9.03 A probationary employee may be dismissed during the probationary period at the sole discretion of the City. If such employee is retained beyond the probationary period, he shall immediately thereafter be classified as a regular employee.

ARTICLE 10

WORK WEEK AND HOUR REGULATIONS

10.01 The normal work week for all employees covered by this Agreement, shall be forty (40) hours per week. Attendance at Police Department meetings will be considered as hours worked.

10.02 No employee shall be justified or warranted without valid reason to refuse to work overtime in any week or on any day when there is an emergency (an emergency to be defined by the Chief of Police, his designee, or OIC) or for range training, with the understanding that the employee will be entitled to overtime pay.

10.03 If an employee is requested to work "immediately" before (defined as within one (1) hour (or 60 minutes) prior to his/her regularly scheduled shift) or "immediately" after (defined as any length of time contiguous with the end of the employee's regularly scheduled shift) the employee will be paid for the time worked. If an employee is called in to work, not "immediately" before his/her regularly scheduled shift or called back to work not contiguous to the regularly scheduled shift, the employee will receive a minimum of four (4) hours for each call back. Any scheduled or non-scheduled police related activities not attached to a regularly scheduled shift, the employee shall be paid a minimum of four (4) hours.

the time worked. A "scheduled" call in to work shall be defined as the officer being given greater than forty-eight (48) hour notice of the activity. A "non-scheduled" call in to work shall be defined as the Officer being given less than forty-eight (48) hour notice of the activity. If the Officer is working a full shift during that forty-eight (48) hour period prior to the shift in question, notification shall be considered non-scheduled if made after the end of that shift. It is recognized that this provision does not apply to an employee who works "immediately" before or "immediately" after his/her regular shift.

Once an Officer responds to a request to work as defined above, they will perform the duty for which that Officer was called in to perform. Once the Officer has completed the assigned duty, the Officer will immediately return to off-duty status. This shall not be construed to interfere with the Police Chief's ability to assign overtime under Article 10, Section 10.02. It shall also not be construed to prohibit the Police Chief and the Union or individual Officers from entering into specific written agreement(s) to suit the Officer's and Division of Police needs.

10.04 The work schedule shall be prepared normally in a five (5) week schedule, in advance, and posted a minimum of two (2) weeks prior to the effective schedule date. Bidding will normally be done in fifteen (15) week blocks.

10.05 Personnel scheduling policy and procedure will be based on employment seniority as established by the Brunswick Civil Service. Patrol Officers shall bid shifts providing that they receive an average of a three (3) on their performance evaluation. Bidding will be done in fifteen (15) week blocks. (Exception - long term shifts, e.g., Business Liaison Officer, School Resource Officer, and Traffic Officer, based on the school year.) It is recognized that absences or unexpected coverage requirements may require changes in individual shifts.

10.06 All hours worked beyond forty (40) in a seven (7) day period, shall be paid at 1-1/2 times an officer's regular rate of pay. Personal days, vacation days, and compensatory hours, will be considered as hours worked for overtime purposes and sick time will not be considered as time or hours worked.

10.07 Hours worked shall be governed by the Fair Labor Standards Act.

10.08 The grant of the use of compensatory time shall not be unreasonably denied by the Chief of Police or his designee. The Patrol Officer shall give reasonable advance notice to the shift sergeant or patrolman O.I.C. to use compensatory time. The use of compensatory time shall not be withheld solely for the purpose of overtime

consideration. Compensatory time shall be earned at a rate commensurate to the applicable hourly overtime rate.

10.09 Maximum accrual of compensatory leave shall not exceed one hundred eighty (180) hours at any one time.

10.10 The accumulation of compensatory time shall begin on January 1st of each year. All compensatory time must be scheduled prior to December 15th of each year and used prior to December 31st. However, the City will allow for a maximum of sixty-four (64) hours of compensatory time to be carried into the next calendar year. All accrued compensatory time not used by December 15th or carried forward shall be paid to the employee, it shall be paid at the rate it was earned.

10.11 When an employee has accrued the maximum compensatory time off of one hundred eighty (180) hours, all overtime worked shall be paid at the applicable rate.

10.12 Compensatory time may be taken in less than eight (8) hour blocks in accordance with FLSA standards.

10.13 Employees may change days off, duty days, scheduled rotation or switch duty days with another employee with the approval of the Police Chief or his designee.

10.14 For shift coverage, the senior officer on the preceding and/or succeeding shift, shall be the first to be asked for overtime. If a call-in is necessary, the senior officer shall be called first for shift coverage.

<u>Years of Continuous Service</u>	<u>VACATION</u>

Five (5) years but less than eleven (11) years	3 weeks
Eleven (11) years but less than <u>fifteen (15)</u> years	4 weeks
<u>Fifteen (15)</u> years but less than twenty five (25) years	5 weeks
Twenty five (25) years or more	6 weeks

12.02 Employees with one (1) year, but less than five (5) years of service, may take vacation one (1) day at a time up to a total of five (5) days. Employees with five (5) or more years of service may take vacation one (1) day at a time up to a total of ten (10) days. These five (5) or ten (10) days must be taken in whole day increments and must be requested a minimum of three (3) days prior to taking same and must be approved by the Police Chief, or his designee. The remaining vacation must be taken in minimum increments of one (1) week.

12.03 In the event an employee with one or more years of service is absent for any reason, he shall be eligible for full vacation pay as long as, in the eligibility years his days absent do not exceed the sick days for which he is eligible, and is for any reason other than the occupational injury, vacation pay will be reduced by the equivalent days absent in the year after sick leave is terminated. This provision does not apply to vacation days earned in the previous year.

12.04 Each employee will be granted vacation based on the number of years of service ~~at their anniversary date~~. Each employee will be required to expend their vacation within the calendar year (January 1 through December 31). In case of emergency, the city reserves the right to extend the length of time in which any employee must utilize his vacation time. No pay will be issued in lieu of vacation.

12.04(a) The Year 2015 will be considered the conversion year from anniversary date to calendar year for current full-time employees. The Year 2015 will

be the first time vacation is computed on a calendar year basis. Officers who receive vacation through the conversion process shall have until December 31, 2016 to use this vacation. No payment will be made for any vacation hours not used.

12.04(b) Any full-time employee who does not have a full year of service on December 31, 2014, their conversion period will not be until the first full year after the employee's one (1) year anniversary.

12.05 An employee shall be deemed to have earned his vacation pay as of his eligibility date, even though he does not take vacation or receive vacation pay at that time. Further, if the employee with one (1) or more years of service is terminated prior to his eligibility date, he/she shall receive vacation pay pro-rated in accordance with the number of months he had worked since his preceding eligibility date.

12.05(a) For the purpose of this provision only, an employee who is eligible to retire under the Ohio Police and Fire Pension Fund (i.e., is "pensionable"), such employee shall be permitted to utilize all remaining unused/unearned vacation in his/her year of retirement provided the employee notifies the Employer of his/her retirement with at least three (3) month's notice to the City prior to the retirement date [e.g., employee has six (6) weeks of vacation and uses one (1) week in February in the year of the retirement. The employee has five (5) vacation weeks remaining. The employee plans to retire July 1st. The employee may utilize his five (5) remaining weeks prior to July 1st provided such notice is given by April 1st without having to "pay back" the City for those weeks of vacation.] If three (3) month's notice is not given prior to retirement date, and the employee has used unearned vacation, the employee will be required to pay back the unearned portion of vacation that was taken. However, the Chief of Police may accept notification of less than three (3) month's when considering mitigating factors. Denial of approval of less than three (3) month's is not grievable. This will be done on a case by case basis. Such factors may include health or illness concerns, family situations, or future employment opportunities of the retiring employee.

12.06 If any employee quits his job without two (2) weeks written notice, or is discharged for just cause (except medical reasons), he shall not receive his pro-rated vacation pay.

12.07 An employee, assigned to patrol duties, when taking a week's vacation, shall receive a minimum of nine (9) days off [five (5) days off vacation and four (4) scheduled days off] or a maximum eleven (11) days off [five (5) days vacation and six (6) scheduled days off] in accordance with the operational needs, manpower limitations, of the Brunswick Division of Police.

12.08 Vacation must be requested a minimum of three (3) days prior to taking same.

ARTICLE 13

SICK LEAVE

13.01 Each employee will begin accumulating 4.6 hours per eighty (80) hours after the first month of hire. Each employee will continue to accumulate sick leave at the rate of 4.6 hours per eighty (80) hours worked.

13.02 In any case where an employee has accumulated sixty (60) sick days, provided for in above, in a given calendar year, and does not wish to further accumulate the sick days, he is entitled to for that year, as an incentive to said employee not to use the sick days beyond sixty (60) days, said employee may be reimbursed at the end of said year for sick days not used in excess of sixty (60) days at a rate of one-half (1/2) day's pay for each sick day not used. One half (1/2) day's pay shall be the individual's base hourly wage times four (4) hours. Retroactive payment will not be made at any time.

13.03 An employee who is unable, by reason of sickness, injury, or disability to perform his duties, must call Communication Center each day he/she is off, two (2) hours prior to the start of the shift. If he/she fails to call two (2) hours prior to the start of his/her afternoon or night shift, and one (1) hour prior to the start of the day shift, he/she will be docked one (1) hour at his/her regular rate. After three (3) consecutive days on non-hospital sick leave, or ten (10) days (80 hours) of non-doctor certified sick leave, a doctor's certificate shall be presented by the employee in all instances. Sick leave should not be used for office visits or treatment which could be scheduled during non-working hours.

13.04 Any employee whose salary has been continued while he/she has been disabled from a service connected illness, or injury, and who received compensation from any source to which the City contributes, must return to the City all such compensation payments in that no employee is entitled to both his full salary and other forms of compensation paid for by the City. If the City approves a Worker's Compensation claim submitted by an employee, the City will continue to pay the employee his regular salary after the expiration of sick leave. Sick leave pay will continue until the value of sick time earnings exceed the value of the Worker's Compensation benefits that will be returned to the City by the employees.

13.05 If a Patrol Officer is involved in a shooting that results in death or serious injury to another person, that Patrol Officer shall immediately be referred to a professional medical health service (Psychologist, Psychiatrist or Medical Doctor) and that party will advise the Police Chief of necessary administrative action. The Patrol Officer may be given up to thirty (30) days paid Administrative Leave at the discretion of the Police Chief.

~~13.06 An employee may accumulate more than one hundred twenty (120) days of sick leave, but one hundred twenty (120) days is the maximum allowable for cash payment of unused sick leave upon retirement, per Sec. 124.39 of the Ohio Civil Service Laws and Rules. This paragraph is replaced with the City of Brunswick Policy 8.5 (Sick Leave Payout at Time of Retirement or Death in the Line of Duty) executed December 7, 2006.~~

ARTICLE 14

BEREAVEMENT LEAVE

14.01 When an employee is absent due to death in his immediate family, he shall be paid a maximum of three (3) days earnings at his regular rate for the purpose of attending the funeral or for memorial purposes. Such three (3) days will be any three consecutive days which must include the day of the funeral. No payment will be made for any of the three (3) days which is a day which the employee would not ordinarily be scheduled to work, or occurs during the employee's vacation. A member of the immediate family shall be considered an employee's spouse, parents, children, grandparents, siblings, grandchildren, brother-in-law, sister-in-law, daughter-in-law, son-in-law, mother-in-law, father-in-law, step-parents, step-children, step-siblings, legal guardian or other person who stands in the place of a parent, or any member designated as "other relative" at the sole discretion of the Employer. Denials of a designation of "other relative" by the Employer for purposes of bereavement pay shall not be grievable.

14.02 The intent of this provision shall be to protect an employee against loss in earnings. Thus, the maximum of three (3) days in the event of death in the immediate family is not a guarantee of three (3) paid days off. Two (2) days of sick pay time may be used in conjunction with bereavement pay. Evidence must be submitted to the City to verify this use.

ARTICLE 15

ARMED SERVICE RESERVE DUTY

15.01 Any employee who is required to take off from duty to report for summer camp for training because he is a member of a branch of the Armed Services shall be compensated for the difference between his regular pay and his service pay up to a maximum period of two (2) weeks per calendar year. Training notice and pay voucher must be presented to the City issuing compensation.

ARTICLE 16

INSURANCE

The Employer shall continue to provide employee health insurance which shall be selected by the Employer. The Employer shall have the right to change insurance carriers or coverage so long as the employees retain similar (no increase in employee contribution) coverage. Employees will be eligible for insurance coverage after ninety (90) days from date of hire.~~

16.03 In the case of an employee's absence from work due to illness or injury which is not the result of his work, the City will pay for his insurance for a period of ninety (90) days after sick time terminates. When such employee is returned to work, his insurance will commence the first of the month following his return to work.

16.04 ~~Effective January 1, 2014, all employees under the City's plan are required to contribute ten percent (10%) towards the employee's total premium per month, per pay period. 18.05 In addition, all employees hired after January 1, 1976, or entering into a new classification within the Police Department, shall be subject to a merit review before receiving any increase in pay. [A 3.0 average (A=4, B=3, C=2, D=1, U=0) will be necessary on the evaluation form before any merit increase will be awarded.] A merit review will be held prior to the employee's scheduled date for merit raise increase.

18.06 The City will pay each Patrol Officer the following additional rate per hour in addition to compensation to which they are entitled to under this Agreement:

18.08 Conversely, any employee working from the evening shifts into the morning shift shall not be entitled to shift differential for hours worked in the morning shift (8:00 a.m. to 4:00 p.m.).

18.09 Whenever possible, a sergeant or other ranking officer shall be scheduled for shift supervision. If a sergeant or ranking officer is not available due to vacations, personal days, compensatory days, schools or special details, etc., then a Patrol Officer OIC will be assigned from those who have volunteered to be an OIC and have completed the OIC training program approved by the Chief of Police or his designee.

LINE OF DUTY INJURY LEAVE

22.01 A full-time Employee's absence from work is necessitated because of an illness or injury that occurred while on the job with the City and said illness or injury is compensable under the Ohio Worker's Compensation Law, and the injured Employee is temporarily and totally disabled for a period exceeding seven (7) calendar days, injury leave may be granted at the discretion of the City Manager/Safety Director, or his/her designee, for a period of time not to exceed ninety (90) calendar days.

22.02 Such leave may be granted by the City Manager/Safety Director, or his/her designee, based upon the recommendation of the employee's Department/Division Head and upon submittal by the Employee of a statement from a licensed physician justifying that the employee is unable to return to full work status due to the injury/illness.

22.03 If at the end of this ninety (90) calendar day period the Employee is still disabled, the leave may, at the Employer's sole discretion, be extended for an additional ninety (90) calendar day period or portion thereof.

22.04 Such leave shall not be charged against the Employee's sick leave balance unless it is determined that the illness or injury is a non-work related illness or injury and is not compensable under Ohio Worker's Compensation Law. Should payments be made by the Employer to an Employee for an injury that is subsequently found to be a non-compensable injury, such payments made by the Employer shall be deducted from the Employee's accumulated leave credits (e.g., sick leave, vacation, etc.) or payroll deduction.

22.05 In order to be eligible for injury leave, the Employee must report the illness/injury to his/her supervisor within twenty-four (24) hours of the incident giving rise to the illness/injury.

22.08 When receiving injury leave pay, the Employee shall sign off and refund the City any loss of time compensation received under Ohio Worker's Compensation for such time an Employee is paid injury leave.

22.09 Any Employee who receives a paid leave under this Article shall not be entitled nor will apply for either temporary total disability or permanent and total disability benefits under Ohio Worker's Compensation Laws. This provision does not prohibit an employee from receiving other available worker's compensation benefits. If an employee received either temporary total disability or permanent and total disability while receiving injury wage continuation benefits under this section, the employee agrees to reimburse the City for all sums in excess of what the employee received under this section.

22.10 An Employee on injury leave or receiving temporary total compensation through Worker's Compensation or similar self funded program as a result of an on duty injury, may be required to return to work in a transitional work assignment as determined by the Employer. Such assignments will be for cases that are temporary in nature and will take into consideration any limitations placed on the Employee by the attending physician.

22.11 The injury leave pay set forth in this Article is cumulative for the duration of this Agreement in regard to the injury, i.e., successive "injuries" to the same body part(s) shall not constitute separate injuries and all related Worker's Compensation and related claims to the same or similar body parts shall be construed as one (1) injury and eligible for total leave time under this Article.

31.02 The remainder of this Agreement, or the application of such article or section to persons or circumstances other than those as to which it has been invalid, or as to which compliance with or enforcement of has been restrained, shall not be affected thereby.

31.03 In the event any article or section is held invalid or enforcement of, or compliance with, which has been restricted as above set forth, the parties affected thereby shall enter into immediate collective bargaining negotiations upon the request of the bargaining agent for the Police Division, for the purpose of arriving at a mutually satisfactory replacement. ARTICLE 33 **DISCIPLINE**

33.01 No employee shall be reduced in pay or position, suspended, fined, discharged or removed except for just cause.

33.02 Prior to any disciplinary suspension, demotion, or discharge taken against a regular employee the Employer shall serve a Notice of Discipline upon the employee which sets forth the acts for which discipline is being imposed and the proposed penalty. A copy of the Notice of Discipline form is attached to this Collective Bargaining Agreement. The Notice of Discipline served on the employee shall be accompanied by a written statement that:

1. The employee has a right to object by filing a grievance within five (5) calendar days of the Notice of Discipline and that such grievance shall be heard by the City Manager/Safety Director or his/her designee in accordance with Step 2 of the Grievance Procedure;
2. The Union may file an appeal of the City Manager/Safety Director's decision under the Grievance Procedure to arbitration that provides for a hearing by an independent arbitrator as its final step.

33.03 A suspension without pay, discharge, demotion or fine may be imposed concurrent with the decision of the City Manager/Safety Director or designee as set forth herein. The appeal before the City Manager/Safety Director or designee shall constitute the employee's pre-deprivation hearing.

ARTICLE 34

GRIEVANCE PROCEDURE

34.01 It is mutually understood that the prompt presentation, adjustment and/or answering of grievances is desirable in the interest of sound relations between the employees and the Employer. The prompt and fair disposition of grievances involves important and equal obligations and responsibilities, both joint and independent, on the part of representatives of each party to protect and preserve the grievance procedure as an orderly means of resolving grievances.

34.02 A grievance is a dispute or a difference between the Employer and the F.O.P., or between the Employer and the employee concerning the interpretation and/or application of and/or compliance with any specific provision of the Collective Bargaining Agreement. When any such grievance arises, the following procedure will be observed:

Step 1 An employee who has a grievance must submit it in writing to the Chief within seven (7) calendar days after the occurrence of the events upon which his/her grievance is based. The grievance shall include the name and position of the grievant, the identity of the provisions of this Collective Bargaining Agreement involved in the grievance occurred, the time and place where the alleged events or conditions giving rise to the grievance, the identity of the party responsible for causing the said grievance, if known to the grievant; and a general statement of the nature of the grievance and the redress sought by the grievant. The grievance shall be signed and dated by the grievant and/or the F.O.P. representative. The Chief shall give his/her answer in writing within seven (7) calendar days after receiving the grievance to the grievant or the F.O.P. representative.

Step 2 If the grievance is not satisfactorily settled with the written decision at the conclusion of Step One, a written appeal of the decision may be filed with the City Manager/Safety Director within seven (7) calendar days from the date of the rendering of the decision at Step One. Copies of the written decisions shall be submitted with the appeal. The City Manager/Safety Director or his/her designee shall meet with the grievant and/or a representative of the F.O.P. within seven (7) calendar days after receipt of the appeal. The City Manager/Safety Director or his/her designee shall issue a written decision to the employee and F.O.P representative within seven (7) calendar days from the date of the meeting.

Step 3 In the event a grievance is unresolved after Step Two, then within ten (10) calendar days after the rendering of the decision at Step Two (City Manager/Safety Director level), the grievant may submit the grievance to arbitration. However, if the parties are unable to agree upon an arbitrator, when within five (5) calendar days the party wishing to proceed to arbitration shall request a list of arbitrators from the American Arbitration Association. The arbitrator shall be selected from the list using the alternate strike method. The parties shall submit the matter to the American Arbitration Association for administration.

The arbitrator shall have no power or authority to add to, subtract from, or in any manner, alter the specific terms of this Collective Bargaining Agreement or to make any award requiring the commission of any act prohibited by law or to make award that itself is contrary to law or violates any of the terms and conditions of this Collective Bargaining Agreement.

The hearing or hearings shall be conducted pursuant to the "Rules of Voluntary Arbitration" or the American Arbitration Association.

The fees and expenses of the arbitrator and the cost of the hearing room, if any, shall be borne by the parties losing the grievance. In the event the arbitrator renders a split decision by neither denying nor sustaining the grievance in full, the costs of the arbitration shall be split equally between the parties. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the expenses incurred by the other party.

Employees who are reasonably necessary to the resolution of the grievance shall attend the arbitration hearing without the necessity of subpoena and shall be compensated at their regular hourly rate for all hours during which attendance is required by the Employer. Any request made by either party for the attendance of witnesses shall be made in good faith and at no time shall the number of employees in attendance

adversely affect the normal operations of the department. This shall not be considered a "call in" and an employee shall only be paid for the time at the Hearing.

The parties shall attempt to schedule the arbitration hearing during the grievant's normal working hours. If the arbitration cannot be scheduled during working hours, the grievant shall be permitted to use compensatory time, vacation leave, or personal hours for all hours to attend the hearing.

The arbitrator's decision and award will be in writing and delivered within thirty (30) days from the date the record is closed. The decision of the arbitrator shall be final and binding upon the parties.

34.03 The time limits set forth in the Grievance Procedure shall, unless extended by mutual written agreement of the Employer and the F.O.P., be binding, and any grievances not timely presented, or timely processed thereafter, shall not be considered a grievance under this Collective Bargaining Agreement. Any grievance not timely processed by the Employer at any of the preceding steps may be immediately referred by the F.O.P. to the next level.

34.04 Calendar days as provided within the Grievance Procedure shall not include Saturdays, Sundays, or City Hall Holidays.

34.05 An employee may present grievances and have them adjusted, without the intervention of a representative of the F.O.P., as long as the adjustment, if any, is not inconsistent with the terms of this Collective Bargaining Agreement.

34.06 The Union agrees to indemnify and hold the Employer harmless against any and all claims, demands, suits or other forms of liability that may arise out of any determination that the Union failed to fairly represent a member of the bargaining unit during the exercise of his/her rights as provided by the grievance and arbitration procedures herein contained.

ARTICLE 35 **PURCHASE OF SERVICE WEAPON AT RETIREMENT**

35.01 When a Patrol Officer is pensionable and chooses to retire, the retiree may purchase his duty issued firearm and badge for the cost of one dollar (\$1.00). In the event the firearm is two (2) years or less from its issue, the Chief may, at his/her sole discretion, make an alternate firearm available for purchase.

35.02 Upon notification from a retiree of his/her request to purchase their firearm, a CCH check and CPO check shall be conducted.

35.03 The Chief of Police at his/her sole discretion may refuse to allow the sale of a service weapon to a retiree. This decision is final and may not be grieved.

Any paid or unpaid leave shall be included in the computation of FMLA leave herein.

36.03 The annual twelve (12) month period shall commence and be measured forward from the date the employee first uses the leave set forth above.

36.04 No employee shall lose seniority during the period of paid time off which is attributable to the Family and Medical Leave Act. Unpaid time off shall not accrue seniority.

36.05 Eligible employees will be required to certify their request for FMLA thirty (30) days in advance by use of the Department of Labor Form WH380 when possible.

36.06 Eligible employees will be required to re-certify their request for FMLA leave every thirty (30) days.

36.07 Leave for the birth or adoption of a child or for the placement of a child in foster care may not be taken on intermittent or reduced schedule.

ARTICLE 37

LEAVE OF ABSENCE

37.01 The nature of police operations is such that attendance on the job is critical. Employees who do not maintain good attendance records can be subject to disciplinary action as per the Department Rules and Regulations. In unusual circumstances, however, employees are required to be away from their work for extended periods of time. If such a situation occurs, the City may make available the following Leave of Absence policies for employees who have been employed for more than six (6) continuous months:

1. **MILITARY LEAVE:** Employees drafted into the Armed Forces of the U.S. government, or otherwise conscripted by the Government, shall be granted a Leave of Absence for their duration with the Government. Upon termination of service with the Government, the employee shall be returned to work at his regular job with all his rights and privileges enjoyed including seniority accrued to the date of termination, provided he is able to do such work physically, and that he applied for reinstatement within ninety (90) day time limit specified in the Universal Military Training and Service Act.

2. **LEAVE OF ABSENCE:** Upon any written application, any employee who has been actively and continuously employed by the City for two (2) years may be granted a Leave of Absence without pay, for a period not to exceed sixty (60) days. The City, in its discretion, can extend a Leave of Absence for a period not to exceed an additional sixty (60) days. Leave of Absence will be granted only where the requirements permit, except for actual emergencies. Employees securing Leave of Absence under false pretenses shall be discharged immediately. Employees granted a Leave of Absence shall notify their superior two (2) days in advance if they desire to return to work before the expiration of Leave. A Leave of Absence not in excess of thirty (30) days shall be included as active and continuous employment for vacation purposes.

If a single membership is accepted, the value of this membership will be added to the employee's W2 as a taxable benefit pursuant to IRS code regulations.

39.02 If an employee chooses to enroll in a family membership, the single membership amount will be deducted from the total family amount. The employee would be required to pay the difference between the single and family membership. The single membership amount will be added to the employee's W2 as a taxable benefit pursuant to IRS code regulations.

ARTICLE 40

ANNUAL PERSONAL DAYS

40.01 Patrol Officers will be entitled to nine (9) annual personal days off. The use of these personal days will not count against sick time. These days were formerly referred to as stress days.
