ARTICLE II
GRIEVANCE PROCEDURE

Definitions

- A. A "grievance" is a complaint involving the alleged violation, misinterpretation or misapplication of this Agreement between the Association and the Board of Education.
- B. A "grievant" is a teacher, group of teachers, or the Association alleging a violation, misinterpretation or misapplication of this Agreement has actually occurred. A grievance alleged by a group shall have arisen out of identical circumstances affecting each member of the group. A grievance filed by the Association shall identify the individual or class allegedly impacted by the violation, misinterpretation and/or misapplication of this Agreement.
- C. A 'day' shall be defined as any teacher work day scheduled under Article IV, Section M of this Agreement, excluding any calamity day on which school is not in session, and, during the summer recess, any day on which the Board offices are open for business.

Step 1

Within fifteen (15) days from the date of the event giving rise to a grievance, the grievant shall request an informal meeting with his/her principal for the purpose of resolving the matter. The grievant shall indicate that the discussion will pertain to a possible grievance. If the grievant fails to request such meeting within fifteen (15) days after he/she knew or should have known of the act or condition on which the grievance is based, the grievance shall be considered waived.

Step 2

If the grievance is not resolved at Step 1, the grievant shall, within five (5) days of the informal meeting, present his/her principal with a written explanation of the grievance on the prescribed form (Appendix A), citing the specific section of this Agreement that has been violated and the relief sought. If no written grievance is made within five (5) days after the discussion, it shall be presumed that the grievance is resolved. Within five (5) days of the receipt of such claim, the principal shall hold a conference if the principal determines it necessary. Within five (5) days of the conference, or receipt of claim if no conference, the principal shall indicate his/her disposition of the grievance in written form, one copy of which will be sent to the grievant and a copy will be sent to the District Superintendent and the Association.

Step 3

If the grievant is not satisfied with the written disposition of the principal, he/she shall, within five (5) days of receipt of the disposition, send a written request for a conference before the District Superintendent or designee. In addition to the request, the grievant shall include a written explanation of the grievance citing the specific section of this Agreement that has been violated and the relief sought.

Both the grievant and the Superintendent or designee may have a representative of his/her choice present at the conference. The conference will be held within ten (10) days of the Superintendent's receipt of the request. The Superintendent or designee will render a decision on the grievance within five (5) days after the close of the conference. The action taken will be reduced to writing and copies sent to the grievant, the principal, the Board President and the Association President.

Step 4

If the grievant is not satisfied with the written disposition of the Superintendent at Step 3, or if no decision has been rendered within ten (10) work days after he/she has met with the Superintendent, such grievant may appeal in writing to the Board. The notice of appeal shall be sent to the Superintendent and a copy filed with the Treasurer of

the Board. Failure to file such appeal within five (5) days from receipt of the written memorandum of the Superintendent's action on the grievance shall be deemed a waiver of the right of appeal. The Superintendent shall place the matter on the agenda for the next regularly scheduled meeting of the Board. The aggrieved employee shall have the right to be represented at such meeting by a representative of his employee organization, and such meeting shall be held in executive session.

The Board shall act upon such appeal no later than its next regular meeting. The Board shall render a written decision to the grievant within ten (10) days of the hearing. No grievance shall be submitted to arbitration without the consent of the Association.

Step 5

If the aggrieved person is not satisfied with the disposition of his/her grievance at Step 4, the Association may within fifteen (15) days after a decision by the Board, submit the grievance to binding arbitration by filing a written demand with the American Arbitration Association and furnishing a copy to the Superintendent. Except as otherwise expressly provided in this Agreement, the arbitration will be conducted in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association in effect at the time (hereinafter referred to as the "AAA Rules").

The parties will be bound by the AAA Rules in the selection of an arbitrator.

The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any terms of the written provisions of this Agreement, nor shall he/she make any decisions contrary to law.

The arbitrator's expenses shall be borne by the losing party. The arbitrator shall determine which party is the loser as part of his opinion and award. If the arbitrator determines to split the award, the arbitrator's expenses shall be shared by the parties.

Should either party request a transcript of the proceedings, then the party requesting the transcript bears the full cost for the transcript. Should both parties order a transcript, then the cost of the two (2) transcripts will be divided equally between the parties.

Rights of Teacher to Representation

- A. No reprisals or reprimand will be taken against the grievant or parties dealing with a grievance by the administration, Board, Association or certified staff.
- B. A grievant may be represented at all steps of the procedure by himself/herself and/or be accompanied by an Association representative of their choosing. If an Association representative is requested at step 1, it is understood that the representative will be a Board employee and that the meeting will occur at a mutually agreeable time, within the Step 1 time limit, that does not disrupt the employee's work duties.

Miscellaneous

Since it is important that grievances be processed as rapidly as possible, the time table at each level should be considered maximum. The time limits may, however, be extended by mutual agreement.

If a grievance is not acted upon within the stated or mutually agreed to time limits, the grievance goes to the next step or ends depending who had lack of action.

No documents, communication, and records dealing with the processing of a grievance will be filed in the teacher's personnel file.

All notices of conferences, meetings and dispositions of grievances, written grievances and appeals shall be in writing and hand delivered or mailed with return receipt requested.

Should any bargaining unit member need to use planning time for participation in a grant and as approved by the grant coordinator, said members shall be reimbursed at the rate indicated in Article IV, Section W, paragraph 4, for each planning period used, if grant monies are available.
2. Any meetings held in which release time is not available, attendance by the membership will be on a volunteer basis.

Y. Calamity Days

If any school building is closed for calamity such as illness, disease epidemic, hazardous weather conditions, law enforcement emergencies, inoperability of school busses or other equipment necessary to the school's operation, damage to a school building, other temporary circumstances due to utility failure rendering the school building unfit for student use, teachers shall not be required to report for work on that day but shall receive their regular salary and fringe benefits. Should the total number of days the school was actually open for instruction with pupils in attendance and for individualized parent-teacher conferences and reporting periods be less than 175 days, these days under 175 shall be rescheduled at the end of the school year only prior to June 30. This shall not include the make-up of any additional calamity days granted by the legislature due to unique situations as in 1994. These additional granted days shall not be made up.

Z. Flexible Work Schedule

Bargaining unit members who choose to report to work earlier than the normal bargaining unit member work schedule, with approval of the building principal, shall be permitted to leave at the end of the student school day as long as the total number of work hours is not reduced below those of other bargaining unit members in the building.

AA. Lesson Plans

Teachers will show evidence of daily lesson planning, written in a format of the individual teacher's choice, that are designed for the teacher's use. Lesson plans will contain the following components: (1) State Standards / Learner Outcomes or Course of Study; (2) Objective stated in terms of what the student should learn; (3) Strategies; and (4) Assessment, which will be labeled. Lesson plans are to be submitted weekly (except for those weeks limited by this Agreement); specifically, lesson plans will be available to the building principal, upon request, by 8:00 a.m. of the first day of the student's week and filed with the principal's office by the end of the teacher's planning / conference time on that day (by the end of the teacher's day if the teacher has no planning / conference time during the day). Lesson plans are not required for the week before and the week after the end of grading periods.

BB. Communicable Diseases

Subject to any legal requirements that may apply, if a student is infested with lice or known to have a communicable disease that poses a health risk to others, the staff members who supervise the student will be informed of that fact immediately and, in light of the particular circumstances, appropriate steps will be taken to remove the student from the classroom.

ARTICLE V
INDIVIDUAL RIGHTS

- A.** Neither the Board nor the Association shall discriminate against bargaining unit personnel on the basis of race, color, creed, age, national origin, sex, handicap, religion, or for the exercise of rights.
- B.** The Board recognizes the civil rights of all members of the bargaining unit. The Board also recognizes the individual rights and freedoms granted teachers by the Constitution and will abide by all laws that pertain to the teacher(s) it employs.

Section C is applicable only to the following three (3) recognized individual rights:

1. The right to join and participate in civic or professional organizations on one's personal time.
 2. The right to participate in political functions on one's personal time.
 3. The right to privacy and recognition that one's personal life is not a condition of employment, unless it interferes with the effective performance of professional duties.
- C.** Any discipline or reprimand then shall occur only after the teacher is made aware in writing of the condition and is given no less than ten (10) calendar days in advance for the opportunity to provide information. The involved teacher shall be granted a conference and/or hearing upon written request.

ARTICLE VI
EVALUATION

A. Evaluation has for its primary objective the strengthening of instructional service. Effective evaluations will require a serious nature and cooperative approach on the part of all involved.

B. Application

This policy applies to the following employees of the District:

1. Teachers working under a license issued under Sections 3319.22, 3319.26, 3319.222 or 3319.226 of the Ohio Revised Code (ORC) who spend at least 50% of their time providing content-related student instruction; or
2. Teachers working under a permanent certificate issued under ORC 3319.222 as existed prior to September 2003 who spend at least 50% of their time providing content-related student instruction; or
3. Teachers working under a permanent certificate issued under ORC 3319.222 as it existed prior to September 2006 who spend at least 50% of their time providing content-related student instruction; or
4. Teachers working under a permit issued under ORC 3319.301 who spend at least 50% of their time providing content-related student instruction.
5. The OTES committee consisting of four (4) association members that are appointed by the EGLTA President and four (4) administrators that are appointed by the Superintendent will review and develop annual evaluations for all bargaining unit members not listed above. (ie: nurse, AD, guidance counselor, etc.)

C. Evaluation Timeline:

All teachers, except where noted below, who meet the criteria stated in the Application section of this policy will be evaluated annually. Each annual evaluation shall include: 1) Two (2) cycles of formal observations of at least thirty (30) minutes each; and 2) two unscheduled classroom walk-throughs per cycle.

For those teachers who are on limited or extended limited contracts pursuant to ORC 3319.11 and who have been rated as "Ineffective" on their annual Summative rating and have been notified in writing that they are under consideration for nonrenewal, will have an annual evaluation that includes: 1) Three (3) cycles of formal observations of at least thirty (30) minutes each; and 2) three unscheduled classroom walk-throughs per cycle.

All teacher evaluations shall be completed by the first day of May and each teacher subject to this policy shall be provided with a written copy of the "Final Summative Rating" results by the tenth day of May. (see attachment – "Final Summative Rating of Teacher Effectiveness")

A teacher receiving an effectiveness rating of "Accomplished" on the teacher's most recent annual evaluation will only be evaluated once every two years.

All continuing contract teachers will be evaluated once every three years, unless the teacher's annual "Summative Rating" was "Ineffective" the previous year.

D. Credentialed Evaluators

The Board will adopt a list of approved credentialed evaluators. Each teacher evaluation conducted under this policy shall be conducted by a person:

1. licensed as an administrator and employed in an administrative capacity;
2. eligible to be an evaluator in accordance with ORC 3319.111(D);
3. holds a credential as an evaluator by ODE; and

4. employed in the East Guernsey Local School District and/or the Ohio Valley Educational Service Center. If the credentialed evaluator is employed by the Ohio Valley Educational Service Center, he / she must work in the District's buildings for at least 90 percent of the school year.

Every evaluator must complete state-sponsored evaluation training and is required to pass an online credentialing assessment, through the Ohio Department of Education.

E. Selection of Credentialed Evaluators:

Teachers with a composite student growth rating of "Most Effective (5) or Above Average (4)" will select their credentialed evaluators from the district's approved list.

Teachers with a composite student growth rating of "Average (3) or Approaching Average (2)" will have input into the selection of their credentialed evaluators from the district's approved list.

Teachers with a composite student growth rating of "Least Effective (1)" will be assigned a credentialed evaluator by the Superintendent from the district's approved list.

F. Effectiveness Ratings:

Each yearly evaluation will result in a Final Summative Rating of "Accomplished," "Skilled," "Developing," or "Ineffective." Each teacher will be evaluated using multiple evaluation factors with fifty percent of the evaluation attributed to multiple measures of student growth and with fifty percent of the evaluation attributed to teacher performance. Teacher performance and student growth measures shall be combined to produce a Final Summative Rating as follows:

	Teacher Performance			
Student Growth	4	3	2	1
Above	Accomplished	Accomplished	Skilled	Developing
Expected	Skilled	Skilled	Developing	Developing
Below	Developing	Developing	Ineffective	Ineffective

G. Student Growth Measures:

Student growth means the change in student achievement for an individual student between two points in time. Student academic growth will be measured through multiple measures that shall include value-added scores on evaluations for teachers where value-added scores are available. Other student growth measures shall be selected from the Ohio Department of Education's assessment list for teachers of subjects where value-added scores are not available and/or local measures of student growth.

All Student Growth Measures and their proportionate use will be approved by the OTES committee consisting of four (4) association members that are appointed by the EGLTA President and four (4) administrators that are appointed by the Superintendent. (see attachment- "EGLSD Teacher Student Growth Measure Categories – 2013/2014")

1. Teacher-level Value-Added: "Value-Added" refers to the value-added methodology provided by ODE. Where value-added data for grades 4-8 for English language arts and mathematics exists (via state-provided assessments), value-added data must be one of the multiple measures used in calculating student growth.

2. **ODE Approved List of Assessments:** Assessments, if utilized by the district, must be included as one of the multiple measures of student growth. Assessments utilized must be included when calculating the fifty percent (50%) attributed to student growth measures
3. **Locally-determined Measures:** For courses of instruction in which neither teacher level value-added data nor ODE-approved assessments are available, the Superintendent/designee and Association President/designee shall establish a process in accordance with ODE guidance to create Student Learning Objectives (SLOs) to measure student growth in the courses of instruction. (see attachment – “EGLSD Student Learning Objective (SLO) Template and EGLSD SLO Scoring Matrix)

Student Learning Objectives (SLO's) will be approved and scored by a majority vote by the Ohio Teacher Evaluation System (OTES) Committee consisting of four (4) association members that are appointed by the EGLTA President and four (4) administrators that are appointed by the Superintendent.

In calculating student academic growth for an evaluation, a student shall not be included if the student has forty-five or more excused or unexcused absences for the school year.

Data from the student growth measures will be converted to a score of (1) above expected levels of student growth; (2) expected levels of students growth; or (3) below expected levels of student growth. Refer to following chart.

Student Learning Objective Growth Measure Rating			
90-100% met or exceeded growth	Most Effective	5	Exceeds 3
80-89% met or exceeded growth	Above Average	4	Expected 2
70-79% met or exceeded growth	Average	3	
60-69% met or exceeded growth	Approaching Average	2	
59% or less met or exceeded growth	Least Effective	1	Below 1

H. Teacher Performance:

The first “observation cycle” shall take place and be completed on or before December 15, and the second “observation cycle” shall take place and be completed on or before March 31. There shall be fifteen to twenty (15-20) school days between the two “observation cycles”.

Teacher Performance Process for one/each cycle:

1. Teacher and evaluator complete the “EGLSD Teacher Evaluation Schedule” (see attachment)
2. Complete a “Professional Growth Plan” or an “Improvement Plan” per this Article; section I (see attachment)
3. Evaluator will perform two unscheduled “Walk-Throughs”. A teacher may voluntarily request a “Talk-Through” in place of a “Walk-Through”.
4. A pre-conference between the teacher and the evaluator. The teacher may voluntarily provide information at this meeting, furthermore, there is no requirement or expectation that the teacher will provide any information either in written or oral form.
5. Evaluator will perform an “Observation” for a period of not less than thirty (30) consecutive minutes. The evaluator will fairly and consistently combine all the evidence into an effectiveness rating using the “Teacher Performance Evaluation Rubric” (see attachment from NIET Manual, 04/12)

6. A post-conference between the evaluator and the teacher shall be held within ten (10) days of the observation and the evaluator will provide a copy of the results from the "Teacher Performance Evaluation Rubric" at this conference.

All forms used will be approved by a majority vote by the Ohio Teacher Evaluation System (OTES) Committee consisting of four (4) association members that are appointed by the EGLTA President and four (4) administrators that are appointed by the Superintendent. If either party desires a change in the evaluation forms, that party shall notify the other of the desire to meet on the evaluation forms. The parties must meet within thirty (30) days of the notification and shall deliberate in good faith for at least four months from the commencement of the first meeting. If the parties cannot agree, then the form(s) – except for agreed upon changes – shall remain the same for the remainder of the school year. The parties may re-initiate a request for changes in the next school year.

In determining whether evaluations are comparable for the purpose of reduction in force, the parties will look only at the Teacher Performance rating (and not the student growth component). It is further understood that Teacher Performance rubric ratings of Accomplished, Skilled, and Developing will be deemed to be comparable.

I. Professional Growth and Improvement Plans:

Teachers whose annual summative evaluation rating is Accomplished, Skilled, or Developing will develop a professional growth plan that is self-directed. (See attachment)

Teachers whose annual summative rating is Ineffective must develop an improvement plan with the credentialed evaluator from the Board-approved list assigned by the Superintendent/designee for the evaluation cycle. (See attachment)

If the improvement plan requires the teacher's attendance at a course, conference or workshop outside the District, applicable registration and tuition fees will be fully reimbursed by the Board upon completion of the course, conference or workshop. Other expenses of the course, conference or workshop will be reimbursed in accordance with Article XIV, Section G of this Agreement. This paragraph operates independently of the tuition reimbursement terms that appear in Article XIII of this Agreement. It is also understood that attendance at such a course, conference or workshop is independent of and does not count as part of the Board's allocation under Article XIV, Section A or count against the teacher under Article XIV, Section B of this Agreement.

- J. If the teacher does not agree to the comments made by the evaluator, the exceptions should be noted under the "Teacher Comments" section of the form. The teacher has ten (10) days from the conference date to note comments, otherwise, the evaluation forms will be filed without "Teacher Comments." In addition, the teacher may request a meeting with the elementary or secondary supervisor, the building principal, and if desired, a representative of the Association to discuss the matter in greater detail.
- K. Completed evaluation forms are to be filed with the Superintendent with copies being provided for the teacher and the building principal. These forms must be filed within twenty (20) school days of the conference.
- L. All personnel memos or correspondence relative to job performance are to be placed in the teacher's permanent record folder in accordance with Article VIII. A copy will be forwarded to the teacher.
- M. The procedures of an evaluation may be subject to the grievance procedure, but the substantive aspects (i.e., judgment of the evaluator) are not.
- N. The evaluation procedure set forth above shall be the sole evaluation procedure used by the Board for the evaluation of bargaining unit members.

ARTICLE VII
COMPLAINT PROCEDURE

A. Open discussion of problems or concerns is the first line of dealing with complaints at all levels. Citizen, student, or parent complaints will be filtered through the Administration, if necessary, with attempts of resolution at the lowest possible level. Attempts to settle complaints against certificated staff should be made informally through personal, private conferences among parent, teacher, pupil, citizen, principal, and/or affected staff. If the Administration determines in his/her discretion that the complaint is frivolous or that no adverse action will be taken against the certificated staff, then the teacher need not attend a meeting with the complainant. However, the teacher shall be notified in writing within five (5) work days that a complaint was lodged against the teacher and that the complaint was resolved without adverse action against the teacher. For the purpose of this Article, a complainant is defined as a single individual or a single individual and spouse.

B. Complaint Against A Certificated Staff Member (Administrative Procedure)

The Administration may commence an investigation as to the authenticity of any information related to a complaint. No complaint will be placed in the main personnel file of a certificated member unless:

1. A conference was held including the complainant, the certificated staff member, and the principal or immediate supervisor of the certificated staff member.
2. The findings and resolution, if any, of the aforementioned conference have been reduced to writing by the principal or the immediate supervisor and initialed by the certificated staff member. Such initialing shall not be construed as agreeing with the document, but only that the certificated staff member received a copy of the document. Refusal to initial findings and resolution will be noted and the materials filed per paragraph B.(3)
3. In the event a record of the conference held between the complainant, staff member and immediate supervisor is filed in the staff member's personnel file, the certificated staff member shall be notified in writing and be given an opportunity to write a rebuttal to such record for placement in the personnel file. Such rebuttal must be filed within ten (10) school days from the date notice is given to the staff member.

C. Student, citizen, or parental complaints will be filtered through the Administration with attempts of resolution at the lowest possible level. No student, citizen, or parental complaint regarding a teacher will be considered by the Board unless the procedure outlined above has been followed. Should the complaint not be resolved at the conclusion of the administrative complaint procedure and the complainant desires Board consideration of the complaint, then the following procedure shall be implemented:

1. Complainant shall notify the Superintendent in writing of his/her request for Board consideration of the complaint at the next regular Board meeting;
2. Notice of the Board consideration of the complaint will be given to the teacher involved by means of registered mail at least five (5) school days prior to the Board meeting. Notice will be mailed to the last registered address of the teacher filed with the Board.
3. The complaint shall be heard by the Board in executive session. The teacher will be allowed to remain in the executive session called for purposes of Board consideration of the complaint and will be allowed to have one (1) representative accompany him/her to the meeting.
4. Resolution by Board action will become a part of the teacher's file, and the teacher shall receive a copy of the action. The teacher may attach an opinion or statement to the filed complaint within ten (10) school days of Board action.

ARTICLE VIII
TEACHERS' PERSONNEL FILES

- A. There will be established and maintained one (1) official file on all professional teaching staff members. The file shall be maintained in the office of the Superintendent.
- B. Personnel files are privileged to the extent allowed by law -- open to inspection by the individual, his/her authorized representative or the Administration and Board. The individual shall have the right to inspect his/her personnel file at any time so long as such request is during the normal working hours of the administration office. A bargaining unit member shall be immediately notified by the administration of a request by any individual not listed above who desires access to the bargaining unit member's file. Such notice shall include the name, address, and phone number of the person requesting access and the reason for such request. Said notification shall be in writing and sent to the bargaining unit member prior to the access being granted. Access to the file shall not be allowed until three (3) working days after the request has been made.
- C. Teachers shall be notified of the placement of any materials in the file that relate to job performance, and shall be notified whenever any information is disclosed, except to persons in B. above, within three (3) working days.
- D. If and when a teacher and the Superintendent or his designee agree that there is adequate evidence that certain material in the teacher's official file is irrelevant, inappropriate, or false, or if the validity of a complaint is sustained by the grievance procedure, such material shall be removed from the file or corrected. In any case, if a teacher feels that the file contains information that is inaccurate, irrelevant, out-dated or incomplete, such teacher shall have the right to attach a written statement to the disputed information.
- E. Personnel files may include but not be restricted to some or all of the following:
1. Employment application
 2. Copy of latest contract
 3. Ohio Teaching Certificate
 4. Official College Transcript
 5. Incidents of work
 6. T.B. test or x-ray results
 7. Record of military service
 8. Evaluation forms
- F. Any disciplinary material or reprimand shall be removed from all files on the second anniversary of the date the material was placed in the file upon written request of the bargaining unit member, unless the bargaining unit member is subject to other written disciplinary action or reprimand during the intervening period.

ARTICLE IX
LEAVES OF ABSENCE

- A. Sick Leave
1. Full-time teachers will be granted sick leave according to Section 3319.141 of the Ohio Revised Code and the provisions of this Article. Teachers shall earn sick leave credit at a rate of 1 1/4 days per month under contract. Teachers shall continue to accrue sick leave while under contract with the Board to the following maximum of:
 - a. 250 days. Part-time teachers will continue to accrue sick leave in accordance with past practice notwithstanding the formula appearing in the Section 3319.141 that would otherwise apply if this provision were not in effect.

2. A teacher newly employed by the District will be credited for unused sick leave accumulated in other public school employment. This shall be in keeping with Section 3319.141 of the Ohio Revised Code and necessary verification by the proper public agency.
3. A teacher newly employed shall be credited five (5) days sick leave; however, maximum annual accumulation is 15 days. Teachers employed by the Board, upon approval of the Superintendent, may use sick leave for the following reasons limited to the total accumulation of unused sick leave: (1) personal illness, injury; (2) pregnancy; (3) exposure to contagious disease; (4) illness, injury or death in the immediate family; (5) doctor or dental appointment (specialists).
4. Immediate family is defined as: spouse, children, father, mother, brother, sister, grandparents, grandchildren, respective in-laws, members of the immediate household, or persons who have assumed a similar legal relationship to the teacher. In the case of doctor or dental appointments or specialists, prior notification must be made to the building principal. A teacher may be granted additional days beyond the number of accumulated and used sick leave days upon recommendations of the Superintendent in keeping with provisions stated in Section 3319.08 of the Ohio Revised Code.
5. An employee may use up to two (2) accrued sick leave days (which may be used in ½ day increments) to attend the funeral of a person not within the employee's immediate family, as that term is defined in paragraph 4 above.

B. Personal Leave (This leave is to be used if the absence does not first qualify under Sick Leave).

1. Each full-time teacher shall be granted four (4) personal days per school year, non-cumulative. Personal Leave days are unrestricted as to purpose. Personal leave may be used in 1/4 day increments.

C. Incentive Pay

Bargaining unit members who are employed for an entire school year will be entitled to a payment of six hundred dollars (\$600) if the bargaining unit member uses no sick leave and no personal leave during the immediately preceding school year. In lieu of the payment herein described, a bargaining unit member who uses no sick leave and no personal leave in the school year will receive ten (10) sick leave days which will be added to the sick leave accumulated during the school year. The bargaining unit member must make a choice of the cash payment or sick leave days paid; no combination of the two is permitted. Such payment will occur not later than the final pay in August, and sooner, if possible.

For every day of sick leave and/or personal leave used by a bargaining unit member during the school year, the payment described above shall be reduced by sixty dollars (\$60), or in lieu of the payment, one (1) day of sick leave up to ten (10) days will be reduced. Sick leave and personal leave shall be reduced by each day used as shall the ten (10) bonus days be reduced by one (1) day for each day used for sick leave or personal leave.

The bargaining unit member must make his or her choice of a cash payment or additional sick leave accumulation in writing by the last work day of each school year. If no such written choice is properly submitted, a cash payment will be the default choice.

A bargaining unit member who is employed less than a full year, and/or who is a less than full time bargaining unit member shall receive this benefit on a pro-rata basis.

The additional sick leave accumulation, if elected by the bargaining unit member, shall still be subject to the maximum accumulation of sick leave set forth in Article IX, Section A, Paragraph 1.a.

D. Maternity/Paternity Leave

For purposes of this Section, "infant child" means a child of three (3) years of age or less.

A maternity leave of absence without pay shall be granted to a teacher for the purpose of childbearing and/or child rearing as follows:

1. A teacher who is pregnant or adopts an infant child shall be entitled upon request to a leave of absence not to exceed one (1) year. The beginning and ending dates of the total time of absence from work will be determined by the employee and she must notify the Board of these dates as far in advance as possible. She will include with such notice either a physician's statement certifying her pregnancy or a copy of the birth certificate of the child, whichever is applicable. A teacher who is pregnant may continue in active employment as late into her pregnancy as she desires provided she is able to properly perform her required functions. All or any portion of a leave taken by a teacher because of her pregnancy or a medical disability connected with or resulting from her pregnancy may, at the teacher's option, be charged to her available accumulated sick leave. During the first twelve (12) weeks of unpaid leave, following the use of sick leave indicated above, the teacher's current insurance coverage shall remain in effect with the Board of Education paying the percentage of the premium as indicated in Article XII. Following these twelve (12) weeks of unpaid leave, the employee shall be responsible for paying the entire insurance premium if she wishes to continue coverage. The above twelve (12) weeks of unpaid leave shall only apply to those eligible under the requirements of the Family and Medical Leave Act.

2. A male teacher will be entitled upon request to a leave of absence without pay between the time of the birth of his child or adoption of an infant child and one (1) year thereafter. During the first twelve (12) weeks of this unpaid leave, the teacher's current insurance coverage shall remain in effect with the Board paying the percentage of premium as indicated in Article XII. Following these twelve (12) weeks, the employee shall be responsible for paying the entire insurance premium if the employee wishes to continue coverage. The above twelve (12) weeks of unpaid leave shall only apply to those eligible under the requirements of the Family and Medical Leave Act.
3. The leave of absence is not to exceed a total of one (1) year. Documentation from the court in regard to the adoption must be provided prior to the leave. During the first twelve (12) weeks of this unpaid leave, the teacher's current insurance coverage shall remain in effect with the Board paying the percentage of premium as indicated in Article XII. Following these twelve (12) weeks, the employee shall be responsible for paying the entire insurance premium if the employee wishes to continue coverage. The above twelve (12) weeks of unpaid leave shall only apply to those eligible under the requirements of the Family and Medical Leave Act.
4. Request for a leave under this Article shall include the anticipated initial beginning and ending date.
5. Early termination of such leave may be granted at the discretion of the Superintendent.

ARTICLE XVII
RETIREMENT SEVERANCE PAY

- A. Retirement severance will be paid to each employee retiring from the District at a per diem rate of the annual salary at the time of retirement and after ten (10) years of service in the District. If an employee's contract has been fully or partially suspended because of a reduction in force under Article XIX of this Agreement and the employee elects to retire or dies while on the recall list created under Section F of Article XIX, the terms of this Article will be applied to the employee with the further understandings that (1) the employee's time on the recall list does not count toward satisfying the 10-years-of-District-service requirement appearing in the preceding sentence, and (2) the employee's "per diem rate of the annual salary at the time of retirement" means the per diem rate in effect for the employee immediately prior to the suspension or partial suspension of his/her contract.
- B. Eligible days for retirement severance pay shall be as follows:
1. The Board shall pay one-fourth (1/4) of accumulated unused sick leave.
 2. Documented catastrophic illness or injury will not reduce severance pay for a bargaining unit member if the catastrophic illness or injury occurs in the three years immediately prior to the bargaining unit member's retirement. Severance pay shall be calculated from the date of the event to a maximum of 62.5 as defined in this article.
- C. To qualify for retirement severance pay an employee shall:
1. Retire from the school system by submitting a written statement of the retirement notice to the Board.
 2. Provide the Treasurer of the Board evidence from the retirement system that substantiates employee's eligibility for disability or service retirement as of the last day of employment.
 3. After the Board accepts the resignation, the employee must provide to the Treasurer of the Board a statement that paragraphs #1 and #2 above have been completed and severance payment is requested within 60 calendar days to allow for payment within 75 calendar days after the employee's retirement date. Failure to request payment within this time period waives the employee's right to severance pay. In this statement the employee may, within the limits imposed by applicable tax regulations, elect to direct up to 95% of his/her severance pay to the employee's existing annuity plan, in which case such amount will be contributed by the Treasurer to such annuity.
 4. A teacher may retire only once.
 5. The above referenced severance pay shall be payable to the family or estate of any teacher who dies while said teacher was still in the employ of the Board.

ARTICLE XVIII
STRS PICK-UP UTILIZING SALARY REDUCTION METHOD

The Board here with agrees with the Association to pick up utilizing the salary reduction method contributions to the State Teachers' Retirement System paid upon behalf of the employees in the bargaining unit, at no cost to the Board, under the following terms and conditions:

1. The amount to be "picked-up" on behalf of each employee shall be the percentage rate of employee contribution established by STRS, of the employee's gross annual compensation. The employee's annual compensation shall be reduced by an amount equal to the amount "picked-up" by the Board for the purpose of State and Federal tax only.

2. Shall be uniformly applied to all members of the bargaining unit.
3. The pick-up shall apply to all compensation including supplemental earnings.
4. Payment for all paid leaves, sick leave, personal leave, severance and supplementals including unemployment and workers' compensation shall be based on the employee's daily gross pay prior to reduction as basis (e.g., gross pay divided by the number of days in a teacher's contract).

Each teacher will be responsible for compliance with Internal Revenue Service salary exclusion allowance regulations with respect to the "pick-up" in combination with other tax deferred compensation plans.

If the foregoing "pick-up" provisions are nullified by subsequent Internal Revenue Service rulings, Ohio Attorney General opinions or other governing regulations, the Board will be held harmless and this article of the Agreement shall be declared null and void.

ARTICLE XIX REDUCTION IN FORCE

A. DEFINITION OF REDUCTION IN FORCE

A reduction in force (RIF) shall have occurred when the Board suspends the contract of a bargaining unit member.

B. REDUCTIONS

The Board may implement a reduction of staff for any reason(s) authorized by Section 3319.17 of the Ohio Revised Code and for financial reasons that adversely affect the budget or appropriations in a two-year period.

C. NOTIFICATION OF ANTICIPATED REDUCTION

1. If the Board determines a reduction may occur, the Employer shall notify the Association in writing, no later than May 1 prior to the beginning of the school year that the RIF is to be implemented. The notification shall include the reason(s) for the RIF, the position(s) to be reduced or eliminated, the name(s) of the employees to be affected, the date of Employer action to implement the RIF and the effective date of the RIF.
2. The Employer shall develop and provide the Association with a RIF list of potentially affected employees which shall be based on the seniority list as per the seniority selection.
3. Within ten (10) days of receipt of the notification, representatives of the employer and the Association shall meet to review the proposed RIF. If the Association disagrees with the reason(s) for or implementation of the proposed RIF, the Association may demand the matter be submitted to expedited arbitration in accordance with the Expedited Rules of the American Arbitration Association. The demand must be made within fifteen (15) days of the meeting provided above.

D. SENIORITY

1. Seniority is defined as the length of continuous service (irrespective of whether such service is full-time or part-time) in the District including approved leaves of absence. It is understood that, if an employee is employed as of the last day of a school year and is also employed as of the first day of the immediately succeeding school year, there is no break in seniority regardless of any intervening circumstance.

2. All members of the bargaining unit will be placed on a seniority list for each teaching field for which continuing contracts will be placed at the top of the list, in descending order of seniority. Teachers serving under limited contracts will be placed on the list under continuing contract teachers, also in descending order of seniority.

In determining whether evaluations are comparable for the purpose of reduction in force, the parties will look only at the Teacher Performance rating (and not the student growth component). It is further understood that Teacher Performance rubric rating of Accomplished, Skilled, Developing will be deemed to be comparable.

Continuing contract teachers with comparable Teacher Performance rubric rating of (Accomplished, Skilled, or Developing) will be placed at the top of the seniority list above those continuing contract teachers with a Teacher Performance rubric rating of Ineffective. All continuing contract teachers will be placed above any limited contract teachers.

Limited contract teachers with comparable Teacher Performance rubric rating of (Accomplished, Skilled, or Developing) will be placed above those limited contract teachers with a Teacher Performance rubric rating of Ineffective.

3. The Superintendent will recommend and the Board will suspend teachers' contracts in accordance with the Implementation procedure described in this Article
4. Teaching fields affected by a reduction in force must be determined with reference to fields of certification / licensure, as designated on the certificates of the teachers involved.

E. IMPLEMENTATION

1. In determining the position(s) to be reduced, eliminated, or not filled, the following sequence shall be used:
 - a. Position(s) vacated as a result of voluntary resignation, retirement, or death will not be filled.
 - b. Teachers volunteering to be laid off.
 - c. Non-tenured teachers holding temporary certification / licensure will be the first ones suspended, based upon seniority.
 - d. Fully certificated / licensed limited contract teachers with a Teacher Performance rubric rating of Ineffective shall be the next ones suspended, based upon seniority.
 - e. Fully certificated / licensed limited contract teachers with comparable Teacher Performance rubric rating (Accomplished, Skilled, or Developing) shall be the next ones suspended, based upon seniority.
 - f. Continuing contract teachers with a Teacher Performance rubric rating of Ineffective shall be the next ones suspended, based upon seniority.
 - g. Continuing contract teachers with comparable Teacher Performance rubric rating (Accomplished, Skilled, or Developing) shall be the last persons suspended, based upon seniority.
2. Certification/licensure as used in Paragraph 1 above shall be defined as provisional, professional, or permanent grade certificates issued pursuant to Sections 3319.22 to 3319.31, inclusive, Ohio Revised Code, or in accordance with standards, rules, regulations authorized by law, in the following types:

K-PrimaryK, 1, 2, 3
 K-Elementary.....K, 1, 2, 3, 4, 5, 6, 7, 8
 Elementary.....1-8 inclusive
 High School.....Subject names, grades 7-12 inclusive
 4-9 4, 5, 6, 7, 8, 9 subject names

3. During the implementation of RIF, no reassignment, transfer, or reclassification shall occur that will cause a more senior employee to be laid off before a less senior employee.
4. An employee whose position, (position is defined as the employee's current teaching assignment) is being eliminated shall be notified no later than May 30 prior to the school year in which the reduction in force is to be implemented. The notice shall state the reason for RIF, the effective date of contract suspension, and the date of the employer's action to implement the RIF.
5. A teacher who is notified that his/her position is being eliminated and/or that he/she will be displaced will have the right to displace any less senior teacher whose work he/she is certificated/ licensed to perform. The Board will provide the affected teacher with a current dated seniority list. Written notice to exercise this right, including the identification of the person being displaced, must be made to the Superintendent within five (5) work days after a teacher is notified that he/she will be affected by the RIF procedure. All displacements must occur by August 1.
6. Layoff shall be by suspension of contract. No suspension will occur until after implementation of displacement rights under Paragraph 5 above.

F. PROCEDURE FOR RECALL

1. All teachers whose contracts were suspended as a result of a layoff shall be placed on a recall list stating their seniority in each teaching field for which they are or become certified to teach.
2. Teachers on the recall list shall be offered re-employment to full-time positions for which they are certified, as they become available, in the reverse order of layoff, last laid off, first re-employed. It is understood that a vacant position to which an employee on the recall list is entitled will not be posted under Article IV, Section O of this Agreement unless such employee does not take the position under Paragraph 5 below.
3. A teacher who is recalled to a position shall resume the contract status he/she held prior to the layoff and shall be credited with sick leave accumulation and years of service for salary schedule placement he/she had prior to being laid off.
4. If a teacher leaves with 'X' years seniority, he/she shall return with 'X' years seniority.
5. When an opening(s) occurs, the Board shall send a certified letter to all teachers certified / licensed for the position to their last known address to advise them of such positions. It is the teacher's responsibility to keep the Board informed of his/her whereabouts. The teachers shall, within fifteen (15) days from the postmark date of the letter, indicate availability and desire for such position. The Board shall reinstate that teacher indicating availability and desire for such position who has the greatest seniority. If the teacher fails to notify the Board within the specified period of time, or if the teacher rejects the offered full-time position, said teacher shall be considered to have rejected the position and to have forfeited his/her right to recall on the reduction in force list. The position will then be made available to the next eligible teacher on the reduction in force list.
6. No teachers new to the District shall be employed until all properly certified teachers on the reduction in force list have been offered a contract for the position in accordance with the provisions of this procedure.
7. Transfers of teachers employed but not affected by the reduction in force program shall be limited to positions not affected by said programs. If a position(s) initially abolished is reinstated or if a new position(s) is established, the position(s) will be staffed first from the teacher reduction in force list. Transfers may be made to a position affected by the reduction in force program after the

position(s) has been offered to all properly certificated / licensed teachers on the reduction in force list.

8. Teachers remaining laid off will be given preferential consideration as substitute teachers and part-time teachers. However, employment as a substitute or part-time teacher shall not disqualify that teacher from placement on the reduction in force list for full-time employment.
9. The recall list shall be maintained for a period of four (4) years. Thereafter, an employee on layoff shall lose his/her right to recall.
10. A teacher who volunteers to be laid off shall remain on layoff status for the remainder of the school year in which his/her contract is suspended. The teacher may elect to return to active status in the same teaching assignment (assuming the teacher has maintained current certification/licensure and the same assignment still exists) at the end of the school year, in which case written notice of such intent must be filed with the Superintendent by no later than March 1 of that year; this right of return does not insulate a volunteer against a layoff that would otherwise have occurred as to the volunteer under this Article. It is mutually understood that, if a volunteer returns to active status, the Board may then suspend the contract of another teacher in that teaching field to make room for the returning teacher. A volunteer may not remain on layoff status for more than two (2) consecutive years.

- B. The committee's consensus recommendation will be submitted to the Superintendent by December 1 preceding the school year to which the recommendation applies.
- C. In setting the school calendar for a particular school year, the Board will consider the recommendation of the committee. It is mutually recognized that the final right to approve a school calendar rests with the Board.

If in-term bargaining does not result in agreement between the parties within thirty (30) days of the first bargaining session, advisory arbitration under the auspices and procedures of the American Arbitration Association shall be utilized to resolve the dispute. Should either party reject the advisory arbitrator's recommendations, the Association shall have the right to proceed under Section 4117.14 (D)(2) and Section 4117.18 (C) of the Ohio Revised Code.

*The acceptable level of performance varies depending on the teacher's years of experience. Teachers in residency—specifically in Years 1 through 4—are expected to perform at the Developing level or above. Experienced teachers—with five or more years of experience—are expected to meet the Skilled level or above.

Teacher Performance Evaluation Rubric

The *Teacher Performance Evaluation Rubric* is intended to be scored holistically. This means that evaluators will assess which level provides the best *overall* description of the teacher. The scoring process is expected to occur upon completion of each thirty (30) minute observation and post-conference. The evaluator is to consider evidence gathered during the pre-observation conference, the observation, the post-observation conference, and classroom walkthroughs (if applicable). When completing the performance rubric, please note that evaluators are not expected to gather evidence on all indicators for each observation cycle. Likewise, teachers should not be required to submit additional pieces of evidence to address all indicators. The professionalism section of the rubric may use evidence collected during the pre-observation and post-observation conferences as well as information from the Professional Growth and/or Improvement Plan (if applicable).

INSTRUCTIONAL PLANNING		Ineffective	Developing	Skilled	Accomplished
INSTRUCTIONAL PLANNING	FOCUS FOR LEARNING (Standard 4: Instruction) <i>Sources of Evidence:</i> Pre-Conference	The teacher does not demonstrate a clear focus for student learning. Learning objectives are too general to guide lesson planning and are inappropriate for the students, and/or do not reference the Ohio standards.	The teacher communicates a focus for student learning, develops learning objectives that are appropriate for students and reference the Ohio standards but do not include measurable goals.	The teacher demonstrates a focus for student learning, with appropriate learning objectives that include measurable goal(s) for student learning aligned with the Ohio standards. The teacher demonstrates the importance of the goal and its appropriateness for students.	The teacher establishes challenging and measurable goal(s) for student learning that aligns with the Ohio standards and reflect a range of student learner needs. The teacher demonstrates how the goal(s) fit into the broader unit, course, and school goals for content learning and skills.
	Evidence				
INSTRUCTIONAL PLANNING	ASSESSMENT DATA (Standard 3: Assessment) <i>Sources of Evidence:</i> Pre-Conference	The teacher does not plan for the assessment of student learning or does not analyze student learning data to inform lesson plans. The teacher does not use or only uses one measure of student performance.	The teacher explains the characteristics, uses, and limitations of various diagnostic, formative, and summative assessments but does not consistently incorporate this knowledge into lesson planning. The teacher uses more than one measure of student performance but does not appropriately vary assessment approaches, or the teacher may have difficulty analyzing data to effectively inform instructional planning and delivery.	The teacher demonstrates an understanding that assessment is a means of evaluating and supporting student learning through effectively incorporating diagnostic, formative, and/or summative assessments into lesson planning. The teacher employs a variety of formal and informal assessment techniques to collect evidence of students' knowledge and skills and analyzes data to effectively inform instructional planning and delivery.	The teacher purposefully plans assessments and differentiates assessment choices to match the full range of student needs, abilities, and learning styles, incorporating a range of appropriate diagnostic, formative, and summative assessments into lesson plans. Student learning needs are accurately identified through an analysis of student data; the teacher uses assessment data to identify student strengths and areas for student growth.
