ARTICLE I -- RECOGNITION

A. Recognition of the Association

The East Palestine City Board of Education, hereinafter "Employer" or "District" hereby recognizes the East Palestine Education Association OEA/NEA, hereinafter "Association" or "Union" as the sole and exclusive bargaining representative for the purposes defined in Chapter 4117 Ohio Revised Code, for all full-time, regular, part-time personnel under written contract, on leave, or hourly employed by the District performing any work currently being performed by bargaining unit members or any similar work including only classroom teachers (K-12, special and vocational), guidance counselors, librarians and media and program specialists, school nurse, department heads and head teachers. The Union recognizes that the Superintendent, Assistant Superintendent, Principals, Administrative Assistants, Supervisors, Business Managers and non-certificated personnel shall be excluded from the bargaining unit. The employer recognizes that Union representation will include newly created certificated personnel positions, the duties of which are substantially the same as the duties of current bargaining unit positions. Disputes as to the inclusion or exclusion of said personnel can be submitted to the grievance procedure at Step III.

B. Recognition of the Board

The Association recognizes the Board as the locally elected body charged with the establishment of policies for public education in the East Palestine City School District and as the employer of all certificated personnel in the school.

C. Recognition of the Superintendent

The Association and Board recognize the Superintendent as the chief executive officer and professional advisor of the Board.

D. School Nurse

The school nurse employed as of July 1, 2013 shall work an eight (8) hour day scheduled by the Superintendent/designee for one hundred seventy-eight (178) student attendance days, including any designated waiver days; two (2) inservice days; and seven (7) extra days beyond the student school year by June 30th, as designated by the Superintendent by the end of the school year. During the eight (8) hour day, the school nurse shall have a thirty (30) minute lunch and a thirty (30) minute period of time which he/she will use for planning and record keeping. However, such time may be interrupted if a health/medical need arises. As part of the school nurse's one hundred eighty-seven (187) days, the school nurse shall also conduct the kindergarten screening and train persons who are to be employed by the District or otherwise participate in the District's programs for their pupil activity permits. Once the school nurse employed as of July 1, 2013 is no longer employed by the District, the position shall be removed from the bargaining unit.

ARTICLE II -- PROCEDURAL AGREEMENT

- A. Negotiations between the parties for a successor agreement shall begin at least sixty (60) days prior to the expiration of the contract term.
- B. At the initial session, the parties shall execute their detailed written proposals. No new items shall be submitted thereafter except upon mutual agreement of the teams.
- C. Before each negotiation session officially adjourns, the agenda, time, and place for the next session shall be mutually agreed upon by the chief negotiators. All negotiating meetings shall be held in private session unless otherwise agreed upon by both parties and shall not exceed two (2) hours in length, unless extended by mutual agreement.
- D. Negotiations shall normally be conducted outside of school hours. When, by mutual agreement, negotiations are conducted during regular school hours, release time shall be provided for the Union's negotiating team.
- E. Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party. Negotiating teams shall consist of no more than five (5) persons.
- F. The parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations.

G. Scope of Negotiations

All matters pertaining to wages, hours, or terms and other conditions of employment and the continuation, modification or deletion of an existing provision of a collective bargaining agreement. Any matters not covered by this agreement will remain under the auspices of the Ohio Revised Code.

H. Good Faith

The parties pledge to negotiate in "good faith" which requires their willingness to react to one another's proposals and to avoid the dogmatic pursuit of pre-conceived positions.

I. Exchange of Information

The negotiations representatives of the Board agree to furnish the negotiating committee of the Association, upon request and in reasonable time, both prior to and during negotiations, all available public information concerning financial resources of the district. The Association agrees to furnish all available information on its proposals to the Board's negotiating team.

J. Prior to impasse, neither party shall make any news releases. Neither party is restricted from issuing progress reports to its membership.

K. Caucus

Upon request of either party, a negotiation meeting shall be recessed to permit the requesting party a period of time, not to exceed thirty (30) minutes, to caucus, unless extended time is mutually agreed upon.

L. Agreement

When an item is agreed to by both sides, the spokesperson for each side shall initial and date said item.

When an agreement is reached through negotiations, the outcome shall be reduced to writing and the document submitted to the Association and Board for formal approval.

M. Copies

There shall be three (3) signed copies of any final agreement; one copy shall be retained by the Board, one by the Association, and one to be filed with the State Employment Relations Board ("SERB").

N. Impasse

In the event that tentative agreement has not been reached on all items twenty-one (21) days prior to the expiration of the current contract, either party then may declare an impasse of negotiations. Upon declaration of such impasse, that party, or both parties in unison, shall request the services of the Federal Mediation and Conciliation Service. The assigned mediator shall seek to promote and/or develop an agreement between the parties, and shall have all necessary authority to call and schedule meetings between the parties for such purpose. Any and all costs and/or expenses charged by the Federal Mediation and Conciliation Service for its services, if any, shall be shared equally by the parties.

In the event that agreement is not reached within ten (10) days after the expiration of the existing Agreement, the East Palestine Education Association shall have the right to proceed in accordance with Section 4117.14 (D) (2) of the Ohio Revised Code.

ARTICLE III -- GRIEVANCE PROCEDURE

A. Definitions:

1. "Days" shall mean actual work days unless specified differently.
2. "Grievance" shall mean a complaint involving the alleged violation, misrepresentation or misapplication of the written provisions of the negotiated agreement between the Association and the Board of Education.
3. "Grievant" shall mean a bargaining unit member(s) or the Association initiating a claim as defined above.
4. "Immediate Supervisor" shall mean that administrator having immediate supervisory responsibility over the grievant.

B. Rights of the Grievant and the Association

1. On the occasion of the informal administrative conference, a grievant may appear on his own behalf and/or may be accompanied by any member of the bargaining unit. In Steps I through III, the grievant may appear in person and/or with any Association representative of his/her choice.
2. The purpose of these procedures is to secure, at the lowest level administrator having authority to resolve the grievance, equitable solutions to grievances. All parties agree that the grievances will be kept as confidential as is appropriate and processed as expeditiously as possible.
3. No reprisals of any kind shall be taken against any bargaining unit member initiating or participating in the grievance procedure.
4. Where the grievant prefers to retain exclusive personal control of his/her grievance, the Association will be notified and have the right to be present at the adjustment of that grievance.
5. During the term of this Agreement, no teacher organization other than the Association shall be permitted to represent any certificated/licensed bargaining unit member in the grievance process.

C. Time Limits

1. In order that grievances may be processed as rapidly as possible, the number of days indicated at each level is maximum. Every effort will be made to expedite the procedures; however, the time limits may be extended in writing by mutual agreement of both parties. Absence of essential parties will automatically provide a ten (10) day extension.

2. All grievances shall be commenced within fifteen (15) days of when the event or condition occurs or when the grievant should reasonably know the event had occurred. All grievances must be initiated at the informal level. If the grievance is not filed at the informal level within fifteen (15) days, the grievance shall be deemed waived.
3. If a decision on a grievance is not appealed within the time limit specified at any step of the procedure, the grievance will be deemed settled on the basis of the disposition at that step and further appeal shall be waived. Failure by the responsible administrator at any step of these procedures to communicate his/her decision within the specified limits automatically shall permit the grievant to proceed to the next step.
4. All notices of hearings, dispositions of grievances, written grievances, and appeals shall be in writing and hand delivered or mailed by certified mail, return receipt requested. The bargaining agent shall receive copies of all notices.
5. Hearings shall normally be conducted outside of school hours. When, by mutual agreement, hearings are conducted during regular school hours, release time shall be provided for the grievant and his/her representative.

D. Informal Procedure

1. A grievance shall first be presented to the principal or immediate supervisor in an attempt to resolve the problem. The grievant must make the supervisor aware that he/she is claiming a violation of the contract and considers the discussion to be this informal step.
2. In the event the principal or immediate supervisor and grievant mutually agree that the principal and/or immediate supervisor does not have the authority to resolve the grievance, the grievant shall proceed to Step II.
3. If the grievance is not resolved by the Informal Procedure, the grievant shall proceed to the next level (Formal Procedure) within ten (10) days.

E. Formal Procedure

1. Step I:

If the grievance is not resolved by the informal procedure, it may be pursued further by submitting a completed grievance report form (Appendix C) which must cite specific sections of the contract being grieved. A copy of this form shall be submitted to the immediate supervisor. Within ten (10) days of receipt of the grievance report form, the immediate supervisor shall meet with the grievant and/or his/her representative. The immediate supervisor shall write a disposition

of the grievance within five (5) days after such meeting and return a copy to the grievant, Association, and the Superintendent.

2. Step II:

If the grievant is not satisfied with the disposition of the grievance in Step I, the grievant shall complete grievance report form, Step II (Appendix D), and submit the same to the Superintendent within fifteen (15) days of the receipt of its disposition in Step I.

Within ten (10) days of receipt of the grievance form, the Superintendent shall meet with the grievant and/or his/her representative. Within ten (10) days of the meeting, the Superintendent shall write his/her disposition of the grievance and forward a copy to the grievant, the Association, and the immediate supervisor.

3. Step III:

If the grievant is not satisfied with the disposition of the grievance in Step II, the grievant (through the Association) if they wish to file, shall, within fifteen (15) days from the receipt of the Step II answer, request a hearing before an arbitrator by submitting the grievance report form, Step III (Appendix E), to the Superintendent.

Following receipt by the Superintendent of the grievant's request for arbitration, the Superintendent and Association President shall discuss the possibility of submitting the matter to a mediator prior to proceeding to arbitration. The mediator shall be chosen by agreement of the parties. If the parties do not agree to submit the matter to mediation, or if the parties cannot agree on a mediator, or if the mediation is not successful, the Association may petition the American Arbitration Association.

Selection of the Arbitrator

The arbitrator shall be selected from a list supplied by the American Arbitration Association. Either party may request a second list of arbitrators. The arbitrator shall be selected using the alternate strike method.

Once the arbitrator has been selected, he/she shall conduct a hearing on the grievance in accordance with the rules and regulations of the American Arbitration Association. The arbitrator shall hold the necessary hearing promptly and issue the decision within such time as may be agreed upon. The decision shall be in writing and a copy sent to all parties present at the hearing.

The decision of the arbitrator shall be final and binding on the Board, the Association, and the grievant. The Arbitrator shall not have the authority to add to, subtract from, modify, change or alter any of the provisions of this collective

bargaining contract. All expenses for the arbitrator shall be shared equally by the Board and the Association.

4. A grievance may be withdrawn at any level without prejudice or record.
5. The Association shall have the exclusive right to determine whether to proceed to the arbitration step of the grievance procedure.

Said signature does not indicate agreement with the report, but does indicate that the bargaining unit member has seen it. The bargaining unit member has the right to respond to the formal observation.

- c. Formal observations by the building principal shall be for no less than thirty (30) minutes in duration.
 - d. A five (5) to ten (10) minute pre-observation conference will be held with the building principal before the initial formal observation for beginning bargaining unit members, probationary bargaining unit members and bargaining unit members who need improvement.

All language agreed to in Section D – Article VII of this negotiated agreement will prevail over State statute (O.R.C. 3319.111), except those listed in Ohio Revised Code 4117.08 (A) and 4117.08 (B).

- d. Effective starting date
- e. Any additional pertinent information

During the summer recess, notices shall be posted in the Superintendent's office and a copy will be included in the payroll envelope distributed each pay period.

The ten day response period shall be waived if a vacancy occurs between August 1 and the first day of school. During this time period, bargaining unit members shall have five (5) days to respond.

2. Transfers:

Bargaining unit members seeking a change in assignment shall file a written request with the building principal and Superintendent for each change, specifying the building, grade level, and/or subject level desired.

Elementary and secondary bargaining unit members requesting a change in assignment may arrange to meet with the principal of the building to which they seek a transfer.

If more than one (1) bargaining unit member has applied for a vacant position, the bargaining unit member best qualified by certification/licensure, training, experience, and performance for that position shall be given greater consideration.

Qualifications being equal, seniority shall control.

Qualifications being equal, bargaining unit members seeking intra-building transfers and bargaining unit members with greater seniority will be given greatest consideration before those with less seniority or new bargaining unit members are transferred or employed.

Bargaining unit members who request, and are denied, a transfer shall be given the reasons, in writing, by the Superintendent.

All bargaining unit members seeking a vacancy shall be informed in writing that the position has been filled and by whom.

3. Involuntary Transfers:

- a. In the event that an involuntary transfer or change of assignment becomes necessary, the bargaining unit members subject to transfer or reassignment

will be given the opportunity to consult with the Superintendent regarding the matter.

- b. Qualification for the position will be the factor to be considered in determining which, if any, bargaining unit members will be subject to transfer or reassignment.
- c. Notification of such transfers or reassignments for finances, enrollment, and attrition will be made in writing to the bargaining unit members no later than July 30. An attempt will be made to notify bargaining unit members in person. Included with the notification will be an invitation to the bargaining unit member to discuss such transfer or reassignment with the Superintendent. For reasons other than finances, enrollment, and attrition, teachers will be given advance notice in writing no later than the end of the school year. An attempt will be made to notify the bargaining unit member in person.
- d. If bargaining unit member building and/or grade level assignment is expected to change for the coming school year, the Superintendent shall notify the bargaining unit member to be reassigned not later than July 30 of the current school year. Generally speaking, bargaining unit members who are not so notified can assume that they will retain their present assignments for the coming year.

If changes in bargaining unit member assignments are necessary after August 1, the Superintendent will have a conference with the bargaining unit member(s) who are to be reassigned. The final decision regarding transfers or reassignments rests with the Superintendent.

Bargaining unit members shall be reimbursed for involuntary transfers up to two hundred dollars (\$200.00) per bargaining unit member for class supplies and materials, with each building having a pool of one thousand dollars (\$1,000.00). If requests total more than one thousand dollars (\$1,000.00) at a building, reimbursement shall be prorated equally among the bargaining unit members. Receipts must be turned in by September 30. Reimbursed items shall remain the property of the school district.

F. Reduction in Force

1. Definitions:

a. Reduction in Force

The parties agree that the procedures apply only to the suspension of contracts caused by decreased enrollment of pupils, elimination of an educational program, return to duty of regular bargaining unit members

after leaves of absence, or by reason of suspension of school or territorial changes affecting the district, or for financial reasons, or any reason authorized by Section 3319.17 of the Ohio Revised Code.

2. Procedures:

If the Board determines that it is necessary to reduce the number of bargaining unit positions in whole or in part for the reasons set forth above, the following procedure shall apply:

- a. The Superintendent shall accomplish reduction in staff through attrition resulting from resignations, retirement and transfers before contracts are suspended.
- b. To achieve such a reduction, the Board may proceed to suspend contracts in accordance with the recommendation of the Superintendent. In making these recommendations, the Superintendent must reduce first bargaining unit members on limited contracts and then bargaining unit members on continuing contracts within areas of certification/license.
 - i. Limited contract teachers shall be reduced first utilizing the following order:
 - (a) Certification/Licensure within the affected teaching field.
 - (b) Comparable evaluations as defined in this Agreement.
 - (c) When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior limited contract teacher in the affected teaching field being the first to be suspended.
 - ii. Should the necessary reduction of teaching positions exceed the number of limited contract teachers in the affected teaching field, continuing contract teachers shall be reduced utilizing the following order:
 - (a) Certification/Licensure within the affected teaching field.
 - (b) Comparable evaluations as defined in this Agreement.
 - (c) When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior continuing contract teacher in the affected teaching field being the first to be suspended.

- c. On a case-by-case basis, in lieu of suspending a contract in whole, the Board may suspend a contract in part, so that an individual is required to work a percentage of the time the employee otherwise is required to work under the contract and receives a commensurate percentage of the full compensation the employee otherwise would receive under the contract.
- 3. Comparable Evaluations

For the 2013-14, 2014-15, and 2015-16 school years, any teacher rated above Ineffective shall be comparable.

Effective with the 2016-17 school year, comparable evaluations shall be defined as follows, with Ineffective Teachers being considered first, then Developing Teachers, then Skilled, then Accomplished:

 - a. All Accomplished Rated Teachers will be deemed comparable to each other.
 - b. All Skilled Teachers will be deemed comparable to each other.
 - c. All Developing Teachers will be deemed comparable to each other.
 - d. All Ineffective Teachers will be deemed comparable to each other.
- 4. For purposes of reduction in force, decisions regarding non-OTES bargaining unit members will be based upon seniority and continuing contract status.
- 5. Seniority
 - a. All members of the bargaining unit will be placed on a seniority list for each teaching field for which they were properly certificated/licensed by October 1 of the each school year. Such list will be provided to the president (not later than October 10 of the year in which the list is valid). Bargaining unit members serving under limited contracts will be placed on the list under continuing contract bargaining unit members listed in descending order of seniority.
 - b. Seniority will be defined as the length of continuous service as a member of the bargaining unit defined herein.
 - i. Board approved leaves of absence will not interrupt seniority.
 - ii. If two or more bargaining unit members have the same length of continuous service, seniority will be determined by: the date of the board meeting at which the bargaining unit member was hired, and

then by the order in which the bargaining unit member was hired according to the official board minutes.

- iii. A bargaining unit member so affected may elect to displace a bargaining unit member who holds a lower position on a seniority list for another area of certification/licensure. Among employees with comparable evaluations, seniority shall be the determining factor when displacing.
- iv. Bargaining unit members with valid contracts will not be reduced in force during any school year. Staff members whose positions may be reduced shall be notified by May 30 of that possibility.
- v. The Board must act to implement the reduction in force by August 1. Displacement must occur by August 15.
- vi. The Association shall also be notified of those positions which may be reduced and which are reduced.
- vii. The staff requirements and projected enrollment of students for all schools in the district will be available upon request to the East Palestine Education Association.
- viii. The Board of Education retains the right to determine necessary program and staffing requirements.

6. Recall Provisions:

- a. Seniority shall not be the basis for recalling a teacher, except when making a decision between two teachers who have comparable evaluations.
- b. The names of bargaining unit members whose contracts are suspended in a reduction in force will be placed on a recall list for a period of 24 months from August 15 to August 15 or until the bargaining unit member declines a bargaining unit position of equal salary and hours, whichever comes first.
- c. If an opening occurs, teachers whose contracts have been suspended in whole or in part shall be rehired to positions for which they are properly licensed and qualified to teach. Seniority shall not be a factor in recalling any bargaining unit member, unless the decision is between teachers with comparable evaluations. In addition, teachers with continuing contracts will be given preference in recall. The Board shall send a registered letter to eligible bargaining unit members certificated/licensed for the position at their last known address to advise them of a vacancy. Communication by

telephone is authorized, with a written follow-up. The bargaining unit member shall notify the Superintendent within seventy-two (72) hours (3 days) of the date the communication is received to indicate his or her acceptance of the positions. Any bargaining unit member who declines to accept the position will forfeit all recall right. It is the bargaining unit member's responsibility to keep the Board informed of his/her whereabouts. If a bargaining unit member will be unavailable for a period of time, the teacher may file a written statement indicating his/her acceptance of any position offered in advance.

- d. No new bargaining unit member shall be employed by the Board while there are bargaining unit members on the recall list who would be fully certified/licensed before the beginning of the teaching duties.
 - e. After all continuing contract bargaining unit members have been recalled, then vacancies will be offered to the senior of those holding limited contracts.
 - f. A bargaining unit member on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulation of sick leave, and salary schedule placement as he/she enjoyed at the time of layoff. No service credit for salary purposes will be granted for the time that the bargaining unit member's contract was suspended.
7. General Provision:
- a. Nothing herein shall in any way prohibit, prevent, or retard the laid off bargaining unit member from securing unemployment compensation.
 - b. Bargaining unit members who are affected by a reduction in force will be employed as substitute teachers to serve on an as-needed basis, provided that they apply in writing to the Superintendent for such service.

A. Maintenance of Standards

During the duration of this contract, the East Palestine City Board of Education shall maintain all classroom supplies, building budgets, retirement benefits, and insurance benefits at a level consistent with the effective date of this contract.

B. Severability

In the event there is a conflict between a provision of this contract and Ohio Revised Code 4117.10(a) or federal law, or valid rule or regulation adopted by a federal agency as determined by a court of competent jurisdiction, Ohio Revised Code 4117.10(a) or federal or valid rule or regulation adopted by a federal agency shall prevail as to that provision. All other provisions of this contract which are not in conflict with Ohio Revised Code 4117.10(a) or federal law, or valid rule or regulation adopted by a federal agency thereto, shall continue in full force and effect in accordance with their terms. The parties will meet to negotiate any necessary change in the contract relative to the affected provision within sixty (60) days by demand of either party.

If, during the term of this contract, there is a change in Ohio Revised Code 4117.10(a) or federal, or valid rule or regulation adopted by a federal agency pursuant thereto, which would invalidate any provision of this contract, as determined by a court of competent jurisdiction, the parties will meet to negotiate any necessary change in the contract relative to the affected provision within sixty (60) days by demand of either party.

If, during the term of this contract, there is a change in any applicable state or federal law, or valid rule or regulation adopted by a federal agency or a state agency pursuant thereto, which requires the Board of Education to develop policies that affect the term(s), condition(s) of employment or working condition(s), then the parties will meet to negotiate the additional terms, conditions of employment, or working condition within sixty (60) days by demand of either party.

C. No Strike

ARTICLE XI -- COMPENSATION FOR EXCELLENT RATING

ARTICLE XII – TEACHER EVALUATION

The Superintendent will determine whether the Ohio Teacher Evaluation System (“OTES”) provision in this Article will be retroactive to July 1, 2013, or will be implemented effective December 1, 2013.

A. Evaluation Objectives

The objectives of the evaluation are:

1. To identify skills, attitudes, abilities and resources which can lead to the achievement of the district goals and standards for the teaching profession.
2. To improve and reinforce the skills attitudes and abilities which enable an employee to be effective in achieving district goals and standards for the teaching profession.
3. To help educators self-assess, collaboratively discuss self-assessment results with peers or supervisor, and develop specific goals and plans for their individual professional development plan (IPDP).
4. To identify and remediate weaknesses which prevent an employee from achieving the goals of the district and the standards of the teaching profession.
5. To provide the Board with an instrument to be utilized in employment decisions.

B. Evaluation Committee

The Ohio Standards for the Teaching Profession (See Appendix M) define the expectations for Ohio’s teachers based on what is known about the traits and skills of effective teachers. Setting high expectations and clearly stating the criteria needed for success is essential in creating an evaluation system to guide the professional development and growth of teachers in our district. An Evaluation Committee will be created to review an evaluation process that will be based on the Ohio Standards for the Teaching Profession. The committee shall be made up of one (1) teacher representative from each building, two (2) building principals, and the Superintendent, **or designee**.

1. The teacher representatives will be chosen by the Association. The administrative members will be chosen by the administration.
2. Minutes prepared by the EPEA of the committee’s meetings will be made available to the membership.
3. All committee members shall receive SGM training and other training relevant to OTES, as mutually agreed to by the parties, prior to beginning their work.

4. Members of the committee will be paid twenty-two dollars (\$22.00) per hour for work beyond the school day.

C. Functions of the Committee

The committee shall meet one time per month during the 2013-2014 school year. The committee will determine the frequency of meetings for the future school years.

The committee will meet to review the evaluation instrument and process to assure compliance with the "Standards for the Teaching Profession" (<http://www.ode.state.oh.us/GD>) and with any legislative compliance for teacher evaluation.

The committee will also:

1. Update staff on OTES revisions or practices
2. Approve SLO's (Student Growth Measures)
3. Provide support, as needed, to staff development of growth and improvement plans
4. Conduct an end of year assessment of the evaluation system
5. Suggest improvements or changes at the end of each school year
6. Review district wide student growth data

In the event of legislative action by the Ohio General Assembly that impacts in any way on this topic, the parties to this agreement shall discuss this topic to determine whether adjustments are appropriate during the term of this agreement. The implications of changes made to the Ohio Revised Code regarding evaluation shall be bargained without opening the entire negotiated agreement.

If either party wishes to consider any change or revision to the evaluation process, including the evaluation instrument, during the term of this agreement, it will discuss the matter with the committee. If the discussion results in a recommendation by the committee to change or revise the evaluation procedure or process during the term of this agreement, then said recommendation shall be subject to ratification by the Board and Association.

D. Evaluation Framework

Each Teacher will be evaluated according to the Ohio Teacher Evaluation System Framework, which is aligned with the "standards for the teaching profession" adopted by ORC. Each teacher will be evaluated using the multiple factors set forth in the State Board of Education's teacher evaluation framework.

E. Schedule of Evaluations

Each teacher shall be evaluated at least once each school year, except as provided in Article XIV – Item F.

1. Each evaluation shall consist of two (2) separate observations. One observation cycle shall be completed each Semester.
2. The evaluation must be completed annually by May 1st and the teacher will receive the written evaluation report by May 10.

F. Evaluation of Contracted Teachers

1. All instructors who meet the definition of “teacher” under RC 3319.111 and this policy shall be evaluated based on at least two formal observations.
2. Teachers on a limited contract who are under consideration for nonrenewal shall receive at least three formal observations.
3. A continuing contract teacher who receives a rating of “Accomplished” on his/her most recent evaluation shall be evaluated every other school year.

In evaluating teacher performance in these areas, the Board shall utilize the measures set forth by the Ohio Department of Education’s OTES “Teacher Performance Evaluation Rubric” for instructional planning, instruction, and assessment, and professionalism, incorporated herein as “Teacher Performance Evaluation Rubric.”

Each teacher evaluated under this policy shall complete a “Self-Assessment,” utilizing the self-assessment summary tool set forth herein as “Self-Assessment Summary Tool” for the 2013-2014 school year. In subsequent years, the use of the tool may be requested by the evaluator.

The Board will not contract with an administrator for the sole purpose of conducting OTES evaluations. For teachers being considered for nonrenewal, evaluators shall be regularly-contracted East Palestine Schools building-level administrators.

Unless otherwise agreed by the parties, the teacher shall not be electronically recorded (audio and/or visual) during formal and/or informal observations.

G. Formal Observation Procedure

1. The observation shall be sufficient in length to provide the evaluator with a clear impression of the quality of the instructional program, performance and attitude of the employee – but not less than thirty (30) consecutive minutes.

2. All formal observations shall be preceded by a conference between the evaluator and the employee up to three (3) working days prior to the observation in order for the employee to explain plans and objectives for the classroom situation to be observed.
3. Teachers shall not be observed on a day before or after the following: the administration of standardized testing; a holiday or any break from a scheduled day (excluding weekends); party days as scheduled at the beginning of the school year by the Building Leadership Teams for those teachers having party days; or the day after an approved leave of absence of three (3) or more days.
4. A post-observation conference shall be held within five (5) working days after each formal observation.
5. There shall be at least fifteen (15) working days between observations

H. Informal Observation/Classroom Walkthrough Procedure

1. The observation cycle may also consist of a minimum of (2) periodic classroom walkthroughs of at least 3 minutes in length.
2. Classroom walkthroughs shall not unreasonably disrupt and/or interrupt the learning environment.
3. The walkthrough must be placed on the form designated OTES Walkthrough Informal Observation.
4. A completed form must be shared with the employee within a three (3) day period of time.
5. Assessment of Student Growth: In determining student growth measures, the Board adopts the Ohio Department of Education's Ohio Teacher Evaluation System (OTES), which calculates student growth by assessing achievement for an individual student occurring between two points in time. It is important to note that a student who has forty-five (45) or more unexcused absences for the school year will not be included in the determination of student academic growth.

I. Accomplished Teachers

A teacher receiving an effectiveness rating of "Accomplished" on the teacher's most recent evaluation may choose an alternative to the annual evaluation as outlined in Section F of this contract. A teacher who is identified as "Accomplished" in the most recent evaluation may choose to be evaluated every two years in lieu of an annual evaluation.

This option would be available to the teacher providing the teacher maintains an “Accomplished” rating.

J. Summative Evaluation

Each teacher will receive a Summative Evaluation Report by May 10. The summative evaluation will be based on 50% student growth measures and 50% teacher performance.

1. Student Growth Measures will include value added scores when available from the Ohio Department of Education.
2. Other growth measures will be used when valued-added scores are not available and /or to supplement value added assessments. These student growth measures must meet state designed criteria and guidance. A list of additional growth measures may be found in Appendix G.
3. Teacher performance assessment will be based on the rubric found in Appendix E.
4. The District or each building separately may use shared attribution SGM scores as determined in consultation with the Evaluation Committee. Such decision must be made and communicated to the Superintendent by April 1 of each school year.

K. Evaluation Matrix

Each teacher will receive a performance rating based on the Evaluation Matrix – Appendix F. Each teacher will receive a performance rating of:

- Accomplished
 - Skilled
 - Developing
 - Ineffective
1. Teachers with above expected levels of student growth will develop a professional growth plan and may choose their credentialed evaluator for the evaluation cycle.
 2. Teachers with expected levels of student growth will develop a professional growth plan collaboratively with the credentialed evaluator and will have input on their credentialed evaluator for the evaluation cycle.
 3. Teachers with below expected levels of student growth will develop an improvement plan with their credentialed evaluator. The administration will assign the credentialed evaluator for the evaluation cycle and approve the improvement plan.

L. Rebuttal

The employee has the right to rebut his/her evaluation. The rebuttal shall be signed and attached to the employee's evaluation. The employee's signature does not indicate agreement with the evaluation, but does indicate that the employee has seen it.

- M. The Superintendent shall annually cause to be filed a report to the department of education the number of teachers for whom an evaluation was conducted as well as the number of teachers assigned each rating as set forth above, aggregated by teacher preparation programs from which and the years in which the teachers graduated. Unless required by law, teachers' names and any other personally identifiable information shall not be reported to the Ohio Department of Education.
- N. Given the dynamic nature of the mandated teacher evaluation process, the Board authorizes and directs the Superintendent to establish and maintain an ongoing Evaluation Policy Consultation Committee, with continuing participation by District teachers, and for the express purpose of recommending necessary changes to the Board for the appropriate revision of this policy.
- O. Long-term substitute teachers who are governed by OTES will be evaluated according to OTES. However, they will be nonrenewed automatically at the end of their contract without action by the Board.
- P. During the 2013-14, 2014-15, and 2015-16 school years, student growth data shall not be used to nonrenew a teacher.

ARTICLE XIII -- EFFECTS OF THE AGREEMENT

- A. The terms of this Agreement will be effective from July 1, 2013, and will continue and remain in full force and effect until June 30, 2016. Negotiations for a successor agreement will commence pursuant to the provisions of the Negotiated Agreement.
- B. This agreement represents the full understanding and commitment between the parties and replaces all previous agreements, relative to items contained herein. This agreement may be added to, deleted from, or otherwise changed only by an amendment properly signed by each party.
- C. The East Palestine City Board of Education shall change its personnel policies and practices as may be necessary in order to give full force and effect to this Agreement. Should there be a conflict between this agreement and any such policy or practice, then the terms of this agreement shall prevail.
- D. No later than sixty (60) days subsequent to the execution of this agreement, copies shall be printed by the Association and the East Palestine City School District expense, and distributed to each bargaining unit member. Each bargaining unit member hired hereafter

also shall receive a copy. The Association shall be supplied with an additional thirty (30) copies of the agreement. Any subsequent revisions or amendments also shall be printed at the East Palestine City Board of Education's expense, and distributed to each bargaining unit member.
