15. Any action relating to the filing, processing and disposition of a grievance shall be kept in a file in the offices of the superintendent/Board of Education. This file shall be separate from the employee's personnel file.

C. Submission of Grievances

1. Step One

Before submission of a written grievance, the employee shall first discuss the grievance with the immediate supervisor. If the grievance is not submitted within twenty-five (25) working days following the act or condition which is the basis of the grievance, the right to initiate the grievance is deemed to be waived.

2. Step Two

- a. If the informal discussion does not resolve the grievance, the grievant shall have the right to lodge a written grievance with the immediate supervisor. If this grievance is not submitted within ten (10) working days following the completion of Step One, the right to proceed to Step Two shall be waived.
- b. The written grievance shall be on a standard form (contained in the appendices of this agreement) and shall contain a concise statement of the facts upon which the grievance is based, including reference to the specific provision of the bargaining agreement, the individual employment contract or the Administrative Rule and Regulation in question. A copy of such grievance shall be filed with the superintendent and with the Association.
- c. The grievant shall have the right to request a hearing before the immediate supervisor. Such hearing shall be conducted within five (5) working days after receipt of such request. The grievant shall be advised in writing of the time, place and date of such hearing.
- d. The immediate supervisor shall rule on the written grievance, within five (5) working days of receipt of said grievance, or if a hearing is held, within five (5) working days after the hearing is held. The disposition shall be in writing and copies shall be sent to the grievant, the Association president and the superintendent.

3. Step Three

- a. If the action taken by the immediate supervisor does not resolve the grievance, or if no response is received within five (5) working days after submission, the grievant may appeal to the superintendent or his designee. Failure to file such appeal within five (5) working days of the response date shall be deemed a waiver of the right to appeal.
- b. The superintendent shall take action on the appeal within ten (10) working days after receipt, or if a hearing is requested, within ten (10) working days after the hearing. The disposition shall be in writing and copies

distributed to the grievant, the immediate supervisor and the Association president.

4. Step Four

- a. If the action taken by the superintendent does not resolve the grievance, the grievant and/or Association may take the grievance to arbitration. Such appeal shall be filed within fifteen (15) working days of receipt of the Step Three disposition. Failure to file within fifteen (15) working days shall be deemed a waiver of the right of appeal.
- b. Arbitration proceedings shall be conducted by the American Arbitration Association in accordance with their Voluntary Labor Arbitration Rules. The written findings of the arbitrator shall be binding on both parties, except that the arbitrator shall have no power to amend, add to, subtract from or change any of the terms or provisions of this bargaining agreement. Costs of arbitration shall be shared equally by both parties.

D. Individual Employee Contracts and Administrative Rules and Regulations

Individual employee contracts and Administrative Rules and Regulations, not representing negotiated signed agreements, shall be grieved only from Step One through Step Three of the procedure and shall not be subject to binding arbitration. If the action taken in Step Three does not resolve the grievance in these specific situations, the grievant shall have the right to appeal to the Board of Education within ten (10) working days of receipt of the Step Three disposition. The Board of Education shall take action on such grievance at their next regularly scheduled meeting, with written disposition distributed to the grievant, the Association president, the immediate supervisor and the superintendent.

**SECTION III – SCHOOL YEAR AND SCHOOL DAY**

A. School Year

The school calendar shall be developed with the active participation of the Association on the basis of the following criteria:

1. One hundred seventy-eight (178) days with pupils in attendance.
2. The day prior to the students' first day will be used for district-wide in-service and/or building meetings.
3. The day following the students' last day of school will be devoted to teacher checkout.

4. The minimum equivalent of one day shall be devoted to teacher in-service, but in no event shall the school year exceed one hundred eighty-four (184) days.
5. Three (3) days shall be included in the calendar to complete records, and/or to conduct parent/teacher conferences.
6. All new teachers to the school system shall be required to attend an orientation program prior to the general faculty meeting, unless excused by the superintendent for reasonable causes.
7. At the end of the first three (3) grading periods, one (1) day will be scheduled to serve as a records day and/or parent teacher conference day.

B. Teachers' Workday

1. The teacher's workday shall not exceed seven and one-half (7 ½) hours, including agreed-upon duty free lunch period.
2. All teachers shall report to their assigned building no later than fifteen (15) minutes prior to the beginning of the student school day and shall remain at least fifteen (15) minutes after the end of the student school day, or as excused by the immediate supervisor.
3. When a teacher's services are required at more than one building during a school day, their workday shall not exceed the length of the workday for other teachers at their assigned home school, and they shall be entitled to equal lunch time. In addition, travel time shall not be subtracted from a required conference and/or instructional planning period. Travel time will include a reasonable amount of time for take-down and set-up.

C. Duty-Free Lunch Period

All employees of the bargaining unit shall have a minimum of thirty (30) minutes duty-free lunch period between 10:15 a.m. and 1:30 p.m. each day and may leave school premises provided they inform their supervisor or sign out in the school office on a form provided for that purpose. At the elementary (K-5) level, one teacher may be required to remain on the school premises during this period.

D. Parent-Teacher Conferences and Parent Communication

1. There shall be up to three (3) parent/teacher conference days, without students in attendance, two of which will be scheduled after grade cards are distributed for the first grading period.
2. Teachers shall actively encourage and promote parent/teacher conferences and shall make every effort to accommodate parent requests for conferences. No parent shall be refused the opportunity for a conference, if so requested.

3. Teachers shall use the online grading system in place in the District and shall update student grades at least once every fourteen (14) days. Training will be provided when there is a change of online grading software.

E. Teacher In-service

1. Building/District Continuous Improvement Planning (CIP) teams will schedule sixteen (16) hours of in-service each school year. Eight (8) hours of time shall be scheduled outside the teacher workday. The Committee will make every effort to minimize disruption to the student day when scheduling in-service.
2. When teachers attend in-service programs away from the District, proof of complete attendance is required.
3. When a teacher attends an in-service program during the summer months and/or non-contractual time, a stipend of Twenty-Seven Dollars (\$27.00) per hour will be paid to compensate for his/her time.

**SECTION IV – WORKING CONDITIONS**

A. Class Enrollment

1. Classroom enrollments will be as follows for the different levels:

Goal	Will have an aide assigned to the classroom	Maximums/shall not exceed
K-5      23	25	29
6-12    25		30

Every effort will be made to maintain the goal in grades K-12. The number of work stations will determine the class size in certain academic classes. A five (5) day balancing period shall exist which allows time for the administration to balance classes after the class enrollment maximums have been exceeded.

2. If, after the beginning of each academic quarter in grades K-5, classroom enrollment exceeds twenty-four (24), a teacher aide(s) will be employed and available for four (4) hours per day for that quarter to assist the affected teacher(s) in their classroom(s). The intent of the parties is to provide an aide for each affected classroom for the entire four (4) hours. In the evaluation of those aides, the administration will solicit and consider the input of the teacher(s) to whom the aide is responsible.

3. New students entering grades K-3 will be assigned to classrooms in such a way as to provide balanced class enrollments across the district. Siblings from one family enrolled in regular classroom assignments shall not be required to attend more than one school, grades K-3 to achieve such balances. To achieve that purpose classroom enrollments at buildings not housing special education units shall, at the beginning of each school year, be held at a level of up to three students above those buildings that do house such units. This provision will remain in full force and effect and will sunset when all elementary buildings are consolidated.
4. If enrollment exceeds twenty-four (24) students in grades K-5, the teacher shall have the option of having an aide assigned to the classroom or of receiving additional compensation to be paid at a per diem annualized rate (per hour) of Five Hundred Dollars (\$500.00) per additional pupil up to the classroom enrollment maximum.
5. When the administration asks a K-12 staff member to enroll a student which will place him/her over the classroom enrollment maximum, the teacher has the right to refuse the request. If a K-12 teacher agrees to accept a student above the classroom enrollment maximum, the teacher will be paid at a per diem annualized rate per hour of Six Hundred Dollars (\$600.00) per additional pupil above the classroom enrollment maximum.
6. The pupil teaching load for academic area teachers at the middle school and at the high school, elementary (K-5) music, art and physical education teachers shall not exceed one hundred eighty (180) students daily in instructional settings. Academic area teachers at the middle school and high school are defined as all except those assigned to the areas of physical education, band or choir. Co-educational physical education classes, where two classes are combined, shall be staffed by two instructors.

B. Special Needs Students

The Board recognizes the rights of regular and special area teachers to preserve the educational balance in their classrooms. The following shall apply to teachers who have or will have one or more special needs students included into their classes.

1. Each teacher at each grade level shall have the opportunity to participate in the development of the IEP and be present for decisions affecting special needs students before and after assignment to the teacher's classroom.
2. The receiving teacher(s) at the appropriate level has the right to be present at any placement committee meeting. This includes the annual IEP Review.
3. The receiving teacher, or any teacher, can request a placement committee meeting at any time to review the placement of a student. This meeting will take place within ten (10) working days from the date of the request.

4. Special education students with IEPs will count as one (1) student on the regular classroom roster. In a classroom where a special education teacher and a regular education teacher are “team teaching”, the classroom enrollment will not exceed the classroom maximums and no aide will be employed.

C. Miscellaneous Provisions

Education Service Personnel

1. Education Service Personnel will be provided at the elementary level (K-5). At least two (2) music, two (2) physical education and one (1) art teacher will be used to teach their subject or activity directly to the students. Kindergarten students will receive physical education instruction by the appropriate Education Service Personnel at least once weekly. The parties mutually agree to modify the provisions of this section as it relates to the class size for the ESP. If/when in the future the enrollment of students in the District serviced by the ESPs declines to the extent that the ratio of students to ESP staff will not sustain a full workload for all five (5) positions, the parties agree to bargain appropriate reductions to achieve the correct balance.
2. Each teacher shall have available at all times daily lesson plans, daily schedules, attendance records and/or seating charts and/or the student register for that particular class.
3. No member of the bargaining unit shall permit his/her contract day time to be occupied by agents or salespersons except as directed by the principal, the superintendent or his/her designee.
4. Teachers shall keep their classes in session each day during the student day and shall not dismiss students at any time except with the consent of the supervisor or in case of emergency.
5. Teachers shall provide every reasonable assistance to students in their studies when the student has fallen behind due to absence caused by illness or other extenuating circumstances. The teacher is expected to give such individual help as may be required to assist.
6. Each middle school and high school teacher’s schedule shall include at least one period daily for conferences with students and/or instructional planning. Such conference/planning time shall not be less than two hundred fifteen (215) minutes per week.
7. Each elementary teacher (to include education service personnel and special education teachers) shall have at least two hundred fifteen (215) minutes per week, forty-three (43) minutes per day for planning/preparation time. Such time shall be within the student school day, shall be provided in blocks of time that are

no less than twenty (20) minutes and shall be for use by each teacher as the teacher may determine. Such time will be without students in attendance and no other responsibilities will be assigned by the administration during this scheduled planning/preparation time.

D. Classroom Equipment

1. Each student shall have a desk or comparable table space.
2. Each classroom shall be equipped with erasers, teacher's desk, file cabinet, bulletin board, waste receptacle, pencil sharpener, and electrical outlets, unless the instructor feels that any of the above are not necessary due to the nature of the class or program.
3. The Board of Education agrees to make every effort to provide and maintain, in each classroom housing students in a learning situation, the equipment, furnishing, and supplies necessary to fulfill the aims and objectives of the class.
4. The Board agrees to do all within its power to maintain libraries that are stocked with books, magazines, newspapers, and other reading materials that will supplement the various educational programs within each building.

E. Environmental Conditions

1. Every effort will be made to maintain the environmental conditions of each classroom conducive to learning.
2. Classroom lighting shall be maintained so that each fixture in the room shall be functional.
3. Hallways and restrooms shall be maintained for the safety and comfort of all personnel.

F. Health and Safety

1. Maintenance of Health and Safety

The Board shall be responsible to ensure and maintain conditions of employment that are free of hazards that are causing or are likely to cause serious physical harm of employees.

2. Health Supplies

- a. The Board shall ensure in the main offices and in every lab there shall be an adequate first aid kit, which shall be maintained.
- b. The Board shall provide on every floor of every building an adequate supply of disposable rubber gloves and CPR masks.

3. No Reprisals

There shall be no reprisals, restraints, interference, coercion, or discrimination against any employee for filing a report of an unsafe or unhealthy condition, for refusing to work under conditions that the public employee reasonably believes presents an imminent danger, or for any other participation in the health and safety program.

4. Safety Committee

- a. A district-wide Health and Safety Committee shall be formed with representation from both associations (BEA and the support staff organization) and from the administration. The purpose of this Committee is to develop policies and procedures which will keep the Bucyrus City School District in compliance with all rules and regulations of the Occupational Safety and Health Act.
- b. Any rules, regulations, or procedures developed by this Committee are subject to the approval of both the Board of Education and the Executive Committees of both employee organizations.

G. Notification of Deficiencies

The classroom teacher shall notify the building principal in writing of any deficiency noted. The building principal in turn shall notify the proper personnel and the deficiency corrected on a priority basis.

H. Transportation of Students

A bargaining unit member shall not be required to (a) use a personal vehicle to transport students; (b) drive a school district vehicle to transport students; (c) use transportation provided by parents or other individuals (private vehicles) for an activity that the member is in charge of and responsible for. In the event that a member agrees to transport students in a manner described above, and provided that transportation is with regard to (a) an approved school activity that has been approved by the appropriate administrator, or (b) an emergency situation resulting from illness, injury, or other humanitarian reasons, the Board shall indemnify and defend the member, provided the member deposits a copy of his/her personal automobile insurance certificate of coverage with the treasurer of the District.

## SECTION V – PERSONNEL PROVISIONS

### A. Complaints Against Personnel

1. All parental/public complaints will first be conducted through administrative channels with attempts of resolution at the lowest possible level. When a complaint is made by a party concerning a teacher's conduct or other activities relating to the teacher's employment duties, the administration shall discuss the matter with the employee. The discussion shall include details of the complaint and identification of the complainant. If the matter is not resolved at this level, the administration may commence an investigation as to the authenticity of any information related to the complaint. No complaint will be placed in the personnel file of a bargaining unit member unless:
  - a. A conference was held including the complainant or designee, the staff member, the principal or immediate supervisor of the staff member, and the employee's representative. The staff member shall be given at least three (3) days advance notice of the date, time and place of the conference.
  - b. In the event the administration desires to place a record of the conference held between the complainant or designee, staff member and immediate supervisor in the staff member's personnel file, the staff member shall be notified in writing and be given an opportunity to write a rebuttal to such record for placement in the personnel file.
2. No parental complaint regarding a teacher will be heard by the Board unless the procedure outlined above has been followed. The only exception would be if during a public meeting a complainant would attempt to complain and the Board may indicate that the appropriate place to issue his/her concern would be at an executive session. After the executive session, an administrator will inform the teacher of the nature of the complaint.
3. An anonymous report or a concern raised by someone wishing to remain anonymous is recognized as nothing more than a concern. The administrator/supervisor receiving an anonymous report may choose to share the anonymous item with the employee but the administrator/supervisor shall not share the information/concern with anyone else.

### B. Access to Personnel File

1. A personnel file shall be maintained in the central office by the superintendent for each teacher and said file shall be the only official file for the teacher. The superintendent shall make necessary provisions to assure that information is maintained with accuracy, relevance, timeliness, and completeness. The file shall be confidential with access limited to the involved teacher, superintendent, the immediate principal, the treasurer, and the Board of Education in executive session. A log shall be maintained with each individual's file that will show the

name and date of all persons who have viewed the contents. Upon written approval of the involved teacher, his/her attorney or other designated person may have access to the file and receive a copy of any information contained therein.

2. The member shall have access to his/her official personnel file, upon request, during the regular duty hours of the central administration office.
3. The bargaining unit member shall be afforded an opportunity to place his/her signature and the date on any material that relates to job performance prior to its placement in the file. The signing of the material does not indicate that the member agrees with the content of the document. Further, the member shall have the right to respond, in writing, to any material that is to be placed in the file. Said response shall be attached to and shall become part of the document that is to be placed in the file. The response shall be included should dispersal of the original document be made. The member's refusal to sign any material shall not bar or prevent the filing of such material in the file. When material is to be placed in the file which may reasonably be considered unfavorable, the involved teacher shall receive written notice of the inclusion of such document. A copy of the document shall be provided the member. The member shall be given the opportunity to compare his/her copy with the original and shall sign and date such document or attach a signed and dated response or make a notation that he/she does not intend to sign said document. Anonymous letter(s) or material will not be placed in the personnel file.
4. If the member disputes the accuracy, relevance, timeliness, or completeness of information contained in the file, he/she may request the superintendent to investigate the current status of the information.
  - a. Within a reasonable time, the superintendent shall undertake such investigation and shall notify the member of the results of the investigation and the action, if any, the district plans to take with respect to the disputed information.
  - b. The superintendent shall delete any information that he/she cannot verify or that is inaccurate.
  - c. All disciplinary documents placed in the teacher's personnel file shall cease to be in effect for purposes of discipline and documentation after seven (7) years from the date of filing, provided the teacher has not been the subject of another disciplinary action of any type within that time period.

C. Assault

Teachers shall immediately report in writing all cases of physical assault suffered in connection with their employment to their supervisor. A copy of this report shall be forwarded to the superintendent who will advise the teacher of his/her rights to take such legal action as prescribed by law and of the obligations of the teacher with respect to such physical assault.

D. Threats Against Teachers

1. Teachers shall report in writing to the supervisor any threats of criminal or civil action against them arising out of and in the course of their employment. The superintendent shall review the matter, make recommendations and/or take appropriate action.
2. Disciplinary action shall not be taken against a teacher solely on the basis of a written complaint by a parent or student unless an informal hearing is first held and the teacher and his/her representative have had the opportunity to question and/or rebut the assertions of the accuser. If any such complaints are received, written copies of the complaint shall be forwarded to the affected teacher. If the complaint, or any materials associated with the complaint, is deemed serious enough to be placed in a teacher personnel file, a conference including the complainant, the teacher, and an administrator will be held. If a complaint is placed in the teacher's personnel file, the affected teacher shall have the right to attach a statement concerning the complaint.

E. Academic Freedom

1. Teachers shall be free to present instructional materials which are pertinent to the subject and level taught and are within the outlines of appropriate course content as determined by administrative procedure and the Board adopted courses of study.
2. If a teacher intends to inject controversial subject matter into course coverage, the approval of the supervisor must first be secured. All facts relative to controversial issues shall be presented in a scholarly, unbiased and objective manner.
3. Whenever it is alleged by a group or an individual that a teacher has abused his/her academic freedom under this provision, the matter will be referred to the Superintendent for review. The teacher shall be informed of the specific charges and will have the opportunity to confront his/her accuser(s) to define his/her position.

## SECTION VI - REQUIRED MEETINGS

- A. Faculty meetings held by the principal shall normally be held during the teacher day. Principals will distribute a tentative list of meetings at the beginning of the school year. Teachers shall not be required to attend more than two faculty meetings per month outside the teacher day. Meetings will normally be held to a sixty (60) minute maximum unless extended by mutual agreement. Failure of teachers to attend extra meetings shall not prohibit the administration from designing curriculum, selecting and purchasing textbooks and related materials, and other activities in the management of the District.
- B. All bargaining unit employees shall be expected to attend open house activities and parent/teacher activities unless excused by their supervisor for reasonable cause. For PTO/PTA business meetings, elementary staff will develop a plan to assure at least two (2) representatives at meetings.
- C. All bargaining unit members who have regularly scheduled school and/or extra-curricular activities immediately following school dismissal or who must perform some activity that cannot be reasonably accomplished at any other time, may be excused by their supervisor for reasonable cause. Members excused from attendance shall be responsible for obtaining the proceedings and action taken at such meetings.
- D. The administration reserves the right to call emergency meetings at its discretion, before or after the school day.
- E. The administration reserves the right to re-schedule any meetings related to curriculum matters and/or textbook adoptions.
- F. In addition to the above, teachers shall attend a reasonable number of other meetings during the school year related to their teaching duties when such meetings are necessary to address the educational needs of students and/or the District educational programs. Teachers shall be paid at the rate of Twenty-Seven Dollars (\$27.00) per hour for attendance.

## SECTION VII – NON-TEACHING DUTIES

- A. General Provisions
  - 1. All non-teaching duties shall be divided among the staff members of each school on an equitable basis.
  - 2. All members of the bargaining unit shall be responsible for providing assistance in the maintenance of student discipline throughout the school buildings and on school grounds.

3. Elementary (K-5) teachers shall not be required to perform cafeteria control duty, restroom duty or kindergarten bus duty during the lunch period. Teachers will be required to supervise individual classrooms and hallways during indoor recess and provide playground supervision during recess and lunch on a rotating basis.

B. Student Teachers

1. Assignment of student teachers is the responsibility of the superintendent or his/her designee.
2. Before the end of each school year, teachers will be asked to indicate their request to have a student teacher during the course of the following academic school year.
3. The cooperating teacher is responsible for the learning and behavior of pupils in his/her classroom. In accepting a student teacher, the cooperating teacher is also responsible to provide the student teacher with guidelines and supervision of his student teaching experience. However, the cooperating teacher will be held responsible for actions of a student which are beyond the reasonable means of deterring and rectifying incorrect information and/or behavior.

**SECTION VIII – REDUCTION IN FORCE**

If the Board determines it necessary to reduce the number of bargaining unit positions for any of the reasons provided for in ORC §3319.17, or for financial reasons, the Board of Education shall proceed with such reduction in the following manner.

- A. If the Board determines a RIF may occur, it will notify the Association president in writing thirty (30) days prior to the date the RIF may be implemented.
- B. The Board will develop and provide to the Association president a RIF list of potentially affected teachers which shall be based on seniority and contract status within the areas of certification, license, or entry level requirement.
- C. Representatives of the Board will be available to meet with representatives of the Association to review the proposed RIF.
  1. All members of the bargaining unit will be placed on a seniority list for each teaching field for which they are properly certificated/licensed. Teachers serving under continuing contracts will be placed at the top of the list, in descending order of seniority. Teachers serving under limited contracts will be placed on the list under continuing contract teachers, also in descending order of seniority.

2. Seniority will be defined as the length of continuous service in the Bucyrus City School District.
    - a. Board approved leaves of absence will not interrupt seniority, but time spent on such leave shall not count towards seniority.
    - b. If two or more teachers have the same length of continuous service, seniority will be determined by:
      - (1) the date of the Board meeting at which the teacher was hired; and then by
      - (2) the date the teacher signed his/her initial employment contract in the district; and then by
      - (3) Date of Application
      - (4) any remaining ties will be broken by lot.
  3. Recommendation for reductions in a teaching field will be made by selecting the lowest person on the seniority list for that area of certification/licensure who is currently assigned to a position in that teaching field. A teacher so affected may elect to displace the teacher who holds a lower position on a seniority list for another area of certification/licensure, provided he/she is properly certified/licensed. Any such election must be made at the time the teacher is notified he/she will be affected.
  4. Notwithstanding any other provisions of this Agreement, preference for seniority shall be given, except when making a decision between teachers who have comparable evaluations. Comparable evaluations shall be defined as the categories on the final teacher "Evaluation Matrix."
- D. The names of teachers whose contracts are suspended in a reduction in force will be placed on a recall list for twenty-eight (28) months from the date of the reduction.
- E. Teachers on the recall list will have the following rights:
1. No new teachers will be employed by the Board while there are teachers on the recall list who are certificated/licensed for the vacancies.
  2. Teacher on the recall list will be recalled in order of seniority for vacancies in areas for which they are certified/licensed.

3. If a vacancy occurs, the Board will send a certified announcement to the last known address of all teachers on the recall list who are qualified according to those provisions. It is the teacher's responsibility to keep the Board informed of his/her current address. All teachers are required to respond in writing to the district office within seven (7) calendar days. The most senior of those responding will be given the vacant position. Any teacher who declines to accept the position will forfeit all recall rights. If a teacher receives notification and fails to respond within seven (7) calendar days of receipt, he/she will forfeit all recall rights. If the Board makes reasonable attempts to notify a teacher of a vacancy, but notice is not received so that the individual is unable to respond within seven (7) calendar days, he/she will forfeit recall rights to the position but will remain on the recall list.
  4. A teacher on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulation of sick leave and salary schedule placement as he/she enjoyed at the time of the layoff; however, if a returning teacher is legally entitled to a step increase, it shall be granted. However, seniority shall not be the basis for recalling a teacher, except when making a decision between teachers who have comparable evaluations. Comparable evaluations shall be defined as the categories on the final teacher "Evaluation Matrix."
- F. The parties agree that these procedures apply only to the suspension of contracts under 3319.17 or for financial reasons. This article shall not require the Board of Education to fill any vacancies, nor shall it interfere with any other lawful professional procedures in the district.

## SECTION IX – LEAVE PROVISIONS

### A. General

1. Upon the written request of a teacher, the Board may grant a leave of absence for a period of not more than two (2) consecutive school years for educational or professional or other purposes and shall grant such leave where illness or other disability is the reason for the request. Upon subsequent request, such leave may be renewed by ORC §3319.13.
2. Without request, the Board may grant a leave of absence and renewals thereof to any teacher because of physical or mental disability, but such teacher may have a hearing on such unrequested leave of absence or its renewals in accordance with the provision of the law (ORC §3319.16).

3. The Board may not grant a leave of absence for the purpose of professional growth and improvement, unless there is available a satisfactory substitute nor grant leaves to more than five (5) percent of the professional staff at any one time nor allow a part salary in excess of the difference between the substitute's pay and the teacher's expected salary nor grant a leave longer than one school year nor grant a leave to any teacher more often than once for each five (5) years of service nor grant a leave a second time to the same individual when other members of the staff have filed a request for such leave (ORC §3319.131).
4. If the request for a leave of absence is approved, the teacher shall be notified in writing, within ten (10) working days, of such action. In addition, the teacher shall be notified about the following matters regarding the leave of absence: a) the period of absence; b) without or with pay or fraction thereof; c) granting a sick leave during absence; d) granting of service credit for salary schedule during period of absence; and e) the retention of rights of tenure, retirement, and insurance.
5. The Association and its members agree to take leaves of absence, including sick leave, only for legitimate reasons.
6. Upon the return of a teacher at the expiration of a leave of absence, he/she shall resume the contract status which he/she held prior to such leave, unless otherwise stated under the heading of a specific leave of absence. Every effort shall be made by the superintendent to reinstate staff members upon return from a leave of absence to their original position held prior to such leave. However, if the original position is not available said teacher shall be assigned to a comparable position for which he/she holds proper certifications/licenses.
7. Any teacher employed to replace a teacher on leave shall be informed of the temporary nature of his assignment.
8. Any teacher who is granted leave of absence under false pretenses or who uses said leave for unauthorized purposes may be subject to appropriate disciplinary action by the superintendent of schools.

B. Sick Leave

1. Members of the bargaining unit shall be granted sick leave on the following basis: one and one-quarter (1 1/4) days for each completed month of service, or fifteen (15) days for each completed year of service.
2. New members and present staff who have exhausted their accumulated sick leave shall be credited, as needed, with up to ten (10) days annually. Such credited leave will be deducted from the final pay of a member, at his/her per diem rate if the member leaves the employment of the Board before earning sufficient sick leave to repay the advance.

3. A member shall accrue a maximum of two hundred sixty-three (263) days of sick leave.
4. Members may use sick leave for absences due to personal illness, pregnancy, injury, exposure to contagious disease which could be communicated to other employees and students, and due to illness, injury or death in the employee's immediate family. A member will be paid his/her regular salary until all accumulated sick leave, subject to the provisions of ORC §3319.141, is exhausted or until he/she returns to work, whichever is first.

- a. If a regular teacher is absent because of a death of a member of the immediate family, sick leave shall be granted for a period of five (5) days. Upon the request of a teacher, the superintendent of schools may extend this time, if the circumstances so dictate and additional time is required.
- b. If a regular teacher is absent because of illness of a member of the immediate family and such illness extends for more than five (5) days or is diagnosed as a permanent disability, sick leave will be paid for five (5) days, since it is presumed that the teacher can arrange for professional care of the relative within a five (5) day period. Upon the request of a teacher, the superintendent of schools may extend this time for additional days, if the circumstances so dictate and additional time is required. Employees giving birth may use up to six (6) weeks of sick leave during the postpartum recovery period.

Up to five (5) days of paternity leave shall be allowed upon the return home of both mother and child. Additional unpaid leave days will be granted under the Family and Medical Leave Act (FMLA).

- c. Immediate family shall include wife or husband, father, mother, children, brothers, sisters, grandparents, grandchildren, father-in-law, mother-in-law, sister-in-law, brother-in-law, or other relatives living in the same household with the teacher. For death or illness of relatives outside the immediate family, absence may be approved up to, but not exceeding, two (2) school days.
- d. Absence due to the aforementioned reasons must be charged to sick leave and cannot be charged to other established leave policy.
- e. Sick leave shall not be charged for days schools are not in session.
- f. The Board requires that employees furnish a written, signed statement on forms prescribed by the Board to justify the use of sick leave days earned and accumulated and days advanced in accordance with number 2 above. Sick leave will accrue while employee is on paid sick leave.

- g. During sick leave, the employee cannot be otherwise gainfully employed. A "return to work statement" furnished by a licensed physician listing any and all limitations may be required from the employee by the Superintendent for absences in excess of five (5) consecutive days or more.
- h. Any sick leave earned and unused in prior employment in any public school system or governmental agency in the state of Ohio may be transferred to the employee's account in the Bucyrus Schools at the time of employment, provided that such re-employment takes place within ten (10) years of the date on which the employee was last terminated from public service.
- i. A teacher resigning within the school calendar year as of August 31, is entitled to accumulate sick leave so long as he/she is on payroll status, but if the full payment of salary is made to the teacher at the close of the school year in June, the teacher is not entitled to accumulated sick leave. A teacher employed but not on payroll status until September will not accumulate sick leave during July and August until the first day of employment as specified by his/her contract of employment.
- j. The term "pregnancy" among those reasons for which an employee may be granted sick leave allows absences for any disability occurring due to pregnancy and such disability naturally includes a period of time before and one afterward for recuperation, the exact length of which is a matter for medical rather than administrative determination.
- k. Rehabilitation
  - (1) Sick leave may be used by members of the bargaining unit for the treatment of alcoholism or other drug addiction under a supervised plan.
  - (2) Alcoholism shall be recognized as a disease as shall addiction to drugs, prescription or non-prescription.
  - (3) No member of the bargaining unit shall be terminated or otherwise discharged for undergoing medically supervised treatment for alcoholism or drug addiction.
  - (4) Upon completion of treatment and the presentation of the doctor's certification of the member's ability to resume duties, such member shall be returned to duty.

- (5) A leave of absence without pay shall be granted in lieu of using sick leave to undergo supervised treatment, if the member of the bargaining unit has exhausted accumulated sick leave or wishes to preserve it.
  - (6) When, through the evaluation procedure, a member of the bargaining unit fails to demonstrate acceptable performance, and when such unacceptable performance is caused by alcoholism or drug addiction, the Board may demand that the member of the bargaining unit enter into an involuntary supervised treatment plan.
5. Sick leave applications shall be on the agreed form, in writing and signed.
6. Sick leave shall be granted only for those sick days earned, accumulated and advanced in accordance with this section, except the sick leave shall accrue while the employee is on paid sick leave.
7. Any teacher whose personal illness extends beyond the period compensated under the sick leave policy shall continue to be covered under the Board insurance program for the remainder of the school year (August 31) if he/she submits to the Board the monthly premium on the first day of each month. In no event is this provision intended to circumscribe rights prescribed by law.
8. Sick Leave Bank
  - a. When a bargaining unit member has exhausted all of his/her accumulated sick leave, including the ten (10) advanced days, and additional days are still needed, then he/she may request that additional days be transferred from other bargaining unit members with accumulated sick leave.
  - b. Upon receiving such a request, the Board shall distribute a notice (Appendix L) to all bargaining unit members notifying them of the request. Any employee wishing to donate accumulated sick leave to the bargaining unit member, shall submit the lower half of form Appendix L to the treasurer. Upon receipt of the signed form authorizing the donation of days, the treasurer shall transfer the days.
    - (1) Donations will be computed on a day for day basis. Any advance days will first be deducted from the sick leave bank days donated.
    - (2) No more than two (2) sick leave bank requests may be made per year.
    - (3) The recipient shall receive a maximum of one hundred ten (110) days of sick leave, per request.
    - (4) All donations of sick leave will be voluntary.

- (5) All donations will be considered confidential.
- (6) Any employee donating sick leave days may give up to a maximum of five (5) days, provided he/she does not deplete his/her own sick leave balance to less than thirty (30) days.

C. Unpaid Leave

In addition to the provisions of sick leave provided in Section B, a member who is pregnant or adopts a child of preschool age, shall, upon request, be granted a leave of absence without pay for maternity/paternity/adoption reasons. Such leave shall begin at any time after the onset of pregnancy or if adoption, receipt of custody, and shall be for the balance of the current school year plus one additional year which shall be taken at the teacher's option. If a teacher exercises the option to take the additional year's leave, he/she shall notify the Board in writing of his/her intentions by no later than June 1 preceding the option year.

1. Time Period for Filing Application

Application for maternity/paternity/adoption leave should be made ten (10) days, if possible, prior to the requested beginning of maternity/paternity/adoption leave. The application time period will be waived for adoption.

2. Benefits While on Leave

Sick leave shall not accrue during maternity/paternity/adoption leave. Member on maternity/paternity/adoption leave may continue to participate in employee Board-paid group benefits provided they furnish the treasurer with the necessary premium payments in advance of when they are due. Since maternity/paternity/adoption leave is without pay, the Board-paid group benefits stated herein do not apply to the State Teachers Retirement System.

3. Reinstatement

Upon return from approved maternity/paternity/adoption leave, at the time specified in the application, every reasonable effort should be made by the superintendent to reinstate staff members desiring to return from leave to the original or comparable position. If the said position has been abolished, the returning member shall be appointed to an equivalent certificated/licensed position for which he/she is certified/licensed to teach.

D. Personal Leave

All full-time certificated/licensed personnel shall be granted up to a maximum of three (3) days of personal leave per school year, subject to the terms and provisions listed below.

1. Those teachers beginning service in the Bucyrus City School District between September 1 and November 30 may be granted up to three (3) days of personal leave; teachers beginning service between December 1 and the last day in February may be granted up to two (2) days; and those teachers beginning service on or after March 1 of any school year may be granted one (1) day of personal leave.
2. Certificated/licensed personnel seeking approval for personal leave with pay shall complete the required form stating the date(s) of the requested absence, and the total number of days involved. The employee shall submit the completed form to the superintendent not less than three (3) working days in advance of the effective date of the request.
3. In the case of an emergency the superintendent or his designee may waive the three (3) day prior approval, and the request may be granted by telephone or in person. The required paperwork will still need to be completed by the employee.
4. In all cases it shall be the responsibility of the employee to inform his/her immediate supervisor that his/her personal leave request has been granted and the date(s) thereof.
5. Personal leave may not be used to extend school holiday periods or recesses in the school year calendar, to provide vacations, for shopping trips, or for leaves covered by any other provisions of this bargaining agreement unless it is an emergency and approved by the superintendent or his designee.
6. If an employee has unused personal leave at the end of the school year, the employee will be reimbursed for the unused personal days at the rate of One Hundred Dollars (\$100.00) per day by the Board of Education. Reimbursement will be made in the month of July.

2. Requests for military leave shall be submitted to the superintendent of schools in writing accompanied by official orders for induction.
3. Upon release from active service with a discharge other than dishonorable, a teacher shall be reinstated in a comparable position to the one held at the time of induction if application for reinstatement is made within ninety (90) days of discharge.
4. Upon such application the teacher shall be re-employed at the first of the next school semester if the application is made not less than thirty (30) days prior to the beginning of the school semester.
5. All years of active military service in the Armed Forces of the United States, as defined in ORC §3307.02, to a maximum of five (5) years, shall be counted as teaching service credit. For purposes of this calculation, a partial year of active military service of eight (8) months or more in the Armed Forces shall be counted as one (1) full year and need not be within a calendar year.
6. The rights under this policy will terminate upon any voluntary extension of such military service.
7. The Board of Education of the district in which such teacher was employed and is re-employed under provisions of ORC §3319.14, may suspend the contract of the teacher whose service in the Armed Forces or auxiliaries thereof, in accordance with ORC §3319.17.
8. All certificated/licensed employees of the Bucyrus City School System who are members of the Ohio National Guard, the Ohio Naval Militia, or members of the other reserve components of the Armed Forces of the United States shall be entitled to leave of absence from their respective duties without loss of pay for such time as they are in the military service on field training or active duty for periods not to exceed thirty-one (31) days in any calendar year, except that the Board rate of pay shall be calculated on the basis of the difference between the employee's full salary and compensation received for military duty.

3. Certificated/licensed employees seeking approval for professional leaves shall complete the required form and submit it to the building principal. The building principal shall submit the completed professional leave request to the superintendent of schools not less than ten (10) school days in advance of the effective date of such request. In case of extenuating circumstances the number of days can be waived.
4. There will be an equitable distribution of professional leave for those requesting it. Professional leave will be encouraged.
5. A copy of the professional leave request, marked approved or rejected, shall be given to the teacher, as soon as possible after application has been made, but in no case later than the close of the second working day preceding the date of the requested leave. If rejected, the reasons shall be briefly stated.
6. The Board shall pay, in addition to the teachers' salaries, the expenses (including registration fees, meals, lodging, and transportation) incurred by teachers who attend professional meetings or improvement sessions at the request and/or with the advance approval of the superintendent for particular purposes of professional improvement to the school system and/or the individual participating. This reimbursement shall be paid by the Board to the amount of Two Hundred Dollars (\$200.00) per school year, per employee. Additional amounts would be paid at the discretion of the superintendent. Original bills must be submitted along with the absence form within five (5) workdays after their return.
7. Upon request, teachers shall submit a written report to their immediate supervisor, who will distribute it to interested parties.

H. Association Leave

Five (5) days of leave will be granted annually to permit attendance of Association members at conventions or other meetings sponsored by the OEA or to permit the Association officers to attend to Association business without loss in pay but at their own expense. The Association president shall submit written notice to the superintendent of the names of the teachers who will take such leave under this provision at least one (1) week in advance of the intended absence.

I. Assault Leave

1. A school employee may be absent from duty under the provision of sick leave, special leave, and other types of leave provided by statute and other administrative procedures.
2. In addition to the above, a school employee may also be absent from duty for a maximum of ninety (90) days due to an assault which occurs in the course of employment.
3. In order to qualify for assault leave, which shall not be charged against sick leave or against other leave granted under ORC §3319.08, the following guidelines should be observed:
  - a. The incident, resulting in the absence due to the physical disability of the employee to perform the duties for which he/she has been employed, must have arisen out of a situation determined to have been within the scope of the employment with the Board of Education.
  - b. The Board of Education will require, for the verification of the use of the assault leave, the employee to furnish a signed statement on forms prescribed by the Board. If medical attention is required, a certificate from a licensed physician stating the nature of the disability and its duration shall be required before assault leave can be approved for payment.
  - c. If the preceding determinations are established to have been a physical disability resulting from an assault which occurred in the course of Board employment, the period of time the employee will be maintained on a full pay status, during the period of such absence, shall be until the employee is able to perform his/her previously assigned duties, subject to the following limiting factors:
    - (1) Payment shall be made only to an individual who is under contract to the Bucyrus City School District.
    - (2) The effective date of the resignation of the employee would terminate assault leave.
    - (3) The effective date of the service or disability retirement of the employee would terminate assault leave.
    - (4) The termination of the contract between the employee and the Board of Education, according to procedures outlined in the document and in accordance with Ohio Revised Code, will terminate assault leave.

- d. Falsification of either a signed statement or a physician's certificate is grounds for suspension or termination of employment under ORC §3319.16.
- e. All earnings paid to an employee under an authorized assault leave shall be in lieu of lost time benefits payable under Workers' Compensation insurance.

J. Family and Medical Leave

- 1. Notwithstanding other provisions of this Agreement, the Board agrees to abide by the provisions of the Family and Medical Leave Act of 1993. The parties to this Agreement agree that all benefits guaranteed by the Act will be provided to employees covered by this Agreement. Any alleged violations of the Act may be processed as grievances using the procedure herein. Pursuit of such a grievance in no way prevents an employee from enforcing their rights under the Act as provided by law.
- 2. Leave Provisions
  - a. Each employee is entitled to and shall be granted upon request up to twelve (12) weeks of unpaid leave per year for a serious health condition of the employee or for a new child or a sick child, parent, or spouse.   - e. When medically necessary, leave may be taken intermittently.

3. Protection of Employment

- a. The Board shall return the employee taking a leave under this article to the same or equivalent position he/she occupied prior to the leave.
- b. The taking of a leave under this article shall not result in the loss of any employment benefit accrued prior to the date the leave commenced. These benefits include sick leave, personal leave, professional leave, and vacation.

4. Insurance Continuation

The Board shall continue to pay the Board contribution necessary to continue all medical, dental, and life insurance plans for the employee while he/she is on leave under this article.

5. Year

For purposes of family leave benefits, year shall be defined as July 1 through June 30.

2. Any teacher involuntarily transferred shall be given written reasons at least five (5) days in advance of the involuntary transfer.
3. When there are three (3) or more internal applicants to a vacancy an involuntary transfer will not be imposed.
4. If there are two or fewer applicants, an involuntary transfer may be implemented.
5. All persons applying for a transfer/vacancy will be interviewed for the open position and be given all due consideration for the position requested.

## SECTION XI – PROFESSIONAL STAFF EVALUATION

### A. Purpose

The performance of all instructional personnel shall be evaluated in accordance with an organized program. Its purpose shall be 1) to help teachers achieve greater effectiveness in the performance of their duties; 2) to assist teachers in the growth and development of professional abilities; 3) to identify areas of strength and weakness; and 4) to provide a basis for future contract consideration.

### B. Evaluation Procedure Defined and Application

The evaluation procedure in this Agreement conforms to the framework for the evaluation of teachers developed pursuant to Section 3319.112 of the Ohio Revised Code. Each completed evaluation will result in the assignment of a teacher effectiveness rating. The teacher effectiveness rating shall be derived from a summative evaluation, where fifty percent (50%) of the overall evaluation is based on student growth measures as provided in this Agreement, and fifty percent (50%) of the overall evaluation is based on a teacher's performance rating as provided for in this Agreement. The language provided below applies only to those teachers who are under OTES per the requirements of 3319.11 and 3319.12 of the Ohio Revised Code (see Application language below). The evaluation of other personnel shall be conducted with this instrument without the student growth component as a factor.

### C. Method of Evaluation

1. New professional staff will have an orientation meeting with their building principal concerning evaluation during the first three (3) weeks of school. They will be advised as to the evaluation procedures, and will be given a copy of The Ohio Teacher Evaluation System Resource Guide for evaluation purposes used during the current year. All other teachers will be informed of this meeting and will be invited to attend in order to review the evaluation procedure.
2. Observations and evaluations shall be objective and shall be conducted openly with the full knowledge of the teacher.
3. The building principal or assistant principal will be the primary evaluator of teacher competency and shall be responsible for the recommendation of the teacher to the superintendent. However, observations and evaluations may also be conducted by the assistant superintendent, the superintendent, other qualified administrators, or any other mutually agreed to evaluator.
4. Unless mutually agreed to, no observation nor formal written evaluation of any teacher's performance in the classroom will be made during the first three (3) weeks of school, or on the first day of the teacher's return from leave.

5. Teachers shall be evaluated based on at least two (2) formal observations and periodic classroom walkthroughs each school year. Teachers on a limited contract who are under consideration for renewal/nonrenewal shall receive at least three (3) formal observations in addition to periodic classroom walkthroughs unless the Superintendent waives the third observation. A teacher who has been granted a continuing contract by the Board and who receives a rating of “Accomplished” on his/her most recent evaluation shall be evaluated every other school year.
6. A minimum of thirty (30) consecutive minutes will be allotted for each classroom observation except in those instances where the planned presentation of the teacher is for a period less than thirty (30) minutes or where, by mutual agreement of the teacher and the observer, a period of less than thirty (30) minutes is agreed upon.
7. The first formal observation of a new teacher will be mutually agreed upon by the evaluator and the teacher at least two (2) working days in advance of the observation, unless a shorter period is agreed upon. All other observations need not be announced.
8. The evaluator must list in the written summary the areas in which the teacher is deficient and give written recommendations for improvement and the means by which the teacher may obtain assistance in making such improvements.
9. In each successive observation, the evaluator shall indicate in the written summary those deficiencies that have been corrected and those deficiencies that could lead to non-renewal or termination.
10. The teacher may request an evaluation by another supervisor or by the Superintendent. The teacher shall submit the request to the Superintendent with documented reasons for the request prior to the Professional Growth/Improvement Plan meeting. This meeting shall not take place prior to five (5) working days after the notification of the teacher’s assigned evaluator. The Superintendent will respond to the request.
11. Non-renewal of limited teaching contracts shall be considered only on the basis of evaluations made under this procedure. Walkthroughs/Informal Observations that are part of the evaluation process shall be conducted in accordance with the process set forth in the section.

D. Classroom Walkthroughs/Information Observation

1. An informal observation/classroom walkthrough is a:
  - a. Tool to inform evaluation that provides the opportunity to gather evidence of instruction over a series of short classroom visits;

- b. Process for giving targeted evidence-based feedback to teacher; and
  - c. Means for Administrators to visit classrooms more frequently and more purposefully.
2. An informal observation/classroom walkthrough is not a(n):
- a. Formal observation;
  - b. “Gotcha” opportunity for supervisors or evaluators;
  - c. Isolated event; or
  - d. Shortcut to the observation protocol required as part of the teacher evaluation process.
3. All teachers benefit from informal observations. All informal observations/classroom walkthroughs should include written documentation returned to the teacher in a timely manner using the informal observation form. Teachers will be provided an opportunity to submit written comments on the informal observation form. The evaluator may also offer resources to help teachers refine their practice.
4. Information observations/classroom walkthroughs should be consistent and frequent. Administrators should make an effort to observe teachers at varying times of the day and/or instructional period.

E. Student Growth Measures

In determining student growth measures, Ohio Department of Education’s Ohio Teacher Evaluation System (OTES) model will be followed, which calculates student growth by assessing achievement for an individual student occurring between two (2) points in time. The following categories will be used to determine this aspect of a teacher’s evaluation, depending upon the instructor involved:

- A1. Teachers instructing in value-added subjects exclusively<sup>1</sup>;
- A2. Teachers instructing in value-added courses, but not exclusively<sup>2</sup>;
- B. Teachers instructing in areas with the Ohio Department of Education approved vendor assessments with teacher-level data available; or

- C. Teachers instructing in areas where no teacher-level, value-added, or approved vendor assessments are available.

<sup>1</sup>If a teacher's schedule is comprised only of courses or subjects for which the value-added progress dimension is available, the entire student academic growth factor of the evaluation (i.e., fifty percent (50%) shall be based on the value-added progress dimension).

<sup>2</sup>For these teachers, value added will be used for the student academic growth factor in proportion to the part of a teacher's schedule of courses or subjects for which the value-added progress dimension is applicable. Teachers with multiple subjects that have value-added data will be issued reports for a composite of reading and math; for other assessments (approved vendor and local measures), the assessment data measures should be representative of the teacher's schedule.

Where value-added methodologies exist for A1 and A2 teachers, the evaluator will utilize them in the evaluation process, to the extent set forth in the Appendix of the "District Student Growth Measurement Index." Teachers instructing in value-added courses, but not exclusively, will utilize teacher value-added and locally determined measures proportionate to the teacher's schedule.

When an approved Ohio Department of Education vendor assessment is utilized in the measurement of student growth, it will be included in the evaluation process for B teachers to the extent set forth in the Appendix of the "District Student Growth Measurement Index."

When neither teacher-level value-added data nor Ohio Department of Education-approved assessments are available, the District shall use locally-determined Student Growth Measures of C teachers as set forth in the Appendix of the "District Student Growth Measurement Index." Student Growth Measures may be comprised of SLOs, shared attribution, and/or non-Value-Added vendor data.

An SLO must be based upon the following criteria: Baseline and Trend Data, Student Population, Interval of Instruction, Standards and Content, Assessment(s), Growth Targets, and Rationale for Growth Targets. When new SLOs are developed or revised, the process will include consultation with teachers employed by the Board. The Board's process for creating and revising SLOs is set forth in the Appendix of the "District OTES Student Growth Measures Manual."

Data from these approved measures of student growth will be scored on five (5) levels in accordance with the Ohio Department of Education/OTES guidance and converted to a score in one of three (3) levels of student growth:

- A Above;
- B Expected;
- C Below.

F. Final Evaluation Procedures

Each teacher’s performance rating will be combined with the assessment of student growth measures to produce the summative evaluation rating, based upon the following “Evaluation Matrix”:

		<b>TEACHER PERFORMANCE</b>			
		<b><u>Accomplished</u></b>	<b><u>Skilled</u></b>	<b><u>Developing</u></b>	<b><u>Ineffective</u></b>
Student Growth	Above	Accomplished	Accomplished	Skilled	Developing
	Expected	Skilled	Skilled	Developing	Developing
	Below	Developing	Developing	Ineffective	Ineffective

The evaluator shall provide that each evaluation is submitted to the teacher for his/her acknowledgement by written receipt. If signed by the teacher, the receipt is to be sent to the Superintendent as soon as received.

G. Frequency of Evaluation

1. Professional Growth/Improvement Plan Meeting by October 1.
2. Pre-conference followed by an announced formal observation, followed by a post conference.
  - a. Teachers on a limited contract being considered for renewal/nonrenewal by January 15.

- b. Teachers not up for contract by March 1.
3. Mid-year review meeting by March 1.
4. Unannounced formal observation, followed by a post conference by May 1.
5. A third unannounced formal observation, followed by a post conference (unless waived by the Superintendent) for teachers on a limited contract being considered for renewal/nonrenewal by May 1. No action leading to nonrenewal of contract or to dismissal will be taken against a teacher unless at least three (3) observations are conducted within the current school year (during the contract period for supplemental responsibilities.)
6. Observations will be completed by May 1st, and each teacher will be provided a written report of the results of his/her evaluation by May 10. Written Notice of nonrenewal will be provided by June 1st.
7. When grounds for non-renewal are based upon professional competency, the involved teacher shall have five (5) working days after the post-observation conference before another one of the three (3) required observations is conducted.
8. Management has the right to visit any classroom at any time and their observations may be part of the teacher's record. A copy of any document to be placed in the record will be forwarded to the teacher at the time it will be placed in the record. However, this visitation shall not be interpreted to replace any of the required evaluations.

#### H. Report of Evaluation

1. Within ten (10) working days after the formal observation, a conference with the teacher will be held at which time the written summary will be reviewed. A copy of the written summary shall be given to the teacher at this time. The teacher shall sign and date the written summary and return it to the evaluator within ten (10) working days. Such signature by the teacher will not necessarily indicate agreement with the content of such material. The teacher shall have the opportunity to make a written response which shall be attached to and be considered part of the written summary.
2. The principal's observations of all teachers who must be considered for non-renewal of contracts must be completed by May 1.

I. Teacher Evaluation Form

Teacher evaluations will be recorded on the form in ODE's Ohio Teacher Evaluation System Resource Packet.

- J. The parties agree that this procedure shall supersede Ohio law unless prohibited by statute, and this procedure will be in full compliance with Ohio law on or before July 1, 2013.

**SECTION XII – TEACHER CONTRACTS**

Certificated/licensed employee contracts in the Bucyrus City School District shall be of four (4) types:

A. Limited Contracts

1. Limited regular teaching contracts shall not apply to supplemental responsibilities and may be approved by the Board on the recommendation of the superintendent as follows:
  - a. One (1) year contracts will be granted for the initial year of employment and, if the teacher is re-employed, for the second and third year of employment in the District.
  - b. Two (2) year contracts will be granted after three (3) years of uninterrupted service in the District if the teacher is re-employed.
  - c. Three (3) year contracts will be granted after completion five (5) years of uninterrupted service in the District if the teacher is re-employed.
  - d. One and only one time, at the end of a contract cycle contained in a, b, or c above, the administration may return an employee to a one (1) year contract, with reasons given. If the employee is then renewed at the conclusion of the one (1) year, it will be at the place in the contract cycle where the employee was before the one (1) year contract.

B. Continuing Contracts

Certificated/licensed staff members who become eligible through certification/licensure and service requirements established by Ohio statute and who inform the administration in writing on or before September 15 that he/she will be eligible for a continuing contract during the school year shall be eligible for continuing contract consideration in May of that school year. Failure to provide such written notification, on or before September 15, shall defer continuing contract consideration until May the following school year. If a member becomes eligible for a continuing contract during the term of a multiple-year limited contract, and the superintendent recommends and the Board approves a

continuing contract, the member agrees to waive the limited contract at the end of the academic year, then a continuing contract shall be issued for the beginning of the next succeeding academic school year.

C. Supplemental Contracts

1. Supplemental limited contracts for a term not to exceed one (1) year shall be issued to all certificated/licensed staff members performing assigned supplemental duties in addition to regular teaching duties.
2. Such contracts shall set forth the duties to be performed, the compensation to be paid and shall be signed by the employee and the appropriate Board officers.
3. The performance of any supplemental contract holder shall be evaluated in accordance with the following provisions:
  - a. The appropriate school administrator and/or the athletic director shall be responsible for initiation of the evaluation procedure.
  - b. Evaluators may be any administrator or other individual(s) mutually acceptable to the administrator and the contract holder. Members of the bargaining unit shall not be involved in the evaluation procedure. However, head coaches shall, upon request, provide the athletic director with substantive input with regard to the performance of the assistant coaches in their particular assignment.
  - c. The first observation of a member performing supplemental contract duties will be mutually agreed upon by the evaluator and the member at least two (2) working days in advance, unless a shorter period is mutually agreed upon. All other observations need not be announced.
  - d. Written evaluation shall be made after each observation, and the evaluator shall review the evaluation with the member within five (5) working days following the observation. The evaluation shall be signed and dated by both the evaluator and the member. Space shall be provided on the evaluation form for the member to indicate agreement and/or disagreement with the evaluation. Supplemental statements may be attached by either party at a later time. The member shall be given a copy of the written evaluation. A copy of the evaluation form can be found in the Appendices of this bargaining agreement.

D. Miscellaneous Contract Provisions

1. All contracts for regular teaching duties shall set forth the basic salary to be paid for the next contract year.
2. Teachers holding continuing contracts shall be notified not later than July 1 of the base salary to be paid during the next contract year, certification/licensure on file, type of contract and year granted, academic training on file as of May 1, experience in years as of the end of the current school year and the number of tax exemptions currently in effect.
3. Deduction for unauthorized and approved absences without pay shall be computed at the rate of  $1/n$  ( $n$ =annual assigned duty days) of the annual salary for each day deducted.

E. Teacher Licensure

1. The Board and the BEA expressly agree that if any teaching employee does not possess a valid teaching certificate/license at the commencement of the school year, such event will be just cause grounds for termination pursuant to O.R.C. §3319.16.
2. Highly Qualified Status

Teachers currently employed by the District who are not in "highly qualified" status shall become highly qualified on or before March 31, 2009, or such failure to obtain "highly qualified" status shall be just cause grounds for termination.

**SECTION XIII – DISCIPLINE, NONRENEWAL AND TERMINATION**

A. Suspension

The Board may suspend the contract of a teacher, upon the recommendation of the superintendent, only after the teacher has been notified by the Board of its intent to proceed to terminate the teacher's contract and the teacher has been provided with the specifications required by law for such termination. The teacher will be retained in a pay status until the charges against the teacher have been fully proven. Insurance benefits will be continued until the contract termination is final or as may otherwise be required by law.

B. Nonrenewal of Limited Teaching Contracts

1. Nonrenewal of limited teaching contracts for probationary employees who have been employed for three (3) years or less.
  - a. Limited contract teachers who have been employed for three (3) or fewer years shall be notified by the superintendent that they will not be recommended to the Board for rehiring for the next school year, if it is the desire of the Board not to reemploy the teacher for the following school year.
  - b. This nonrenewal procedure for teachers who have been employed for three (3) or fewer years supersedes all provisions of ORC §§3319.11, 3319.111, and related statutes, and such teachers shall have no right to challenge said nonrenewal pursuant to ORC §3319.11 or through the negotiated grievance procedure in this Agreement.
2. Nonrenewal of limited teaching contracts for employees who have been employed for more than three (3) years.
  - a. Any member of the bargaining unit employed under a limited contract for more than three (3) years and whose regular teaching contract the Board intends not to renew shall be notified in writing in accordance with Ohio law of the Board's intention not to re-employ the teacher. Prior to Board action on a teacher's contract, the superintendent shall make a recommendation to the Board with respect to the renewal or nonrenewal of the teacher's contract.
  - b. If evaluation procedures have not been complied with pursuant to Section XI of this Agreement, or the Board does not give the teacher written notice on or before June 1, the teacher is deemed re-employed pursuant to the provision of ORC §3319.11.
  - c. Extended limited contracts in lieu of regular limited contracts may be granted by the Board in accordance with ORC §3319.11.
  - d. Teachers with more than seven (7) years experience may be nonrenewed only for good and just cause.

C. Termination of Contract

Termination of a teacher's contract by the Board shall be in accordance with ORC §§3319.16 and 3319.161.

**SECTION XIV – SALARY PROVISIONS**

A. Regular Salary

1. The base salary shall be increased one percent (1%) for the 2014-15, 2015-16, and 2016-17 school years, with step increases predicated on the index.

**SECTION XV – FRINGE BENEFITS**

A. Medical Insurance

Hospital Surgical Insurance

The Board shall agree to make available hospital/surgical coverage comparable to the current plan of benefits in effect at the start of this Agreement. Major changes in benefits will be reviewed with the benefits committee prior to implementation. Full time for insurance purposes only shall be defined as employees who work the full length of the teacher day. The Board shall pay the percentage of the monthly premium cost for such insurance, and the employee shall pay the remaining percentage through payroll deductions for employees, in accordance with the following schedule. Part-time teachers shall receive coverage on a pro-rata basis, based upon the percentage of full time they work. When two spouses are employed by the Board, only one family plan may be selected.

<u>Year</u>	<u>Board Percentage</u>	<u>Employee Percentage</u>
2013-14	90%	10%
2014-15	85%	15%
2015-16	85%	15%
2016-17	85%	15%

B. General

1. The Board shall institute an Insurance Committee whose purpose shall be to review the district's medical insurance plan and advise the Board on matters related to the plan. The Committee shall consist of the superintendent or his/her designee, the treasurer or his/her designee, up to two (2) bargaining unit members appointed by the Association, up to two (2) bargaining unit members appointed by the Organization and such consultants as deemed appropriate by the representatives of the Committee.
2. The Insurance Committee shall meet at mutually convenient times as requested by either the Board or the two (2) respective Associations.
3. The Board will provide the Association with at least twenty (20) days notice before making any change in insurance carrier(s) or insurance administrator(s).
4. Nothing within this section, hospital/surgical insurance, shall be construed to limit the Board's right to determine and select the carrier/administrator of its choice.
5. See Appendix N for insurance specifications.

6. A pre-admission review and continued stay review program will be instituted to insure that each hospital admission is appropriate and consistent with the diagnosis and treatment plan. When a physician recommends hospitalization, the covered employee/dependent will need to contact the toll free number of the carrier's review department prior to the scheduled admission. In case of an emergency hospital admission, the employee or family member will need to contact the carrier's review department by the next business day.
7. A "Second Surgical Opinion Program" will be instituted to insure that the insured is receiving consideration for all possible medical alternatives. The program is voluntary and is offered as a convenience. However, certain procedures may require a second opinion prior to surgery.
8. Premiums shall be paid for all certificated/licensed employees whose resignations become effective at the end of the current school year as long as the employee is on the Board payroll but, in no case, after the month of August.
9. The last monthly premium paid by the Board for an employee who resigns during the current school year shall be for the month in which the resignation becomes effective.
10. Comprehensive Major Medical Coverage shall be in accordance with or equivalent to specifications as prescribed in Appendix N of this Agreement.
11. Insurance Committee

The parties agree that the District Insurance Committee will study the District's insurance program on an ongoing basis with a goal of implementing a more efficient and less costly medical insurance plan.

C. Hospital/Surgical Insurance – Refusal Option

1. Full time bargaining unit members who are insured under a health insurance plan and who are eligible to receive Board paid contributions to health insurance plan benefits provided in this Agreement, and who do not subscribe to those insurance benefits, and for whom the Board makes no insurance premium contributions, are eligible to participate in the refusal option. For employees hired on or after September 1, 2005, this provision does not apply when both spouses are employed by the Board. For such employees hired on or after September 1, 2005, each family is entitled to only one (1) family plan.
2. The refusal option must be exercised by the member at the beginning of the plan year. The member will notify the treasurer's office in writing of his/her decision to exercise the refusal option.

3. Full time bargaining unit members who exercise the refusal option will be paid an amount equal to twenty-five (25) percent of the amount which the Board would have been required to contribute to that member's health insurance premium payment, had the member been eligible for, and subscribed to, that coverage. This payment shall be paid within thirty (30) days after the end of the plan year.
4. Bargaining unit members who exercise the refusal option and who, involuntarily, lose other health insurance coverage through the layoff of a spouse, death of a spouse, or divorce from a spouse, will be permitted to enroll in the Board provided health insurance plan. Notice of intent to enroll will be provided in writing to the treasurer's office not later than the third Monday of the month following a qualifying event with coverage to be effective the first day of the following month. Members who enroll under this provision shall forfeit any payment they may have become eligible for by remaining under the refusal option for the entire plan year.

D. Dental Coverage

The Board shall provide dental coverage, if available, which contains such specifications as are acceptable to the Association, provided that the Board's monthly premium cost shall not exceed Forty-Five Dollars (\$45.00) per employee. If the plan acceptable to the Association entails a higher monthly premium, the excess over Forty-Five Dollars (\$45.00) per month per individual covered shall be charged to the member and paid through payroll deduction.

E. Life Insurance

The Board will provide individual term life insurance for all the full-time teachers to a limit of Thirty Thousand Dollars (\$30,000.00). The coverage also provides as accidental death and dismemberment provision in the amount of Thirty Thousand Dollars (\$30,000.00).

Payment of severance eliminates all sick leave credit for the employee.
  - b. The severance payment shall be an amount determined by the following table:

The Board shall accompany each fair share fee transmittal with a list of the names of the teachers for whom all such fair share fee deductions were made, the period covered, and the amounts deducted for each teacher.

d. Rebate Procedure

The BEA represents to the Board that an internal rebate procedure has been established in accordance with ORC §4117.09 (C) and that a procedure for challenging the amount of the fair share fee has been established and will be given to each teacher who does not join the BEA/OEA/NEA and that such procedure and notice shall be in compliance with all applicable state and federal laws and the Constitution of the United States and the State of Ohio.

e. Entitlement to Rebate

Upon timely demand, non-members may apply to the BEA for an advance reduction/rebate of the fair share fee pursuant to the internal procedure adopted by the BEA/OEA/NEA.
