**COLLECTIVE BARGAINING AGREEMENT BETWEEN THE
CITY OF SOLON, OHIO AND INTERNATIONAL
BROTHERHOOD OF TEAMSTERS LOCAL 436 FOR
WATER RECLAMATION DEPARTMENT**

This Agreement is entered into by and between the City of Solon, Water Reclamation Department (hereinafter referred to as "the Employer") and the International Brotherhood of Teamsters Local 436, (hereinafter referred to as "the Union"), which is the exclusive representative of all full-time and permanent regularly scheduled part-time non-supervisory employees in the Water Reclamation Department of the City of Solon.

ARTICLE 1: RECOGNITION

The City hereby recognizes International Brotherhood of Teamsters, Local 436, herein referred to as the Union, as the exclusive bargaining agent for the purpose of collective bargaining on all matters pertaining to wages, hours, terms and other conditions of employment for all employees in the bargaining unit.

This agreement covers all full-time and permanent regularly scheduled part-time non-supervisory employees in the Water Reclamation Department of the City of Solon excluding the departmental secretary and the seasonal part-time employees. The covered employees are in the maintenance division, operations division, and monitoring division of the Water Reclamation Department. Newly hired employees shall be on a non-contestable probationary period, defined as 1,040 hours worked. Upon completion of such probationary period, employee's seniority shall date from the date of hire.

ARTICLE 2: PURPOSE AND INTENT

In an effort to continue harmonious and cooperative relationships between the parties and to insure orderly and uninterrupted efficient operations, the parties now desire to enter into an Agreement reached through collective bargaining which will have for its purposes, among others, the following; (1) To recognize the legitimate interests of the employees of the Employer to participate through collective bargaining in the determination of the terms and conditions of their employment; (2) To promote fair, safe, and reasonable working conditions; (3) To promote individual efficiency and service to the City of Solon; (4) To avoid interruption or interference with the efficient operation of the Employer's business; (5) To provide a basis for the adjustment of matters of mutual interest by means of amicable discussion; (6) To implement the provisions of O.R.C. Section 4117.08.

ARTICLE 3: UNION RIGHTS

SECTION 1. The Employer shall recognize no more than three (3) stewards for processing grievances. The City and Union agree that any grievance meeting or hearing time periods shall be extended to avoid any additional compensation for the employee or steward when necessary. Grievance meetings or hearings shall be scheduled during the affected Employee's normal work hours.

SECTION 2. A representative of the Union shall be permitted to enter the Employer's premises during work hours with prior notice to the Water Reclamation Director or designee, and shall be allowed reasonable contact with bargaining unit employees during normal working hours after signing in at front desk.

SECTION 3. The Employer shall provide a bulletin board to be located in the basement of the Water Reclamation Administration Building adjacent to the Locker Room for the members of the bargaining unit.

SECTION 4. If a Union steward participates in contract administration training conducted by the Union, such participation shall be a leave of absence without pay. Such participation requires a two (2) week notice to the Director.

SECTION 5. Union shall be given seven (7) days notice of any change in Employer's rules and regulations unless otherwise required by safety or mandated by law.

SECTION 6. Union shall be given fourteen (14) days notice of any change in the shift hours of a particular division.

ARTICLE 4: DUES AND FAIR SHARE DEDUCTIONS

SECTION 1. During the term of this Agreement, the Employer shall deduct initiation fees, re-initiation fees and entry fees as are regularly assessed by Local 436 and the regular monthly Local 436 dues from the wages of those employees who have voluntarily signed dues deduction authorization forms permitting said deductions.

SECTION 2. No new authorization forms will be required from any employees in the City of Solon for whom the Employer is currently deducting dues.

SECTION 3. The initiation fees, dues, re-initiation fees and entry fees, so deducted shall be in the amounts established by Local 436 from time to time in accordance with its Constitution and Bylaws. Local 436 shall certify to the Employer the amounts due and owing from the employees involved.

SECTION 4. The Employer agrees to deduct dues, initiation fees re-initiation fees and entry fees from the first pay in each calendar month. If an employee has no pay due on that date, such amounts shall be deducted from the next or subsequent pay.

SECTION 5. A check in the amount of the total dues withheld from those employees authorizing a dues deduction shall be tendered to the treasurer of Local 436 within fifteen (15) days from the date of making said deductions.

SECTION 6. Local 436 hereby agrees to hold the Employer harmless from any and all liabilities or damages which may arise from the performance of its obligations under this Article 4 and Local 436 shall indemnify the Employer for any such liabilities or damages that may arise.

SECTION 7. All members of the bargaining unit, as identified in Article 1 of this Agreement, shall either (1) Maintain their membership in Local 436, (2) Become members of Local 436, or (3) Pay a fair share fee to Local 436 in an amount not to exceed the monthly dues for membership in Local 436, as a condition of employment, all in accordance with Ohio Revised

Code Section 4117.09 and all within thirty (30) days of the execution of this collective bargaining agreement or within thirty (30) days of hire. In the event that a fair share fee is to be charged to a member of the bargaining unit, the Employer shall deduct such fee in the same manner as dues are deducted as specified in Article 3 of this Agreement, entitled "Dues Deduction." The fair share deduction does not require employee authorization.

If the Employer seeks injunctive relief against any unlawful strike pursuant to O.R.C. Section 4117.15 (A) Local 436 shall cooperate with the City by not opposing such relief.

SECTION 4. In the event of violation of the "no-strike" clause, Local 436 shall promptly notify all employees, in a responsible manner that the strike is in violation of this Agreement, unlawful and not sanctioned or approved by Local 436. Such response may, at the employee's election, contain statements of such witnesses and other persons as the employee may wish to present in his behalf. At the Employer's discretion, an employee may be suspended with pay prior to receipt of the employee's response.

SECTION 4. In the event of discharge, the employee may appeal such action to the grievance procedure as provided herein.

SECTION 5. Disciplinary action appealed through grievance procedure may be filed directly at Step 2. Grievances protesting discharges may be filed directly at Step 3, provided that the Division Manager or his designee is notified at the time of filing.

SECTION 6. An employee may request an opportunity to review his/her personnel file at reasonable times and shall upon request, be granted free charge up to ten (10) copies per year of material contained in the personnel file. Requested material contained in the personnel file in excess of ten (10) copies shall be given to the employee at five (5) cents per copy provided copies are made during non-working hours by the employee and at a time approved by the Water Reclamation Director or his designee. No item shall be removed from a file.

SECTION 7. An employee prior to being placed into his/her personnel file shall be given the opportunity to sign any documentation related to discipline.

ARTICLE 9: NOTICES

All notices required in the Agreement to be given by either party to the other or by any employee to the Employer or vice versa shall be given by depositing same in the Water Reclamation Department personnel mail unless the employee to whom the notice is directed, is on vacation or leave of absence, in which case it shall be sent to his home.

ARTICLE 10: GRIEVANCE PROCEDURE

SECTION 1. Every employee shall have the right to present his or her grievance in accordance with the Procedures provided herein, free from any interference, coercion, restraint, discrimination, or reprisal and except at Step 1, shall have the right to be represented by a person of his own choosing at all stages of the Grievance Procedure. The Employer shall only be required to resolve grievances with the grievant or Local 436 or its representative. It is the intent and purpose of the parties to this Agreement that all grievances shall be settled, if possible, at the lowest step of this procedure.

SECTION 2. For the purposes of this procedure, the below listed terms are defined as follows:

(a) Grievance- A "grievance" shall be defined as a dispute or controversy arising from the misapplication or misinterpretation of the specific and express written provisions of this Agreement.

(c) Days- A "day" as used in this procedure shall mean calendar days, excluding Saturdays, Sundays, or Holidays as provided for in this Agreement.

SECTION 3. The following procedure shall apply to the administration of all grievances filed under this procedure.

(a) Except at Step 1, all grievances shall include the name and position of the Grievant, the identity of the provisions of this Agreement involved in the grievance, the time and place where the alleged events or conditions giving rise to the grievance took place, the identity of the party responsible for causing the grievance, if known to the grievant, and a general statement of the nature of the grievance and the redress sought by the grievant.

(b) Except at Step 1, all decisions shall be rendered in writing at each step of the grievance procedure. Each decision shall be transmitted to the grievant and Local 436.

(c) Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with the Division Manager and having said matter informally adjusted without the intervention of Local 436, provided that the adjustment is not inconsistent with the terms of this Agreement. In the event that the grievance is adjusted without formal determination, pursuant to this procedure, such adjustment shall be binding upon the grievant and shall in all respects, be final.

(d) The methods for resolution of complaints regarding alleged violations of this Agreement set forth in this Agreement shall be the sole and exclusive method for

the determination of such complaints and no party nor any employee covered by this Agreement shall commence any action in any other forum other than to compel arbitration or to prevent a violation of the no-strike, no-lockout clause or to enforce the award of an arbitrator's decision hereunder.

(e) The parties may, by written mutual agreement, bypass or otherwise waive any step of the grievance procedure.

(f) The time limits provided herein will be strictly adhered to and any grievance not filed initially or appealed within the specified time limits will be deemed waived and void. If the Employer fails to reply within the specified time limit, the grievance shall be deemed denied. The time limits specified for either party may be extended only by written mutual agreement.

(g) This procedure shall not be used for the purpose of adding to, subtracting from, or altering in any way, any of the provisions of this Agreement.

SECTION 4. All grievances shall be administered in accordance with the following steps of the grievance procedure.

Step 1: An employee who believes he may have a grievance shall notify the Division Manager of the possible grievance within five (5) days of the occurrence of the facts giving rise to the grievance. An informal meeting will be scheduled with the Division Manager, the employee, and the Local 436 representative, if such representation is requested by the employee, within five (5) days of the notice of the employee, at which time the issue in the dispute will be discussed with the objective of resolving the matter informally.

Step 2: If the dispute is not resolved informally at Step 1, it shall be reduced to writing by the grievant or the Local 436 representative and presented as a grievance to the Water Reclamation Director or his designee within five (5) days of the informal meeting or notification of the Division Manager's decision at Step 1, whichever is later, but not later than seven (7) days from the date of the meeting if the Division Manager fails to give the employee an answer. The Water Reclamation Director or his designee will schedule a meeting with the employee and a Local 436 representative, if such representation is requested by the employee, within seven (7) days of the notice of the employee, and shall give his answer within seven (7) days of the meeting.

Step 3: If the Local 436 representative is not satisfied with the written decision at the conclusion of Step 2, a written appeal of the decision may be filed with the Mayor or his designee within seven (7) days from the date of the rendering of the decision at Step 2. Copies of the written decisions shall be submitted with the appeal. The Mayor or his designee shall convene a hearing within ten (10) days of the receipt of the appeal. The hearing will be held with the grievant, his or her Local 436 representative, and any other party necessary to provide the required information for the rendering of a proper decision. The Mayor or his designee shall issue a written decision to the employee and his or her Local 436 representative within ten (10) days from the date of the hearing. If Local 436 is not satisfied with the decision at Step 3, it may proceed to arbitration pursuant to the Arbitration Procedure herein contained.

ARTICLE 11: ARBITRATION PROCEDURE

SECTION 1. In the event a grievance is unresolved after being processed through all steps of the Grievance Procedure, unless mutually waived, then within thirty (30) days (postmarked) after the receipt of the decision at Step 3, Local 436 may submit the grievance to arbitration by notifying the Employer in writing of such fact. Within ten (10) days after receipt of such notice, the parties shall mutually request the American Arbitration Association (AAA) to submit a panel of arbitrators in accordance with the rules of the AAA.

SECTION 2. The Arbitrator shall have no power or authority to add to, subtract from, or in any manner alter the terms of this Agreement or to make any award requiring the commission of any act prohibited by law or to make any award that itself is contrary to law.

SECTION 3. The hearing or hearing shall be conducted pursuant to the "Rules of Voluntary Arbitration" of the American Arbitration Association.

SECTION 4. The fees and expenses of the arbitrator and the cost of the hearing room, if any, shall be borne by the losing party. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the expenses incurred by the other party.

SECTION 5. An employee requested to appear at the arbitration hearing by either party shall attend, without the necessity of subpoena and without loss of pay if he is otherwise schedule to work, for all hours during which his attendance is required by either party. Any request made by either party for the attendance of witnesses shall be made in good faith, and at no time shall the number of on- duty employees in attendance exceed two (2) employees.

By the use of either the masculine or feminine genders, it is understood that said use is for convenience purposes only and is not to be interpreted to be discriminatory by reason of sex.

ARTICLE 13: OBLIGATION TO NEGOTIATE

SECTION 1. The Employer and Local 436 acknowledge that during the negotiations which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject matter not removed by law from the area of collective bargaining and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

SECTION 2. Therefore, for the life of this Agreement, the Employer and Local 436 each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to negotiate collectively with respect to any subject or matter referred to, or covered in

this Agreement, or with respect to any subject matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated and signed this Agreement.

SECTION 3. This Agreement shall not be modified or amended except in writing executed by both parties.

ARTICLE 14: CONFORMITY TO LAW

SECTION 1. This Agreement, to the extent permitted by law, shall supersede all applicable present and future state laws, local ordinances, rules and regulations to the extent such laws, ordinances or rules and regulations are inconsistent herewith.

SECTION 2. If the enactment of legislation, or a determination by a court of final and competent jurisdiction (whether in a proceeding between the parties or in one not between the parties) renders any portion of the Agreement invalid or unenforceable, such legislation or decision shall not effect the validity of the surviving portion of this Agreement, which shall remain in full force and effect as if such invalid portion thereof had not been included herein. In the event any provision is rendered invalid, upon request of either party, the Employer and Union will meet promptly and negotiate a mutually satisfactory modification.

ARTICLE 15: WORK HOURS

SECTION 3. Any issues arising hereunder shall be topics for discussion at Labor-Management Committee meetings.

ARTICLE 16: VACATIONS

SECTION 1. For purposes of vacation, an employee shall be entitled to vacation based upon his or her total years of service with the City. Eligibility for vacation shall commence no sooner than one year from an employee's date of hire as a full-time employee, provided that such employee has worked a minimum of 1,040 hours in the preceding twelve months of his or her anniversary date.

SECTION 2. For purposes of computing an employee's service time for vacation entitlement, those employees hired prior to July 5, 1987 shall be given credit for service time with the State of Ohio or any of its political subdivisions. For those employees hired on or after July 5, 1987, they shall be entitled to service time with the City only, except for the following:

In instances where an employee had prior service credit with the City on a part-time basis, credit shall be given for such part-time service with the City based upon the number of hours actually worked as a part-time employee in relation to 2,080 hours for a full year of credit.

SECTION 3. Eligibility.

(1) Each eligible employee shall be entitled to vacation based upon his or her total years of service on the anniversary date of hire, provided that the employee has worked or was paid compensated absence time for a full year prior to their anniversary date, as follows:

SECTION 4. All vacation shall be taken during the twelve-month period following the employee's anniversary date of hire, and shall be forfeited if not used by the next anniversary date, unless the Mayor approves the carryover of unused vacation time. The request to carryover unused vacation time must be made to the Mayor's office prior to the anniversary date on which it would have been forfeited. City Council shall be informed annually of employees who had vacation carryover approved and the amount.

SECTION 5. In the event of termination of employment with the City for any reason except disciplinary discharge, each employee shall be entitled to payment for unused and accrued vacation in proportion to the days actually worked if he or she had been continuously employed.

ARTICLE 17: HOLIDAYS and PERSONAL DAYS

SECTION 1. The employees shall be entitled to the following paid holidays: New Year's Day, Martin Luther King, Jr. Day, President's Day, Good Friday, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, the day after Thanksgiving, Christmas Day, and the employee's birthday. In the event that the service demands of the Water Reclamation plant require that an employee work on any of these holidays, the employee shall be permitted equivalent paid time off for each such holiday worked. If an employee is not afforded paid time off for a holiday worked, he or she shall be paid for such holiday at his or her rate of one and one and one half times their regular rate of pay in effect when the holiday occurs, after the end of the calendar

year in which the holiday occurred, provided that no more than three such holidays are permitted in any calendar year all subject to the provisions of Section 1.A below. The employees shall also be entitled to two (2) paid personal days per year at his or her regular rate of pay with such days to be taken with the approval of the Water Reclamation Director.

SECTION 1. A.:

- b. The Safety Committee is staffed on a voluntary basis throughout the term of this agreement; and
- c. The Safety Committee continues to function in its present capacity and performs all tasks and assignments given to it by the employer.

Should any of the above conditions not be met at any time during the term of this agreement, the holiday compensation set forth in Section 1 above shall revert to the employee's regular rate of pay in effect when the holiday occurs as was set forth in the prior collective bargaining agreement between the parties hereto including employees who are scheduled to work on Christmas, Thanksgiving and New Year's Day to be paid at the rate of one and one-half times their hourly rate of compensation for hours worked. However, if the City dissolves the Safety Committee, then the above reversion shall not occur and the holiday compensation shall remain at one and one-half times the hourly rate for hours worked.

SECTION 2. Employees who are required to work on an emergency basis on Christmas, Thanksgiving and New Year's Day shall be compensated for such service at the rate of two times their hourly rate of compensation for hours worked.

ARTICLE 18: SICK LEAVE

SECTION 1. The employees shall accrue, for each eighty hours of service, a sick leave credit in the amount of four and six-tenths hours with pay. The use of such credit shall be permitted for any of the following; personal illness; pregnancy; injury; exposure to contagious disease, and/or illness or injury in the employee's immediate family. Proof of such relationship may be required by the City.

SECTION 3. Sick leave credit shall be cumulative, limited as noted herein. When sick leave is used, it shall be deducted from the employee's accrued balance on an hour-for-hour basis for every hour of absence from previously scheduled work, except that absence from previously scheduled work because of death in the immediate family, with the approval of the Director, not exceeding three days, shall not be so deducted. The appointing authority and/or the Director for each employing unit may require an employee to furnish satisfactory documentation upon

request to justify the use of sick leave by an employee. However, in all instances where medical attention was required or when an absence is for three or more consecutive scheduled work days, the employee may be required to furnish written documentation stating the nature of the illness or injury to justify the use of sick leave. Falsification of any such documentation, or falsely using sick leave, shall be grounds for disciplinary action, including dismissal.

SECTION 4. In the event that an employee is temporarily disabled and uses all of his or her accumulated sick leave, said employee may request that the City continue to provide group hospitalization coverage for the duration of said disability. Such request shall be made in writing to the Mayor for consideration by the Council Finance Committee.

SECTION 5. Previously accumulated and unused sick leave credit of an employee who has been separated from public service shall be placed to his or her credit upon re-employment in public service, provided that such re-employment takes place within ten years from the date of separation.

SECTION 6. Upon the retirement or death of an eligible employee, the employee, or his or her spouse and/or legal representative shall, upon written notification to the City, be entitled to a lump sum payment for the accumulated and unused sick leave credit subject to the limits as detailed in the Solon Codified Ordinances. For the purposes of this section, an employee shall be deemed to be retired when he or she applies for and obtains a retirement pension under pension plans afforded employees as a result of their public employment.

SECTION 7. In the event of the retirement or death of an employee, payment of accumulated and unused sick leave credit shall be determined as follows:

(1) Employees hired prior to January 1, 1989, shall be paid for the first 960 hours of accumulated and unused sick leave credit on an hour-for-hour basis. All sick leave credit in excess of 960 hours shall be paid on the basis of one hour for every three hours accumulated and unused.

(2) Employees hired on or after January 1, 1989, shall be paid for the first 360 hours of accumulated and unused sick leave credit on an hour-for-hour basis. All sick leave credit in excess of 360 hours shall be paid on the basis of one hour for every four hours accumulated and unused.

SECTION 8. On or before December 1, and each year thereafter, an employee credited with sick leave credit up to a maximum of 120 hours per calendar year may elect to convert such credit into a cash benefit, or carry forward such credit to his or her balance. The conditions for the cash conversion shall be as follows:

(1) An employee must have at least 360 hours of sick leave credit at the end of each calendar year, exclusive of the 120 hours of sick leave credit earned for the current year in which the election is made.

(2) An employee may convert all sick leave credit earned and unused during a calendar year of election to a cash benefit at the rate of three-eighths, payable at the employee's current hourly rate, excluding longevity, differentials, bonuses, premium payments, regularly scheduled overtime and all other forms of additional or supplemental compensation. Absent such an election by an employee, the sick leave credit earned and unused in a calendar year will be added to the total accrued sick leave credit balance of the employee.

ARTICLE 19: FUNERAL LEAVE

Funeral leave shall be granted for employees, up to a maximum of three scheduled work days off with pay for attendance of the funeral of an employee's immediate family. Immediate family shall be as defined in Article 18, Section 2.

ARTICLE 20: LONGEVITY PAY

All employees shall be entitled to compensation for longevity, to be paid in equal installments coinciding with the employee's normal pay. Such compensation shall be determined as follows:

Such time shall be calculated at the rate of one and one-half hours of compensatory time for each hour of overtime worked. If the time off request creates the need for another employee to work overtime and the employee is notified of such need at the time the time off is requested, the banked hours will be deducted at the rate of one and one-half for every one hour of time off requested.

ARTICLE 33: CITY OF SOLON IMPLEMENTATION POLICY AND RULES GOVERNING CONTROLLED SUBSTANCE AND ALCOHOL TESTING FOR WATER RECLAMATION EMPLOYEES

A. Introduction

All Bargaining Unit members possessing a Commercial Driver's License (CDL) shall be subject to the Rules and Regulations Governing Drug and Alcohol testing in accordance with Title 49 of the Code of Federal Regulations. The parties are committed to maintaining an efficient, effective and safe work environment in order to safeguard personnel, property, equipment and the citizens being served. The Employer and the public also have a reasonable expectation that employees will be free from the effects of drugs and alcohol. The Employer has the right to expect employees to report for work fit and able for duty. As a result, the Employer and the members of this bargaining unit agree that it is the purpose of this article to absolve or eliminate illegal drug usage and/or alcohol abuse problems through education and rehabilitation of any affected employee.

Employees' action regarding possession and usage of alcohol or drugs, both on and off duty is governed under the Rules and Regulations for the Operation of the Solon Water Reclamation Department and the Employer's Drug Free Workplace Policy. To ensure conformance to the Rules and the goals of a drug and alcohol free workplace, employees will be subjected to alcohol and/or drug testing under any of three distinct circumstances as described in Sections B, C, and D below. Acceptable testing procedures and methodologies are described in Section E, below.

B. Post-Accident Testing

Drug and alcohol testing of employees will be conducted following a motor vehicle accident if all the following conditions exist:

1. While driving a City vehicle the employee is involved in an accident and is cited for a moving violation of any kind, and,
2. Any involved vehicle requires towing from the scene, and,
3. Any personnel involved requires medical treatment away from the scene of the incident, and,
4. Injury occurs that requires medical treatment beyond the first aid and/or lost time, and,
5. Damage to property exceeds \$2,000 (Two Thousand Dollars and 00.100).

C. Reasonable Suspicion Testing

If objective evidence exists and is documented which establishes reasonable cause to believe that an employee's work performance is impaired due to drug or alcohol use or abuse, an employee will be required to submit to drug and alcohol testing. Each time there is cause for reasonable suspicion testing, separate suitable documentation shall be prepared and maintained by the Employer.

D. Random Drug and Alcohol Testing

Employees covered under this Agreement are subject to "random" drug and alcohol testing subject to the procedures and methodologies described in Section E below, at the following percentage:

1. All covered employees will be subject to a random test at a rate of 10% per annum out of the pool of all City employees. - Any bargaining unit member who must have a commercial driver's license as a condition of employment shall be part of the city's commercial driver's license pool for purposes of random drug and alcohol testing with all other provisions of this article to apply.
2. The Human Resources Director shall submit a list of active personnel on the city's payroll to the city's Third Party Administrator who administers the random selection, prior to January 31st of each year. Ten percent (10%) of the active personnel recorded on the list shall be randomly pulled for testing. This list shall exclude CDL driver's currently participating in random testing in accordance with Federal Department of Transportation regulations, Seasonal Employees and any other exempt employee(s) and shall be provided to the bargaining unit.
3. No covered employee will be entered into the pool subject to random drug and alcohol testing until such time as recommended training has been provided by the Employer to meet Ohio B.W.C. minimum standards (two hour training for employees, additional four hour training for supervisors). Newly hired covered employees will be entered into the pool as soon as they have been provided similar training. This required training will also cover the Employer's Drug Free Workplace Policy as it applies under the terms of this Agreement. No covered employee will be entered into the pool subject to random drug and alcohol testing until being provided with a copy of the Employer's Drug Free Workplace Policy, a copy of the Rules and Regulation for the Operation of the Solon Water Reclamation Department, and being given the opportunity to sign an acknowledgement that the training and documents have been received.
4. The Employer will contract with an independent third party to provide random selection services through the use of a computerized random number generation program at the percentage discussed above. To maintain confidentiality of the process, the third party contractor will exclusively have contact with the Director of Public Works and/or the Director of Human Resources for purposes of notifying selected employees that they have been assigned to be tested.
5. As the purpose of "random" testing is to proactively keep employees and citizens safe from the effects of illegal drugs and alcohol in the workplace, all "random" testing of covered employees will be for illegal drugs, amphetamines & opiates, and alcohol. At

the time of each individual test, such testing shall be for illegal drugs, amphetamines, opiates or alcohol.

E. Testing and Methodologies

In an effort to ensure the accuracy, confidentiality and trustworthiness of the process, the following methodologies will be required:

1. Medical Review Officer

The Medical Review Officer (MRO) plays a key role in the testing process, in both interpretations of test results as well as notification of involved parties. As such, the MRO must be a licensed physician in the state of Ohio who maintains current certification from the Medical Review Officer Certification Council (MROCC) or the American Association of Medical Review Officers (AAMRO).

The MRO must examine alternative medical explanations for any positive test results. This action will include conducting a medical interview with the affected employee, review of the employee's medical history and review any other relevant biomedical factors. Upon request, the MRO must review all-medical records made available by the tested employee when a confirmed-positive test could have resulted from a legally prescribed medical medication.

The MRO may not have any business relationship with the laboratory used for testing that causes a conflict of interest or the appearance of a conflict of interest as defined under D.O.T. guidelines.

2. Sample Collection

The collection of samples shall be performed only by health care professionals who are qualified and authorized to do such collections and meet current D.O.T. collection standards and certification requirements, operating under the direction of the MRO approved in subsection E (1) above. Documentation that collectors have met D.O.T. training requirements for both drug and alcohol testing are to be provided to the city's Director of Human Resources by March 1st of each calendar year and provided to the collective bargaining unit.

Blood or urine samples will be submitted as per National Institute on Drug Abuse (NIDA) standards and D.O.T. guidelines under 49 CFR Part 40. Employees have the right to have a witness or a designated representative present during the collection/submission of any sample, unless this causes a delay beyond thirty minutes for such collection/submission.

The collection site will operate using non-federal testing that follows the federal model. A sufficient sample will be collected in all cases to provide for split specimen testing.

The collection site will begin the chain of custody of all samples submitted using the federal model, identifying each specimen through use of an identifying number only with no other employee information. Identities of each employee will be kept in the custody of the MRO/collection site.

3. Alcohol Testing

Preliminary alcohol testing will be by a certified technician as provided for above, using an Evidentiary Breath Testing Instrument. Certification of the instrument designated for use must be provided to the Director of Human Resources prior to March 1st, of each year testing is to occur.

A preliminary test result of .04 grams per 210L of breath will be considered positive. Preliminary test results that are below .04 shall result in the discontinuation of testing. Test results that are positive shall result in an immediate confirmatory test being run. The confirmatory test shall be a second breath alcohol content test unless the bargaining unit member requests a blood alcohol content test. Sample handling procedures as detailed in subsection E (2) above shall apply. A confirmatory test result of .04 grams per 100 ml of blood and/or .04 grams per 210 liters of breath will be considered a positive test result and reported to the MRO.

4. Laboratory Procedures

The laboratory utilized for blood and urine testing will be designated by the Employer after a recommendation of the Teamster Local 436 prior to March 1, of each calendar year in which testing is to take place. The laboratory must have a current certification that it meets College of American Pathologists' Forensic Drug Testing Accreditation standards as well as proof that it is operating with Department of Health and Human Services/Substance abuse and Mental Health Services Administration (SAMHSA) certification.

Strict chain of custody procedures must be followed for all samples as set by NIDA. The Employer and members of Teamsters Local 436 agree that security of submitted biological samples is such a paramount issue that any breach of the chain of custody or apparent tampering with sample integrity results immediately in an invalid sample that may not be used for any purposes. A split sample shall be reserved in all cases for an independent analysis in the event of a positive test result. All samples must be stored in a scientifically acceptable preservation manner as established by NIDA. All positive confirmed samples and related paperwork must be retained by the laboratory for at least one year or for the duration of any grievance, disciplinary action or legal proceedings regarding the sample, whichever is longer. At the conclusion of said period, the sample is to be destroyed along with laboratory maintained paperwork.

The laboratory is authorized to test only for the following drugs or classes of drugs; Marijuana metabolites, cocaine metabolites, opiate metabolites, Phencyclidine and amphetamines. The laboratory shall test only for these substances within the limits of initial and confirmation tests as currently defined by DHHS/SAMHSA. Initial testing will consist of a preliminary immunoassay (EMIT Screen). If initial testing results are negative, testing shall be discontinued. If initial testing results are positive, the results shall be confirmed using gas chromatography/mass spectrometry (GS/MS) techniques.

Under this Agreement, the following cutoff levels shall be used in determining test results as positive or negative:

<u>Drug Class.</u>	<u>Prelim. Cutoff</u>	<u>Confirm. Cutoff</u>
Marijuana metabolites	100 ng/ml	15 ng/ml
Cocaine metabolites	300 ng/ml	150 ng/ml
Opiate metabolites	2,000 ng/ml	2,000 ng/ml
Phencyclidine	25 ng/ml	25 ng/ml
Amphetamines	1,000 ng/ml	500 ng/ml

The laboratory will report to the MRO and subject to the MRO's investigation of alternative medical explanations, positive results in the case where both the preliminary and confirmatory test results are positive as to the same sample and the MRO's independent investigation provides no reasonable alternative medical explanation. All initial and confirmatory testing shall be performed at a certified laboratory and not at any individual collection site.

In the event that tests are altered, invalid, diluted positive or positive test results, upon request to the MRO, each covered employee will be provided with a report of the confirmed positive results of each test that includes the types of tests conducted, the results of each test, the detection level used by the laboratory and any other information provided to the Employer by the laboratory.

F. Positive Test Results

In the case of alcohol testing, if a covered employee tests at a level greater than .04 grams per 210 liters of breath during the preliminary test, that employee will be immediately relieved from duty and not permitted to return to work for 24 hours following the administration of the test. In the event the 24 hour time period overlaps an employee's regularly scheduled shift, the employee may use any leave other than sick or compensatory time, to cover the overlapping time period. No further action will be taken until the results of confirmatory blood tests are received through the MRO.

In the case of a first time positive confirmatory test for alcohol or a positive test for drugs after review by the MRO, appropriate notification and receipt of results as indicated in Section E(4) above, the employee shall be provided the opportunity to participate in and satisfy a rehabilitation treatment program as recommended and administered by the Employer's EAP. Employees who complete such rehabilitation program will be re-tested at random times, once every quarter for the following twenty-four months. Treatment and rehabilitation shall be paid for by the employee's insurance program. Any costs over and above any applicable insurance coverage shall be paid for by the Employer for initial treatment and rehabilitation. Employees will be allowed to use any accrued and earned paid time off for the necessary time off involved in the rehabilitation program. Once the employee successfully completes the required rehabilitation treatment, they shall be returned to regular full duty status. Once all follow-up care has been completed, and five (5) years have passed since the employee entered the program, the employee's personnel file shall be purged of any reference to drug/alcohol testing and treatment.

If an employee declines to participate in the EAP, they shall be immediately subject to disciplinary action as per the Department Rules and Regulations and in accordance with Article 8.

If an employee tests positive for drugs and/or alcohol during the twenty-four month

period after initial entry into the EAP, they shall be subject to disciplinary action as per the Department Rules and Regulations and in accordance with Article 8. The employee shall be solely responsible for any costs, not covered by insurance, which arise from necessary additional counseling or treatment.

If an employee tests positive for drugs and/or alcohol a second or subsequent time, after completion of a required EAP and the passing of the twenty-four month quarterly testing period, they shall be subject to disciplinary action as per the Department Rules and Regulations up to and including discharge and in accordance with Article 8.

Any employee who fails to provide a sample or appear for testing under any of the three testing circumstances in Sections B, C, and D of this Article will be considered to have a positive test result for purposes of disciplinary actions in accordance with Article 8.

G. Employee Rights

Covered employees who voluntarily seek assistance with drug and/or alcohol related problems, shall not be subject to any disciplinary or adverse employment action by the Employer by reason of seeking such assistance, other than the Employer may require reassignment of the employee with pay if he is then unfit for duty in his current assignment. Such assistance must be sought prior to the provision of any biological sample which results in a positive test for the employee.

The Teamsters Local 436 and/or the employee, with or without the Teamsters Local 436, shall have the right to file a grievance concerning any aspect of this Article in accordance with Article 10, including, but not limited to: contesting the basis for reasonable suspicion testing under Section C above, contesting the administration of any required test, contesting the significance and accuracy of any test, and contesting the consequences of any required test or result. The Parties agree that this Article is in no way intended to restrict, diminish or otherwise injure or impair any legal right that an employee may have with regard to such testing. Employees retain any such rights as may exist and may pursue the same at their own discretion, with or without the assistance of the Teamsters Local 436.

Any employee who tests positive for drugs and/or alcohol may request, within **fourteen (14) days** of notification of a positive result, that the separately maintained split portion of the sample that resulted in the positive test be submitted to an independent laboratory, certified as required in Section E (4) above, at the Employee's expense, for independent confirmation of the accuracy of the testing procedures. If such test is negative, the Employer will reimburse the Employee's expense for such independent confirmation.

Test results that result in an employee entering an EAP are "medical records" as defined in Ohio Rev. Code § 149.43 (A)(3) if they are utilized for diagnosis and treatment of a medical condition are therefore **not** public records subject to release by the Employer.

The Employer agrees that any communication, whether verbal, written, electronic or otherwise, made by an employee to any professional involved in an EAP is confidential and privileged. Such communication shall be protected from disclosure unless otherwise legally required. Information about an employee's participation in an EAP shall not be disclosed to anyone without written permission from the employee.

H. Testing Program Costs

The Employer shall pay for all costs involved with drug and alcohol testing as well as expenses related to the MRO, the collection facility, or the independent third party contractor designated to administrate the random selection process. In addition, all employees are required to obtain and maintain any additional licenses or endorsements necessary to perform assigned work.

An employee who loses or who allows or causes the expiration of his/her CDL through negligence or neglect may be subject to disciplinary action. Full-time employees who maintain

Bargaining unit employees are responsible for obtaining all necessary contact hours associated with maintaining the wastewater treatment licensure with the City to reimburse the employee following Article 29 (b) of this Agreement. All employees must renew their license as required by law, with a six month grace period, as a condition precedent to continued employment. Employer shall reimburse for renewal of Wastewater / Lab Analyst Treatment licenses and CWEA Maintenance certifications.

Such annual increase (\$2,080) for each license obtained shall be paid in twenty six (26) equal payments throughout each year. If any bargaining unit member transfers to another division (Maintenance, Operations, or Lab), such member shall be placed by the Director at the grade level and stipend amount that the member qualifies for. Such increase shall be removed if the member stops using such license in his work. The following licenses qualify for this one dollar (\$1.00) per hour stipend:

Grade Level	F	G	H	I
Certifications/License: 1) OEPA (Operator)	Base	I,	II,	III
2) OWEA (Lab)	Base	I,	II,	III

Maintenance personnel currently not eligible to earn additional stipend pay as determined in paragraph 1 of this section, will be eligible to earn a one-time bonus equivalent to one dollar (\$1) an hour (\$2,080.00) upon submittal of a valid CWEA Class III certification. We have two contracts noted as "No wages." We don't have wages negotiated with those unions for the CBA's. I won't have anything to send you on this.

For the water reclamation CBA (IBT 436 BC 12) I have sent in a Memorandum of Understanding detailing what they agreed upon, which was a base rate.

Neither of these contracts have "steps" in the wage scale.

For Water Rec, they receive the base rate and are eligible for up to four \$1 stipends on top of their current rate. They receive the yearly 2.25% agreed upon increase or an increase if they change jobs.

For Building Teamsters (IBT 436 BC 3) they never had agreed upon wages, just increases for what they were already paid. When a new member started the starting wage was worked out with the union rep. However, we now only have one person in this union and will not be hiring any further employees. I can send you what he makes, but once again there aren't any steps in the scale, just the 2.25% agreed upon increase each year.

The above pay information is in the contracts on file. Not sure what you want done about these.

Thanks,

Jessica Vest, PHR
