Accumulated compensatory time usage shall be subject to the approval of the Chief and shall not take preference over authorized vacation time. Accumulated compensatory time may be taken in increments of not less than one (1) hour.

12.03 Employees who work overtime may, as an alternative to payment for such time, elect to accumulate the time not to exceed two hundred forty (240) hours, to be taken at a later date as compensatory time, providing that such accumulation of compensatory time is at one and one-half (1 1/2) time. At the end of each calendar year, compensatory time banks shall be reduced to 200 hours and compensatory hours between 201-240 shall be paid in the first pay period in January at the prior year's rate of pay.

12.04 Any employee who works two (2) consecutive work shifts and calls in sick instead of working his next regularly scheduled work shift shall not be paid the above overtime rates for the second shift worked, unless such employee supplies the Employer with a valid physician's statement that he was sick and unable to work or takes a physical exam from a physician appointed and paid by the Employer certifying such employee was sick and unable to work. The Employer shall decide whether the employee must supply a physician's statement or take a physical examination.

12.05 Employees who are called in to work shall receive a minimum of two (2) hours pay at the overtime rate. The Employer reserves the right to require the employee to work a minimum of two (2) hours. Employees shall receive a minimum of two (2) hours pay at the overtime rate for court. If there is no available Sergeant or the Sergeants decline the overtime opportunity, such shift opening will be filled according to Section 12.09.

12.09 Overtime for shift sick calls shall be filled from the shift immediately prior to the shift that is shorted by seniority. Calls for shift overtime will be distributed in the following manner: 1) Uniformed patrol officers; 2) Uniformed specialized officers; and 3) Detective bureau. 13.04 Sick leave may be used in segments of one (1) hour.

13.05 Before an absence may be charged against accumulated sick leave, the Department Head may require such proof of illness, injury or death as may be satisfactory to him, or may require the employee to be examined by a physician designated by the Department Head and paid by the Employer. In the event, an employee absent for more than three (3) consecutive days must supply a physician's report to be eligible for paid sick leave.

13.06 If the employee fails to submit adequate proof of illness, injury or death upon request, or in the event that upon such proof as is submitted or upon the report of medical examination, the Department Head finds there is not satisfactory evidence of illness, injury or death sufficient to justify the employee's absence, such leave may be considered an unauthorized leave and shall be without pay.

13.07 Any abuse of sick leave or the patterned use of sick leave shall be just and sufficient cause for discipline as may be determined by the Department Head.

13.08 The Department head may require an employee who has been absent due to personal illness or injury, prior to and as a condition of his return to duty, to be examined, by a physician designated and paid by the Employer, to establish that he is not disabled from the performance of his normal duties and that his return to duty will not jeopardize the health and safety of other employees.

13.11 Any employee of the Employer hired between April 1, 1983 and December 31, 1988 who has accumulated sick leave earned from being employed by the State of Ohio or any other political subdivision of the State of Ohio and who has become employed by the Employer within ten (10) years from his termination from such other public employer, shall be allowed to transfer said accumulation to his sick leave accumulation with the Employer, providing that such sick leave accumulation shall be limited to the existing maximum accruable amount in effect at the time of transfer in this Agreement.

13.12 Each employee who has accumulated in excess of nine hundred (900) hours sick leave and has not used all the sick leave hours accumulated since December 31st of the previous year may receive payment for the unused sick leave accumulated during that year to the ratio of one (1) hour of pay for each three (3) sick leave hours (one-third of sick leave accrual for that year) and one (1) hour for each three (3) sick leave hours (one-third of sick leave accrual for that year) will be added to the member's total accumulated sick leave. The eligible employee who has met the threshold amount of sick leave accumulation may, at his option, elect not to take the cash option but may continue to accumulate two-third (2/3) of his accrued sick leave for that calendar year. One-third of the annual unused sick leave shall be forfeited to the City each year upon accrual of the threshold amount. The option to cash out one-third time or to accumulate two-thirds must be made immediately after December 31st. Employees who opt for the cash

conversion of sick leave will be paid in the first pay period in February at the prior year's rate of pay. Upon retirement of a full-time employee who has not less than ten (10) years of continuous service with the Employer and is eligible to receive payments from a state pension plan, shall be entitled to receive a cash payment equal to his hourly rate of pay at the time of retirement multiplied by one-half (1/2) the total number of accumulated and unused sick leave hours, earned by the employee as certified by the Finance Director, providing that such resulting number of hours to be paid shall not exceed six hundred fifty (650) sick leave hours.

13.13 An employee eligible for cash payment pursuant to paragraph 13.12, above, may, at his option, elect to take an early retirement with the monetary value of such cash payment being applied towards said early retirement.

13.14 An employee may, at the sole discretion of the Employer, as a result of injury or illness, be assigned light duty work.

In the event Workers Compensation denies benefits to the employee, the employee shall reimburse the City one-half (1/2) of the injury leave received through reduction of all accrued leaves, current or future.

14.02 If at the end of this ninety (90) calendar day period, the employee is still disabled, the leave may, at the Employer's sole discretion, be extended for an additional ninety (90) calendar day periods, or parts thereof

14.03 The Employer shall have the right to require the employee to have a physical exam by a physician appointed and paid by the Employer resulting in the physician's certification that the employee is unable to work due to the injury as a condition precedent to the employee receiving any benefits under this article. The designated physician's opinion shall govern whether the employee is actually disabled or not, but shall not govern whether the Employer shall extend the period of leave or if the injury was duty related. If there is a conflict between the employee's and Employer's physicians, a third physician shall be consulted whose opinion shall govern. This third physician shall be selected by a mutual agreement between the Employer and the employee, who shall share the costs equally.
