The payment will be based upon the employee's hourly rate on the last date of employment and will eliminate all accrued and unused sick leave. To be eligible, an employee must have at least ten (10) years of full-time employment with the Employer. "Retirement" means disability or service retirement under any state retirement system. Attached will be a listing of eligible employees for this payout under this provision, section 2(b). Such conversion shall take place as soon as possible after the effective date of retirement, but not later than thirty (30) days thereafter. Current employees who were hired after December 31, 1994 as of the effective date of this agreement are not eligible for the additional sick leave payment (i.e. are subject to the maximum payout of 1440 hours).

The intent of the leave donation program is to allow employees to voluntarily provide assistance to their co-employees who are in critical need of leave due to a serious illness or injury of the employee or a member of his or her immediate family. An employee may not donate paid sick leave if it will result in the employee having less than forty (40) hours of accrued leave. An employee is not entitled to receive

donated paid leave until he first exhausts all of his accumulated leave time. Employees may not actively solicit donations for paid leave.

An employee may request the use of sick leave for additional time to attend a funeral and the Employer will approve the use at its discretion.

At the employee's option, this compensation is to be twelve (12) hours of straight time placed into the employee's compensatory time bank or paid in cash in the first pay period following each four month period.
