ARTICLE 1 – RECOGNITION

A. EXCLUSIVE BARGAINING AGENT

The Cleveland Heights-University Heights Board of Education recognizes the Ohio Association of Public School Employees/AFSCME-AFL-CIO and its Local #102 as the sole and exclusive bargaining agent for cafeteria workers, cleaners, paraprofessionals, lunchroom nonprofessionals, secretaries and all regular full-time and part-time employees in the following classifications: Lead Instructors, Associate Instructors, and Food Service Employees in the entire Early Childhood Department, Before and After School, and Early Childhood Preschool.

B. EXCLUSIONS

Excluded from the bargaining unit will be any supervisory and confidential employee. For purposes of this agreement, confidential employees excluded from the bargaining unit include:

One support staff in the Superintendent's office;
one support staff in each of the Assistant Superintendents' offices;
one support staff in the Director of Business Services' office;
one support staff in the Director of Student Services' office;
one support staff in the Treasurer/CFO's office; and
all current Human Resources Department personnel.

The Lead Instructor position for the Early Childhood Preschool Program and former Stepping Stones Program are also excluded.

C. GENERAL

The Union having earned the right as sole and exclusive bargaining agent, the Board shall neither contribute to nor encourage the creation of growth of any rival organizations which have had or seek bargaining rights.

The Union agrees to continue to represent and accept into membership all members of the bargaining unit, without discrimination on the basis of race, color, religion, national origin, sex, ancestry, age or disability.

The Board agrees to continue its policy of not unlawfully discriminating against any employee on the basis of race, color, religion, national origin, sex, ancestry, age or disability.

In addition to the rights contained in any other portion of this Agreement, the Union shall have the right to receive on request, prior to each Board meeting, the Board agenda and Superintendent's comments attached for public distribution and a copy of Board meeting minutes.

D. DURATION

This agreement shall become effective July 1, 2013, and shall continue in effect to and including June 30, 2016.

The recognition shall continue until the termination of the agreement and shall continue uninterrupted unless and until a new bargaining agent is certified or the Association is decertified pursuant to the provision of Chapter 4117 of the Ohio Revised Code.

ARTICLE 2 – UNION RIGHTS

A. MEMBERSHIP DUES

The Board will deduct from the pay of each employee who so authorizes it the required amount of fees for the payment of state and local dues of the bargaining unit on a monthly basis. The authorization of membership shall be continuous and revocable. Membership revocation period shall be for ten (10) days, from September 1st through September 10th of each year, and must be in writing to the Board Treasurer/CFO. The Board Treasurer/CFO shall notify the Local President of any employee who revokes membership. State dues shall be sent to the State OAPSE Treasurer. Local dues shall be sent to the Local Treasurer. The Board agrees not to honor any check off authorization or dues deduction authorization executed by any employee in the bargaining unit in favor of any other labor organization. Dues shall be deducted for months worked only.

B. FAIR SHARE SERVICE FEES

1. Local 102 assures the Board that the Local's fair share fee procedures and procedures to challenge fair share rebates comply with and satisfy all legal requirements.
2. The Local shall provide to the Board a copy of the Local's rebate procedure. The Local shall also provide to the Board any revisions or amendments to the fair share fee and rebate procedures at the time such revisions or amendments are adopted.
3. In the event any member of the bargaining unit from whom a service fee is charged shall object to the imposition of such fee, either on the grounds that the amount charged is inaccurate or that the bargaining unit member is not one against whom a service fee may be assessed, this shall be discussed with the Local in an effort to resolve the dispute.
4. Subject to the above, Local 102 agrees to hold the Board harmless and to defend the Board in any suit, claim or administrative proceeding arising out of or connected with the imposition, determination, or collection of service fees or dues, to indemnify and defend the Board for any liability imposed on it as a result of any such suit, claim or administrative proceeding. The Union shall select qualified, competent attorneys. Such indemnification and defense shall not extend to claims against the Board for discrimination on the basis of race, sex or national origin because of clerical or other errors by Board employees. For purposes of this Section, the term "Board" includes the Board of Education of the Cleveland Heights-University Heights City School District, its members, the Treasurer/CFO, Superintendent and all members of the administrative staff. Should this indemnification agreement be found invalid or void by any court, the entire Section may be reopened for negotiations by request of either party.

a. Section 1

Ninety (90) days following the beginning of employment or the effective date of this agreement, whichever is later, employees in the unit who are not members of the Local shall pay to the Local a fair share fee as a condition of employment with the Employer. Such fair share fee shall not exceed dues paid by members of the Local who are in the bargaining unit. The Local shall notify the Employer of the fair share fee amounts in the same manner as notification of amounts and changes in the amounts of dues deductions. Fair share fees shall be deducted from the payroll checks of the employees in the same manner as regular membership dues are deducted and forwarded by the Employer to the Local, both State and Local Chapters, in the same manner except that written authorization for deduction of fair share fees is not required.

b. **Section 2**

The fair share service fee assessment shall be applicable to all employees whose position contemplates a regular schedule of more than three (3) hours per day.

c. **Section 3**

The Board shall continue the present practice concerning payments and providing printouts and shall provide twice per year a list of all members of the bargaining unit and the fair share service fees and dues deduction; a list of new bargaining unit members; a list of bargaining unit members returning from leaves of absence; a list of bargaining unit members granted leaves of absence; and a list of employees who terminate employment.

d. **Section 4**

Any person making fair share fee payments shall have the right to object to the expenditure of a portion of such payments for activities of a primarily partisan, political nature. Such objections shall be perfected, if at all, by the objector individually notifying the OAPSE Director of the objection in writing by registered or certified mail. A rebate policy shall be sent to each employee who is subject to the fair share service fee assessment.

5. Any member of the bargaining unit who objects to the payment of the fair share service fee by reason of membership in and adherence to the tenets or teachings of bona fide religion or religious body which has historically held conscientious objections to joining or financially supporting an employee organization and which is exempt from taxation under provisions of the Internal Revenue Code may submit proper proof of religious conviction to the State Employment Relations Board to seek a declaration from the Board that the member not be required to financially support the Local in accordance with the provisions of Section 4117.09(C).
6. It is recognized that SERB shall, if it finds that the employee is not to be required to pay a service fee, require payment of an equal amount to a non-religious charitable fund pursuant to the requirements of Section 4117.09(C).
7. A challenge to the proposed rebate or a challenge to a failure to rebate shall be filed with the State Employment Relations Board pursuant to Ohio Revised Code Section 4117.09(C).
8. The Union agrees to hold the Board harmless in any suit, claim or administrative proceeding, arising out of or connected with the imposition, determination or collection of service fees or dues, to indemnify the Board for any liability imposed on it as a result of any such suit, claim or administrative proceeding, and to reimburse the Board for any and all expenses incurred by the Board in defending any such suit, claim or administrative proceeding, including attorney fees and court costs. For purposes of this Section, the term "Board" includes the Board of Education of the Cleveland Heights-University Heights City School District, its members, the Treasurer/CFO, Superintendent and all members of the administrative staff.

C. OTHER VOLUNTARY DEDUCTIONS

With proper authorization from the employee, the Board agrees to make payroll deductions for P.E.O.P.L.E. (Public Employees Organized to Promote Legislative Equality).

D. RELEASE TIME AND AUTHORIZED DELEGATES

1. The President of the bargaining unit, the Vice President of the bargaining unit, and/or the Chairperson of the Grievance Committee shall be allowed not more than a total of six (6) hours per week of released time, if necessary, but shall get the approval of the immediate supervisor, which approval shall be given unless the immediate demands of the job prevent it at the time requested in the opinion of the immediate supervisor. There is a letter dated April 25, 2008 from the Assistant Director of Human Resources written to the Union President documenting the exclusions from "release time."
2. In the event time in addition to the six (6) hours provided for herein is required, requests for such additional time, with the reason for the request, shall be submitted to the Director of Human Resources who shall have the authority to approve such additional time as is necessary.

E. AUTHORIZED DELEGATES - PROFESSIONAL LEAVE

1. A maximum of five (5) authorized delegates from the bargaining unit shall be permitted to attend their State Convention for a maximum of three (3) days at their own expense, and with no loss of pay. Applications must be made according to regulations specified for professional leave.
2. A maximum of six (6) authorized delegates from the bargaining unit shall be permitted to attend their District Conference for one (1) day at their own expense, and with no loss of pay. Applications must be made according to regulations specified for professional leave.
3. Salary deductions for absence not covered by regulations for leave shall be determined on a per diem basis by dividing the annual contract salary by the number of contract days.

F. UNION INPUT INTO NEW CLASSIFICATIONS CREATED BY THE BOARD

When the Administration intends to create a new classification within the bargaining unit which is not covered in the collective bargaining agreement, the Human Resources Department will discuss the salary range for such classification as well as the necessary qualifications needed to fill the classification with the President of OAPSE Local #102, prior to the posting and filling of the newly created position(s).

G. BULLETIN BOARD/MAILBOX

1. Each school shall provide adequate space on the present bulletin board for OAPSE materials for the purpose of communications with the bargaining unit. This shall not be interpreted to exclude others from the use of the bulletin board, but their use shall not deprive OAPSE of the exclusive use of the space reserved for OAPSE.
2. The Union shall be permitted to use such staff mailboxes as are currently in place to the extent permitted by law for inter-school communications providing Union materials are properly identified as such, and such distribution does not interfere with normal operations. The Union will be permitted to have a Union mailbox at those buildings where mailboxes exist and space permits.
3. A mailbox will be provided in each building for the use of cleaners.

ARTICLE 3 – NON-DISCRIMINATION

A. DISCRIMINATION PROHIBITED

No employee in the bargaining unit shall be appointed, reduced, removed or in any way favored or discriminated against because of race, national origin, religion or marital status, and, to the extent prohibited by law, no person shall be discriminated against because of age, gender, or physical disability.

B. NO DISCRIMINATION ON ACCOUNT OF OAPSE ACTIVITY

Neither the Board nor OAPSE shall interfere with, intimidate, restrain, coerce or discriminate against any employee because of the exercise of rights to engage or not to engage in OAPSE activity.

ARTICLE 4 – NEGOTIATION PROCEDURE

A. REQUEST TO OPEN NEGOTIATIONS

Within ten (10) days after receipt of the intent to negotiate, both parties involved will establish a mutually agreeable site, date, and time for the meeting. The meeting shall not be scheduled, however, earlier than three (3) months prior to the termination date of any existing agreement. All days referred to herein shall be construed as school days.

B. NEGOTIATING MEETINGS

1. The Board and the Union shall be represented at all negotiation meetings by a team of negotiators not to exceed six (6) members each. Neither party in any negotiations shall have any control over the selection of the negotiation or bargaining representatives of the other party. The Union and the Board must ratify the final agreement. The parties mutually pledge, however, that their representatives will be clothed with all necessary power and authority to make proposals, to consider proposals, and to make concessions in the course of negotiations. All negotiations shall be conducted exclusively between said teams. In addition to said teams, each party shall be authorized to admit no more than two observers to each meeting. Such observers shall be without the right to speak or to otherwise comment to either party unless otherwise agreed.
2. Negotiating meetings shall be held in executive session at a mutually agreed upon location. In the first meeting the Union and the Board will present their written proposals giving an explanation of those proposals where clarification is requested. Except where mutually agreed upon, additional items shall not be submitted after the third meeting.
3. Upon the request of either party, negotiating meetings shall be recessed to permit the requesting party a reasonable period of time to caucus. Before the close of each meeting, the date and time for the next meeting shall be established.

C. PROPOSALS

While no final agreement shall be executed without ratification by the Board, the negotiators of each team will be authorized to make proposals, consider proposals and to make concessions in the course of negotiations. All negotiations shall be conducted exclusively between these negotiating teams.

D. NEWS RELEASES

No news releases shall be issued without agreement of the parties prior to mediation.

E. AGREEMENT

When agreement is reached through negotiating, the understanding of the parties shall be reduced to writing and submitted to the Union for ratification and then to the Board of Education for formal approval. If agreement is reached among negotiators, the Union negotiators agree to recommend ratification and the Board negotiators agree to recommend approval by the Board of Education. When approved, in accordance with the provisions of this section, the agreement shall be signed by both parties and shall become a part of the official minutes of the Board. All negotiations must be completed within 90 days of the first meeting or by a date mutually agreed upon by the Board and the Union. In case the contract is mutually extended, and negotiations have not been completed by the expiration date, then wage increases agreed upon will become retroactive to the beginning date of the new contract. The new agreement shall be binding on both parties.

F. IMPASSE

If agreement is not reached by thirty (30) days prior to the expiration of the agreement, either party may request that the Federal Mediation and Conciliation Service (hereinafter "FMCS") provide a mediator to assist the parties. If deemed appropriate by the mediator, the mediator may make a recommendation for settlement. The negotiating procedure set forth in this article supersedes and takes precedence over any inconsistent time limits or procedure set forth in Section 4117.14 of the Ohio Revised Code, which statutory time limits and procedure are hereby mutually waived. Mediation constitutes the parties mutually agreed upon final and exclusive dispute settlement procedure and shall operate in lieu of any and all of the settlement procedures set forth in Section 4117.14 of the Ohio Revised Code. This article does not diminish or preclude the legal right to strike provided that the procedures herein have been followed, mediation has been attempted, the collective bargaining agreement has expired, and the Union has given the Board and the State Employment Relations Board a ten-day prior written notice of an intent to strike.

G. WAIVER OF NEGOTIATIONS

1. During the term of this Agreement, the Board and OAPSE shall not be obliged to negotiate any subject matter, whether or not specifically referred to or covered in the Agreement, except as follows:
2. The Board and OAPSE mutually agree to negotiate a subject or matter; and
3. The OAPSE may exercise any statutory right to request bargaining as to matters not covered by the Agreement if and when the Board determines to make a unilateral change in working conditions that is within the scope of bargaining.

ARTICLE 5 – EMPLOYMENT PRACTICES

A. PERSONNEL FILES

1. The Department of Human Resources shall maintain the official employee files at the Board of Education Building. No other employee file shall be considered to exist for purposes of documentation in all official matters, transfers, assignments, evaluations, grievances, or any other matters concerning the employee.

2. Materials retained in files other than the official file shall not be considered as official.
3. No material of a derogatory nature about an employee's service, conduct, character or personality shall be placed in the file, unless the employee has had an opportunity to read such material.
4. The employee shall acknowledge having read the material by putting his/her name and the date when read on the material. The signature indicates only that the employee has read the material, not that he/she is in agreement with its content. Any employee who does not agree with the material read, may at that time make written comments regarding the material. If the employee refuses to so acknowledge the reading, this fact shall be noted on the record along with the date of the reading.
5. The employee has the right to respond to any material filed and to have this response attached to the file copy.
6. Upon request, and between the hours of 8:15 a.m. and 4:00 p.m., or by appointment if the employee's work hours conflict with these times, the employee shall be permitted immediately to examine his/her file. An employee must give the Human Resources Department twenty-four hour notice if he/she wants their personnel file reproduced.
7. Any employee may request the removal of disciplinary Personnel Actions from his/her personnel file after three (3) years of good behavior as demonstrated by a lack of any such disciplinary Personnel Actions during the most recent three (3) years. Such a request meeting the above requirements indicated immediately shall be honored.

B. EVALUATIONS

Every employee shall be evaluated, on a standard evaluation form, at least once each year. No evaluation of any employee shall be placed in any personnel file without an opportunity for discussions between the employee and the evaluator. Any negative evaluation shall include specific recommendations for improvement and provisions for assisting the employee in implementing any recommendations made. The employee shall have the right to review and respond to any evaluation.

C. COMPLIANCE WITH BOARD POLICY AND ADMINISTRATION REGULATIONS

1. Each employee is responsible to the Superintendent for compliance with the policies, rules, and regulations of the Board, through the administrative officer in charge of the area of his/her employment. In addition, each employee must comply with any administrative regulations, and with the educational philosophy and programs of the Board.
2. The administrative officer in charge of the area determines and administers rules and regulations for his/her area of responsibility under authority delegated to him/her by the Superintendent. Promptness and adherence to employment hours shall be required for each employee by the supervising officer.
3. The Board and the Union recognize the importance of a collaborative effort in maintaining a safe and effective School District. Teamwork with its employees is essential in providing this District with the best service. With such beliefs, the Union and the Board support the development of mutually agreed upon committees to address issues pertaining to the classified staff of Local #102. In all cases, the committees shall take into account State and Federal laws, Board policies, the collective bargaining agreement and the availability of funds.
4. All Board policies will be provided to the President of OAPSE Local #102.

5. Upon ratification of this agreement, it shall be prepared and distributed to all OAPSE Local #102 employees. Each employee will be provided with a copy of the agreement.

D. HEALTH EXAMINATION

1. Good health as evidenced by a medical examination is a condition of employment. The medical examination must include a tuberculin test. The cost of the medical examination is to be paid for by the employee.
2. A health examination, at Board cost, shall be required of any employee at any time upon recommendation of the administrative and supervisory personnel in charge.
3. New and currently employed employees who have had a positive reaction to a tuberculin test or who became known to have converted a tuberculin skin test from negative to positive shall have a chest x-ray and any other medical and laboratory examinations deemed necessary by the school physician or the board of health district to determine that there is an absence of tuberculosis in a communicable state.
4. Any employee who submits a written statement from his/her physician saying that such test is inadvisable for medical reasons shall be required to submit such a statement annually or be required to have such test. It shall be the employee's responsibility to submit the statement to a designated person by a designated date. Noncompliance by an employee in any condition listed in this section within 30 days of the designated date may result in suspension from duty without compensation until the requirements are fulfilled or may be the basis for the termination of employment. The employee is required to complete a HIPAA compliant authorization to allow the physician's medical report(s) to be released to the Board.

E. FIRST AID TRAINING

Each school secretary is expected to administer emergency first aid in the absence of the school nurse. Each secretary who has not qualified in basic first aid to date shall be required to participate in a first aid training program and complete such training program no later than 10 months from the date of his/her appointment or reassignment to the position. Arrangements for offering such training will be made by the Director of Human Resources. School secretaries shall not be required to dispense medication.

F. PROBATION

1. NEW EMPLOYEE

- a. All new employees shall serve a probationary period for the first ninety (90) work days of their employment. The Board or designee may discharge a probationary employee at any time during the ninety (90) work days. The Board retains the sole right to discipline or terminate a probationary employee as necessary and this discipline or termination shall not be subject to the grievance procedure contained in this Agreement.
- b. Except where provided for in this Agreement, a probationary employee shall receive the benefit of all provisions of this Agreement in accordance with the terms of the specific provisions, except the employee shall not have recourse to the grievance procedure for cases of probationary discharge or discipline. A probationary employee cannot bid on jobs.

- c. In the event a probationary employee is discharged, the Local President and employee shall receive a copy of the notice of discharge.

2. **PROMOTED EMPLOYEE**

- a. An employee who is promoted to another job classification shall serve a probationary period of forty-five (45) working days.
- b. Employees who accept a promotional position to another classification and subsequently do not satisfactorily perform in or adjust to the new position during their probationary period will be returned by the Board to their previous classification and shall be paid at the rate of pay for the previous classification. Any employee who elects not to finish his/her promotional probationary period, may voluntarily return to their previous job classification within twenty (20) working days and shall be paid at the rate of pay for the previous classification.
- c. When the Board is returning an employee to their previous classification, the Board or its designee shall meet with the employee to discuss the reason for the decision. The Local President and the employee shall receive a copy of the notice of return to the prior classification. Upon return to the prior classification, the employee shall resume the rate of pay in that classification and continue with seniority unbroken by the temporary position.

G. **“NO CHILD LEFT BEHIND ACT”**

1. Pursuant to Federal law, all paraprofessionals employed by the Board and falling under the jurisdiction of the “No Child Left Behind Act” must by January 8, 2006 complete one of the following:
 - (a) Complete at least two (2) years of study at an institution of higher education; or
 - (b) Obtain an associate’s degree or higher degree; or
 - (c) Pass the formal State academic assessment that demonstrates the individual has met a rigorous standard of quality and possesses:
 - (1) the knowledge of, and the ability to assist in instructing, reading, writing and mathematics, or
 - (2) knowledge of, and the ability to assist in instructing, reading readiness, writing readiness, and mathematics readiness, as appropriate. This option [c] may expire on January 8, 2006.
2. The Board will reimburse interested current employees who do not yet meet the above criteria for the cost of the State Paraprofessional test on a one-time, first time basis.
3. Paraprofessionals who are in an assignment in which the requirements above are NOT mandated by law will be grandfathered in their positions as long as their position does not require the highly qualified standards under law. It is recommended that all paraprofessionals and other aides meet one or more of the above requirements because District positions falling under the jurisdiction of any Act may change at any time.
4. Paraprofessionals employed effective June 30, 2004 who are in an assignment in which the requirements set forth herein are mandated, must complete one of the requirements in Section 37.00.1 above by January 8, 2006 to remain employed by the Board.

H. NOTIFICATION OF NEWLY HIRED EMPLOYEES

The President and Local Treasurer of the Association shall be provided with written notification of any newly hired personnel who fall under the jurisdiction of the Agreement.

I. NOTIFICATION OF TRANSFERS

1. The employee and the Local President shall be sent written notification in advance of any transfer for more than five (5) days. In the event the Administration transfers an employee, the employee and the Local President may request a meeting with a representative of the Administration to discuss the transfer.
2. Any employee who desires a transfer may apply to do so through the job posting procedure when a job opening within the bargaining unit occurs.

J. GENERAL JOB DESCRIPTIONS

1. A job description shall be updated when general job requirements change. The Union shall be furnished with copies of each job description covered under the terms of the Agreement.
2. When the Board makes revisions to any job description or the number of days of employment for that position, the Local shall be notified, prior to those revisions, and shall have the opportunity to make recommendations. A copy of all revised job descriptions shall be forwarded to the Local President.

- a. 260 day secretaries are and will remain hourly employees who are paid on an annual salary basis as set forth above. The hourly rate will be determined by dividing the annual salary set forth in the contract by 260 days times the number of hours scheduled to be worked by the employees, regardless of the number of days actually in the work year.
- b. For any and all hours worked over 40 in any given work week, 260 day secretaries will receive overtime pay in accordance with the above.
- c. Compensation for 260 day secretaries will continue to be paid in equal amounts by dividing the annual salary stated in the contract by 26 pays. Additional time will be added pursuant to the above. It is expressly understood and acknowledged that the work year of a 260 day secretary may fluctuate between 259 – 262 days depending on the vagaries of the calendar, without an increase or decrease in pay.
- d. Unless or until agreed otherwise by the parties through negotiations, the secretarial positions in the bargaining unit will not be required to utilize a time clock for the recording of hours.

1. Sick leave shall be earned and accumulated at the rate of 1 1/4 days per month of employment for full time employees and for part time employees shall be earned and accumulated on a prorated basis. Employment for those employees who work less than 12 months means that they will continue to accrue sick leave credit through July and August when school is not in session.
2. Sick leave shall be earned and accumulated at a rate of 1 1/4 days per month of employment to a maximum of 15 days per year for full time employees, and shall be earned and accumulated on a prorated basis for part-time employees. (i.e. an employee working four hours a day will accumulate 1 1/4 four hour days of such leave for each month of employment ; an employee working a 3/5 schedule [three days per week] will accumulate 3/5 of 1 1/4 days of sick leave for each month of employment). The accumulation of sick leave shall be unlimited.

The immediate family includes wife, husband, child(ren), father, mother, brother, sister, father-in-law, mother-in-law, brother-in-law, sister-in-law, the employee's grandfather or grandmother and members of the immediate household of the employee. In the case of contemplated absence because of the circumstances, the employee shall report by phone, in writing, or personally to the immediate supervisor giving the date of contemplated absence and citing the circumstances.

4. Routine doctor/dental and/or other health service provider visits which are not an emergency or related to a current illness or injury are not an appropriate use of sick leave.

6. All cleaning personnel are required to call the custodian in charge of their building at least two (2) hours before their scheduled starting time to report that they will be absent. 7. On workdays when school is not in session, cleaning personnel are required to call the custodian in charge of their building by 7:00 a.m. to report that they will be absent.
8. Other personnel shall call in to report off in the manner and by the time directed by their administrative supervisor.
9. When the Board or Administration has reason to believe that an employee is abusing his/her sick leave privilege, the administration, after notice to the employee, may require that employee thereafter furnish verification respecting further sick leave before such will be allowed.
10. Section 3319.141 of the Ohio Revised Code requires in part that each teacher/non-teaching school employee furnish a written signed statement on forms prescribed by such board to justify the use of sick leave. Use of the District's automated absence reporting system satisfies that requirement. Payment for sick leave is obtained by logging on to or calling into the District's automated absence reporting system using the individual PIN number assigned when the employee first registers with that system. Logging on to or calling into the system is considered a digital signature. Reporting sick leave to the District's automated absence reporting system is a mandatory requirement. Reporting any kind of absence to District's automated absence reporting system is a mandatory requirement. The Superintendent may require a physician's statement if the employee was under the care of a physician. In that case, the employee is required to complete a HIPAA compliant authorization to allow the physician's medical report(s) to be released to the Board.
11. Employees are required to follow the appropriate procedure for the use of sick leave. Falsification of the use of sick leave is grounds for suspension or termination of employment under Ohio Revised Code Section 3319.16.
12. An employee who transfers from a public agency or school district in Ohio shall be credited with his/her unused balance of his/her sick leave upon presentation of the proper form or statement.
13. When an employee reports for work on his normally scheduled working day and because of illness is excused from performing his full work day, he/she will be "charged" sick leave on an hour for hour basis for the absence.

3. The employee shall not qualify for, or accrue assault leave except upon submission of an application on a form to be furnished by the Board of Education justifying the granting of assault leave; and if the employee receives medical attention, the employee shall furnish a certificate from the licensed physician stating the nature of his/her disability and its expected duration. The Board shall have the right to have the employee examined by a Board physician at Board expense. (See Appendix for form.)
4. Employees shall also be required to complete an incident report form within ten (10) days of the incident, or as soon thereafter as is possible, disclosing the nature, participants, witnesses, and location of the assault. In addition, an employee receiving assault leave must agree to provide written and/or verbal testimony to assist the Board and the administration as necessary to insure appropriate disciplinary action is taken against the attacker. Falsification of either a signed statement, assault leave form, or a physician's certificate is grounds for disciplinary action up to and including termination.
5. Payment for assault leave shall be at the regular rate of pay in effect for such employee at the time of such assault.
6. Payment shall be discontinued whenever the employee becomes eligible for retirement benefits under the School Employees Retirement System, whether benefits are based upon retirement because of age or retirement because of disability. In all other respects not covered by this resolution, the provisions of 3319.143 shall apply. An employee whose disability due to assault is anticipated to exceed one year and who does not qualify for SERS disability retirement shall continue on assault leave until the employee qualifies for disability benefits under SERS or until the employee returns to work. In such instances, the Board shall have the right to schedule periodic medical examinations at its expense, not to exceed one per assault leave, to confirm the continuing disability.

that results in additional time needed for disability. The employee shall notify the Director of Human Resources of the date of delivery within ten (10) calendar days after the delivery date.

3. If a pregnant employee prefers not to use accumulated paid sick leave, or exhausts her accumulated sick leave credit, upon application, a leave of absence without pay or benefits will be granted for any time during the last eight (8) months of pregnancy and the leave to continue until the end of the school year in which it is granted. An additional leave will, upon request, be granted for an additional full school year. The granting of such leave will be on condition that the employee waives the obligation of the Board to contribute to the School Employees Retirement System during the period of such leave, and during such period the Board will not make such contribution on behalf of such employee and the employee will not receive credit on the salary schedule during the pregnancy leave.

An employee may return to her job classification after the expiration of any pregnancy leave, provided she gives the Board at least a forty-five (45) calendar days notice of her intent to return to work. 5. Sick leave and group health care insurance coverage will not be available to individuals for a surrogate pregnancy, child delivery and pre/post natal care in connection with a surrogate pregnancy, unless due to a family related medical necessity.

 3. An employee affected by a reduction may exercise bumping into a different classification series if he/she has previously held a position in good standing within 24 months of the reduction process.
 4. The employee who is displaced as the result of a reduction in force will have the same rights to this procedure, in seniority order, along with any other affected employee(s).
 5. When all bumping options and vacancy selections have been exhausted, the remaining vacancies will be posted in accordance with Article 11.
 6. Each affected employee will receive written notice twenty (20) working days prior to the implementation of a layoff under this Article. The written notice will state the following:
 - (a) reason for the lay off or reduction;
 - (b) the effective date of lay off, and;
 - (c) a general reminder of the recall rights provided by this Article.
 7. It is further understood that paraprofessionals who have no junior paraprofessional to bump will not lose their right to recall if they:
 - (a) refuse to bump the least senior lunchroom nonparaprofessional, or
 - (b) refuse to accept one of the 3 hour paraprofessional positions in the Safe Schools-Healthy Students Grant that are currently open. However, if the paraprofessional bumps into or accepts one of these positions, he/she will not be placed on the paraprofessional recall list.
 8. When one (1) Early Childhood Department program is being retrenched, reorganized, rescheduled or reduced, affected employees shall not be eligible to exercise their Board seniority to bump employees with less Board seniority in other programs. However, every effort shall be made to place qualified employees in vacant positions in other programs as they become available. Board seniority shall govern the awarding of vacant positions.

E. RECALL

1. An employee on the layoff list will have the opportunity to be placed in openings which occur in the same classification series at the same or lower classification the employee held at the time of layoff.
2. The order of recall shall be determined on the basis of seniority, provided the laid off employee has the necessary job skills for performing the available position with minimal instruction but without training.
3. Notice of recall shall be sent by certified mail to the last known address provided by the employee to the Superintendent or his/her designee.
4. The period of recall shall continue for the period of two (2) years from the day of layoff.

5. An employee shall remain eligible for recall unless:
 - (a) the time limit for the right of recall has expired; or
 - (b) he/she resigns; or
 - (c) the employee accepts or declines recall to any position for which he/she is eligible for recall, under Recall, paragraph 1 above; or
 - (d) he/she fails to respond to recall within five (5) working days of receipt or attempt of delivery to the employee's last known address as set forth in paragraph 3 above.

6. Upon return to service, the employee shall be credited with all back seniority; however, the period of lay off shall not be counted within that earned seniority total. Experience credit will not be granted for the period of lay off.

7. At the time of lay off, if an employee has been employed by the School District for at least one year, the School District will provide two (2) months of paid hospitalization, HMO or other coverage, as appropriate. (For example, an employee laid off on June 30th, would receive the hospitalization benefits for the months of July and August.) Subsequently, laid off employees may purchase the hospitalization coverage, as provided by law, provided the employee makes payment to the Treasurer/CFO, as directed, by the date established for such payment by the Treasurer/CFO. Failure to do so will result in the laid off employee's removal from the insurance rolls. Once an employee is off the insurance rolls, such employee waives all further rights to coverage during the period of layoff. Should a laid off employee have hospitalization benefits available to him or her through another employer, such employee must notify the Treasurer/CFO and will be removed from the insurance rolls.

2. The Arbitrator will be selected pursuant to The Voluntary Labor Arbitration Rules of the American Arbitration Association. If an arbitrator is not selected from the first list, a second list shall be provided to the parties.

2. When an individual is not represented by OAPSE, OAPSE shall have the right on its request to have its representative present to state its view at all stages of grievance procedure unless the grievant objects to the OAPSE representative being present at the Step 1 or Step 2 meeting.
3. Nothing contained herein shall prevent any grievant from presenting a grievance and having it adjusted without intervention or representation by OAPSE.
5. At any of the steps hereinbefore set forth, the employee must appear.

K. PROFESSIONAL RIGHTS

No reprisals of any kind will be taken by either party or by any member of the Administration against any party in interest, OAPSE representative, or any participant in the grievance procedure.

EMPLOYEES ASSISTANCE PROGRAM

1. Purpose

The Cleveland Heights–University Heights Board of Education and its Local 102 bargaining unit have established an Employees Assistance Program to provide constructive ways to help bargaining unit members when chemical use problems or personal/life problems interfere with job performance.

The Employees Assistance Program is designed to identify the bargaining unit member's problems as early as possible, to motivate the member to seek help and to refer the member to the most appropriate community resource available.

2. Job Jeopardy

The Employees Assistance Program is a means to provide confidential assistance to members of the bargaining unit who are experiencing problems with alcohol, drugs or other personal/life problems. The program also provides supervisors and union representatives with a constructive way to help when these problems interfere with job performance.

The objective of the program is to retain and help valued members who are alcoholic or drug dependent, restoring them to better health and improved work performance. No member of the bargaining unit with an alcohol or drug problem will have either job security or promotional opportunities jeopardized because of a request for diagnosis, counseling or treatment through this program. However, the parties understand that participation in this program will not insulate bargaining unit members from appropriate disciplinary action or evaluation.

Neither shall participation remove from members their right to union representation in all instances including grievances, hearings and litigation.

3. Privacy and Confidentiality

When the bargaining members use the Employees Assistance Program for an alcohol or drug related problem, only the member, the Union and/or Management contact (if the member is referred by them) and the service provider's employee assistance coordinator should know that the member has sought help or has been referred for assistance.

The service provider's employees assistance program coordinator will maintain a record of the member's progress on a strictly confidential basis. Nothing pertaining to the Employees Assistance Program will be placed into a member's personnel file before, during, or after the member seeks assistance. The confidential nature of records of individuals who utilize the service will be strictly preserved.

4. Contract Service

The specified services will be supplied by a provider agreed upon by the Board and the Union. The provision of service by a non-aligned third party will help insure confidentiality and privacy while maintaining expert diagnostic assistance. The primary focus of the program is to provide diagnostic and referral services to members of the 102 bargaining unit in need. The contracted agency or individual may provide direct service or will refer to appropriate community agencies.

The following list describes the kind of personal and life problems identified as appropriate for assistance from the program:

1. Chemical Dependency
 - a. Alcoholism
 - b. Other drug dependencies
2. Emotional Problems
3. Family Problems
4. Marital Problems
5. Financial Problems
6. Legal Problems

5. **Referral**

The provision of service can be activated by any one of three ways:

1. Self Referral - The member may recognize the need for assistance and seek assistance through the program.
2. Family Referral - The spouse or immediate dependents may initiate service for the member by contacting the agency and encouraging participation.
3. Supervisory and/or Union Referral - Local 102 or supervisors may refer members to the Employees Assistance Program.

6. **Literature**

Initial literature announcing and describing the Employees Assistance Program for Local 102 shall be published and distributed by Local 102 on Local 102 letterhead. This initial literature shall be approved by both the Superintendent of Schools and the President of the Union and shall be signed by both.

CRIMINAL HISTORIES POLICY

POLICY

The Board of Education is committed to selecting and hiring the highest quality candidates for certificated and classified positions and complying with Ohio Revised Code Sections 3301.541, 3319.39 the implementing regulations contained in the Ohio Administrative Code, Rule 3301-20-01, and any other pertinent regulations. It is the policy of the Board to require criminal history checks of all employees who come under final consideration for employment. Because this policy speaks to the dismissal and/or termination of employees, it may involve the rights of employees to fair representation and all other rights afforded by labor law. Accordingly, this policy and its procedure have been negotiated with AFT Local 795, OAPSE Locals 102 and 617, SAEU District 1199, and EAC, and may not be amended without further negotiation.

PROCEDURE

1. All candidates for employment will be requested to sign the following statement on the application form:
I also agree to participate in an Ohio Bureau of Criminal Identification and Investigation (BCI) fingerprint criminal history check and in a Federal Bureau of Investigation (FBI) fingerprint criminal history check and understand that my employment may be terminated based on revealed criminal history.
2. The Employment Application will ask whether the applicant has ever been convicted of a felony or misdemeanor. Any individual with an expunged and/or sealed criminal record who answers "No" to this question on the Employment Application cannot be terminated for falsification of employment application materials for denying the sealed or expunged criminal conviction.
3. Candidates for all positions will be fingerprinted for an Ohio Bureau of Criminal Identification and Investigation (BCI) Criminal History Check and a Federal Bureau of Investigation (FBI) Criminal History Check. The cost of the BCI Criminal History Check will be borne by the School District. The cost of the FBI Criminal History Check will be borne by the candidate and will be automatically deducted from the first paycheck(s). If the candidate is unable to bear this cost, other arrangements may be made.
4. The conviction of a crime is not always an automatic bar to employment. Convictions revealed by the Criminal History Check, however, may result in the School District immediately releasing the employee from employment and the School District rescinding the conditional offer of employment. The School District complies fully with guidelines set forth in Ohio Revised Code, Sections 3301.541, 3319.39 the implementing regulations contained in the Ohio Administrative Code 3301-20-01, and any other pertinent regulations as defining those crimes that bar employment. If a Criminal History Check reveals a record of a conviction which is not listed in the Ohio Revised Code, Section 3319.39 as barring employment the district will consider the nature of the offense, the date of the offense, and the relationship between the offense and the position for which the applicant is applying and may, in its discretion rescind a conditional offer of employment or, if employment has begun, may require that it cease. Arrest records will not be considered a bar to employment, a cause of termination, or used in any other way.

5. The initiation of proceedings to terminate, based on criminal convictions disclosed by the BCI or FBI check, will be made within twenty-one working days after receiving the BCI or FBI report. Except to prove that this investigation has been completed, the BCI and FBI reports will never again be used in any circumstance, for any purpose, after the twenty-one working day period that follows receipt of the reports.
6. BCI and FBI reports will not be included in employee personnel folders, but will instead be stored under lock and key, in the status of "for the Director of Human Resources' eyes only."
