AGREEMENT

Section 1.1. Agreement. This Agreement is made and entered into by and between the Greene County Sheriff's Office, (hereinafter referred to as "Employer", "Agency", or "County") and the Greene County Deputy Sheriff's Benevolent Association, (hereinafter referred to as "the Association" or "Association").

Section 1.2. Purpose.

- A. The purpose of this Agreement is to comply with the requirements of Chapter 4117 of the Ohio Revised Code and to set forth the full and complete understandings and agreements between the parties governing the wages, hours, terms and other conditions of employment for those employees included in the bargaining units as defined herein.
- B. To ensure the right of every employee to fair and impartial treatment and to provide for the peaceful and equitable adjustment of differences which may arise.
- C. To attract and retain qualified employees, achieve and maintain a satisfactory and stabilized Employer-employee relationship and to promote improved work performance.
- D. To assure the effectiveness of service by providing an opportunity for employees to meet with the Employer, either individually or through their representatives, to exchange views and opinions on policies and procedures affecting the conditions of their employment.

Section 1.3. Legal References.

- A. Unless otherwise indicated, the terms used in this Agreement shall be interpreted in accordance with the provisions of Chapter 4117 of the Revised Code. Where this Agreement makes no specification about a matter, the Employer, employees and the Association are subject to all applicable federal, state or local laws pertaining to the wages, hours, and terms and conditions of employment for public employees. However, said laws are not incorporated into this Agreement.
- B. Should any part of this Agreement be held invalid by operation of law or by any tribunal of competent jurisdiction, or should compliance with or enforcement of any part of this Agreement be restrained by any such tribunal pending a final determination as to its validity or affect, the remaining portions thereof or the application of such portions to persons or circumstances other than those to whom or to which it has been held invalid or has been restrained shall remain in force. In the event of invalidation of any portion of this Agreement and upon written request by either party, the parties to this Agreement shall meet within a reasonable time (not to exceed thirty days) in an attempt to modify the invalidated provisions through negotiations.

Section 1.4. Sanctity of Agreement. Unless otherwise specifically provided in this Agreement, no changes in this Agreement shall be negotiated during its duration unless there is written accord by

and between the parties hereto to do so. Any negotiated changes, to be effective and incorporated in this Agreement, must be in writing and signed by the parties.

Section 1.5. Labor/Management Committee. In the interest of sound employee relations, a joint department committee consisting of no more than four (4) members appointed by the Association and four (4) members appointed by Management, unless otherwise mutually agreed to by the parties, may convene whenever the parties wish to discuss subjects of mutual concern. It shall be the express purpose of this committee to build and maintain a climate of mutual understanding and respect and to find solutions to common problems.

ARTICLE 2 **RECOGNITION**

Section 2.1. Recognition. The Association is recognized by the Employer as the exclusive representative for all members identified in the Bargaining Units described in Section 2.2 of this Article in any and all matters relating to wages, hours, and terms and conditions of employment, and the continuation, modification, or deletion of existing provisions of this Agreement.

Section 2.2. Bargaining Units. The Non-Deputies Bargaining Unit is as follows:

ARTICLE 3 **SCOPE OF BARGAINING**

Section 3.1. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any

subject matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Association for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any matter or subject referred to, or covered in this Agreement. With respect to any matter or subject not referred to or covered by this Agreement, the provisions of applicable law shall prevail; however, neither party shall attempt to invoke such legal remedies until that party has first discussed the matter or subject in a Labor/Management Committee meeting. The parties further agree that this Agreement represents the complete Agreement between the parties.

ARTICLE 4 **CLASSIFICATION SYSTEM**

Section 4.1. Classification. The classification of positions within the Employer, the duties assigned to those positions and the methodology used for classification is vested with the Employer. Whenever a new bargaining unit classification is established, the Employer shall notify the Association in writing of the effective date of the change. The parties shall meet to discuss whether the new position will be included in the bargaining unit.

Section 4.2. Rate of Pay. A rate of pay shall be assigned to each new classification by the Employer, subject to agreement by the union. If agreement is not reached, the wage rate shall be subject to the provisions of Article 9, the Grievance Procedure.

ARTICLE 5 **NON – DISCRIMINATION**

Section 5.1. The provisions of this Agreement shall be applied uniformly to all employees in the union without discrimination.

Section 5.2. Gender. All references to employees in this Agreement designate both sexes, and wherever the male gender is used it shall be construed to include male and female employees.

Section 5.3. Association Membership is Voluntary. Joining the Association and continuing or not continuing in membership shall be voluntary acts by any employee. The Employer and the Association shall not interfere in any way with an employee's exercise of his right to be or not to be a member of the Association, nor shall they discriminate against any employee because of his membership or non-membership in the Association.

Section 5.4. Reasonable Accommodations. Notwithstanding any other provision in this Agreement, the Employer may take any action required under the Americans With Disabilities Act to make a reasonable accommodation to a disabled employee.

ARTICLE 6 **MANAGEMENT RIGHTS**

Section 6.1. Enumeration of Specific. The Association shall recognize the right and authority of the

Employer to administer the business of the Office, and in addition to other functions and responsibilities which are not specifically mentioned herein, the Employer has and will retain the full right and responsibility to direct the operations of the Office, to promulgate rules and regulations and to otherwise exercise the prerogatives of management, except to the extent modified by this Agreement, including but not limited to the following:

- A. To manage and direct its workforce, including the right to select, hire, promote, transfer, demote, assign, evaluate, layoff, recall, reprimand, suspend, discharge, reward or discipline for cause, and to maintain discipline among employees;
- B. To manage and determine the Employer's goals, objectives, programs and services; budget; the location, type and number of physical facilities, equipment, programs; the work to be performed; and utilization of technology;
- C. To determine the size and composition of the work force and the Employer's organizational structure, including the right to relieve employees from duty due to lack of work, austerity programs, and any other legitimate reason;
- D. To determine the hours of work and work schedules;
- E. To determine when a job vacancy exists, the duties to be included in all job classifications, and the standards of quality and performance to be maintained;
- F. To determine necessity to schedule overtime and the amount required thereof;
- G. To declare an emergency in the event of civil insurrection or acts of God and take any and all actions as may be necessary to carry out the mission of the Employer in those emergency situations;
- H. The Employer may reassign a non-deputized function or duty to another County agency only after advance notice to the Association, subject to the grievance procedure and/or action with the SERB. The Employer must demonstrate that such reassignment would be in the interests of efficiency, economy, or productivity. This right shall not be used for the purpose of discriminating against any employee.

Section 6.2. Residual. The Association recognizes and accepts that all rights and responsibilities of the Employer not specifically modified by this Agreement shall remain the function of the Employer.

ARTICLE 7

ASSOCIATION SECURITY

Section 7.1. Deduction of Dues. The Employer agrees to deduct the Association dues once each month from the pay of any bargaining unit employee upon receiving written authorization signed individually and voluntarily by the employee. The Employer will deduct dues from the payroll check for the next pay period in which the Association dues are regularly deducted.

The Employer agrees to deduct Lodge/F.O.P. membership dues each month in the amount authorized in writing from the pay of any employee so requesting.

Section 7.2. Correction of Deduction. Deductions provided for in this Article shall be made during one (1) pay period each month. In the event a deduction is not made for any member during any particular month, the Employer upon written verification from the Association, will make the appropriate deduction from the following pay period in which dues are regularly deducted if the total deduction does not exceed the total of two (2) months regular dues. The Employer will not deduct more than two (2) months regular dues from a single pay of any member.

Section 7.3. Termination of Deduction. The Employer shall be relieved from making such deduction upon (a) termination of employment, or (b) transfer to a job other than one covered by the bargaining unit, or (c) revocation of the deduction authorization in accordance with its terms or with applicable law.

Section 7.4. Limitation of Deduction. The Employer shall not be obligated to make dues deductions of any kind from any employee who, during any dues month involved, shall have failed to receive sufficient wages to equal the dues deduction.

Section 7.5. Error in Deduction. It is agreed that neither the employees nor the Association shall have a claim against the Employer for errors in the processing of deductions unless a claim of error is made to the Employer in writing within sixty (60) days after the date such an error is claimed to have occurred. If it is found an error was made, it will be corrected at the next pay period that the dues will normally be deducted. Payroll collection of dues shall be authorized for the exclusive bargaining agent only.

Section 7.6. Certification by Association. The rate at which dues are to be deducted shall be certified to the payroll clerk by an Official of the Association at such times during the term of this Agreement as is necessary to be accurate. A one (1) month advance notice must be given the payroll clerk prior to any changes in an individual's dues deduction.

Section 7.7. Fair Share Fee. (A) As a condition of employment, sixty (60) days following the beginning of employment, or upon the effective date of this Agreement, whichever is later, employees in the bargaining unit who are not members of the Association, including employees who resign from membership in the Association after the effective date of this Labor Agreement, shall pay the Association, through payroll deduction, a fair share fee. The fair share fee is automatic and does not require the written authorization of the employee. This provision shall not require any employee to become or remain a member of the Association, nor shall the fair share fee exceed the dues paid by members of the Association in the same bargaining unit. The Association is responsible for annually certifying to the Employer the amount of the fair share fee. The fair share fee shall not be used to finance political and/or ideological activity. The fair share fee is strictly to finance the proportionate share of the cost of collective bargaining, contract administration and pursuing matters directly affecting wages, hours and other terms and conditions of employment of bargaining unit members. The Employer shall implement the fair share deductions subject to the provisions of this Section. The Association shall prescribe a rebate and challenge procedure which complies with ORC Section 4117.09 (C), federal law and any judicial decisions interpreting such

laws. The Association agrees to abide by all rules and decisions of the State Employment Relations Board or the courts in regard to the fair share fee deductions. Public employees who are members of and adhere to established and traditional tenets and teachings of a bona fide religion or religious body which has historically held conscientious objections to joining or financially supporting an employee organization, as set forth in Section 4117.09 (C), Ohio Revised Code, shall have such alternative contribution rights as are provided by law under such conditions and in accordance with such procedures as are required by law.

(B) It is further agreed that the Association shall defend, and save the Employer harmless against any and all claims, demands, suits, or other forms of liability which may arise out of or be by reason of action taken or not taken by the Employer in fulfilling the obligations imposed on the Employer under this Article, except for failure to forward deducted fee.

Section 7.8. Indemnification. It is specifically agreed that the Employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article, and the Association hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions or proceedings by any employee arising from deductions made by the Employer hereunder.

Section 7.9. Remitting Deductions. The Employer agrees to furnish the Association once each calendar month, a warrant in the aggregate amount of the dues and fees deducted for that calendar month, together with a listing of the employees for whom said deductions are made. All dues and fees collected under this Article shall be paid by the Employer within thirty (30) days to the Greene County Sheriff's Benevolent Association, P.O. Box 69, Xenia, OH. 45385. Once the funds are remitted to the Association, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Association.

Section 7.10. Bulletin Board. The Employer agrees to provide to the Association a bulletin board in each Section of the Employer which may be used by the Association for posting notices. Association notices relating to the following matters may be posted without the necessity of receiving the Employer's prior approval:

- 1) Recreational and social events;
- 2) Election and election results;
- 3) Notice of Association Appointments;
- 4) Notices of membership meetings and reports and minutes thereof.

If the Association desires to post any other information or material, the Association shall first submit same to the Employer for his approval. The Employer shall have the sole discretion to approve or disapprove of said posting(s). The Association agrees not to post any materials of a defamatory, political or libelous nature.

Section 7.11. Association Meetings. The Association shall be permitted, upon prior notification to the Employer, to hold meetings at an Employer controlled building, room or facility when such facilities have not been previously scheduled for other business. The notification required under this Section shall be in writing, shall be delivered to the Employer at least one full work day (Monday

through Friday) prior to the time of the meeting, and shall state the date, time and requested location of the meeting.

If it is not practicable for the Employer to provide the requested location to the members, the Employer will so notify the requesting party.

ARTICLE 8
ASSOCIATION REPRESENTATION

Section 8.1. Association Representative. Representative(s) of the Association shall be admitted to the Employer's facilities for the purpose of processing grievances or attending meetings as permitted herein. Upon arrival, the Association representative shall identify himself to the Employer or the Employer's designee.

The Employer shall recognize no more than ten (10) employees designated by the Association to act as representatives for the purposes of processing grievances in accordance with the Grievance Procedure. The employees so designated shall be recognized as representatives provided herein. The Deputies unit shall have one (1) designated representative, the Corrections unit shall have one (1) designated representative, the non-sworn unit shall have one (1) designated representative, the Supervisors unit shall have one (1) designated representative. The Association may have an additional six (6) at large representatives. Any representative that is directly involved in a matter shall not act as a representative in the matter.

Section 8.2. Roster of Association Representatives. The Association shall provide to the Employer an official roster of its officers and representatives which is to be kept current at all times and shall include the following:

- (1) Name
- (2) Address
- (3) Home Telephone Number
- (4) Association Position held

No employee shall be recognized by the Employer as a representative until the Association has presented the Employer with written certification of that person's selection.

Section 8.3. Activities of Association Representatives. A steward will be permitted leave with pay to investigate and process grievances during working hours, provided the steward first obtains the permission of his immediate supervisor and the permission of the supervisor of any employee with which the steward intends to speak. Such permission shall not be unreasonably withheld.

Section 8.4. Training. The Association may request up to a total of eighty (80) hours of leave annually for elected Association officers only to attend conventions or training. The above time off for Association representatives shall be days off with full pay at no expense to the employee's vacation, compensatory, wellness or sick leave. This total is cumulative for all bargaining units in the Greene County Sheriff's Office.

The Association President shall at least ten (10) days prior to the date of the function submit to the Employer written notice identifying the function, who is attending, and indicate the starting and ending dates and applicable scheduled hours for each employee. The Employer will approve the request within three (3) days of receipt. The Association shall make an effort not to create a hardship on the employer by sending representatives from the same shifts to a function. No leave shall be requested for the period of July 1st through August 15th. The Association will not request to have more than two (2) elected officers off the same shift from the same division that would cause overtime at the time of the requested leave.

ARTICLE 9

GRIEVANCE PROCEDURE

Section 9.1. Definition. A grievance is any dispute which a bargaining unit employee has concerning the interpretation, application, or alleged violation of the express provisions of this Agreement.

Section 9.2. Jurisdiction. Nothing in this grievance procedure shall deny employees any rights otherwise available by law to achieve redress of their legal rights. However, the parties agree that this grievance procedure supersedes the availability of the civil service appeal process and the State Personnel Board of Review.

Section 9.3. Representation. A grievance may be brought by any employee covered by this Agreement. Where a group of employees desire to file a grievance involving an incident affecting several employees in the same or similar manner, the Association or one employee selected by the group may process the grievance. Such a grievance shall be designated as a group grievance. The names of each employee, on behalf of which the grievance is filed, shall be made available at the first hearing. Whenever a time limit ends on a Saturday, Sunday, or a Holiday, the end of the time limit shall run until the end of the next day which is not a Saturday, Sunday or Holiday.

Section 9.4. Written Grievance. All written grievances must contain the following information to be considered and must be filed using the grievance form mutually agreed upon by the parties.

- A. Grievied employee's name and signature.
- B. Grievied employee's classification.
- C. Date grievance was first discussed and name of supervisor with whom the grievance was discussed.
- D. Date grievance was filed in writing.
- E. Date and time grievance occurred.
- F. The location where the grievance occurred.
- G. A description of the incident giving rise to the grievance.
- H. Specific sections of the Agreement violated.
- I. Desired remedy to resolve the grievance.

NOTE: A grievance involving lost pay for discipline shall be initiated at Step 3 of the grievance procedure. Oral and written reprimands may be grieved through Step 3 of the grievance procedure; however they are not subject to arbitration.

Section 9.5. Procedures. All grievances are to be settled in accordance with the grievance procedure set forth below:

A. Step 1: An employee having an individual grievance will first attempt to resolve it informally with his immediate supervisor. Such attempt at informal resolution shall be made by the employee with or without Association representative, within fourteen (14) calendar days following the events or circumstances giving rise to the grievance having occurred or within fourteen (14) calendar days of when the events or circumstances should have become known to the employee. At this Step, there is no requirement that the grievance be submitted in writing. If the employee is not satisfied with the oral response from his immediate supervisor, which shall be given within fourteen (14) calendar days of the submission of the grievance at this step, he may pursue the steps which follow. Before a grievance and proposed solution are placed in writing such grievance shall be screened by the Grievance Chairperson, or appropriate alternate, if the employee intends to use Association representation in the procedure.

B. Step 2: If the grievance is not resolved at Step 1, the employee, with the appropriate Association representative, if applicable, shall reduce the grievance to writing and shall refer the grievance to the Captain/Major or his designee within fourteen (14) calendar days following the event or circumstances giving rise to the grievance having occurred, or within fourteen (14) calendar days of when the events or circumstances should have become known to the employee. The Captain/Major shall have fourteen (14) calendar days in which to schedule a meeting, if he deems such necessary, with the aggrieved employee and his representative, if applicable. The Captain/Major shall investigate and respond in writing to the grievance within fourteen (14) calendar days following the meeting date.

C. Step 3: Should the employee not be satisfied with the answer at Step 2, within fourteen (14) calendar days thereafter, he may appeal the grievance to Step 3 by delivering a copy of the grievance form and any pertinent documents to the office of the Sheriff, or his designee. The Sheriff or his representative shall date the form, accurately showing the date his office received the form.

Within fourteen (14) calendar days of his receipt of the grievance form, the Sheriff, or his designated representative for this purpose, shall investigate the grievance and shall schedule and conduct a meeting to discuss the grievance with the employee. The employee may bring the appropriate grievance representative to the meeting. In the meeting called for at this Step, the Sheriff, or his representative designated for this purpose, shall hear a full explanation of the grievance and the material facts relating thereof.

Within fourteen (14) calendar days of the meeting in this Step, the Employer shall submit to the Association and the employee the written response to the grievance.

D. Step 4: Arbitration. If the grievance is not settled in accordance with the foregoing procedure, the Association may refer the grievance to arbitration. The Association must make written notification to the Employer of the intent to arbitrate within twenty-one (21) calendar days after the Step 3 answer was received. The parties shall immediately and jointly request the Federal Mediation and Conciliation Service to submit a panel of seven (7) arbitrators. The parties shall select an arbitrator by alternately striking names from the list until one name remains. The parties

shall alternate making the first strike. The arbitrator shall be notified of his selection by a joint letter from the Employer and the Association requesting that he set a time and date, subject to the availability of the Employer and Association Representatives. All arbitration hearings shall be held in Xenia, Ohio (unless the parties mutually agree otherwise). The question of arbitrability of a grievance may be raised by either party before the arbitration hearing of the grievance, on the grounds that the matter is non-arbitrable or beyond the arbitrator's scope of authority or jurisdiction. The first question to be placed before the arbitrator will be whether or not the alleged grievance is arbitrable. The arbitrator will decide the question of arbitrability before consideration of the merits. The arbitrator shall have no right to amend or recommend to amend, modify, nullify, ignore, add to or subtract from the provisions of this Agreement. He shall only consider and make a decision with respect to the specific issue submitted, and shall have no authority to make a decision on any other issue not so submitted to him. The arbitrator shall be without power to make a decision contrary to or inconsistent with or modifying or varying in any way the application of laws and rules and regulations having the force and effect of law or any Board of Greene County Commission Resolution, except as such are invalidated or superseded by this Agreement. The arbitrator shall submit in writing his decision within thirty (30) calendar days following close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to a written extension thereof. The decision shall be based solely upon his interpretation of the meaning or application of the express terms of this Agreement and the facts of the grievance presented. The arbitrator's decision and award shall be final and binding upon both parties. The fee and expenses of the arbitrator shall be shared equally by the parties; provided, however, that each party shall be responsible for compensating its own representatives and witnesses, and purchasing its own copy of the written transcript.

Section 9.6. Consolidation of Grievances. Two or more grievances may not be joined or consolidated for hearing by an arbitrator except upon the express mutual agreement of the parties.

Section 9.7. Probationary Employees. This grievance procedure is not available to any employee for any disciplinary action while serving his initial probationary period.

Section 9.8. Time Limits. The parties may by mutual written agreement waive any steps or any of the time limits of this Article. If a written grievance is not presented within the time limits set forth in Step 2 above, it shall be considered waived. If a grievance is not appealed to the next Step within the specified time limit (or any agreed extension thereof) it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance within the specified time limits, the grievance may be advanced to the next step. Notwithstanding the above, time limits shall be waived during the entire hospitalization of any aggrieved bargaining unit member. The parties may by written notice delivered to the other party prior to the expiration of an expressed time limit receive a three (3) calendar day extension to answer or appeal any Step of the Grievance Procedure.

Section 9.9. Witnesses. At each step prior to Step 4, both the employee and the Employer shall have the right to present witnesses as are necessary for the explanation and investigation of the grievance. The employee shall give twenty-four (24) hours advance notice to the Employer of the name(s) of any witness(es) requested before the applicable Step of the Grievance Procedure. The Employer reserves the right to compensate any employee witness(es) attending a grievance meeting

on behalf of the aggrieved employee. The aggrieved employee shall not suffer a loss of pay while attending the necessary steps of this procedure.

Section 9.10. Pre-arbitration Process. Either party may request, in writing, a pre-arbitration meeting and a meeting shall be conducted. Such meeting shall be for the purpose of meeting to discuss the merits of the grievance. Requests for such meeting shall be in writing and presented/served on the other party at least thirty (30) calendar days after the Step 3 written answer. A meeting shall be scheduled for a date no later than fourteen (14) days after receipt of request for a pre-arbitration meeting, unless the parties agree otherwise.

ARTICLE 10

INTERNAL REVIEW AND CORRECTIVE ACTION

Section 10.1. Investigation Procedure.

- A. At any time an inquiry concerning an employee occurs when the Employer believes that disciplinary action of record (reprimand of record, suspension, reduction, or removal) will or may result, the employee will be notified when he is first questioned, that such result is possible.
- B. Preliminary Investigation: Preliminary investigation meetings may be taped or electronically recorded by either party after notification has been made to the other participants and a copy provided to the other party upon request. Live transmissions of the meeting shall be prohibited.
- C. Complaints/Investigations: When any anonymous complaint is made against an employee, the Sheriff or his designee may investigate, and if there is no corroborative evidence, the complaint shall be classified as unfounded and no action will be taken.
- D. Before an employee may be charged with insubordination or like offense for refusing to answer questions or participate in an investigation, he shall be advised that such conduct, if continued, may be the basis for such a charge. If an employee desires, he shall be given a reasonable opportunity to consult with an Association Representative before being required to answer questions. During all questioning the employee may, upon request, be accompanied by an available Association Representative.
- E. Use of Polygraphs: The Employer will not use a polygraph machine or other mechanical or chemical means to determine the truth of statements made by employees without the consent of the employee.
- F. Conclusion of Investigation: Any employee who has been under investigation shall be informed, in writing, of the outcome of the case at the conclusion of the investigation. All investigations shall be completed as expeditiously as circumstances permit.
- G. The Employer agrees that all disciplinary procedures shall be carried out in private and in a businesslike manner.

Section 10.2. Formal Internal Review.

- A. Affected employees will be notified in writing of an internal affairs investigation within 72 hours of the start of an investigation, unless such notification will jeopardize the investigation. The notification shall be from the Chief Deputy, or his designee, outlining the allegations made against the employee. To achieve a speedy resolution to internal affairs issues, an internal affairs investigation will generally be completed within 30 days. If additional time is required for investigation, a letter must be completed and submitted to the Chief Deputy detailing the reason for the request for extension. A copy of such letter shall be provided to the affected employee, unless such notice shall jeopardize the investigation.
- B. The employee will be advised if he/she is the focus of the investigation and whether the potential charges, either criminal or administrative, are pending. The employee will be given a copy of the complaint. Upon request of the employee, he/she shall be given reasonable time to acquire representation.
 - 1. When an employee is to be interviewed as a witness in an investigation of any other employee, he/she shall be advised of the circumstances pertaining to the complaint in question.
- C. Any interrogation, questioning, or interviewing of an employee will be conducted at hours reasonably related to his shift, preferably during, or immediately prior to or after his working hours, unless the situation dictates otherwise. Interrogation sessions shall be for reasonable periods of time, and time shall be allowed during such questioning for rest periods and attendance to other physical necessities. All such questions of an employee may be recorded by either party including comments before and after questioning. If either party desires to record any meeting, they must notify the other party prior to recording. Any employee subject to questioning, interrogation or interviewing that takes place after an employee's work hours will be paid time and one half for all time spent in such interviews and interrogations or questioning.

Section 10.3. Corrective Action.

- A. No employee shall be reduced in pay or position, suspended, removed, or reprimanded except for just cause.
- B. The principles of progressive disciplinary action will be followed with respect to minor offenses. The progression may include an oral reprimand (which may be recorded in writing), written reprimand and a suspension prior to dismissal. It is agreed and understood that in some instances, certain acts or actions warrant more severe disciplinary action, including removal.
- C. Formal disciplinary hearings may be tape recorded by either party after notifying the other party that they will be tape recording the hearing. A copy of any such recording shall, at the request of the other party, be provided to the other party within three (3) days following the

close of the hearing. If a transcript of the tape is made, the other party will be provided a copy of such transcript within three (3) days of completion.

- D. In lieu of suspension without pay of ten (10) days or less, an employee may request to forfeit accrued vacation leave or compensatory time on an hour for hour basis. Should the parties agree to a forfeiture of such leave, it shall constitute corrective action of record. Such forfeiture shall be noted in the employee's personnel file and shall constitute the final resolution of the agency charges.
- E. Records of oral reprimands shall cease to have force and effect or be considered in future discipline matters after twelve (12) months of active service has elapsed providing there are no intervening disciplinary actions during that time period. - A. For each hour in active pay status, up to a maximum of eighty (80) hours per pay period, excluding overtime hours, full time and regularly scheduled part time employees shall earn .0575 hours of sick leave.
- B. For purposes of ten (10) and twelve (12) hour schedules, a day of absence due to illness is ten (10) or twelve (12) hours or use of Kelly time, if applicable.

Section 26.2. Sick Leave Use. An employee may request sick leave by following the procedure outlined in Section 26.4 of this Article. Sick leave may be requested for the following reasons:

- A. Illness or injury of the employee;
- B. Illness or injury of a member of the employee's immediate family where attention by the employee is reasonably necessary;

- C. Exposure of employee or a member of his or her immediate family to a contagious disease which would have the potential of jeopardizing the health of other employees;
- D. Medical, dental, mental or optical examination or treatment of employee or a member of his or her immediate family;
- E. Pregnancy, childbirth and/or related medical conditions (leave by a father for childbirth shall be limited to five (5) days unless there are unusual medical circumstances);
- F. Death of a member of the immediate family as defined in Section 26.7. Such usage shall be limited to a reasonably necessary period of time, not to exceed five (5) days. Sick leave used for death in the immediate family will not affect any attendance incentive benefit;
- G. Leave that meets the criteria of the Family and Medical Leave Act. Accrued sick leave time must be utilized and shall count toward the 12-week FMLA leave. Many of the reasons for use of sick leave also qualify as FMLA leave. The period for determining whether the 12-week entitlement has been exhausted is defined by the Employer as a uniform rolling 12-month period measured backward from the first date of the approved FMLA leave; and
- H. Donation of leave to a co-worker pursuant to Section 26.11 of this Article.

Employees should make every effort to preserve their sick time benefits and schedule regular medical or dental appointments during time off. If they are scheduled during work hours, the approval of the immediate supervisor is necessary. Whenever possible, make appointments near the end of the work day to minimize sick time use. Any occurrence of illness, injury, or medical disability of three (3) days or more shall require a doctor's release to return to work stating the reason for the absence.

Section 26.3. Notification. An employee who is unable to report for work must notify, by telephone or other means of communication the immediate supervisor or other designated person in accordance with the Employer's policy as soon as possible.

Section 26.4. Payment. Upon return to work, prior to starting work, the employee shall formally request sick leave by completing his/her portion of the employer's request for leave form and submit it to the supervisor. If the request for leave is denied and as a result the employee has been overpaid, such overpayment shall be deducted from the employee's next pay.

Section 26.5. Misuse of Sick Leave. Any employee failing to comply with the Article on sick leave shall not be entitled to pay. Application for sick leave with the intent to defraud shall result in disciplinary action. Altering a physician's statement shall be grounds for immediate dismissal.

Section 26.6. Payment of Sick Leave Only Upon Death or Retirement. Upon death or retirement, after ten (10) years of service, employees may elect to be paid for accrued and unused sick leave. This payment shall be at the employee's rate of pay at the time of retirement. Accepting the cash payment eliminates all remaining sick leave balance up to that time. The rates of payment are set forth in A through D below:

- A. Ten or more years of service: 25% up to a maximum of 1/4 of 120 days, or a maximum of thirty (30) days.
- B. Twenty or more years of service: 33% up to a maximum of 1/3 of 120 days, or a maximum of forty (40) days.
- C. Twenty Five or more years of service: 40% up to a maximum of 2/5 of 120 days, or a maximum of forty-eight (48) days.
- D. Thirty or more years of service: 55% of 120 days, or a maximum of sixty-six (66) days.

Section 26.7. Definition of Immediate Family. Grandparents, brother, sister, brother-in-law, sister-in-law, daughter-in-law, son-in-law, father, father-in-law, mother, mother-in-law, spouse, child, step-child, grandchild, a legal guardian or other person who stands in place of a parent.

Section 26.8. Prior Sick Leave Credit. Employees hired after January 18, 1986 will not be entitled to the sick leave prior service balance earned in other State or local government agencies in Ohio during previous periods of employment.

Section 26.9. Perfect Attendance Incentive Pay/Wellness Leave. (A) Full-time employees who use no sick leave nor have any unpaid absence during the periods of December 1 through March 31, April 1 through July 31, or August 1 through November 30 will be entitled to one (1) day of perfect attendance incentive for each such period. Part-time employees will be entitled to such incentive on a pro-rata basis.

(B) An employee eligible for incentive for any period may opt at the end of that period for one (1) day of wellness leave or for one (1) day of pay to be payable in a lump sum payable on or prior to December 20. Lump sum payments will not be deducted from sick leave balances.

Section 26.10. Wellness Leave.

- A. Employees shall schedule the wellness leave with their immediate supervisor as far in advance as is possible. Employees will be required to notify their immediate supervisor within the time limits established by the Sheriff. In no event, however, may wellness leave be taken with less than twenty-four (24) hours notice.
- B. There shall be no provision to allow conversion of the wellness leave to cash.
- C. The supervisor shall be solely responsible for approval of Wellness leave.
- D. Wellness leave may be taken in no less than four (4) hour increments, or the equivalent of one-half work day.
- E. Earned Wellness leave must be used by December 31 of the following year. Earned Wellness leave will be forfeited if not used by December 31 of the following year.

Section 26.11. Catastrophic Sick Leave Donations. These donations are to assist those full-time, regular, non-probationary, employees who are placed on an unpaid medical-related leave of absence due to a non-occupational catastrophic illness or injury, or who have a terminally ill or injured spouse or child, after exhausting all other available paid leave. This program does not supersede nor replace other disability or retirement programs. This program is administered county wide by the Personnel Department.

Section 26.12. Definition of "catastrophic illness or injury." For purposes of this Policy, the term "catastrophic illness or injury" shall include only those non-occupational illnesses or critical injuries of the Employee, or his/her terminally ill or injured spouse or dependent where the unpaid medical leave of absence will continue at least thirty (30) calendar days.

Section 26.13. Application for donation. Applications for catastrophic illness or injury sick leave donation must be submitted to the Employer in writing. Applications will include, but not be limited to, the following information:

- A. The nature of the claimed catastrophic illness or injury;
- B. Physician(s) diagnosis and prognosis of the catastrophic illness or injury;
- C. Projected date of return to duty;
- D. The Employer will provide the applicant's sick leave usage record; the Employee may provide an explanation of previous leave usage; and
- E. Any other pertinent information the applicant wishes to submit to the Sheriff for his consideration.

Section 26.14. Approval. Requests for catastrophic sick leave donations will be subject to approval by the Sheriff whose decision will be final and not subject to grievance or arbitration procedures.

Section 26.15. Posted notice. When the Employer approves a request for donated sick leave, a notice will be posted informing Employees of a particular Employee's need for assistance.

Section 26.16. Donor eligibility. Any donations made pursuant to this provision must be VOLUNTARY. Employees will be eligible to donate a minimum of one work day and a maximum of eighty (80) hours of sick leave annually if:

- A. The Employee is actively at work and will maintain a sick leave balance of eighty (80) hours after the donation of any sick leave; and
- B. The Employee has completed and submitted a Sick Leave Donation Form to the immediate supervisor.

Section 26.17. Use of donated sick leave.

- A. A recipient may use donated sick leave only after having exhausted his or her own accrued paid leave.
- B. Donated sick leave will be used in place of the Employee's regularly scheduled hours of work to the extent necessary.
- C. No sick leave, vacation leave or other applicable benefits shall accrue to the Employee for any hours paid through donated sick leave.
- D. Donated sick leave pay shall not affect the effective date of the qualifying event for purposes of offering continuation of the County's health insurance program.
- E. Attendance and payroll records shall denote a "DSL" for time paid through donated sick leave.

Section 26.18. Unused donated sick leave. If a recipient does not use all donated sick leave during the leave of absence, the unused donations will be returned to all donors on a pro-rata basis.

ARTICLE 27 **LEAVES OF ABSENCE**

Section 27.1. Disability Leave/Medical-Related Leave of Absence:

(a) Employees who are/or become physically or mentally incapacitated for the performance of the duties of their position may be granted a disability leave or medical-related personal leave of absence without pay, provided the disability continues in excess of accumulated sick leave and provided the established procedures are followed.

(b) In cases where the employer has reason to believe that the period of disability will not exceed six (6) months, the employee will be given a disability and/or medical-related personal leave of absence without pay. The Employer may require a medical examination conducted by a licensed physician. If the disability extends beyond the six month period, the employee will be given a disability separation. The employee who is given a disability separation has reinstatement rights for one (1) year from date of separation. If the employee recovers and wishes to return to work from the leave within one year, he will be reinstated within thirty days after making written application if suitable work is available, and after establishing they are qualified for return and have current basic OPOTA certifications. The Employer may also require a medical examination to be conducted by a County-designated licensed physician before authorizing a return to work.

Section 27.2. Personal Leave of Absence Without Pay: Employees may be authorized, with Employer approval, to take an unpaid leave of absence for personal (non-medical) reasons, including child care reasons, without loss of employment rights, and is limited to a maximum duration of six (6) months.

Section 27.3. Military Leaves. The Employer shall comply with applicable State and Federal Law concerning military leave.

Section 27.4. Education Leave of Absence/Governmental-Sponsored Program Leave of Absence. Leave of absence may be granted for a maximum period of two (2) years for purpose of education or training which, in the Employer's opinion, would be a benefit to the Employer. Renewal or extension beyond the two-year period shall not be allowed.

Section 27.5. Court Leaves:

A. With Pay. The Employer shall grant a minimum of three (3) hours court leave with pay to an employee when:

1. Summoned for jury duty by a court of competent jurisdiction;

2. Subpoenaed or directed by the Employer to appear before any court, commission, board or other legally constituted body authorized by law to compel the attendance of witnesses, where an employee is not a party to the action: or
3. The Employee is required to attend a court appearance on their regular scheduled day off.
4. An employee shall not receive such minimum pay for work or duties that are contiguous to the employee's work schedule, but instead, shall be compensated at the overtime rate for all hours worked. Contiguous mean up to two hours before or two hours after the employee's regularly scheduled work day. Employees are required to confirm their required appearance in court prior to the court date and/or as listed on the subpoena.

Compensation or reimbursement for jury duty or for court attendance compelled by subpoena, when such duty is performed during their normal working hours, shall be remitted to the payroll officer for transmittal to the Greene County Treasurer.

- B. Without Pay. A leave of absence without pay may be granted to an employee when appearing before a court or other legally constituted body in a matter in which an employee is a party. Such instances include, but are not limited to, criminal or civil cases, traffic court, divorce proceedings, custody or appearing as directed as parent or guardian of juveniles.

Section 27.6. Assault Leave.

- A. Any employee who is disabled as a result of a physical act by a third party incurred in the active discharge of duty (which injury is not the result of "horseplay" or negligence by the employee or while commuting to/from work) suffered in the discharge or performance of his duty shall be entitled to receive his full salary during the period of disability, but in no case for a longer period than seven (7) calendar days (56 hours), without using accumulated sick leave.
- B. The following conditions will apply to assault leave:
1. The employee must file a workers' compensation claim to qualify for assault leave.
 2. The employee must submit statement by a physician which shall include a diagnosis and an estimate of recovery time to justify use of assault leave.
 3. If the Employer still disputes the assault/injury leave request, the employee shall submit himself to a physical examination conducted by a doctor chosen and paid for by the Employer.
 4. If the doctor chosen by the Employer disagrees with the employee's doctor, the parties will wait until the Industrial Commission decides the workers' compensation claim. If the claim is allowed, the employee will be paid his assault leave. On the

issue of assault leave, the decision of the Industrial Commission on the employee's worker's compensation claim will be determinative. If the claim is disallowed, the time off will be deducted from sick leave, or if there is no sick leave, from vacation or compensatory time. No subsequent court decision on the workers' compensation claim will affect assault leave and the decision of the Industrial Commission will not be subject to the grievance procedure.

5. If the claim is allowed and the employee receives compensation for all or any part of the initial seven (7) days of disability, the employee must repay the Employer any amount so received.

Section 27.7. The Family and Medical Leave Act. Except as provided otherwise in this Agreement, an employee will be entitled to FMLA Leave of Absence pursuant to the County's Policy.

Section 27.8. General Information. The above referenced leaves of absence require written request and supervisory approval prior to being granted a leave. Application for a leave of absence with or without pay with the intent to defraud will result in disciplinary action up to and including dismissal, and will require a refund to the County of salary or wages paid to the employee.

During leaves of absence without pay, other than FML, hospitalization and life insurance benefits are suspended while the employee is on leave in accordance with the County's defined schedule. The Employer will advise an employee of the date of suspension of benefits, conversion privileges and other relevant information. Upon return to work, benefits will be reinstated.

ARTICLE 28

TUITION REIMBURSEMENT

Section 28.1. Policy. The Employer shall offer the County's Tuition Reimbursement Plan to the full time employees of the Office to allow employees to secure job-related course work, training and additional educational certification.

Section 28.2. County Commission Authorized Revisions. In the event that the Board of Greene County Commissioners authorizes revisions to the current policy, the Employer will extend the revised benefit(s) to this bargaining unit.

ARTICLE 29

DRUG TESTING

Section 29.1. Reasonable Suspicion. Alcoholism and drug abuse or addiction are recognized by the parties as interfering with the Employer's services and as posing a danger to the public's health and safety as well as that of the employees. It is recognized that the Employer and the employees have the right to insist on an alcohol and drug-free environment, and to be free from direction by any individual where reasonable suspicion exists to believe that individual to be under the influence of alcohol or drugs. Reasonable suspicion that an employee used or is using a controlled substance or alcohol in an unlawful or abusive manner may be based upon, but not limited to:

- A. Observable phenomena, such as direct observation of drug or alcohol use or possession and/or the physical symptoms of being under the influence of a drug or alcohol;

- B. A pattern of abnormal conduct or erratic behavior, including abnormal leave pattern;
- C. Arrest or conviction for a drug or alcohol-related offense, or the identification of an employee as the focus of a criminal investigation into illegal drug or alcohol possession, use, or trafficking;
- D. Information provided either by reliable or credible sources and independently corroborated;
- E. Evidence that an employee has tampered with a previous drug test; and
- F. Facts or circumstances developed in the course of an authorized investigation of an accident or unsafe working practice.

Section 29.2. Testing.

- A. Appropriate management or supervisory personnel may order any on duty employee of the Employer to undergo a drug or alcohol screening test whenever there is reasonable suspicion to believe an employee has used or is under the influence of illicit drugs, alcohol or controlled substances while on the job. Reasonable suspicion shall include any event in which an employee contributes to the occurrence of an accident or an injury. An employee may of his own volition, even if not ordered to do so, undergo a drug and alcohol screening test if he is involved in an accident or injured while on the job. (Testing done under these circumstances will be treated in the same manner as if the employee had been ordered to undergo screening.)
- B. All tests will be conducted by certified professional personnel, in accordance with U.S. Department of Health & Human Services testing and reporting procedures. If the initial test is positive, indicating that the employee has used illicit drugs, alcohol or controlled substances, a confirmatory test will be conducted. A positive result from an alcohol test means a blood alcohol concentration of .03% or above.

Section 29.3. Discipline.

- A. The Employer may suspend the employee without a loss of pay before the time the confirmatory test results are complete. If the screening test and confirmatory test are positive, the Employer may discipline the employee. The use of illicit substances, on or off-duty, will ordinarily result in termination. The improper use of prescription drugs or of alcohol may result in a lesser discipline, depending upon the relevant circumstances. Such discipline must be uniform in its application.
- B. If an employee: (1) refuses to take a screening or confirmatory test or to undergo rehabilitation or detoxification; (2) fails to complete a program or rehabilitation or detoxification; or (3) test and retests positive at any time within one (1) year after his return to work upon completion of a program of rehabilitation or detoxification, such employee shall be subject to disciplinary action for insubordination.

Section 29.4. Treatment. An employee who participates in a rehabilitation or detoxification program shall be allowed to use sick leave, vacation leave, or compensatory time while he participates in such rehabilitation or detoxification program. Upon completion of such program, if a retest demonstrates that the employee is no longer abusing alcohol or drugs, the employee shall return to his position. Such employee may be subject to periodic retesting for drugs or alcohol upon his return to his position for a period of one (1) year.

Section 29.5.

- A. All test results and actions taken under or pursuant to this Article shall be kept confidential in accordance with state and federal law.
- B. The Employer shall pay for drug and alcohol screening and confirmatory tests.
- C. The Employer shall use the drug testing procedure in good faith.

**ARTICLE 30
EMPLOYEE WELLNESS**

Section 30.1. Physical Examinations. In the interest of health, safety, or job performance, the Employer may require a medical or physical examination of an employee. The cost of such examination shall be borne by the Employer. The employee will be provided a copy of all reports, findings and recommendations of the examiner upon written request.

**ARTICLE 31
MISCELLANEOUS ECONOMIC**

Section 31.1. Mileage Reimbursement. Employees shall receive mileage reimbursement for authorized use of private automobiles on County business. Reimbursement forms must be filed showing the date and time of travel, location, and an accurate representation of mileage accumulated. When approved by the Employer, mileage will be reimbursed at twenty-seven (27) cents per mile.

Section 31.2. Copies of Agreement. As soon as possible following the signing of this Agreement but not to exceed sixty (60) calendar days, all employees will receive copies of the signed Agreements through the Sheriff's Office Pro-Serve system and the employees will be responsible for electronically signing to reflect receipt of the contracts.

Section 31.3. Deferred Compensation. The Employer shall make a "designated PERS pick-up" of each employee's statutory required contribution to the Public Employees Retirement System of Ohio (PERS) so as to permit the treating of an employee's contributions to PERS as a deferred annuity for personal income tax purposes. The implementation of the "designated pick-up" shall not result in either an increase or decrease to an employee's gross compensation.

Section 31.4. Longevity Pay/Eligibility. Full-time employees who have completed three (3) years of service with the Greene County Sheriff's Office shall receive \$25.00 per year of service. When an employee's anniversary date occurs prior to November 01 of a payment year, he shall receive full payment. The above payments shall be paid in a lump sum on the first pay day of November each

year. For purposes of calculating continuous service, only full years of service shall be used and there will be no pro-ration of years of service.

Section 31.5. Educational Incentive. The Sheriff's Office shall make annual education incentive payments to those employees who receive job related degrees in a field of study that pertains to their job description from accredited institutions. The degrees and payments shall be:

Associate Degree	\$200.00
Baccalaureate Degree	\$400.00
Master's Degree	\$600.00

The payments shall be made in a lump sum amount subject to appropriate deductions in either the last pay period in June or the first pay period of July each calendar year. Only those employees who are employed and working as of June 01 each year shall be eligible for the incentive payment and who have worked at least six (6) months during the prior twelve (12) months. Educational incentive payments are not cumulative.

Section 31.6. Field Training Officer Supplement. Employees who are qualified and assigned by the Sheriff as Field Training Officer shall receive a wage supplement of 5% of the base rate of pay for their classification for the actual time performing duties as a field training officer. The Sheriff may, at his discretion, require employees be certified as a field training officer in order to receive the supplement and/or have a minimum time of service with the Sheriff's Office or in law enforcement.

ARTICLE 32 **RESIDENCY**

Section 32.1. Purpose. All employees of the Greene County Sheriff's Office shall as a condition of continued employment be a bona fide resident of Greene County, Ohio or any of the contiguous counties of Greene County. Such requirements: 1) insure maximum response in emergency situations and inclement weather; 2) promote better public relations by building contacts with the County through its public employees; 3) instill a sense of belonging to the County among its employees; 4) increase visibility of law enforcement in the County; 5) make public employees more sensitive to the County issues and needs; and 6) insure that public employees, as citizens, will be affected by the quality of their own work.

Section 32.2. New Hires. All new employees must establish residency in accordance with Section 32.1 within one year from the date of hire.

Section 32.3. Exceptions/Waivers. At the discretion of the Sheriff, an employee may be relieved from the residency requirement stated above where the parties agree that: 1) special circumstances exist justifying temporary or permanent residence outside the County or 2) where the nature of the employee's employment is such as to require residing outside the County.

ARTICLE 33
LAYOFFS

Section 33.1. Notification. When the Employer determines that a long term layoff or job abolishment is necessary, they shall notify the affected employees fourteen (14) days in advance of the effective date of the layoff or job abolishment. Employees will be notified as soon as is practical in advance of the Employer's decision to implement any short-term layoff, lasting seventy-two (72) hours or less. The Employer upon request from the Association agrees to discuss, with representatives of the Association, the impact of the layoff on bargaining unit employees.

Section 33.2. Layoff.

- A. The Employer shall determine whether layoffs are necessary and in which classification layoffs will occur. The order of layoff will be determined by employee's total, uninterrupted service in the Sheriff's Office.
- B. Layoffs of bargaining unit employees will be by classification. All temporary, intermittent, seasonal and part-time employees in the classification will be laid off before full-time employees. Full-time employees shall be laid off within each classification in the inverse order of seniority, beginning with the least senior and progressing to the most senior up to the number of employees that are to be laid off; however, in a classification where the job duties vary and skills necessary to complete the various job duties are different, employees may be laid off in accordance with their seniority and their ability to perform the remaining work available in the classification.
- C. An employee may displace a less senior employee in a classification previously held (or he may fill a vacancy).
- D. A laid off Law Enforcement Division Deputy may displace a less senior employee in the Jail Deputy classification, including Corrections Officers, (or he may fill a vacancy) during the period that the displaced Law Enforcement Division Deputy is eligible for recall, provided he successfully completes field training for the position and/or completes training for and secures necessary certification for the position. The Employer shall reinstate the employee pursuant to the notification time limits in this Article. A Jail Deputy may displace a less senior Corrections Officer (or he may fill a vacancy) during the period that the displaced Jail Deputy is eligible for recall.

It is understood that displacement includes displacement by employees from other ranks in other bargaining units in the Sheriff's Office.

Section 33.3. Recall. When employees are laid off, the Employer shall create a recall list for each classification with layoffs for a period of two (2) years or for his length of seniority, whichever is less. The Employer shall recall employees from layoff within each classification as needed. The Employer shall recall such employees according to seniority, beginning with the most senior employee in the classification and progressing to the least senior employee up to the number of employees to be recalled.

When the Employer recalls persons off the list, they shall be recalled to their last previously held classification and bargaining unit, but not necessarily to the shift in which they were working when laid off.

Notice of recall shall be sent to the employees by certified mail with a copy to the Association. The Employer shall be deemed to have fulfilled its obligations by mailing the recall notice by certified mail, return receipt requested, to the last mailing address provided by the employee.

The recalled employee shall have ten (10) calendar days following the date of mailing of the recall notice to notify the Employer of his intention to return to work and shall have five (5) calendar days following his notification to the Employer in which to report for duty, unless a later date for returning to work is otherwise specified in the notice. Full-time employees with recall rights shall be given the right to reinstatement before any temporary, part-time, intermittent, or seasonal employees may be hired or reinstated in their classification.

If a bargaining unit member has bumped into a lower rank, he shall be reinstated to a vacancy in his prior rank before any position in that rank is filled.

ARTICLE 34 **OFFICER IN CHARGE (OIC) PAY**

Section 34.1. Definition: An Employee who is required to work and substantially perform the supervisory job duties in a higher classification on a temporary basis for four (4) hours or more in a work day, shall be paid at the next higher entry level classification rate or 5% supplement for all hours worked, whichever is greater. Corrections Officers will be paid at entry level certified deputy rate.

Section 34.2. Training Purposes: Employees may be assigned work as a supervisor with a supervisor for the purpose of supervisory training and not be compensated as specified in Section 1. This Section will not be used for the purposes of avoiding compensation as specified in Section 1.

Section 34.3. Overtime Payment: Employees acting in an O.I.C. assignment will receive overtime pay using as a basis the rate identified in Section 1, provided the employee was in an O.I.C. work status for all regularly scheduled hours in the applicable bi-weekly period and the employee performed these job duties in a higher classification at times beyond the employees' regular bi-weekly schedule.

ARTICLE 35 **SAVINGS CLAUSE AND DURATION OF AGREEMENT**

Section 35.1. Application of Laws. This agreement represents the entire agreement between the parties and, to the extent inconsistent, shall supersede any or all civil service statutes, rules and regulations pertaining to wages, hours and terms and conditions of employment. If any provision of this agreement is held to be unlawful by a court of law, the remaining provisions of this agreement shall remain in full force and effect. In the event that any provision of this agreement is held to be

unlawful by a court of law, both parties to the agreement shall meet within thirty (30) days for the purpose of reopening negotiations on the unlawful provisions involved.

Section 35.2. Duration. This Agreement shall be in full force and effect commencing date of execution through April 1, 2016. The Agreement shall thereafter be renewed for successive one (1) year periods unless written notice of desire to renegotiate is given by either party to the other no more than one-hundred twenty (120) days prior to the expiration of this Agreement or any subsequent anniversary date. During the life of this Agreement the parties may mutually agree in writing to amend this Agreement.

Signed this 13th day of June, 2013.
