The bid notice shall contain: the classification, job description, minimum qualifications as determined by Civil Service, shift and salary or pay band. The bid notice shall be posted for ten (10) consecutive days. Employees who meet the minimum qualifications may fill out job bidding forms, with a copy provided to the employee. Five (5) days thereafter, a notice shall be posted stating who, if anyone has been awarded the position.

(67) An employee who is awarded a lateral bid position shall be ineligible to bid on future openings at the City's discretion for twelve (12) months following successful completion of the applicable probationary period. An employee on a promotional or lateral bid has up to forty-eight (48) hours to cancel bid after accepting the bid. When an employee has been awarded a position in accordance with the above procedure, that employee's previous position shall not be considered a vacancy under this section although an Appointing Authority may post a bid notice for that position if he/she deems it appropriate.

## **Article 21 HOURS OF WORK**

(68) The normal work week for regular full-time employees shall be forty (40) hours of work in five (5) eight (8) hour days, exclusive of time allotted for meals, during the period starting 12:01 a.m. Monday to Midnight Sunday, except where different hours are necessary to meet operational requirements. All overtime shall be voluntary and an employee shall have the right to refuse an overtime assignment, except for emergencies; provided that an employee will be excused for personal emergency if a replacement can be obtained in time to meet the City's emergency. For the purposes of this paragraph, an emergency is defined as an impairment to City services or operations which cannot be delayed until the beginning of the next regular work day. Contiguous work extending beyond the normal work schedule shall not be subject to this section.

- a. In emergency situations, the Union recognizes the City's right to assign overtime on the basis of the specific qualifications the City deems important in responding to the overtime (emergency) situation regardless of seniority or the equalization of overtime list.

---

(75) A record of all overtime hours worked by each employee shall be recorded on a list by the City, Supervisor, Timekeeper, or Payroll Clerk keeping the record, which shall be available to the employees or the Union upon their request. All overtime hours shall be recorded on a daily basis by the City.

Other absences entitling an employee to holiday pay shall be solely at Management's discretion.

**Article 28

  - m. A returning serviceman may be entitled to his vacation in the calendar year following the year of his return on the same basis as if he had been on the City payroll during the full preceding calendar year, providing he returns to duty within six (6) months of discharge from military service.

- n. If a recognized holiday falls within an employee's vacation leave, the employee shall receive an additional paid vacation day in lieu of the holiday (either at the beginning or at the end of his vacation, at his option).

During the first quarter of each calendar year, employees will be given an opportunity to indicate on a form provided by the City their vacation leave preferences, and promptly thereafter a written vacation schedule (by department) will be prepared by the City with priority given to employees according to their job classification seniority to the extent consistent with operational requirements. Once the departmental vacation schedule is determined, it shall not be changed without the consent of the involved employee(s) except in response to an operational emergency. Any employee who fails to make his vacation application during the appropriate period will be given his vacation leave without regard to seniority, based upon when his application was made.

However, any materials in the employee's personnel record which have not been seen or signed by him/her or which are more than two (2) years old at the time discipline is being considered shall not be used against him/her. The City shall notify the affected employee and his/her Union representative of the day and time of the conference and the incident for which discipline is being considered. The employee's Union representative shall be present at the pre-disciplinary conference unless otherwise agreed between the City and said employee and his representative. An employee may also elect, in writing, to waive the opportunity for a pre-disciplinary conference.

## **ARTICLE 35 GRIEVANCE PROCEDURE**

(102) It is mutually agreed that the prompt adjustment of grievances is desirable in the interest of sound relations between the employees and the City. The prompt and fair disposition of grievances involves important and equal obligations and responsibilities, both joint and independent, on the part of the representatives of each party to protect and preserve the Grievance Procedure as an orderly means of resolving grievances. It is the intent of the City and the Union to share information pertaining to grievances at all steps of the Grievance Procedure. The timelines contained in this provision will be adhered to except by mutual agreement in writing.

(103) A grievance is defined as a dispute or difference between the City and employee(s) or the City and the Union concerning the interpretation and/or application of and/or compliance with any provision(s) of this Contract, including any and all disciplinary actions. A Group Grievance is a grievance filed by a group of employees relating to a single common issue or event covered by this Contract. A Policy Grievance is a grievance filed by the Union relating to a single common issue or event covered by this Contract. The grievance form shall set forth the complete details of the grievance, i.e., the facts upon which it is based, the paragraph(s) allegedly being violated, the approximate time of occurrence and the relief or remedy requested. It is understood that a written grievance may be amended by the Union at any time during the grievance Procedure. However, all amendments must be presented prior to the start of the Step Three (3) meeting at which the amended grievance is to be heard, except in the case of

grievances which begin at Step 3, in which case all amendments must be presented not later than thirty (30) calendar days prior to arbitration.

(104) It is important that the employee's grievance(s) regarding unjust or discriminatory discharges, and/or payment of wages/Step placement be handled promptly. Therefore, all such grievances shall be reviewed through the Grievance Procedure beginning at Step Three (3) within ten (10) working days as in Step One (1).

**Step 1:** When a grievance arises, the following procedure shall be followed: An employee who believes he has a grievance has a right to notify his Union representative of the situation and to discuss the alleged violation. This discussion shall take place with regard for the City's operational needs, but as soon as is reasonably possible. The grievance shall be reduced to writing and presented to the Commissioner or Appointing Authority or his designee within ten (10) working days of the event(s) giving rise to said grievance. The Commissioner or Appointing Authority or his designee shall meet with the Steward and Staff Representative within ten (10) working days from the date of receipt of the grievance in an effort to resolve the grievance. Within ten (10) working days after this meeting, the Commissioner or Appointing Authority or his designee shall give a written answer to the Steward and Staff Representative. Each grievance shall be answered separately. The answer shall set forth in detail the settlement reached between the parties and shall include the grievance number, grievants name, and the date of the grievance hearing. Agreement on this settlement shall be noted by both parties, in writing, on the grievance answer. In the event the grievance is not resolved, the answer shall set forth in detail the reason or reasons for the denial of the grievance.

**Step 1-A:** Any disciplinary action involving suspension of eleven (11) working days or more, or a disciplinary reduction in rank or pay may be appealed to the Civil Service Commission in accordance with its rules and regulations. An employee may choose to appeal such disciplinary action by filing either a grievance or an appeal to the Civil Service Commission, but in no case shall an employee be permitted to utilize both procedures. If an employee does not file a grievance within the ten (10) working day time limit or files an appeal through both the grievance procedure and the Civil Service Commission the employee shall be deemed to have chosen to appeal to the Civil Service Commission. Decisions of the Civil Service Commission are not appealable through the grievance procedure.

**Step 1-B:** Disciplinary suspensions of eleven (11) working days or more, or any disciplinary reduction in rank or pay which is appealed through the grievance procedure shall be submitted in writing within the ten (10) working day time limit to Step 2 of the grievance procedure. All discharge grievances shall be directly appealed to Step 3.

**Step 2:** If the grievance is not satisfactorily settled at Step One (1), it shall be presented in writing to the employee's Director or his designee within ten (10) working days of the receipt of the Step One (1) answer. Within five (5) working days thereafter, the Director or his designee shall meet with the Local Union Representative. Within ten (10) working days after the Step Two (2) meeting, the Director or his designee shall give a written answer, as defined in Step One (1), to the Local Union Representative.

**Step 3:** If the grievance is not satisfactorily settled at Step Two (2), it shall be presented in writing to the City's Labor Relations Representative, along with the initial grievance, Step 2 appeal, amendments to same, and Step 1 and 2 responses, with a copy to the affected Director or his designee, within ten (10) working days after receipt of the Step Two (2) answer. The City's Labor Relations Representative and the Union's Staff Representative will mutually agree on a date for a monthly meeting for the purpose of considering grievances. A complete agenda for all grievances appealed in writing to Step Three (3) will be provided by the Union prior to each monthly meeting. Within thirty (30) calendar days of the Step Three (3) meeting, the City's Labor Relations Representative shall give a written answer, as defined in Step One (1), to the Union's Staff Representative.

**Step 4:** If the grievance is not satisfactorily settled at Step Three (3), the Union may, within thirty (30) calendar days in the case of grievances appealing an employee discharge, and within thirty (30) working days in the case of all other grievances, submit the matter to final and binding arbitration. The Union shall notify the City of its intent to arbitrate the grievance. Within ten (10) calendar days thereafter, the parties shall meet and attempt to mutually agree upon an arbitrator. If no agreement can be reached, the Union shall within ten (10) calendar days after the meeting, notify the Federal Mediation and Conciliation Service (FMCS) and the City at the same time of its intent to arbitrate the grievance. The fees and expenses of the arbitrator shall be borne equally by the City and the Union. Furthermore, the aggrieved employee, his Union representative, and any necessary witness (es) shall not lose any regular straight-time pay for time off the job while attending an arbitration proceeding. The Union will provide the City with twenty-four (24) hours' advance notice of employees required to testify.

The parties may, by mutual agreement, choose to have a grievance involving suspension or discharge arbitrated on an expedited basis. The expedited arbitration will be conducted pursuant to the rules of the American Arbitration Association, and the fees and expenses of such proceeding including those of the Arbitrator, shall be borne equally by the City and the Union.

(105) In the event a grievance goes to arbitration, the arbitrator shall have jurisdiction only over disputes arising out of grievances as the interpretation and/or application and/or compliance with the provisions of this Contract, including all disciplinary actions. In reaching his decision, the arbitrator shall have no authority: (1) to add or to subtract from or modify in any way of the provisions of this Contract; (2) to pass upon issues governed by law; or (3) to make an award in conflict with law. The arbitrator shall issue a decision within thirty (30) calendar days after submission of the case to him.

(106) In instances where the city objected to arbitration and the Union chose to proceed, the first (1st) question to be placed before the arbitrator will be that of arbitrability. If the arbitrator determines that the grievance is within the purview of arbitrability, the grievance will be heard on its merits before the same arbitrator.

(107) All decisions of arbitrators consistent with Paragraphs 97 and 98 and all pre-arbitration grievance settlements reached by the Union and the City shall be final,

conclusive and binding upon the City, the Union and the employees. Provided, that a grievance may be withdrawn by the Union at any time during the Grievance Procedure and the withdrawal of any grievance shall not be prejudicial to the positions taken by the parties as they relate to that or any other grievance. For purpose of this section, timeliness is counted as working days from the date of the incident or the date expressed on the face of either the answer or the appeal notice, as applicable. Extensions of time limits shall be by mutual agreement and must be verified in writing and signed by both parties. The date of occurrence of the event causing time to run is not counted in the time limit. If the last date of a period is not a regular business day, the time period runs through the end of the next regular scheduled business day.

(108) Grievance Mediation:

A) All grievances which have been appealed to arbitration will be referred to mediation unless either party determines not to mediate a particular grievance. Arbitration scheduling will give priority to cases which have first been mediated.

B) Within sixty (60) days of the ratification of April 1, 2004 through March 31, 2007 Collective Bargaining Agreement, the parties shall mutually agree to a panel of five (5) mediators to serve in the capacity of grievance mediators. Panel members must be experienced mediators and/or arbitrators with skills in mediation. Mediation panel members may not serve as arbitrators.

C) Each member of the mediation panel will be asked to provide a schedule of available dates and cases will be scheduled in a manner which assures that the mediator will be able to handle multiple cases on each date unless otherwise mutually agreed. The parties agree not to hear more than five (5) cases a day. Mediation shall be scheduled on a rotating basis among the panel members to the extent the mediator is available and his/her schedule allows.

D) Representatives designated by each party shall have the right to be present at the mediation conference. Each party will have a representative vested with full authority to resolve the issues being considered.

E) The mediator may employ all of the techniques commonly associated with mediation, including private caucuses with the parties, but the taking of oaths and the examination of witnesses shall not be permitted and no verbatim record of the proceeding shall be taken. The purpose of the mediation effort is to reach a mutually agreeable resolution of the dispute and there will be no procedural constraints regarding the review of facts and arguments. There shall be no formal evidence rules. Written materials presented to the mediators will be returned to the party at the conclusion of the mediation hearing.

F) Mediation efforts will be informal in nature and shall not include written opinions or recommendations from the mediator. In the event that a grievance that has been mediated is appealed to arbitration, there shall be no reference in the arbitration proceeding to the fact that a mediation conference was or was not held. Nothing said or done by the mediator may be referenced or introduced in to evidence at the arbitration

hearing. Nothing said or done by either party for the first time in the mediation conference may be used against it in arbitration.

G) At the mediation conference the mediator shall first seek to assist the parties in reaching a mutually satisfactory settlement of the grievance which is within the parameters of the collective bargaining agreement. If a settlement is reached, a settlement agreement will be entered into at the mediation conference. The mediator shall not have the authority to compel the resolution of a grievance.

H) If a grievance remains unresolved at the end of the mediation session, the mediator will provide an oral advisory opinion as to how the grievance is likely to be decided if it is presented at arbitration. This opinion is non-binding and inadmissible in any subsequent arbitration proceeding.

I) The dates, times and places of mediation sessions will be determined by mutual agreement of the parties. Each party shall designate a representative responsible for scheduling mediation sessions.

J) The fees and expenses to be charged by mediation panel members shall be negotiated between the panel participants and the parties. Fees and expenses for grievance mediation shall be shared equally by the parties.

### **Article 40 DRUG/ALCOHOL TESTING**

(117) All employees who are required to be randomly tested under law (e.g. Department of Transportation regulations regarding employees required to have a Commercial Driver's License who drive vehicles in excess of 26,000 pounds), and all employees in Safety Sensitive Positions shall be subject to random drug/alcohol testing. Additionally, an employee involved in any accident resulting in personal injury or one thousand dollars (\$1,000.00) or more of property damage shall submit him or herself to post-accident drug/alcohol testing. Such testing shall be conducted in accordance with the DOT procedures. Further, when there is a reasonable suspicion to believe that an individual employee is using illegal drugs or alcohol at work or is under the influence of drugs or alcohol at work, such employee will be directed to report to a City-designated physician or medical clinic, on City time and at City expense, for a fitness-for-duty examination. Both random examinations and reasonable suspicion examinations are conducted for the purpose of determining the presence of illegal drugs or alcohol in the employee tested. An employee who is directed to submit to such examinations shall report to a City-designated physician or medical clinic, on City time and at City expense. The City's Manager of Labor Relations, or his designee, shall approve all drug/alcohol testing. This testing will include possible urine, blood, or breathalyzer exams as determined by the appropriate medical personnel. An employee who refuses to submit to drug/alcohol testing under the provisions herein shall immediately be charged with insubordination and will be suspended pending discharge. An employee who fails a drug or alcohol test for the second time during his/her employment with the City shall be discharged immediately by the City.

An employee may be referred to fitness-for-duty screening if at least one (1) supervisor has a reasonable suspicion that the employee is then under the influence of alcohol or a controlled chemical substance. The circumstances supporting an allegation warranting reasonable suspicion testing shall be reduced to writing, signed by the supervisor, and copies to the employee and Union prior to testing. The demand for a urine, blood or breath specimen should be based only upon specific/objective facts and reasonable inferences drawn from those facts in light of experience that the employee is then under the influence of drugs or alcohol. In addition, employees may be referred for mandatory urine, blood, or breath, for drug and/or alcohol screening under the following circumstances:

- (a) A disciplinary probation for employees who have violated the City's drug and alcohol rules; or
- (b) For employees returning from leaves of absence if they have given management a reason to suspect possible illegal drugs and/or alcohol abuse. Possible reasons to suspect substance abuse include, but are not limited to, a history of excessive absenteeism not related to a specific illness, documented evidence of deteriorating job performance or of aberrant behavior in the six months immediately preceding the leave of absence or documented involvement with drugs off the job.

An employee shall be entitled to have a notified Union representative present before testing is administered if one is readily and reasonably available. However, in no event will management be precluded from administering the required test if, due to the absence of a union representative, the results of such testing would be medically compromised due to the passage of time.

As concerns urine samples for drug testing, employees to be tested will undergo an initial screening (EMIT) test. For any positive results, a confirmatory test employing the gas chromatography/mass spectrometry (GC/MS) test will be used. The City will ensure that there is a continuous chain of custody of any sample taken from an employee. Specimen collection will occur in a medical setting. The testing procedures should not demean, embarrass or cause physical discomfort to employees. Altering or switching a specimen sample for a drug/alcohol test, or otherwise refusing to follow the established testing procedure and/or guidelines, shall be grounds for immediate suspension pending discharge.

The results of any drug or alcohol screening test will be kept strictly confidential. An employee who tests positive for drugs and/or alcohol will have the opportunity to review the test results and, if desired, given a reasonable opportunity to rebut the results. Copies of test results shall be given to the City and to the individual tested. Where urine, blood or other samples have been taken, the two samples will be preserved for a reasonable period of time and tested employees will have the opportunity to take one of these samples to a reputable physician or laboratory of their choosing for retesting.

Employees who may be drug or alcohol dependent are encouraged to voluntarily seek professional assistance through a reputable treatment program. The City's EAP program can provide counseling and referral. Employee records related to and maintained for medical rehabilitation for a drug or alcohol problem, whether through EAP or private counseling/rehab will be maintained confidentially as allowed by law. Voluntary assistance should be sought before dependence affects job performance so as to endanger fellow employees, the public or otherwise adversely impact on the employee's ability to perform his or her job duties.

Participating in the EAP program does not supplant the normal discipline and grievance procedure. An employee subjected to disciplinary charges which include substance abuse on the job will be given access to the drug or alcohol screening

results, the ability to privately test the blood, urine or other samples at an independent lab and the opportunity to rebut any allegation of chemical abuse. Any charging letter issued to an employee which includes allegations of substance abuse on the job shall list the basis upon which it was determined that there was reasonable cause to believe the employee was using drugs or was under the influence of drugs or alcohol.

Any employee found to have positive screens for drugs or alcohol must be given medical clearance by a qualified physician acceptable to the City before returning to work. Such employees may also be subject to additional random testing for a period of up to two years. An employee shall be deemed to have failed an alcohol test if:

- (1) The person has a concentration of three-hundredths of one percent or more by weight of alcohol in his blood;
- (2) The person has a concentration of three-hundredths of one gram or more by weight of alcohol per two hundred ten liters of his breath;
- (3) The person has a concentration of 4.5-hundredths of one gram or more by weight of alcohol per one hundred milliliters of his urine.

The City is not responsible for any legal obligations and costs for claims based on the Union's duty of fair representation. The Union shall be indemnified and held harmless by the City for any violation of an employee's constitutional, common law, or statutory rights.

District Council 54, Local 439

Re: Side Letter – “Me Too” Agreement

Dear Mr. Baker:

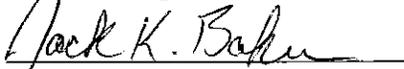

During recently concluded negotiations for the 2013-16 Labor Contract between the City and the Union, the parties entered into a “me too” agreement regarding across-the-board general wage increases and health benefits. The parties agreed that if the City voluntarily negotiated a higher wage increase or more favorable health benefits – both in terms of employee costs or benefit levels – with another bargaining unit, then the Union would receive the same wage increase or health benefits. The parties also agreed that this agreement excludes any increase either ordered by a binding conciliator or recommended by a fact-finder and accepted by the City and the Union bargaining representative.

Very truly yours,

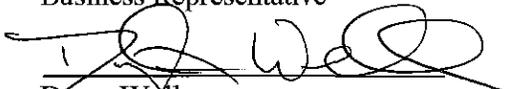

George S. Crisci
