The Board hereby retains and reserves unto itself, without limitations, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Ohio, and of the United States, including, but without limiting the generality of the foregoing, all of the rights identified in Section 4117.08 of the Ohio Revised Code. These include:

- a. determine matters of inherent managerial policy, which include, but are not limited to areas of discretion or policy such as the functions and programs of the Board, standards of school services, its overall budget, utilization of technology, and the School District organizational structure;
- b. direct, supervise, evaluate and hire employees;
- c. maintain and improve the efficiency and effectiveness of Board operations;

The management rights set forth above shall not be subject to the arbitration procedure or otherwise except to the extent that they are limited by specific provisions of this Agreement. Failure to exercise a right or exercising it in a particular way shall not be deemed a waiver of any management right.

3. Failure to fill any vacancy shall not be considered a change in terms or conditions of employment.

#### **E. Procedures for Conducting Negotiations**

1. Negotiating Teams: The Board's designated negotiating team shall meet with the negotiating team designated by the Association for the purpose of discussion and reaching mutually satisfactory agreements.

2. Team Members: Each negotiation team shall have no more than six (6) members.

3. Observers: The parties may each have up to two (2) observers.

4. Opening Negotiations: A written request to begin negotiations may be submitted by the Association to the Board or by the Board to the Association. A mutually acceptable meeting date shall be set within five (5) school days of the request. In any given school year, such request shall be made on or before March 1. The team requesting that negotiations be opened shall, at the first meeting, specify in writing all issues proposed for discussion. The other team shall, no later than the second meeting, submit all additional issues upon which it wishes to negotiate. No new items may be added except by mutual consent of both parties. All necessary subsequent meetings shall be called at times mutually agreed upon by both teams.

5. Negotiation Procedures: The Board's designated negotiating team shall meet at mutually agreed upon places and times with the Association's negotiating team for the purpose of effecting a free exchange of facts, opinions, proposals, and counter-proposals in an effort to reach mutual understanding and agreement. Both teams agree to conduct such negotiations in good faith and to deal openly and fairly with each other on all matters. Following the initial meeting as described in item E. 4. above, such

additional meetings shall be held as the teams may require to reach an agreement on the issues. Meetings shall not exceed three (3) hours and shall be held at a time other than the regular school day, except by mutual consent of the negotiating teams.

10. Reaching Agreement: Tentative agreement on negotiated items shall be reduced to writing and initialed by the representatives of each team, but such initialing shall not be construed as final agreement.

"Tentative," as used herein, shall have the meaning ascribed by Webster's Third New International Dictionary. When consensus is reached covering the areas under discussion, the proposed agreement shall be reduced to writing, entitled Tentative Negotiated Agreement between North Canton Education Association and Board of Education of North Canton City School District, and submitted to the Association and the Board, respectively, for approval. Following approval by the Association and adoption by the Board, the agreement becomes binding on both the Association and the Board.

11. Resolving Differences: If at any point in the negotiations, the parties to this agreement fail to reach a mutual understanding regarding matters related to wages, hours, terms and other conditions of employment and the continuation, modification, or deletion of an existing condition of this agreement, and the deadlock arising cannot be resolved by the efforts of the Board and the Association alone, either party may declare that an impasse exists and the following procedure shall be implemented:

(a) Within three days of the declaration of impasse, either party may request the services of the Federal Mediation and Conciliation Services to mediate the dispute.

This alternate dispute resolution procedure shall supercede and replace all statutory dispute

resolution procedure in 4117. ORC. The State Employment Relations Board shall have no authority to alter, modify or replace the parties mutually agreed to procedure.

The Association retains its right to strike under the procedures contained in 4117 ORC.

1. To serve as a tool to advance the professional development of teachers.
2. To give evidence of performance.
3. To assist teachers and administrators in identifying and developing best educational practices in order to provide the greatest opportunity for student learning and achievement.

A determination of the efficiency and effectiveness of the teaching staff is a critical factor in the overall operations of the District. The Board directs the Superintendent/designee to implement this policy in accordance with State law.

Student growth is evaluated by a combination of: (1) Value-added data or alternative student academic progress measure if adopted under ORC 3302.03(C) (1) (e); (2) ODE approved assessments and/or (3) Board-determined measures. When available, value-added data or an alternative student academic progress measure if adopted under ORC 3302.03(C) (1)(e) shall be included in the multiple measures used to evaluate student growth in proportion to the part of the teacher's schedule of courses or subjects for which the value added progress dimension is applicable.
2. Until June 30, 2014, if a teacher's schedule is comprised only of courses or subjects for which value added data is applicable, the majority of the student growth factor of the evaluation shall be based on the value added progress dimension. On or after July 1, 2014, the entire student academic growth factor of the evaluation for such teachers shall be based on the value added progress dimension as approved by the Ohio Department of Education.
3. In calculating student academic growth for an evaluation, a student shall not be included if the student has 45 or more excused or unexcused absences for the school year (ORC 3319.112)

#### Evaluation Timeline

1. District administrators evaluate teachers annually. Annual evaluations include two formal observations at least 30 minutes each and periodic classroom walkthroughs. Evaluators will conduct pre and post conferences for each formal observation. Walkthroughs will be at least five minutes but no more than twenty minutes in duration. All walkthroughs will be conducted using the same tools.

2. Teachers, who are on limited or extended limited contracts pursuant to State law and under consideration for nonrenewal, receive at least three formal observations during the evaluation cycle.
3. All teacher evaluations are completed by May 1. Teachers evaluated under this policy are provided with a written copy of their evaluation results by May 10. The board evaluates teachers receiving effectiveness ratings of accomplished on those teachers' most recent evaluations carried out under this policy every two years. Biennial evaluations conducted under this policy are completed by May 1 of the evaluation year.

Teachers evaluated on a biennial basis are provided a written copy of their evaluations result by May 10 of the evaluation year.

2. A teacher newly employed or one reassigned after the beginning of the work year shall be notified by the evaluator of the evaluation procedures in effect. Such written notification shall be within two (2) weeks of the first day in a new assignment.

#### Testing for Ineffective Teachers in Core Subjects

have received a rating of Ineffective for two of the three most recent school years must register for and take all written examinations of content knowledge selected by the Ohio Department of Education.

2. If a teacher who takes a written examination passes and provides proof of that passage to the Board, the Board shall require the teacher, at the teacher's expense, to complete professional development that is targeted to the deficiencies identified in the teacher's evaluation. The receipt by the teacher of a rating of Ineffective on the teacher's next evaluation after completion of the professional development, or the failure of the teacher to complete the professional development, shall be grounds for termination of the teacher under section 3319.16 of the Revised Code.

#### Retention and Promotion

1. The Board uses evaluation results for retention and promotion decisions. The Board adopts procedures for use by district administrators in making retention and promotion decisions based on evaluation needs. Promotion does not include the awarding of administrative positions.
2. Seniority shall not be the basis for making retention decisions, except when choosing between teachers who have comparable evaluations. Only teachers who are designated as Accomplished, Skilled, or Developing shall be considered as comparable.
3. Staff members who will not be recommended by the Principal or Superintendent for a new contract will be notified at least twenty (20) days prior to the non-renewal action by the Board.

### Poorly Performing Teachers

1. The Board uses evaluation results for removing poorly performing teachers. A teacher who, after receiving an Ineffective rating for a period of no less than two out of the last three years, and who completes a remediation plan during the ensuing year continues to receive an overall summative rating of Ineffective. This will include, but is not limited to, the number of observations, pre-observation conference information, post-observation reporting, walk-through procedures and protocols, etc.
2. The Procedural Committee will make guideline recommendations to the superintendent by the end of the second Friday in September each year. The procedural committee will be compensated at the appropriate hourly stipend rate.

3. Teacher awareness and training in the process will be completed no later than the third Friday of September, or in the case of a new mid-year teacher, no later than thirty (30) days after the initial employment with the district, at board expense, for all credentialed evaluators and all teachers prior to the implementation of the evaluation procedure.
4. Training in the teacher evaluation procedure will occur annually and shall include the tools, processes, methodology, and the use of student growth measure data.

#### Completion of Evaluation Cycle

1. The summative evaluation of a teacher shall be based upon student growth measures resulting from assessments that were administered in the previous year for teachers receiving teacher level value added reports or SLO data for the current school year for all other teachers and performance that is assessed during the walkthroughs and formal observations that are conducted for the current school year.
2. The Board shall evaluate each teacher assigned an evaluation rating of Accomplished on the Teacher's most recent evaluation conducted under this article once every two school years. In that case, the biennial evaluation shall be completed by the first day of May of the applicable school year, and the teacher shall receive a written report of the results of the evaluation by the tenth day of May of that school year.

The RIF will be applied to the entire position held by an individual at the time of the RIF, although the Board may thereafter recall any individual to part of the position previously held (that is, less than full-time) or to part of some other vacant position for which the individual is certificated.

However, any individual recalled to a part-time position shall remain on the recall list for a full-time position.

The Labor Management Committee will be involved in initial discussion and discussions as they progress relating to any "staff reorganization" or "curriculum changes".

**B.** The definition of "decrease in enrollment" contained in ORC 3319.17 and referenced in this article shall be defined as follows:

1. For the 2012-13 school year, the decline in enrollment will be the difference between the enrollment in 2012-13 and that during the 2007-08 school year (using the October ADM Reports):

2007-08 Enrollment	4942
2008-09 Enrollment	4937

2010-11 Enrollment	4795

2. The number of individuals exposed to RIF will be 11 for the 2013-14 year.

3. The 11 will be adjusted each of the following 2 years by dividing the current enrollment change (i.e., 2013-14 compared with 2012-13, 2014-15 compared with 2013-14, by 25 and either increasing or decreasing depending on each year's enrollment change.

Should a tie occur in determining seniority, the tie shall be broken by the date of official Board action taken with respect to employment and then by the actual days worked including professional leave days.

2. Updated seniority list shall be available upon request in each building and a copy provided to the Association President by November 15<sup>th</sup> of each year. It is the responsibility of the individual to notify the employer of any inaccuracies in the seniority list by December 15<sup>th</sup> of each year.

3. It is the individual's responsibility to see that all of his/her certificates are in his/her personnel file in the central office.

The Superintendent or his/her designee shall provide the Association President with a "reduction list" at least fourteen (14) days prior to the Board meeting at which the Board votes on the reduction.

4. The Board shall proceed to suspend contracts in accordance with the recommendation of the superintendent who shall, within each teaching field affected, give preference to teachers on continuing contracts. The board shall not give preference to any teacher based on seniority, except when making a decision between teachers who have comparable evaluations. (note: 3319.17)

Effective only from July 1, 2013 – June 30, 2015:  
During the term of this Contract, classroom teachers with summative evaluation ratings of Accomplished, Skilled, or Developing shall be considered to have "comparable" evaluation results. Classroom teachers with a summative evaluation rating of Ineffective shall be considered to have "comparable" evaluation results.

Seniority shall never be used for Ineffective teachers.

**F.** An individual whose job is to be eliminated shall be notified by certified mail and/or receipted methods.

**G.** The Superintendent or his/her designee shall provide the Association President with a final "seniority list" prior to the implementation of a reduction in force. This list shall be prepared in the following manner:

All individuals shall be listed by:

1. Contract status (i.e. limited or continuing)
2. Years of experience (seniority) in N. Canton City Schools
3. All areas of certification on file with the district

**H.** An individual whose name appears on the RIF list shall be offered re-employment when a position becomes available for which he or she is certified. Such individuals shall be recalled in descending order of seniority with continuing contract individuals being recalled first followed by fully certificated limited contract individuals. No new individuals shall be employed by the Board while there are continuing and limited contract individuals on the RIF list who are certificated for any opening of a teaching position. Nothing herein shall prevent the Board from reassigning existing staff to the subject areas of individuals on the recall list.

I. Individuals being recalled shall be notified by certified mail and shall have ten (10) calendar days from the date of receipt to respond affirmatively in writing. It shall be the individual's responsibility to make appropriate arrangements for forwarding or receipt of mail if he/she will be away from his/her address for more than five (5) calendar days.

J. If the individual fails to respond in writing in the affirmative upon recall, he/she shall be removed from the recall list, and the Board of Education shall have no further obligations to him/her.

K. The recall list shall be maintained for two (2) years from the date the employee became unemployed.

L. Individuals on the recall list may continue to participate in the insurance programs upon payment to the Treasurer of the monthly premiums thirty (30) days in advance of the Board's premium due date(s).

M. Vocational: The Cooperative Agreement will be placed in a MOU.

**N. ISGIs**

The provisions of this Article shall apply to ISGIs (paid hourly), except that a separate seniority (for Accomplished, Skilled and Developing teachers) and recall list (for continuing contract teachers) shall be used listing those individuals holding ISGI positions.

The provisions of 3319.17 O.R.C. shall not apply to ISGIs (paid hourly). However, if the Board of Education reduces the number of ISGIs, individuals holding continuing contracts shall be the last ones suspended in order of seniority for Accomplished, Skilled and Developing teachers.

**O. Non-Public Schools**

If the board is notified by the non-public school of its intent to reduce the number of teachers or to reduce the number of hours assigned, teacher(s) so affected will be assigned to the first vacant position in the city schools for which he/she is certified and on the same salary schedule as other members of the bargaining unit in the same position to the extent necessary to restore the prior contract status. If no such position is immediately available, and the teacher has a continuing contract and is Accomplished, the teacher shall be placed on a recall list.

If any member of the bargaining unit assigned to a city school is involuntarily transferred to a non-public school, the individual, in the event of a reduction in force, retains the same RIF rights, if any, he/she would have had if there had been no transfer.

COMPREHENSIVE COLLABORATIVE  
AGREEMENT RENEWAL

among the

Lake Local Board of Education / Lake Local Education Association

North Canton City Board of Education / North Canton Education Association

Plain Local Board of Education / Plain Local Teachers' Association

Jackson Local Board of Education/Jackson Memorial Education Association

Canton City Board of Education/Canton Professional Educators' Association

WHEREAS, the above named Boards of Education and Associations desire to participate in a Comprehensive Collaborative Program(s) to offer their students enhanced educational opportunities; and

WHEREAS, a Collective Bargaining Agreement exists between each of the Boards and the respective Associations, governing various terms and conditions of employment for the district employees; and

WHEREAS, the institution of these programs may change and/or affect certain of these terms and conditions of employment; and

WHEREAS, the parties desire to change certain terms and conditions of employment to facilitate the implementation of these programs; and

WHEREAS, this Agreement is being entered into by the parties in accordance with the provisions of their respective individual collective bargaining agreements, which permit the amendment and modification of those agreements;

NOW THEREFORE, the parties agree to the following:

1. An Oversight Committee shall be created. Each Association shall have, on the Oversight Committee, one (1) representative. Each of the Superintendents shall also be members. If an individual is unable to serve, the respective Association or Board shall name the replacement. The OEA Labor Relations Consultant for the respective Association shall be a non-voting member of the Committee.

The Committee shall meet to discuss issues and review decisions regarding any programs that are established pursuant to this Agreement. The Committee shall have the authority to tentatively agree to mid term modifications in the collective bargaining agreements between each participating Association and Board of Education. Final in-term modifications of any collective bargaining agreement shall be subject to ratification by the individual on the Oversight Committee who represents the affected Association and Board.

The Committee also may agree to in-term modifications of this Agreement. Any such modifications must be the result of a majority vote of all of the Superintendents and a majority vote of all of the Association representatives on the Committee.

Any such modifications of collective bargaining agreements and/or of this Agreement, must be directly related to, and necessary to implement collaborative programs established pursuant to this Agreement.

2. A long-term non-certified instructor assigned to a Collaborative Program must begin working toward appropriate teacher certification.

Long-term shall be defined as an instructor who is employed for thirty (30) hours or more per week for more than two (2) years.

3. The remaining provisions of the individual collective bargaining agreements shall remain in effect unless otherwise changed by the terms of this Agreement or by negotiations for a successor contract between that individual Association and its respective Board of Education.

4. No member of the bargaining unit of any of the Associations will be laid off for the 1993-94 school year, due to the institution of collaborative program(s).

5. In the event that it becomes necessary to reduce the number of positions in a participating district after the 1993-94 school year, due to the establishment or implementation of a Collaborative Program, the following reduction and recall procedures shall apply:

a. If the establishment and implementation of a Collaborative Program may result in the reduction of a position in a participating school district, the proposed reduction shall first be reviewed by the Oversight Committee.

b. A teacher assigned to a position that is proposed for elimination, as a result of the establishment or implementation of a collaborative program, shall first exercise any right of displacement (hereinafter referred to as "bumping") he may have in his employing school district (hereinafter referred to as the "home" district).

c. Such teacher shall first bump a non-collaborative program teacher pursuant to the terms of the home district's collective bargaining agreement. If the teacher cannot bump a non-collaborative program teacher, the teacher may bump a collaborative program individual employed by the teacher's home district if the teacher possesses qualifications that are equal to the collaborative program individual. The determination as to equality of

qualifications shall be made by the Superintendents on the Oversight Committee after review with the entire Committee.

d. If a teacher assigned to a position proposed for elimination is not able to bump a teacher in his/her home district, the teacher shall be placed on a recall list in all his/her areas of certification in all the school districts that are participating in this Agreement. The teacher shall be placed on the recall lists in accordance with his/her seniority.

For purposes of this Agreement, seniority shall be defined as the teacher's length of continuous service from his/her initial date of hire with his home district. Approved leaves of absence granted a teacher shall not cause a break in continuous service for purposes of determining seniority under this Agreement. However, such leaves of absence shall not be counted toward continuous years of service for seniority purposes under this Agreement.

e. If a teacher is recalled by a participating district, other than his home district, he shall be given the same credit for years of service for salary schedule and seniority purposes as if he were recalled by his home district.

Such teacher shall be assigned to (employed by) the recalling district only until such time as his home

district has an opening for which the teacher is eligible. When such an opening occurs, the teacher will be assigned to (re-employed by) his home district with no break in seniority, and with placement on the home district's salary schedule for all years of service in his home district, and all years of service, or fractions thereof, in the district to which he was originally recalled.

f. If the district recalling the teacher and the recalled teacher agree that the teacher should remain an employee of the recalling district, the teacher's home district shall be so advised and the teacher shall be considered an employee of the recalling district. Such teacher shall relinquish his employment rights in his home district. Other than for salary schedule purposes, the teacher's seniority in his home district shall not be carried to the recalling school district.

g. After all "bumping" has occurred under this section, the individuals that are to be reduced shall be accorded the same recall rights as identified herein.

h. The recall list under this Section shall be maintained for three (3) years and shall survive the expiration of this Agreement or any collective bargaining agreement between an

Association and an employing board of education.

6. A procedure will be developed to solicit ideas and suggestions on potential collaborative programs from teachers in each of the districts. Once programs have been selected, appropriate staff will be involved in the development of the program(s). These procedures will be reviewed with the Oversight Committee.

7. Management retains the right to select staff for the Collaborative Programs under the following guidelines:

a. Prior to posting, management will determine qualifications for the position.

b. Vacancies shall be announced, in writing, to the districts' staff and held open for at least five (5) weekdays. The five (5) day waiting period may be waived by a majority vote of the Superintendents where, due to unusual circumstances, a delay in filling a position might have a detrimental effect on the program.

c. All qualifications being equal, a currently employed certified member shall be assigned over a certified individual not currently employed by one of the districts or a non-certified employee.

d. Prior to staffing assignments, the Oversight Committee will meet and management will review proposed assignments and the rationale for such. The final decision on staff assignments and qualifications rests with management.

8. Certified individuals who are proposed for hire into a collaborative program, and who are not employees of a participating school district, shall be hired by, and become employees of, a participating district.

9. Evaluation of teachers in this program shall be done by an individual(s) employed by one of the districts who is a party to this Agreement. The evaluator must be qualified to evaluate under 3319.111 O.R.C. The evaluation procedure shall be reviewed and approved by the Oversight Committee.

10. Length of year, day and evaluation procedures may vary for teachers assigned to a Collaborative Program(s) from that contained in their home district's collective bargaining agreement. Such decisions may be reviewed by the Oversight Committee.

11. The expiration of the collective bargaining agreement of any party to this Agreement shall not affect the terms and duration of this Agreement.

12. The existence of this Agreement shall not act as a contract bar under 4117.18 (C) to any Association exercising their rights under 4117.14 (0) (2).

13. If an Association, who is a party to this Agreement, exercises its right under 4117.14(0)(2), members of that bargaining unit assigned to collaborative programs under this Agreement shall perform their assigned duties for that program(s).

14. Any alleged violation, misinterpretation, misapplication and/or dispute arising under this Agreement shall be resolved using binding expedited arbitration. The parties agree to permanent arbitrator Robert Stein. The parties will not be under the auspices of the American Arbitration Association, but shall abide by their rules. The cost of the arbitrator shall be borne equally by the parties to this Agreement.

In the event Robert Stein is unable or unwilling to serve, the parties shall agree on a replacement. If unable to agree, the services of the American Arbitration Association shall be utilized.

The decision to arbitrate an issue shall be made by a majority vote of the Association Presidents, if the moving party is the Association(s) and by a majority vote of the Superintendents if the moving party is the Board(s).

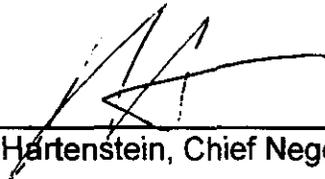

15. New parties may be added to this Agreement upon approval of a three-fourths (3/4) vote of the voting members of the Oversight Committee.

The Superintendent of the new district shall be a member of the Oversight Committee. The Association representative from the new district shall be nominated by the Association subject to approval by majority vote of the Association representatives on the Oversight Committee.

The OEA Labor Relations Consultant for the new Association shall be a non-voting member of the Committee.

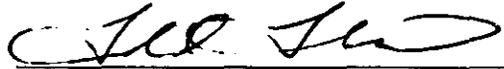

16. The duration of this Agreement shall be from July 1, 2013 through and including June 30, 2016. The terms of paragraph 5. h. shall be in effect as long as individuals remain on the recall list for the three (3) year period.
