Voluntary deductions may be deleted at any time. The above list is not all-inclusive but at least five (5) bargaining unit members must participate in any other requested payroll deduction.

ARTICLE 19: REDUCTION IN FORCE

19.01 The Lawrence County Joint Vocational School Board of Education is authorized by Section 3319.17 of the Ohio Revised Code to reduce the number of teachers employed by the district in four (4) specified situations: 1) Where there has been a decline in pupil enrollment; 2) Where regular teachers have returned from a leave of absence; 3) Where school has been suspended; or 4) Where there have been school territorial changes affecting the district. The Board may also reduce the number of teaching positions when the elimination of a program or a reduction in the number of persons teaching within a program is called for due to the loss of local, state, or federal funding. When the Board of Education decides, for any of the above reasons, that it is necessary to reduce the number of teachers, they may make a reasonable reduction at the discretion of the Board. Such reduction in force is an alternative means of achieving staff reductions, which may be used separately or in conjunction with the contract non-renewal procedure of ORC 3319.11, or its successor legislation.

19.02 SENIORITY

For the purpose of this Article, seniority shall be defined as the length of continuous service in the Lawrence County Joint Vocational School District.

- A. Seniority shall begin to accrue from the first day worked in continuous service in the Lawrence County Joint Vocational School District.
- B. Seniority shall accrue for all the time a teacher is on active pay status in the Lawrence County Joint Vocational School District.
- C. Time spent on inactive pay status (which shall be deemed to include unpaid leave, lay off or time during which the teacher receives worker's compensation benefits for two (2) years) shall not contribute to the accrual of seniority but shall not constitute a break in seniority.
- D. Seniority may not be accrued while serving in a non-teaching administrative capacity, but seniority previous accrued shall not be forfeited by serving in such a capacity.
- E. Full time teachers shall accrue one (1) year of seniority for each year in which the teacher has worked a minimum of 120 days, and shall be placed on full-time seniority lists provided in 19.03.
- F. No teacher shall accrue more than one (1) year of seniority in any work year.
- G. Part-time teachers shall accrue seniority only with respect to other part-time teachers, which shall be set forth in a separate seniority list kept for part-time teachers, as provided in 19.03.

- H. If two (2) or more teachers have the same seniority, the most senior teacher will be determined by:
1. The date of the Board meeting at which the teacher was employed as a full-time instructor.
 2. If a tie exists, seniority shall be granted to the teacher holding a continuing contract with the Lawrence County Joint Vocational School District for the longest period of time, subject to the other provisions of this Article.
 3. If any ties remain after items 1 and 2 have been considered, the tie will be broken by using the last digit of the teacher's social security number and it is established that the higher the digit the greater the seniority. If those digits are the same number, the next to last number of each of the teacher's social security number will be used until one teacher is determined to have the higher digit, and therefore greater seniority.

19.03 SENIORITY LISTS

- A. All teachers shall be placed on a seniority list which shall contain the following information: the initial date of employment with the Lawrence County Joint Vocational School District, whether the teacher has a continuing contract or a limited contract and the dates on which these contracts began, each area in which the teacher is certified, and the amount of time the teacher has spent teaching in each area of certification. Full time and part-time teachers shall have separate seniority lists.
- B. The seniority lists shall be made available to all teachers in the employee handbook.
- C. Each teacher shall supply the Lawrence County Joint Vocational School District Superintendent with his or her areas and dates of certification, and shall promptly inform the Superintendent of any inaccuracies contained in the seniority lists provided in the employee handbooks.
- D. The certificate/licensure renewal is the teacher's responsibility.

19.04 When the Board of Education determines it necessary to reduce the number of teaching positions, the following procedures shall apply:

1. To the extent possible, the number of teachers affected by a reduction in force will be minimized by not employing replacements for employees who retire, resign, or whose limited contracts are not renewed for reasons other than reduction in force. Attrition alone may not be sufficient to accomplish necessary reductions.

2. Reductions needed beyond those available by attrition will be made by non-renewing or suspending contracts. In making such reductions, the Board of Education will suspend or non-renew contracts in accordance with the recommendation of the Superintendent, who is required to give preference first to teachers on continuing contracts and then to teachers who have greater summative evaluation scores in the area to be reduced. Those contracts to be suspended or non-renewed will be chosen as follows:
 - a. Reductions in any areas of certification will be made first from the lowest of the summative evaluation ratings in that area of certification. Teachers with comparable summative evaluation ratings will be reduced beginning with the teacher with the least seniority. A member affected may elect to displace a less senior member in another area of instruction who has a lower summative evaluation rating than the effected teacher provided he/she is certified in that area, by notifying the Superintendent of this request within fourteen (14) calendar days.
 - b. During the implementation of a RIF, no reassignment or transfer shall occur that will cause a teacher with a higher summative evaluation rating to be laid off except as provided by the other provisions of this Article.
 - c. A teacher to be laid off or non-renewed due to a RIF shall be given thirty (30) calendar days prior written notification prior to the implementation of the RIF.

19.05 The names of teachers whose contracts are suspended or non-renewed in a reduction in force will be placed on a recall list for up to twenty-four (24) months. Teachers on the recall list will have the following rights:

- A. No teacher will be employed by the Board of Education while there are teachers on the recall list who are certified for the vacancy.
- B. Teachers on the recall list will be recalled in reverse order the reduction, for vacancies in areas for which they are certified or become certified.
 1. Teachers on continuing contract status shall be recalled first, in order of summative evaluation ratings. Teachers on limited contracts shall be recalled second, in order of summative evaluation ratings.
 2. If a tie exists, the procedure delineated in Section 19.02(H) shall be followed to break the tie.

- C. If a vacancy occurs, the Board will send a certified announcement to the last known address of all teachers on the recall list who are qualified according to these provisions. It is the teacher's responsibility to keep the Board informed of his/her current address or lengthy vacation. All teachers are required to respond in writing and the response must be received in the Lawrence County Joint Vocational School District Superintendent's office within fourteen (14) calendar days of receipt of the certified announcement. The highest summative evaluation rating of those responding will be employed in the vacant position. Any teacher who fails to respond within fourteen (14) calendar days, or who declines to accept the position, will forfeit all recall rights. If any teacher declines to accept a recall position this will be considered to be break in service.
- D. A teacher on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulation of sick leave and placement on the salary schedule as entitled by law (ORC). Where group insurance policies permit, a teacher on the recall list who is unemployed and does not otherwise have group coverage available may continue to participate in those benefits which are provided to teachers in active employment provided the teacher pays the current group rates for such benefits.
- E. After twenty-four (24) months the teacher's name will be removed from the recall list. If the teacher applies for a teaching position after that time the teacher will be given serious consideration for the vacancy.

19.06 This Article creates no other contractual rights or causes for grievance or other action, but is strictly limited to the procedure to be followed in reduction in force situations.

ARTICLE 20: TRANSFERS, REASSIGNMENTS, AND PROMOTIONS

- 20.01 A vacancy shall be defined as any opening for a position in the Lawrence County Joint Vocational School District.
- 20.02 At anytime, the Superintendent will accept a form completed by any unit member, in which the unit member may list, in order of priority, any positions to which the member would be interested in being transferred, reassigned or promoted, if a vacancy occurs in such position. Forms for this purpose will be maintained in the Superintendent's office. The unit member may withdraw the completed form at anytime.
- 20.03 Posting a Vacancy Notice
- A. Upon the occurrence of a vacancy, a vacancy notice will be posted.
 - B. The vacancy notice with appropriate information shall be posted on the general bulletin board located in the Teacher's Lounge and bulletin boards in satellite locations and a copy of the posting will be placed in the bargaining unit member's mailbox. A copy of the postings shall be included in mailing of paychecks during the summer months.
 - C. The posting period will be for seven (7) working days on secondary instructor/teaching position and three (3) working days on Adult Instructor/Training positions.

- A. Declaration of interest filed by unit members as described in 20.02;
 - B. Qualifications of all unit members who responded to the posting of the vacancy notice; and
 - C. Qualifications of all other applicants
- 20.06 The Board retains the right to place the person of its choice into all vacant positions and to hire from outside to fill any vacant positions.
- 20.07 A transfer is a change in assignment by an employee from one bargaining unit position to another.

- A. A voluntary transfer shall be an employee initiated reassignment of an employee.
 - B. An involuntary transfer shall be an employer initiated reassignment of an employee.
- 20.08 No bargaining unit member shall be involuntarily transferred into any program conducted off the campus of the Lawrence County Joint Vocational School District.
- 20.09 Any Bargaining Unit member denied a request for voluntary transfer or voluntary reassignment may request a conference with the Superintendent or his designee to discuss the Bargaining Unit member request.

ARTICLE 21: ADDITIONAL JOB OPTIONS

- 21.01 Any unit member interested in teaching summer school, adult education and or youth programs shall have the responsibility of notifying the Superintendent in writing of his/her interest.

- 21.02 When a vacancy occurs as a result of a teacher's decision not to continue his or her service in the summer school, adult education and/or youth programs, the Board will offer first opportunity to fill the position to the Bargaining Unit member applicants who are certified in the area or assigned to the position during the normal work day. The Superintendent will reserve the right to fill such positions with other individuals if the opening is not filled in a timely fashion by a qualified Bargaining unit member. If the position to be filled is in the summer school program, the Bargaining unit member must agree to teach during both the summer terms.

- 21.03 Any additional job assignment will be assigned a summative evaluation score if the teacher has proper certification and/or credentials.

ARTICLE 22: EXTENDED SERVICE

ARTICLE 26: ADDITIONAL ASSIGNMENTS

- 26.01 If the Associate Director/Superintendent or his designee agrees, a teacher may assume the responsibilities of another member's students in addition to his/her own students. A member of the unit may voluntarily undertake such assignment, but the Board reserves its right to require a member of the unit to undertake such assignment when it is necessary, as is determined by the Associate Director/Superintendent or his designee. In such instances the employee shall be paid \$20.00 per class period.
- 26.02 The required assignment of another member's student to a unit member in addition to his/her own students shall not cause a member to be responsible for more than thirty (30) students during any one (1) class period.
- 26.03 Members will be responsible for submitting a time sheet at the end of each day to the Associate Director/Superintendent noting the periods taught.
- 26.04 Members shall be reimbursed \$20.00 per class period for such assignments required by the Board through the Associate Director/Superintendent or his/her designee.
- 26.05 Members who voluntarily assume another member's students shall not be reimbursed for such voluntary assignments.
- 26.06 Unit members shall have sick leave or personal leave time, which they use, deducted as provided for in Article 7 whether or not another teacher voluntarily assumes the member's responsibilities in his/her absence.

ARTICLE 27: RETIREMENT SEVERANCE PAY

- 27.01 Upon retirement from teaching, a unit member who has taught for ten (10) or more years in the Joint Vocational School and who has provided written notification of State Teachers Retirement System (STRS) retirement eligibility to the Board Treasurer, shall be paid in the amount of one-fourth (1/4) of his/her accrued but unused sick leave credit, up to a maximum of fifty (50) days.
- 27.02 Payment will be made at the unit member's per diem rate on his/her last full day of employment in the district.
- 27.03 Payment will be made no later than thirty (30) days after the member becomes a retiree of either the State Teacher's Retirement System or the State Employee's retirement System. Once such severance payment has been received by the retiree, all unused accumulated sick leave is surrendered and forfeited. Such payment will be made only once to any member.
- 27.04 Retirement for the purpose of this Agreement is defined as being that point at which a certificated professional employee has applied for and received a notice of his effective date of retirement from the State Teacher's Retirement System or the State Employee's Retirement System.
- 27.05 A unit member who has taught for ten (10) or more years in the Lawrence County Joint Vocational School District and who, upon retirement, has accrued unused sick leave credit of 200 days or more (which shall be deemed to include unused personal days) shall be paid as an attendance bonus additional ten (10) days above the maximum fifty (50) days provided in Section 27.01 above, for a total of sixty (60) days, and shall receive an extra bonus of one additional day for each year of teaching after the 10th year of teaching.

ARTICLE 28: STRS PICK UP

28.01 The Board shall pick up contributions to the State Teachers Retirement System paid on behalf of the employees in the bargaining unit utilizing the salary reduction method under the following terms and conditions:

- A. The amount to be "picked up" on behalf of each employee shall be at the current rate established by the State Teachers Retirement System of the employee's gross annual compensation or any statutorily mandated increase. - B. The pick up percentage shall apply uniformly to all members of the bargaining unit as a condition of employment.
- C. The parties agree that should the rules and regulations of the IRS, or the retirement system change making this procedure unworkable, the parties agree to return, without penalty, to the former method of employee/employer contributions.
- D. Payment for sick leave, personal leave, severance, supplemental, etc., including unemployment and worker's compensation, shall be based on the employee's gross pay or daily gross pay prior to the reduction as basis for STRS pickup (e.g., gross pay day divided by the number of days in a teacher's contract.)

ARTICLE 29: NEGOTIATIONS PROCEDURES

- 29.01 The Board recognizes its obligation to meet at all reasonable times and places, as agreed upon by the parties, to bargain in good faith upon all subjects as defined in Ohio Revised Code, Section 4117.08(A), but excluding those managerial functions which are specifically reserved to the public employer in Subsection C of the said Ohio statute.
- 29.02 The Board and the Association agree that neither side shall have more than five (5) representatives at any session of negotiations; however, the representatives shall not necessarily be the same individuals for every session.
- 29.03 The Board will be guided by law concerning its obligation not to attempt to control the Association's selection of representatives, as the Association will likewise not attempt to control the Board's selection of representatives.
- 29.04 The Board and the Association are amendable to either party proposing to bring competent professional or lay consultants to the negotiations, but only on the understanding that neither party shall be obliged to hear from any consultant.
- 29.05 The Board and the Association recognize that certain information and documents may become relevant to the bargaining and may be requested by either party of the other. The parties will consider each individual request for information or documents on its merits and advise whether the information or documents will be made available.
- 29.06 The Board and the Association recognize that it is not good practice and may be contrary to law to release statements concerning the negotiations to the news media. However, recognizing that a governmental unit cannot bind itself to silence on political issues, the Board will not contractually bind itself to silence on such political issues.
- 29.07 The Board's and the Association's chief negotiators shall memorialize in writing items tentatively agreed to in negotiations. However, such items shall not have contractual status between the parties until incorporated into an entire contractual package and ratified by the representatives of the Association and adopted by the Board.
- 29.08 The parties acknowledge that they have an alternative dispute resolution procedure to that provided in Ohio Revised Code Section 4117.14, which alternative procedure supersedes the provisions of that Section. Under the agreed upon alternative dispute resolution procedure, if impasse is declared by either party, or the parties are unable to reach agreement on all issues submitted for negotiations, either party may declare impasse on the issues yet unresolved. If impasse is declared the parties will mutually request assistance from the Federal Mediation and Conciliation Services in the form of a Mediator selected by the FMCS and the State Employment Relations Board. Impasse may be declared by either party. If after mediation for thirty (30) days the parties are still at impasse, either party may declare a stalemate in the negotiations at which time the Board will issue a final offer and the association will take that offer back to a vote of its membership. If the offer is rejected the Union may exercise their right to strike under O.R.C. Chapter 4117.14 procedures, with proper notification to the Board of Education.

- 29.09 Between ninety (90) and sixty (60) days prior to the expiration of this Agreement in any year in which negotiations are scheduled to occur, either party may notify the other in writing of a desire to commence bargaining.
- 29.10 When tentative agreement is reached on all items subject to negotiations, the proposed agreement shall be first submitted to the Association for ratification. Upon notifying the Superintendent by the president of the Association that the Association has properly ratified the agreement, it shall be submitted to the Board for its approval, and the Board will then conduct a ratification vote on the Agreement as soon as feasible.

ARTICLE 30: SEVERABILITY

All other provisions of this Agreement which are not in conflict with ORC 4117.10(a) or federal law, or valid rule or regulation adopted by a federal agency, thereto, shall continue in full force and effect in accordance with their terms. The parties will meet to negotiate any necessary change in the Agreement relative to the affected provision within sixty (60) days by demand of either party.

- 30.02 If, during the term of this Agreement, there is change in ORC 4117.10(a) or federal law, or valid rule or regulation adopted by a federal agency pursuant thereto, which would invalidate any provision of this Agreement, as determined by a court of competent jurisdiction, the parties will meet to negotiate any necessary change in the Agreement relative to the affected provision within sixty (60) days by demand of either party.

- 30.03 If, during the term of this Agreement, there is a change in any applicable state or federal law, or valid rule or regulation adopted by a federal agency or a state agency pursuant thereto, which requires the Board of Education to develop policies that affect the term(s), condition(s), of employment, or working condition(s), then the parties will meet to negotiate the additional term, condition of employment, or working condition within sixty (60) days by demand of either party.

It is agreed that picketing during an unauthorized strike is unlawful and in violation of this Agreement and may be enjoined by a court of competent jurisdiction, in accordance with ORC 4417.16. Once the Association has complied with its affirmative duties under this section, no legal action will be taken against the Association by the Board.
