ARTICLE 4. UNION RIGHTS

Section 1

The Employer agrees to furnish the Union, a list of personnel transactions which involve additions to or deletions from the bargaining unit as they occur. The Employer will include in the list, employees completing their probationary period, and employees promoted or transferred into or out of the bargaining unit. The list will show the names of the employees and the effective date of the transaction.

Section 2

The Employer agrees to install one (1) Employer furnished bulletin boards of 2 ft X 3 ft size for the posting of Union information to be located in mutually agreed upon area. This bulletin board shall be used exclusively for the posting of Union communications.

Section 3

The Union shall be represented by one (1) steward and two (2) alternate stewards. The Union shall furnish their names to the Employer. The alternate steward shall serve in the absence of the regular steward. With prior approval from the immediate supervisor, the steward or alternate stewards shall be released from his/her duties, based upon minimum staffing requirements, and paid a total combined maximum of five (5) hours per week for time spent to handle all union related matters, including, but not limited to negotiations, attendance at the health care cost containment meetings, investigating and processing grievances and in meetings with the Employer's representative. The maximum release time shall be the combined time of the union officers the steward and the

alternative stewards. Union business handled during non-scheduled hours shall not be compensated.

With the prior approval of the immediate supervisor, the steward or alternate steward shall notify the immediate supervisor that he/she is leaving his/her job to handle a union related matter and shall report when returning to work. This privilege shall not be abused and any abuse will be subject to disciplinary action.

Section 4

The Union shall possess the right to use the Bargaining Unit employee mailboxes for distribution of Union material.

Section 5

With prior notice provided to the Employer, representatives of the Union shall be permitted reasonable access to bargaining unit employees' workplaces. Union related business shall not be conducted when inmates/clients are present and shall not interfere with the work of the employee. The Employer's rights and responsibilities to administer its operations take precedence over any request by the Union for access to bargaining unit employees' workplaces.

Section 6

The Union Steward may attend and make a presentation, within the time allotted under Section 3 of this Article, at employee orientation programs that include a potential member of the Bargaining Unit.

Section 7

The Union shall be permitted to hold meetings on Employer property. Dues deductions shall be made in equal installments each pay period. The Union shall inform the Employer of the amounts to be deducted under this Article.

All sums deducted shall be forwarded to the Union officers, designated by the Union, within ten (10) days after the deductions were made. The Employer shall not be responsible for conditions in the County Auditor's Office that cause delay.

Section 2

As a condition of their continued employment, after and sixty (60) days of employment, employees in the bargaining unit who are not members of the Union shall pay to the Union a fair share fee. This arrangement does not require any employee to become a member of the Union, nor shall fair share fees exceed dues paid by member of the Union who are in the bargaining unit. The union shall prescribe an internal procedure to determine a rebate, if any, for nonmembers which conforms to federal law, provided a nonmember makes a timely demand on the Union. Absent arbitrary and capricious action, such determination is conclusive on the parties except that a challenge to the determination may be filed under the arbitration procedure provided in the Union's Policy of the Executive Board Regarding Fair Share Fees, specifying the arbitrary or capricious nature of the determination. The deduction of fair share fee by the Employer and its payment to the Union is automatic and does not require the written authorization of the employee.

The internal rebate procedure shall provide for a rebate of expenditures in support of partisan political or ideological causes not germane to the work of the Union in the realm of collective bargaining.

Any public employee who is a member of and adheres to established and traditional tenets or teaching of a bona fide religion or religious body which has historically held conscientious objections to joining or financially supporting an employee organization and which is exempt from taxation under the Internal Revenue Code shall not be required to join or financially support the Union as a condition of employment. Upon submission of proper proof of religious conviction to the Employer and the union, the parties shall declare the employee exempt from becoming a member or financially supporting the Union. Disputes arising under this paragraph shall be resolved through the arbitration procedure provided under the Union's Policy of the Executive Board Regarding Fair Share Fees, attached hereto. The exempt employee shall be required, in lieu of the fair share fee, to pay an amount of money equal to the fair share fee to a nonreligious charitable fund exempt from

taxation under section 501(c) (3) of the Internal Revenue Code mutually agreed upon by the employee and the Executive Director of the Union. The employee shall furnish to the Union written receipts evidencing such payment, and failure to make payment or furnish the receipts shall be subject the employee to discharge.

Section 3

ARTICLE 6. NO-STRIKE PLEDGE

Section 1

Section 2

The Union shall cooperate with the Employer in continuing operations in a normal manner and shall actively discourage and endeavor to prevent or terminate any violations of Section 1. In the event that an employee or employees engage in a violation of this article as determined by the Employer, the Employer shall notify the Union, either in writing or orally that such violation has occurred. The Union shall then promptly notify all employees, orally and in writing, that such action is prohibited and shall order all employees to cease such action and, where applicable, return to work at once. In the event that the Employer determines that the Union has failed to promptly notify the employees and order them to return to work in accordance with this provision or that the Union has otherwise engaged in, participated in, or encouraged a work stoppage or strike in violation of this article, such action on the part of the Union shall constitute a material breach of this Agreement

Section 3

In the event that either the Union or the employees violates any provision of Article 6, the Employer shall have available all remedies provided at law or in equity, including but not limited to injunctive relief under Sections 4117.15 and 4117.16 of the Ohio Revised Code.

After one year	70 hours	2.70 hours/pay period
After five years	105 hours	4.04 hours/pay period (after 6 years)
After 10 years	140 hours	5.39 hours/pay period (after 11 years)
After 15 years	175 hours	6.74 hours/pay period (after 16 years)

Job share employees shall be entitled to accumulate annual vacation leave with pay, in proportion to the hours paid each bi-weekly pay period in active pay status. Active pay status included vacation and sick leave, but not unpaid leave.

The increase in the rate of accumulation shall occur one year later. For example, an employee upon completing five (5) years of service will receive a single, advanced adjustment of +35 hours to the employee's vacation leave balance. As the vacation leave balance already included the additional 35 hours, the employee will continue to earn vacation leave at the same rate of 2.70 hours/pay period. One year later, the rate of vacation leave accumulation will be increased to 4.04 hours for each pay period. This will result in a total of 105 hours of vacation leave being accumulated over the course of the next year.

Section 2

Any employee of the Employer, having been formerly employed by the State or any political subdivision of the State of Ohio, is entitled to have his/her full time prior service with any of these employers counted as service with the facility for the purpose of computing hours of vacation eligibility. Vacation leave credits for such years of service will be considered in determining the total number of hours of vacation eligibility. An employee desiring such vacation eligibility credits must provide written proof of beginning and ending employment dates and the number of pay periods that the employee worked in a full-time status from the previous employer(s). The vacation leave entitlement shall be computed from the beginning date of public service in Ohio.

Under exceptional circumstances only, an employee may request permission to carry-over thirty-five (35) hours of vacation leave credit. Such a request must be submitted in writing to the Facility Director. Final approval will be determined by the Facility Director. A copy of the request and the action taken will be placed in the employee's personnel file. Failure to comply with the requirements of this section will result in the loss of the carry over amount of accumulated unused vacation leave. In the event that an employee was turned down for a timely requested vacation, the employee will be allowed to carry it over to the next year.

Section 5

Vacation leave shall be taken at such time as approved by the Facility Director. The Employer shall maintain an accurate accounting of vacation leave on each employee under its supervision. Employees are allowed to request vacation up to 4 months in advance.

The scheduling of vacation will be done on a first come first served basis. Multiple requests submitted on the same day will be considered in the order of employee seniority. An employee will not be permitted to have both Christmas day and New Year's Day off in the same 8 day period. The Employer reserves the right, in case of necessity, to cancel previously approved vacation.

However, except in the case of a bona fide emergency, the Employer will not cancel a vacation where the employee has made an advance purchase of tickets or other accommodations.

Section 6

Vacation leave shall be requested on the form, as provided by the Employer, at least two weeks in advance. The two week advance notice may be waived at the discretion of the Facility Director.

Section 7

APPENDIX B

Pay Rate for Acting Positions (Temporary Working Level - TWL)

When an employee is placed in an acting position (temporary working level - TWL) for two weeks or more, compensation will be adjusted as follows:

A comparison will be done to determine which method will be used:

Method A: Recommendation will be based on determination of salary, if employee were promoted to the position. An evaluation will be done comparing what the employee would be making had the employee stayed in the pre-promotion position against the salary schedule for the new position (TWL). The goal is to get the employee into alignment with the salary based on time in position.

For instance, an employee may be required to start at the 18-month level (step 3) but not go to the 3-year level (step 4) until the employee is in the new position for 3 years. There will be an analysis to ensure the employee will always be 2-4% above what he/she would have been at the pre-promotion position

Method B: A supplement will be added to the employee's base rate of pay, calculated as follows. One-half of the difference between the starting rates of pay (Hire - Step 1) for each of the positions.

For instance, if Step 1 for the pre-TWL position is at \$10.00 per hour and Step 1 for the TWL position is \$12.50 per hour, there is a \$2.50 per hour difference. Half of this is \$1.25. The \$1.25 will be a supplement added to the employee's pre-TWL hourly rate.

If the additional compensation for Method B is above what the compensation for Method A equals, Method A will be provided. This is done in an effort to avoid the employee taking a pay cut if the employee is officially promoted to that new position.

Appendix C To Article 21 Section 4

Posts normally assigned to members of the bargaining unit shall not be covered by employees outside the bargaining unit unless no corrections officer is willing/available to cover.

Current practice: CTF currently schedules Treatment staff seven (7) days a week, on first shift, to assist in covering all post assignments. This is due to only having a total of five (5) CO's assigned to first shift to cover seven (7) days a week. At times, when the current level of CO's on duty at that moment, do not permit an immediate operational need to be met, treatment staff, supervisory staff or management staff, will be asked to perform that task or duty. i.e. Transports for Court, Medical or Administrative needs. Also, if all CO's are currently busy with assigned tasks, treatment staff are asked to do other duties such as, Facility counts, passing chemicals or food trays, taking Residents to recreation.

If CTF has a CO call off for the oncoming shift, or an emergency arises, which would incur a short notice for coverage issue, the following is the procedure used for coverage:

CO's on duty are asked by seniority to cover a post voluntarily. If no one volunteers, the low seniority CO is forced over to stay. At no time are Treatment staff asked to work any overtime unless all CO's are first contacted, or attempted to be contacted, either by inquiring of those on duty or using the phone number provided to the Supervisors by the CO's. A message may be left to call back for coverage, but CTF does not wait for a call back and goes on to the next person on the list Gender coverage issues may play a part in possibly not making contact with a specific gender CO first.

If CTF posts for overtime coverage, the CO's always have first option to sign up for that posting. Treatment staff may sign up if no CO's are interested. CO's always have bumping rights on postings if a treatment staff member has previously signed up for the overtime.

APPENDIX D. LEAVE DONATION

A CTF employee may voluntarily donate his/her accrued but unused sick or vacation leave to another CTF employee who has no available paid leave and who has a critical need for it due to a catastrophic or terminal injury or illness of the employee or a member of the employee's immediate family for whom the employee is caring. For purposes of this policy, immediate family shall be defined as a spouse, child (biological, adoptive or step), parent, step parent, or, with proper documentation, childhood guardian of the employee.

The determination of whether an employee is eligible to receive donated leave shall be by the FGB Chair upon the recommendation of majority vote of the Leave Donation Committee.

Recipient:

An employee may receive donated leave up to the number of hours the Employee is scheduled to work each pay period. The following Conditions must be met:

The employee or a member of the employee's immediate family has a catastrophic injury or a terminal or serious illness as defined by Leave Donation Committee; Has exhausted or has no accrued paid leave; Has provided the Employer with medical certification of the medical condition; if the leave is for care of a member of the immediate family, the medical statement must also certify the necessity of the employee's presence; and Is not eligible for any worker's compensation or benefits program or has applied for but has not received, or has exhausted, any paid leave, any worker's compensation or benefits program payments for which the employee is eligible. Employees receiving Colonial or other disability insurance must submit documentation for prorated leave donation calculations.

The leave to be donated will be credited to the recipient hour for hour. No employee shall receive a donation greater than thirty-five (35) hours from any individual donor. Pay shall not exceed recipient's normal 70 hours (prorated for part time), including money received from Colonial (or any other applicable) Insurance. Donation period shall not exceed 90 days without re-certification from health care provider. A one-time extension beyond 90 days (for an additional 90 days) will be determined by the original committee members. Any extensions beyond the second 90 days will be determined by the FGB Chair.

Donor:

An employee may donate not more than a combined total of thirty-five (35) hours of sick and/or vacation leave if the donating employee:

Voluntarily elects to donate sick and/or vacation leave and does so with the understanding that donated leave will not be returned under any circumstance; Donates a minimum of seven (7) hours; and Retains a sick leave balance of at least two hundred eighty (280) hours if sick leave is donated and/or retains a vacation leave balance of at least seventy (70) hours if vacation leave is donated.

Administration:

The Leave Donation Program will be administered by the Human Resources Department on a pay period-by-pay period basis. Employees using donated leave shall be considered in active pay status and shall accrue leave and be entitled to any benefits to which they would otherwise be entitled. Leave accrued by an employee while using donated leave, shall be used, if necessary, in the following pay period before additional donated leave may be received. Time spent on donated leave shall not count toward the probationary period of an employee who receives donated leave during his/her probationary period. Donated leave shall be considered sick or vacation leave but shall never be converted into a cash benefit. In the event there are multiple donors giving more than 7 hours, the donation will be taken 7 hours per person before going back and deducting in excess of 7 hours from any individual.

Committee Selection/Duties:

Volunteers will be solicited from line staff and management. Committee will be made up of two representatives from line staff and two from management. Each group will have one alternate. Line staff representatives will be elected by majority vote of all CTF employees. Alternate members will be used in the event there is a conflict of interest. Committee members will elect a chairperson. Training session to be conducted with all committee volunteers to determine catastrophic illness. Renewals will be done annually to determined continued interest.

Donation Procedure;

Employees who wish to donate sick or vacation leave shall certify, in writing, on forms provided by the Employer:

The name of the employee for whom the donated leave is intended;

The number and type of hours to be donated (a minimum of seven (7) hours is required);

That the donation of leave will not reduce the employee's vacation leave balance below seventy (70) hours or the employee's sick leave below two hundred eighty (280) hours at the time of deduction; and

That the leave is donated voluntarily and the employee understands that the donated leave will not be returned under any circumstances.

Other Factors:

The leave donation program is not subject to the grievance process by the recipient, donor, or any other individual. The Employer respects an employee's right to privacy. However, the Employer may, with permission of the employee who is in need of leave, inform employees of their co-worker's critical need for leave. The recipient will be required to indicate on the Donation Request Form the purpose of the request for employee's consideration. No employee shall be required or forced to donate leave. The Employer shall not solicit leave donations from employees. The employee shall not solicit leave donations from other employees other than through this process.
