PREAMBLE/PURPOSE

This Agreement, Addendum, Grievance Forms and Uniform List is entered into by and between the Perrysburg Township Board of Trustees, hereinafter referred to as the "Employer" and the Ohio Patrolmen's Benevolent Association, hereinafter referred to as the OPBA. The Agreement has as its purpose: To comply with the requirements of Chapter 4117 of the Ohio Revised Code and to set forth the complete understandings and agreements between the parties governing the wages, hours, terms and other conditions of employment for those employees included in the bargaining unit(s) as defined herein. Whenever the term "employee" is used throughout this Agreement it shall mean all full-time dispatchers. Whenever the term "Employer" is used in this Agreement, it shall mean the Perrysburg Township Board of Trustees or their designees.

ARTICLE 1 UNION RECOGNITION

Section 1.1. The Employer recognizes the OPBA as the sole and exclusive representative of all employees included in the bargaining unit described in the State Employment Relations Board's order in Case No. 95—REP-05-0092 or as subsequently amended.

Section 1.2. Included employees are full-time dispatchers.

Section 1.3. Employees excluded are all management level employees, confidential employees, casual and seasonal employees, professional employees and supervisors as defined in the Act, including: the Chief of Police, Deputy Chief, Police Lieutenant, Sergeant and Dispatcher/Secretary.

Section 1.4. The Employer will furnish the OPBA with a list of all employees in the classifications covered by this Agreement indicating their starting date of employment. Such list will be furnished no less than annually and will be supplemented by the names of all new employees as hired.

ARTICLE 2 DEDUCTION OF DUES, INITIATION FEES AND ASSESSMENTS

Section 2.1. The Employer agrees to deduct OPBA membership dues, initiation fees and assessments in accordance with this Article for all employees who become members of the OPBA. All members of the bargaining unit, upon completion of their individual probationary periods, shall either join the OPBA, maintain membership in the OPBA, or pay a fair share fee to the OPBA.

Section 2.2. The Employer agrees to deduct regular OPBA membership dues once each month from the pay of any employee in the bargaining unit eligible for membership upon receiving written authorization signed individually and voluntarily by the employee. The signed payroll deduction form must be presented to the Employer by the employee. Upon receipt of the proper

authorization, the Employer will deduct OPBA dues from the payroll check for the next pay period in which dues are normally deducted following the pay period in which the authorization was received by the Employer.

Section 2.3. The parties agree the Employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article regarding the deduction of OPBA dues. The OPBA hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions or proceedings by any employee arising from deductions made by the Employer pursuant to this Article. Once the funds are remitted to the OPBA, disposition of such funds thereafter shall be the sole and exclusive obligation and responsibility of the OPBA.

Section 2.4. The Employer shall be relieved from making dues deductions upon an employee's: 1) termination of employment, 2) promotion to a job other than one covered by the bargaining unit, 3) layoff from work, 4) an unpaid leave of absence, or 5) written revocation of the dues deduction authorization in accordance with the terms of this Agreement.

Section 2.5. The Employer shall not be obligated to make dues deductions from any employee who, during any dues month involved, has failed to receive sufficient wages to make all legally required deductions in addition to the deduction of OPBA dues. Authorization for dues deductions shall be revocable upon written notice to the Employer from the employee.

Section 2.6. The rate at which dues are to be deducted shall be certified to the Township Fiscal Officer by the Treasurer of the OPBA during January of each year. One (1) month advance notice must be given to the Fiscal Officer prior to making any changes in any employee's dues deductions.

Section 2.7. Except as otherwise provided herein, each eligible employee's written authorization for dues deduction shall be honored by the Employer for the duration of this Agreement.

Section 2.8. Any employee who voluntarily submits a dues check off authorization and who thereafter revokes such authorization or does not become a member, shall pay to the OPBA, through payroll deduction, a fair share fee for the duration of this Agreement. This fair share fee is automatic and does not require the employee to remain a member of the OPBA, nor shall the fair share fee exceed the dues paid by the members of the OPBA in the same bargaining unit. The fair share fee shall not be used to finance political and/or ideological activity. The fair share fee is strictly to finance the proportionate share of the cost of collective bargaining, contract administration, and pursuing matters directly affecting wages, hours and other terms and conditions of employment of bargaining unit members. The OPBA shall certify the amount of fair share fee to the Township Fiscal Officer in writing upon execution of the Agreement and during January of each calendar year. The OPBA shall prescribe a rebate and challenge procedure which complies with applicable state law.

ARTICLE 3
MANAGEMENT RIGHTS

Section 3.1. The OPBA recognizes the right and authority of the Employer, through the Chief of Police and/or their designee(s) to administer the business of the Perrysburg Township Police Department, and, in addition to other functions and responsibilities which are required by law, the OPBA recognizes that the Employer, the Chief of Police and/or their designee(s), has and will retain the full right and responsibility to direct the operations of the Police Department, to promulgate rules and regulations, and to otherwise exercise the prerogatives of management, which more particularly include, but are not limited to, the following:

- A. To manage, direct and supervise its employees, including the right to select, hire, schedule, promote, transfer, assign, evaluate, retain, layoff and recall, and to reprimand, demote, suspend, discharge or discipline for just cause;
- B. To manage and determine the location, type and number of its physical facilities, equipment, programs and the work to be performed;
- C. To promulgate and enforce employment rules and regulations, and to otherwise exercise the prerogatives of management;
- D. To determine the Employer's goals, objectives, programs and services, and to utilize personnel in the manner that effectively meets these purposes;
- E. To determine the size, composition and duties of the work force and the organizational structure, the number of shifts required, to establish work schedules, to establish hours of work, to establish, modify, consolidate or abolish jobs, positions or classifications, and to determine staffing patterns, including but not limited to, the assignment of employees, duties to be performed, qualifications required and areas worked;
- F. To determine when a job vacancy exists, when, or if, a vacancy is to be filled, the duties to be included in all job classifications, and the standards of quality and performance to be maintained;
- G. To determine the necessity to schedule overtime and the amount thereof required; to maintain the security of records and other pertinent information;
- H. To determine the Township's overall budget and uses thereof;
- I. To maintain and improve the efficiency and effectiveness of the Township's operations;
- J. To determine and implement necessary actions in emergency situations;

- K. To determine the overall mission of the Employer as a unit of government, and to take action to carry out the Employer's mission as a governmental unit;
- L. The Employer will act in a fair and equitable manner to all employees, consistent with the provisions of this Agreement.

Section 3.2. The OPBA recognizes and accepts that all rights and responsibilities of the Employer not expressly restricted or modified herein, and as permitted by law, shall remain the exclusive function of the Employer, and that nothing herein shall be construed to restrict the Employer's inherent and exclusive rights with respect to matters of general managerial policy.

ARTICLE 4 **UNION REPRESENTATION**

Section 4.1. The parties recognize that it may be necessary for an employee representative of the OPBA to leave a normal work assignment while acting in the capacity of representative. The OPBA recognizes the operational needs of the Employer and will cooperate to keep to a minimum the time lost from work by representatives. Before leaving an assignment pursuant to this Section, the representative must obtain approval from the Chief or his designee or if unavailable, the officer in charge of the shift. The Employer will compensate a representative at the normal rate for time spent in the good faith processing of grievances, and at any meetings at which the Employer requests a representative to be present.

Section 4.2. The OPBA shall provide the Employer an official roster of its local officers, assigned OPBA representative and OPBA Director. Such roster should be kept current at all times by the OPBA and shall include the following:

- A. Name;
- B. OPBA position held;
- C. Phone numbers and work address of non-employee representative(s)

Section 4.3. The OPBA agrees that no representative of the OPBA, employee or non-employee, will interfere with, interrupt or disrupt the normal work duties of employees.

Section 4.4. There is hereby established a Labor-Management Committee (LMC). In the interest of sound labor/management relations, if mutually agreed to be necessary or desirable, on a quarterly basis during the months of January, April, July and October on a mutually agreeable day and time, the Chief and his designees shall meet with representatives of the OPBA. Not more than three (3) representatives for the Employer and not more than four (4) representatives for the bargaining units (two for Patrol, one for Dispatch, one for Sergeants) shall attend labor-management meetings, unless mutually agreed by the parties in advance of the meeting. The Office agrees to release, with pay, the bargaining unit representatives when they attend LMC meetings.

An agenda will be furnished and/or exchanged at least five (5) working days in advance of the scheduled meetings with a list of matters to be taken up in the meeting. The OPBA shall also supply to the Employer the names of those OPBA representatives who will be attending. The purpose of these meetings shall be to:

- A. Discuss the administration of this Agreement;
- B. Notify the OPBA of changes by the Employer which affect bargaining unit members of the OPBA;
- C. Discuss grievances which have not been processed beyond the final step of the grievance procedure when such discussions are mutually agreed to by the parties;
- D. Disseminate general information of interest by the parties;
- E. Discuss ways to increase productivity and improve effectiveness;
- F. To consider and discuss health and safety matters relating to employees; and
- G. Address technology needs and concerns.

ARTICLE 5 **WORK RULES**

Section 5.1. The Employer or its designee(s), in order to carry out its statutory mandates and goals, maintains the right to promulgate, implement, and enforce new and revised work rules, policies and procedures to regulate the conduct of employees and the conduct of the Employer's services, operations and programs.

Section 5.2. Work rules shall be applied uniformly within the group of employees to whom such rules are directed.

Section 5.3. Revisions/Posting Period. Additions or amendments to work rules shall be reduced to writing, posted on department bulletin boards for a period of three (3) working days, and signed by all employees to acknowledge awareness of the addition or amendment within three (3) working days of the posting. Any employee on leave or otherwise absent shall be required to sign the acknowledgment within three (3) working days upon the employee's return to work.

The notification requirements for work rules do not limit the right of the Employer to implement a work rule prior to the conclusion of the acknowledgment or posting period.

Section 5.4. All work rules relating to safety standards and safe practice procedures shall, in addition to being posted, be communicated to each employee by the Chief of Police or designee, or by the use of outside vendors for the conduct of awareness training.

Section 5.5. This Article shall not be interpreted in any manner to relieve an employee of the responsibility to follow normal rules and procedures of good conduct which can reasonably be expected of any employee regardless of whether such rules and procedures have been reduced to writing.

Section 5.6. The Employer agrees to furnish the OPBA with a written notice of the Employer's intention to make changes in department rules, policies or procedures that would affect the working conditions of employees. If the OPBA does not respond within seven (7) working days of the receipt of such notice, the Employer may assume the OPBA does not wish to meet and confer on the proposed changes.

Section 5.7. The Employer will provide each employee with a current copy of departmental rules, regulations and standard operating policies and procedures. The Employer will provide each employee with a copy of all Rules, Regulations, Policies, Procedures, and Operating Methods. A Rule, Regulation, Policy, Procedure or any other Operating Method shall not be the basis for any discipline of an employee until it is in writing and distributed to all employees.

ARTICLE 6
NO STRIKE/NO LOCKOUT

Section 6.1. The Employer and the OPBA agree that the grievance procedures provided herein are adequate to provide a fair and final determination of all grievances arising under this Agreement. It is the desire of the Employer and the OPBA to avoid work stoppages and strikes.

Section 6.2. Neither the OPBA nor any member of the bargaining unit, shall directly or indirectly call, sanction, encourage, finance, participate, or assist in any way in any strike, slowdown, concerted sick leave, walkout, work stoppage or slowdown, or other unlawful interference with the normal operations of the Employer.

Section 6.3. The OPBA shall, at all times, cooperate with the Employer in continuing operations in a normal manner and shall actively discourage and attempt to prevent any violation of the "no-strike" clause. In the event of a violation of the no-strike clause, the OPBA shall promptly notify all employees in a reasonable manner that the strike work stoppage or slowdown, or other unlawful interference with normal operations of the Employer are in violation of this Agreement, unlawful and not sanctioned or approved of by the OPBA. The OPBA shall advise the employees to return to work immediately. The terms and provisions of the no strike clause, shall survive the duration of the contract.

Section 6.4. The Employer shall not lock out any employees in the bargaining unit.

ARTICLE 7
CONFORMITY TO LAW

Section 7.1. The Agreement shall supersede any present and future state and local laws, along with any applicable rules and regulations excepting however, those rights reserved to management by Section 4117.08 of the Ohio Revised Code and the invalidity of any provisions of this Agreement by reason of any such existing or future law or rule or regulation shall not affect the validity of the surviving portions. In accordance with the provisions of Ohio Revised Code (O.R.C.) Section 4117.10 (A), all articles listed in the table of contents of this Agreement are intended to supersede and/or prevail over any conflicting and/or additional provisions contained in the O.R.C., including but not limited to O.R.C. Sections 9.44 and 505.49 to 505.494.

Section 7.2. If the enactment of legislation, or a determination by a court of final and competent jurisdiction (whether in a proceeding between the parties or in one not between the parties) renders any portion of this Agreement invalid or unenforceable, such legislation or decision shall not affect the validity of the surviving portions of this Agreement, which shall remain in full force and effect as if such invalid portion thereof had not been included herein.

ARTICLE 8
WAIVER IN EMERGENCY

Section 8.1. In cases of emergency declared by the President of the United States, the Governor of the State of Ohio, the Emergency Management Agency or the federal or state legislature, such acts of God, civil disaster or civil disorder, the following conditions of this Agreement may be temporarily suspended by the Employer:

- A. Time limits for the processing of grievances; and
- B. Agreements relating to the assignment of employees.

Section 8.2. Upon the termination of the emergency, grievances filed prior to the emergency shall be processed in accordance with the provisions outlined in the grievance procedure of this Agreement from the point in the grievance procedure to which the grievances had properly progressed prior to the emergency.

ARTICLE 9
GRIEVANCE PROCEDURE

Section 9.1. Definition. The word “grievance” as used in this Agreement means an allegation by the OPBA or a bargaining unit employee that there has been a breach, misinterpretation, or improper application of this Agreement. Any dispute or grievance which would change the terms of this Agreement or is an issue pertaining to the discipline or the acceptance or rejection of a probationary employee is not a “grievance” and is not subject to this grievance procedure.

Section 9.2. Limitations. Where a specific administrative agency of a judicial or quasi-judicial nature is provided for by the statutes of the State of Ohio or the United States for review or redress of specific matters, such as, but not limited to, Workers' Compensation, unemployment compensation, etc., such matters shall not be the subject of a grievance or be processed as such.

Section 9.3. Group Grievances. Where a group of bargaining unit members desire to file a grievance for a situation affecting more than one (1) member of the bargaining unit in a similar manner, one (1) member should be selected to sign and file the grievance and each member who desires to be included in the grievance shall be listed on the one (1) grievance.

Section 9.4. Informal Adjustments. Nothing contained herein shall be construed as limiting the ability of the union to discuss the matter informally with any appropriate representative of the Employer on the bargaining unit member(s) behalf and having said matter informally adjusted, provided the adjustment is not inconsistent with the terms of this Agreement. If any grievance is so adjusted without formal determination, such adjustment shall be binding upon the parties with respect to only those parties and only to the specific matter so adjusted. Such adjustment shall not create a precedent upon either party in regard to other or future proceedings or grievances, unless specifically agreed to by the parties.

Section 9.5. Grievance Contents/Information. All grievances should contain the following information to be considered and must be filed using the grievance form mutually agreed upon by both parties:

- A. Aggrieved employee's name and signature;
- B. Aggrieved employee's classification;
- C. The date the grievance was first discussed and the name of the supervisor with whom the grievance was discussed;
- D. The date the grievance was filed in writing;
- E. The date and time the grievance occurred;
- F. The location where the grievance occurred;
- G. The names of all persons, in addition to the grievant, having, knowledge of the incident or occurrence giving rise to the grievance;
- H. The specific Article(s) and Section(s) of the Agreement alleged to have been violated; and
- I. The desired remedy to resolve the grievance.

Section 9.6. For purposes of this Article, a “day” shall mean calendar days excluding Saturdays, Sundays or holidays as provided in this Agreement.

Section 9.7. Grievance Processing/Time Limits. Grievances must be processed at the proper step in order to be considered at subsequent steps. However, any grievance not answered by the responding party within the prescribed time limits shall be considered to have been answered in the negative and may be advanced to the next step in the grievance procedure. Failure of the responding party to answer a grievance within the prescribed time limits shall not be considered approval of the grievance or the granting of the relief sought. All time limits provided herein shall be strictly adhered to, and any grievance not filed initially or appealed within the prescribed time limits shall be deemed waived and void. Any grievance may be withdrawn by the grievant at any point by submitting a written statement to that effect or by permitting the time limits to lapse.

Section 9.8. Procedure. The parties mutually desire to provide for the prompt adjustment of grievances, with a minimum amount of interruption of the Employer’s operations and services. Every responsible effort shall be made by the parties to effect resolution of grievances at the earliest step possible. In furtherance of this objective, the following procedure shall be followed:

Step 1: An employee with a grievance shall contact the employee’s supervisor to discuss and attempt to resolve the grievance informally within five (5) days of the occurrence giving rise to the grievance. The immediate supervisor shall reply with a written explanation within five (5) days after meeting with the employee. If the employee does not invoke Step 2 of this procedure within five (5) days after the supervisor’s reply at Step 1, the grievance shall be satisfactorily resolved.

Step 2: If the grievance is not resolved at Step 1, the grievance shall be reduced to writing by the grievant and be presented to the Chief of Police or designee within five (5) days of the receipt of the supervisor’s response or the date on which the response was due. The Chief of Police may schedule a meeting to discuss the grievance with the grievant and an OPBA representative. The Chief of Police or designee shall investigate and answer the grievance in writing within five (5) days of receipt of the written grievance or within five (5) days of such meeting, whichever is later.

Step 3: If the grievance is not resolved at Step 2, the grievance may be appealed to the Township Board of Trustees within five (5) days of receipt of the Chief of Police or designees response or the date of default rejection, as may be applicable. Copies of the written grievance and the written response shall be submitted with the appeal to the Board of Trustees. The Board of Trustees or their designee will conduct a conference within ten (10) days of the receipt of the appeal with the employee who filed the grievance and the employee’s OPBA representative, if the employee desires the representative’s presence.

Step 4: If the grievance is not resolved at Step 3, the employee may request the grievance be submitted to arbitration within ten (10) days of receipt of the Board of Trustees’ answer or was rejected by default. Such request shall be made to the Chief of Police.

Section 9.9. Pre-Arbitration Procedure. Upon receipt of a request for arbitration; the Employer will schedule a meeting with the employee and the employee's OPBA representative if the employee so desires. Such meeting shall be scheduled within fourteen (14) calendar days after receipt of the request for arbitration. The parties will attempt to settle the grievance at this meeting. In the event the parties are unable to settle the grievance, the Union will request an arbitration panel from the Federal Mediation and Conciliation Service within twenty-one (21) days of the Union's receipt of the Trustees' Step 3 decision.

Section 9.10. Arbitrator Selection. If the parties are unable to select an arbitrator, the arbitrator shall be selected from a panel list of nine (9) arbitrators jointly requested from the Federal Mediation and Conciliation Service (Ohio based who are members of the National Academy of Arbitrators). The parties shall alternately strike the names of the arbitrators until only one (1) name remains. Each party may reject the list once and request from the FMCS another list of nine (9) names until a mutually agreeable arbitrator is selected.

Section 9.11. Authority of the Arbitrator. The arbitrator shall limit decisions strictly to the interpretation, application or enforcement of the specific Articles and Sections of this Agreement, and shall be without power or authority to make any decision:

- A. Contrary to or inconsistent with or modifying or varying in any way the terms of this Agreement or of applicable law;
- B. Contrary to or inconsistent with, changing, altering, limiting or modifying any practice, policy, rules or regulations presently or in the future established by the Employer so long as such practice, policy or regulation does not conflict with this Agreement.
- C. Recommending any right or relief on an alleged grievance occurring at any time other than the contract period in which such right originated, or making any award based on rights arising under any previous agreement, grievance, or practices; or
- D. Establishing any new or different wage rates not negotiated as part of this Agreement.

In the event of a monetary award, the arbitrator shall limit any retroactive settlement to the date of the occurrence.

Section 9.12. Decision. The decision of the arbitrator shall be final and binding on the grievant, the OPBA and the Employer subject to appeal as provided in Revised Code 2711. The arbitrator shall be requested to issue a decision within thirty (30) calendar days after the conclusion of hearings or submission of final briefs.

Section 9.13. Fees/Expenses. The costs and fees of the arbitrator shall be split equally by the parties. The expenses of any non-employee witness shall be borne by the party calling the witness. The fees of the court reporter shall be paid by the party asking for one; such fees shall be split equally if both parties desire a court reporter's recording or request a copy of any transcript.

ARTICLE 10
DISCIPLINE

Section 10.1. No non-probationary employee shall, for disciplinary reasons, be reduced in pay, suspended without pay, demoted, discharged or otherwise disciplined except for just cause.

Section 10.2. Forms of Discipline/Progressive Discipline. Except in instances in which an employee is charged with a serious offense, discipline will be applied in a progressive and corrective manner. Progressive discipline should take into account the nature of the violation, the employee's record of discipline and the employee's record of performance and conduct.

Discipline may include the following, which shall be removed from the employee's personnel file for purposes of consideration for progressive discipline, provided there are no intervening infractions, after the indicated periods of time.

- A. Oral reprimand documents in the employee's personnel file (twelve months);
- B. Written reprimand (18 months);
- C. Suspension (24 months);
- D. Suspension of record (i.e., working suspension – 24 months);
- E. Termination.

An employee who is given a working suspension (i.e., suspension of record) shall be required to report to work to serve the suspension and shall be compensated at the regular rate of pay for hours worked. The working suspension shall be recorded in the employee's personnel file in the same manner as other disciplinary actions having the same effect as a suspension without pay for the purpose of recording disciplinary action.

Section 10.3. For the purposes of the Article, serious offenses shall include, by way of example: dishonesty; severe dereliction of duty; falsification of any official documents; unauthorized disclosure of sensitive or confidential information; being under the influence of and/or the unauthorized possession of alcohol during working hours; being under the influence of and/or the unauthorized possession sale, or purchase of illicit drugs; physical violence; engaging in insubordination (a willful disregard of the employer's instructions); conviction of a felony; embezzlement of public funds; theft; conviction of driving under the influence; any intentional conduct that results in permanent inability to carry a firearm.

Section 10.4. Fair treatment and conduct by the Employer. At no time shall a telephone call by the Employer to an employee be used as a form of progressive discipline. However, this does not restrict the Employer from contacting an employee to request an employee to come to the Police Department for a disciplinary meeting.

Section 10.5. Employee Rights. Employee rights are as follows:

A. Rights of Employees Under Investigation for Possible Criminal Violations

When a bargaining unit member is under investigation for possible criminal violations or is subjected to questioning for any reason in connection with a criminal investigation, the following minimum standards shall apply:

1. A bargaining unit member who is to be questioned for possible criminal violations or is subjected to questioning for any reason in connection with a criminal investigation shall be advised of his Garrity or Miranda rights.
2. Questioning of the bargaining unit member shall be conducted at a reasonable hour, preferably when the bargaining unit member is on duty, unless circumstances otherwise require.
3. Questioning of the bargaining unit member shall normally take place at the offices of those conducting the investigation or the place where such bargaining unit member reports for duty unless the member consents in writing to being questioned elsewhere.
4. The bargaining unit member under investigation shall be informed of the nature of the investigation prior to any questioning.
5. Any questioning of a bargaining unit member in connection with an investigation shall be for a reasonable period of time and shall allow for reasonable periods for the rest and personal necessities of the bargaining unit member.
6. No threat against, harassment of, or promise or reward (except an offer of immunity from prosecution) to any bargaining unit member shall be made in connection with an investigation to induce the answering of any questions.
7. Questioning of any bargaining unit member in connection with the investigation may be recorded in full in writing or by electronic device. If the employer intends to record an investigation, it shall so advise the employee prior to the commencement of the interview. If any such recording is made a copy shall be made available to the member under investigation and, if a transcript of the statements made in the recording is produced, a copy of the transcript shall be made available to the member under investigation, after the investigation has been completed.
8. The bargaining unit member under investigation shall be entitled to the presence of an attorney and/or union representative, at any questioning of the member, unless the member consents in writing to being questioned outside the presence of the attorney and/or union representative.

9. At the conclusion of the investigation, the bargaining unit member under investigation shall be informed, in writing, of the investigative findings.

- 2.

B. Notice of Disciplinary Action:

1. When disciplinary action is to be taken against a bargaining unit member, the member shall be notified of the action and the reasons therefore, a reasonable time before the action takes effect.
2. At the time that any bargaining unit member is notified to report for an internal investigation, and upon the bargaining unit member's request, he/she shall be provided, an opportunity within a reasonable time frame to contact a union representative for the purpose of representation.

C. Internal Investigations:

1. Bargaining unit members shall be informed, in writing of the nature of the investigation prior to any questioning and shall be informed to the extent known at the time, whether the investigation is focused on a criminal or Departmental charge. If the member requests it, he shall be given brief time prior to any questioning to locate and review any written documents he possesses regarding the event(s) being investigated in order to fully prepare himself to accurately and completely respond to the questioning; an investigating officer may accompany the member during his search and review of such documents.
2. Investigation Time Limits/Notification of Results: All disciplinary investigations shall be conducted as promptly as practicable, with disciplinary investigations being started within thirty (30) days of the Employer learning of the circumstances necessitating the investigation. The employee shall be notified of any charge to be placed against him/her within twenty-one (21) calendar days following the conclusion of the investigation.
3. A bargaining unit member who is brought before a disciplinary hearing shall be provided access to all transcripts, records, written statements written reports, and analyses and video tapes pertinent to the case that:
 - a. contain exculpatory information
 - b. are intended to support any disciplinary action, or
 - c. are to be introduced in the disciplinary hearing.
4. Initial disciplinary hearing shall be held within thirty (30) days of the filing of charges, unless the parties mutually agree otherwise.

5. A bargaining unit member who is to be questioned as a suspect in an internal investigation that may lead to criminal charges against him shall be advised of his Constitutional Rights in accordance with the law.
6. Before a bargaining unit member may be charged with insubordination or like offenses for refusing to answer questions or participating in an investigation, he shall be advised that such conduct could be made the basis for a charge.
7. Notification to a bargaining unit member that potential corrective action could result if the bargaining unit member continues to refuse to answer questions or participate in any investigation shall not be construed as administrative pressures, threats, coercion, or promises for the purpose of this paragraph.
8. When a bargaining unit member is to be interviewed regarding the investigation of any other bargaining unit member, such interview shall be conducted in accordance with the procedures established in this Article 10.

D. Complaints:

1. When a single, anonymous complaint is made against a bargaining unit member on duty and there is no corroborative evidence of any kind, then the complaint shall be classified as unfounded and the accused bargaining unit member shall not be required to submit a written report.
2. Any signed complaint received concerning alleged misconduct by a bargaining unit member who was off duty when the alleged incident occurred, shall be investigated in the same manner as any complaint made by a citizen against a bargaining unit member for misconduct while on duty. The parties acknowledge that circumstances may exist that allow, at the conclusion of the investigation, for disciplinary action against an employee based upon off-duty conduct but such disciplinary action is subject to the same grievance process as disciplinary action for on-duty conduct.

E. Retaliation for Exercising Rights: There shall be no penalty or threat of penalty against a bargaining unit member for the exercise of the member's rights under this section.

F. Other Remedies Not Impaired:

1. Any complaint or allegation by the Union of a bargaining unit member that the Employer violated any of the rights set forth in this section shall be subject exclusively to the grievance process set forth in Article 9.
2. A bargaining unit member retains all legal rights and remedies under federal law.
3. A bargaining unit member may waive any of the rights guaranteed in this Article.

G. Prohibition of Adverse Materials in Member's Files: The Employer shall not insert any adverse material into the file of any bargaining unit member unless the member has had an opportunity to review and comment in writing about the adverse material.

H. Disclosure of Personal Assets:

1. A bargaining unit member shall not be required or requested to disclose any item of the member's personal property, income, assets, sources of income, debts, personal or domestic expenditures (including those of any member of the member's household), unless:
 - a. The information is necessary in investigating a violation of any federal, state or local law, rule or regulation with respect to the performance of official duties, or
 - b. Such disclosure is required by federal, state, or local law.
2. There shall be no press release by the Employer or OPBA regarding the employee under investigation, until the investigation is completed and the employee is either cleared or charged with a violation.

Section 10.6. Administrative Leave. The employer may place an employee on an emergency paid administrative leave during the pendency of an investigation into and disposition of alleged misconduct by the employee when it determines such a leave is in the vest interests of the department. Any full-time employee charged with a crime or under indictment for a felony who is not disciplined or discharged by the Employer, may be placed on a leave of absence without pay until resolution of the court proceedings. Such employee may use accrued but unused vacation, holiday, or other paid leave during such unpaid administrative leave.

Any employee found guilty by the Court of a serious crime or felony may be discharged. If the charges are reduced to a misdemeanor the employee may be subject to discipline pursuant to the terms of this Agreement. If the employee is found innocent of the charges, the employee may be subject to discipline pursuant to the terms of this Agreement, but will be paid for lost straight time hours up to the date of such discipline and shall have any vacation, holiday and/or other paid time off that was used restored to the employee's credit.

Section 10.7. Personnel Files. An employee may request an opportunity to review the employee's personnel file in the presence of the Employer and may have an OPBA representative present when reviewing the file. The employee may attach a memorandum to any file clarifying any document in the employees file. The employee may request copies of any documents contained in the employee's file. Any documents in an employee's file relating to complaints or investigations of misconduct by the employee shall include a disposition notation.

Section 10.8. An employee, other than the Director and employees subpoenaed as witnesses, shall not be paid for time spent in participating in any arbitration hearing over the subject discipline, provided that an employee may use vacation time or compensatory time, if available.

ARTICLE 11
HOURS OF WORK AND OVERTIME

Section 11.1. This Article is intended to define the normal hours of work in effect at the time of execution of this Agreement. Nothing contained herein shall be construed as preventing the Employer from restructuring the normal workday or workweek for the purpose of promoting efficiency or improving services. This Article is intended to be used as the basis for computing overtime and shall not be construed as a guarantee of work per day or per week.

Section 11.2. Workweek. The work period shall begin at 12:01 a.m. on Sunday and continue for seven (7) consecutive calendar days, one hundred sixty-eight (168) consecutive hours, ending at 12:00 midnight the following Saturday.

Section 11.3. Work Schedule. Each employee's work schedule shall be determined by the Employer. The normal work schedule for full-time bargaining unit employees shall consist of forty (40) hours of work performed during the seven (7) day work period.

Section 11.4. Contractual Overtime/Compensatory Time. When an employee is required to work in excess of forty (40) hours in a week, the employee shall be paid overtime for such time over forty (40) hours at the rate of one and one-half (1 ½) times the employee's regular hourly rate of pay. In lieu of overtime pay, the employee may elect to accrue compensatory time to be granted at the rate of one and one-half (1 ½) hours of compensatory time off for each hour of overtime actually worked. Compensation shall not be paid more than once for the same hours under any provision of this Agreement.

The maximum amount of compensatory time an employee may accrue is sixty (60) hours. Any overtime worked that would increase the employee's accrued compensatory time above this maximum shall be paid at the appropriate overtime rate. Employees shall have the option to re-accumulate the compensatory time hours each time an employee's hours fall below the maximum sixty (60) hours accrued.

Compensatory time shall be granted at a time convenient to the employee and the Employer, which does not create additional overtime unless otherwise approved by the Employer. The employee must submit a written request for compensatory time off and receive approval from the Employer prior to taking compensatory time off. Such request shall not be unreasonably denied. In the event the prohibition against allowing compensatory time to be used if overtime would have to be paid to an employee is determined to be unenforceable by a court of competent jurisdiction, the parties will reopen this Agreement with respect to compensatory time only.

At the end of each calendar year, employees shall be paid for their accrued but unused compensatory time at their current straight time hourly rate, or have the option of carrying all unused compensatory time over to the next calendar year. Upon separation from employment, employees shall be paid for their accrued but unused compensatory time at their straight-time hourly rate which they are earning at the time of their retirement separation from employment.

Section 11.5. Hours Worked for Contractual Overtime. For purposes of determining an employee's eligibility for overtime, all hours in active pay status by the employee will be included. "Active pay status" includes actual hours worked, paid sick leave, paid injury leave, bereavement leave, vacation, personal leave days, and holidays. Other absences from work, paid or unpaid, shall not be considered "active pay status." There shall be no pyramiding of overtime compensation and/or premium pay.

Section 11.6. Whenever the Employer determines overtime is necessary to meet the operational needs of the department, any or all employees may be required to work overtime. When the Employer determines overtime is necessary, such hours of work will be offered on a voluntary basis to employees pursuant to the following provisions:

Employees may request time off with advance notice (more than eight days) at any time. Whenever overtime is available eight (8) calendar days or more in advance, that availability shall be posted. Each posting shall include the date, time and Command Officer who posted it. Whenever possible, the requested time off shall be posted within seven (7) calendar days of the request being made. The posting shall remain up to five (5) calendar days for employees to sign, and the overtime shall be awarded within twenty-four (24) hours after the posting is taken down.

The overtime shall be awarded to the bargaining unit member with the most seniority who has signed up for all eight (8) hours of available overtime. "Seniority," for purposes of assigning overtime, shall be continuous length of service as a full-time Dispatcher. If no bargaining unit member has signed up for all eight (8) hours, the overtime shall be awarded to the two (2) bargaining unit members who have signed up for four (4) hours of overtime and who have the most seniority; which employee works the first four (4) hours of the overtime shall be determined by the preference of the more senior of the two (2) bargaining unit members as indicated on the posting at the time the employees sign it. If only one (1) bargaining unit member signs for the overtime, the overtime shall be awarded to that bargaining unit member even if s/he only signed up for 4 hours.

Whenever overtime is available seven (7) calendar days or less in advance, the overtime will be offered to all full-time bargaining unit members on a rotating, seniority basis, starting with the most senior full-time employee, the next most senior full-time employee, and so on until the time slot is filled. Only eight (8) hours or four (4) hours shall be offered at any one time. The overtime may be offered to non-bargaining unit members only after all full-time bargaining unit members have been offered and refused the available overtime, with only eight (8) or four (4) hours to be offered at any one time.

The foregoing provisions of this Article notwithstanding, in the event the work involved requires special skills, only employees possessing such skills shall be assigned the overtime. The necessity of overtime shall not be used as a reason to deny coverage of a shift by bargaining unit employees. In emergency situations, this Section will not apply.

Section 11.7. Employees shall not begin work prior to their normal scheduled starting time nor work beyond their normal scheduled quitting time unless overtime has been approved by the Employer. Employees shall obtain advance approval before working any overtime.

Section 11.8. Shift Bidding. Each employee shall bid once in December, between December 1 and December 7, for shifts starting on January 1 ending on April 30, and shall bid once in April, between April 1 and April 7, for shifts beginning on May 1 and ending on August 31, then shall bid once in August, between August 1 and August 7, for shifts beginning September 1 and ending December 31. Shift bids shall be final at 2:00 p.m. on the 7th day of the Shift bid selection. Shift assignments will be determined and granted solely by seniority. See Letter of Understanding for 2011-2013 Agreement, attached.

Section 11.9. Shift Differential. A shift differential of 2% shall be paid to an employee when working for the Employer for a shift that starts at or after 2:00 p.m. and before 6:00 a.m.

Section 11.10. Court Time. When an employee is required to appear during the employee's regular off-duty time before any official court or before a prosecutor for a pre-trial conference on matters pertaining to or arising from the employee's official duties, the employee shall be compensated for a minimum of two (2) hours for each such appearance at the employee's appropriate hourly rate. If an employee appears before a court or at a pretrial conference for more than two (2) hours, such excess time shall also be compensated at the applicable rate. Appearances which abut a regular shift are not subject to the above minimum requirements.

ARTICLE 12

VACANCIES, PROMOTIONS AND TRANSFERS

Section 12.1. Whenever the Employer determines that a permanent vacancy exists, notices of such vacancy will be posted where employee notices are normally posted for seven (7) calendar days, prior to filling the vacancy. All such notices will contain a description of the position to be filled, including job duties, working hours, special qualifications required or desired, name and classification of the supervisor, and other information regarding the position and the closing date of the posting. Any certified employee desiring the position must submit a written application to the Employer prior to the close of the posting period.

Section 12.2. The Employer will consider the following criteria in selecting the successful employee applicant: experience, ability to perform the work, physical fitness, records of attendance and discipline, education and training, and any other pertinent qualifications. The Employer will select the most qualified employee applicant based on such criteria. Where two (2) or more applicants are relatively equally qualified considering all other criteria, seniority will be the determining factor.

ARTICLE 13

PROBATIONARY PERIODS

Section 13.1. Every newly hired employee will be required to successfully complete a probationary period. The probationary period for new employees shall begin on the first day for which the employee receives compensation from the Employer and shall continue for a period of

one (1) working year. A newly hired probationary employee may be terminated at any time during the employee's probationary period and shall have no appeal over such removal.

Section 13.2. A newly promoted employee will be required to successfully complete a probationary period for a newly appointed position. The probationary period for a newly promoted employee shall begin on the effective date of the promotion and shall continue for a period of one (1) working year. A newly promoted employee who does not exhibit satisfactory performance may be returned to the employee's former position any time during the probationary period.

Section 13.3. The Employer will conduct at least one (1) performance evaluation half way through an employee's probation and an additional evaluation prior to the end of each employee's probationary period to measure the employee's fitness to continue service in the position.

ARTICLE 14 **SENIORITY**

Section 14.1. Definitions:

- A. **Total Seniority.** Total seniority shall be computed on the basis of uninterrupted length of full-time continuous service with the Employer.
- B. **Bargaining Unit Seniority.** Bargaining unit seniority is defined as an employee's completed uninterrupted full-time service with the Employer within a bargaining unit position.
- C. **Classification/Rank Seniority.** Classification/rank seniority shall be defined as the continuous employment within a specific classification within this bargaining unit from the date of appointment.

Section 14.2. Break in Service. The following shall not constitute a break in continuous service:

- A. Absence while on an approved leave of absence;
- B. Absence while on approved sick leave or disability leave;
- C. Military leave; or
- D. A layoff of two (2) years duration or less.

Section 14.3. Break in Service Affecting Seniority. The following situations constitute breaks in continuous service for which seniority is lost:

- A. Discharge for just cause;

- B. Retirement;
- C. Layoff for more than two (2) years;
- D. Failure to return to work within fourteen (14) calendar days of a recall from layoff, absent extenuating circumstances, (e.g., illness, injury, or disability);
- E. Failure to return to work at the expiration of a leave of absence; or
- F. Resignation.

Section 14.4. Identical Seniority Dates. Ties in seniority shall be broken by date of last hire, then date of application, then alphabetically by surname, in that order.

Section 14.5. Seniority applies only where that specific term is used and shall not be confused with “years of service” which is used to calculate vacation benefits, etc.

ARTICLE 15 **LAYOFF/RECALL**

Section 15.1. When the Employer determines that a layoff or job abolishment is necessary for lack of work or lack of funds, the Employer shall notify the affected employee(s) fourteen (14) days in advance of the effective date of the layoff or job abolishment. A “lack of funds” is defined as a current or projected deficiency of funding to maintain current, or to sustain projected, levels of staffing and operations. A “lack of work” is defined as a current or projected decrease in workload that required a reduction of current or projected staffing levels in its organization or structure. The determination of a lack of work shall indicate the current or projected decrease in workload and whether the current or projected staffing levels of the appointing authority will be excessive.

Section 15.2. The Employer shall determine in which classification(s) layoffs will occur. Within each classification, employees will be laid off in accordance with their bargaining unit seniority.

Section 15.3. Recall Right/Qualifications. Employees who are laid off shall be placed on a recall list for a period of two (2) years. If there is a recall, employees still on the recall list shall be recalled in the inverse order of their layoff, provided they are qualified to perform the work in the classification to which they are recalled. The Employer agrees to provide laid off employees with notice of any refresher training offered at the department.

Section 15.4. Notice of Recall. Notice of recall from a layoff shall be sent to the employee by certified mail with a return receipt requested, to the last mailing address provided to the Employer by the employee.

Section 15.5. Response Period for Recall. In the case of a layoff, the recalled employee shall have five (5) days following the date of receipt of the mailing of the recall notice to notify the Employer of the employee's intention to return to work and shall have fourteen (14) calendar days following the date of the notice of recall to report for duty unless a different date for returning to work is specified in the notice.

ARTICLE 16
PROGRAM FOR SUBSTANCE ABUSE

Section 16.1. Drug and alcohol screening/testing shall be conducted upon: (1) pre-promotional; (2) "reasonable suspicion" which means that the Employer possesses facts that give rise to reasonable suspicion that an employee is currently or had recently been engaging in the use of illegal drugs or improper use of alcohol; (3) post-accident; or (4) randomly in common with all other employees of the Employer to the extent required for the Employer to receive the maximum premium discounts available to it under the State of Ohio Bureau of Workers' Compensation Drug Free Workplace Program. Drug screening/testing shall be conducted solely for administrative purposes and the results obtained shall not be used in any criminal proceedings. Under no circumstances may the results of drug screening or testing be released to third party unless required by law. Any employee refusing to submit to the drug test or refusing to sign the drug test release and authorization will be subject to the disciplinary process of this Agreement.

Section 16.2. Alcohol testing shall be done to detect drivers operating a motor vehicle under the influence. A positive result of .04 shall be cause for the Employer to proceed with sanctions as set forth in this Article.

Section 16.3. All drug screening tests shall be conducted by medical laboratories certified by the Substance Abuse and Mental Health Services Administration or certified by SAMHSA recognized certification program. Testing shall be conducted in a manner to ensure that an employee's legal drug use does not affect the drug test results. The procedures utilized by the Employer and testing laboratory shall include an evidentiary chain of custody control. All samples collected shall be collected utilizing the split sample method of collection, following prescribed testing procedures.

Section 16.4.

A. All samples shall be tested for chemical adulteration, narcotics, cannabis, pcpi amphetamines, sedatives and/or alcohol as follows:

- B. If a drug confirmation test is positive, the employee may, upon written request and at the employee's expense, have the split sample retested by a SAMHSA certified laboratory. This request shall be presented within seventy-two (72) hours upon being notified of a positive result.
- C. In the event the split sample test confirms the results of the first test, the Employer may proceed with the sanctions as set forth in this Article.
- D. In the event that the split sample test contradicts the result of the first test, the split sample result is determined to be the final result. The results of this test, if positive, shall allow the Employer to proceed with sanctions as set forth in this Article. If the results are negative, the employee shall be given the benefit of the doubt and no sanctions shall be imposed, and the employee will be reimbursed for the cost of the split sample test.

Section 16.5. Selection of employees for random testing shall be made on an anonymous basis by the testing laboratory using Employee identification numbers only. Random testing shall be administered at the Employer's expense and during the work hours of any selected Employee.

Section 16.6. If a positive result is produced after the required testing, the Employer shall conduct an internal investigation to determine if facts exist to support the conclusion that the employee knowingly used an illegal controlled substance. Upon the conclusion of such investigation, an employee who has tested positive for the presence of illegal drugs pursuant to this Section shall be referred to an employee assistance program or detoxification program as determined by appropriate medical personnel on drug and alcohol counseling. An employee who participates in a rehabilitation or detoxification program shall be allowed to use sick leave, vacation leave or any other paid leave for the period of the rehabilitation or detoxification program. If no such paid leave is available, such employee shall be placed on a medical leave of absence without pay for the period of the rehabilitation or detoxification program. Upon completion of such program and upon receiving satisfactory results from a retest demonstrating that the employee is no longer abusing a controlled substance, the employee may be returned to the employee's former position. Such employee may be subject to periodic retesting upon the employee's return to work as provided for in Section 16.9. Any employee in a rehabilitation or detoxification program in accordance with this Article will not lose any seniority or benefits.

Section 16.7. If the employee refuses to undergo rehabilitation or detoxification, or if the employee tests positive during a retesting within one (1) year after the employee's return to work from such a program, the employee shall be subject to disciplinary action. The employee and the OPBA shall be given a copy of the laboratory report of all specimens before any discipline is imposed.

Section 16.8. The costs of all drug screening tests and confirmative tests shall be borne by the Employer; except that any test initiated at the request of the employee, the cost of such test shall be at the employee's expense.

Section 16.9. The Employer may conduct four (4) tests of an employee during the one (1) year period after the employee has completed a rehabilitation/detoxification program as provided for in this Article or more frequently or for a longer period of time if recommended by the Administrator of the rehabilitation/detoxification program.

Section 16.10. The provisions of this Article shall not require Employer to offer a rehabilitation/detoxification program to any employee more than once.

ARTICLE 17 **SICK LEAVE**

Section 17.1. Accrual. Employees shall accrue sick leave credit at the rate of four and six tenths (4.6) hours for each eighty (80) hours in active pay status, not to exceed fifteen (15) days accumulation per year.

- A. Illness, injury or pregnancy-related health condition of the employee;
- B. Exposure of an employee to a contagious disease which could be communicated to and jeopardize the health of other employees;
- C. Illness, injury, or pregnancy-related condition of a member of the employee's immediate family where the employee's presence is reasonably necessary for the health and welfare of the employee or affected family member; and
- D. Examination including medical, psychological, dental or optical examination of a member of the employee's immediate family by an appropriate practitioner where the employee's presence is reasonably necessary.

Section 17.4. Immediate Family Defined. Immediate family for purposes of this Article means an employee's parents, spouse, children or other person related to the employee by blood or marriage who lives in the same household.

Section 17.5. Notification. When an employee is unable to report to work due to illness or injury, the employee shall notify the Employer at least two (2) hours before the employee is scheduled to work unless circumstances beyond the employee's control prevent such notice. An employee who expects to be on extended sick leave must notify the Employer every day the employee will be absent unless agreed otherwise.

Section 17.6. Documentation. The Employer may require an employee to provide a written statement justifying sick leave use after three (3) consecutive days or when a pattern of sick leave abuse occurs. If the employee has used a hospital, clinic, doctor, dentist, psychologist, optician or other licensed medical practitioner, the Employer can require the employee to provide proof from the hospital, clinic, doctor, etc., that the employee was examined, that the employee cannot work, or that the employee must take care of a member of the employee's immediate family, or certifying the employee's ability to return to work and perform the essential functions of his/her position.

Section 17.7. Excessive Usage/Patterned Absence. Any abuse of sick leave or the patterned use of such leave shall be sufficient cause for discipline. Pattern abuse consists of, but is not limited to, absence while on sick leave as evidenced by a frequency or pattern contiguous with or related to holidays, weekends, vacation days and/or consistent regular usage, or a method of usage of available sick leave.

Section 17.8. Fitness for Duty. If the Employer has a reasonable basis for believing that an employee is no longer mentally or physically capable of performing the essential functions of the employee's position, or poses a threat to the employee or others, the Employer may order an examination by an appropriately qualified medical professional, at the Employer expense. Upon receipt of the medical professional's opinion on fitness for work, the Employer and the employee will meet to discuss possible alternatives and/or accommodations.

Section 17.9. Sick Leave Increments. Approved sick leave shall be charged to employees in one (1) hour increments. An employee must comply with all rules and regulations on sick leave in order to receive sick leave pay. Falsification of sick leave documents will be grounds for disciplinary action.

Section 17.10. Family and Medical Leave. An employee with more than one (1) year of full-time service who exhausts the employee's sick leave may use the employee's accrued vacation for sick leave purposes. If the leave is for the employee to care for the employee's own serious health condition, to care for the employees parent, spouse or child who has a serious health condition, or because of the birth, adoption or foster placement of a child, the employee shall be entitled to a Family and Medical Leave of up to twelve (12) weeks per year. The employee's available paid sick and vacation will be used concurrently with the Family and Medical Leave. It is intended that this Section comply with the Family and Medical Leave Act of 1993, as amended, and that the parties will take such actions to ensure compliance.

Section 17.11. Severance Payment. An employee who retires or dies with at least fifteen (15) years of actual service with Perrysburg Township shall receive payment for 50% of the value of his or her accrued but unused sick leave not to exceed 1040 hours of pay. The estate of any employee who suffers fatal injury in the line of duty shall receive payment of one hundred percent (100%) of the value of the deceased's accrued but unused sick leave, regardless of the deceased's length of employment with Perrysburg Township and without limit as to the accrued but unused hours.

ARTICLE 18 **LEAVES OF ABSENCE**

Section 18.1. The authorization of a leave of absence is a matter of administrative discretion. The Employer, in each individual case, will decide if a leave of absence is to be granted. The granting of a leave of absence shall not be considered precedent for a grievance based on the denial of another leave of absence.

Section 18.2. Except in a case of emergency, an employee should request a leave of absence at least thirty (30) days in advance. Unpaid leaves of absence will not exceed six (6) months in duration.

Section 18.3. An employee may only use a leave of absence for the reason which it was granted. If the Employer determines that the leave is being used for a different reason, the Employer may require the employee to return to work or may discipline the employee, up to and including discharge. An employee may not use a leave of absence to look for or work at another job.

Section 18.4. An employee may not return from a leave of absence before the time granted for the leave expires without the permission of the Employer. If an employee fails to return from leave upon the expiration of the leave, the Employer may consider the employee's failure to return as job abandonment and the employee may be removed.

Section 18.5. The Employer will place an employee returning from leave in the same or similar classification from which the employee took leave, provided the employee remains qualified to perform the job. If such classification(s) no longer exist, the Employer will treat the employee as if the employee were laid off from the classification and allow the employee appropriate displacement rights.

ARTICLE 19 **MILITARY LEAVE**

Section 19.1. Employees, who are members of the Ohio National Guard, the Ohio Defense Corps, the Ohio Naval Militia or other reserve components of the Armed Forces of the United States, shall be entitled to a military leave of absence from their duties, without loss of pay, for such time as they are in the military services on field training or active duty for a period not to

exceed thirty-one (31) days in any calendar year. The maximum hours for which payment can be made in anyone calendar year is one hundred seventy-six (176) hours.

Section 19.2. The Employer shall grant a leave of absence, without pay, to an employee who enters active military service, as well as subsequent reemployment rights in accordance with applicable federal law.

Section 19.3. To the extent that the Employer compensates an employee who is on that military leave referred to in Section 19.1 above, the employee shall remit to the Employer all compensation paid to him by any third party in connection with such temporary military service.

Section 19.4. If after January 1, 2002, the Employer grants Military Leave Benefits to any Command Officer that are greater than the provisions of this Article, those greater benefits shall also be granted to employees of this Bargaining Unit for so long as those greater benefits are granted to any Command Officer.

ARTICLE 20 **OPBA LEAVE**

Section 20.1. Not more than one (1) employee selected by the OPBA members may be granted an unpaid leave of absence for up to three (3) days to attend OPBA Director Meetings. Section 21.3. All compensation received by an employee as a result of jury service shall be remitted by the employee to the Employer. However, the employee shall not be required to remit to the Employer those sums paid to the employee as reimbursement for actual expenses, such as travel, incurred in connection with jury service.

Section 21.4. In order to be eligible for payment, the employee must notify the employee's supervisor within a reasonable time after receipt of notice of selection for jury duty and must furnish a written statement from the appropriate court official showing the date served and the amount of pay received.

ARTICLE 22

Section 22.1. Bereavement leave will be granted to an employee with prior notice to the Chief or his designee in the event of the death of a member of the employee's immediate family, including the employee's spouse, children, stepchildren, parents, stepparents, brother, sister, grandparents, spouses grandparents, grandchildren, father-in-law, mother-in-law, son-in-law, daughter-in-law or, if unmarried, significant other. Such leave will not be unreasonably denied and shall be limited to a reasonably necessary time, not to exceed three (3) days for funeral leave and three (3) days of unused sick leave for immediate family funerals, one of the days being the date of the funeral. Employees shall be allowed one (1) day of bereavement funeral leave and one (1) day of unused sick leave off to attend the funeral of the employee's or spouse's aunts, uncles, cousins, nieces, nephews, brothers-in-law or sisters-in-law, defined to be limited to either the sibling of the employee's spouse or the spouse of the employee's sibling.

The Township's Trustees reserve the right to extend bereavement leave at their discretion.

ARTICLE 23
INJURY LEAVE

Section 23.1. In the event an employee suffers a work-related injury and is temporary totally disabled ("TTD"), the employee shall receive full pay for six (6) calendar weeks, or a longer period of time as the Employer may allow, from the date of the injury as filed with the Ohio Bureau of Workers Compensation (OBWC or the date the temporary total disability began, whichever is later. "Work-related" injury for the purpose of this Article shall be defined as any injury or occupational disease compensable under the Workers' Compensation laws of the State of Ohio. On a disputed issue of whether an injury or occupational disease qualifies for injury leave under this Article, the final decision of the OBWC or the Industrial Commission shall be determinative.

The Employer shall provide an injured employee all necessary forms, materials and appropriate phone numbers pertaining to filing claims with the Ohio Bureau of Workers Compensation. Application for such leave shall be filed with the Employer and the appropriate claim filed with OBWC. An injured employee who is unable to work due to a work-related injury will be placed on sick leave pending the allowance of the claim by the Ohio BWC. If the claim is allowed, the sick leave used up to that point will be converted to injury leave and any sick leave used will be credited back to the employee. An employee whose claim is not allowed by the BWC or Industrial Commission will be eligible for sick leave in accordance with Article 17. The employee shall receive their regular rate of compensation for any hours worked.
