## **ARTICLE I – RECOGNITION**

The Board of Education of the Canton City School District recognizes the Canton Professional Educators' Association as the sole and exclusive bargaining agent for the members of the bargaining unit, hereafter "teacher" or "teachers", which shall consist of all certificated personnel including classroom teachers, psychologists, guidance counselors, specialists, nurses, tutors, hourly-rated tutors, hourly-rated pre-school teachers, librarians and any individual hired as a "special substitute" for a full school year, hired to fill a full year vacancy due to a leave of absence or hired to fill a full year vacancy under a temporary certificate shall be deemed a member of the bargaining unit for that year. Such special substitutes shall be employed under a one year limited contract which shall be automatically non-renewed at the end of the year and shall be paid at the appropriate academic training column step one for that year. The Superintendent, Assistant Superintendent, all administrative directors, principals, assistant principals, and all other management level supervisory, confidential, seasonal and casual employees as defined in O.R.C. 4117 which shall include all substitutes, hourly employees, and others currently not in the unit, shall be excluded from the bargaining unit. The term "certificated personnel" shall be read to include "licensed personnel" and vice-versa in this contract.

If any employee organization files petitions, with signatures of thirty (30) percent of the bargaining unit, no earlier than 120 days prior to the expiration date of this Agreement and no later than 90 days prior to the expiration date of this Agreement, the Board shall proceed in accordance with O.R.C. 4117.07.

Recognition of the Association shall not prevent any member of the bargaining unit from presenting his/her views to the Board or Superintendent in accordance with law.

## **ARTICLE II - NEGOTIATIONS PROCEDURE**

- A. Either the Association or the Board may initiate negotiations by letter submission forwarded to the other party by March 1 of the year in which the contract expires. The parties shall hold their first negotiation session by March 15. At such session, they shall exchange their proposals as provided in Paragraph I. below.
- B. Negotiation sessions will be closed, unless the parties otherwise agree to a different procedure.
- C. Negotiation sessions and other related meetings may be tape recorded.
- D. Each negotiating team shall consist of no more than five (5) persons. Each team may have up to two (2) additional persons as observers or consultants at the table from time to time. The composition of the team shall be the sole discretion of the respective parties; however, once selected, no substitutes will be permitted without the consent of the other party. Consultants used by either party, either in or in conjunction with any such negotiation session or meeting, shall be paid by the party using them.
- E. Prior to the completion of each negotiation session, a mutually agreeable time, place and date shall be set for the next negotiation session. The place of the session shall alternate between a place selected by the Association and one selected by the Board, unless otherwise mutually agreed.
- F. Upon request by either party, information concerning the financial resources of the district and any other information pertinent to matters under consideration shall be exchanged.

- G. The Board and Association agree to negotiate concerning salary, fringe benefits, and other terms and conditions of employment.
- H. The Board and the Association agree to meet in good faith. "Good faith" means the obligation of both negotiating teams to meet at reasonable times and to deal with each other openly and fairly. It requires that each team be willing to react to the other's proposals. If a proposal is unacceptable to one of the teams, that team is obligated to respond with a counter proposal and give reasons for its rejection of the proposal. "Good faith" does not require that either party make a concession.
- I. Proposals shall be exchanged by the parties at the first meeting and shall in form and detail specify that to which agreement is sought in terms acceptable to the proponent without clarification or supplementation.
- Thereafter, new proposals may not be submitted. Topical listings, or so-called "laundry lists," shall constitute a failure to comply with this paragraph and shall be disregarded.
- J. As negotiation items receive tentative agreement by the parties, each item shall be reduced to writing and initialed by the representatives of each party. Each party may determine the number of matters included in an "item". Each item receiving tentative agreement shall not be altered or changed unless mutually agreed upon by both parties; however, both parties retain the right to trade off tentative items and/or withdraw such items for other considerations within the package which itself may, at the option of either party, be treated as one "item".
- K. When the negotiating teams reach tentative agreement upon the contract, all of the members,

including "consultants," if any, identified in paragraph D. above, shall recommend acceptance of the agreement to the parties they represent.

- L. Upon reaching tentative agreement, said contract shall be presented to the Association for ratification within ten (10) weekdays. Upon ratification by the Association, the contract shall be presented to the Board for adoption within ten (10) weekdays. The agreement shall become the contract between the parties for the period stated in the contract.
- M. If on May 1, or a date mutually agreed upon, tentative agreement on all items is not reached, both parties shall use the services of the Federal Mediation and Conciliation Service (FMCS) in accordance with the rules of that Service. FMCS shall be contacted jointly by both parties so that mediation may start within five (5) days after May 1 or the date mutually agreed upon.
  - 1. The parties agree that the foregoing shall be the mutually agreed to alternative dispute settlement procedure as provided in O.R.C. 4117.14 and shall supersede the procedures contained in that Section.

## **ARTICLE III - GRIEVANCE PROCEDURE**

### **A. Definitions**

1. "Administration" shall mean those excluded from the bargaining unit as identified in the Recognition Agreement, Article I, above.
2. "Days" shall mean actual working school days during the school year and shall exclude Saturdays, Sundays and legal holidays. During summer vacation, "days" shall mean workdays excluding Saturdays, Sundays, and legal holidays.
3. "Grievance" shall mean a claim by a teacher(s) that there has been a violation, misinterpretation or misapplication of this contract between the Association and Board. If any grievance arises, there shall be no stoppage or suspension of work because of such grievance, for it is intended that it shall be submitted to this Grievance Procedure.
4. "Grievant" shall mean a teacher(s) initiating a grievance. (Where more than one teacher is a grievant, each shall sign the grievance. Such a grievance shall be processed by the Chairperson of the PR & R Committee with the Association identified as the Collective Grievant.) Where a grievance under this contract is claimed to have been committed against a bargaining unit member—and such member declines to file a grievance, the Association may file a grievance provided the aggrieved bargaining unit member signs the grievance form. Where the Association is the Grievant, the grievance shall be signed by the Association President or his/her designee.

5. "Immediate Supervisor" shall mean that administrator having immediate supervisory responsibility over the grievant.

B. Rights of the Grievant and the Association

1. A grievant may, at his/her sole discretion, be accompanied at all steps of the Grievance Procedure by a representative of the Association. The Association shall be given the opportunity to be present at any grievance remedy. Any grievance adjustment shall not be inconsistent with the terms of this agreement.
2. The purpose of these procedures is to secure, at the lowest level administrator having authority to resolve the grievance, equitable solutions to grievances. All parties agree that grievances will be kept as confidential as is appropriate and processed as expeditiously as possible. In the case of a disciplinary suspension or termination, any grievance filed challenging such action shall be filed initially at Step II of the grievance procedure.
3. Any grievance may be withdrawn, without prejudice or record at any step prior to Step III.
4. No reprisals of any kind will be taken by either party against any party in interest, any building representative or any other participant in the Grievance Procedure by reason of such participation.
5. The filing of a grievance, participation in a grievance or the grievance form itself will not become a part of the personnel file of any teacher.

C. Time Limits

1. The number of days indicated at each step in the procedure shall be the maximum.
2. If the grievant does not present an informal or formal grievance within fifteen (15) days of the occurrence of the act or conditions on which the grievance is based, then the grievance shall be considered waived.
3. If a decision on a grievance is not appealed within the time limits specified at any step of the procedure, the grievance shall be deemed settled on the basis of the disposition at that step and further appeal shall be barred.
4. Failure at any step of these procedures to communicate the decision on a grievance within the specified time limits shall automatically entitle the grievant to proceed to the next level.
5. All notices of hearings, dispositions of grievances, written grievances and appeals shall be in writing and hand-delivered or mailed by certified mail, return receipt requested.
6. Every effort will be made to process grievances to a satisfactory conclusion by the end of a school year.
7. Hearings held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons entitled to be present to attend, but not during the school day, unless the parties otherwise agree.

D. Grievance Procedure

1. Informal Procedure

A grievance, except as indicated above in B.2., shall first be presented to the principal or immediate supervisor in an attempt to resolve the problem.

2. Formal Procedure

STEP I: If the grievance is not resolved within five (5) days of the informal claim, it may be pursued further by submitting a completed Grievance Report Form, Step I, in triplicate. Copies of this form shall be submitted to the grievant, to the immediate supervisor and to the Superintendent or his/her designee. Within five (5) days of the receipt of the Grievance Report Form, the immediate supervisor shall meet with the grievant. The immediate supervisor shall write a disposition of the grievance within ten (10) days after such meeting by completing Step I of the Grievance Report Form and returning a copy to the grievant and the Superintendent.

STEP II: If the grievant is not satisfied with the disposition of the grievance in Step I, the grievant shall, within five (5) days of such disposition, complete the Grievance Report Form, Step II, and submit same to the Superintendent or his/her designee, who shall within ten (10) days meet with the grievant. Within ten (10) days of this meeting, the Superintendent or his/her designee shall write his/her disposition of the grievance by completing his/her portion of Step II, forwarding

a copy to the grievant, the Association, and the immediate supervisor.

**STEP III:** If the grievant is not satisfied with the disposition of the grievance at Step II, the grievant may secure approval of the Association's Grievance Committee to appeal to Step III. If that Committee approves, it shall request a hearing before an arbitrator by completing Grievance Report Form, Step III. The Committee's request for arbitration shall be made within five (5) days following either the receipt of the disposition of the grievance or the lapse of twenty-five (25) days following the grievant's submission of the Grievance Report Form to the Superintendent under Step II, whichever occurs first. The Committee's request for arbitration shall be by certified mail with return receipt requested to the Superintendent. Within five (5) days following receipt of the Committee's request for arbitration, the Superintendent or his/her designated representative and the grievant or his/her designated representative shall mutually petition the American Arbitration Association (AAA) to provide both parties with a list of nine (9) names from which an arbitrator will be selected and notified in accordance with the rules of the AAA.

Once the arbitrator has been selected, he/she shall conduct a hearing on the grievance in accordance with the rules and regulations of the AAA.

The arbitrator shall hold the necessary hearing promptly and issue the decision within such time as may be agreed upon. The decision shall be in writing and a copy sent to all parties present at the hearing. The decision of the arbitrator

shall be binding on the Board, the Association, and the grievant.

The arbitrator shall not have authority to add to, subtract from, modify, change or alter any of the provisions of this collective bargaining contract, nor add to, detract from or modify the language therein in arriving at his/her decision concerning any issue presented that is proper within the limitations expressed herein. Nor shall the arbitrator have any authority to rule contrary to the law of the State of Ohio. The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to decide any other issue(s) not so submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching his/her decision.

The arbitrator shall not interfere with management prerogatives involving the Board's discretion, nor limit or interfere in any way with the powers, duties and responsibilities of the Board under its policies, applicable law, and rules and regulations having the force and effect of law.

The costs for arbitration shall be shared three-quarters ( $\frac{3}{4}$ ) by the loser and one-quarter ( $\frac{1}{4}$ ) by the winner.

1. Nothing contained in this procedure shall be construed as limiting the individual right of an employee having a complaint or problem to discuss the matter informally with members of the administration through normal channels of communication.
2. A bargaining unit member shall have the right to present grievances and have them adjusted without the Association's intervention as long

as the adjustment is not inconsistent with the terms of this agreement. The Association shall have the opportunity to be present at the adjustment.

For those teachers who are to receive three (3) observations, the first of these observations shall be conducted on or before December 1, a second shall be conducted on or before March 1 and the final on or

Informal walkthroughs may be conducted at the discretion of the administration. Information, data or evidence gathered through these informal walkthroughs or other observations related to the member's professional obligations may be used in the evaluation process so long as such information, data or evidence is documented and shared with the teacher within seven (7) workdays of the occasion.

However, in an effort to ensure best practices, resources will be made available to teachers by either the evaluator or from other District personnel. If the teacher is absent during the seven (7)-day window, the administration shall schedule the conference for a reasonable date following his/her return, and this shall be deemed to comply with the deadline for the occurrence of the post-observation conference.

- G. Once the evaluation process is complete, the evaluation instrument shall be completed and presented to the unit member at the final evaluation conference. Although not inclusive, the final evaluation should reflect the observation reports/forms. The evaluation instrument shall not be changed following the final evaluation conference without consent of the teacher.

If a unit member believes the procedure established herein is not being complied with, he/she may notify the Superintendent or designee in writing of the belief and request a meeting with the Superintendent or his/her designee to discuss the matter, and where in the judgment of the Superintendent or his/her designee appropriate changes shall be made.

A Mentor Teacher shall not be requested or directed to make any recommendation regarding high stakes decisions of the mentee.
- M. The CPEA President/designee shall be provided an opportunity to give input on any changes in the evaluation instruments, forms and/or guidelines; however, the Superintendent's decision will be final.

O. Evaluation Instruments

All formal observation and evaluation reports shall be completed using the District-approved forms.

P. Teachers will not be negatively evaluated based on a refusal by a teacher to attend voluntary meetings outside the contractual workday or a refusal to contribute to a charity organization.

Q. The recommendation for the teacher's placement on an Improvement Plan shall be made by the evaluator of record following the receipt of an Ineffective rating on the final summative rating. The Improvement Plan will follow the OTES framework.

In the case of either an evaluatee's or evaluator's long-term absence, the evaluator's replacement shall continue the evaluation process and timelines may be extended by mutual agreement of the evaluator and evaluatee. In the case of the evaluatee's absence, the evaluation process and timelines shall be

extended by mutual agreement of the evaluator and evaluatee. If no mutual agreement is reached, the Association President and the Superintendent or their designees shall mutually establish new evaluation timelines.

  - c. Normal pregnancy does not fall within the definition of a catastrophic illness.
4. The decision to grant or deny any request shall not be subject to the grievance procedure. An individual may contact the Sick Leave Bank Committee for further explanation should they have no sick leave days; and/or to arrange for unique requirements for use of sick leave while in the Sick Leave Bank.

The member shall not receive sick leave days from the Sick Leave Bank if the absence pertains to workers compensation and/or disability retirement. This leave is not intended to substitute for Disability Retirement.

5. In order to participate in the Sick Leave Bank an eligible employee must irrevocably contribute at least one (1) sick leave day to the bank. Advanced sick leave days are not eligible for membership contribution to the sick leave bank. This sick leave day contribution does not count toward personal absences.

6. Members shall have two opportunities per year to enroll in the sick leave bank. The enrollment periods shall be October 1 to October 31 and March 1 to March 31. The employee's one-day contribution shall be deducted from the November (if enrolling in October) or April (if enrolling in March) sick leave day accrual and credited to the bank for that same month. . 12. An approval form will be provided by the Sick Leave Bank Committee. The form will require certification by a physician, as well as signature of receipt of approval form by the Treasurer's Office.

F. Sabbatical Leave

Teachers shall be eligible for sabbatical leaves after five (5) years in the system. The teacher must submit a plan for professional growth to the Superintendent for his approval before application is made to the Board. The difference in salary between a replacement and the regular teacher's salary shall be paid to the teacher on sabbatical leave. A teacher will accrue a year's experience and will agree to return to the system for one (1) teaching year after his/her

leave or refund the money paid to him/her by the Board while on leave. Final approval for sabbatical leave will rest with the Board.

G. Assault Leave

Such statements will indicate the nature of the injury, the date of its occurrence, the identity of the individual(s) causing the assault, the facts surrounding the assault and the willingness of the member to participate and cooperate with the Board in pursuing legal action against the assailant(s). If medical attention is required, the member shall supply a certificate from a licensed physician stating the nature of the disability and its duration.
2. Full payment for assault leave, less Worker's Compensation and any other financial remuneration, shall not exceed the member's per diem rate of pay and will not be approved

for payment unless and until the form and certificate, as provided above, are supplied to the Treasurer. Falsification of either the signed statement or a physician's certificate is grounds for suspension or termination of employment under Ohio Revised Code 3319.16.

3. Upon exhausting the assault leave, he/she may use sick leave. If sick leave and the assault leave, provided for herein, become exhausted, the member may apply for further assault leave. Whether such additional leave is granted shall be determined solely by the Board. Where the assaulted member becomes eligible for benefits under the State Teachers Retirement System because of any disability or because of age, or where the member's employment by this District ceases, this leave provision shall no longer apply.

#### H. Temporary Duty Plan

The principle purpose of this Temporary Duty Plan ("Plan") is to assist an expedited return of the bargaining unit member(s) to their original, prior to injury, status, as soon as possible, without jeopardizing the operations of the District or the safety of the employee. It is an interim step in the physical conditioning and recovery of a worker who has a work related injury.

1. The Plan shall be overseen by the Superintendent or designee who will coordinate the employee's participation in the Plan in accordance with the employee's limitations as set forth by the Managed Care Organization ("MCO") in consultation with the employee's physician and consistent with the

needs of the District and in accordance with the limitations of the Agreement or any laws or statutes that may apply. The District retains the sole right to:

- a. Determine those employees that shall be permitted to participate in the Plan.
  - b. Change the work hours and work location of any employee that has agreed to participate in the Plan and the set work hours and location for any employee that has agreed to participate in the Plan.
  - c. Determine the duration of the Plan which shall not exceed fifty (50) days.
2. Any employee who has been approved for a compensable lost time claim under Workers' Compensation is eligible to participate in the Plan.
  3. An employee wishing to participate in the Plan shall submit a request to participate to the Superintendent or designee. The MCO will provide the Superintendent or designee with a statement as to any and all limitations that need to apply for consideration of the employee's approval to participate in the Plan.
  4. When the Superintendent or designee determines a position exists for the injured worker to participate in the Plan (in keeping with the limitations as set forth by the MCO in consultation with the employee's physician), the Superintendent or designee shall reduce the offer to writing. The statement shall include the number of hours and days to be worked

per week and in total; actual times and location of the position; job description of the position; and hourly wage and benefits to be provided. A copy shall be sent to the appropriate Association President. The statement shall be submitted to the MCO for approval.

5. Subject to the conditions above and the approval of the MCO for the employee's participation in the Plan, the Superintendent or designee will give written confirmation of the reporting date and hours of work. The employee must respond to the Superintendent's or designee's written offer within five (5) work days. Failure of the employee to respond to the written offer within five (5) work days will be considered a rejection of the offer.
6. An employee participating in the Plan shall receive the same rate of pay as the employee was receiving at the time the employee left work because of the injury and will receive all other benefits afforded under the Agreement.
7. The eligible employee will be given a specific start and stop date for the transitional program. The period of time may be extended for special circumstances.
8. The District retains the exclusive right to determine the number of employees eligible to participate in the Plan. No employee will be permitted to participate in the Plan if there is an existing layoff in that area of certification/licensure of a senior person or if such participation would cause a layoff or reduction in hours for a senior, existing bargaining unit member.

9. The employee will be denied participation in the Plan if the MCO in consultation with the employee's physician determines the employee is physically unable to perform the duties of the position. Denial of participation in the Plan will not prohibit an employee from future consideration for participation, if so warranted.

- I. Family Medical Leave

1. Eligibility

- a. An eligible teacher may take up to twelve (12) consecutive work weeks of unpaid leave ("FMLA Leave") in any school year (July 1 to June 30) for one or more of the following circumstances:

- c. In cases in which the Board employs both the husband and wife, each is entitled to twelve (12) weeks of FMLA leave for the birth or placement of their child.
- d. This Article does not limit or enlarge entitlement to paid or unpaid leave for which a teacher is otherwise eligible under this agreement. However, if a teacher is entitled to and takes paid sick leave for any of the circumstances set forth in (a) (1)-(4) above, the leave will be treated as and counted against FMLA Leave available under this Article and the teacher must comply with the requirements of this Article.

2. Notice

- a. The teacher shall provide the Superintendent with no less than thirty (30) days prior written notice to take leave for the birth or placement of a child when the teacher's need for leave is foreseeable. If the teacher's need for leave is not foreseeable, written notice must be provided as far in advance as possible. Entitlement to leave for the

birth or placement of a child expires twelve (12) months after the date of birth or placement.

- b. Whenever the leave is necessitated by the serious health condition of the teacher or his/her family member, and is foreseeable based upon planned medical treatment the teacher shall provide the Superintendent with no less than thirty (30) days prior written certification issued by a health care provider to support her/his request for leave. If a teacher requires intermittent leave as set forth below, the teacher shall provide the Superintendent with no less than thirty (30) days prior written certification. If there is insufficient time to provide such notice because of the need for treatment, the teacher shall provide notice as early as possible.

3. Intermittent Leave and Reduced Work Schedule

- a. When medically necessary, a teacher may take intermittent FMLA Leave or a reduced work schedule to care for a spouse, child, or parent who has a serious health condition, or if the teacher has a serious health condition. The teacher shall make reasonable efforts to schedule treatment so as not to unduly disrupt the regular operations of the Board.
- b. If any teacher request intermittent leave or a reduced work schedule to care for the serious health condition of a family

member or for the teacher's own serious health condition, and the need for leave is foreseeable based on planned medical treatment, the Board may, in its discretion, temporarily transfer the teacher to an available alternate position with equivalent pay and benefits if:

- i. the teacher is qualified for the position, and
- ii. the position better accommodates recurring periods of leave.

4. Leave Near End of Semester

- a. If a teacher begins any FMLA Leave more than five (5) weeks prior to the end of a semester, the Board may require the teacher to continue taking leave until the end of the semester if:
  - i. the requested leave is of at least three (3) weeks duration and
  - ii. the return to employment would occur during the three (3) week period before the end of the semester.
- b. If a teacher begins FMLA Leave for purpose of the birth or placement of a child or in order to care for a spouse, child, or parent during the period that commences five weeks prior to the end of the semester, the Board may require the teacher to continue taking FMLA Leave until the end of the semester, if:

- i. the FMLA Leave is of greater than two (2) weeks duration and
  - ii. the return to employment would occur during the two-week period before the end of the semester.
- c. If a teacher begins FMLA Leave because of the birth or placement of a child or in order to care for a spouse, child or parent during the period that commences three (3) weeks prior to the end of the semester, and the duration of the leave is greater than five (5) working days, the Board may require the teacher to continue to take leave until the end of the semester.

5. Medical Opinion

The Board retains its right, at its own expense, to require the teacher to obtain the opinion of a second health care provider designated or approved by the Board. If the second opinion is in conflict with the first, the Board may require, at the Board's expense, that the teacher obtain the opinion of a third health care provider who shall be mutually agreed upon by the teacher and the Board. The third health care provider's opinion shall be final and binding regarding eligibility for a FMLA Leave.

6. Benefits

The Board shall maintain coverage under the group health plan for the duration of the FMLA Leave at the level and under the conditions that would have been provided if the teacher had continued to work and not taken leave.

Payment of the teacher's required contribution toward the premium must be made by the first day of each month. The teacher shall not accrue sick, vacation or personal leaves, or any other employment benefits during the leave period.

7. Return to Work

- a. When a teacher is medically able to return to work after a serious health condition, she/he shall provide the Board with a statement from her/his health care provider that the teacher is able to resume the job functions of her/his position.
- b. At the end of an FMLA Leave, the Board shall restore a teacher to employment within a reasonable time according to the conditions set forth in Section 4. No teacher shall be entitled to any greater rights, benefits or employment beyond that to which the employee would have been entitled had the teacher not taken FMLA Leave.
- c. Should a teacher not return to work at the end of the FMLA Leave for reasons other than the continuation, recurrence or onset of the serious health condition that gave rise to the leave or for circumstances beyond the teacher's control, the teacher shall reimburse the Board for the health insurance premiums paid by the Board during the FMLA Leave period. A teacher shall be required to support her/his claim of inability to return to work because of the

continuation, recurrence, or onset of the serious health condition. Certification from the teacher's health care provider shall be provided in a timely manner, no later than thirty (30) days after the claimed inability to return.

8. Construction

Any ambiguities in this Article shall be construed to provide the basic coverage required by the Family and Medical Leave Act. All terms which are not defined in this Article shall have the same meaning as those terms are defined in the Family and Medical Leave Act.

J. Benefits Following the Exhaustion of Sick Leave

1. When a bargaining unit member has exhausted accumulated sick leave and benefits, if any, remaining under the Family Medical Leave Act, and is still unable to return to work for health reasons, he/she shall be placed on extended medical leave without pay or benefits until able to return to work. Such leave shall not exceed two years, however it may at the discretion of the board be extended for up to two additional years.
2. Individuals electing to use this leave shall:
  - a. Be entitled to notification of the last day of paid leave and to the continuation of insurance coverage at Board expense until the end of the month of notification provided a doctor's excuse for continuing the leave is submitted promptly upon notification;

- b. Shall notify the Superintendent or designee in writing of the intent to use the leave within one week of learning sick leave has expired.
- c. Identify the anticipated duration of the leave;
- d. Unless already advanced in that contract year, be entitled to the advancement of five (5) days sick leave;

- g. Upon return from the unpaid leave of absence, be entitled to have the Board pay the insurance coverage provided the employee works at least one-half of the scheduled work days for the month.

## **ARTICLE XVIII - REDUCTION IN FORCE**

- A. Layoffs under Article XVIII should not be used in place of compliance with the provisions of Articles V (discipline) and VII (evaluation) except as set forth in this article. Reductions in force may be undertaken for the reasons set forth in ORC 3319.17.

In the event of a reduction in force or territorial changes affecting the District, the following procedure shall apply:

1. **Attrition**

Where known and where possible, the number of persons affected by a reduction in force (RIF) will be kept to a minimum by not employing replacements, insofar as practicable, for teachers who retire or resign or whose limited contracts are not renewed.

2. **Reduction Other than by Attrition**

To the extent that reductions are not achieved through attrition, and circumstances permit, reductions may be achieved by suspension of contract through application of the rubric. The Superintendent shall determine the specific areas of certification/licensure and the specialties, as well as the specific positions and/or work locations to be affected by the reduction in force.

At least one (1) week prior to the meeting of the Board of Education where action is taken on a reduction in force, the Superintendent and/or designee shall meet with the Association President or designee to discuss the pending reduction in force.

a. Seniority

i. Updated seniority lists shall be provided to the CPEA president by November 15<sup>th</sup> of each year. Seniority shall be determined by placing all teachers on seniority lists within their area or areas of certification/licensure giving preference, within each area of certification/licensure, first to teachers on continuing contracts, then to professionally or permanently certificated/licensed teachers or provisionally certified/licensed teachers on limited contracts, and finally to limited contract teachers with temporary or one-year vocational certification. However, this shall not be interpreted to conflict with the attached rubric for the purpose of implementing RIF. If two (2) or more teachers on any seniority list have the same length of continuous service, seniority shall be determined by:

- a) the date of the Board meeting at which the teacher was hired; and then by,
- b) the date on which the teacher submitted a completed job application; and then by,

- c) total teaching experience;  
and finally by,
- d) the decision of the  
Superintendent.

ii. Length of continuous service shall not be interrupted by authorized leaves of absence or time spent on the RIF list.

The layoff and recall of members shall be determined by application of the attached rubric. A member shall be considered for retention and/or recall in all areas of licensure held by that member based on application of the rubric.

A teacher shall not be selected for layoff based on race, color, national origin, citizenship status, sex, sexual orientation, economic status, age, disability, military status or ancestry.

b. RIF Lists

Teachers selected for suspension of contracts shall immediately be placed on a RIF list and such list shall be given to the Association. Teachers non-renewed for reasons other than those enumerated in the opening paragraph of this section shall not appear on this list. No new teachers shall be employed by the Board while there are teachers on the RIF list who are certified/licensed for any opening.

3. Recall

Recall shall be offered to the last teacher chosen for layoff in that area of licensure based on application of the rubric. A teacher, when on a recall list, who holds licensure in one or more other areas or who becomes certified/licensed in additional areas, shall not have bumping rights over a teacher currently employed but shall be added to the appropriate RIF list for recall purposes in the additional certification/licensure areas based on application of the rubric. Upon recall the teacher shall return with the contract status that they held at the time of the RIF.

a. Notice of Recall

If a vacancy becomes available, the Board shall recall the teacher to active employment status by giving written notice to the teacher. Said written notice shall be sent to the teacher by registered or certified letter addressed to the teacher's last known address. It shall be the responsibility of each teacher to notify the Board of any change in address. If the teacher fails to accept re-employment in writing, he/she shall be deemed to have rejected the offer and shall be removed from the RIF list. Written notice of acceptance of re-employment must be postmarked within ten (10) business days from the date notification was delivered but, if notification is delivered after August 15<sup>th</sup> or during the school year, notice of

acceptance must be postmarked within five (5) days of receipt of notification.

b. Time on RIF List; Status Upon Return

Each teacher shall remain on the RIF list for twenty-four (24) months from his or her last day of active service in the system, unless he or she fails to accept a recall or waives his/her recall rights to a full-time position in writing. A teacher who is recalled to regular full-time position shall be credited with sick leave accumulation and years of service for salary schedule placement he or she had prior to reduction.

c. If a teacher accepts a part-time position, he/she will still be eligible for any full-time position that becomes available for which he/she is certified/licensed and has seniority.

4. State and Federal Law

Exceptions to preference for retention or recall based on seniority may also be made when necessary to do so in order to comply with state and federal laws regarding employment.

5. Grievance Procedure

Only the procedure by which reduction in force is carried out shall be subject to the arbitration provisions of this agreement. Thus, for example, neither the reasons for RIF as determined by the board nor the teachers selected for layoff or recall based on

application of the rubric are subject to the arbitration provisions of this agreement.

6. Compliance with Law

Nothing contained herein shall abridge the Board's right to non-renew the limited contract of a teacher for reasons other than RIF in accordance with Ohio Revised Code 3319.11.

7. Where written notice is required pursuant to this section, it shall be the responsibility of the teacher to keep the Board informed of his/her current mailing address. If written notice fails for lack of a current mailing address, the Board's duty to provide notice shall be deemed satisfied.

B. Hourly-rated pre-school Teacher/Hourly-rated Tutor Reduction in Force

1. Section A above does not apply under this section. Hourly-rated pre-school teachers and hourly-rated tutors shall have seniority and bumping rights only within their respective hourly-rated classifications. When there is a reduction in the number of tutors and/or pre-schoolers, those with the least seniority in the classification being reduced shall be the first to be laid-off.

2. RIF Lists

Any such employee laid-off shall immediately be placed on a RIF list and such list(s) shall be given to the Association. No new employee shall be employed by the Board while there are properly certificated hourly-rated individuals on a RIF list.

3. Recall

Hourly-rated individuals shall be returned to active employment within their classification in the order of seniority to fill vacancies for which they are certified.

a. Notice of Recall

If a vacancy becomes available, within the appropriate classification the Board shall recall the employee to active employment status by giving written notice to said individual. Said written notice shall be sent to the employee by registered or certified letter addressed to the employee's last known address. It shall be the responsibility of each employee to notify the Board of any change in address. If the employee fails to accept re-employment in writing, he/she shall be deemed to have rejected the offer and shall be removed from the RIF list. Written notice of acceptance of re-employment must be postmarked within ten (10) business days from the date notification was delivered but, if notification is delivered after August 15th or during the school year, notice of acceptance must be postmarked within five (5) days of receipt of notification.

b. Time on RIF List; Status Upon Return

Each hourly-rated pre-school teacher/hourly-rated tutor shall remain on the RIF list for twenty-four (24) months from his or her last day of active service in

the system. An employee who is recalled shall be credited with sick leave accumulation and years of service for salary schedule placement he or she had prior to reduction.

The Board agrees to jointly developed rubric with revision of 0 for Ineffective, 25 for Developing and 50 for Accomplished or Proficient.

## ARTICLE XIX - SALARY

### A. Teacher's Salary

1. For the 2013-2014 school year, the B. A. Base Salary and Salary Schedules shall be predicated upon a base salary of \$33,620. For the 2014-2015 school year, the B. A. Base Salary and Salary Schedules shall be predicated upon a base salary of \$34,208. For the 2015-2016 school year, the B. A. Base Salary and Salary Schedules shall be predicated upon a base salary of \$34,738. Teachers may move on the educational columns.

### B. Longevity Increments

1. The following longevity increments shall be effective:

21st Step \$200.00

26th Step \$400.00

Beginning with the 2011-12 school year, no teacher shall be eligible for an additional longevity increment, provided that any such increments earned and paid through and including the 2010-11 school year shall continue to be paid.

In the event Ohio law prohibits continuation of the STRS "pickup on the pickup" provided for in Section XIX (G), the base salary shall be increased by.

Should state law change to reduce the Board's required contribution to STRS with respect to employees while increasing required employee contributions, an amount as determined below shall be added to the individual member's annual compensation. That amount shall be equal to the reduction in the required employer contribution less the added required employer contributions to STRS on that amount for retirement purposes. This provision is intended to insure that the Board's total expense regarding that employee's compensation and required STRS contribution is neither increased nor decreased.

2. Longevity increments shall be implemented as follows:
  - a. Normal progression through the salary schedule shall be deemed to mean movement through the schedule one

step at a time as current teachers complete a year of service under a contract consisting of no less than one hundred twenty (120) days of service.

- b. No teacher shall be eligible for longevity steps who has not already reached the maximum of the indexed salary schedule. All present teachers currently on a step of the indexed schedule shall continue to move one step at a time as described in the preceding paragraph.

C. Retirement Pay

1. Severance Pay

- a. The Board authorizes severance pay for all eligible teachers.
- b. An eligible teacher is interpreted to be a teacher who is presently employed by the Board and has earned and accumulated sick leave days. In order to be eligible, a teacher must make application on forms provided by the Board.
- c. The Board shall provide severance pay in an amount equal to one-fourth ( $\frac{1}{4}$ ) of the teacher's accumulated sick leave days up to a maximum accumulation of one hundred twenty (120) sick leave days.

- d. In addition, teachers who have accumulated more than one hundred twenty (120) days of unused sick leave shall be entitled to an amount equal to one-fifth ( $\frac{1}{5}$ ) of the days accumulated over one hundred twenty (120) to a maximum of two hundred eighty five (285) days. If, upon retirement, the teacher has the maximum amount of sick leave accumulated and unused, e.g., two hundred eighty five (285) days, he/she shall receive a credit of two (2) additional days of severance pay.
- e. The daily rate of pay will be based on the teacher's final annual salary for the last completed year of service prorated on the number of work days scheduled for the teacher during the same year.
- f. No teacher shall collect severance pay more than one (1) time.
- g. In the event a teacher dies after rights have vested under the STRS, severance pay will be paid to that teacher's estate.
- h. The severance payment provided in section B.1. above will be made in full on the next succeeding January.

2. Severance Pay Deferral Plan

Notwithstanding anything in this Agreement or Board policy to the contrary, in accordance with the terms of this agreement, and any related provisions of a plan document adopted by the Board to comply with the requirements

of Section 403(b) of the Internal Revenue Code (the "IRC") Covered Employees (as defined below) shall have their "Severance Pay" (as defined below) mandatorily paid into an annuity contract or custodial account that is designed to meet the tax-qualification requirements of IRC Section 403(b) (a "TSA"). This arrangement shall be referred to herein as the "403(b) Plan".

The terms of the 403(b) Plan shall include the following:

- a. Participation in the 403(b) Plan shall be mandatory for all Covered Employees. A Covered Employee is any member who meets both of the following requirements:

  - ii. The maximum contribution amount allowable under the terms of the 403(b) Plan.

- f. A Covered Employee under the 403(b) Plan may designate any TSA that has been approved by the Board to do business in the School District. A Covered Employee also may designate that the TSA that shall be used for the 403(b) Plan shall be the existing group annuity contract of AIG VALIC. A Covered Employee under the 403(b) Plan shall complete the TSA enrollment forms or other enrollment forms required to establish the TSA; and unless and until a teacher does so, no contribution of Severance Pay shall be made to the 403(b) Plan on behalf of the Covered Employee. by mutual agreement of the Board and the Association.

- g. If a member is entitled to have a contribution paid to the 403(b) Plan and dies prior to such contribution being paid to the 403(b) Plan, the contribution shall be paid in cash directly to a Beneficiary the employee designated under TSA; and if there is no such designee, it shall be paid to the estate of the deceased party.

Any member who is entitled to severance pay who is not an eligible participant in the 403(b) Plan will continue to be eligible for any and all severance payments in accordance with Article XIX(B)(1) or Article XIX(B)(2). The member may elect to defer such payments to a tax-sheltered annuity that is tax qualified under Internal Revenue Code Section 403(b) (a "TSA") as permitted by law and Board policy.

All contributions to the 403(b) Plan, all deferrals to a TSA, and all check payments to members, shall be subject to reduction for any tax withholding or other withholding that the Treasurer, in his/her sole discretion, determines is required by law. Neither the Board nor the CPEA guarantee any tax results associated with the 403(b) Plan, deferrals to a TSA or check payments made to a member.

  - c. All years of military service up to five (5) years. (For purposes of calculation, a particular year of active military service of eight [8] continuous months or more in the armed forces shall be counted as a full year.)
  - d. Years of service shall be the sum of all years of service in sub-paragraphs a, b and c above, except that a new teacher shall receive full credit for years earned up to a total of ten (10) years, consistent with Section 3317.14 of the Ohio Revised Code. Years earned beyond ten (10) years shall be credited at the discretion of the Board. Credit verification of experience and military service must be provided by the applicant.
  - e. Members on leaves of absence shall be granted credit as follows:

- i. Teachers on approved leaves of absence returning to the system are placed on the step of the salary schedule for which they qualify by reason of training and experience, including experience prior to original employment with the District and that which has been acquired in the District.
  - ii. Teachers do not accrue days of service for advancement on the schedule while on leave; however, any additional training obtained during a leave of absence would be applied for salary credit upon the return of the teacher.
- f. Teachers who return after resigning shall be granted credit as follows:
  - i. Any teacher who resigns and does not work for any other educational institution in the intervening period shall, upon re-employment, be returned to the salary schedule in the same manner as the teacher returning from a leave of absence.
  - ii. Any teacher who resigns and is subsequently employed by another educational institution is, upon re-employment, considered a teacher "new" to the District.

m. Hours earned following the MA shall be graduate credits earned following the receipt of the MA. Hours taken may be part of a graduate program leading to new certification in education or to an advanced degree in education, or be in the subject area of the teacher's certification. Approved workshops may also be applied for movement on the salary schedule.

i. For purposes of this article, when the Superintendent or designee receives official notification from a state recognized, four-year college or university that a teacher has satisfactorily completed all course work required to complete the master's degree as provided in paragraph j. above, the master's degree will be deemed to have been conferred as of the date of receipt of the notification by the Superintendent or designee.

ii. Hours earned following the completion of the course work which qualify the teacher for a master's degree shall be those as set forth in paragraph m. above in order to qualify for progression on the salary schedule.

iii. In the event that a master's degree is not subsequently conferred upon the teacher by the college or university sending

the notice as set forth above, or in the event that the master's degree is conferred upon the teacher based upon hours earned other than as indicated in the notice, then the teacher's placement upon the salary schedule will be corrected not later than one year from the date of the notice to reflect the actual degree status of the teacher. In the event that the correction set forth in the preceding sentence is made, then the affected teacher will indemnify and repay to the Board of Education any overpayment of salary received by the teacher as the result of his/her placement upon the master's level of the salary schedule. If appropriate, the Treasurer and a teacher may enter into an agreement for periodic salary deductions to repay the funds to the District.

Nature's Classroom – Seventy-five dollars (\$75)/overnight

Any assigned duty or position which requires regular meetings beyond the contractual school day may be paid a stipend in one installment at the completion of the assignment upon receipt by the Superintendent or designee of a letter from the building principal. Each building principal shall be allocated an amount based upon a percentage of the BA Step 1 as shown below for his/her respective building. The negotiated CPEA Principal Building Stipend Fund shall be shown in each principal's budget. Certified staff must be informed of all programs compensated by the Building Stipend Fund and given an opportunity to run or establish the program (if qualified) before the position(s) is offered to a non-bargaining unit member. Principals must provide a written report to their staff of how the Building Stipend fund was spent by May 15th of each year.

Category I	= High Schools	.12
Category II	= Middle Schools (6-7-8)	.10
Category III	= Elementary Schools (K-6)	.09
Category IV	= Middle Schools (7-8)	.08
	Elementary Schools (K-5)	.08
	Special Program: Early College High School	.08
Category V	= Early Childhood Kindergarten Center	.04

Those teachers now receiving special education class stipends for three hundred fifty dollars (\$350.00) per year, and those receiving special education resource stipends of five hundred dollars (\$500.00) per year, will continue to receive said stipend.

Middle school faculty managers are responsible for coordinating intramurals in their building.

A Standing Committee, co-chaired by the Superintendent or designee and the CPEA's Chairperson for Stipends, shall be formed to evaluate and discuss all non-athletic stipend positions, and requests. The committee shall be composed of no more than eight (8) members equally divided between CPEA and the administration. This committee shall meet a minimum of twice per year.

In selecting personnel to receive supplemental contracts for stipends, the Board shall consider certified personnel who apply and are qualified for the position. The Board has sole authority to determine who is qualified and to make the final selection.

#### Supplemental Duty Positions - Experience Step

1. Individuals employed under supplemental contracts will be paid according to placement on the supplemental duty schedule based upon the following factors:
  - a. "Years of experience" means years of experience in the Canton City Schools at a particular supplemental duty position and can be non-consecutive.
  - b. Years of experience do not accumulate except within a particular supplemental position. All individuals will be placed on the experience step which correlates to their total years of experience at that particular supplemental duty position.
  - c. Movement from a position of lesser to greater responsibility (e.g., assistant coach to head

coach) will place that individual Step One (1) of the salary index for the new position.

- d. If an individual moves from a position of greater to lesser responsibility within the same sport (i.e. varsity football coach to assistant football coach) the years of experience shall be carried over.
- e. Compensation will be the B.A. base salary in effect at the beginning of the supplemental duty contract year multiplied by the index for the position.

The Board has sole authority for establishing the positions for supplemental contracts and for determining those supplemental positions which are to be filled or eliminated.

\*Without coaching duties. The stipend will drop two percent (2%) for each sport coached.

Building stipend fund:

Monies in a building stipend fund that are unused shall be returned to the general fund at the close of the school year.

**ZERO TOLERANCE/DRUG-FREE WORKPLACE**

**Principles:**

1. The Board believes the abuse or illegal use of drugs is a national problem that seriously affects every worker. It adversely affects users, their families and friends and it also presents a threat to employers and employees in the workplace.
2. The Canton City School District is committed to providing a safe work environment, and fostering the health and well being of our employees. The abuse and illegal use of drugs jeopardizes this commitment and undermines our capacity to serve our students and community.
3. Therefore, the Board has developed this Drug-Free Workplace Policy, which we believe will best serve the interests of our employees, students and community. This policy is based upon our belief that our schools must be an environment free from the effects of drug abuse.
4. The Board also recognizes that if unattended, serious personal problems can adversely affect all aspects of a person's life, including the person's ability to effectively perform his or her job duties.
5. Therefore, early detection and treatment of serious personal problems are mutually beneficial to the employee and to Canton City Schools. The Board is committed to helping all regular employees through its Employee Assistance Program (EAP).
6. All employees are encouraged to become familiar with the policy. If there are any questions about the policy, please contact the Superintendent or designee.

Procedures:

1. A drug-free awareness program will be established to inform employees about:
  - a. the dangers of drug abuse;
  - b. the Board's commitment to maintaining a drug-free workplace;
  - c. information concerning the EAP; and
  - d. the penalties that may be imposed upon employees for drug abuse violations.
2. All staff members have a responsibility to make themselves familiar with, and abide by the laws of the State, the policies of the Board, the district-wide administrative regulations designed to implement them, and any collective bargaining obligations.
3. All employees are prohibited from the unlawful manufacture, distribution, dispensation, purchase, possession or use of a controlled substance in the workplace or on the job, or elsewhere.
4. All employees are prohibited from reporting to work or working under the influence of a controlled substance other than a prescription drug or nonprescription medication as described in paragraph 5 below and provided neither the prescription drug nor nonprescription medication interferes with the employee's ability to perform his/her job.
5. The possession and use of prescription or non-prescription medications are permissible, provided they are possessed and used for their intended purpose in accordance with a lawful prescription or consistent with standard dosage recommendations.

6. Employees are required to notify Canton City Schools (Superintendent or designee) of any criminal drug statute conviction or guilty plea no later than five days after such conviction or plea.
7. The EAP provides confidential assessment, referral and short-term counseling for employees who need it or request it in overcoming work-related and personal problems associated with drug use, alcohol use or other problems.
8. The Board encourages its regular employees to voluntarily seek assistance, on a confidential basis, through the EAP if drug use is a problem. A conscientious effort to utilize the EAP will not, by itself, jeopardize an employee's job. Utilization of the EAP, however, is not a means of avoiding the Canton City School District's standard disciplinary procedures. The Board expressly reserves the right to discipline employees, up to and including termination.
9. If an EAP referral to a treatment provider outside the EAP is given, the cost may be covered by the employee's medical insurance; if not, the cost of such outside services is the employee's responsibility.
10. It is a condition of employment that employees abide with the terms of this policy. Violation of these terms may result in termination of employment.

**DIRECT DEPOSIT**

A bargaining unit member can select direct deposit with only one financial institution and the total net pay will be electronically transmitted to one (1) designated account. The bargaining unit member is responsible for making arrangements with his/her financial institution for any distribution of funds to other accounts from the designated accounting.

**COMPREHENSIVE COLLABORATIVE AGREEMENT**

(Effective April 1, 1994)

AGREEMENT

among the

Canton Local Board of Education/Canton Local Education  
Association

Canton City Board of Education/Canton Professional  
Educators Association

Jackson Local Board of Education/Jackson Memorial  
Education Association

Lake Local Board of Education/Lake Local Education  
Association

North Canton City Board of Education/North Canton Education  
Association

Plain Local Board of Education/Plain Local Teachers  
Association

WHEREAS, the above named Boards of Education and  
Associations desire to participate in a Comprehensive  
Collaborative Program(s) to offer their students enhanced  
educational opportunities; and

WHEREAS, a Collective Bargaining Agreement exists  
between each of the Boards and the respective  
Associations, governing various terms and conditions of  
employment for the district employees; and

WHEREAS, the institution of these programs may change  
and/or affect certain of these terms and conditions of  
employment; and

WHEREAS, the parties desire to change certain terms and conditions of employment to facilitate the implementation of these programs; and

WHEREAS, this Agreement is being entered into by the parties in accordance with the provisions of their respective individual collective bargaining agreements, which permit the amendment and modification of those agreements;

NOW THEREFORE, the parties agree to the following:

1. An Oversight Committee shall be created. Each Association shall have, on the Oversight Committee, one (1) representative. Each of the Superintendents shall also be members. If an individual is unable to serve, the respective Association or Board shall name the replacement. The OEA Labor Relations Consultant for the respective Association shall be a non-voting member of the Committee.

The Committee shall meet to discuss issues and review decisions regarding any programs that are established pursuant to this Agreement. The Committee shall have the authority to tentatively agree to mid-term modifications in the collective bargaining agreements between each participating Association and Board of Education. Final in-term modifications of any collective bargaining agreement shall be subject to ratification by the individual on the Oversight Committee who represents the affected Association and Board.

The Committee also may agree to in-term modifications of this Agreement. Any such modifications must be the result of a majority vote of all of the Superintendents and a majority vote of all of the Association representatives on the Committee.

Any such modifications of collective bargaining agreements and/or of this Agreement, must be directly related to, and necessary to implement collaborative programs established pursuant to this Agreement.

2. A long-term non-certified instructor assigned to a Collaborative Program must begin working toward appropriate teacher certification.

Long-term shall be defined as an instructor who is employed for thirty (30) hours or more per week for more than two (2) years.

3. The remaining provisions of the individual collective bargaining agreements shall remain in effect unless otherwise changed by the terms of this Agreement or by negotiations for a successor contract between that individual Association and its respective Board of Education.
4. No member of the bargaining unit of any of the Associations will be laid off for the 1993-94 school year, due to the institution of collaborative program(s).
5. In the event that it becomes necessary to reduce the number of positions in a participating district after the 1993-94 school year, due to the establishment or implementation of a Collaborative Program, the following reduction and recall procedures shall apply:
  - a. If the establishment and implementation of a Collaborative Program may result in the reduction of a position in a participating school district, the proposed reduction shall first be reviewed by the Oversight Committee.
  - b. A teacher assigned to a position that is proposed for elimination, as a result of the establishment or implementation of a

collaborative program, shall first exercise any right of displacement (hereinafter referred to as "bumping") he may have in his employing school district (hereinafter referred to as the "home" district).

- c. Such teacher shall first bump a non-collaborative program teacher pursuant to the terms of the home district's collective bargaining agreement. If the teacher cannot bump a non-collaborative program teacher, the teacher may bump a collaborative program individual employed by the teacher's home district if the teacher possesses qualifications that are equal to the collaborative program individual. The determination as to equality of qualifications shall be made by the Superintendents on the Oversight Committee after review with the entire Committee.
- d. If a teacher assigned to a position proposed for elimination is not able to bump a teacher in his home district, the teacher shall be placed on a recall list in all his areas of certification in all the school districts that are participating in this Agreement. The teacher shall be placed on the recall lists in accordance with his seniority.

For purposes of this Agreement, seniority shall be defined as the teacher's length of continuous service from his initial date of hire with his home district. Approved leaves of absence granted a teacher shall not cause a break in continuous service for purposes of determining seniority under this Agreement. However, such leaves of absence shall not be counted toward continuous years of service for seniority purposes under this Agreement.

- e. If a teacher is recalled by a participating district, other than his home district, he shall be given the same credit for years of service for salary schedule and seniority purposes as if he were recalled by his home district.

Such teacher shall be assigned to (employed by) the recalling district only until such time as his home district has an opening for which the teacher is eligible. When such an opening occurs, the teacher will be assigned to (re-employed by) his home district with no break in seniority and with placement on the home district's salary schedule for all years of service in his home district, and all years of service, or fractions thereof, in the district to which he was originally recalled.

- f. If the district recalling the teacher and the recalled teacher agree that the teacher should remain an employee of the recalling district, the teacher's home district shall be so advised and the teacher shall be considered an employee of the recalling district. Such teacher shall relinquish his employment rights in his home district. Other than for salary schedule purposes, the teacher's seniority in his home district shall not be carried to the recalling school district.
- g. After all "bumping" has occurred under this section, the individuals that are to be reduced shall be accorded the same recall rights as identified herein.
- h. The recall list under this Section shall be maintained for three (3) years and shall survive the expiration of this Agreement or any collective bargaining agreement between an

Association and an employing board of education.

6. A procedure will be developed to solicit ideas and suggestions on potential collaborative programs from teachers in each of the districts. Once programs have been selected, appropriate staff will be involved in the development of the program(s). These procedures will be reviewed with the Oversight Committee.
7. Management retains the right to select staff for the Collaborative Programs under the following guidelines:
  - a. Prior to posting, management will determine qualifications for the position.
  - b. Vacancies shall be announced, in writing, to the district's staff and held open for at least five (5) weekdays. The five (5) day waiting period may be waived by a majority vote of the Superintendents where, due to unusual circumstances, a delay in filling a position might have a detrimental effect on the program.
  - c. All qualifications being equal, a currently employed certified member shall be assigned over a certified individual not currently employed by one of the districts or a non-certified employee.
  - d. Prior to staffing assignments, the Oversight Committee will meet and management will review proposed assignments and the rationale for such. The final decision on staff assignments and qualifications rests with management.

8. Certified individuals who are proposed for hire into a collaborative program, and who are not employees of a participating school district shall be hired by, and become employees of, a participating district.
9. Evaluation of teachers in this program shall be done by an individual(s) employed by one of the districts who is a party to this Agreement. The evaluator must be qualified to evaluate under 3319.111 O.R.C. The evaluation procedure shall be reviewed and approved by the Oversight Committee.
10. Length of year, day and evaluation procedures may vary for teachers assigned to a Collaborative Program(s) from that contained in this home district's collective bargaining agreement. Such decisions may be reviewed by the Oversight Committee.
11. The expiration of the collective bargaining agreement of any party to this Agreement shall not affect the terms and duration of this Agreement.
12. The existence of this Agreement shall not act as a contract bar under 4417.18(C) to any Association exercising their rights under 4417.14(D) (2).
13. If an Association, who is a party to this Agreement, exercises its right under 4417.14(D) (2), members of that bargaining unit assigned to collaborative programs under this Agreement shall perform their assigned duties for that program(s).
14. Any alleged violation, misinterpretation, misapplication and/or dispute arising under this Agreement shall be resolved using binding expedited arbitration. The parties agree to permanent arbitrator Robert Stein. The parties will not be under the auspices of the American Arbitration Association, but shall abide by their rules. The cost of the arbitrator

shall be borne equally by the parties to this Agreement.

In the event Robert Stein is unable or unwilling to serve, the parties shall agree on a replacement. If unable to agree, the services of the American Arbitration Association shall be utilized.

The decision to arbitrate an issue shall be made by a majority vote of the Association Presidents, if the moving party is the Association(s) and by a majority vote of the Superintendents if the moving party is the Board(s).

15. New parties may be added to this Agreement upon approval of a three-fourths ( $\frac{3}{4}$ ) vote of the voting members of the Oversight Committee.

The Superintendent of the new district shall be a member of the Oversight Committee. The Association representative from the new district shall be nominated by the Association subject to approval by majority vote of the Association representatives on the Oversight Committee.

The OEA Labor Relations Consultant for the new Association shall be a non-voting member of the Committee.

16. The duration of this Agreement shall be from April 1, 1994 through and including June 30, 2013. The terms of paragraph 5.h. shall be in effect as long as individuals remain on the recall list for the three (3) year period.

**MEMORANDUM OF AGREEMENT (ARTICLE VII)**

Re: Value Added Evaluation

The Board Team agrees, on behalf of all Canton Schools administrators, that "Value Added" data will not be incorporated in or used for purposes of preparing teacher evaluation during the life of this Contract, unless State or Federal law or State Minimum Standards are amended to require use of such data.

**MEMORANDUM OF AGREEMENT (ARTICLE X. P. AND X)**

RE: Health & Safety/Keys

CPEA and the Board agree that teaching and learning are best accomplished in a safe and healthy learning environment. A committee composed of 4 members appointed by the Superintendent, including the Business manager, and 4 members appointed by the CPEA president, shall meet on a monthly basis. The committee shall be charged with looking into and seeking ways to resolve health concerns raised by CPEA members. The CPEA and administration concern that a number of classrooms lack door locks and keys shall be referred to this committee as well. The committee may invite participation by others, including non-teaching personnel, in its meetings and activities. The Committee will submit an annual report to the CPEA President and Superintendent, which shall include recommendations for prioritization of projects and improvements. The committee's report for the 2006-07 school year shall include its recommendations for resolution of the keys' issue. A monthly report shall be given to the Labor Management Committee (LMC).

**MEMORANDUM OF AGREEMENT (ARTICLE XIX 3)**

RE: Severance Pay Deferral Plan

The parties agree to the following:

Article XIX 3. "Severance Pay Deferral Plan" provision of the negotiated agreement effective July 1, 2008 – June 30, 2011 is in conflict with certain laws and regulations. Article XXVI Conflict With Law makes this provision inoperable. Therefore, the parties have agreed to return to the previous contract language, changing from the Ohio Deferred Compensation System for severance pay back to a 403(b) plan for severance pay. This change has made modifications in the contract language necessary to comply with rules and regulations.

**MEMORANDUM OF UNDERSTANDING (PEEC)**

**between**

**Canton City School District Board of Education**

**and**

**Canton Professional Educators Association**

**Professional educator evaluation committee (peec  
pronounced as "peek")**

Superintendent agrees to form the Professional Educator Evaluation Committee (PEEC). The committee shall be comprised of current Canton City School District educators from the CPEA membership and administrators. Six (6) members of CPEA shall be appointed by the CPEA President after consulting with the Superintendent. Six (6) members of the committee shall be appointed by the Superintendent. The committee shall be co-chaired by a CPEA member and an individual appointed by the Superintendent or designee.

PEEC shall meet a minimum of four (4) times per year unless otherwise authorized by the Superintendent. PEEC shall cease to meet if it is determined by the members and approved by the Superintendent that there is no further need to meet.

PEEC shall exist for the duration of the current negotiated agreement and shall expire automatically upon the expiration of the current negotiated agreement. There shall be no expectation that PEEC will continue in the contract beyond the current negotiated agreement.

The Educator Evaluation Committee shall have the following charge:

1. PEEC will review, analyze and summarize the implementation of the Educator Evaluation procedure and framework adopted by the District. Within this review process, PEEC will assess the process for developing and implementing student learning objectives.
2. PEEC will compose a report which shall include the areas of successful implementation of the evaluation procedure and framework and recommendations, if necessary, to improve the implementation of the Evaluation procedure and framework.
3. PEEC will work to identify systemic, district-wide strengths (Areas of Reinforcement) and development needs (Areas of Refinement) and identify and recommend district-wide professional development opportunities.
