ARTICLE I – RECOGNITION

1.01 Statement of Recognition

The Jackson-Milton Local School Board recognizes the Jackson-Milton Educators' Association AFT/OFT as the sole exclusive bargaining agent for the members of the bargaining unit. Sole and exclusive recognition means that the Board will not deal with any other organization, or any individual, in a manner or for a purpose inconsistent with the terms of this Contract. Individual contracts of employment with members of the bargaining unit shall in all respects be consistent with this Contract which shall be deemed incorporated in such individual contracts.

1.02 Bargaining Unit Defined

1.021 Inclusions

All professional certified personnel employed by the Board inclusive of substitute teachers employed sixty (60) days or more in the same assignment.

1.022 Exclusions

- a. Any employee who has the authority to recommend the hiring, discharge or the discipline of a member of the employee unit or the authority to evaluate the professional performance of those employees during the school day, or the authority to recommend resolutions to grievances.
- b. The Superintendent and all administrators shall be excluded from the bargaining unit.
- c. All casual, day-to-day substitutes shall be excluded from the bargaining unit.

1.023 Full-Time

A bargaining unit member will be deemed to be employed on a full-time basis if the member is utilized by the Board on a schedule of fifty percent (50%) or more of the work week.

1.03 Seniority

1. Seniority for all provisions contained in this Contract shall be defined as continuous length of service in the Jackson-Milton School District.
2. Continuous service will not be interrupted or affected by authorized leaves of absence, or placement on the recall list. Unit members who are on paid leave of absence or on the RIF recall list shall accrue seniority. Unit members on

approved unpaid leave will not accrue seniority. Unit members shall be credited with a year of seniority for each year in which their total paid days are one-hundred-twenty (120) or more.

3. Administrators shall retain seniority accrued in the bargaining unit but shall not accrue seniority while outside the bargaining unit. Administrators returning to the bargaining unit shall be eligible for vacancies or new positions, but shall not, in any way, affect the employment status of a unit member including, but not limited to, suspension or non-renewal of a contract nor an involuntary transfer.

1.04 Retired Teachers

Teachers retired from the Jackson-Milton Local School District may be employed by the Board only under the following conditions and shall have the same rights and responsibilities as other bargaining unit members except as follows:

- A. When a vacancy exists, it will be posted in accordance with Article VI, Section 6.03 of the Agreement. Teachers whose contracts have been suspended under a reduction in force, if certified/licensed in the needed area, shall be recalled before a retired teacher may be hired. After the vacancy procedure has been completed in accordance with the Agreement and no suitable applicant is available, the Board may, at its sole option, consider and employ a retired teacher for the position upon the recommendation of the Superintendent.
- B. To be eligible for employment, a Jackson-Milton retired teacher must have accepted severance pay and eliminated his/her sick leave upon retirement from his/her prior employment. A Jackson-Milton retired teacher will begin reemployment with zero days of accumulated sick leave and shall not be eligible to participate in the Sick Leave Bank under Article V, Section 5.12 of the Agreement.
- C. A retired Jackson-Milton teacher may not displace or cause the reduction in force of a current bargaining unit member.
- D. A retired Jackson-Milton teacher shall be placed at the 0 step of his/her training column of the salary schedule and shall not advance on the salary schedule regardless of years of service.
- E. A retired Jackson-Milton teacher shall receive a one-year limited contract, which shall expire automatically at the end of the term. A retiree shall not be eligible for a continuing contract regardless of his/her years of employment. A Jackson-Milton retired teacher shall not be subject to the Teacher Fair Dismissal procedures set forth in Article VI, Section 6.04 of the Agreement, the Contracts Awarded to Bargaining Unit Members provisions set forth in Article VI, Section 6.093 of the Agreement.

- F. A retired Jackson-Milton teacher is not entitled to Severance Pay or Superseverance Pay under Article VII of the Agreement, Professional Leave under Article V, Section 5.07 of the Agreement, or Tuition Reimbursement under Article VII, Section 7.05 of the Agreement.
- G. A retired Jackson-Milton teacher shall not accumulate seniority in the bargaining unit, shall have zero seniority so long as employed by the Board, and shall not have bumping or recall rights in the event of a reduction in force.

ARTICLE II – NEGOTIATIONS PROCEDURE

2.01 Submission of Issues

A written request for the commencement of negotiations will be submitted by the Association President to the Superintendent or by the Superintendent to the Association President no later than March 1, of the year in which the contract expires.

2.02 Meetings

Meetings between the negotiating teams will be scheduled for a mutually satisfactory time (within 10 days after the date of the request for a meeting, unless a mutually satisfactory later date is agreed upon).

- A. Relevant data and supporting information, proposals and counter proposals will be presented and discussed in good faith.
- B. During the period of consideration, interim reports of progress shall be made to the recognized teachers' organization by the President of the Local Association and to the Board of Education by the Local Superintendent.

- D. Negotiation meetings shall be in closed session.
- E. The Board and the Association shall be represented at all meetings by a team of negotiators not exceeding five (5) members each. All negotiations shall be conducted exclusively between said teams. In addition to said teams, each party shall be authorized to admit two (2) consultants and/or observers to each meeting. Such persons shall be without the right to speak or to otherwise comment to either party unless requested to do so by the negotiating team they support.
- F. Either team may call for a caucus at any time. A caucus shall not be longer than sixty (60) minutes unless an extension is mutually agreeable to both teams.
- G. There will be no release of information to the public without the consent of both parties unless impasse has been declared.

In the event that an agreement is not reached prior to thirty (30) days before expiration of the current contract, either party may request that the Federal Mediation and Conciliation Service (FMCS) provide a mediator to facilitate bargaining. It is agreed that the procedures set forth in this Section constitute a mutually agreed dispute settlement procedure which supersedes the procedures contained in ORC 4117.14. Nothing herein shall be deemed to diminish the right of the Association to engage in a strike in accordance with ORC 4117.14(D)(2).

3.02 Purpose

- A. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solution to grievances which may from time to time arise.

- C. Failure at any step of this procedure to communicate the decision in writing on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

- C. In the administration of the grievance procedure, the interests of the teachers shall be the sole responsibility of the Association.
- D. If, in the judgment of the Association, a grievance affects a group or class of teachers, the Association may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall commence at Step III of the formal grievance procedure.

3.05 Procedure

- A. In the event that a teacher believes that there is a basis for a grievance, he/she shall discuss (either personally or accompanied by his/her Association

representative or its designee) the alleged grievance with his immediate supervisor or the administrator directly involved within thirty (30) days of the event or condition for a class action grievance and within twenty (20) days of the event or condition for an individual or group grievance of less than 15% of the bargaining unit.

- B. Within two school days after the informal grievance procedure with the principal or administrator involved, the grievant and his Association representative or designee shall request a dated notification signed by all parties, stating the topic discussed if the grievant feels the topic might become formalized as a grievance.

3.052 Step II

- A. If the grievant is not satisfied with the result of the Step I discussion, then the grievant may file a grievance, in writing, with the building principal, immediate supervisor or their respective designee within twenty (20) days of the Step I discussion.

3.053 Step III

- A. If the grievant is not satisfied with the disposition of the grievance at Step II, or if no such disposition has been made within the required time limit, the grievant and/or the Association may appeal the grievance to the Superintendent within twenty (20) days of the Step II disposition.
- B. Within ten (10) days the Superintendent or his designee shall meet with the grievant and his Association representative or designee in an effort to resolve the grievance. The grievant(s) must appear at the Step III meeting or the grievance shall be deemed withdrawn with prejudice.

- C. Within six (6) days of the meeting, the Superintendent shall indicate in writing his/her disposition by completing the Grievance Report Form and forwarding it to the grievant, the Association President, Association Representative, and the immediate supervisor.

3.054 Step IV

If the grievant is not satisfied with the disposition of the grievance at Step III or if no decision has been rendered within the specified time, the grievant or the Association may appeal in writing to the Board, with a copy to the Superintendent within twenty (20) days of the Step III disposition by submitting a completed Grievance Report Form. The Board shall conduct a hearing on the appealed grievance at its next regularly scheduled Board meeting. The grievant(s) must appear at the Step IV meeting or the grievance shall be deemed withdrawn with prejudice.

The Board shall have six (6) days to render a decision. The decision and the reasons for the decision shall be reduced to writing and copies sent to the grievant, the Association, Superintendent and the immediate supervisor.

3.055 Step V

- A. If the grievant and/or the Association are not satisfied with the disposition made by the Board, or if no such disposition has been made within the time limits as stated within this Agreement, the grievance may be submitted to arbitration before an impartial arbitrator.
- B. To submit the grievance to arbitration, the Association shall, within thirty (30) days of the Association receiving the decision at Step IV, complete the Grievance Report Form, and give a copy to the Superintendent and contact the Federal Mediation and Conciliation Service (FMCS) requesting a list of seven (7) arbitrators.
- D. The fees and expenses of the arbitrator shall be borne by the party losing the grievance. The arbitrator shall have no power to alter, add to, or subtract from the terms of the Contract or make any decision contrary to law or the Contract. The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to decide any other issue(s) not so submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching his/her decision.
- E. The decisions and awards of the arbitrator shall be binding on the parties.
- F. The hearing or hearings shall be conducted pursuant to the rules and regulations of the FMCS.

3.056 Miscellaneous

The maximum number of sick leave days accumulated shall be 380.

5.014 Approved Use of Sick Leave Days

The initiating unit member must give a written notice to the principal indicating the time period of the absence and who will be the covering teacher. A patterned use of this procedure may be considered abuse, and the principal may deny a unit member's use. In making such determination, the principal will apply the same standards to all unit members.

5.019 Family and Medical Leave

The Family and Medical Leave Act (FMLA) and its associated regulations will apply to all bargaining unit members who meet its eligibility requirements. For purposes of this Section, "12-month period" is defined as the "12-month period measured forward from the date the employee's first FMLA leave begins" (i.e. the leave year is specific to each employee). The member is entitled to twelve (12) weeks of leave during the 12-month period beginning on the first date FMLA leave is taken. - B. Personal leave is not accumulative.
- C. Requests for personal leave days should be made with as much advanced notice as possible.
 - 1. Except in emergencies, forty-eight (48) hours' notice must be given the building principals for use of personal leave.
 - 2. When no advance notice is possible the days will be subject to approval.
 - 3. Two (2) consecutive days may be approved by the Superintendent.
 - 4. Three (3) consecutive days may be approved by the Superintendent when at least ten (10) days advance notice is given by the bargaining unit member. No more than four (4) such requests shall be granted per year.
 - 5. In the event that fifteen percent (15%) of the certified/licensed staff requests the same day for personal leave, the request will be treated on a first-come first-served basis. Requests shall be granted until the fifteen percent (15%) limitation is reached. Requests received after the fifteen percent (15%) limitation is reached may be approved by the Superintendent. For the months of May and June, the percentage of certificated/licensed staff that may access personal leave is reduced to ten percent (10%). A calendar shall be kept in the central office by the Payroll Clerk/Secretary on which will be listed the individuals who have given notice, and the date of the leave. Unit members may call to find the availability of dates for leave.
- D. Personal leave will not be approved on the day preceding or following a scheduled school vacation period or holiday for major religious days not encompassed by a vacation period or holiday.
- E. Unused personal leave shall be converted to sick leave by the second pay in July.
- F. A unit member may, in lieu of using personal leave, secure another teacher to cover his/her assignment, not to exceed one-quarter (1/4) of the work day. The initiating unit member must give a written notice to the principal indicating the time period of the absence and who will be the covering teacher. A patterned use

of this procedure may be considered abuse, and the principal may deny a unit member's use. In making such determination, the principal will apply the same standards to all unit members.

G. One-Half Day Increment (Life of the Contract)

No more than one (1) day of personal leave may be approved for use in one-half (1/2) day increments provided that a one-half day substitute is available and at least two (2) days advance notice is given by the bargaining unit member. The bargaining unit member will find his/her own approved substitute for the one-half day. The following procedures shall govern the reduction of certificated/licensed staff made necessary through decreased enrollment of pupils, return to duty of regular teachers after leaves of absence, suspension of schools, financial reasons or territorial changes affecting the District.

Reduction in Force will first be achieved through attrition by not filling the vacancy created by a teacher due to resignation, retirement, non-renewal, promotion, or termination.

Before a Reduction in Force is effected, the Board and JMEA will work cooperatively to verify the reason for the reduction. Any Reduction in Force shall be reasonable.

6.062 Retention

- A. Retention of bargaining unit members and recall of eligible teachers whose contracts have been suspended pursuant to a reduction in force will not be based upon seniority, except in circumstances when choosing between teachers with comparable evaluations.

For the transition period of this Master Agreement only, ending on June 30, 2016, comparable evaluations of OTES teachers will be defined as all evaluation ratings above "Ineffective." Thereafter, unless the parties negotiate otherwise, comparability will be determined in relation to the effectiveness ratings defined in the Board's standards-based teacher evaluation policy included in this agreement in accordance with Ohio Revised Code Sections 3319.111 and 3319.112.

- B. Order of Reduction

- 1. If reductions are necessary, limited contract teachers shall first be reduced in the affected teaching fields (certification/licensure) utilizing the following order:

 - b. When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior limited contract teacher in the affected teaching field the first to be suspended.
2. Should the necessary reduction of staff required exceed the number of continuing contract teachers in the affected field, continuing contract teachers be reduced in the affected teaching fields (certification/licensure) utilizing the following order:
- a. Comparable evaluations .
 - b. When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior limited contract teacher in the affected teaching field the first to be suspended.

- C. For purposes of reduction in staff, any and all certificated/licensed teachers who are certified/licensed in more than one area of certification/licensure shall be placed on each and every seniority list for which they have proper certification/licensure.
- D. Teachers who expect to complete course work for new or advanced certification/licensure by June 15 of the year in which there may be a suspension of contracts due to a Reduction in Force must have given written notice to the Superintendent on or before June 1 of that year in order to have such course work apply to suspension and recall rights under this section. By no later than May 15, such teacher shall provide the Superintendent with a copy of the new or advanced certificate/license, or a letter from the educational institution stating that all course work and requirements have been satisfactorily completed and new or advanced certification/licensure is pending. Such teacher who fails to fully comply with these provisions by May 15 will forfeit the benefits of this section.

E. Seniority shall be determined by (see Section 1.03). Length of continuous service will not be interrupted or affected by authorized leaves of absence or placement on the recall list. If two (2) or more teachers have the same length of continuous service, then seniority will be determined by:

- A. Teachers whose continuing contracts or limited contracts are suspended shall immediately be placed upon a RIF list. Retention and recall shall be based upon the summative effectiveness ratings as determined in accordance with the Board's standards-based evaluation policy. Seniority shall not be a factor in recalling any bargaining unit member unless the decision is between teachers with comparable evaluations. When selecting among teachers with comparable evaluations, any teacher unemployed as a result of staff reduction shall be recalled in reverse order of being released, provided the teacher is certificated/ licensed for the position. A teacher who is recalled after having his/her contract suspended pursuant to the RIF procedure, shall have seniority restored for the period during which he/she is on the recall list. No new teachers shall be employed by the Board while there are teachers on the recall list who are certified/licensed for any opening of a teaching position. A teacher on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulation of sick leave as he/she held at the time of layoff, and be placed at the appropriate step of the salary schedule.

Limited contract teachers not offered re-employment during the period for which they remain on the recall list as defined in this Section must make application for employment in accordance with established procedures if

they desire to be considered for employment any time after which their name is removed from the recall list. Such teacher shall be hired as a new employee due to a break in continuous service and shall be granted seniority as a new employee. The rights herein granted to a teacher with a suspended limited contract shall be forfeited by the teacher should he/she:

1. Waive his/her recall rights in writing;
 2. Resign;
 3. Fail to accept recall as provided for herein; or
 4. Fail to report to work in a position that he/she has accepted within five school days after receipt of the notice of recall, unless such recalled teacher is prohibited from doing so because of physical illness or injuries.

H. Direct Deposit

Effective beginning with the 1997-98 school year, any member of the bargaining unit may elect to have his/her pay directly or electronically deposited into a financial institution of his/her choice for which direct or electronic deposit is available. Such deposit shall be on the regular pay day.

ARTICLE IX – EMPLOYEE DISCLOSURE

9.01 A. Employee Disclosure Requirements

Any employee who pleads guilty to or is convicted of any offense set forth in Section 3319.39 of the Ohio Revised Code, any substantively comparable ordinance of a municipal corporation or any substantively comparable statute of another State shall be required to disclose such conviction or plea of guilty to the School District. Failure to do so can result in disciplinary action up to and including termination. Convictions of, or pleas of guilty to the offenses described above are not an automatic bar to continued employment, but the Board has the right, on a case-by-case basis and for just cause, to terminate employees convicted of such offenses, in the future.

B. Disclosure of Employment Application

Pursuant to the Management Rights clause, the Board reserves the right to take appropriate disciplinary action with regard to employees who fail to truthfully fill out their employment application.

C. Disclosure of Arrest Warrants

Employees knowledgeable of outstanding arrest warrants must notify the School District of the warrant and resolve the warrant as expeditiously as possible. An employee may use a personal day or other unpaid leave day to resolve the warrant; otherwise, an employee arrested on a warrant will not be allowed to return to pay status until submission of documentation that the warrant has been resolved.

D. Pre-Employment Criminal Background Investigation

Pursuant to Section 3319.39 of the Ohio Revised Code, the employment of any employee is conditional until a criminal records check has been completed and reveals that the employee has not been convicted of any of the crimes listed in that statute.

Provided: This Section shall not apply to the above-described offenses for which a plea of guilty, or conviction was made prior to October 29, 1993, unless such plea or conviction was misrepresented on the employee application. Except as required on the employment application, employees shall not be required to disclose O.R.C. 3319.39 convictions or guilty pleas occurring between October 29, 1993 and July 1, 1999. However, such non-disclosure shall not insulate the employee from disciplinary action as set forth in Section 1, above, where such conviction or guilty plea has ultimately come to the attention of the District.

Provided further, that employees who are conditionally employed under the term of this Section shall otherwise be subject to the terms of this Agreement.

ARTICLE X – DRUG TESTING POLICY

- 10.01 When there is reasonable cause to believe that an individual employee is using illegal drugs or alcohol at work or is under the influence of drugs or alcohol at work, and/or pursuant to current District CDL Drug Testing regulations such employee will be directed to report to the District designated physician or medical clinic, on District time and expense, for a fitness for duty examination. This will involve appropriate testing, including possible urine or blood tests or breathalyzer exam as determined by the appropriate medical personnel. The circumstances supporting the allegation shall be reduced to writing, signed by two (2) referring supervisors who have received

drug/alcohol abuse education, and provided to the appropriate personnel and the Union prior to testing.

- 10.02 An employee may be referred for such fitness for duty screening if two (2) referring supervisors who have received drug/alcohol abuse education have a reasonable suspicion that the employee is then under the influence of alcohol or a controlled substance. The demand for a urine, blood or breath specimen shall be made based only upon specific, objective facts, and reasonable inferences drawn from those facts in light of experience, that the employee is then under the influence of drugs or alcohol so as to endanger fellow employees, the public, or otherwise adversely impact on the employee's ability to perform his or her job duties. In addition, employees may be referred for mandatory urine, blood, or breathalyzer tests to determine substance abuse as part of a disciplinary probation for employees who have violated the District's drug and/alcohol rules.
- 10.03 An employee shall be entitled to the presence of a Union representative before testing is administered. An employee who refuses to take a drug or alcohol test may be discharged immediately by the District.
- 10.04 As concerns urine samples for drug testing, subject employees will undergo an initial screening (EMIT) test. For any positive results, a confirmatory test employing the gas chromatography/mass spectrometry (GC/MS) test will be used. The District will insure that there is a continuous chain of custody of any sample taken from an employee. Specimen collection will occur in a medical setting and the procedures shall not demean, embarrass, or cause physical discomfort to the employee.
- 10.05 The results of a drug and alcohol screening test will be kept strictly confidential. An employee who tests positive for drugs and/or alcohol will have the opportunity to review the test results and, if desired, a reasonable opportunity to rebut the results. Copies of any such evaluation shall be provided to the District and to the individual tested. Where urine or blood samples have been taken, the samples will be preserved for a reasonable period of time and such employee will have the opportunity to take these samples to a reputable physician, or laboratory of his or her choosing for a re-testing. An employee shall be deemed to have failed an alcohol test if:
- (1) The person has concentration of ten-hundredths (10/100) of one percent (1%) or more by weight of alcohol in his blood;
 - (2) The person has a concentration of ten-hundredths (10/100) of one (1) gram or more by weight of alcohol per two hundred ten (210) liters of his breath;
 - (3) The person has a concentration of fourteen-hundredths (14/100) of one (1) gram or more by weight of alcohol per one hundred (100) milliliters of his urine.
- 10.06 Employees who may be drug or alcohol dependent are encouraged to voluntarily seek professional assistance through a reputable treatment program. The District's Employee Assistance Program (EAP) can provide counseling and referral. All records of an

employee seeking medical rehabilitation for drug and alcohol dependency, either through the EAP or otherwise, will be kept strictly confidential. Voluntary assistance should be sought before dependency affects job performance so as to endanger fellow employees, the public, or otherwise adversely impact on the employee's ability to perform his or her job duties.

- 10.07 The EAP program does not supplant the normal discipline and grievance procedure. An employee subjected to disciplinary charges which include substance abuse on the job will be given access to the drug or alcohol screening results, the ability to have privately tested the blood or urine samples at an independent laboratory and the opportunity to rebut any allegations of substance abuse. Any charging letter issued to an employee which included allegations of substance abuse on the job shall list the basis upon which it was determined that there was reasonable cause to believe the employee was using drugs or was under the influence of drugs or alcohol at work.
- 10.08 Any employee found to have positive screens for drugs and/or alcohol must be given medical clearance by a qualified physician acceptable to the District before returning to work.
- 10.09 An employee who fails a drug or alcohol test for the second time during his employment with the district may be discharged immediately by the District, subject to just cause and the provisions of the grievance procedure.
- 10.10 The District is not responsible for any legal obligations and costs for claims based on the Union's duty of fair representation.
- 10.11 The Union shall be indemnified and held harmless by the district for any violation of an employee's constitutional common law, or statutory rights.

ARTICLE XI – PROFESSIONALISM

11.01 Continuity of Instruction

The principal of each building will meet with the staff early in the school year to discuss the issue of teachers being out of the classroom. The purpose is to provide for the least disruption of continuity of education for students without denying teachers the benefits provided by the Contract.

Each year, the Superintendent and JMEA President will meet with the staff to encourage them not to use leaves of absence unless necessary and to avoid as much as possible taking leave days during the months of May and June.

The JMEA shall participate in Race to the Top.

ARTICLE XII – EFFECTS OF THE AGREEMENT

12.01 Amendments

This Master Contract represents the full understanding and commitment between the parties and replaces all previous agreements, both written and/or implied. This Contract may be added to, deleted from, or otherwise changed only by an amendment properly signed by the Board of Education and the Association.

12.03 No Reprisals

The Board and the Administration agree that there will be no reprisals of any kind taken against the members of the bargaining unit for action taken relative to negotiations, and/or membership representation, and/or holding office in the Association, and/or for the formal filing of a grievance.

12.04 Severability

If any provision of this Master Contract or any application of this Master Contract to any individual member of the bargaining unit or group of members of the bargaining unit shall be found to be contrary to law, then such provision or application shall not be deemed valid and subsisting except in the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

12.05 Maintenance of Standards

The Board shall maintain all terms, conditions, and benefits of employment provided for in this Contract, at not less than the level in effect as of the effective date of this Contract.

12.06 Agreement in Writing

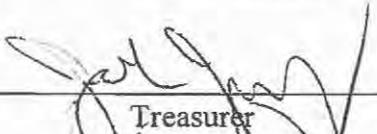

Upon completion of this Contract, it shall be printed at the joint expense of the Association and the Board. Representatives of the Board and the Association shall proof the final copy to be submitted to the printer. Copies shall be distributed by the Association representatives to the teachers and by the Superintendent to the Board and the Administration. Members of the Board shall be entitled to five (5) copies each, and the Superintendent shall be entitled to at least twenty (20) copies. The Association shall be entitled to at least fifty (50) additional copies.

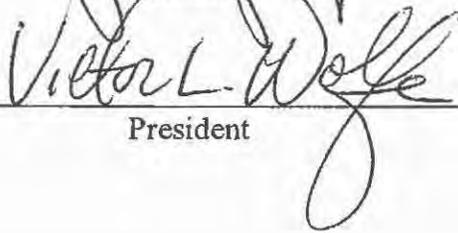

12.07 Duration of Contract

This Contract shall be effective at 12:01 A.M. on July 1, 2013, and shall continue in full force and effect until Midnight June 30, 2016.

APPENDIX C
CONSENSUS STATEMENTS

During the collaborative and interest-based negotiations for a successor to the negotiated agreement between the Jackson-Milton Local School District Board of Education and the Jackson-Milton Educators Association, the parties reached consensus on the following non-contractual items:

1. While the parties acknowledged that the submission by teachers of weekly lesson plans utilizing technology is addressed in Article 6.22, issues surrounding the variety of formats being utilized, particularly at the elementary level, were of mutual concern. As such, the parties agreed that increased standardization of the lesson plan forms/templates used is beneficial to all. The JMEA agreed to provide suggestions for three templates for the elementary teachers in advance of the first District in-service for the 2013-2014 school year.

Memorandum of Understanding

This Memorandum is entered into and effective this ___ day of March, 2014, by and between the Jackson-Milton Local School District Board of Education ("Board") and the Jackson-Milton Educators Association ("Association").

Whereas, the parties have entered into a successor collective bargaining agreement for the period beginning on July 1, 2013 and ending on June 30, 2016; and

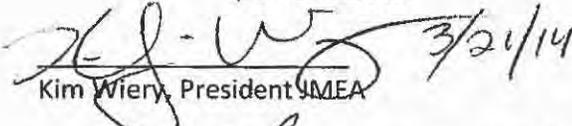

Whereas, effective July 1, 2014, the requirements of the M.C.S.E.I.C. Insurance Plan include a 10% premium contribution by enrolled employees for all covered services; and

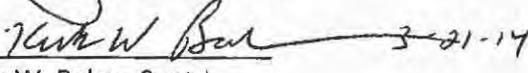

Whereas, the parties did not address the issue of vision insurance coverage in reaching agreement on the aforementioned collective bargaining agreement; and

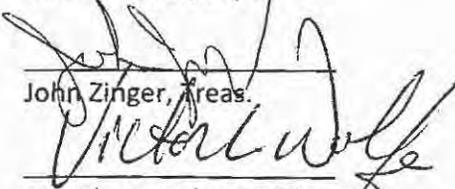

Whereas the parties are desirous of sustaining membership in the M.C.S.E.I.C. Insurance Plan;

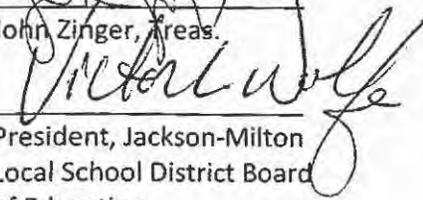

It is therefore the agreement of the parties as follows:

1. For the 2014-2015 and 2015-2016 contract years only, bargaining unit members eligible and participating in the Board's insurance plan will receive a health insurance adjustment stipend in the amount equal to the total premium contribution cost paid by the employee for vision coverage. Such stipend will be payable with the first payroll of June at the completion of the year of such coverage. Prorated amounts will be paid to those not covered for the full contract year.
2. Nothing herein shall be deemed as precedent in any other matter as between the parties hereto.

The JM board and JMEA agree that due to section 6.164 and the payment under this section not being clearly explained or agreed to during the negotiation sessions to pay Katelyn Amendolara, Christie Baker, and Nathan Brode the 5% stipend for the first half of the 2013-2014 school year. This MOU is not precedent setting.
