ARTICLE 1. CONTRACT

Section 1.1. Contract. This Contract is made and entered into by and between the City of Hilliard, Ohio (hereinafter referred to as the City), and the Fraternal Order of Police, Capital City Lodge No. 9 (hereinafter referred to as the Lodge). The Lodge is the duly authorized and exclusive representative for members of the bargaining units (hereinafter referred to as "member" or "members") described in Section 2.2.

Section 1.2. Purpose. This Contract is made for the purpose of promoting cooperation and orderly, constructive and harmonious relations between the City, members, and the Lodge.

Section 1.3. Legal References.

- A. Unless otherwise indicated, the terms used in the Contract shall be interpreted in accordance with the provisions of Chapter 4117 of the Ohio Revised Code. Where this Contract makes no specification about a matter, the City, members and the Lodge are subject to applicable state laws or local ordinances pertaining to the wages, hours, and terms and conditions of employment for public employees. Laws pertaining to civil rights, affirmative action, unemployment compensation, workers' compensation, and retirement of members are not superseded by this Contract, except where supplemental workers' compensation or supplemental unemployment have been negotiated and included herein. The conduct and grading of civil service examinations, the rating of candidates, the establishment of eligible lists from the examinations and the original appointment from the eligible lists are not subjects of bargaining under this Contract.

- B. Should any part of this Contract be held invalid by operation of law or by any tribunal of competent jurisdiction, or should compliance with or enforcement of any part of this Contract be restrained by any such tribunal pending a final determination as to its validity, such invalidation or temporary restraint shall not invalidate or affect the remaining portions hereof or the application of such portions to persons or circumstances other than those to whom or to which it has been held invalid or has been restrained. In the event of invalidation of any portion of this Contract by a tribunal of competent jurisdiction or by operation of law, and upon written request by either party, the City and the Lodge shall meet within seven (7) days of receipt of the written request in an attempt to modify the invalidated provisions by good faith discussions, but not to include the provision of fact finding mediation or conciliation.

- C. The City and the Lodge agree that no member shall be asked to make any written or verbal agreement which may in any way conflict with this Contract.

Section 1.4. Sanctity of Contract. Unless otherwise specifically provided in this Contract, no changes shall be negotiated during its duration unless there is written accord by and between the City and the Lodge to do so. Any negotiated changes to be effective and incorporated in this Contract must be in writing and signed by the parties.

Section 1.5. Past Practices. Any past benefit or past practice that has been continuous, known, and sanctioned by the City and/or Department of Public Safety, but not incorporated in this Contract, shall not be altered until and unless good faith discussions between the City and the Lodge, take place.

Section 1.6. Enforceability of Contract. The City and the Lodge assert and believe that the provisions of this Contract are enforceable in a court of law. The City and the Lodge believe that the provisions contained herein do not represent any illegal delegation of power. Should the City or the Lodge bring any legal action in any court regarding or concerning the terms of this Contract, neither party shall raise as a defense the legal effectiveness and enforceability of this Contract.

ARTICLE 2. RECOGNITION

Section 2.1. Recognition. The City recognizes the Lodge as the sole and exclusive representative for all members included in the bargaining units described in Section 2.2 in any and all matters relating to wages, hours, and terms and conditions of employment and the resolution of questions arising under this Contract.

Section 2.2. Bargaining Units. Pursuant to 4117.06 of the Ohio Revised Code, there are established two (2) bargaining units within this Contract. The first bargaining unit consists of all sworn and full-time members of the Hilliard Police Department who are Police Officers below the rank of Sergeant. The second bargaining unit consists of all sworn and full-time members of the Hilliard Division of Police who are Police Officers of the rank of Sergeant and above. Excluded from inclusion in either bargaining unit, and thereby from coverage within this Contract, is the position of Chief of Police and the position of Deputy Chief. Reference throughout this Contract to member or members shall mean employees who are within either bargaining unit, unless specified otherwise.

ARTICLE 3. LODGE SECURITY

Section 3.1. Dues Deduction. Pursuant to 4117.09(B)(2) of the Ohio Revised Code, the City agrees to deduct the Lodge membership dues in the amount certified by the Lodge to the City, the first pay period of each month from the pay of any Lodge member requesting the same in writing. The City also agrees to deduct Lodge initiation fees and assessments, in the amount certified by the Lodge to the City, the first pay period of each month, in which such fees and assessments are due, from the pay of any appropriate Lodge member.

If a deduction is desired, the member shall sign a payroll deduction form, which shall be furnished by the Lodge and presented to the appropriate payroll clerk. The City agrees to furnish to the Financial Secretary of the Lodge, once each calendar month, a warrant in the aggregate amount of the deductions made for that calendar month, together with a listing of the Lodge members for whom deductions were made. Nothing herein shall prohibit Lodge members covered by this Contract from submitting dues directly to the Lodge.

No other employee organization's dues shall be deducted from any bargaining unit member's pay for the duration of this Contract.

Section 3.2. Fair Share Fee.

- A. Bargaining unit members who are not members of the Lodge, shall as a condition of employment, pay to the Lodge a fair share fee. The amount of the fair share fee shall be determined by the Lodge, but shall not exceed dues paid by members of the Lodge who are in the bargaining units. Such fair share fee shall be certified by the Lodge to the City and at such times during the term of this Contract as necessary to be accurate and timely. Such payment shall be subject to an internal Lodge rebate procedure meeting all requirements of state and federal law.
- B. For the duration of this Contract, such fair share fee shall be automatically deducted by the City from the payroll check for each member who is not a member of the Lodge. The automatic deduction shall be made in the first pay period of each month. The City agrees to furnish the Financial Secretary of the Lodge once each month, a warrant in the aggregate amount of the fair share fees deducted from that calendar month, together with a listing of the bargaining unit members for whom said deductions are made.
- C.. The automatic deduction shall be initiated by the City whenever a member who is not a member of the Lodge has completed his or her first sixty (60) days of employment.

Section 3.3. Bulletin Boards. The Lodge shall be permitted to maintain a Lodge bulletin board at the work site. Lodge bulletins and Lodge material only will be permitted to be posted on this board. The location of the board shall be in the Patrol Officers Roll Call Room. This bulletin board shall be no larger than 3 feet by 5 feet.

Section 3.4. Ballot Boxes. The Lodge shall be permitted, upon prior notification to the Chief of Police, to place ballot boxes at Division Headquarters for the purpose of collecting members' ballots on all Lodge issues subject to ballot. Ballot boxes shall be placed in the Patrol Officers Roll Call Room. Such ballot boxes shall be the property of the Lodge and neither the ballot boxes nor their contents shall be subject to the Division's review.

Section 3.5. Bargaining Unit Meetings. The Lodge shall be permitted, upon prior notification to the Chief of Police, to hold meetings, for members, at Police Headquarters or another City building, room or facility. The notification required under this Section shall be in writing, shall be delivered to the Chief no later than forty-eight (48) hours prior to the time of the meeting, not including weekends and holidays, and shall state the date, time and requested location of the meeting.

The City agrees to hold the requested location open for use by the Lodge on the date and the time specified in the Lodge's notification to the Chief. However, if it is not practicable for the City to

provide the requested location to the Lodge, the City will so notify the Lodge and make every effort to provide for an alternate meeting location in another City building, room or facility.

No member or member of the Lodge shall be asked or obligated to divulge to the City information discussed at said meetings.

Section 3.6. Use of Intra-Departmental Mails and City E-Mail Systems. The Lodge shall be permitted to utilize the intra-departmental mail system and the City's e-mail system for the purpose of providing information pertaining to Lodge business or bargaining unit representation to members. The Lodge agrees that the use of these systems will be reasonable and limited to providing information that is necessary for the normal conduct of Lodge business or bargaining unit representation. All mail placed into the mail system by the Lodge shall be the property of the members to whom it is addressed, and such mail shall not be subject to the City's review. No assurance of privacy is extended to the Lodge's use of the City's e-mail system. When using the e-mail system, the Lodge and the members shall abide by the City's e-mail policy.

Section 3.7. Lodge Business. Representatives of the Lodge shall be permitted to transact official Lodge business at Divisional work sites at all reasonable time, providing that this shall not interfere with or interrupt the efficiency or effectiveness of the Divisional operations.

ARTICLE 4. NON DISCRIMINATION

Section 4.1. Joint Pledge. The City and the Lodge shall not discriminate against any member on the basis of the member's age, race, color, sex, creed, religion, ancestry, national origin, handicap, application for or participation in workers' compensation program, or disability, as provided by law. The Lodge, within the terms of its Constitution and By-Laws, and the City agree not to interfere with the desire of any member to become and remain a member of the Lodge or to refrain from Lodge membership.

Section 4.2. City Pledge. The City agrees not to discriminate against any member on the basis of his or her membership or non-membership in the Lodge, nor to discriminate, interfere with, restrain or coerce any member because of or regarding his or her activities as an officer or other representative of the Lodge.

Section 4.3. Lodge Pledge. The Lodge agrees to fairly represent all members subject to the provisions and procedures set forth in Sections 4117.11(B) (6) and 4117.12 of the Ohio Revised Code.

ARTICLE 5. GRIEVANCE PROCEDURE

Section 5.1. Grievance Defined. A grievance is any unresolved question or dispute regarding the wages, hours, terms or conditions of employment of members, including but not limited to unresolved questions or disputes concerning the interpretation and application of this Contract, law, ordinance, department regulation or policy as it pertains to the wages, hours, terms or conditions of the employment of the members.

Section 5.2. Qualifications. A grievance can be initiated by the Lodge, an aggrieved member, or a group of members. When a group of members desire to file a grievance involving each member of the group in a substantially similar manner, the Lodge or the grievance representative may select one or more members to process the grievance as the designated representatives of the affected group members, as the group is defined on the grievance form. A member has the right to present grievances and have them adjusted, without the intervention of the Lodge, as long as any adjustment is consistent with the terms of this Contract and as long as the Lodge has the opportunity to be present at the adjustment. A resolution of any group grievance is binding on all members of the group.

Section 5.3. Jurisdiction. Nothing in this Grievance Procedure shall deny members or the Lodge any rights available at law to achieve redress of their legal rights, including but not limited to, the right to appear before the Civil Service Commission or to file charges with the State Employment Relations Board when these agencies properly have jurisdiction over the subject matter. However, once a member, group of members, or the Lodge elects to pursue a legal or administrative remedy in lieu of this Grievance Procedure and a court or administrative tribunal takes jurisdiction over the complaint, dispute, or charge, the member, group of members, or the Lodge is thereafter precluded from seeking a remedy under this Procedure.

Section 5.4. Grievance Procedure. The following steps and procedures shall be utilized in the resolution of grievances:

- A. Preliminary Step. Prior to submitting a written grievance, the member will first attempt to resolve the matter informally with his or her immediate supervisor. The member may seek the assistance of the grievance representative who may also informally attempt to resolve the matter, time permitting, before submitting a written grievance.

- B. Step One.
 - 1. Notwithstanding any attempt at informal resolution at the preliminary step, a member shall submit the grievance in writing to the Sub-Division Commander on the Grievance Form agreed upon by the parties within fourteen (14) days following the event or circumstances that gave rise to the grievance, or within fourteen (14) days after the event or circumstances first became known to the grievant. The Sub-Division Commander shall date-stamp the form on the date of receipt and initial it.

 - 2. Within seven (7) days of receipt of the written grievance, the Sub-Division Commander shall affix a written response to the form, date and sign the response, and return one copy of it to the grievant. The Sub-Division Commander shall retain a copy of the response for future references.

C. Step Two.

1. When a grievant is not satisfied with the Sub-Division Commander's written response to the grievance at Step One of the procedure, the grievant may appeal the grievance to the Chief of Police. The grievant shall initiate this appeal by delivering, within seven (7) days after receipt of the Step One response to the grievance, a copy of the Grievance Form containing the written response of the grievant's Sub-Division Commander from Step One and any other pertinent documents, to the office of the Chief of Police. The Chief of Police shall date-stamp and initial the Form on the date of its receipt.
2. Within fourteen (14) days of receipt of the Grievance Form, the Chief shall investigate the grievance and the Chief shall schedule and conduct a meeting to discuss the grievance with the grievant and the grievance representative. A Lodge representative may also attend this meeting so long as reasonable advance notice is provided to the Chief. The Chief may be joined in the meeting by the Safety Director or designee and may bring one other representative. The Chief may also consult with the Safety Director or designee in reaching a resolution of the grievance.
3. At the meeting called for at this Step, the grievant and/or the grievance representative will be permitted to give a full explanation of the grievance and the material facts relating thereto.
4. Within seven (7) days after the meeting at this Step, the Chief shall submit to the grievant and the grievance representative a written response to the grievance, which response shall be signed and dated. The Chief shall retain a copy of the written response for future reference.
5. Should the grievant not be satisfied with the Chief's response to the grievance at Step Two, the grievance may proceed to arbitration as provided in Article 6 "Arbitration".

D. Where the grievant's immediate supervisor is a Lieutenant, the grievant may file the grievance directly at Step Two. Where the grievant's immediate supervisor is the Chief, the grievant may file the grievance directly with the Safety Director who shall proceed as provided in Step Two.

Section 5.5. Miscellaneous.

A. Members and/or their grievance representative shall be allowed time off from their regular duties with pay for attendance at meetings under the grievance procedure with prior notification and approval of their respective supervisors if such meeting is to be held during their regularly scheduled tours of duty. Such approval shall not be unreasonably withheld. The withholding of such approval

shall result in an automatic, equivalent extension of the time limits within which a grievant must appeal the grievance or have it heard. No member shall be entitled to overtime pay solely for the purpose of attending meetings held under the grievance procedure.

- B.** It is the City's and the Lodge's intention that all time limits in the above Grievance Procedure shall be met. However, to the end of encouraging thoughtful responses at each step, the Lodge's and the City's designated representatives may mutually agree, at any step, to short time extensions, but any such agreement must be in writing and signed by the parties or in an e-mail communication with a corresponding 'reply' of acceptance between the parties.
- C.** If an office specified for receipt of a grievance or grievance appeal is closed for an entire day, which day is the last day of the time period prescribed for the filing of a grievance or grievance appeal, then the grievant will be permitted to file the grievance or grievance appeal on the next day on which such office is open.
- D.** In the absence of mutual extensions, the grievant may, at Step One, where response is not forthcoming within the specified time limits, presume the grievance to have been denied and advanced to the next step; the grievant may, at Step Two where response is not forthcoming within the specified time limits, presume the grievance to have been granted by the City in full, and the City shall immediately implement the requested remedy subject however to subparagraph "I" below.
- E.** Any step in the grievance procedure may be waived by mutual consent. A grievance shall be processed through the chain of command whose action gave rise to the grievance if different than that of the grievant.
- F.** In each step of the grievance procedure outlined in Section 5.4, certain specific representatives shall be approved to attend the meeting therein prescribed. It is expected that, in the usual grievance, these will be the only representatives in attendance at such meetings. However, it is understood by the parties that, in the interest of resolving grievances at the earliest possible step, it may be beneficial that other representatives, not specifically designated, be in attendance. Therefore, it is intended that either party may bring additional representatives to any meeting in the grievance procedure, but only upon advance mutual agreement among the parties specifically designated to attend, that such additional representatives have input which may be beneficial in attempting to resolve the grievance.
- G.** The grievance shall be filed on a written grievance form, as agreed to by the City and the Lodge, which form shall contain the following information:

 - 1. Name and signature of individual signing the grievance and date grievance is filed;

2. Description of incident(s) or event(s) giving rise to the grievance;
3. As applicable, Contract section(s), law(s), ordinance(s), departmental regulation(s) or polic(ies) alleged to be violated;
4. Where applicable, name of supervisor with whom grievance was first discussed, and the date of this discussion;
5. Desired remedy to address or resolve the grievance;
6. A number which the Lodge will assign the grievance (e.g. 2008 - ____).

While the grievant is expected to provide the above listed information where applicable, the arbitrability or substantive validity of the grievance shall not be adversely affected if the grievance form is considered deficient in its execution, except that the question of whether a grievance has been timely filed or timely processed may be raised regardless of the way in which the form has been executed.

If a grievance is viewed as incomplete and cannot be reasonably processed by the City without clarification by the grievant, the City will inform the grievant of its concern in writing within the applicable response period. The timeline for the City's response will be tolled until the grievant responds to the City's request for clarification.

- H. For the purpose of counting time, "days" as used in this Article refer to calendar days, but will not include approved leaves of the acting party of fourteen (14) consecutive days or less, or holidays.
- I. Any favorable resolution of a grievance that has financial consequences to the City must have the approval of the Safety Director. If a grievant is satisfied with the resolution of a grievance which has financial consequences to the City, then within seven (7) days after the time for appealing the grievance resolution as set forth above, the grievance and the resolution shall be delivered, in writing by the supervisor resolving the grievance, to the Safety Director. Within seven (7) days of receipt of the grievance and resolution, the Safety Director shall either approve or overrule the same. If the Safety Director takes no action within seven (7) days, the resolution is approved. If overruled, it shall be in writing and returned to the supervisor, within seven (7) days of receipt, who forwarded it to the Safety Director.

ARTICLE 6. ARBITRATION

Section 6.1. Arbitration Submission. Should a grievant, after receiving a written answer to the grievance at Step Two of the Grievance Procedure, still feel that the grievance has not been

satisfactorily resolved, the Lodge may submit the grievance to arbitration. The Lodge, by the Lodge President, must notify the Safety Director of the Lodge's intention to proceed to arbitration within fourteen (14) calendar days of the grievance representative and grievant's receipt of the written response at Step Two of the Grievance Procedure. Should the fourteenth day fall on a Saturday, Sunday, or legal holiday, the notice of intention to proceed through arbitration shall be delivered on the next normal working day.

Section 6.2. Selection of the Arbitrator. An arbitrator may be chosen by mutual agreement of the Lodge and the City. Absent mutual agreement, the Lodge and the City shall request a list of seven (7) Labor arbitrators who are residents of or have business offices within the State of Ohio from the American Arbitration Association. The Lodge and the City will select an arbitrator from the list by alternate striking of names, and the American Arbitration Association will be notified of the Arbitrator's selection. A flip of a coin shall determine who will strike the first name. Either party shall have the option to reject a list and request another list of seven (7) arbitrators, but this option may be exercised only once by each party.

The fee and expenses of the arbitrator and the rent, if any, for the hearing room, shall be paid equally by both parties.

The expenses of any non-employee witnesses shall be paid, if at all, by the party calling them. The fees of the court reporter shall be paid by the party requesting one; such fee however, shall be paid equally if both parties request a court reporter or request any transcript. Any member in attendance for such hearing shall not lose pay or any benefits to the extent such hearing hours are during his or her normally scheduled working hours on the day of the hearing.

Section 6.3. Authority of the Arbitrator. The arbitrator shall conduct a fair and impartial hearing on the grievance, hearing testimony from both parties. The arbitrator shall only consider and make an award with respect to the specific issue or issues submitted in writing by the City and/or the Lodge. The question of the arbitrability of a grievance may be raised by either party at the arbitration hearing on the grounds that the grievance is nonarbitrable or beyond the arbitrator's jurisdiction. If the question on arbitrability is raised, it will be addressed by the arbitrator before a decision on the merits of the grievance is made; provided, however, that such decision does not have to be made at the time of the hearing.

In the event the arbitrator finds a violation of the terms of this Contract, the arbitrator is empowered to fashion an appropriate remedy. The arbitrator shall not have the authority to make an award contrary or inconsistent with this Contract. The arbitrator shall submit in writing the decision to the Safety Director and the Lodge President, or their designees, within thirty (30) days following the conclusion of the hearing or the submission of written briefs by the parties, whichever is later, unless the parties agree to an extension. The decision shall be based solely upon the arbitrator's interpretation of the meaning or application of the expressed terms of this Contract to the facts presented.

The decision of the arbitrator shall be final and binding on both parties and subject to enforcement or review as provided in Ohio Revised Code Chapter 2711.

ARTICLE 7. LODGE REPRESENTATION

Section 7.1. Grievance Representatives. The Lodge President shall appoint three (3) Lodge members from the Police Officer bargaining unit (**one from each shift**) and one (1) Lodge member from the Supervisory Unit to serve as Grievance Representatives. The authorized functions of the Grievance Representatives shall include the following:

- A. Attending any City/Lodge joint meetings relating to employee relations and/or grievances.
- B. Representing the Lodge in investigating and processing grievances in this grievance procedure.
- C. Providing general supervision and coordination of grievances in progress.
- D. Acting as liaison between the City and the Lodge on matters concerning grievances. Each Grievance Representative shall be released from normal duties while performing representation duties with prior notification to his or her supervisor, if such representation duties fall within his or her regularly scheduled tour of duty. No Grievance Representative shall be entitled to overtime pay solely for the purpose of conducting representation duties. While performing representation duties on a regularly scheduled tour of duty, such Grievance Representative shall be required to be immediately available for contact by his or her supervisor and shall be required to forego any representation duty upon direction of his or her immediate supervisor for the purpose of assisting in emergencies. Grievance Representatives shall not forfeit any pay, entitlement, and/or benefits while conducting permitted representation duties during their regularly scheduled tour of duty.

Section 7.2 Lodge Release Time. Each Grievance Representative shall be released with pay from regular job duties for up to eight (8) hours per calendar year to attend grievance training sessions sponsored or funded by the Lodge. Approval for such release time shall be approved by the Chief, or designee.

ARTICLE 8. NEGOTIATIONS

Section 8.1. Committees. The Lodge and the City have the right to select their own Negotiations Committee for both bargaining units and to change Committee Members at will. The City and the Lodge agree to engage in multi-unit bargaining as to both bargaining units. The Lodge and the City specifically reserve the right to have their Representatives, Attorneys, Accountants or Consultants, serve as members of or consultants to their respective Negotiations Committees.

Section 8.2. Good Faith Bargaining. The City and the Lodge are obligated to bargain collectively with one another in a good faith effort to reach agreement. Good faith means that each will deal with the chosen representatives of the other; will deal with the other honestly and in a bona fide effort to reach agreement; will meet at reasonable times and places to facilitate negotiations; will have the necessary authority to make proposals and counter proposals, to compromise and make agreements subject to final ratification; to provide supporting data and rationale for its own proposals and counter proposals; will not assume positions at the beginning which it describes as fair and thereafter not subject to further negotiations; and will not arbitrarily or capriciously reverse positions previously taken. Such good faith bargaining does not mean that either party is compelled to agree to a proposal nor does it require the making of a concession.

Section 8.3. Information Furnished. The City and the Lodge are obligated to provide each other with relevant financial and other information, as requested in writing and within reasonable time limitations, which is necessary for each party to develop proposals and counter-proposals and to negotiate in good faith.

Section 8.4. Private Meetings. The City and the Lodge agree to negotiate in private meetings pursuant to Section 4117.21 of the Ohio Revised Code. These meetings will be held at least once every week, unless mutually agreed otherwise.

Section 8.5. Spokesperson. The Negotiations Committees will formally communicate with each other through a spokesperson named by each party.

Section 8.6. Informal Minutes. Each party may informally keep its own minutes or written records of the negotiations. No official transcript of the negotiations will be maintained.

Section 8.7. Proposals. At the first negotiation meeting, the Lodge will present its initial proposals. At the second negotiation meeting, the City will present its initial proposals. Either party may reserve its presentation as to economic matters to a later date.

Section 8.8. Caucus and Adjournment. Either the City or the Lodge has the right to call a caucus at any time or to adjourn the negotiations session.

Section 8.9. FOP Committee. Lodge members on the Lodge's Negotiations Committee shall be permitted to attend negotiation meetings that may be scheduled during their regular tours of duty without loss of pay, entitlement, and/or benefits. Lodge members shall not be entitled to overtime pay solely for the purpose of attending such meetings. Lodge members on the Lodge's Negotiations Committee shall receive hour for hour compensatory time at their straight time rates when negotiation meetings are scheduled at a time other than their regular tours of duty so that they may attend negotiations. The Lodge shall notify the Chief of the names of Lodge members on the Lodge's Negotiation Committee prior to this first scheduled negotiation meeting. Upon prior notification to their supervisors, Lodge members on the Lodge's Negotiations Committee shall be allowed reasonable time off duty, without loss of pay, entitlement, and/or benefits, to attend work sessions of the Negotiations Committee during and prior to the course of

negotiations, if any such meetings should fall within any of their regularly scheduled tour of duty.

Section 8.10. Ratification of Tentative Agreement. After approval by one or both bargaining units, the City shall submit the tentative agreement reached by the negotiation committee to City Council for ratification. The City Council must approve or reject the submission as a whole. When approved by the Council, the Contract is binding upon the City, City Council, the Lodge and the members.

ARTICLE 9. DISPUTE RESOLUTION

Section 9.1. Dispute Resolution Procedures. If the Lodge and the City are unable through negotiations to agree as to the terms of a new Contract, all issues in dispute shall be submitted to the following Mediation - Arbitration Procedure, as permitted by Section 4117.14(C) of the Ohio Revised Code.

- A. **Mediator.** By mutual agreement, the City and the Lodge may request that the State Employment Relations Board (hereinafter referred to as SERB) appoint a mediator to assist the parties in the collective bargaining process.
- B. **Binding Arbitration.** If the City and the Lodge are unable to agree as to the terms of the new Contract, then the parties will submit all issues in dispute to binding arbitration. The parties shall be confined to a choice of the last offer of each party on each issue submitted. By mutual agreement, mediation may continue pending the arbitration hearing or be undertaken by the arbitrator.
- C. **Arbitrator.** An arbitrator, who is a resident of Franklin County or one of the seven (7) contiguous counties, may be chosen by mutual agreement, or absent mutual agreement, by soliciting a list of seven (7) arbitrators who are a resident of the State of Ohio from SERB. The Lodge and the City will select an arbitrator from the list by alternate striking of names, and the arbitrator will be notified of his or her selection within five (5) days of the receipt of the list. A flip of a coin shall determine who will strike the first name. Either party shall have the option to reject the list and request another list of seven, but this option may be exercised only once by each party.
- D. **Arbitration Guidelines.** The following guidelines shall apply to arbitration proceedings under this Article:
 - 1. The parties shall submit to arbitration those issues upon which they have not reached agreement, and other matters mutually agreed to by the City and the Lodge.
 - 2. The parties shall arrange for an arbitration hearing to be held not later than thirty (30) days after the selection of the arbitrator. Not later than five (5) days before the arbitration hearing, each of the parties shall submit to the arbitrator and the opposing party a written report summarizing the

unresolved issues, each party's final offer as to the issues, and the rationale for their positions.

3. At the arbitration hearing, the arbitrator may hear testimony from the parties and accept evidence relevant to the issues in dispute.
4. After the hearing, the arbitrator shall resolve the dispute between the City and the Lodge by selecting, on an issue-by-issue basis, from between each of the party's final offers, taking into consideration, pursuant to Section 4117.14(G) (7) of the Ohio Revised Code, the following factors:
 - (a) Past Contracts between the parties;
 - (b) Comparison of the issues submitted to arbitration and each party's final offer as to each issue with the wages, hours, and terms and conditions of employment generally prevailing in Police Departments of similar size operating under similar circumstances;
 - (c) The interests and welfare of the public, the ability of the City to finance and administer the issues proposed, and the effect of the adjustments on the normal standard of public service;
 - (d) The lawful authority of the City;
 - (e) Any stipulations of the parties;
 - (f) Such other factors as may be relevant to the arbitrator's decision.

E. Continuation of Contract; Arbitration Award. The City and the Lodge shall continue in full force and effect all the terms and conditions of this Contract, for a period after the expiration date of this Contract, until the final decision of the arbitrator has been issued and incorporated into a new Contract. The arbitrator's decision is final and will be binding upon the parties, but is subject to review under the provisions of Chapter 2711 of the Ohio Revised Code. The City and the Lodge shall take whatever actions are necessary to implement the arbitrator's decision in the shortest practicable period of time.

F. Retroactivity. Notwithstanding Section 4117.14(G)(11) of the Ohio Revised Code, at the discretion of the arbitrator, increases in rates of compensation and other matters with cost implications may be retroactive to the commencement of a new fiscal year which has commenced since bargaining was undertaken or to the conclusion of the existing Contract whichever is earlier.

G. Arbitration Costs. The parties shall bear equally the cost of the arbitration procedure.

ARTICLE 10. MANAGEMENT RIGHTS

Section 10.1. Management Rights and Responsibilities. Except to the extent otherwise limited or modified by this Contract, the City retains the right and responsibility to:

- A. Determine matters of inherent managerial policies that include, but are not limited to, areas of discretion or policy such as the functions and programs of the City, standard of services, its overall budget, utilization of technology, and organizational structure;
- B. Direct, supervise, evaluate or hire members;
- C. Maintain and improve the efficiency and effectiveness of governmental operations;
- D. Determine the overall method, process, means, or personnel by which governmental operations are to be conducted;
- E. Suspend, discipline, demote, or remove for just cause, or layoff, transfer, assign, schedule, promote, or retain members;
- F. Determine the adequacy of the work force;
- G. Determine the overall mission of the Division of Police;
- H. Effectively manage the work force; and
- I. Take actions to carry out the missions of the Division of Police.

Section 10.2. Subject to Bargaining and/or Grievance. The City is not required to bargain with the Lodge on subjects reserved to the management and direction of the Division of Police, except as such subjects would affect wages, hours, terms and conditions of employment of members, and/or the continuation, modification or deletion of an existing provision of this Contract.

ARTICLE 11. CORRECTIVE ACTION AND RECORDS

Section 11.1. Corrective Action for Cause. No member shall be removed, reduced in pay or position, suspended, reprimanded, otherwise disciplined, or deprived of any professional advantage, without just cause. Layoffs, transfers, assignments, and scheduling shall not be accomplished for disciplinary or arbitrary reasons.

Section 11.2. Progressive Corrective Action. For charges other than insubordination, the principles of progressive corrective action will be followed with respect to conduct that is not a violation of law. However, the charge of insubordination will only be used when no other charge is applicable to the conduct considered insubordinate. The principles of progressive corrective action set forth a progression of actions to be taken to correct the same or related offenses. This

progression calls for: an initial informal counseling before a minor reprimand; a minor reprimand before a written reprimand; a written reprimand before more serious action, such as demotion, or suspension; and a serious action before termination. If a continuous series of minor incidents occur, or an act is committed that is a major breach of discipline or actual violation of law the Chief of Police may direct, subject to the Safety Director's review, that a different sequence of corrective action than that indicated above is necessary.

Section 11.3. Actions of Record. At any time an inquiry concerning a member occurs wherein corrective action (minor reprimand, written reprimand, suspension, reduction in pay or position, or removal) may result, the member will be immediately notified that such a result is possible. While a supervisor may retain private written notes to document the giving of an informal verbal counseling, such written notes shall not appear in a member's personnel file or other official records of the City or the Division. Documentation of corrective action of record shall only be kept in the member's master personnel file. Any such written notes or other documents found in any files or records in violation of the provisions of this Section shall be immediately removed.

Section 11.4. Chief's Hearing. For allegations that could result in suspension, reduction in pay or position, or removal, a member shall be afforded the opportunity for a hearing before the Chief or designee. This hearing shall be held within thirty (30) days after the investigation of the member has been completed and submitted to the Chief. The member shall receive, at least three (3) days prior to the date of the hearing, written notice of (1) the date, time and place of the hearing, and (2) the specific allegations against the member which will be considered at the hearing.

If requested, at least seventy-two (72) hours before the hearing with the Chief, the member shall be given access to, and/or copies of, all documents and records in the possession of the City that comprise the current IA file or investigation file under review. At the hearing with the Chief or designee the member shall have right to counsel and/or Lodge representative but no right to call witnesses or cross-examine. The hearing may be recorded by either party with forty-eight (48) hours prior notice to the other party, and the Chief or designee shall again present the allegations being made against the Member and ask the Member to respond.

Within 14 days of the hearing, the Chief shall decide what discipline, if any, is appropriate and notify the member in writing of the same. If the Chief concludes that discipline is appropriate, the Chief shall prepare charge and specifications sheets and serve the accused member. Within seven (7) days after receiving the notification from the Chief, the accused shall notify the Chief whether he or she intends to proceed with a Safety Director's Hearing or resolve the matter without a hearing as provided below.

Nothing shall preclude the Chief from continuing any investigation after the hearing with the Member.

A Safety Director's hearing shall be conducted, unless one of the following applies:

1. The Chief imposes a disciplinary penalty that the accused member accepts. Any disciplinary penalty imposed by the Chief having financial consequences to the City requires the approval of the Safety Director.
2. The Chief offers the accused member the opportunity to forfeit either accrued vacation or personal leave, up to a maximum of forty (40) hours' leave, and the member accepts, and the Safety Director approves, this offer. Any such leave forfeiture shall be considered a suspension for disciplinary purposes.
3. The member waives the opportunity for a Safety Director's hearing and allows the Safety Director to issue findings without a hearing.
4. The member voluntarily separates from service.

Section 11.5. Safety Director's Hearing. If a Safety Director's hearing is convened pursuant to Section 11.4, it shall be conducted as follows:

- A. At this hearing, the affected member will be allowed to be represented by a Lodge representative or Lodge attorney and will be allowed to call witnesses material to the member's defense, including the reasonable issuance of mandatory subpoenas to City personnel/employees; The City and the Lodge will be given the opportunity to cross-examine any adverse witness. Hearings will be held in the Municipal Building, unless an alternate site is mutually agreed upon by both parties. All hearings may be recorded, and a copy of the recording shall be provided to the member at no charge, if the City and Lodge agree recording is appropriate. If the recording is transcribed by the City, then the member shall receive a copy of the transcribed recording, at no charge. If the Lodge transcribes the recording, then the City shall receive a copy at no charge.
- B. A member who is charged, or his or her Lodge representative or Lodge attorney, may make a written request for a continuance of the hearing. Such requests will be granted where practical and at the discretion of the Safety Director. The length of the continuance shall be mutually agreed upon.
- C. A member who is charged, or the member's Lodge representative or Lodge attorney, may make written request directly to the Chief to review the member's personnel files. Such request will be granted immediately by the Chief of Police in the case of a pending Safety Director hearing.
- D. The hearing shall be held not earlier than seven (7) days nor later than thirty (30) days after the member notifies the Chief of his or her intent to proceed to a Safety Director's hearing.
- E. The Safety Director shall issue a written decision including specific findings regarding the charges and specifications against the accused and shall notify the

accused of the decision within fourteen (14) days after the hearing is adjourned. The notice required herein shall be given to the member personally before any public statement is made concerning the outcome of the Safety Director's hearing.

Section 11.6. Appeals. Members may elect to appeal the decision of the Safety Director on disciplinary matters that result in termination, suspension, reduction in rank or reduction in pay to arbitration. Appeal to arbitration shall require the approval of the Lodge President as provided in Section 6.1.

Section 11.7. Due Process Requirements. The following requirements shall apply to formal Internal Affairs Investigations conducted by the Department to investigate charges of wrongdoing against a member.

- A. Reasonably in advance of any administrative interview, but not less than forty-eight (48) hours, the member shall be provided a copy of the written citizen complaint and/or the allegations under investigation as reduced to writing.
- B. Administrative interviews shall be scheduled so that the member has a reasonable opportunity to obtain representation from the Lodge. A Lodge representative or Lodge Attorney shall be permitted to be present during the administrative interview.
- C. Notification is to be provided at the beginning of the administrative interview as to the specific facts that support the allegation(s).
- D. All interviews shall be taped by the City at the request of the City, Lodge representative or member. The City shall bear the cost of such tape recording, and transcript, if made. One copy of the tape or transcript shall be provided at no cost to the Lodge representative or member upon request. If requested, the City shall provide any tape or transcript to the member, his or her Lodge representative, or his or her Lodge attorney.
- E. No disciplinary action will be taken on anonymous complaints unless there is sufficient corroborative evidence.
- F. No member under investigation or member called as a witness shall be charged with insubordination for failing to answer questions at an administrative interview unless the member is first advised that such failure may be the basis for insubordination charges.
- G. Notification shall be provided to the member upon conclusion of the investigation as to its outcome.
- H. No polygraph examination or other purported truth verification examination of the member shall be conducted without the member's consent.

- I. Subparagraphs B, D, F, H and K shall apply to members interviewed as witnesses. The member interviewed as a witness shall be advised prior to questioning of the nature of the investigation, administrative or criminal. While a member interviewed as a witness shall be allowed prior to the initiation of questioning to view a copy of the citizen complaint and/or the allegations under investigation, as reduced to writing, the City is not required to give the member a copy of the citizen complaint and/or the allegations under investigation, as reduced to writing.
- J. The member is to be advised at the beginning of the interview whether it is a criminal or an administrative investigation interview. If the matter under investigation is criminal in nature, the member's failure to answer a question shall not be considered insubordination. If the interview becomes criminal in nature, then all questioning must stop until the member is given ample opportunity to obtain either Lodge representative or Lodge attorney. A member who refuses to answer questions or participate in an investigation shall not be charged with insubordination or like offense where such refusal is premised on an exercise of his or her constitutional rights or a violation of this Contract in a criminal allegation.
- K. Any interview will be conducted insofar as practical at hours reasonably related to the member's shift, preferably during the member's working hours. Interview sessions shall be for reasonable periods of time and time shall be allowed during such questioning for attention to physical necessities.

Section 11.8. Duration of Records. All actions of record as defined in Section 11.3 will be maintained in each member's personnel file consistent with the following retention schedule and subject to approval of the City of Hilliard Records Commission and as approved by state archives retention schedule. Unfounded or unsubstantiated complaints or allegations shall not be considered in further corrective action, promotional considerations, or future transfer considerations. The parties shall jointly request the City of Hilliard Records Commission to approve the following record retention schedule:

- A. Records on minor reprimand shall be removed eighteen (18) months after the minor reprimand was issued.
- B. Records on a written reprimand shall be removed thirty (30) months after the written reprimand was issued.
- C. Records on a suspension of less than five (5) days shall be removed four (4) years after the suspension was issued.
- D. Records on a suspension of five (5) days or more shall be removed six (6) years after the suspension was issued.
- E. If there is a reoccurrence of any additional disciplinary action for either a more serious or similar or related offense, any of the records referenced in

subparagraphs (A) through (D) above, become part of a subsequent disciplinary action and may continue to be maintained beyond its original retention until such time as the retention of the subsequent action expires.

- F. Records which have been approved for removal from a member's personnel file shall be forwarded to the Law Director who will approve destruction of the records unless destruction is prohibited by law, the records pertain to pending litigation, or the statute of limitations for potential litigation has not expired. The Law Director shall review the records to determine whether the records have any value to the City for litigation, criminal prosecution or criminal defense purposes. If the Law Director determines that records have no litigation, criminal prosecution or criminal defense value, the records shall be destroyed. In the event that the Law Director does not permit the destruction of a record, that record will be retained by the City until such time as retention is no longer necessary.

Section 11.9. Review of Personnel Files. Every member shall be allowed to review his or her personnel file at any reasonable time upon written request to the Chief. Members' personnel files shall not be available for review by anyone except as required by Ohio public records law. Any member may copy documents in his or her personnel file.

If a request is made to inspect and/or copy records within a member's personnel file pursuant to Section 149.43 of the Ohio Revised Code, and the City intends to comply with this request, the City shall first, provide written notification to the member of the nature of the request, which notification shall be provided to the member at least forty-eight hours prior to the City's intended compliance with the request, provided the member is available. Within this forty-eight (48) hour period, the member shall have access to his or her personnel file before the City's prompt response to the public records request if the member is available and so desires. If the member is not available, the Lodge representative will be immediately notified.

Section 11.10. Inaccurate Documents. Should any member have reason to believe that there are inaccuracies in documents contained in his or her personnel file, the member may notify the Chief in writing of the alleged inaccuracy. Material will be removed from the file and destroyed as provided by law when a member's claim is sustained by the Chief. If the accuracy or fairness of the documentation cannot be mutually agreed upon, then such disagreement may be clarified by utilization of the grievance/arbitration procedure. The member shall also have the right to submit a written statement detailing his or her objections to the materials in question. If such statement is prepared, it shall be attached to the material objected to by the member. Nothing herein shall apply to finalized disciplinary action

Section 11.11. Performance Evaluations. A member's signature on any performance evaluation shall be viewed by the parties hereto only as representation that the member has read it and shall not be viewed as a representation that the member has concurred in any or all of the contents or comments thereon. The member shall be the last person to sign a performance evaluation and no comments may be made on record copies thereafter. The member shall receive a copy of the evaluation in its final form when he or she signs it.

Section 11.12. Placement of Material in Personnel File. No document, which does not include as a part of its normal distribution a copy to the member or which does not originate with the member, shall be placed in the personnel file unless the member is simultaneously provided a copy. Anonymous material shall never be placed in the member's personnel file.

Section 11.13. Personnel Files. The City shall maintain each member's personnel file. The provisions of Section 11.9 shall apply to a member's financial and tax files maintained by the Finance Department and a member's medical and benefits files maintained by the Human Resources Department.

Section 11.14. Divisional Board of Review. The Divisional Board of Review is a peer review panel, the function of which is consideration of departmental awards recommendations and to forward its recommendations in these matters to the Chief of Police. The Division Board of Review will meet at least once annually.

- A. The Divisional Board of Review shall consist of seven (7) voting members and shall be comprised as follows:
1. The Chief of Police, in the capacity of a non-voting ex-officio member.
 2. Two (2) Bureau Commanders shall be voting members of the Board, and shall be elected by a vote of all members of the bargaining unit holding the rank above Sergeant. One (1) alternate shall also be elected by those members.
 3. The senior voting member available at the proceedings shall be the President of the Board.
 4. Two (2) Sergeants shall be voting members of the Board and shall be elected by a vote of all members holding the rank of Sergeant. One (1) alternate shall also be elected by those members.
 5. Three (3) Police Officers shall be voting members of the Board and shall be elected by a vote of all members in the rank of Police Officer. One (1) alternate shall also be elected by those members. No probationary Police Officer shall be eligible to serve on the Board during his or her probationary period. These voting members shall be elected annually in December and shall take office effective January 1 and shall not serve two (2) consecutive years as members of the Board.
 6. Disqualification and Substitution of Board Members:
 - (a) A member may be disqualified from being elected to the Board if he or she has served a suspension from duty without pay within the past two (2) years. This disqualification shall be at the sole discretion of the Director of Public Safety.

- (b) If an elected Police Officer is disqualified or is promoted to Sergeant, the members in the rank of Police Officer will vote and elect another eligible Police Officer to serve the remainder of the term. Such elected member shall be eligible to be elected for an additional term, provided that his or her initial election is for less than six (6) months.
- 7. The President of the Board shall appoint one (1) member of the Board to act as Recorder for that proceeding.
- 8. A quorum of four (4) voting members shall be necessary to commence any proceeding. If the President of the Board is not present, the next senior voting member shall be the President Pro-Tem for that session.

ARTICLE 12. WORK RULES AND DIRECTIVES

Section 12.1. Work Rules and Directives. The City agrees that to the extent possible, work rules shall be reduced to writing and provided to all members in advance of their enforcement. Any charge by a member that a work rule or Divisional directive is in violation of this Contract, or has not been applied or interpreted uniformly to all members, shall be a proper subject for a grievance. The City will provide the grievance representatives copies of any revised or new work rules and the departmental directives in advance of their intended effective dates.

ARTICLE 13. LABOR RELATIONS MEETINGS

Section 13.1. Philosophy. The City and the Lodge agree to create and maintain Labor Relations meetings as an active forum for the exploration of mutual concerns.

Labor Relations meetings are an adjunct to the collective bargaining process and an aid in implementing and maintaining the Contract. This forum will also be useful as a place to discuss issues which arise outside of the context of collective bargaining which represent impediments to a quality work environment or which lessen the Division's ability to deliver police service in the most efficient manner possible. Unless the parties mutually agree otherwise, no issue which is the subject of a formal grievance will be discussed or decided in this forum; however, circumstances in the Department which could, if not addressed, give rise to grievances are proper subjects of discussion.

Section 13.2. Commitments. Jointly the City and the Lodge represent that:

- A. They will use the forum for constructive resolution of difficult issues.
- B. They will make every effort to develop a mutually agreed upon agenda for such meetings.

C. They will recognize their separate viewpoints on and responsibilities for issues and attempt to hear the viewpoints of others with the objective of finding constructive resolutions for problems.

D. The City represents that:

1. It will work in good faith with the Lodge to reach consensus on the best means of resolving issues.
2. It will provide the time necessary for the activities growing out of the implementation of this Article and will participate with the Lodge in the costs of any supplemental services necessary to its operation, in an amount and duration mutually agreed upon.
3. For each person assigned to represent either party at the Labor Relations Meetings, the City will consider such service to be a part of his or her job duties.

E. The Lodge represents that:

1. It will work in good faith with the City to reach consensus on the best means for resolving issues.
2. It will provide the time necessary for the activities growing out of implementation of this Article and will participate with the City in the costs of any supplemental services necessary to its operation, in an amount and duration mutually agreed upon.
3. It will take whatever actions are necessary to keep the members informed about developments in the Labor Relations Meetings and decisions made through this process.

Section 13.3. Structure. At Labor Relations meetings the City Chair will be the Safety Director or designee, and the Chief will also serve as a City Representative. The Lodge Chair will be the President of the Lodge or designee. The Lodge President will appoint no more than five (5) members as Lodge Representatives. The City and the Lodge shall each bring a total of no more than five (5) representatives. Either the City or the Lodge may, with prior notice, bring additional representatives it believes would be helpful in addressing issues.

Section 13.4. Meetings. The parties shall meet quarterly, unless either the City or the Lodge calls for more frequent meetings. Upon mutual agreement, non-participants may be included in meetings if they are thought to have information or resources which could assist in the resolution of agenda items.

Section 13.5 Identification of Representatives. The Lodge President shall annually notify the Chief in writing the name of the Lodge designated Labor Relations Representatives and Grievance Representatives.

ARTICLE 14. PROMOTIONS

Section 14.1. State Law Applicable. The provisions of state civil service law as to promotions within the Division are applicable, except as varied by the provisions of this Article and Hilliard City ordinance.

Section 14.2. Promotional Examinations. No bargaining unit position above the rank of Police Officer shall be filled by original appointment. Vacancies in bargaining unit positions above the rank of Police Officer shall be filled from among persons holding positions in rank lower than the position to be filled. No position above the rank of Police Officer shall be filled by a person unless they have first passed a competitive promotional examination. Promotions shall be by successive ranks so far as practicable and no person shall be promoted to Sergeant who has not served at least thirty-six (36) months as a Police Officer. No person shall be promoted to Lieutenant who has not served at least twelve (12) months as a Sergeant.

No sick leave shall accrue in any pay period in which the member is in unpaid status for more than eight (8) hours of regularly scheduled work. Accruals will not be available for use until the following pay period. Accrued hours will be credited to the member's sick leave bank.

Section 22.2. Transferred Sick Leave Bank. Credit for verified unused, un-reimbursed sick leave accrued in employment with the State of Ohio or any political subdivision of the State (hereafter designated as "Transferred Sick Leave") shall be credited to a member's Transferred Sick Leave Bank, except that not more than 1 1/4 days of sick leave per month of employment with the State or such political subdivision, less sick leave taken, shall be credited. The Finance Director will determine acceptable documentation.

Section 22.3. Sick Leave Use. Members may use sick leave, at the member's regular rate of compensation, for absence from work due to personal illness; personal injury; personal exposure to contagious disease; necessary medical, optical or dental appointments or illness or death in the immediate family in the following manner:

In addition, a pregnant member who is removed from regular duty at the direction of her physician shall be placed on a light duty status until it is determined she is no longer able to work. Light duty status is defined as restricting a member from performing regular police duties.

Section 22.5. Limitations.

- B. A statement from an attending practitioner may also be required by the Safety Director for a member's use of sick leave after the member has used in excess of forty (40) hours of sick leave in a calendar year. A member's failure to provide a requested statement may result in the mark-off being charged to absence without leave. Sick leave shall not be charged to the forty (40) hours referenced above, where the member shows proof of an office visit or consultation with an attending practitioner. Members may also be required to sign and submit a City of Hilliard "Request for Leave" form (as revised, 10-06) regarding the use of sick leave.

Section 22.7. Additional Payment. The City shall, upon certification of the Safety Director or designee, pay the costs of all medication, physician's fees, and hospital services for injuries sustained in the course of and arising from City employment, if these costs are not paid in full by the Bureau of Workers' Compensation, the Industrial Commission of Ohio, or a City-financed insurance program.

Section 22.12 Sick Time Donation.

5. completes any required form; and

6. no hours from an employee's Transferred Sick Leave Bank may be donated; only current sick leave hours balance may be used.

E. Administration of the Program

The sick leave donation program shall be administered on a pay period to pay period basis. When the Employer is made aware that an employee qualifies for donated sick leave under this Article, and if the Employer is authorized by the employee in need, a notice shall be posted at the Department stating the name of the Employee in need of the time, as well as how many hours are needed.

Employees wishing to donate sick leave time shall notify the Human Resources Director or designee of how many hours they wish to donate. Donations of sick leave time will be credited to and used by the receiving employee in the order of their submissions.

Employees receiving and using donated sick leave shall be considered in active pay status and shall accrue leave and be entitled to any benefits to which they would otherwise be entitled. Vacation and sick leave accrued by an Employee while using donated sick leave shall be used, if necessary, in the following pay period before additional donated sick leave may be received. Donated sick leave shall be considered sick leave for payroll purposes each pay period, as needed, but shall never be converted into a cash benefit. The Employer shall maintain such records as are necessary for the administration of this program. The Union and the Employer agree to coordinate efforts to assure effective implementation of this Article.

No employee will be forced to donate sick leave. The Union and the Employer will respect an employee's right to privacy. However, the Union and/or Employer may, with the permission of the employee who is in need of leave or a member of the employee's immediate family, inform

employees of their co-worker's critical need for leave donations from employees. The donation of sick leave pursuant to this Article shall occur on a strictly confidential and voluntary basis.

Such payment shall be paid at the member's hourly rate of pay at the time of separation. Members shall be entitled to utilize City uniforms, clothing, and/or equipment, and be covered by the City's Workers' Compensation policy while performing special duty if not covered by the special duty employer's Workers' Compensation policy.

Section 31.3. Police Responsibility. While on special duty assignments members shall perform such assignments subject to the wishes of the special duty employer, except that the member is bound by Divisional Rules and Regulations, policies, orders, and procedures governing the duties and responsibilities and good conduct of the police service. Members shall not perform any act that would tend to demean the Division or the uniform, or be contrary to law or official Divisional directives. In the event the member working special duty is required to take appropriate police action, the member will revert to an on-duty status. Members shall obey orders issued by supervisory personnel. Supervisors shall not issue orders contrary to the instructions of the special duty employer except where the supervisor is directing the member to take appropriate police action. The working of a special duty assignment does not relieve a member from taking appropriate police action when confronted with a situation requiring such action.

Section 31.4. Special Duty Detail Supervisors.

- A.** When the Chief determines that a particular special duty assignment requires three (3) or more special duty personnel, a supervisory officer (Sergeant or higher) shall be required to be employed. The senior supervisory member so employed shall be the detail supervisor and compensated at the supervisor special duty rate.
- B.** When the Chief determines that a particular special duty assignment requires six (6) or more special duty personnel, a command officer (Lieutenant or higher) shall be required to be employed, in addition to the above mentioned supervisory member. The senior command officer so employed shall be the detail commander and compensated at the command special duty rate. The next senior command or supervisory member employed shall be the detail supervisor and compensated at the supervisor special duty rate.

Section 31.5. Special Duty. The Chief shall designate the Field Operations Sub-Division Commander, or alternate, to administer the special duty program.

- A.** Special duty assignments shall be offered to members on a fair and equal basis with no preference shown to any individual. Assignments, as much as possible, will be offered on a rotational basis within the membership as a whole. No member shall be permitted to work special duty assignments until he has obtained an OPOTC Basic Training Certificate and has satisfactorily completed the Divisional Field Training Program. Auxiliary officers shall not be offered special duty assignments unless the assignment cannot be filled by a full-time officer.
- B.** Once a member has accepted a special duty assignment the member shall be responsible for insuring that he or she reports to that assignment in a timely manner, prepared for duty. If a member should wish to cancel a special duty assignment that the member has accepted, it is his or her responsibility to find a replacement and to insure that the assignment has been filled. Repeated violations of the provisions of this Article or other rules pertaining to special duty may make the offender subject to removal from the special duty roster for a period of time as is determined by the Chief to be appropriate.
- C.** Members desiring to work a special duty assignment during a scheduled tour of duty may request either vacation or compensatory leave to work such assignment. Any such request for leave shall be processed and granted subject to the same criteria as any other request for leave if the request does not involve the paying of overtime to another member to cover the vacancy created by such leave or violate any other provision of this Contract.
- D.** During exigent circumstances (such as a scheduled member marking off sick from a special duty assignment, etc.) or when a request for special duty is received on short notice (less than 24 hours prior to reporting time), the individual

administering the special duty program may fill the vacancy by assignment to the most available member after making a good faith attempt to comply with the provisions of this Article.

- E. In addition to the foregoing provisions governing special duty assignments: (1) the Chief may designate any new special duty job as "position specific" if the job requires specific job tasks to be performed (e.g., School Resource Officer, K-9, Detective); (2) School Resource Officers will be assigned to every home football game as part of the special duty contingent of officers and supervisors assigned to every home football game; and (3) a "plus one" rule will be applicable for all special duty assignments at school basketball games and dances, whereby no School Resource Officer will be assigned to a basketball game or school dance by the Chief unless an additional member is required to be hired by the school as part of the normal contingent of officers and supervisors assigned to the game or dance.

ARTICLE 32. FIELD TRAINING OFFICERS

Section 32.1. FTO. Any member who serves in the capacity of a Field Training Officer (training a probationary member) shall receive one hour of compensatory time for each eight (8) hours of training, but no more than five (5) hours of compensatory time per the member's work week.

ARTICLE 33. TUITION REIMBURSEMENT

Section 33.1. Reimbursement Program. The City will provide the following exclusionary tuition reimbursement plan that allows for non-taxable reimbursements under the then current IRS regulations to all Members after one year of continuous employment, subject to the following terms and conditions:

- A. Members will be reimbursed for his/her tuition expenses, subject to the limits set forth below, upon the following:
1. Proof that the member has paid the expense; and
 2. Proof that the member received a passing grade when taking class "pass/fail" or a grade not lower than a "C". The City will only honor reimbursement requests submitted within thirty (30) days after the receipt of a Member's final grade.
- B. All classes eligible for tuition reimbursement must be pre-approved. No class taken without pre-approval shall be eligible for reimbursement.
- C. Classes eligible for reimbursement shall meet the following standards:
1. The class must be provided at or through a state accredited institution of higher education

2. The class must be one that is part of a course of study previously approved by the City. For example, if the City has approved a degree program with a major in criminology then any course, regardless of the subject that will further that degree shall be approved. It is the City's intention to approve only those degree programs with a major that is related in some fashion to police work. It is the member's burden to establish that the degree program is related to police work.
 3. If the member does not have a pre-approved degree program then the approval shall be on a class-by-class basis. Again it is the City's intention to approve only those classes that are related in some fashion to police work. It is the member's burden to establish that the degree program is related to police work.
 4. The City will establish rules and regulations for the application of the approval of either the degree programs or the individual classes, including but not limited to time limitations and forms for making application.
 5. No reimbursement shall be provided for attendance in an academic program leading to a degree at a law school.
- D.** For calendar year 2008, tuition reimbursement shall be limited to ten (10) credit hours per member, per school quarter/semester, at the "Columbus Campus undergraduate" rate charged by the Ohio State University to an Ohio resident which is agreed to be \$221.00. Effective January 1, 2009 reimbursement shall be limited to \$4,000 per calendar year. Regardless of the scheduling or completion of classes, in no event shall a member be reimbursed for more than \$4,000 in any calendar year. No member shall receive a disbursement from the City for an amount greater than the actual amount paid by the member to the approved institution. Reimbursement is limited to tuition expenses only.
- E.** Should a member voluntarily resign employment within two (2) years of receipt of any tuition reimbursement hereunder, the member shall reimburse the City for all tuition reimbursement he or she received within the two (2) year period prior to separation from service. If a member resigns due to disability or retirement, such reimbursement shall be waived.

ARTICLE 34. SUBSTANCE ABUSE AND TESTING

Section 34.1. Purpose. The City and the Lodge recognize that the ability of a member to properly perform his or her duties depends, in part, on a workplace which is free of substance abuse. In an effort to promote public safety, to provide members who may be drug or alcohol dependent with an opportunity for treatment and for remaining productive members of the Division of Police, and in recognition that substance abuse is a problem which, depending on individual circumstances, may require intervention, rehabilitation, or discipline, it is the purpose

of the Article to provide a method for responding to the risks presented by the presence of substance abuse in the workplace by:

- A. dealing with incidents of substance abuse which present a reasonable likelihood of significant risk to members, the general public, or other employees of the City;
- B. providing assistance to a member with drug or alcohol dependency problems; and
- C. disciplining a member whose satisfactory work performance is adversely affected by substance abuse.

Section 34.2. Responsibility. Although it is the responsibility of every member to be alert to potential incidents of substance abuse in the workplace, it is the primary responsibility of supervisors to initially respond to such incidents, particularly where circumstances are reasonably felt to pose a reasonable likelihood of significant risk to the public safety. Supervisors shall take such action, not inconsistent with this Article, as they deem appropriate to eliminate immediate risks associated with any incident of potential substance abuse.

Section 34.3. Definitions. The following definitions shall govern this Article:

- A. "Under the influence" means that the member is or would be adversely affected in the satisfactory performance of his or her duties by any illegal drug or alcohol, or the combination of any illegal drug and alcohol.
- B. "Legal drug" means prescribed drugs or over-the-counter drugs which have been legally obtained for the user and are used for the purpose for which they were prescribed and manufactured.
- C. "Illegal drug" means any drug (1) which is not legally obtainable, or (2) which is legally obtainable but has not been legally obtained; and prescribed drugs not being used for prescribed purpose.
- D. "Reasonable belief" is an articulated belief that a member is using illegal drugs or misusing alcohol such that the member's satisfactory work performance is or would be adversely affected by the presence of alcohol or illegal drugs. This articulated belief must be drawn from specific and particularized objective behavior and conduct exhibited by the member, and reasonable inferences therefrom. Reasonable belief may be based upon a member's slurred speech, odor, disorientation, abnormal appearance, conduct or behavior, or other observable cause.

Section 34.4. Prohibited Conduct. For purposes of this Article, a member shall not, while performing his or her duties for the City, or while in a City facility or vehicle, or while in uniform:

- A. Report to duty, remain on duty, or perform his/her duties under the influence of alcohol;
- B. Report to duty, remain on duty or perform his/her duties while being under the influence of any illegal drug, or while using any legal drug be impaired to the point that he or she cannot satisfactorily perform his or her assigned duties; or
- C. Unlawfully use, sell, purchase, transfer or possess alcohol or an illegal drug.

Section 34.5. Reasonable Belief Testing. A member shall be tested for alcohol or illegal drug use where a trained supervisor has reasonable belief that the member's satisfactory work performance is adversely affected by the presence of alcohol or illegal drugs in the member's body in violation of Section 34.4.

Where a member has been ordered to undergo reasonable belief testing, he or she shall be placed on paid administrative leave pending receipt of the test results. If the test results are negative, the member shall be returned to assigned duties.

Section 34.6 Order to Submit to Testing. A member's refusal or failure, when ordered, to timely submit to testing permitted under this Article may subject a member to discipline, including discharge. By taking a test, a member does not waive any objection or challenge he or she may possess. Within twenty-four (24) hours of the time the member is ordered to submit to a test, the City shall provide the member with a written notice setting forth the information and observations which form the basis of the order.

Section 34.7. Testing Determination. Upon determining that a member must submit to a reasonable belief test or an unannounced test under Section 34.12(E) for alcohol or illegal drug usage, the supervisor shall give the member an opportunity, prior to the test, to request the presence of, or to seek the advice from a Lodge Representative. The member and the Lodge Representative, if available, shall be given an opportunity to communicate any information or other explanation relevant to the circumstances to the supervisor. The supervisor shall then determine, after considering all of the circumstances, whether the test shall be administered. If the supervisor determines that a test shall be given, testing shall be made immediately after discussion with the member and the Lodge Representative, if available, but no more than one hundred and twenty (120) minutes after the reasonable belief determination has been made, whichever is sooner. The Lodge Representative, if available, may accompany the member to and be present with the member at the collection site.

The fact that a member may have been taking a legal drug shall not preclude the administration of a drug test if the supervisor has reasonable belief to believe that the member's satisfactory work performance has been adversely affected by the presence of such a legal drug; provided, however, that the ultimate disposition of the matter shall take such fact into consideration.

Section 34.8. Collection Site/Laboratory.

- A. Both the collection site and laboratory performing testing under this Article shall be mutually selected by the City and the Lodge and shall be certified under the DHHS "Mandatory Guidelines for Federal Workplace Drug Testing Programs," as said Guidelines are in effect on January 1, 2005.
- B. The City, the collection site, and the laboratory shall have a clear and well-documented procedure for collection, shipment, and assessment of testing samples, which procedure shall be provided in writing to the member subject to testing and, upon request, to the Lodge Representative.
- C. For drug testing, the City, the collection site, and the laboratory shall follow the procedures set forth in 49 CFR Part 40, as said procedures are in effect on January 1, 2005, including an evidentiary chain of custody and control and split sample collection and testing. The collection site is responsible for maintaining the integrity of any specimen collection and transfer. Alcohol breath testing shall be conducted at the collection site and shall be conducted by a technician trained in such testing. Appropriate records of such testing shall be maintained by the collection site for review by the member and/or Lodge Representative. The breath testing device shall meet standards commonly used in the private sector for such testing.
- D. The City shall pay all costs associated with testing, except that any cost for testing of a split sample is the responsibility of the member.

Section 34.9. Testing Procedure.

- A. For alcohol testing, the member shall be first given a breath test, at the collection site, followed by a confirmatory urine test only where the breath test reveals an initial positive alcohol level of .04 grams per 210 l. of breath. If the initial breath test results are below this level, testing shall be discontinued; if confirmatory urine tests results are below a level equivalent to .04 grams per 210 l. of breath, the confirmatory test shall be considered negative.
- B. For drug testing, urine samples shall be provided.
- C. Individual privacy shall be afforded to a member in the collection of urine samples, provided that the collection site may impose stringent specimen alteration and/or substitution procedures.
- D. With regard to drug testing, where the member provides a sufficient urine sample at the time of the original sample collection, this sample shall be split and placed in two (2) separate containers at the collection site. In the presence of the member at the testing site, and without ever leaving his or her sight, each urine sample taken shall be placed in two sterile screw-capped, self-sealed, tamper-resistant

urine collection containers which shall be each sealed and labeled and then initialed by the member. The samples shall be sent, by the most expedient means available, to the testing laboratory as soon as practicable on the day of the test. The sample within the second container shall be stored at the test collection site.

The laboratory shall commence testing of the sample within the first container only if the sample is received in an undamaged condition, properly sealed and labeled, and properly initialed by the member. The certified laboratory shall first conduct an initial screening of this sample. If the test results from the screening are negative, the chief will be so advised and the testing procedure will be concluded. If illegal drugs or alcohol are found in the sample as a result of the screening, then that sample shall be submitted for confirmatory testing. The initial screening shall be accomplished by means of Thin Layer Chromatography (TLC) or equally reliable testing methods, and the confirmatory test shall be accomplished by means of Gas Chromatography/Mass Spectrometry (GS/MS). If the test results from the confirmatory test are negative, the City will be so advised and the testing procedure will be concluded. If, as a result of the initial screening and confirmatory test, the test result is positive, the member will be contacted directly by a Medical Review Officer (M.R.O.) and will be given the opportunity to explain the reasons for a positive test result. Should the member offer an explanation that in the judgment of the M.R.O. sufficiently explains the positive test result, the M.R.O. will consider the results as negative and the City will be so advised and the testing procedure will be concluded.

- E. With regard to drug tests, if the test results are positive, and the member has not offered an explanation to the M.R.O. sufficient to cause the M.R.O. to consider the results negative, Human Resources Director shall be notified and the Human Resources Director shall in turn contact the member and the Chief. The City will provide members who test positive for drugs with an opportunity to have the split urine specimen tested by a clinical laboratory or hospital facility of the member's choosing, at the member's own expense, providing the member notifies the City within seventy-two (72) hours of receiving the positive results and provided further that the laboratory or clinic and the testing procedure, including chain of custody, meets or exceeds the standards established in this Agreement. If the member does not request the testing of the sample within the second container after the sample within the first container tests positive, or if the member requests the testing of the sample within the second container and it is also tests positive for an illegal drug or alcohol, rehabilitative or disciplinary action shall be taken.
- F. The City shall provide each member tested with a copy of all information and reports from the collection site and laboratory in connection with the testing and results.
- G. The M.R.O. shall maintain his or her office in Franklin County, Ohio or an adjoining County.

Section 34.10. Voluntary Request for Assistance. A member may voluntarily enter treatment without a requirement of prior testing. A member who voluntarily seeks assistance for a substance abuse problem before being required to submit to a reasonable belief test shall not be subject to discipline but the member shall comply with Section 34.12(A)-(E).

Section 34.11. Discipline/Rehabilitation Options. Where a member has been ordered to undergo testing and the test results are positive as specified in Section 34.8, the City may, depending upon individual circumstances, discipline the member and/or offer the member the opportunity for rehabilitation (treatment). Any discipline shall be for just cause and shall take into account all facts and circumstances, including the member's desire for and/or progress in treatment, and the member's work record.

With the exception of a positive test for use of a controlled substance, the use or possession of which in any amount would constitute a felony, and notwithstanding the above paragraph, any discipline to be imposed for a first violation of Section 34.4 shall be held in abeyance pending completion by the member of a treatment program. If the member successfully completes a treatment program and is not further disciplined for substance abuse for thirty-six (36) months following the date upon which the member was tested, the discipline shall be withdrawn and the initial charge dismissed. However, a member may be disciplined for any misconduct which may be coincident with a member's violation of Section 34.4.

A member serving his or her initial probationary period may be discharged, without referral to a treatment program, at the sole discretion of the City.

Section 34.12. Referral to Treatment. Where the member seeks or is offered the option for treatment under Section 34.10 or 34.11, and the member accepts this referral, the member must:

- A. agree to cooperate in and successfully complete appropriate treatment as determined by the substance abuse professional(s) or physician(s) involved;
- B. discontinue use of illegal drugs or misuse of legal drugs or alcohol;
- C. agree to authorize persons involved in counseling, diagnosis and treating the member to disclose to the City the member's progress, cooperation, drug and alcohol use, completion or non-completion of counseling and treatment, and any threat to property or safety perceived in connection with the member's continued performance of his or her job duties;
- D. complete any course of counseling or treatment prescribed, including an "after-care" group for a period of up to twelve (12) months; and,
- E. agree to submit to unannounced testing during treatment and up to three (3) times during the twelve (12) month period following the completion of counseling, treatment and/or after-care.

Members who do not agree to act or who do not act in accordance with the foregoing may be subject to discipline, up to and including discharge.

Section 34.13. Right of Appeal. The member has the right to challenge the results of the drug or alcohol tests and any discipline imposed in the same manner that any other employer action under the terms of this contract is grievable. Any evidence concerning test results which is obtained either in violation of the standards contained in this Article, or in violation of the procedures required by this Article shall not be used to support disciplinary action involving the member.

Section 34.14. Treatment Costs. Treatment costs arising out of the member's use of such services shall be paid for by the member's insurance program, subject to any deductible, co-payment and coverage limits under the member's insurance program. Members will be allowed to use any paid leave (including vacation, compensatory time, sick leave or holiday leave) or take an unpaid leave of absence for the necessary time off involved in a treatment program. Other than as specified in this Section or required by law, the City shall have no obligation to pay for or insure treatment or rehabilitation.

Section 34.15. Confidentiality. All testing and actions taken under or pursuant to this Article shall be kept confidential to the extent permitted by federal and state law, except where disclosure is warranted to comply with the provisions of this Agreement relative to disciplinary action taken against a member.

Section 34.16. Other Laws. This Article is in no way intended to supersede or waive any rights that a member may be entitled to under federal or state constitutions or any applicable law. Any action taken pursuant to this Article shall not be used as evidence or otherwise in any criminal proceeding against a member.

ARTICLE 35. DURATION

Section 35.1. Duration. This Contract is effective as of 12:01 A.M. January 1, 2014 and shall remain in full force and effect until 12:00 midnight December 31, 2016, or until a successor Contract is agreed to by the City and the Lodge.
