parties will promptly request the Federal mediation and Conciliation Service to submit a panel of arbitrators and will choose one by the alternative strike method.

Section 2. The arbitrator shall have no power or authority to add to, subtract from, or in any manner alter the specific terms of this Agreement or to make any award requiring the commission of any act prohibited by law or to make any award that itself is contrary to law or violates any of the terms and conditions of this Agreement.

Section 3. The hearing or hearings shall be conducted pursuant to the "Rules of Voluntary Arbitration" of the American Arbitration Association.

Section 4. The fees and expenses of the arbitrator and the cost of the hearing room, if any, will be borne by the party losing the grievance. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the expenses incurred by the other party.

Section 5. An employee other than the grievant who is requested to appear at the arbitration hearing by either party shall attend without the necessity of subpoena and shall be compensated at his regular straight time hourly rate for all time lost from his regular schedule because his attendance is required by either party. Any request made by either party for the attendance of witnesses shall be made in good faith.

Section 6. The arbitrator's decision and award will be in writing and delivered within sixty (60) days from the date the record is closed. The decision of the arbitrator shall be final and binding upon the parties.

NON-DISCRIMINATION

ARTICLE XI

Section 1. The Employer and the OPBA agree not to discriminate against any employees on the basis of race, religion, color, creed, national origin, age, sex, or handicap.

Section 2. The OPBA expressly agrees that membership in the OPBA is at the option of the employee and that it will not discriminate with respect to representation between members and non-members.

GENDER AND PLEURAL

ARTICLE XII

Section 1. Whenever the context so requires, the use of the words herein in the singular shall be construed to include the plural, and words in the plural, the singular, and words whether in the masculine, feminine or neuter genders shall be construed to include all of said genders. By the use of either the masculine or feminine genders, it is understood that said use is for convenience purposes only and is not to be interpreted to be discriminatory by reason of sex.

OBLIGATION TO NEGOTIATE

ARTICLE XIII

Section 1. The Employer and the OPBA acknowledge that during the negotiations which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Section 2. Therefore, for the life of this Agreement, the Employer and the OPBA each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to negotiate collectively with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated and signed this Agreement.

CONFORMITY TO LAW

ARTICLE XIV

Section 1. If the enactment of legislation, or a determination by a court of final and competent jurisdiction (whether in a proceeding between the parties or in one not between the parties) renders any portion of this Agreement invalid or unenforceable, such legislation or decision shall not affect the validity of the surviving portions of this Agreement, which shall remain in full force and effect as if such invalid portion thereof had not been included herein. The parties shall meet within thirty (30) days to renegotiate such stricken provision.

DUTY HOURS

ARTICLE XV

Section 1. The regular work week for all employees of the Employer covered by this Agreement will be forty (40) hours. This is not to be construed as a guarantee of employment.

Section 2. Overtime shall be balanced as closely as possible on a yearly basis. Consideration can be given by the Employer for needed expertise and training in handling overtime situations. Overtime offered and refused shall be charged to the employee. A written record shall be charged to the employee. A written record shall be retained of all overtime offered, refused and/or worked and shall be available for inspection by an Employee and/or an OPBA designated representative upon request.

Section 3. A regular shift for all employees of the Employer covered by this Agreement shall be at least eight (8) hours and up to ten (10) hours of work which includes one-half (1/2) hour for paid lunch, and two (2) paid fifteen (15) minute breaks. This is not to be construed as a guarantee of employment.

Section 4. Employees may request shift preference every six (6) calendar months. The Employer will make a good faith effort to accommodate employees' shift preferences, by rank then seniority, when making out the schedule. However, the Employer shall retain ultimate discretion in shift scheduling and assignment. Nothing herein shall prevent the continued use of auxiliary patrol officers including, but not limited to, use on the weekends. An employee who starts a scheduled shift between the hours of 2:00 pm and 6:00 am shall receive additional compensation over the wage rates set forth in Article XXIV of \$.40 per hour.

Any Command Officer who is scheduled for the second or third shift shall receive the appropriate shift differential for all hours worked, no matter what hours of the day they commence working.

Section 5. Once the monthly work schedule is posted, unless an employee is given a minimum of forty-eight (48) hours notice, an employee who is required to work either before or after the posted scheduled time, the employee shall be paid at one and one-half times the regular rate for all hours worked either before or after the posted scheduled hours.

OVERTIME PAY AND COURT TIME

ARTICLE XVI

Section 1. All employees, for work performed in excess of forty (40) hours in one week, when approved of by the Shift Supervisor, shall be compensated, at the employees election, either at (a) the rate of one and one half (1-1/2) times the employee's regular hourly rate for all overtime, or (b) compensatory time computed at the same rate to be taken in the future as approved.

Section 2. The compensatory time options contained in this Article shall be offered only to the extent consistent with the Fair Labor Standards Act.

Section 3. An employee may request compensation for one-half (1/2) of accumulated compensatory time four (4) times per year. If an employee has accumulated more than one hundred sixty (160) hours of compensatory time, he shall be compensated at the appropriate rate of pay for all hours in excess of one hundred sixty (160). Requests for payment of all compensatory time can be made at any time with the employee showing financial hardship or a purchase offer for a home.

Section 4. Whenever approved by the Chief, employees called into work or appearing in court on behalf of the Employer for a time period of less than two (2) hours when the employee is not on duty, shall be compensated not less than two (2) hours subject to the election of the method in which compensation is to be received as set forth within Section I of this Article.

Section 5. Hours paid as Holiday pay pursuant to Article XVII, compensatory time, personal days, vacation days and sick days shall be considered hours worked for the purpose of calculating overtime. No other paid leave shall be considered as hours worked for purposes of calculating overtime.

HOLIDAYS

ARTICLE XVII

Section 1. All full-time employees shall receive the following paid holidays:

New Year's Day	Labor Day
Good Friday	Thanksgiving Day
Memorial Day	Day after Thanksgiving
Independence Day	Christmas Eve
New Year's Eve	Christmas Day

Section 2. Employees shall not be entitled to any other compensation on a holiday except holiday pay. If an employee requests and is granted the holiday off, the employee shall receive holiday pay for their regular scheduled shift hours up to ten hours.

Section 3. Employees who are not scheduled to work on a recognized holiday shall receive eight hour's pay for the holiday, provided the employee works their full scheduled day before the holiday and the full scheduled day after the holiday, or is off on an approved vacation, compensatory time, or bereavement day off.

Section 4. Should the Employer grant additional paid holidays to non-bargaining unit employees, then such paid holidays shall be automatically added to bargaining unit paid holidays as listed in Section 1.

VACATIONS

ARTICLE XVIII

Section 1. Each full-time employee shall earn and be entitled to paid vacation in accordance with the following schedule:

<u>Length of Service</u>	<u>Hours</u>
After one (1) year	40 hours
After two (2) years	80 hours
After eight (8) years	120 hours
After fifteen (15) years	160 hours
After twenty-five (25) years	200 hours

Section 2. Earned vacation shall be awarded on the employee's anniversary date in accordance with the above schedule, provided the employee is employed by the Employer at that time. "Anniversary date," as used in this Article, is the annual occurrence of the date of last hire.

Section 3. Vacation time shall be approved by the Chief and shall be taken at no less than eight (8) hours at a time for up to eighty (80) hours, provided notice is given seven (7) days in advance and scheduling changes from the posted schedule will not result in any additional wage expense to the Employer.

Section 4. An employee who has earned vacation time by reason of being employed in this department shall be able to transfer his vacation time to another department in the City of Wauseon should he elect such a transfer.

Section 5. Any employee who quits or is terminated or retires and has unused vacation time shall receive such vacation time.

Section 6. Vacation time shall be computed based upon the employee's anniversary date and shall be used between the successive anniversary dates. Up to forty (40) hours may be carried over from one calendar year to another calendar year.

Section 7. Any employee of the Employer who has established service time from being employed by the State of Ohio or any other political subdivision of the state of Ohio and who has become employed by the Employer within ten (10) years from his termination from such other public employer shall be allowed to transfer all service time with such other public employer in order to determine the length of service for vacation purposes, provided reliable documentation indicating the number of years of prior service is submitted. One year of prior service means one year of full time, compensated, prior service, as a police officer.

Section 8. An employee eligible for one hundred sixty (160) hours or more vacation shall have the option of receiving all vacation days beyond one hundred twenty (120) hours as pay in lieu of vacation time off.

Section 9. If an employee is promoted from Patrol Officer to Sergeant or if a Sergeant is promoted to Lieutenant, the employee shall serve a six (6) month probationary period in the position to which the employee is promoted. If during the six (6) month probationary period the Chief determines the employee is not properly performing his job duties, the employee shall not be terminated but shall be demoted to the rank from which he was promoted with the employee maintaining the seniority that was in effect at the date of the initial promotion. Said demotion shall be without recourse to any grievance procedure.

NON-OCCUPATIONAL ILLNESS OR INJURY LEAVE

ARTICLE XIX

Section 1. Non-occupational illness or injury leave shall be defined as an absence with or without pay necessitated by: (1) illness or injury to the employee; (2) exposure by the employee to contagious disease communicable to other employees; (3) serious illness, injury or death in the employee's immediate family; or (4) other leave under Section 2.

Section 2. An employee is eligible for a leave of absence for one of the following reasons:

- a. Birth and care or placement for adoption or foster care in your home of a son or daughter.
- b. Care for an immediate family member who has a Serious Health condition.
- c. The employee has a Serious Health Condition, including a disability due to pregnancy, which renders the employee unable to perform the functions of the employee's job.

If an employee needs a leave for item (a) the employee will be granted up to twelve (12) weeks within twelve (12) months of the birth or placement of the child provided the employee has been in the employ of the City for at least twelve (12) months and have worked at least 1250 hours during the last 12 months.

If an employee needs a leave under (b) or (c) above, unless waived by the Chief, the employee must provide timely certification that a Serious Health Condition exists by having the Health Care Provider certify that fact, in writing, on the form provided.

Intermittent leave under (a) above will only be available with the approval of the City. Intermittent leave under (b) or (c) will be made available if foreseeable based on a planned medical schedule; however, an employee may be required to transfer to another position, with equal pay and benefits, which more easily accommodates the schedule.

During an absence under this Article, an employee must exhaust all paid leave available to them in the following order: sick leave, paid personal leave, vacation, all other; thereafter, leave under this Article is unpaid.

Upon return from leave an employee will be returned to the employee's former position or one with equivalent pay and benefits.

An employee must give thirty (30) days advance notice of the need for Family Leave or, if thirty days is not possible, as soon thereafter as notice can be given.

During leave under this Article, Group Health insurance benefits will be continued for the length of the leave, not to exceed the provisions of Article XXVI , Section 2, under the same conditions as if an employee continued to work. Provided, however, if an employee does not return at the end of the leave, depending on the reason, the employee may be required to reimburse the City for its insurance premium cost.

The City has a form available entitled **CERTIFICATION OF SERIOUS HEALTH CONDITION BY A HEALTH CARE PROVIDER** for purposes of obtaining a leave hereunder and complying with the Family Leave Act.

The City may have a doctor of its own choosing review all requests for leave due to illness or injury and to request both additional medical verification and possible examination of the employee by a doctor selected and paid for by the City, including an examination to establish that the employee is not disabled from the performance of their normal duties and that return to duty will not jeopardize the health of other employees.

The total duration of leave under this Article is twelve (12) weeks. After that time has elapsed, the City will decide what course of action will be taken. Also, so that the City can be properly advised of the employee's medical status, medical leave periods will be granted for only thirty (30) calendar days at a time. Once a leave has been granted and the employee is physically unable to return to work on or before the expiration of the leave, the employee must request, and may be granted, an extension of up to thirty (30) calendar days by providing medical certification as required originally. This must be provided no later than the expiration date of the leave. Additional extensions may be requested and granted in the same manner subject to limitations provided above.

An employee is expected to notify the City in advance of the employee's expected date of return. An employee is also expected to obtain a statement from the employee's physician stating that the employee is physically able to resume work.

Section 3. Each employee shall earn, for each completed eighty hours of service, paid sick leave of four and six-tenths hours. Service shall include all hours compensated by the city excluding sick pay; overtime premium shall not be included as compensated time. Employees may use sick leave, upon approval of the responsible administrative officer of the employing unit, as provided herein.

Section 4. An employee who is to be absent because of illness or injury shall notify his supervisor of such absence and the reason therefor at least two (2) hours before the start of his work shift each day he is to be absent, except in cases of emergency.

Section 5. Sick leave pay may be used in segments of not less than one (1) hour.

Section 6. When the use of sick leave is due to illness or injury in the immediate family, "immediate family" shall be defined to only include the employee's spouse, children, step children residing with the employee or parents residing with the

employee. When the use of sick leave is due to death in the immediate family, "immediate family" shall be defined to only include the employee's mother, father, spouse, child, step child residing with the employee, brother, sister, father-in-law, mother-in-law and grandparents.

Section 7. An employee who transfers from this department to another department of the Employer shall be allowed to transfer his accumulated sick leave pay to the new department.

Section 8. Any employee of the Employer who has accumulated sick leave pay earned from being employed by the State of Ohio or any other political subdivision of the State of Ohio and who has become employed by the Employer within ten (10) years from his termination from such other public employer shall be allowed to transfer said accumulation to his sick leave pay accumulation with the Employer, providing that such sick leave pay accumulation shall be limited to the existing maximum accruable amount in effect at the time of transfer in this Agreement.

Section 9. Upon the retirement of a full-time employee who has not less than ten (10) years of continuous service with the Employer, such employee shall be entitled to receive a cash payment equal to his daily rate of pay at the time of retirement multiplied by thirty-five percent (35%) of the total number of accumulated but unused paid sick days earned by the employee as certified by the Finance Director, providing that such resulting number of days to be paid shall not exceed sixty five (65).

Section 10. If an employee does not take unscheduled sick time between January 1 and June 30, the employee shall receive one (1) bonus day with pay. If an employee does not take unscheduled sick time between July 1 and December 31, the employee shall receive one (1) bonus day with pay. If an employee does not take unscheduled sick time for the entire calendar year beginning January 1 of each year, the employee shall receive three (3) bonus days with pay. Shift command officers shall have absolute discretion to determine whether an officer is fit for duty when he reports for work.

Section 11. Upon the death of a full-time Employee with not less than ten (10) years of continuous service with the Employer, that deceased Employee's Estate shall be paid the unused sick time in the amount and manner as if he had retired as specified in Section 9 above.

OCCUPATIONAL INJURY LEAVE

ARTICLE XX

Section 1. Upon recommendation of the Mayor, verified by a duly licensed physician approved by the Mayor, a uniformed officer of the Police Department who is absent due to disability incurred on duty may be allowed injury leave with pay additional to any sick leave provided for in this Section, but not to exceed one hundred (100) days in any calendar year unless such period is extended by action of Council.

Section 2. If at the end of this one hundred (100) day period the employee is still disabled, the leave may, at the Employer's sole discretion, be extended for an additional one hundred eighty (180) calendar day period.

Section 3. The Employer shall have the right to require the employee to have a physical exam by a physician paid by the Employer resulting in the physician's certification that the employee is unable to work due to the injury as a condition precedent to the employee receiving any benefits under this Article. The designated physician's opinion shall govern whether the employee is actually disabled or not, but shall not govern whether the Employer shall extend the period of leave.

Section 4. Any employee who is unable to perform the duties of a police officer due to a permanent service related disability compensated by the Ohio Bureau of Workers' Compensation or Police and Firefighter's Disability Pension Fund shall have the option of receiving a lump-sum payment of his accumulated but unused sick leave within thirty (30) days of the determination of the Disability or remaining on sick leave.

PERSONAL LEAVE

ARTICLE XXI

Section 1. All employees shall, in addition to all other leave benefits, be granted twenty-four (24) personal leave hours each year which are to be taken within the year earned. Bargaining unit employees shall receive any additional holidays or personal days granted to non-bargaining unit employees of the City of Wauseon.
