ARTICLE 1
AGREEMENT

Section 1.1. Agreement. This Agreement is entered into by and between the Union County Sheriff, hereinafter referred to as the "Employer," and the Fraternal Order of Police, Ohio Labor Council, Inc., hereinafter referred to as the "FOP/OLC," on behalf of the employees in the bargaining unit hereinafter defined.

Section 1.2. Purpose. The purpose of this Agreement is to comply with the requirements of Chapter 4117 of the Ohio Revised Code and set forth the full and complete understandings, and agreements between the parties governing the wages, hours, terms, and other conditions of employment for those employees included in the bargaining unit as defined herein.

Section 1.3. Severability. Should any part of this Agreement be held invalid by operation of law or by any tribunal of competent jurisdiction, or should compliance with or enforcement of this Agreement be restrained by any such tribunal pending a final determination as to its validity, such invalidation or temporary restraining shall not invalidate or affect the remaining portions hereof or the application of such portions or persons or circumstances other than those to whom or to which it has been held invalid or has been restrained.

In the event of invalidation of any portions of this Agreement by a court of competent jurisdiction, and upon written request by either party, the parties to this Agreement shall meet at mutually agreeable times (not to exceed thirty (30) days) in an attempt to modify the invalidated provisions by good faith negotiations.

Section 1.4. Waiver of Civil Service. In accordance with the provision of ORC Section 4117.10(a), all articles listed in the table of contents of this Agreement are intended to supercede and/or prevail over conflicting and/or additional subjects found in ORC Section 124.01 through 124.56, Section 9.44, 4111.03, and Section 325.19 or any other sections of the Ohio Revised Code in conflict with any provisions herein. It is expressly understood that the Ohio Department of Administrative Services (DAS) and the State Personnel Board of Review (SPBR) shall have no authority or jurisdiction as it relates to employees in the bargaining unit, except as prohibited by Ohio Revised Code 4117.08(B).

Section 1.5. Waiver in Case of Emergency. In cases of emergency declared by the President of the United States, the Governor of the State of Ohio, the Union County Sheriff, or the Federal or State Legislature, such as acts of God or civil disorder, the following conditions of this Agreement may be temporarily suspended by the Employer:

- A. Time limits for the processing of grievances, and
- B. All work rules, and/or agreements and practices relating to the assignment of employees.

Upon the termination of the emergency, grievances filed prior to the emergency shall be processed in accordance with the provisions outlined in the grievance procedure of this

Agreement and shall proceed from the point in the grievance procedure to which the grievance(s) had properly progressed prior to the emergency.

Section 1.6. Scope of Bargaining. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right to make demands and proposals on any subject matter not removed by law from the area of collective bargaining, and that the entire understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. The provisions of the Agreement constitute the entire agreement between the Employer and the FOP/OLC and all prior agreements and policies, either oral or written, are hereby canceled. Therefore, the Employer and the FOP/OLC, for the life of this Agreement, each voluntarily and unequivocally waive the right, and each agree that the other shall not be obligated to bargain collectively or individually with respect to any subject or matter referred to or covered in the Agreement.

Section 1.7. Sanctity of Agreement. Unless otherwise specifically provided in this Agreement, no changes in this Agreement shall be negotiated during its duration unless there is written accord by and between the parties hereto to do so. Any negotiated changes, to be effective and incorporated in this Agreement, must be in writing and signed by the parties.

ARTICLE 2 **RECOGNITION**

Section 2.1. Recognition. The Employer recognizes the FOP/OLC as sole and exclusive representative for the purpose of negotiating wages, hours, terms and conditions of employment for those employees of the Employer in the bargaining unit. Wherever used in this Agreement, the term "bargaining unit" shall be deemed to include those individuals employed full-time by the Employer in the classification of Road Patrol Sergeant as certified by the Ohio State Employment Relations Board on April 30, 1998 (Case Number 98-REP-02-0043), Community Service Sergeants, and Investigation Sergeants as certified by the Ohio State Employment Relations Board on April 30, 1998 (Case Number 98-REP-01-0043).

Section 2.2. Exclusions. All positions and classifications not specifically established as being in the bargaining unit shall be excluded from the bargaining unit.

Section 2.3. Representation Requirements. The FOP/OLC recognizes that an inherent responsibility exists as sole and exclusive agent to represent all bargaining unit employees, regardless of an employee's status as a member or non-member of the FOP/OLC.

Section 2.4. New Positions. In the event that a new position is created within the Sheriff's Office, the Employer shall determine whether the new position will be included in or excluded from the bargaining unit and shall so advise the FOP/OLC. If there is any dispute as to the Employer's determination of bargaining unit status, the parties will meet to attempt to resolve their disagreement. If the parties agree on the determination, it shall be implemented as agreed. If the parties still do not agree, the Employer may implement its determination, subject to challenge by the FOP/OLC, through the State Employment Relations Board.

Any negotiated changes, to be effective and incorporated in this Agreement, must be in writing and signed by the parties.

ARTICLE 2 **RECOGNITION**

Section 2.1. Recognition. The Employer recognizes the FOP/OLC as sole and exclusive representative for the purpose of negotiating wages, hours, terms and conditions of employment for those employees of the Employer in the bargaining unit. Wherever used in this Agreement, the term "bargaining unit" shall be deemed to include those individuals employed full-time by the Employer in the classification of Road Patrol Sergeant as certified by the Ohio State Employment Relations Board on April 30, 1998 (Case Number 98-REP-02-0043), Community Service Sergeants, and Investigation Sergeants as certified by the Ohio State Employment Relations Board on April 30, 1998 (Case Number 98-REP-01-0043).

Section 2.2. Exclusions. All positions and classifications not specifically established as being in the bargaining unit shall be excluded from the bargaining unit.

Section 2.3. Representation Requirements. The FOP/OLC recognizes that an inherent responsibility exists as sole and exclusive agent to represent all bargaining unit employees, regardless of an employee's status as a member or non-member of the FOP/OLC.

Section 2.4. New Positions. In the event that a new position is created within the Sheriff's Office, the Employer shall determine whether the new position will be included in or excluded from the bargaining unit and shall so advise the FOP/OLC. If there is any dispute as to the Employer's determination of bargaining unit status, the parties will meet to attempt to resolve their disagreement. If the parties agree on the determination, it shall be implemented as agreed. If the parties still do not agree, the Employer may implement its determination, subject to challenge by the FOP/OLC, through the State Employment Relations Board.

ARTICLE 3
DUES DEDUCTION

Section 3.1. Dues Deductions. The Employer and the FOP/OLC agree that membership in the FOP/OLC is available to all employees specified as being in the bargaining unit.

The Employer agrees to deduct regular FOP/OLC membership dues and any fees or assessments implemented by the FOP/OLC from the pay of any employee eligible for membership in the FOP/OLC, and upon the individual employee voluntarily signing and submitting a written authorization for dues deduction. The employee accepting membership will sign the Payroll Deduction Authorization Form along with a duplicate to be submitted to the Payroll Officer. Upon receipt of the proper authorization form, the Auditor will deduct FOP/OLC dues from the employee's payroll check for the pay period following the pay period in which the authorization was received and in which dues are normally deducted by the Employer. Monthly dues shall be rounded up to the nearest cent, and one-half (1/2) of the monthly dues shall be deducted from the first pay period of each month, and one-half (1/2) the second pay period. The Payroll Deduction Authorization Form, Appendix A, shall be provided by the Employer through the Payroll Officer.

Section 3.2. Indemnification. The Employer assumes no obligation, financial or otherwise, arising out of this article. The FOP/OLC agrees to indemnify and hold the Employer harmless from any claims, actions, or proceedings by any employee arising from deductions made by the Employer hereunder. It shall be the responsibility of the employee to obtain appropriate refunds from the FOP/OLC.

Section 3.3. Termination of Deductions. The Employer shall be relieved from making such "check-off" deductions upon termination of employment, transfer to a job other than one covered by the bargaining unit, layoff from work, unpaid approved leave of absence, or revocation of the check-off authorization.

Section 3.4. Limitation of Deductions. The Employer shall not be obligated to make dues, fees, or assessment deductions of any kind from any employees who, during any dues month involved, shall have failed to receive sufficient wages to equal the deductions.

Section 3.5. Error in Deductions. It is agreed that neither the employees nor the FOP/OLC shall have a claim against the Employer for errors in the processing of deductions. If a claim of error is made to the Employer, in writing within sixty (60) days after the date such error is claimed to have occurred, and it is found an error was made, the error will be corrected at the next pay period that FOP/OLC dues are normally deducted, by deducting the proper amount from the pay of the employee to correct said error. Payroll collection of dues, fees, and assessment shall be authorized for the exclusive bargaining agent only, and not for any other organization attempting to represent the employees within the bargaining unit as herein determined.

Section 3.6. Correction of Deductions. Deductions provided for in this article are subject to the review of the County Auditor as required by the statute. In the event a deduction is not made for any FOP/OLC member during a particular month, the Employer, upon written verification of the

FOP/OLC, will make the appropriate deduction from the following pay period if the deduction does not exceed the total of two (2) months' regular dues. The Employer will not deduct more than two (2) months' regular dues from the pay of any FOP/OLC member at any one (1) time.

Section 3.7. Certification of FOP/OLC. The rate at which dues are to be deducted shall be certified to the Payroll Clerk by an official of the FOP/OLC at such times during the term of this Agreement as is necessary to be accurate. A one (1) month advance notice must be given the Payroll Clerk prior to any changes in an individual's dues deduction.

Section 3.8. Fair Share Fee. As a condition of employment, sixty (60) days following the beginning of employment, or upon the effective date of this Agreement, whichever is later, employees in the bargaining unit who are not members of the FOP/OLC, including employees who resign from membership in the FOP/OLC after the effective date of this Labor Agreement, shall pay the FOP/OLC, through payroll deduction, a fair share fee. The fair share fee is automatic and does not require the written authorization of the employee. This provision shall not require any employee to become or remain a member of the FOP/OLC, nor shall the fair share fee exceed the dues paid by the members of the FOP/OLC in the same bargaining unit. The FOP/OLC is responsible for certifying to the Employer the amount of the fair share fee. The fair share fee shall not be used to finance political and/or ideological activity. The fair share fee is strictly to finance the proportionate share of the cost of collective bargaining, contract administration, and pursuing matters directly affecting wages, hours, and other terms and conditions of employment of bargaining unit members. The FOP/OLC shall prescribe a rebate and challenge procedure which complies with ORC Section 4117.09(C), federal law, and any judicial decisions interpreting such laws.

Section 3.9. Remitting Deductions. The Employer agrees to furnish the FOP/OLC once each calendar month, a warrant in the aggregate amount of the dues and fees deducted for that calendar month, together with a listing of the employees for whom said deductions are made. All dues and fees collected under this article shall be paid by the Employer within thirty (30) days to the FOP/OLC at 222 East Town Street, Columbus, Ohio 43215-4611. Once the funds are remitted to the FOP/OLC, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the FOP/OLC.

ARTICLE 4

MANAGEMENT RIGHTS

Section 4.1. Management Rights. The Employer reserves all the customary rights, privileges, or authority of management, except as modified by the express terms of this Agreement, including but without limiting to the following:

The right to manage its affairs efficiently and economically, including the determination of quantity, quality, frequency, and type of services to be rendered; the determination, purpose, and control of the types and numbers of materials, machines, tools, and equipment to be used; the selection of the location, number, and type of facilities and

Section 4.2. Residual. The FOP/OLC recognizes and accepts that all rights and responsibilities of the Employer not specifically modified by this Agreement shall remain the function of the Employer.

ARTICLE 5 **BULLETIN BOARD**

Section 5.1. Bulletin Boards. The Employer agrees to provide space for one (1) FOP/OLC bulletin board for all bargaining units in an agreed-upon area of the Employer's facilities.

Section 5.2. Postings. All FOP/OLC notices or other items posted on the bulletin board shall be signed and dated by the FOP/OLC official or associate who is responsible for the posting. It is understood that no material may be posted on the FOP/OLC bulletin board, at any time, which contains the following:

- A. Personal attacks on any other member or any other employee;
- B. Scandalous, scurrilous, or derogatory attacks upon the Employer or any other governmental units or officials;
- C. Attacks on and/or favorable comments regarding a candidate for public office.

No FOP/OLC-related materials of any kind may be posted anywhere in the Employer's facilities or on the Employer's equipment except on the FOP/OLC bulletin board.

Section 5.3. Notice Removal. Upon the request of the Employer or the Employer's designee, the FOP/OLC shall cause the immediate removal of any material posted in violation of this article.

All items posted on the bulletin board shall be removed within forty-five (45) days of posting.

ARTICLE 6

FOP/OLC REPRESENTATION

Section 6.1. FOP/OLC Representation. Upon reasonable advanced notification, the Employer will grant reasonable access to non-employee and/or employee representatives of the FOP/OLC to attend meetings or perform duties, to the extent the meetings or duties are specifically allowed by this Agreement.

The Employer shall recognize one (1) employee to act as an associate and one (1) employee as alternate, for the purpose of representation as specifically outlined in this Agreement. The FOP/OLC agrees that no representative of the FOP/OLC, either employee or non-employee, shall unduly interfere, interrupt, or disrupt the normal work duties of employees. Further, the FOP/OLC agrees not to conduct meetings (bargaining unit, grievance, or committee meetings) involving on-duty employees except to the extent specifically authorized by the Employer.

Section 6.2. FOP/OLC Roster. The FOP/OLC shall provide the Employer a written official roster of its local officers and associate, including the alternates, which is to be kept current at all times by the FOP/OLC and shall include the following:

1. Name;
2. Address;
3. Home telephone number; and
4. FOP/OLC position held.

No employee shall be recognized as an FOP/OLC representative until the FOP/OLC has presented the Employer with written certification of that person's selection.

Section 6.3. FOP/OLC Release Time. The investigation and writing of grievances shall normally be on non-work time.

The FOP/OLC associate or designee shall be allowed to use sixteen (16) hours of paid time off to attend the Annual FOP/OLC State Convention and Seminar. Such time off shall be requested in writing at least fourteen (14) days in advance. The Employer shall not withhold permission for the utilization of this time hereunder except in the event of an emergency.

ARTICLE 7
LABOR/MANAGEMENT MEETINGS

Section 7.1. Meetings. In the interest of sound labor/management relations, unless mutually agreed otherwise, once each quarter on a mutually agreeable day and time, the Employer or designee shall meet with not more than two (2) bargaining unit members and one (1) representative of the FOP/OLC to discuss pending problems and to promote a more harmonious labor/management relationship.

FOP/OLC representatives attending labor/management meetings shall not, if the meetings are held during their normal duty hours, suffer any loss of pay for the time spent in such meetings.

Section 7.2. Agenda. The party requesting the meeting shall furnish an agenda at least five (5) working days in advance of the scheduled meetings with a list of the matters to be taken up in the meeting. The names of those FOP/OLC representatives who will be attending shall be submitted in advance. The purpose of such meeting shall be to:

- A. Discuss the administration of this Agreement;

Section 7.3. Special Meetings. It is further agreed that if special labor/management meetings have been requested and mutually agreed upon, they shall be convened as soon as feasible.

ARTICLE 8
PLEDGE AGAINST DISCRIMINATION AND COERCION

Section 8.1. Employer Pledge. The Employer agrees not to interfere with the rights of employees to become members of the FOP/OLC, and there shall be no disparate treatment,

interference, restraint, or coercion by the Employer or any Employer representative against any employee because of FOP/OLC membership or because of any legal employee activity in an official capacity on behalf of the FOP/OLC.

Section 8.2. FOP/OLC Pledge. A newly promoted employee who evidences unsatisfactory performance may be returned to their former classification anytime during their probationary period.

ARTICLE 10

NO STRIKE/NO LOCKOUT

Section 10.1 No Strike. Inasmuch as this Agreement provides machinery for the orderly resolution of grievances, the Employer and the FOP/OLC recognize their mutual responsibility to provide for uninterrupted services to the citizens of Union County.

Therefore:

- A. The FOP/OLC agrees that neither it, its officers, agents, representatives, or members will authorize, instigate, cause, aid, condone, or participate in any strike, work stoppage, slowdown, or abstinence, in whole or in part from the full, faithful, and proper performance of the duties of employment by its members or other employees of the Employer. When the Employer notifies the FOP/OLC that any of its members are engaged in any such strike activity as outlined above, the FOP/OLC shall immediately, conspicuously post notice over the signature of an authorized representative of the

FOP/OLC to the effect that a violation is in progress and such notice shall instruct all employees to immediately return to work. The Employer may take action against striking employees as authorized by the State Employment Relations Board pursuant to Section 4117.23 of the Ohio Revised Code.

- B. Nothing in this article shall be construed to limit or abridge the Employer's right to seek other available remedies provided by law to deal with any unauthorized or unlawful strike.
- C. Any employee engaging in any such job action may be subject to immediate discipline up to and including discharge.

Section 10.2. No Lockout. During the life of this Agreement, the Employer shall not cause, permit, or engage in any lockout of the bargaining unit employees unless those employees have violated Section 1 of this article.

ARTICLE 11

GRIEVANCE PROCEDURE

Section 11.1. Definition. The term "grievance" shall mean an allegation by a bargaining unit employee or the FOP/OLC that there has been a violation of the express terms of this Agreement. It is not intended that the grievance procedure be used to affect changes in the articles of this Agreement, nor other matters which are controlled by the provisions of federal and/or state laws and/or by the Constitution of the United States.

Section 11.2. Grievances. A grievance may be brought by any employee covered by this Agreement. Where a group of employees desire to file a grievance involving an incident affecting more than one (1) employee in the same or similar manner, the FOP/OLC or one (1) employee selected by the group may process the grievance. Such a grievance shall be designated as a group grievance. The names of each employee on behalf of which the grievance is filed shall be made available at the first hearing. A grievance involving reduction, lost time, or pay for discipline shall be initiated at Step 3 of the grievance procedure.

- A. Aggrieved employee's name and signature;
- B. Aggrieved employee's classification;

Any grievance that is not timely appealed to the next step of the procedure will be deemed to have been settled on the basis of the Employer's answer at the last completed step. Any grievance not answered by the Employer's representatives within the stipulated time limits may be advanced by the employee or the FOP/OLC to the next step of the grievance procedure.

Time limits set forth herein may only be extended by mutual agreement between the parties, which agreement shall be in writing.

The aggrieved may withdraw a grievance at any point by submitting, in writing, a statement to that effect, or by permitting the time requirements at any step to lapse without further appeal.

Section 11.5. Self-Representation. When an employee covered by this Agreement chooses self-representation in the presentation of a grievance, no adjustment of the grievance will be inconsistent with the terms of this Agreement. Prior to the adjustment of any such grievance, the appropriate FOP/OLC representative will be notified of the right to be present at the adjustment.

Section 11.6. Grievance Limits. Disciplinary actions of verbal warning (record of instruction and cautioning) and/or written reprimand, taken by the Employer against any bargaining unit employee, may be appealed up to Step 2 of the grievance procedure, but shall not be appealed to Step 3.

Section 11.7. Procedure. It is the mutual desire of the Employer and the FOP/OLC to provide for prompt adjustment of grievances, with a minimum amount of interruption of the work schedules. Every reasonable effort shall be made by the Employer and the FOP/OLC to affect the resolution of grievances at the earliest step possible. Wherever used in this procedure, unless specified otherwise, "day" shall mean "calendar day."

Step 1: In order for an alleged grievance to receive consideration under this procedure, the grievant must identify the alleged grievance to the Sergeant (or immediate supervisor) within seven (7) days of the occurrence of the incident that gave rise to the grievance. Such grievance shall be in writing on a mutually agreed-to grievance form. The Sergeant (or immediate supervisor) shall investigate and provide an appropriate answer directly to the grievant or a representative of the

grievant within seven (7) days following the date on which the grievance was presented.

Step 2: If the grievance is not resolved in Step 1, the employee may, within five (5) days following the last reply, refer the grievance to the Lieutenant. The Lieutenant shall have ten (10) days in which to schedule a meeting, if the Lieutenant deems necessary, with the aggrieved employee. The Lieutenant shall investigate and respond in writing to the grievant within ten (10) days following the meeting date or ten (10) days following receipt of the grievance, whichever is later. (Note: If the Lieutenant is also the respondent in Step 1 the grievance should be submitted to Step 3 instead of Step 2).

Step 3: If the grievance is not resolved in prior steps, the employee may, within five (5) days following the last reply, refer the grievance to the Sheriff or the Sheriff's designee. The Sheriff (or designee) shall have ten (10) days in which to schedule a meeting, if the Sheriff (or designee) deems necessary, with the aggrieved employee. The Sheriff (or designee) shall investigate and respond in writing to the grievant within ten (10) days following the meeting date or ten (10) days following receipt of the grievance, whichever is later.

Step 4: Mediation: Any grievance that remains unsolved after Step 3 may be submitted to grievance mediation upon agreement of the parties. If a grievance proceeds to mediation, the procedures set for in Step 5 shall not be stayed during the mediation process. However, it is intended that this Step 4 be completed prior to an arbitrator being selected in Step 5.

The parties agree to use a mediator from the Federal Mediation and Conciliation Services, the State Employment Relations Board, or any other mutually agreed upon individual. The grievant shall have the right to be present at the mediation conference. The Employer and the Union may each have no more than three (3) additional representatives as participants in the mediation effort, unless otherwise mutually agreed to by the parties.

Mediation efforts will be informal in nature and shall not include written opinions or recommendations from the mediator unless mutually agreed to by the parties and the mediator.

If a settlement is not reached, the Union may proceed to arbitration. If mutually agreed, the parties may request the mediator to conduct the arbitration.

The dates, times, and places of mediation conferences will be determined by mutual agreement of the parties. Each party will designate a representative responsible for scheduling mediation conferences. Fees and expenses for grievance mediation shall be shared equally by the parties.

Step 5: Arbitration. A grievance unresolved at Step 3 may be submitted to arbitration upon notification of the FOP/OLC in accordance with this section of this article.

The FOP/OLC, based upon the facts presented, has the right to decide whether to arbitrate a grievance. Within twenty-one (21) calendar days from the date of the final answer at Step 3, the FOP/OLC shall notify the Employer of its intent to seek arbitration over the unresolved issue(s). The FOP/OLC may withdraw its request to arbitrate at any time prior to the actual hearing. Any cancellation fee due the arbitrator shall be paid by the party (or parties) canceling the arbitration. Any grievance not submitted within the twenty-one (21) calendar day period described above shall be deemed settled on the basis of the last answer given by the Employer's representative(s).

- A. The Federal Mediation and Conciliation Service (FMCS) or American Arbitration Association (AAA) shall be jointly requested to submit a panel list of nine (9) arbitrators from FMCS or AAA Area (Ohio). The parties shall alternately strike the names of the arbitrators until only one (1) name remains. Either party may reject a list and request from FMCS or AAA another list of nine (9) arbitrators.

The arbitrator's decision shall be limited strictly to the interpretation, application, or enforcement of specific articles in this Agreement. The arbitrator may not modify or amend the Agreement.

- B. The question of arbitrability of a grievance may be raised by either party before the arbitration hearing of the grievance, on the grounds that the matter is non-arbitrable or beyond the arbitrator's jurisdiction. If the arbitrator determines the grievance is within the purview of arbitrability, the alleged grievance will be heard on its merits before the same arbitrator.
- C. The decision of the arbitrator in all matters shall be final and binding. The arbitrator shall be requested to issue the decision within thirty (30) days after the conclusion of testimony and argument.
- D. The costs of the services of the arbitrator, the costs of any proofs produced at the direction of the arbitrator, the fee of the arbitrator, or the hearing room, if any, shall be borne equally by the parties. The expenses of any non-employee witness shall be borne by the party calling them. The fees of the court reporter shall be paid by the party asking for one; such fees shall be split equally if both parties desire a reporter, or request a copy of any transcript(s). Any bargaining unit member whose attendance is required for such hearing shall not lose pay or benefits to the extent such hearing hours are during normally scheduled working hours on the day of the hearing.

ARTICLE 12
INTERNAL REVIEW

Section 12.1. Internal Review. Anytime an employee is questioned concerning an employee's conduct or actions, and the employee believes that disciplinary action of record (reprimand of record, suspension, reduction, or removal) will or may result, the employee, if the employee desires, shall be given a reasonable opportunity to consult with a FOP/OLC representative before being required to answer questions. During all questioning the employee may, upon request, be accompanied by an available FOP/OLC representative.

- A. Before an employee may be charged with insubordination or like offense for refusing/failing to answer questions or participate in an investigation, the employee shall be advised that such conduct, if continued, may be the basis for such a charge.
- B. Any interrogation, questioning, or interviewing of an employee will be conducted at hours reasonably related to the employee's shift, preferably during, immediately prior to, or after the employee's working hours, unless the situation dictates otherwise. Interrogation sessions shall be for reasonable periods of time, and time shall be allowed during such questioning for rest periods and attendance to other physical necessities.
- C. If the Employer decides to tape record the proceedings, the Employer will provide a copy of the tape to the employee.
- D. Employees may be given a polygraph examination and/or voice stress analyzer examination only if they are the primary focus of an investigation, a known witness to an incident, or at the employee's written request directly to the Sheriff. No disciplinary action shall be taken by the Employer based solely on the results of such tests.
- E. When any anonymous complaint is made against an employee, the Sheriff (or designee) may investigate, and if there is no corroborative evidence, the complaint shall be classified as unfounded and no action will be taken.
- F. Once the Employer gains knowledge that an investigation is necessary, the Employer shall make a reasonable effort to conduct said investigation in a timely manner. Any employee who has been under investigation shall be informed in writing of the outcome of the case at the conclusion of the investigation.
- G. The Employer shall advise any person making a written complaint against an employee that to knowingly make a false complaint is a violation of law.

ARTICLE 13
DISCIPLINE

Section 13.1. Discipline. No employee shall, be disciplined or for disciplinary reasons, be reduced in pay, suspended, or discharged except for just cause. Without limiting the generality of the foregoing, dishonesty, untruthfulness, and/or falsification will normally be considered cause for immediate discharge.

Discipline may include:

1. verbal reprimand;
 2. written reprimand;
 3. suspension or demotion;
 4. termination.
- A. Except in instances wherein the employee is found guilty of serious misconduct, discipline will be applied in a progressive and uniform manner. Progressive discipline shall take into account the nature of the violation, the employee's record of discipline, and the employee's record of performance and conduct.
- B. Whenever the Employer determines that an employee may be suspended, including suspensions per Section (D) of this article, or terminated for disciplinary reasons, the Employer shall provide at least twenty-four (24) hours' written notification to the employee of the charges against the employee and a general explanation of the Employer's evidence supporting the allegations.

The employee shall have an opportunity to respond orally or in writing to the charges prior to discipline being imposed, and may be accompanied by an FOP/OLC associate or officer during such response.

- C. Any employee charged with or under indictment for a felony who is not disciplined or discharged by the Employer may be placed on a leave of absence without pay until resolution of the court proceedings. An employee may use accrued but unused vacation, holiday, and/or compensatory time during the leave. An employee found guilty by the trial court of a felony shall be summarily discharged. Where the charges are reduced to a misdemeanor or the employee is found innocent of the charges, the employee may be subject to discipline pursuant to the terms of this Agreement, but the employee shall be paid for all lost straight time hours up to the date of such discipline and shall have any vacation, holiday, and/or compensatory time used restored to the employee's credit.
- D. In lieu of suspension without pay of ten (10) days or less, an employee may request to forfeit accrued vacation leave or compensatory time on an hour-for-hour basis. Should the Sheriff agree to a forfeiture of such leave, it shall constitute corrective action of record. Such forfeiture shall be noted in the employee's personnel file and shall constitute the final and binding resolution of the agency charges.

- E. Anytime the Employer or any of the Employer's representatives has reason to discipline an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public. However, the Employer maintains the unlimited right to post or release any public record (including discipline) as defined in Section 149.43 of the ORC.
- F. Whenever the Employer determines discipline is necessary, in accordance with this article, the Employer will attempt to provide the employee being disciplined with any applicable and/or appropriate in-service training which would help correct the employee's behavior that caused the discipline.

ARTICLE 14
PERSONNEL FILES

Section 14.1. Personnel Files. There shall be only one (1) official personnel file maintained by the Employer.

- A. Every employee shall be allowed to review that employee's personnel file at any reasonable time upon written request. Such request shall be made to the Employer and review of the file shall be made in the presence of the Sheriff or the Sheriff's designated representative.
- B. Any employee may obtain a copy of documents in the employee's file. The Employer may levy a charge for such copying which shall bear a reasonable relationship to actual cost.
- C. If, upon examining the personnel file, an employee has reason to believe there are inaccuracies in documents contained therein, the employee may write a memorandum to the Sheriff explaining the alleged inaccuracy. If the Sheriff concurs with the employee's contentions, a correcting document shall be placed in the file. If the Sheriff disagrees with the employee's contentions, the Sheriff shall attach the employee's memorandum to the document in the file and note their disagreement with the memorandum's content.
- D. An employee's signature on a document shall mean the employee has seen the document and not that the employee agrees with its content unless it is so stated on the document.
- E. The employee shall be the last person to sign a performance evaluation. The employee shall receive a copy of the evaluation in its final form after signing the evaluation.
- F. To the extent legally permissible, personnel records shall be considered as public records. However, when a request for disclosure of a personnel record is made by a member of the public, notice of such request and the identity of the requestor, if known, will be given to the affected employee(s). The employee may request a meeting with the keeper of the records to discuss any appropriate reason some records should not be released.

Section 14.2. Duration of Records.

- A. Records of verbal reprimands will not be considered in future discipline matters twelve (12) months after the effective date of same, and written reprimands will not be considered in future disciplinary matters eighteen (18) months after the effective date of same, provided there is not intervening written notice of disciplinary action relating to another incident during such period.
- B. Records of suspensions/demotions will not be considered in future discipline matters thirty-six (36) months after the effective date of same, provided there is no intervening written notice of disciplinary action relating to another incident during such period.
- C. In any case in which a disciplinary action of record is rescinded, the employee's personnel file shall clearly reflect such action.

ARTICLE 15
SENIORITY

Section 15.1. Definition. Employer seniority shall be computed on the basis of uninterrupted length of continuous service with the Employer. Classification seniority shall be computed on the basis of uninterrupted length of continuous service from the original date of appointment in that classification. However, any employee promoted to a higher position within the Sheriff's Office and then returns to the bargaining unit shall have such time counted as uninterrupted continuous service.

Section 15.2. Continuous Service. The following situations shall not constitute a break in seniority:

- A. Absence while on approved leave of absence;
- B. Absence while on approved sick leave or disability leave;
- C. Military leave;
- D. A layoff of one (1) year duration or less.

Section 15.3. Non-Continuous Service. The following situations constitute breaks for which seniority is lost:

- A. Discharge for just cause;
- B. Retirement;
- C. Layoff for more than one (1) year;

- D. Failure to return to work within ten (10) calendar days of a recall from layoff absent extenuating circumstances such as illness, injury or disability;
- E. Failure to return to work at the expiration of leave of absence; and
- F. Resignation.

Section 15.4. Posting. Both seniority lists shall be posted in the Sheriff's Office, with a copy provided to the FOP/OLC, within fourteen (14) days after the effective date of this Agreement. The seniority list shall be updated annually and posted accordingly. Any employee shall have the right to challenge any information on the seniority list within ten (10) days after the list is posted.

ARTICLE 16

LAYOFF AND RECALL

Section 16.1. Notification. When the Employer determines that a long-term layoff or job abolishment is necessary, the Employer shall notify the affected employees fourteen (14) days in advance of the effective date of the layoff or job abolishment. Employees will be notified of the Employer's decision to implement any short-term layoff, lasting seventy-two (72) hours or less, as soon as possible. The Employer, upon request from the FOP/OLC, agrees to discuss the impact of the layoff on bargaining unit employees with representatives of the FOP/OLC.

Section 16.2. Layoff. If the Employer determines to lay off in the Sergeant classification, Sergeants will be laid off beginning with the least senior and progressing to the most senior up to the number of Sergeants that are to be laid off. All temporary, intermittent, seasonal, and part-time employees in the classification will be laid off before bargaining unit members. An employee may displace a less senior employee in a classification held previously or a vacancy, provided the employee meets the minimum qualifications required. Displacement rights must take place within five (5) days of a layoff notice.

Section 16.3. Recall. Employees who are laid off shall be placed on a recall list for a period of one (1) year. If there is a recall, employees who are still on the recall list shall be recalled, in the inverse order of their layoff, provided they are presently qualified to perform the work in the job classification to which they are recalled without further extensive training. Full-time employees with recall rights shall be given the right to reinstatement before any temporary, part-time, intermittent, or seasonal employees may be hired or reinstated in their classification.

If an employee has bumped back into a lower ranking position, the employee shall be reinstated to a vacancy in the employee's prior rank before any laid off employee is reinstated to a position in that rank.

Section 16.4. Reporting. In the case of a long-term layoff, the recalled employee shall have seven (7) calendar days following the date of mailing of the recall notice to notify the Employer of the employee's intention to return to work and shall have ten (10) calendar days following the

mailing date of the recall notice in which to report for duty, unless a later date for returning to work is specified in the notice.

Recalled employees shall not serve a probationary period upon reinstatement, except that employees serving a probationary period at the time of layoff shall be required to repeat such probationary period.

ARTICLE 17
WORK RULES – GENERAL ORDERS

Section 17.1. The Employer agrees that all work rules and general orders shall be applied uniformly within the group of employees to whom such work rules/general orders are directed.

Section 17.2. Subject to the specific rights retained by the Employer in this Agreement, the Employer recognizes its legal obligation under O.R.C. Chapter 4117 to bargain with the FOP/OLC prior to implementation of any changes in wages, hours, or other terms and conditions of employment applicable to members of the bargaining units. Prior to implementing new or changed work rules, policies, or other changes that materially affect wages, hours, or terms or conditions of employment of bargaining unit employees, the Employer will notify the Union seven (7) days in advance of the effective day of implementation. If the Union requests to bargain over such a change within the notice period, the Employer and the Union will negotiate in good faith. If the Union does not request to bargain, or if the Employer and the Union bargain to impasse, the Employer may implement any proposed change that does not materially affect the wages, hours, or conditions of employment of bargaining unit employees, but the Union may exercise its negotiating rights regarding such matter in the normal course of bargaining as provided in Article 39, Duration, for an applicable succeeding Agreement. Notwithstanding the above, if the change is not a topic of bargaining under RC Chapter 4117, or in the case if the change is necessary due to exigent circumstances or a state or federal directive or regulation, the Employer is not required to give a seven (7) day notice or to bargain over the implementation of the change; however, the Employer may elect to do so if time permits, without waiving its rights.

Section 17.3. Whenever practical, the Employer agrees to notify the Union in advance of any changes in the employment relationship that may affect the FOP/OLC or its members through the labor-management committee. The notification is not to constitute an abridgement of management's rights to make changes that it deems necessary. Decisions to change policy and procedures that do not directly affect wages, hours, and other terms and conditions of employment are not subject to the grievance procedure.

ARTICLE 18
JOB POSTINGS

Section 18.1. Promotion. For the purpose of this article, the term "promotion" shall mean the act of placing an individual in a position above the rank of Deputy Sheriff which carries a higher pay range than that previously held.

Section 18.2. Postings. The Employer shall post, internally, vacancies which occur or are imminent within the organization except in those cases where an employee is eligible for reinstatement from layoff to the vacant position. Each announcement, insofar as practical, shall specify the title, salary, and nature of the job, the required qualifications, the type of selection procedure to be used, and the deadline and place of application.

ARTICLE 19
SAFETY

Section 19.1. Employer Duties. The Employer shall furnish and maintain in good working condition all tools, facilities, vehicles, equipment, and supplies deemed necessary to safely carry out the duties of each position, but reserves the right to determine what tools, facilities, vehicles, equipment, and supplies are necessary.

Section 19.2. Employee Duties. Employees are responsible for reporting unsafe conditions or practices to the Employer or to their immediate supervisor. Employees are responsible for properly using and caring for the tools, facilities, vehicles, equipment, and supplies provided by the Employer.

ARTICLE 20
SPECIAL ASSIGNMENTS/SPECIAL DEPUTIES

Section 20.1. Special Assignments. All qualified employees of the Sheriff's Office may be hired by various businesses or organizations of the community, with the advance approval of the Sheriff, to work special assignments. Effective July 1, 2014, payment for such services shall be made by the hiring party at a rate of no less than twenty-eight dollars (\$28.00) per hour for non-profit organizations, with a three (3) hour minimum. This rate shall increase by one dollar (\$1.00) to twenty-nine dollars (\$29.00) on January 1, 2016. Non-profit organizations, excluding schools, churches and other traditional/accepted non-profit organizations as mutually agreed by the parties, shall be required to provide proof of 501(c)(3) status. For-profit organizations shall pay a minimum of thirty two dollars (\$32.00) per hour effective July 1, 2014; thirty three dollars (\$33.00) per hour effective January 1, 2015; and thirty four dollars (\$34.00) per hour effective January 1, 2016, with a three (3) hour minimum. Details of thirty (30) minutes or less shall have a one and one-half (1½) hour minimum. When a request is received for five (5) or more employees to work the same function at the same time, one (1) such employee must be a supervisor. This supervisor shall be plus rated three dollars (\$3.00) per hour for such functions.

When employees are working details with other law enforcement agencies they shall be paid the same rate as the highest paid agency they are working with.

Special detail assignments will be made available in the following manner:

- A. Regular monthly details will be posted at least fifteen (15) days in advance.
- B. For details lasting more than thirty (30) minutes, each officer will be limited to one (1) initial sign-up. After the posting has been up for at least seventy-two (72) hours, officers may sign up for an additional one (1) detail. However, for details lasting thirty (30) minutes or less, each officer shall be limited to four (4) initial sign-ups and an additional one (1) sign-up after the seventy-two (72) hour posting.
- C. When the Employer has less than seventy-two (72) hours to fill a detail, the Sheriff or designee will assign any qualified employee. The Employer will attempt to equalize these opportunities as they occur.
- D. Reserve officers cannot sign up for details until after the special detail assignments have been posted for at least five (5) days.
- E. Rules and Regulations of the Sheriff's Office shall apply to Special Details and grants. The Sheriff reserves the right to withhold an officer's opportunity to participate in the monthly details, for infractions during details, as a form of discipline.
- F. Only the Sheriff, or designee, may approve a request for leave time to work a special detail at the beginning of (or end of) a regular tour of duty on the same day as the special detail. This language does not prohibit using approved leave time to work special details when such approval was granted twenty-four (24) hours prior to the special detail.

The parties agree that any extra duty/special duty performed by an employee under this section shall not be considered as overtime.

Employees on sick leave or Family Medical Leave will not be eligible for extra/special duty until such time as they report back to work at their next scheduled shift.

Section 20.2. Reserve Deputies. The parties agree that the Employer may continue to utilize reserve deputies for special details such as parades, fairs, special traffic control, scheduled educational events, and declared emergencies in which regular personnel are deemed not adequate to fulfill the Employer's mission. The Sheriff may continue the current practice of reserves working road patrol.

ARTICLE 21
SUBSTANCE TESTING

Section 21.1. Testing Reasons. Drug/alcohol testing may be conducted on employees randomly and upon reasonable suspicion. Reasonable suspicion that an employee used or is using a controlled substance or alcohol in an unlawful or abusive manner may be based upon, but not limited to:

- A. Observable phenomena, such as direct observation of drug or alcohol use or possession and/or the physical symptoms of being under the influence of a drug or alcohol;
- B. A pattern of abnormal conduct or erratic behavior, including abnormal leave patterns;
- C. Arrest or conviction for a drug or alcohol-related offense, or the identification of an employee as the focus of a criminal investigation into illegal drug or alcohol possession, use, or trafficking;
- D. Information provided either by reliable or credible sources and independently corroborated;
- E. Evidence that an employee has tampered with a previous drug test;
- F. Facts or circumstances developed in the course of an authorized investigation of an accident or unsafe working practice.

Section 21.2. Drug Testing Procedures. All drug screening tests shall be conducted by laboratories certified by the Department of Health and Human Services (DHHS) or certified by a DHHS-recognized certification program. No test shall be considered positive until it has been confirmed by a gas chromatography/mass spectrometry full scan test or its equivalent. The procedures utilized by the Employer and testing laboratory shall include an evidentiary chain of custody control. All samples collected shall be contained in two (2) separate containers for use in the prescribed testing procedures. All procedures shall be outlined in writing and this outline shall be followed in all situations arising under this article.

Section 21.3. Alcohol Testing Procedures. Alcohol testing shall be done in accordance with the law of the State of Ohio to detect drivers operating a motor vehicle under the influence. A positive result shall entitle the Employer to proceed with sanctions as set forth in this article.

Section 21.4. Test Results/Refusal to Submit to Testing. The results of the testing shall be delivered to the Employer and the employee tested. An employee whose confirmatory test result is positive shall have the right to request a certified copy of the testing results in which the vendor shall affirm that the test results were obtained using the approved protocol methods. The employee shall provide a signed release for disclosure of the testing results. A representative for the bargaining unit shall have a right of access to the results upon request to the Employer, with the employee's consent. Refusal to submit to the testing provided for under this Agreement may be grounds for discipline.

Section 21.5. Confirmatory Testing.

- A. If a drug screening test is positive, a confirmatory test shall be conducted utilizing the fluid from the same containers collected in the manner prescribed above.
- B. In the event the second test confirms the results of the first test, the Employer may proceed with the sanctions as set forth in this article. If the results are negative, the employee shall be given the benefit of the doubt and no sanctions shall be imposed.
- C. In the event the two (2) test results are positive, the employee is entitled to have the sample in the second container tested in the manner prescribed above at the employee's expense. The results of this test, whether positive or negative, shall be determinative.

Section 21.6. Payment of Testing Costs. Costs of all drug screening tests and confirmatory tests shall be borne by the Employer except that any test initiated at the request of the employee shall be at the employee's expense.

Section 21.7. Random Testing. Any random testing per this article will be conducted per Department of Transportation Standards. Any random testing will include all sworn officers of the Sheriff's Office.

ARTICLE 22
EMPLOYEE ASSISTANCE PROGRAM

Section 22.1. Assistance Program. The Employer and the FOP/OLC recognize the value of counseling and assistance programs to those employees who have personal problems which interfere with their ability to work productively.

- A. Participation in the assistance program shall be voluntary, except for those employees not terminated for a drug or alcohol abuse violation. Employees who test positive, per Article 21 of this Agreement, shall be required to participate in this employee assistance program. Seeking and/or accepting assistance to alleviate an alcohol, drug, or other behavioral or emotional problem will not in and of itself jeopardize an employee's job security.
- B. Employee participation in this assistance program shall be scheduled outside the employee's scheduled workday. If scheduling does not permit this, employees can use unused sick leave, vacation leave or compensatory time.
- C. Records regarding treatment and participation in the EAP shall be confidential, and the records shall not be maintained in the employee's personnel file.
- D. Expenses incurred for treatment, assistance, and/or hospitalization will be provided under the employee's health insurance whenever possible. Participating employees will be

advised of the extent of insurance coverage for the appropriate treatment should they so request.

ARTICLE 23
HOURS OF WORK AND OVERTIME

Section 23.1. Purpose. This article is intended to define the normal hours of work per day or per week in effect at the time of execution of this Agreement. Nothing contained herein shall be construed as preventing the Employer from restructuring the normal workday or workweek for the purpose of promoting efficiency or improving services, or from establishing the work schedules of employees, including flexing an employee's work schedule within the same work period (including Community Service employees, Investigators, and Liaison Officers. Any employee may have their schedule flexed upon mutual agreement between the affected employee and the Employer). The Employer will attempt to give twenty-four (24) hours advance notice when flexing an employee's work schedule, and agrees to only flex the entire tour of duty for that scheduled day. This article is intended to be used as the basis for computing overtime and shall not be construed as a guarantee of work per day or per week.

Section 23.2. Work Period. The work period for bargaining unit employees shall consist of fourteen (14) consecutive calendar days.

Each employee's work schedule shall be determined by the Employer. The normal work schedule for full-time bargaining unit employees shall consist of no more than eighty-three (83) hours of work performed during the fourteen (14) day work period.

Section 23.3. Overtime. When an employee is required to work in excess of eighty-three (83) hours in a fourteen (14) day work period, they shall be paid overtime pay for such time over eighty-three (83) hours at the rate of one and one-half (1½) times their regular hourly rate of pay. Compensation shall not be paid more than once for the same hours under any provision of this article or Agreement.

- A. For purposes of determining an employee's eligibility for overtime, all hours in active pay status, except paid sick leave, will be considered hours worked.
- B. Employees shall not begin work prior to their normal scheduled starting time nor work beyond their normal scheduled quitting time unless overtime has been approved by the Employer. Employees shall obtain advance approval of the Employer before working any overtime.

Section 23.4. Exchange of Days Off. Where an employee requests to work a day off in exchange for a day to be scheduled off, the employee's pay status shall not be affected. When employees exchange shifts with the approval of the Employer (or designee), the pay status of neither is affected, except that an employee who works an exchange and is required to work overtime shall receive the overtime. Shift exchanges must all be done in the same work period.

Section 23.5. Compensatory Time. Employees may choose to take compensatory time in lieu of overtime compensation if such choice is indicated during the tour of duty in which the overtime is worked. Compensatory time shall be credited to the employee and accumulated hour-for-hour for hours worked over eighty (80) hours per pay period but less than eighty-three (83), and compensatory time will accumulate at the rate of one and one-half (1½) hours for each hour worked over eighty-three (83) hours per pay period. Each employee's compensatory time bank shall be limited in accumulation to a maximum of thirty-two (32) hours. Each calendar year employees may carry-over up to thirty-two (32) hours of compensatory time into the next year, however, employees may only have a maximum of thirty-two (32) hours of compensatory time on the books at any one time. Overtime beyond thirty-two (32) hours compensatory time will be paid.

Compensatory time may be taken by an employee in one (1) hour increments upon approval of the employee's supervisor, provided that the employee's absence does not create a hardship on the operations of the Employer, and may be taken only at the beginning and/or end of a shift. The Employer may require forty-eight (48) hours advance notice. If a benefit leave time (i.e. vacation, personal day) has been previously denied, an employee cannot re-submit compensatory time for the same time.

An employee who leaves the employment of the Office for any reason will be paid for all of the employee's unused compensatory time to the employee's credit at the final rate of pay. The spouse, beneficiary, or executor of the estate, as applicable, shall receive any payment due in the event of the death of an employee.

Section 23.6. Time Change. In shifts affected by changes to/from Daylight Savings Time where the workday is shortened as a result of the change, no employee will be docked. Where the workday is lengthened due to the time change, that hour will not be compensated.

Section 23.7. Shift Preference. Employees will be assigned to particular shifts on a six (6) month basis by the Sheriff or the Sheriff's designee. Shift assignment shall not be changed during any such assignment period unless unexpected variations mandate that an assignment be changed in order to provide effective delivery of services to the community. The Sheriff also reserves the right to change an employee's shift assignment for disciplinary reasons. The procedures listed below shall be followed in order to benefit the nonprobationary employee and to further satisfy the operational needs of the Employer.

- A. At least thirty (30) days prior to the beginning of the shift assignment period, the Sheriff (or designee) shall solicit the written preferences of each employee as to shift assignment. Each eligible employee shall submit a written request for shift assignment within a period of time specified by the Employer.

The cost of this determination shall be shared by the Employer and the employee. The decision of the physician so selected by the Employer and the employee shall be binding upon the parties as to whether the employee shall be required to participate in the Physical Abilities Test.

Section 38.9. An employee who is temporarily unable to perform the essential functions of the position with a reasonable accommodation may be placed on leave.

Section 38.10. An employee who is exempted from all or any part of the Physical Abilities Test shall upon request from the Employer give the Employer a medical information release authorization which will allow the Employer to obtain information from the licensed physician issuing the written statement describing the medical or physical condition of the employee, and how such condition relates to the Physical Abilities Test, or any particular part of the test, in such a way as to make participation in the test, or any part thereof, detrimental to the employee's health. All information received by the Employer shall be confidential and maintained separately from the employee's personnel file.

Section 38.11. Employees shall provide the Employer a medical clearance from the employee's physician on a form provided by the Employer. The form shall be updated no less than every two (2) years. The form shall describe the tests the employee will be required to undergo.

Section 38.12. During the testing process, any employee who exhibits or complains of any condition which suggests that further participation in the testing process may be detrimental to the employee's health shall not be required or permitted to continue in the testing process. The Employer, at the Employer's sole discretion, or at the request of the employee, may transport the employee to a licensed physician or emergency care facility for immediate action, or if immediate attention is not deemed necessary, the Employer may require the employee to provide a new medical clearance. The cost of any emergency or immediate medical attention shall be paid by the Employer.

Section 38.13. Employees who pass the annual test will receive a physical fitness uniform ribbon and one (1) additional personal leave day to be used in that calendar year. Employees who fail the annual test will forfeit one (1) day of accrued vacation.

Section 38.14. The Sheriff's goal is to ensure the employees are screened for health risks in those areas recognized by the American Heart Association or other professional medical personnel to be indicators of serious physical health problems. All sworn personnel may complete this component before participating in the physical abilities testing. Those areas of screening provided by the department will be at least the following and may include other tests;

- A. Blood pressure evaluation - Use of the American Heart Association standards; those medically at risk will be provided further resources in accordance with the County's health insurance plan.
- B. Cholesterol screening - Use of the American Heart Association standards for reference; those medically at risk will be provided further resources or reference through the County's health insurance plan for cholesterol reduction.
- C. Should officers exhibit signs during health screenings indicating a possible health problem exists, the officers should seek appropriate screening and further advice from their own doctor pursuant to the health plan provided by the County.

Section 38.15. Participating employees will sign a waiver provided by the Employer.
