ARTICLE 1. PREAMBLE

1.1 This Agreement is hereby entered into by and between the City of Willoughby, Ohio (hereinafter, "the Employer") and the Ohio Patrolmen's Benevolent Association, (hereinafter, "the Union" or "the O.P.B.A. ").

ARTICLE 2. PURPOSE AND INTENT

2.1 In an effort to continue harmonious and cooperative relationships with the employees and to ensure the orderly and uninterrupted efficient operation of government, the Employer now desires to enter into an Agreement reached through collective bargaining which will have for its purposes, among others, the following:

- A.** To recognize the interests of employees of the Employer to participate through collective bargaining in the determination of the terms and conditions of their employment;
- B.** To promote fair and reasonable working conditions;
- C.** To promote individual efficiency and service to the citizens of the City of Willoughby;
- D.** To avoid interruption or interference with the efficient operation of the employer's business; and
- E.** To provide a basis for the adjustment of matters of mutual interest by means of amicable discussion.

ARTICLE 3. RECOGNITION

3.1 The Employer hereby recognizes the O.P.B.A. as the sole and exclusive bargaining agent with respect to wages, hours, and other terms and conditions of employment for all persons employed in the City's Division of Police as police officers below the rank of Sergeant, excluding the Chief, the Assistant Chief, Officers with rank of Sergeant and above, secretarial staff, all part-time, civilian, seasonal, and temporary employees. All other employees of the Employer are excluded from the Bargaining Unit.

ARTICLE 4. DUES DEDUCTIONS

4.1 The Employer shall deduct O.P.B.A. initiation fees and regular monthly dues from the wages of those employees who have voluntarily signed dues deduction authorization forms to permit said deductions. The dues deductions shall be made from each regular bi-weekly pay check. If the employee's pay for that pay period is insufficient to cover the amount to be deducted, the Employer will make the

deduction with the next regularly-scheduled deduction, providing the employee will be working during this subsequent pay period.

4.2 The Employer will supply to the O.P.B.A. a list of all employees for whom deductions have been made and it will be transmitted, along with the amount of the deducted dues, to the O.P.B.A. within fifteen (15) days from the date of deduction.

4.3 All current employees upon execution of this Agreement or new employees upon completion of sixty (60) days of employment with the Employer, who have not become O.P.B.A. members, shall pay a "fair-share fee" not to exceed the O.P.B.A.'s regular monthly dues as a condition of employment with the Employer. The fair-share fee payment shall not require any employee to become a member of the O.P.B.A.

4.4 The amount of the fair-share fee shall be certified to the Employer by the O.P.B.A. Such certified amount shall be deducted from the employee's earnings as in Paragraph 4.1 hereinabove, except that employee authorization shall not be required.

4.5 The O.P.B.A. shall prescribe an internal rebate procedure for nonmembers, in conformance with Federal laws, and shall advise each nonmember as to such procedure and provide to the Employer and each nonmember a copy of the procedure.

4.6 The O.P.B.A. hereby agrees to hold the Employer harmless from any and all liabilities or damages which may arise from the performance of its obligations under this Article, and the O.P.B.A. shall indemnify the Employer for any such liabilities or damages that may arise.

ARTICLE 5. MANAGEMENT RIGHTS

5.1 Not by way of limitation of the following paragraph, but to only indicate the type of matters or rights which belong to and are inherent to the Employer, the Employer retains the right to:

- A.** Hire and assign employees;
- B.** Discharge, suspend or otherwise discipline employees for just cause;
- C.** Determine the number of persons required to be employed, laid off, or discharged for just cause;
- D.** Determine the qualifications of employees covered by this Agreement;
- E.** Determine the starting and quitting time and the number of hours to be worked by its employees;
- F.** Make any and all reasonable rules and regulations;

- G.** Determine the work assignments of its employees;
- H.** Determine the basis for selection, retention, and promotion of employees to or for positions not within the bargaining unit established by this Agreement;
- I.** Determine the type of equipment used and the sequence of work processes;
- J.** Determine the making of technological alterations by revising either process or equipment, or both;
- K.** Determine work standards and quality and quantity of work to be produced;
- L.** Select and locate buildings and other facilities;
- M.** Establish, expand, transfer, and/or consolidate work processes and facilities;
- N.** Consolidate, merge, or otherwise transfer any or all of its facilities, property, processes, or work with or to any other municipality or entity, or effect or change in any respect the legal status, management, or responsibility of such property, facilities, processes, or work; and
- O.** Terminate or eliminate all or any part of its work or facilities.

5.2 In addition, the Union agrees that all of the functions, rights, powers, responsibilities, and authority of the Employer in regard to the operation of its work and business, and the direction of its work force which, the Employer has not specifically abridged, deleted, granted, or modified by the express and specific written provisions of this Agreement, are and shall remain exclusively those of the Employer.

ARTICLE 6. EMPLOYEE RIGHTS

6.1 An employee has the right of representation when the employee is the subject of a disciplinary, internal or criminal interrogation.

6.2 Before an employee is charged with refusal to answer questions or participate in an investigation, he shall be advised that such refusal to answer questions or participate in such investigation shall be the basis of a charge.

6.3 If the Employer requires that an interrogation be recorded, the employee may simultaneously record his own tape of the interrogation or be provided a copy at the Employer's discretion.

6.4 If, in the course of internal investigation, an employee is given a polygraph or CVSA examination, such examination shall not be used in any subsequent court action. Polygraph or CVSA questioning shall be narrowly related to the specific investigation.

6.5 The results of a polygraph or CVSA shall not be used solely as the basis of disciplinary action.

6.6. Citizen complaints shall be investigated as established in the current regulations. Citizen complaints determined to be unfounded shall not be retained in the personnel file.

ARTICLE 7. NON-DISCRIMINATION

7.1 The Employer and the O.P.B.A. recognize their respective responsibilities under Federal and State constitutional and statutory requirements. Therefore, both parties hereby reaffirm their commitments, legal and moral, not to discriminate in any manner relating to employment on the basis of race, color, creed, religion, sex, national origin, ancestry, handicap, age, or marital status.

ARTICLE 8. PROBATIONARY PERIOD

8.1 All newly hired employees will be required to serve a probationary period of twelve (12) months commencing upon certification as peace officer. During said period, the Employer shall have the sole discretion to discipline or discharge such employee(s) and any such action shall not be appealable through any grievance or appeal procedure contained herein or to the Civil Service Commission.

8.2 All newly promoted employees will be required to serve a promotional probationary period of three (3) months. During such period, the Employer shall have the sole discretion to demote such employee(s) to his previous position and any such demotion shall not be appealable through any grievance or appeal procedure contained herein or to the Civil Service Commission.

8.3 If an employee is discharged or quits while on probation and is later rehired, he shall be considered a new employee and shall be subject to the provisions of Paragraph 8.1 above.

ARTICLE 9. SENIORITY

9.1 Seniority shall be based upon length of continuous uninterrupted service from the last date of hire with the City of Willoughby as a full-time Police Officer.

9.2 No employee shall attain seniority rights under this Agreement until he has successfully completed his probationary and until he has successfully completed the minimum basic police training in accordance with Section 109.77 of the Ohio Revised Code as amended. Upon successful completion of the employee's probationary period, his seniority shall date back to the date of his original employment as a member of the Department.

9.3 Whenever more than one person is appointed to the Department on the same, day, the seniority of each individual as it relates to others appointed the same day shall be determined by their relative position on the written Civil Service examination, with the greatest seniority being granted to the individual standing highest on the list amongst those appointed and so on down in that order.

In the event of a tie score, the tie shall be broken by the date of application with the City.

9.4 Approved leaves of absence, with or without pay, of thirty (30) days or less duration, shall not interrupt continuous service and shall not be deducted from total service time.

9.5 An employee will lose all seniority and continuous service with the City if such service is interrupted for any of the following reasons:

- A.** He quits or retires.
- B.** He is discharged for just cause.
- C.** He is absent for three (3) consecutive working days without notifying the City.
- D.** He fails to return to work at the end of an approved leave of absence within five (5) working days.
- E.** He fails to return to work from layoff within three (3) working days from date of recall.
- F.** His layoff is continuous for a period of eighteen (18) consecutive months.

**ARTICLE 10. O.P.B.A. MEMBERSHIP
(UNION ACTIVITY)**

10.1 The Employer and the O.P.B.A. recognize the right of all employees and all applicants for employment to be free to join the Union and to participate in lawful concerted O.P.B.A. activities. Therefore, the Employer and the O.P.B.A. agree that there shall be no discrimination, interference, restraint, coercion, or reprisals by the Employer or the Union against any employee or any applicant for employment because of Union membership or lack thereof.

10.2 The O.P.B.A. shall be allowed to conduct Union meetings on the Employer's premises, providing such meetings do not interfere with the operation of the Department and approval is granted by the Chief.

10.3 Affected employees shall be permitted to attend grievance and arbitration meetings and Labor Management meetings while on duty, with no loss in pay, providing not more than one (1) individual is paid.

10.4 Employees who are elected or selected to represent the O.P.B.A. may be granted time off with pay to perform their O.P.B.A. duties including, but not limited to, attendance at regular and special meetings, seminars, and conferences, with three (3) days' prior approval, up to a maximum of twenty-four (24) hours per calendar year. Approval for such leave shall not be unreasonably denied.

10.5 Two (2) members of the O.P.B.A. Negotiating Committee shall be allowed off shift for all negotiating meetings which shall be mutually set by the Employer and the O.P.B.A.

ARTICLE 11. NO-STRIKE

11.1 The O.P.B.A. does hereby affirm and agree that it will not either directly or indirectly call, sanction, encourage, finance, or assist in any way, nor shall any employee instigate or participate either directly or indirectly in any strike, slowdown, walkout, work stoppage, or other concerted interference with, or the withholding of services from the Employer.

11.2 In addition, the O.P.B.A. shall cooperate at all times with the Employer in the continuation of its operations and services, and shall actively discourage and attempt to prevent any violation of this Article. If any violation of this Article occurs, the O.P.B.A. shall immediately notify all employees that the strike, slowdown, work stoppage, or other concerted interference with or the withholding of services from the Employer is prohibited, not sanctioned by the O.P.B.A., and order all employees to return to work immediately.

11.3 It is further agreed that any violation of the above will be automatic and sufficient grounds for the immediate disciplinary action as determined by the Employer.

11.4 The Employer shall not lock out employees covered by this Agreement.

ARTICLE 12. LABOR MANAGEMENT COMMITTEE

12.1 The Employer and the O.P.B.A. agree that certain subjects may need to be discussed for reasons of morale and efficiency. Accordingly, there is hereby established a Committee to discuss these subjects.

12.2 The Safety Director, the Chief of Police, and the Assistant Chief or their designee, and not more than three (3) representatives of the O.P.B.A., shall serve on the Committee. Meetings may be held at a mutually-convenient time on at least a quarterly basis unless mutually waived.

ARTICLE 13. RULES AND REGULATIONS

13.1 It is understood and agreed that the Employer has the authority to promulgate reasonable work rules, policies, procedures, and directives to regulate the conduct of the Employees whenever possible, and such matters will be reduced to writing and made available to all employees. Such rules, policies, procedures, and directives shall not be inconsistent with this Agreement.

13.2 The Employer agrees that the provisions of this Agreement, along with all work rules and other regulations, will be administered on as fair and non-discriminatory basis as practical. Work rules will not be inconsistent with the express written provisions of this Agreement, and unreasonable work rules will be subject to the Grievance Procedure contained herein.

ARTICLE 14. PHYSICAL EXAMINATIONS

14.1 All employees shall have an annual physical examination performed by a physician designated and paid by the Employer during the last quarter of each year. An employee may elect on their own time to have their own physician administer a yearly physical examination with the cost covered by the City provided health insurance policy. Any out of pocket expense would be the responsibility of the employee.

14.2 All results of the physical and testing process are considered to be privileged and confidential between the employee and the physician, and shall become part of the physician's permanent medical file of the employee. No information may be released from this file to anyone without the express written consent of the employee.

14.3 At the Employer's sole discretion, the above physical examination may contain a test (blood screen) for the HIV-acquired immune deficiency syndrome (AIDS) virus. Such testing and the test results shall be implemented as follows:

- A.** The physician performing the examination shall counsel each employee as to the testing process, possibility of inaccurate test results, and any other subject medically appropriate;
- B.** In the event a positive test result occurs after the second test, the employee shall be given the Western Blot Test, which shall be paid by

the Employer. There shall be no releasing of the first test results to anyone other than the physician and the employee;

- C. In the event a positive test occurs in the Western Blot Test, the results shall be kept completely confidential between the physician and the employee until such time it is finally determined that the employee is actually infected.
- D. In the event of such a final determination, the results will be kept confidential between the physician, Employee, and Mayor. At that time, the situation will be handled pursuant to Paragraph 14.4 below.

14.4 If as a result of the above-provided physical examination, it is determined that the employee is actually afflicted with AIDS, as opposed to just testing positive for AIDS antibodies, the Employer may:

- A. Allow the afflicted employee to continue to work until he is physically unable to do so; or
- B. Relieve the afflicted employee from duty and put on injury leave for up to ninety (90) days, and then sick leave, if necessary, pending the approval of his retirement from the Police & Firemen's Pension System.

14.5 In the event the Employer elects to place the employee on injury leave and then sick leave prior to the employee actually becoming incapacitated and, if, as a result of such early removal from duty, the employee exhausts his sick leave prior to the approval of his retirement, the Employer will grant the employee enough additional sick leave to keep the employee on full pay status until his retirement is approved.

14.6 If, as a result of the above-provided physical examination, it is determined that an employee tests positive for AIDS antibodies but is not afflicted with the actual disease, the Employer may:

- A. Make no changes in the employee's duties or employment;
- B. Transfer the employee to another position within the Police Department where he would not be in contact with the general public;
- C. Transfer him to another job within the Employer's workforce, but outside the Police Department; or
- D. Relieve the afflicted employee from duty and put on injury leave for up to ninety (90) days, and then sick leave, if necessary, pending the approval of his retirement from the Police & Firemen's Pension System.

14.7 In the event the Employer elects to transfer the employee to another job outside the Police Department and give him a new job classification, the employee will suffer no reduction in his existing wage.

14.8 If an employee is transferred to a position not covered by the Police & Firemen's Pension System and the employee has less than fifteen (15) years pension credit, the Employer will keep the employee in such pension system until he vests his pension at fifteen (15) years. If the employee has more than fifteen (15) years' pension credit, the Employer will keep the employee in such system until he obtains twenty-five (25) years of credit. After the employee achieves each of the above, the Employer may transfer him to the Public Employees' Retirement System (PERS).

14.9 In any instance, where the employee is receiving pay pursuant to the above provisions and such pay is not the result of the employee utilizing accumulated leave credits, the Employer will be entitled to an offset against wages paid by other received payments.

14.10 All costs associated with any AIDS tests administered pursuant to this Article, shall be borne by the Employer.

ARTICLE 15. PERSONNEL FILES

15.1 An employee shall have the right, upon request, to review any and all of his personnel files, except confidential pre-employment investigations, references, and similar material. He may have a representative of the O.P.B.A. present when reviewing the file, along with an Employer representative. A request for copies of items included in the file shall be honored.

15.2 Should an employee, upon review of his file, come across material of a negative or derogatory nature, the employee may provide a written and signed comment in rebuttal, mitigation, or explanation of said material, which comment shall remain in the employee's file so long as the negative material remains. An employee may request removal of specific items in his file, which request would be subject to review and the Employer's approval on a case by case basis. All items in an employee's file with regard to complaints and investigations will be clearly marked with respect to final disposition and be confidential from the public at large.

ARTICLE 16. WORKPERIOD

16.1 The workperiod for all full-time employees shall be forty (40) hours per week.

16.2 This Article shall not be construed as a guarantee of hours of work per day or per week. Changes in hours of work due to emergency situations shall not require prior notification to the O.P.B.A.

ARTICLE 17. ADMINISTRATION OF PAY PLAN

17.1 In the administration of the Pay Plan, three (3) steps: "A", "B", and "C" shall be interpreted and applied as set forth in the following paragraphs:

- A.** The "A" step shall be the hiring rate for the class. Where it is difficult to secure qualified personnel, the Appointing Authority, with prior approval of City Council, may hire employees at an advanced step in the range not to exceed the "C" step.

Patrolman P shall be classified as Patrolman and advanced to the "A" step upon completion of one (1) year of service with the respective division.

- B.** In cases where the City is able to hire an exceptionally-qualified person for a position, the Appointing Authority, with the prior approval of the City Council, may hire said employee at an advanced step in the range not to exceed the "C" step.
- C.** An employee shall be advanced by the Appointing Authority to the next full step in the pay range following completion of one (1) calendar year of service in each step.

ARTICLE 18. SALARY SCHEDULE

O.I.C. assignments shall be based on seniority.

ARTICLE 19. PROMOTIONS

19.1 An employee promoted to a higher paying position governed by a Collective Bargaining Agreement shall be paid at the B rate as established by the salary schedule and administration of pay plan of such agreement.

ARTICLE 20. HOLIDAYS

20.1 The following thirteen (13) holidays will be observed as paid holidays for all full-time employees:

New Year's Day	Independence Day	Thanksgiving Day
Martin Luther King, Jr.	Labor Day	Day after Thanksgiving
President's Day	Columbus Day	Christmas Eve
Good Friday	Veterans' Day	Christmas Day
Memorial Day		

In addition to the above, all employees shall be entitled to one (1) personal day off with pay. Such day may be taken upon the request of the employee and upon approval of the Chief.

20.2 To receive holiday pay, an otherwise eligible employee must be at work or on an authorized absence, in the active pay status, on the work days immediately preceding and immediately following the day on which the holiday is observed. Active pay status is defined as time an employee is authorized to be off in a paid status including vacation, holidays, funeral, compensatory time, sick leave, or an injury leave being paid by the City.

20.3 If a holiday occurs during an employee's paid vacation leave, the employee shall receive an additional day of paid vacation leave.

20.4 An employee who works on Independence Day, Thanksgiving Day, or Christmas Day shall be entitled to be compensated at time and one-half up to eight (8) hours. The shift assigned to work on such designated holidays shall be determined by the majority of scheduled hours being worked on the day of the holiday. There will be no additional pyramiding of time or rates for additional time worked on the designated holidays.

20.5 In the event an employee is required to work on a holiday, such employee may, by previous arrangement with the Chief, reschedule the holiday and it will then be paid at straight time.

20.6 For employees other than shift employees, if any of the above holidays fall on a Sunday, the following Monday shall be observed as the holiday. If any of the above holidays fall on a Saturday, the preceding Friday shall be observed as the holiday.

In the case of Christmas Eve falling on a Friday and Christmas Day falling on Saturday, Christmas Eve will be observed on Thursday with Christmas Day observed on Friday. When Christmas Eve falls on a Sunday and Christmas Day falls on a Monday, Christmas Eve will be observed on the previous Friday.

20.7 The City recognizes that some employees may wish to observe, as periods of worship or commemoration, certain days which are not included in the City's paid holiday schedule. Accordingly, an employee who desires to take a day off for such reason shall be permitted to do so, under the vacation leave policy, prior notice having been given to the Chief, and provided the employee's absence from work does not result in an undue hardship on the conduct of the operations of the Police Department.

ARTICLE 21. VACATIONS

21.1 Pursuant to the sections hereinafter, all full-time employees shall earn paid vacation which shall be taken in the calendar year following the year in which the vacation is earned. Employees who fail to satisfactorily complete their probationary period are not eligible for any vacation time.

For purposes of scheduling vacation within the year following the year in which vacation is earned, employees may be permitted to schedule in the last week of the year provided three (3) days fall within such year.

If the last week of the year ends with less than three (3) days, it will be considered the following year and employees will be permitted to schedule in such first week in anticipation of time to be credited on January 1 of that year.

21.2 All vacation time shall be credited on January 1st of each year and shall be for the time period of employment in the active pay status which ends on the immediately preceding January 1st.

21.3 Employees who have worked less than one (1) year for the City shall receive one (1) day for each full month worked, prior to January 1st of the vacation year, not to exceed ten (10) days.

21.4 If, because of the needs of the City, an employee who has previously-scheduled time is unable to take such vacation time, the employee shall receive pay

for such time at the end of the year in which it was to be taken. There will be no carry-over of vacation time from one year to another.

21.5 For employees employed on or after April 1, 2001, as full-time employees previously employed on a regular full-time basis by the State of Ohio or a political subdivision thereof, may, at the time of hire, receive credit for such previous continuous full-time service credit, provided they had not retired from their former employer, for the purpose of accruing vacation leave, up to a maximum of five (5) years. Previous service credit shall only be credited for the purpose of future vacation accrual.

Such prior service credit will be granted after one (1) full year of employment with the City of Willoughby as a full-time employee.

If continuous part-time employment with the City of Willoughby leads directly to full-time status, one year of credit shall be given for each 2080 regular hours worked after one year of full-time employment.

21.6 All employees shall be entitled to accrue up to a ten (10) day vacation period in and after the vacation year in which such employee completes two (2) years of service with the City; up to fifteen (15) days vacation in and after the vacation year in which such employee completes five (5) years of service with the City; up to twenty (20) days vacation in and after the vacation year in which such employee completes ten (10) years of service with the City; up to twenty-five (25) days vacation in and after the vacation year in which such employee completes fifteen (15) years of service with the City; and up to thirty (30) days vacation in and after the vacation year in which such employee completes twenty (20) years of service with the City.

For purposes of determining years of service for vacation entitlements - the length of time since the last date of hire as a full-time employee of the City of Willoughby or as adjusted pursuant to Section 21.5 of this Article. For purposes of determining the amount of vacation accrued in the prior year, an employee will have accrued one twelfth (1/12) for each full month in the active pay status of the respective level of entitlement.

21.7 Each employee shall be required to take a minimum of two (2) weeks of any earned vacation. In the event such employee is entitled to vacation time in excess of two (2) weeks, the employee shall have the option to request the City to purchase such additional weeks of vacation by providing notice to the Department Head of such intent no later than the first day of February of each year.

21.8 If an employee's employment is terminated for any reason, he shall receive payment for any earned but unused vacation time credited to him at the time of his termination. In the case of the death of an employee, his earned but unused vacation time will be paid to his estate. If an employee is laid off, he shall receive payment for his earned but unused vacation time at the same time final compensation for time worked is made.

ARTICLE 22. OVERTIME

22.1 All non-exempt employees shall be entitled to overtime pay at the rate of one and one-half (1 1/2) times their hourly rate for hours worked in excess of eight (8) hours in any one (1) day or forty (40) hours in any one (1) work period. For the purpose of computing overtime pay, holidays, funeral days, and vacation days (but not sick days) shall be counted as days worked. The work period begins at 12:01 a.m. Sunday, and ends at Midnight the following Saturday.

22.2 Employees called in or assigned to fill a shift shall be paid at one and one-half (1 1/2) times their hourly rate or accrue compensatory time at the same rate for all hours worked in excess of their regularly scheduled hours of work.

22.3 All hours worked contiguous to an employee's shift due to required departmental meetings, required teaching, and required classes to maintain current certifications will be paid at the applicable rate as determined by Section One (1) of this Article.

The Employer reserves the right to require employees remain at work if the employee's shift ends within two (2) hours of the start of a meeting, teaching, or class and shall compensate employees for the hours actually worked or in attendance at such meetings. Employees shall be given one (1) week notice of scheduled training sessions.

22.4 All hours worked by employees not contiguous and outside of shift assignments due to required departmental meetings, required teaching, and required classes to maintain current certifications will be paid in the same manner as a call-back. Employees shall be given one (1) week notice of these scheduled training sessions.

22.5 Upon execution of this Agreement, employees shall be able to accrue compensatory time to a maximum of one hundred eighty (180) hours with an unlimited "cash out" option in April and October of each year.

The employee must submit a request to the Finance Director by the last business day in March and September, requesting a "cash out" of his compensatory time. Payment to the employee shall be made no later than April 15th and October 15th respectfully, or on the next business day following such dates if they fall on a weekend.

Compensatory time may be utilized when no overtime is needed according to the manning levels of the division of Police, or creates pyramiding of time off, and a

request form is properly completed, submitted, and approved by the Chief or his designee.

A request for compensatory time may be submitted on an "Unscheduled Absence Report" anytime after an approved twenty-eight- (28-)day schedule has been submitted, approved and distributed by the Commanding Officer of the respective platoon.

All requests for compensatory time off for a full shift or any portion of a shift shall be approved when staffing levels will remain at or above established department minimums for that shift without the presence of the requesting officer. Once time off has been approved, it cannot be cancelled by management except in cases of undue hardship.

Should the staffing level fall below the established department minimum after compensatory time has been approved, the officer filling the vacancy shall be paid overtime at a rate of one and one-half (1 ½) times their hourly rate for the hours worked in excess of eight (8) hours in any one (1) day or forty (40) hours in any one (1) work period. The officer filling the vacancy shall not have the option of submitting the time worked for compensatory time.

The following are examples of times and days that compensatory time may be denied as extenuating circumstances. These examples are not intended to be all inclusive as there may be other days and times that extenuating circumstances may result in the denial of the compensatory time as determined by the Chief or his designee.

ARTICLE 24. INSURANCE

24.1 The City will make available to all full-time employees and elected officials a program for hospitalization and medical protection, dental/orthodontic insurance, paid prescriptions, vision, and hearing insurance coverages. Such program shall be solely determined by the City except that the level of coverage shall be maintained as a substantially equal as that in effect December 1, 2004, and amended in this agreement.

The out of pocket maximum includes the deductible. Network coinsurance will be at a ninety per cent (90%) rate.

Eighty percent (80%) of the reasonable and customary cost of services will be paid by the insurance carrier for services outside the network if such out of network service is permissible in the plan offered. The employee shall be responsible for the remaining charges.

A prescription plan shall be offered at a level of Ten Dollars (\$10.00) Tier 1, Twenty Dollars (\$20.00) Tier 2 and Thirty Dollars (\$30.00) Tier 3. 24.3 Effective April 1, 2007, employees will be required to reimburse the City through payroll deduction the amount applicable to the program in which they participate amounting to ten percent (10%) of the total premium for single and family coverages.

24.4 The reimbursement above referenced in Sections 24.1 and 24.3 will also apply to those employees who elect to participate in the federally-qualified Health Maintenance Organization (HMO), if offered by the City.

24.5 Payments shall be made through payroll deductions prior to the date due by the carrier. Failure to pay such additional premiums, if any, shall result in the loss of insurance benefits to the employee.

24.6 In the event an employee is eligible to be covered under the same policy of another employee of the City, each employee will be offered either a single plan or offered one family plan for both employees. Cost shall be governed based on selection of a single plan for each employee and to the employee named as the policy holder for a family plan.

24.7 A city-wide health cost containment committee shall be established. The committee shall consist of one (1) representative member and an alternate of each full time Bargaining Unit which shall be appointed by the Bargaining Unit; one (1) representative member and an alternate of Non-Bargaining Unit employees which shall be appointed by the Mayor, and three (3) representatives and alternates of the City Administration. Each member of the Committee shall have one (1) vote and any action taken by the Committee shall be approved by a majority of the total members of the Committee.

Upon approval of any recommendation for changes or modifications to the health care plan, the Secretary shall transmit to the Clerk of Council a request that Council consider and take action on the recommendation.

In the performance of its duties, the Committee may, at its option, consult with knowledgeable health care professionals or other persons the Committee deems necessary.

24.8 The Employer will provide life insurance coverage in the amount equal to one year base pay of the employee.

ARTICLE 25. RETIREMENT

25.1 Any full-time employee of the City who has attained the age of sixty-five (65) years may retire and have employment terminated.

ARTICLE 26. SICK LEAVE

26.1 Sick leave shall be defined as an absence with pay necessitated by the illness or injury of the employee, exposure by the employee to a contagious disease communicable to other employees, or serious illness, injury, or birth of a child where medically necessary, or death in the employee's immediate family.

26.2 All employees shall earn sick leave at the rate of four and six-tenth (4.6) hours for every eighty (80) hours worked in the active pay status, excluding overtime, and may accumulate such sick leave in an unlimited amount.

26.3 An employee who is to be absent on sick leave shall notify his supervisor of such absence and the reasons therefore at least one-half (1/2) hour before the start of his tour of duty each day he is absent, unless the employee is on a physician-approved sick leave.

26.4 Sick leave may normally be used in segments of not less than four (4) hours. Sick leave may also be used in one (1) hour increments so long as no overtime is required to cover the absence or results in a reduction in manpower below the minimum manning table. Use of sick leave shall be deducted from an employee's sick leave accumulation on the basis that every hour paid shall be an hour deducted.

26.5 Before an absence may be charged against accumulated sick leave, the Chief may require such proof of illness as may be satisfactory to him, or may require the employee to be examined by a physician designated by the Chief and paid by the Employer. In any event, an employee absent for more than three (3) consecutive days must supply a physician's report to be eligible for paid sick leave, unless such report is waived by the Chief.

26.6 If the employee fails to submit adequate proof of illness, injury, or death upon request or, in the event that upon such proof as is submitted or upon the report of medical examination, the Chief finds there is not evidence of illness, injury, or death sufficient to justify the employee's absence, such leave may, at the Chief's sole discretion, be considered as unauthorized leave and shall be without pay. The attending physician's statement shall be deemed adequate proof unless the Employer has reason to suspect such report is erroneously supplied.

26.7 Any abuse of sick leave or patterned abuse of sick leave shall be sufficient cause for discipline.

26.8 An employee found unfit for duty or unable to return to service after an extended medical leave as authorized by the Employer, may be removed from employment in a non-disciplinary manner.

Initiation of the process of removal may begin when the Employer reasonably believes that an ongoing condition renders an employee unfit for duty.

Such initial determination may be based on the employee's physician's medical statement or, at the Employer's expense, an employee may be required to submit to a medical examination to determine fitness for duty.

26.9 The Chief may require an employee who has been absent due to personal illness or injury, prior to and as a condition of his return to work, to be examined by a physician designated and paid by the Employer to establish that he is not disabled from the performance of his normal duties and that his return to work will not jeopardize the health and safety of other employees.

26.10 Should there be a conflict between the employee's doctor and the doctor designated by the Employer over an opinion concerning the employee's ability to return to work, a third doctor will be chosen by mutual agreement between the Employer and the Union, who shall examine the employee and decide the matter in question. This jointly-appointed physician shall be paid by the Employer and the Union, with his fee being shared equally by the parties.

26.11 In addition to personal illness or injury to the employee, absence(s) due to illness in the employee's immediate family, when approved by the Chief, may be charged against sick leave.

26.12 When the use of sick leave is due to an illness in the immediate family, "immediate family" shall be defined to only include the employee's spouse, children, or any other member of the employee's immediate household. When the use of sick leave is due to death in the employee's immediate family, "immediate family" shall be defined to only include the employee's spouse, children, parents, brother, sister, mother-in-law, father-in-law, and other relatives as approved by the Employer.

26.13 Upon the normal retirement, disability retirement, or death of an employee, such employee or the employee's estate in case of death shall be entitled to receive a cash payment equal to his hourly rate of pay at the time of retirement by the multiplication of the following percentages times the number of accumulated sick hours the employee has at the time of his retirement. The maximum number of sick hours for retirement purposes shall be as shown in the Schedule set forth in Section 26.14 hereinbelow.

26.14 Retirement means disability or service retirement under the Police & Fireman's Disability Pension Fund, whereby the first pension installment is to be received within one hundred twenty (120) days after retirement from the City. Such payment for accumulated sick leave shall be considered to eliminate all sick leave credit accrued by the employee at that time. The percentages to be applied to such hours are as follows, based upon the length of service of the employee with the City:

<u>Length of Service</u>	<u>Percentage of 960 Hours</u>
Less than 5 years	25%
5 to 8 years	50%
8 to 10 years	75%
10 to 15 years	100%
15 to 20 years	100% (+ 20%)*
20 to 25 years	100% (+ 30%)*
25 years or more	100% (+ 40%)*

* additional percentage for the balance remaining in excess of 960 hours

26.15 In the event of death of an employee prior to retirement, such employee shall be entitled to receive payment for all accumulated but unused sick leave up to a maximum of 960 hours without regard to longevity. Employees with fifteen (15) or more years are entitled to receive payment as per the above schedule. Such payment shall be made to the surviving spouse or to the employee's estate.

26.16 Payment for sick leave pursuant to this Section shall be considered to eliminate all sick leave credit accrued by the employee at that time.

26.17 For employees employed on or after April 1, 2001, accrued unused sick leave may be transferred to the City from another political subdivision of the State of Ohio, where the employee has not exercised any type of cash out. Such time transferred may only be used for allowable sick leave absences. Transferred sick leave shall be utilized after all time earned with the City of Willoughby is exhausted. Transferred sick leave shall not be added to time earned with the City of Willoughby for purposes of cash out.

26.18 Upon the request of a retiring employee who is eligible for payment for accrued sick leave, the employee may at his or her option elect to take payment for sick leave over three (3) tax years. Such request must be in writing prior to the separation payment. The schedule of payment dates shall be pre-established prior to retirement taking place and subject to approval by the City Finance Department. The payment is for the convenience of the employee and payment will be made at the rate of pay the employee was receiving at the time of their separation of service. The City shall not be responsible to pay any interest or additional funds at the time of these payments.

ARTICLE 27. PREGNANCY/CHILDBIRTH MEDICAL LEAVE

27.1 Family/Medical Leave. The Employer shall grant an eligible employee up to twelve (12) weeks during a twelve (12) month period in accordance with the provisions of the Family and Medical Leave Act, to care for the employee's child after birth, or placement for adoption or foster care; to care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or for a serious health condition that makes the employee unable to perform the employee's job. Accrued paid vacation, compensatory or sick leave if medically required time shall be utilized first and shall count towards the leave.

27.2 Pregnancy/Childbirth Medical Leave will commence when the employee's physician certifies that she is no longer able to perform her work safely and efficiently. However, the City reserves the right to initiate a leave of absence if the employee's attendance and quality and quantity of work are adversely affected by the pregnancy.

27.3 Pregnancy/Childbirth Medical Leave will continue until such time as the employee's physician certifies that she is able to return to work, not to exceed six (6) months. An employee who becomes pregnant is required to:

- A.** Submit to her supervisor a written statement from her personal physician specifying the estimated delivery date, the estimated date that the employee should cease working, and the approximate date the employee will be able to return to work.
- B.** Submit to her supervisor a written statement from her personal physician of the initial estimated date.

27.4 Use of sick and/or vacation leave. An employee shall be permitted to use accumulated sick and/or vacation leave for the period of time she is certified by her physician as being unable to perform the duties of her position as a result of pregnancy, childbirth, or related medical conditions.

An employee who has exhausted her sick and/or vacation leave credit shall be considered to be on a leave of absence without pay for the remainder of the period that she is unable to return to work.

27.5 All employee benefits will continue, uninterrupted, during this time in the same manner as afforded and prescribed for other employees as set out in this Agreement.

ARTICLE 28 INJURY LEAVE

28.1 In cases uncontested by the Employer, when an employee is injured in the line of duty, while actually working for the Employer, necessitating his absence from work for more than seven (7) calendar days, he shall be eligible for a paid leave not to exceed ninety (90) calendar days. The employee may be required to file for Worker's Compensation and signs a waiver assigning to the Employer those sums of money he would ordinarily receive as his weekly compensation as determined by law for those number of weeks he receives benefits under this Article.

28.2 If at the end of this ninety (90) day period the employee is still disabled, and cannot perform the normal daily duties required of employment, but could perform other duties that require less physical activities, at the employer's discretion, either the injury leave shall be extended another ninety (90) days or any part thereof or the employee may perform such duties as determined by the Chief.

28.3 The Employer shall have the right to require the employee to have a physical exam by a physician appointed by the Employer resulting in the physician's certification that the employee is unable to work due to the injury as a condition precedent to the employee receiving any benefits under this Article. The designated physician's opinion shall govern whether the employee is actually disabled or not, but shall not govern whether the injury was duty related or whether the Employer should extend the leave.

28.4 If, during the three (3) calendar years following the original date of injury, the disability reoccurs, and is so certified by a licensed physician which is not contested by the Employer, the injured employee shall be compensated, pursuant to Sections 28.1 and 28.2 hereinabove, for such period or periods of time that remain unused from previous disability pay periods associated with the same injury, for absences greater than seven (7) days.

ARTICLE 29. FUNERAL LEAVE

29.1 An employee shall be granted time off with pay *for the purpose of attending the funeral* of a member of the employee's immediate family. The employee shall be entitled to a maximum of three (3) days for each death in his immediate family, up to and including the day of interment, which days shall not be deducted from his sick leave credits.

29.2 Immediate family is defined as to only include the employee's spouse, children, step-children, parents, step parents, sisters, brothers, parents-in-law, aunts, uncles, grandparents, grandchildren, son-in-law, daughter-in-law, or any other relative residing with the employee at the time of death.

ARTICLE 31. JURY DUTY

31.1 Those employees who receive subpoenas or other notices requiring their presence for jury duty shall notify their Supervisor(s) within 48 hours of receiving such notice. A copy of the subpoena or other notice shall be forwarded to the Patrol Commander and the Administrative Secretary.

31.2 That employee assigned to the second (afternoon) or third (night) shift shall be temporarily assigned to the first (day) shift during the time period covered by the subpoena or other notice.

31.3 That if a temporary assignment made pursuant to Section 31.2 above would cause overtime to be expended in order to cover the temporarily assigned employee's absence, then the Department will be allowed to avoid such overtime expenditure by reassigning another employee from another shift.

31.4 That if the employee is excused from jury duty prior to the end of their workday, that employee will report for duty in a timely manner for the remainder of that of any other scheduled workday that he is excused.

31.5 That any employee who is called for jury duty, either Federal, County, or Municipal shall be paid his regular salary and must remit any monies received for jury duty to the City, when such jury duty occurs during his regularly scheduled shift.

32.2 Probationary Patrolmen.

Effective in April, 2001, a probationary patrolman shall be entitled to a uniform maintenance allowance at the time employment is commenced which shall be determined on a pro-rata basis by multiplying one twelfth (1/12) for each month, including the month hired, the amount of One Thousand Dollars (\$1,000). Any such probationary patrolman shall, prior to being paid an initial uniform maintenance allowance, be required to execute an agreement providing that the amount of the uniform maintenance allowance paid during the probationary period will be refunded to the City if such employee fails to be retained as a permanent patrolman at the end of the probationary period.

ARTICLE 33. TUITION REIMBURSEMENT

33.1 At the discretion of the Employer, the City will pay for costs incurred for registration, fees, books, and tuition for courses upon successful completion of any police training classes with prior approval of the Chief. Such reassignment, reduction, or disciplinary action shall last no longer than the period during which the license is suspended, the employee is uninsurable, or insurable under a high-risk category.

37.4 Based on the merits and severity of an offense, discipline of an employee shall normally follow the principle of progressive discipline, taking into account prior events that have led to disciplinary action. Disciplinary steps may be skipped for serious infractions.

In such cases, the employee shall receive advance notice of the charges, proposed action, date, place, and time of the pre-disciplinary hearing. The notice shall also advise that the employee will be permitted to present evidence in his/her own behalf in the form of documentation and/or witnesses and the right to have representation of their choice. Failure to appear at the pre-disciplinary hearing will result in a waiver of the employee's right to a hearing.

37.9 Records of prior disciplinary actions shall cease to have effect in the progressive disciplinary steps as follows:

- A.** Any cautionary warning or written reprimand shall cease to have effect after one (1) year from the effective date of the reprimand, providing there is no intervening disciplinary action during the one (1) year period.
