PREAMBLE

This agreement made and entered into at Perkins Township, Ohio, by and between the Board of Trustees of Perkins Township as employer, hereinafter referenced to as "Employer," and the United Automobile, Aerospace and Agricultural Implement Workers of America, UAW, and its affiliated Local Union 913, hereinafter referred to as "Union."

Whereas both of the parties to this agreement are desirous of reaching an amicable understanding with respect to the employer-employee relationship which exists between them and entering into an agreement specifying rates of pay, hours of work, and conditions of employment, the following is agreed to.

ARTICLE 1

RECOGNITION

SECTION 1. The Employer recognizes the Union as the exclusive representative for full-time laborers employed with the Perkins Township Highway Department, for the purpose of collective bargaining with the Employer on questions concerning wages, hours of work, and other conditions of employment.

ARTICLE 2

MANAGEMENT RIGHTS

SECTION 1. Except as may be specifically limited within this agreement, the Employer retains the right and responsibility to:

- A. Determine matters of inherent managerial policy which include, but are not limited to areas of discretion or policy, such as the functions and programs of the public employer, standards of services, its overall budget, utilization of technology, and organizational structure.
- B. Direct, supervise, evaluate, or hire employees.
- C. Maintain and improve the efficiency and effectiveness of governmental operations.
- D. Determine the overall methods, process, means, or personnel by which governmental operations are to be conducted.
- E. Suspend, discipline, demote, or discharge for just cause, or layoff, transfer, assign, schedule, promote or retain employees.
- F. Determine the adequacy of the work force.
- G. Determine the overall mission of the Employer as a unit of government.
- H. Effectively manage the work force.

- I. Take actions to carry out the mission of the public Employer as a governmental unit.
- J. Promulgate reasonable work rules and regulations.

SECTION 2. The Union recognizes and accepts that all rights and responsibilities of the Employer not expressly restricted or modified herein and as provided by law shall remain the function of the Employer.

ARTICLE 3

UNION REPRESENTATIVES AND BARGAINING UNIT BUSINESS

SECTION 1. The Union will elect one (1) employee to be designated the chairperson. The authorized functions of the chairperson and an alternate elected by the Union who shall act in the chairperson's absence, are as follows:

- A. Attendance at Labor-Management meetings.
- B. Posting of Local and Union notices on bulletin boards.
- C. Representing the Union in investigating and processing grievances.
- D. Notifying the Employer of the Union's intent to invoke any steps of the grievance procedure beyond step 3, including arbitration.
- E. General supervisory review of grievances.
- F. Acting as liaison between the Employer and the Union.

The chairperson shall be released from his normal duty hours to attend functions listed above. Release shall be predicated upon the chairperson giving prior notice to the Highway Department and Facilities Superintendent of the general function he will attend to and the approximate time necessary to accomplish his purpose. The chairperson must notify his supervisor or the Superintendent in advance of his attending such functions in such a manner so as to not interfere with the immediacy of job requirements unless properly relieved. The chairperson shall not abuse release time under this provision. In no event will the chairperson receive overtime pay to conduct Union business or to process grievances, which other than under exceptional circumstances shall be done during the first or last hour of the chairperson's shift.

SECTION 2. Reasonable provisions shall be made by the Employer so that Union bargaining unit members selected as representatives on the negotiating committee might participate in negotiating sessions. Bargaining unit members shall only receive pay for time spent in negotiations occurring during their normal working hours, and shall not receive overtime pay.

SECTION 3. The chairperson (and alternate, combined) shall not be absent from work for Union or Local functions more than five (5) days per calendar year, except that in the first year of this agreement, the chairperson or alternate may be absent for a total of up to ten (10) days. No more than one (1) member may be designated for said leave at any given time.

SECTION 4. Upon request with reasonable advance notice to the Employer or its representative, an authorized representative of the UAW, International Union, may be on the work premises

during the first or last hour of the work day for the purpose of conducting Union business, and at such other times as may be mutually agreed or scheduled for hearings or meetings with the Employer or its representative.

ARTICLE 4

NON-DISCRIMINATION

SECTION 1. The parties agree that neither the Employer nor the Union shall discriminate against an employee because of his membership or non-membership in the Union or his participation in activities herein prescribed.

SECTION 2. The Employer and the Union agree that they shall not discriminate against an employee on account of race, color, creed, religion, sex, age, political affiliation or handicap.

SECTION 3. All references to employees in this agreement designate both sexes, and whenever the male gender is used, it shall be construed to include male and female employees.

ARTICLE 5

DISCIPLINE

SECTION 1. No employees shall be reprimanded, reduced in pay, suspended, discharged or removed or otherwise disciplined, except for just cause. This Section shall not apply, however, to employees who have not yet served their full probationary term as provided in Article 10. This Article shall not apply to the Employer's Attendance Policy or discipline thereunder except for Section 5.

SECTION 2. Discipline will be applied in a corrective, progressive and uniform manner insofar as possible. The steps of progressive discipline shall consist of a verbal reprimand, written reprimand, suspension without pay for one to three days, a second suspension without pay for three to five days, and termination. Nothing in this Article prohibits the immediate imposition of discipline which is non-progressive in nature. All discipline shall take into account the nature of the violation, the employee's record of discipline, and the employee's record of performance and conduct. All discipline shall be documented in an employee's personnel file.

SECTION 3. Whenever the Employer and/or its designee determines that there may be cause for an employee to be disciplined, which may result in a loss of pay or discharge, the Employer shall provide the employee with formal written charges within 20 days after the Employer learns of the employee's conduct, and a pre-disciplinary conference will be scheduled to give the employee the opportunity to offer an explanation of the alleged misconduct.

SECTION 4. Prior to the scheduled time of the conference the employee may waive the right to the conference. An employee who waives the right to the conference may not grieve the imposition of discipline in the matter for which the conference was scheduled. Employees shall be permitted to have their Union representative attend such conferences or hearings. The Employer shall give reasonable notice of a pre-disciplinary conference to the Union as circumstances may allow or permit.

SECTION 5. Following the imposition of discipline, any employee receiving an order of reduction, suspension or dismissal may appeal such order by the grievance procedure, Article 6.

SECTION 6. The parties agree that all disciplinary procedures shall be carried out in private and in a business-like manner.

SECTION 7. Disciplinary action shall cease to have force and effect or be considered in any future discipline matters after eighteen (18) months, provided there are no intervening disciplinary actions. Oral or written reprimands shall cease to have force and effect or be considered in future disciplinary matters after twelve (12) months if there are no intervening disciplinary actions.

SECTION 8. If the Employer has cause to believe that an employee is under the influence of drugs or alcohol during work time or on work premises, the Employer may order the employee to take a medical exam or blood test to determine whether or not he is impaired.

SECTION 9. Discipline will be issued within fifteen (15) days after the Employer knows of the event giving rise to the discipline or within twenty (20) days after the pre-disciplinary conference is held.

ARTICLE 6

GRIEVANCE PROCEDURE

SECTION 1. Grievance Defined/Time Limits for Filing. The grievance procedure is intended to provide a system for fair, expeditious and orderly adjustment of disputes between employees and the Employer. The term "grievance" shall mean an allegation by an employee or a representative of management that there has been a breach, misinterpretation or improper application of the agreement or disciplinary action. All matters contained in this contract are proper subjects for the grievance process. The following matters shall constitute a grievance within the system:

1. Dispute concerning the application or interpretation of the contract, unsafe or unhealthy conditions and disciplinary actions.
2. A grievance may be brought by one or more aggrieved members who may be represented by the Union. A grievance that affects all members may be initiated by the Union and submitted at step 3.

To be considered valid, a grievance shall be initiated within seven (7) calendar days of when the employee knew or should have known of the events giving rise to the grievance.

SECTION 2. The Union must be notified of all grievances which are reduced to writing and filed and the scheduling of any grievance meetings. A grievance may be brought by one (1) or more employees of the unit, who are similarly affected by a condition or incident. In the event there are multiple grievants, one employee shall be selected to process the grievance, however, all employees who wish to be considered as grievants shall sign the grievance form. A grievance that affects all employees may be submitted at the appropriate step. The Union reserves the right to approve all settlement agreements for conformity with this agreement.

SECTION 3. Grievance Steps.

STEP 1. The action which caused the alleged grievance must be identified and reported verbally to the Employer and the Union within seven (7) days of the event that gave rise to the grievance. The initial reporting of the action shall be reported verbally to a supervisor. The grievant and the Superintendent and a Union representative, if the grievant so desires, shall discuss the issue and the Superintendent shall have seven (7) days to make any investigation necessary and respond to the grievant and Union Representative.

STEP 2. If the grievance is not settled to the satisfaction of the grievant, the Superintendent shall be notified of this and the grievance must be reduced to writing within seven (7) days of the Step 1 response to the grievant. The Superintendent shall then have seven (7) days to consider the grievance and make whatever investigation he deems necessary and schedule a meeting to discuss the grievance with the grievant and the Union representative. The Superintendent shall make a written response to the grievant within five (5) days of the grievance meeting or the filing of the grievance, whichever is longer.

STEP 3. If the grievance is not settled at Step 2 the grievant shall have seven (7) days to refer the grievance to the Board of Trustees. The Employer, or its designee will, within twenty (20) days, schedule a meeting with the grievant, the Union representative, the UAW Servicing Representative and any other concerned party. The Employer has seven (7) days to respond following the meeting.

STEP 4. Arbitration. If the grievance remains unresolved after Step 3, the Union may, within thirty (30) days, appeal to arbitration by serving notice of the intent to arbitrate with the Employer. Within ten (10) days of the receipt of the notice of the intent to file a grievance the Employer and the Union shall by joint letter or by on-line request solicit a list of seven (7) arbitrators from the Federal Mediation and Conciliation Service. Upon receipt of the list of arbitrators, the Union and the Employer shall each strike three (3) names. The first strike shall be made by the party requesting arbitration. The arbitration hearing shall be scheduled as soon as possible based on the availability of the arbitrator and the wishes of the party. All procedures relative to the hearing shall be in accordance with the rules and regulations of the FMCS.

The arbitrator shall not have the authority to add to, subtract from, change or alter the provisions of this agreement. The question of arbitrability of a grievance may be raised by either party before the arbitration hearing. The arbitrator will have the authority to decide whether the dispute is arbitrable. Discharge grievances relating to probationary employees shall not be arbitrable.

The arbitrator shall reduce his decision to writing and state the reason(s) for the decision. All decisions of the arbitrator are final and binding.

At the Union's option, the grievant shall be permitted to attend all grievance meetings or hearings held during normal working hours with no loss of pay.

SECTION 4. All fees for witnesses shall be borne by the side which called the witness. Fees of a court reporter shall be borne by the party(s) which requested the reporter. All other costs shall be borne equally.

SECTION 5. Grievance Contents. All grievances must contain the following information and must be filed using a form mutually agreeable to the parties:

1. The employee's name and signature.
2. Date the grievance was first discussed and the name of the supervisor with whom the grievance was first discussed.
3. Date the grievance was filed in writing.
4. Date, time and location where the grievance occurred.
5. A description of the incident giving rise to the grievance.
6. Specific articles of the agreement violated.
7. Desired remedy.

SECTION 6. In the grievance procedure steps, the Employer shall provide the employee and Union with its reasons for denial of a grievance and the employee and Union shall provide the Employer their reasons why the grievance should be granted. Further, both the Employer and Union shall disclose facts and evidence upon which they intend to rely if the grievance is not resolved and must proceed to arbitration, and shall be limited at the arbitration hearing to those facts and evidence which have been disclosed.

SECTION 7. Days Defined. For the purpose of this article, days shall be week days (Monday through Friday, excluding holidays), but for all other provisions of this Agreement, all references to days shall mean calendar days unless otherwise specified. Failure of the Employer to act within the time limits shall be cause for the employee(s) to submit the grievance to the next higher step. Failure of the employee to act within the time limits shall be cause to consider the grievance null and void and/or settled. Time limits, as outlined in this article, may be waived by mutual written agreement. A grievance can be withdrawn at any time prior to the arbitration hearing. Copies of all written documents shall be forwarded to the Union Coordinator and the office of the Township Fiscal Officer. The Union Coordinator or a grievance representative shall, if the grievant desires, be present at any interviews the Employer has with the grievant to discuss the grievance. Verbal and written reprimands can only be grieved to the third step in the grievance procedure.

ARTICLE 7

WORK RULES AND DRUG TESTING

SECTION 1. The Employer agrees that its procedures, rules, regulations, or directives affecting or controlling members shall be reduced to writing and provided to all members in advance of enforcement. The Employer further agrees that no changes shall be made in any procedures, rules, regulations, or directives, or new procedures, rules, regulations, or directives affecting or controlling members promulgated, without notification to the Union. Furthermore, the Employer agrees to furnish each member a copy of each new or amended procedure, rule, regulation, or directive at least fifteen (15) days before its effective date. The Union shall have the right to include the reasonableness of new work rules as a part of any grievance filed in accordance with Article 6.

SECTION 2. All newly hired employees shall be required to submit to drug screen testing as a condition of employment.

SECTION 3. Any employee involved in a motor vehicle accident while operating a motor vehicle while on duty shall be required to submit to drug and alcohol testing within two (2) hours after such accident if any of the following are applicable: (a) any bodily injury to any person, (b) damage to the property of a third party which appears to be in excess of \$500.00, (c) a moving violation citation issued to the employee, (d) damage to Township property which appears to be

in excess of \$750.00, (e) reasonable suspicion exists to support such testing, or (f) in the Superintendent's discretion such testing should be performed.

SECTION 4. All employees are required to submit to random drug testing upon 2 hours notice in advance.

SECTION 5. Any employee who refuses to submit to drug and alcohol testing following a motor vehicle accident or when randomly selected for such testing, and any employee who tests positive for illegal or prescription mood altering drugs, shall be subject to discipline, which may be non-progressive, in accordance with Article 5.

SECTION 6. Any employee who cannot be insured to operate Township motor vehicles under the Employer's motor vehicle liability insurance policy due to his or her driving record shall be subject to termination if the period of uninsurability as determined by the Employer's insurer extends or will extend for more than ninety-five (95) days. A commercial driver's license (CDL) being a condition of employment, any employee whose CDL is suspended or revoked or not renewed for more than ninety-five (95) days shall be subject to termination. For any revocation, suspension or non-renewal which is less than ninety-five (95) days, the employee shall be subject to a mandatory forty-five (45) day lay off without pay or entitlement to unemployment benefits, and without a 14 day advance notice as otherwise required under Article 12, Section 1, but during such 45 day lay off, the employee may utilize his vacation, compensatory time or personal days to receive pay during the period of such lay off. The Employer shall be permitted to determine the period when such 45 day lay off shall be served.

ARTICLE 8

HEALTH AND SAFETY

SECTION 1. The Employer and employees shall observe applicable provisions of Chapter 4167 of the Ohio Revised Code relating to health and safety of public employees.

SECTION 2. The Employer shall provide a hard hat, hearing and eye protection, gloves of all types, and masks as needed for employees in the performance of their duties, as well as any other protective devices required pursuant to Chapter 4167, all of which shall be returned to the Employer upon an employee's termination of employment.

SECTION 3. Based upon applicable provisions and standards adopted pursuant to Chapter 4167, employees who are determined to be at increased risk for Hepatitis B infection by virtue of the performance of their assigned duties for Employer shall be provided at Employer's expense with Hepatitis B inoculations.

SECTION 4. Employer shall provide adequate first aid equipment, supplies and training on a periodic basis.

SECTION 5. Supervisors shall periodically check on employees who are working alone. Such checks may be performed by telecommunications, actual personal contact or any combination of means reasonably calculated to provide assurance as to the continued safety of the employee.

SECTION 6. Employees who are injured or who are involved in an accident or incident resulting in any damage to or loss of property or to any other person during the course of their

employment shall prepare and file an accident or incident report on forms furnished by the Employer, regardless of how slight the incident or accident may have been.

ARTICLE 9

SENIORITY

SECTION 1. For purposes of this agreement, an employee's seniority shall be determined by the most recent date of hire for full-time employment as an employee of the Perkins Township Highway Department.

SECTION 2. An employee's seniority shall end and he shall lose reemployment rights except as otherwise stated in this agreement when:

1. He voluntarily quits.
2. He is terminated.
3. He does not return within five (5) days from receipt of a notice of recall.
4. He is on layoff in excess of thirty (30) months.
5. He retires after attaining eligibility to receive benefits as a result of years of service and years of age.
6. If the Employer appoints a person from the bargaining units to a supervisory position, they will not lose their seniority rights for ninety (90) days if they return to the unit within such time upon either their request or the Employer's. The right to return to the bargaining unit within such ninety (90) day period is not dependent upon an opening existing within the bargaining unit.
7. An employee promoted to a supervisory position may return to the bargaining unit with no loss of seniority rights within four (4) years of such promotion with the seniority held at the time of the promotion plus accrued days thereafter up to an additional two (2) years. If no opening exists in the bargaining unit at the time the promoted employee wishes to return, but the promoted employee has more seniority as determined under this paragraph than one or more bargaining unit employees, the promoted employee shall be permitted to bump the employee in the bargaining unit having the least seniority. Except with the Employer's consent, this right to return to the bargaining unit shall not apply to a promoted employee who has been discharged or who is subject to pending discipline which could include discharge as of the date on which the promoted employee notifies the Employer that he wishes to return to the bargaining unit.

SECTION 3. The Employer shall furnish a seniority list to the chairperson annually, not later than March 1 of each year.

ARTICLE 10

PROBATIONARY PERIOD

SECTION 1. New Hires. Every newly hired employee, including rehired employees or employees hired from another similar department, shall be required to successfully complete a probationary period. The probationary period for new employees shall begin on the first day for which the employee receives compensation from the Employer, and shall continue for a period of three hundred sixty-five (365) calendar days. A newly hired probationary employee may be

terminated any time during his probationary period and shall have no appeal over such removal. This section shall not apply to employees hired prior to July 1, 2006.

SECTION 2. Promotions. A newly promoted employee shall be required to successfully complete a probationary period in his newly appointed position. The probationary period for a newly promoted employee shall begin on the effective date of the promotion and shall continue for a period of ninety (90) calendar days. A newly promoted employee may be returned to his former position any time during his probationary period. An employee who evidences unsatisfactory performance may be returned to his former position during his probationary period, and may grieve such return only to the third step of the grievance procedure. Nothing herein shall be construed to preclude the Employer from terminating or otherwise disciplining such an employee under appropriate circumstances.

SECTION 3. Extension of Initial or Promotional Probationary Period. Any probationary period may be extended for an additional sixty (60) days. Such extension is subject to the grievance procedure. The Employer shall notify the Union in writing of any extension of the probationary period.

ARTICLE 11

PROMOTIONS

SECTION 1. The Employer shall post notice of job vacancies for a foreman position for a period of seven (7) days, setting forth the job description, qualifications and base salary. Current employees who are applicants for a foreman vacancy must have served at least three (3) years total with the Highway Department.

SECTION 2. The Employer shall furnish the Union chairperson with a copy of the notice. Qualified members may apply within the posting period. Qualified applicants for the vacant position will be considered based upon the following criteria:

1. Interviews of applicants, which shall include consideration of such areas as work experience; education and related training; additional education, skills or abilities; and job performance and satisfaction.
2. Test results, if tests are administered.

SECTION 3. The foregoing criteria will be considered to be of equal importance to determine which applicant is best qualified to perform the job duties of the position set forth in the position classification specification.

SECTION 4. All applicants who have completed the application form will be evaluated, provided they meet the minimum qualifications. The qualified applicants will be interviewed by the Employer and/or its designee(s) within fourteen (14) days after the posting is completed.

SECTION 5. The Employer will not consider any applications filed after the seventh (7th) working day of the posting, including the day of the posting.

SECTION 6. All newly hired or promoted employees will be required to satisfactorily complete the required probationary period as set forth in Article 10.

ARTICLE 12

REDUCTION IN FORCE

SECTION 1. The Union recognizes the right of the Employer to make necessary reductions in the numbers of the work force. Whenever it becomes necessary to reduce said force, the Union and any employees so affected shall be advised fourteen (14) days in advance.

SECTION 2. The Employer agrees that reduction in force shall be according to reverse order of seniority as defined in this agreement.

SECTION 3. The Employer agrees that it will not hire a new employee during the time a member is laid off. Any laid off employee who signs a list requesting that he be called for available work with twenty-four (24) hours notice for planned or scheduled work or events, or with four (4) hours notice for unplanned or unscheduled work or events, shall first be called for such work before part time employees or subcontracted labor, and only if all laid off employees on that list decline to report for duty will part time employees or subcontracted labor then be called in to work. Nothing in this section shall prevent Employer from calling laid off members for work on less than four (4) hours notice in emergency situations, or from subcontracting work out under such circumstances without first contacting all laid off members. This section shall not apply to a lay off pursuant to Article 7, Section 6.

SECTION 4. Employees who are laid off shall be called back in the reverse order of their lay-off.

SECTION 5. Notwithstanding any other provision of this agreement, members shall not lose seniority status while laid-off and seniority shall continue to accumulate during the lay-off period.

ARTICLE 13

SICK LEAVE

SECTION 1. Each employee shall be entitled to 4.6 hours of sick leave with pay for each eighty (80) hours in active pay status. Accumulated sick leave will be debited the actual hours absent from work due to illness or injury. Hours absent from work due to job related illness or injury shall not be deducted from accrued sick leave.

SECTION 2. An employee eligible for sick leave shall be granted such leave with full pay and benefits for the following reasons:

- A. Personal illness or physical incapacity;
- B. Illness of an immediate family member requiring the member's personal care and attendance;
- C. Enforced quarantine of the member in accordance with community health regulations;
- D. Death of a member of the immediate family;
- E. Pregnancy of the employee, and/or child birth and other conditions related thereto; and
- F. If a member of the immediate family needs care for more than two days which must be provided by the employee, the employee must provide a physician's slip in order

to be eligible for sick leave usage, but if the required care is for two days or less, no physician's slip shall be required for sick leave usage.

SECTION 3. Evidence Required For Sick Leave Usage. The Employer may require an employee to furnish a standard, written signed departmental leave slip explaining the nature of the illness, to justify the use of sick leave. Falsification of either a written, signed statement or a physician's certificate shall be grounds for disciplinary action, up to and including dismissal.

SECTION 4. Notification by Employee. An employee who is ill or injured and unable to work shall notify the Superintendent or foreman at any time up to 12 hours prior to his scheduled starting time, unless the seriousness of the illness or injury precludes that action. A failure to report prior to the employee's scheduled starting time may result in violation of the attendance policy notwithstanding this provision. The employee shall advise the responsible authority of the nature of the illness or injury and of the duration if known.

SECTION 5. Abuse of Sick Leave. Employees failing to comply with sick leave rules and regulations shall not be paid and may be subject to disciplinary action. If the Employer has reason to suspect that a pattern of sick leave abuse exists, the Employer shall inform the employee in question and the Union Coordinator of the suspicion and the reason for the suspected sick leave abuse. If the employee continues to exhibit the same pattern of sick leave use and does not furnish a physician's statement concerning the illness(es), then the employee may be subject to the discipline procedure.

SECTION 6. Physician Statement. If medical attention is required, the employee shall be required to furnish a statement from a licensed physician notifying the Employer that the employee was unable to perform his duties. When the employee is absent for three (3) or more consecutive scheduled work days due to illness, the employee shall be required to furnish a statement from a licensed physician notifying the Employer that the employee was unable to perform his duties.

SECTION 7. Physician's Examination. The Employer may require an employee to take an examination, conducted by a licensed physician or psychologist selected by the Employer, to determine the employee's physical or mental capability to perform the duties of the employee's position. If found not qualified, the employee may be placed on sick leave or disability leave. The cost of the examination shall be paid by the Employer. When presented with a demand signed by the employee or both the employee and the Union, the Employer shall disclose in writing the circumstances leading up to the Employer's decision to require an examination. It is understood by all parties that such a demand and response are to be held in strict confidence and do not constitute publication. If the employee disagrees with the decision of the professional to whom he has been sent, he may seek a second opinion from a professional of substantially equal credentials and licensure, the cost of which will be borne by the employee. If the two opinions are in substantial disagreement the two professionals so rendering those evaluations must mutually agree upon a third professional of substantially equal credentials and licensure whose opinion shall be final and binding. The costs of the third opinion will be borne equally between the employee and the Employer.

SECTION 8. Documentation Upon Sick Leave Usage. Any employee who is on sick leave must provide the proper documentation prior to return to work. This documentation shall consist of a complete departmental leave slip, and a physician's slip if required by this article. The proper documentation must be turned in to the employee's supervisor or the Superintendent prior to the start of the employee's shift or within 48 hours of returning to work. Failure to turn in the proper

documentation within the 48 hours permitted will result in the absence becoming unapproved, with loss of pay by the employee for the days in question.

SECTION 9. Bereavement Leave. The Employer shall grant bereavement leave of two days with pay in the event of the death of a member of the immediate family of an employee or the employee's spouse. Immediate family of the employee or the employee's spouse shall be defined as including: spouse, parents, step-parents, grandparents, children, step-children, grandchildren or step-grandchildren, brothers or sisters and their spouses, aunts, uncles, nieces, nephews, or relative living in the same household. Employees may use two days of accumulated sick leave for bereavement leave in excess of two days. In the case of the death of a spouse, child, step-child, parent or step-parent, an employee shall also be permitted to use two days of personal leave, vacation leave or compensatory time leave, or combination of the foregoing for a maximum bereavement leave of six (6) days. Written notice from a funeral home of the death for which an employee seeks bereavement leave or a published obituary identifying the employee as a relative shall be provided to the Employer.

SECTION 10. Personal Leave of Absence. In its sole and absolute discretion, the Employer shall be permitted, but not required, to grant personal leaves of absence to employees on a case-by-case basis for up to three (3) months' duration. The grant or denial of any requested personal leave of absence shall not establish any precedent, be permitted to be the subject of a grievance, or be admissible in evidence in any administrative action or legal proceeding brought by any employee.

SECTION 11. Transfer of Sick Leave. Subject to and in accordance with rules and regulations adopted by the Employer, any employee may voluntarily transfer part of his accumulated sick leave to any other employee. The recipient employee must have been employed by the Township for a minimum of one (1) year, shall be paid at the regular base pay rate for his present class, and shall not accrue sick leave, vacation leave or personal days while receiving transferred sick leave, nor be entitled to holiday pay during that time. No part of any transferred sick leave shall be paid to a recipient employee by reason of that employee's resignation, retirement or death.

ARTICLE 14

JOB RELATED ILLNESS OR INJURY

SECTION 1. An employee off duty due to a work related injury or illness, as determined by a medical doctor, shall receive his full base salary for a maximum of one hundred eighty-two (182) calendar days, payable at regular payroll periods. Such payments shall be considered an advance to the employee who shall return to the Employer all Temporary Total Disability payments received from the Bureau of Worker's Compensation for said one hundred eighty-two (182) calendar day period.

SECTION 2. Full pay and benefits include all raises the employee would have been entitled to or if on active duty status.

SECTION 3.

- A. An employee, receiving pay and benefits under the provisions of Section 1, shall, at the direction of the Employer, submit to a medical examination conducted by a physician of the Employer's choice, who shall report the results of the examination and his opinion of the employee's ability or inability to perform his

normal duties. All costs of an examination conducted at the direction of the Employer shall be borne by the Employer. Refusal of an employee to submit to an examination as provided in this section shall be cause for the Employer to discontinue payments as provided in Section 1.

- B. An employee directed by the Employer to return to duty as the result of the aforementioned examination shall be given five (5) calendar days notice. The employee may, on the advice of his personal physician, refuse to report for duty. - C. In the event the Employer's physician and the employee's personal physician fail to concur regarding the employee's ability to report for duty, each party shall request their physician to select a third physician specializing in the treatment of the employee's injury or illness, who shall examine the employee and report to each party his opinion concerning the employee's ability to perform his normal duties. Costs of this examination shall be borne equally by the Employer and the employee.
- D. An employee directed by the Employer to report for duty as the result of the independent examining physician's report shall be given three (3) calendar days' notice to report. The employee may, on advice of his personal physician with a written copy furnished to the Employer, refuse to report for work. SECTION 7. Insurance coverage shall not be effective during the first thirty (30) days of employment.

SECTION 8. ARTICLE 26

NO STRIKE/NO LOCKOUT

SECTION 1. The Employer and the Union recognize that a strike would create a clear and present danger to the health and safety of the public and that the agreement provides for the orderly resolution of grievances. The parties therefore agree that a strike will be defined as the following:

A strike means any concerted action on the part of the bargaining unit employees failing to report to duty willful; absence from one's position; stoppage of work; slowdown; or abstinence in whole or in part from the full, faithful, and proper performance of the duties of employment for the purpose of inducing, influencing, or coercing a change in wages, hours, terms, and other conditions of employment. Stoppage of work by employees in good faith because of dangerous or unhealthful working conditions at the place of employment which are abnormal to the place of employment shall not be deemed a strike.

SECTION 2.

- A. During the term of this agreement, the Union, its representative and employees, shall not authorize, cause, engage in, sanction, support, or assist in any action defined as a strike which affects the Employer or its operations. If in the opinion of the Employer, such concerted actions occur, the Employer will give written notice, including the basis for the allegation, to the Union's chairperson. The chairperson shall cooperate with the Employer and shall actively discourage and endeavor to terminate the alleged actions.

Cooperation shall specifically include a prompt notification to employees of the bargaining unit to the effect that an alleged violation of this article is in progress. Such notification shall instruct employees to cease and desist from their alleged action. Should the chairperson fail to post such notice, the Union shall not contest the Employer's request to the State Employment Relations Board for retroactive penalties in the event the Board determines an unauthorized strike has occurred.

- B. Any employee of a bargaining unit who, without legitimate excuse, knowingly fails to return to work immediately on or at the next scheduled duty time, after notification by the Union as provided herein, or who knowingly continues to participate or promote strike activities as defined, may be disciplined to the extent provided herein.

- C. Should the State Employment Relations Board determine an unauthorized strike has occurred, the employer:
 - (1) May remove or suspend those employees who one day after notification by the Employer of the SERB decision that a strike is not authorized continue to engage in the unauthorized strike; and

 - (2) If the employee is employed, or re-employed, as a public employee by the Employer, the Employer may impose the following conditions:
 - 1. The employee's compensation shall in no event exceed that received by him immediately prior to the time of violation;

 - 2. The employee's compensation is not increased until after the expiration of one year from the employment or reemployment.

 - (3) Shall deduct from each striking employee's wages, if the Board also determines that the public Employer did not provoke the strike, the equivalent of two days wages for each day the employee remains on strike commencing one day after receiving the notice called for in division (C)(1) of this section. The Employer shall give the employee credit for wages not paid after that point in time due to the employee's absence from his place of employment because he is on strike.

Any penalty that is imposed upon the employee, except for the penalty imposed under division (C)(3) of this section, may be appealed to the Board. The Board may modify, suspend, or reverse the penalty imposed by the public Employer, if the Board does not find that the penalties are appropriate to the situation. The imposition of a penalty is appealable to the Court.

SECTION 3. During the term of this agreement, the Employer shall not cause, permit, or engage in any lockout of its employees, provided that said employees have not violated section 2(A) of this article. If the Employer reasonably believes that a violation of section 2(A) has occurred, the employees so violating that section may be locked out for up to seventy-two (72) hours pending a review by the court or the State Employment Relations Board of the strike and its legality. If it is determined that there was no strike or that the strike was lawful, the Employer shall reimburse locked out employees for all earnings lost as a result of the lockout.

SECTION 4. Nothing in this article shall be construed to limit or abridge the parties' right to seek available remedies provided by law to deal with any unauthorized or unlawful strikes or lockouts.

ARTICLE 27

DUES AND FAIR SHARE FEE

SECTION 1. On or after the 31st day of employment, the Employer agrees to deduct monthly, from the wages of any employee who is a member of the Union all Union membership dues uniformly required, including any required initiation fee for newly hired employees. Dues shall be deducted in equal installments from each of the first two (2) paychecks issued in a month. All sums deducted will be forwarded monthly to the Union, with a list of names and amounts of dues deducted.

Said amount shall be deducted from the wages of all such non-member employees on the same basis as the deductions made for dues from members of the Union and forwarded monthly to the Union with a list of names of the non-member employees for whom the deductions were made and the amount for each such non-member employee.

SECTION 3. UAW V-CAP contributions shall be deducted by the Employer from the wages of members in the bargaining unit who authorize such deductions by completing an authorization and check-off contribution on the UAW V-CAP form. Deductions shall be made only in accordance with the provision and in the amount designated on the V-CAP forms. A properly executed V-CAP form delivered to and on file with the Employer shall be a prerequisite and precondition for such deductions. V-CAP deductions shall be made from the first two (2) paychecks issued in a month to the employee provided there are sufficient funds, with the amount deducted forwarded to the Union.
