The Kettering Board of Education (hereinafter referred to as the Board) and the Kettering Education Association, an affiliate of the Ohio Education Association and of the National Education Association, (hereinafter referred to as the Association or KEA) agree that negotiations are an effective and efficient method for discussion and agreement on items pertaining to the terms and conditions of employment in the Kettering School District.

- A. The Board and the Association acknowledge that, during negotiations which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining/negotiations and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

- B. For the life of this Agreement, the Board and the Association voluntarily and unqualifiedly waive the right, and agree that the other shall not be obligated, to negotiate collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, except as otherwise provided for under Section 4117 of the ORC.

- C. This Agreement represents the entire agreement between the Board and the Association and, unless specifically set forth in the express written provisions of this Agreement, all rules, regulations, benefits and practices previously and presently in effect may be modified or discontinued by the Board upon notification to the Association and in keeping with Section 4117 of the ORC.

2. When **Vocational Teachers** new to the District are employed and do not have a teaching certificate/license, they will be placed on Class III of the salary schedule in the following manner; professional work or career experience will be counted as one year of work equaling one step on the salary schedule through five years of work experience equal to step 6. For placement on step 7 and/or step 8, professional work or career experience will be counted as two years of work experience equaling one step on the salary schedule. Step 8 on class III is the highest available step for employees employed after May 1, 1994.

Lateral movement on the salary schedule for new vocational teachers who have not earned a Bachelor's degree will be as follows; they may move to class IV when they have completed 18 semester hours of undergraduate college credits, and to class V when they have completed 35 semester hours of undergraduate college credit, and to class VI when they have completed 45 semester hours of undergraduate credit. Any lateral movement on the salary schedule will be based only on those college credits earned after the date of hire. Vocational teachers cannot advance to class VII until they have completed a Master's degree and 18 semester hours of graduate credit beyond their Master's degree.

Lateral movement on the salary schedule for new vocational teachers who have earned a Bachelor's degree prior to employment will be the same as stated above; however, they will be given credit for graduate or undergraduate college credit earned after the receipt of their Bachelor's degree for salary scheduled placement.

3. **Nurses, Occupational Therapists, Physical Therapists** and **Speech Therapists** will be placed on the salary schedule in the following manner:

Professional work or career experience counted as one (1) year of work in their professional field is equal to one (1) year step advancement on the salary schedule. The District will recognize up to five (5) years of experience in this manner.

Beyond five (5) years, professional work or career experience counted as two (2) years of work experience equals one (1) additional step on the salary schedule, with maximum placement limited by their class on the salary schedule matrix (see Article V, c.)

Furthermore, professional work or career experience:

1. Must have been full time, seven (7) hours per day and at least nine (9) months per year.
2. Must have been accomplished under the provisions of a certificate or license.
3. Must have been completed in the similar or same type of work.
4. Must be verified with written documentation.

3. A "year of active military service," as used herein, shall mean eight or more continuous months of service (maximum five years).

E. **Credit for Academic Training**

Credit for additional academic training to current employees covered hereunder will be granted twice during the school year. Evidence of additional academic training from a fully accredited educational institution must be submitted to the Director of Human Resource Services by September 10 in order to receive credit on the salary schedule beginning the first day of the first semester. Evidence of additional academic training from a fully accredited educational institution must be submitted to the Director of Human Resource Services by February 1 to advance on the salary schedule beginning the first day of the second semester.

F. **Increments**

A teacher presently employed by the Board and assigned on the salary schedule shall be eligible for assignment to the next higher step if said teacher was employed at the next lower step for 120 five-hour days or more in the preceding school year or each of the interval years between steps. Part-time teachers shall advance on the salary schedule based on their percentage of contract. The cumulative percentage of contract for part-time teachers must add up to 100 percent of full-time contract for advancement to occur. If employees were hired prior to 2013-2014, due to the step freeze in 2011-2013, actual years' experience will not match step placement. Advancement on the salary schedule may occur under the above conditions **only at the beginning of the first semester of each school year.**

G. Percent of contract, as used herein, shall be defined in terms of daily hours of contracted work or annual days of contracted work. A position divided between two or more individuals shall have each person receiving a percentage contract based on the prorated division of the position. Daily hours of contracted work shall be calculated as shown on the following charts:

*Inclusive of Planning Time during school day and before and after school.

Annual percentage of contracted work shall be calculated by dividing the number of contracted days by 183.

2. Ohio Income Tax
3. City Income Tax
4. Ohio State Teachers Retirement System

In the event of termination of employment of any teacher, the deductions for dues shall cease with the employee's final pay check, and it will be the responsibility of the school district Treasurer to notify in writing the Treasurer of the K.E.A. of these situations. Following each of the twenty (20) deductions, the Treasurer shall forward to the Association a check for the amounts withheld. In carrying out the provisions of this paragraph, the teacher and/or the Association agree to indemnify and save the Board and/or its representatives harmless against any and all claims except the cost of defense that may arise out of or by reason of action taken against the Board and/or its representatives.
9. OEA Fund for Children and Public Education Contributions
10. Fair Share Fee
11. Tax-Deferred Payroll Deduction Plan to Restore or Purchase STRS Credit

The Internal Revenue Code (IRC) Section (414)(h)(2) permits employer "pick-up" of the employee portion of contributions to a retirement plan, thereby resulting in tax deferral of employee contributions; and,

Under the State Teachers Retirement System of Ohio (STRS) laws and rules, members may: (1) redeposit contributions previously withdrawn plus interest, and/or (2) purchase eligible service credit.

In order to permit tax deferral for these additional amounts, any unit member who wishes to purchase or restore STRS credit by payroll deduction must enter into a binding irrevocable payroll deduction authorization, and such employee shall not have the option of choosing to receive the amounts directly instead of having them paid by the employer to STRS;

Additional amounts herein specified, through payroll deductions from salary, are designated as being picked up by the employer and paid by the employer in accordance with Internal Revenue Code requirements.

- 12. After tax payroll deductions to restore or purchase STRS credit.
- 13. Payment for enrolling children of employees
- J. All of the above notwithstanding, no employee shall be entitled to utilize more than twenty-five (25) payroll deduction slots.

The teacher affected by a change will be notified as soon as possible.

2. Summer school contracts will be issued for those positions which the advance student registration indicates will be required.
3. Separate supplemental contracts shall be issued for extended service in excess of the regular 183 teaching days. The rate of pay for said extended service shall be on a per diem rate of 1/183 of the regular contract amount for the current school year.

D. Each spring, all supplemental duty positions not held by Kettering teachers will be considered vacant. When a supplemental contract position is declared vacant, such vacancy shall be posted for five (5) school days prior to the position being filled. Exceptions to the time limit for posting can be made by the Board when an emergency exists.

ARTICLE VII

GRIEVANCE PROCEDURE

A. Definition

1. A "grievance" is a claim by a teacher, group of teachers, or the Association, of an alleged violation, misinterpretation, or misapplication of a provision of this contract.
2. An "aggrieved person" is the teacher, or group of teachers, or the Association making the claim.
3. A "teacher" shall be defined as any certificated/licensed staff employee of the Board eligible for membership in the bargaining unit.
4. "Days" shall be defined as regular work days exclusive of weekends, holidays, and breaks during the school year.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at a given level of the procedure.
2. Nothing contained herein will be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration and to have the grievance adjusted without intervention of the KEA, provided the adjustment is not inconsistent with the terms of this Agreement.

C. Procedure

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered maximum, and every effort should be made to expedite the process. If appropriate action is not taken within the time limit specified, the grievance shall be deemed settled on the basis of the disposition at the preceding level.
2. The time limits specified may, however, be extended by mutual agreement.

D. Right of Representation

1. The aggrieved person (if an individual grievance is filed by an individual) may be represented by the Association.
2. No reprisal shall be taken by either party as a result of grievances filed.
3. Administrators hearing grievances may elect to have a representative present at any and all levels of the grievance procedure.

Level One - Informal

- a. The teacher shall approach the administrator or supervisor immediately concerned and discuss the matter in his/her own behalf. It is strongly recommended that the teacher and administrator make every reasonable attempt to resolve the grievance at this step.
- b. Grievances shall remain confidential at this level.

Level Two - Formal

- a. In the event that the informal step is unsuccessful, the teacher may file a formal grievance on a contractually-agreed form. (See Addendum E.) The form shall be completed in triplicate with the grievant retaining one copy; delivering one copy to the Association president; and delivering the third copy to the administrator involved. Receipt of the administrator's copy will be acknowledged in writing.
- b. Within five (5) school days after notification to the principal, administrator or supervisor involved, a meeting shall take place between the appropriate administrator, the grievant, and the Association representative(s) and any other person deemed necessary by the Association. Within five (5) days following this hearing, the decision concerning the grievance shall be given in writing by the administrator to the grievant and to the Association representative(s).

Level Three - Superintendent

- a. In the event a grievance is not satisfactorily resolved at Level Two, or if no decision has been made within the five-day limit, the grievant may, within five (5) days after the receipt of the answer at Level Two, notify the Superintendent and Association in writing of an intention to process the grievance. A copy of the grievance will accompany this notification.
- b. A meeting shall be held between the grievant and the Superintendent within seven (7) days after the receipt of such notice. Witnesses may be available to testify but may not be present during the remainder of the hearing. Upon the completion of this meeting, the administrative decision shall be given in writing to the Association within five (5) days.

Level Four - Mediation

- a. In the event the grievance is not resolved at Level Three, the parties, by mutual agreement, may request that the issue be presented at a mediation conference. The Federal Mediation and Conciliation Service or State Employment Relations Board shall be requested to appoint one of its mediators to conduct the mediation conference.
- b. The mediation conference will be scheduled at the earliest date that the mediator, the parties and their representatives are reasonably available for such purpose. The mediation conference will be conducted informally. No record of the conference will

be made and everything said at the mediation conference by the parties and their representatives will be regarded as settlement discussion.

- c. If the parties resolve the grievance through mediation, they shall reduce the terms of their settlement agreement to writing. Unless the Board and the Association agree otherwise, the resolution of the grievance through mediation shall be on a non-precedent basis.
- d. The costs of grievance mediation, if any, shall be shared equally by the Association and the Board.

Level Five - Arbitration

- a. In the event the grievance is not resolved at Level Four, or if no decision has been reached within five (5) days of the Level Four meeting, the grievant may request in writing that the Association submit the grievance to arbitration.

If the Association determines that the grievance has merit, the Association may file a demand for arbitration to the American Arbitration Association. If this "demand for arbitration" is initiated, it must be submitted in writing to the American Arbitration Association with a copy to the Superintendent within twenty (20) days after receipt of the decision at Level Four. The selection of the arbitrator and all proceedings shall be according to the American Arbitration Association rules.

- b. The arbitrator shall not have the power to add to, subtract from, or modify this Agreement and shall only have the authority to interpret the provisions of this Agreement. It is the expressed intent of both parties to have negotiated a legal Agreement. However, neither party is restricted with regard to the positions, stipulations, briefs, or in presenting its case before the arbitrator. The arbitrator shall not establish law or cause either party to act in any way contrary to the law. Both parties agree the Board has only such power as is given to it by law or which may be reasonably inferred therefrom. The arbitrator shall in no event have the power to enlarge the power of the Board or allocate the finite resources of the District.

The decision of the arbitrator shall be final and binding upon the parties.

E. Miscellaneous

1. Any teacher having been dismissed from a contract and for whom a grievance is sustained involving the issue of dismissal shall be reinstated with full reimbursement of all professional compensation loss. If he/she shall have been found to have been deprived of any compensation or advantage, the same or its equivalent in money shall be paid to the individual for whom such compensation has been denied.
2. If, in the judgment of the Association, a grievance affects a group or class of teachers, the Association may submit such grievance in writing to the Superintendent directly, and the processing of such grievance shall commence at Level Two. The Association may process

such grievance through all levels of the procedure even though the aggrieved person or persons do not wish to do so.

3. Grievance must be filed at the appropriate level within fifteen (15) days of the event or condition which gave rise to the grievance when there are at least fifteen (15) days left in the school session. Grievance will be filed within thirty (30) days when they arise either with less than fifteen (15) days in the school session or during the school recess.
4. Decisions rendered as final at Levels Two and Three of the grievance procedure will be in writing, setting forth the decision and the reasons therefore, and will be transmitted promptly to all interested parties and to the Association.
5. All documents, communications and reports dealing with the processing of a grievance will be filed separately from the personnel files of the participants.
6. The forms for filing and processing the grievance shall be made available from the Association or from the Superintendent.
7. Formal grievances shall be processed at a time when the teacher is not expected to be in his/her classroom except for arbitration hearings which may be held during the teaching day.
8. Any teacher who is required to be absent from his/her assigned duties due to his/her participation in any step of this procedure, including appeal procedures as provided by law, shall lose no salary whatsoever as a result of such absence.
9. The Association may withdraw its support of the grievance at any time within the complete and absolute discretion of the Association.
10. The costs for the services of the arbitrator, including per diem expenses and the cost of any hearing room, will be borne equally by the Board and the Association.
11. No grievance may be submitted to arbitration without prior approval by the Association.
12. No teacher shall be represented by any teacher organization other than KEA in any grievance initiated pursuant to this Agreement.
13. If a grievance is filed concerning a matter which is subject for appeal and initial determination on its merits with an Ohio or federal agency or court, such grievance shall not be subject to the arbitration procedure of this grievance procedure unless the grievant waives his/her rights to processing before said agency or court.

ARTICLE VIII

SALARY SCHEDULE

- A. Teachers on regular contract shall be paid on the schedule and index as set forth in Addendums A and B attached hereto.
- B.
1. Teachers on supplemental contract shall be paid on the schedule as set forth in Addendum C attached hereto. Payment of supplemental salary shall be based on a teacher's fulfilling a supplemental contract. Supplemental contracts may be divided between two (2) or more teachers, and the Board reserves the right to add or not fill positions listed in Addendum C.
 2. The basis for determining the supplemental salary amount paid shall be the percentage amount listed in Addendum C for the applicable supplemental duty performed multiplied by the figure shown in Addendum A at Class VI (M.A.-Step 15).
- C. STRS pickup will utilize the salary reduction method. The Board shall designate each employee's mandatory contributions to the State Teachers Retirement System of Ohio as "picked up" by the Board as contemplated by Internal Revenue Service Revenue Rulings 77-464 and 81-36, although they shall continue to be designated as employee contributions as permitted by Attorney General Opinion 82-097, in order that the amount of the employee's income reported by the Board as subject to federal and Ohio income tax shall be the employee's total gross income reduced by the then-current percentage amount of the employee's mandatory State Teachers Retirement System contribution which has been designated as "picked up" by the Board, and that the amount designated as "picked up" by the Board shall be included in computing final average salary, provided that no employee's total salary is increased by such "pickup," nor is the Board's total contribution to the State Teachers Retirement System increased thereby.
1. The pickup percentage shall apply uniformly to all members of the bargaining unit as a condition of employment. The pickup shall apply to all compensation including supplemental earnings thereafter.
 2. The parties agree that, should the rules and regulations of the IRS or retirement system change making this procedure unworkable, the parties agree to return, without penalty, to the former method of employee/employer contributions.
 3. Payment for sick leave, personal leave, severance and supplementals, including unemployment and worker's compensation, shall be based on the employee's daily gross pay prior to reduction as basis (e.g., gross pay divided by the number of days in a teacher's contract).
 4. Such salary reduction shall not result in a salary which is less than the salary available under the State minimum salary schedule. Should the reduction calculation result in a salary that is less than the State minimum salary schedule, pro rata reduction shall result with the employee contributing that portion which falls below such State minimum level.

5. It is understood that it is the responsibility of each individual teacher to make necessary adjustment(s) in any other tax-sheltered annuities he/she has in order to be in compliance with IRS laws and regulations.
6. The Board is not liable, nor will it be held responsible for any related legal, IRS, STRS, or any other agencies' penalties or decisions concerning this plan now or in the future.
7. The Association agrees to indemnify and hold the Board harmless against any and all claims that shall arise out of or by reason of any action taken by the Board in compliance with provisions of the Article.

D. STRS Contributions

If the amount of teacher contribution to the STRS is increased due to legislation that shifts the amount of the Board contribution from the Board to the employee, the Board will contribute the following amounts on behalf of bargaining unit members:

2011-12	100% of the additional amount up to a maximum of 2.0%
2012-13	75% of the additional amount up to a maximum of 1.5%
2013-14	50% of the additional amount up to a maximum of 1.0%

Following the 2013-14 school year, the Board will no longer contribute any amount of the bargaining unit member's share of STRS contributions on their behalf.

The BOE shall be the custodian of the HRA. Distribution of funds from the HRA shall be made by the BOE for qualified medical expenses received through the HDHP.
6. For Teaching Staff Members who do not fall into the HRA category, the BOE will contribute to each participating member's HSA account, an amount equal to the amount contributed to the HSA as explained in article IX. Any changes in type or benefit levels of the health insurance program will be contingent upon the approval of the parties to this Agreement. The insurance providers of coverage within shall be at the choice of the Board. The Association shall be given thirty (30) days notice of any potential change in the choice of insurance providers.

2. Members may donate one day of sick leave per year to the SLB. Donations to the SLB shall occur between September 1st and September 30th.
3. Unused days donated to the SLB shall roll over from year to year.
4. If the balance of days in the SLB falls below fifty, the Treasurer or his designee shall notify the KEA President. If this occurs, the KEA President may request additional days from Members, within a thirty-day period.
5. Days contributed to the SLB are non-returnable.

Sick Leave Bank Committee

1. The SLB Committee shall be composed as follows:
 - a. The Superintendent, or his/her designee, and two administrators appointed by the Superintendent.
 - b. The KEA President, or his/her designee, and one KEA member appointed by the KEA President.
2. The SLB Committee shall review and approve or deny all applications to the Sick Leave Bank. Decisions shall be made by majority vote.
3. The SLB Committee shall make a decision within ten school days of receiving an application. Decisions of the Committee shall be confidential.
4. Decisions of the SLB Committee shall be final.

Application Policy

1. Members applying to the SLB Committee requesting days, shall complete the required application form which will include documentation from a physician.
2. If granted by the Committee, allotments from the SLB shall begin on the first day of absence for which the Member has exhausted all personal sick leave, personal days and days advanced by the Board.

3. The application for additional sick leave days from the SLB is intended to be used in cases of catastrophic illness, injury, and/or non-elective surgery, but shall not include use for normal pregnancy.

6. If days granted by the Committee are unused when the Member returns to work, the unused days shall revert to the SLB.
7. A Member who has applied for and been recommended by STRS physician for disability retirement, may not apply for days from the SLB to extend the date of beginning his/her STRS disability retirement. However, if a Member's disability is denied by the STRS Board, a Member may apply for days from the SLB.
8. Members may apply to the SLB Committee for days for themselves or to care for a family member experiencing situations outlined in (3) above. Immediate family shall include current spouse; children; parents; sibling; grandparents; grandchildren; step-, foster-, and adoptive-children, parents, and siblings; in-laws bearing any of the above relations; and other permanent residents of the teacher's household.

3. All applications for sabbatical leave shall be submitted for approval through the principal and Superintendent prior to being submitted to the Board. The application must specify the nature and purpose of the leave of absence and the plan for professional growth on the part of the employee.

4. Not more than 5 percent of the total professional staff of the school district may be on sabbatical leave at the same time. Leaves will not be permitted unless a satisfactory substitute or replacement teacher is available.
5. An employee covered hereunder on a one-contract-year sabbatical leave will receive as a salary the difference between the employee's salary and that of a certificated/licensed teacher on Classification III, Step 1. The salary that the employee on sabbatical leave would have received had the employee continued in regular teaching service for a 183-day contract will be the base used to determine the difference. The selection and employment of the replacement shall be the exclusive prerogative of the Board. In addition, the Board will pay a pro rata share of all fringe benefit costs paid for full-time teachers contingent upon the assumption of the payment of all costs exceeding the Board share by the sabbatical teacher. The Board's pro rata share shall be defined as the ratio of the net salary of the sabbatical teacher and salary that would have been earned as a full-time teacher during the year of the sabbatical leave.
6. Employees participating in the sabbatical leave program will upon their return submit to the Superintendent a written report of their professional activities.
7. The compensation shall be paid to the certificated/licensed teacher on sabbatical leave in the same manner as if he/she were teaching in the District.
8. In order that a satisfactory substitute may be employed, it is recommended that application for sabbatical leave be filed in the office of the Superintendent by February 10 of the school year prior to the school year in which the sabbatical leave is to be taken. Applications filed later than the regular March meeting of the Board may be denied consideration on that ground alone.
9. All contract-year sabbatical leaves are to start with the fall semester.
10. The teacher on sabbatical leave will be required to return to the District at the beginning of the next school year unless otherwise waived by the Superintendent and approved by the Board.
11. The Board shall not be liable for the payment of any compensation or damages provided by law for the injury or death of any employee when the injury or death occurs while he/she is on sabbatical leave.
12. It shall be the responsibility of the employee requesting the sabbatical leave to consult with the State Teachers Retirement System regarding the effect of such leave on his/her retirement program.

Immediate family as used herein is defined as spouse, father, mother, child (blood or in-law) of preceding, sister, brother, or any other person residing in the teacher's household. Use of this leave shall not preclude the use of sick leave for purposes of a death in the immediate family.

2. Teachers shall be allowed **one (1) day** without loss of pay or sick leave credit when the death is to a **more remote relative** defined as grandparent, grandchild, aunt, uncle, niece, nephew, cousin, brother- or sister-in-law.
3. Additional time for funeral leave as set forth in D1 and D2, not to exceed **two (2) days**, shall be granted without loss of pay or sick leave credit at the discretion of the teacher's immediate supervisor, and if denied, the teacher may apply directly to the Superintendent or his/her designee when it is necessary to **travel more than 100 AAA miles one way from Kettering** in connection with a funeral covered by this provision.
4. Teachers shall be permitted to use **one (1) day of accumulated sick leave** each school year to attend the **funeral of a person other than those defined in D1 and D2.**

F. **Emergency Leave/Medical Crisis**

Absence chargeable to sick leave, not to exceed **two (2) days per school year** (July 1 - June 30), will be allowed each employee when emergency situations develop which are beyond the control of the employee. Such absence must be approved by the principal or immediate supervisor, and if denied, the employee may apply directly to the Superintendent. Unused emergency leave days are not accumulative from year to year. "Emergency" is defined as a combination of circumstances which calls for an immediate action. "Situation" is defined as a relative combination of circumstances, a critical and unusual state of affairs. This is understood to include a medical crisis of a non-dependent child or relative.

G. **Assault Leave**

The Board may grant assault leave to any teacher who must be absent from assigned duties due to any disability which results from an unprovoked assault causing bodily injury incurred while teaching or engaged in carrying out school-related duties while on or off school property. Injuries incurred from natural or accidental causes are excluded.

The following conditions shall serve to determine eligibility for assault leave:

1. Any teacher who must be absent from assigned duties due to a physical disability which results from reasons stated above shall be paid the full scheduled compensation for a period not to exceed fifty (50) working days per assault. Any teacher who must be absent from assigned duties due to an emotional disability which results from reasons stated above shall be paid the full scheduled compensation for a period not to exceed five (5) working days per assault.
2. The time missed shall not be deducted from the accumulated sick leave of the teacher.
3. The Superintendent shall determine eligibility for assault leave, and such eligibility shall be based upon information which shall include, but not be limited to, the following:
 - a. A statement of the nature of the disabling injury.
 - b. Notice within 24 hours of the date and time of the incident.
 - c. Identification of the individual(s) who caused the disabling injury, if known.
 - d. A full statement of the facts and circumstances related to the event which caused the disabling injury.
 - e. A statement from a certified physician describing the nature of the disabling injury.

- f. A statement indicating willingness to participate and cooperate with the Board, to the degree possible dependent upon the severity of the disabling injury, if the Board should decide to take legal action against the individual(s) responsible for the disabling injury.
4. The Superintendent's decision is grievable, and the arbitrator's decision is final and binding on the parties.
5. A teacher may not accumulate assault leave.
6. Payment for assault leave shall be at the applicant's current scheduled rate of pay at the time of eligibility or at the rate of pay for which the applicant may become eligible during the course of the leave period. All other benefits are to remain in full force and effect during the full period of the leave.
7. Payment for assault leave shall be discontinued:
 - a. at the expiration of the disability.
 - b. at the expiration of the assault leave benefit.
 - c. at the expiration or suspension of the employment contract.
8. In the event of physical disability in excess of fifteen (15) working days or any emotional disability, the Board shall have the right to require the individual to submit to an examination by a physician of the Board's choice for the purpose of making a determination of the continued eligibility for assault leave benefits. If the decision of the Board's physician is contradictory to that of the applicant's physician, then a third physician shall be employed by the Board to make an examination, and the decision of this third physician shall be binding on both the Board and the applicant as related to the continuation or termination of leave.
9. Falsification of either a signed statement or a physician's certificate is reason for denial of assault leave benefits and other disciplinary actions up to and including termination of employment.

H. Jury Duty

1. An employee who is required to serve jury duty and who is not excused from jury duty will receive his/her full daily wage from the Kettering Board Of Education for such service. Upon the completion of the jury duty, the employee will endorse the jury duty paycheck to the Kettering City School District **only if the jury duty payment is greater than \$25.00 per day**. This provision shall apply only when employees are required to be absent from teaching duties as required by their contract.
 - b. Teachers receiving a written notice for jury duty must present a copy of said notice to their immediate supervisor by the end of the second working day after its receipt.

I. Unpaid Leaves of Absence

1. Upon written request, leaves of absence shall be granted for personal illness or other disability which incapacitates the employee for the performance of duties.
2. Leaves of absence shall be granted for infant care. Leaves of absence may also be granted after three (3) years of service with the Board for professional study.

3. Leaves of absence shall be granted for a period of not more than two (2) consecutive years. Leaves of absence shall be granted for the balance of the current school year subject to approval of a one-year extension depending on the nature and condition of the request for the second year.
4. Subsequent leaves for professional study may be granted after two (2) years of service from the date of return to service from such previous leave. Full or part-time service will be interpreted to be one year of service to qualify for this provision. Leaves for infant care, i.e., care of an employee's child less than one (1) year of age, shall not be subject to the two (2) years of service requirement set forth herein.
5. An employee returning to active service from a leave of absence due to illness or other disabilities may be required to furnish a doctor's certificate to the effect that the employee is able to perform satisfactorily his/her assigned duties.
6. An employee on leave of absence with the Armed Forces of the United States, on resuming duty with the Board, shall be considered to have been uninterruptedly employed.
7. No sick leave may be earned while on an unpaid leave of absence.
8. Salary shall cease upon the effective date of leave. Notwithstanding the Family Leave Act provisions, paid fringe benefits (hospital insurance, dental insurance, term life insurance) shall also cease upon the effective date of leave or, in the case of employees who completed a full school year of work, at the end of August. Also, at the employee's discretion, the employee may choose to use accrued leave to cover some or all or none of the FMLA leave, or the employee may choose to use accrued leave in combination with FMLA leave. During periods of such leaves of absence, including disability leaves of absence, and running concurrently with COBRA rights, employees may continue coverage of fringe benefits by paying premium costs in full to the Treasurer. All coverage shall cease after two years of such leave.
9. Up to five (5) days of an unpaid leave of absence may be granted for the emergency care of the teacher's non-dependent ill child.
10. Written requests, in advance when possible, for unpaid leave for reasons other than those allowed elsewhere in this agreement shall be directed to the Director of Human Resource Services whose judgment shall be final. All employee requests shall be treated in an equitable manner. Employees who take unauthorized leave shall be subject to discipline up to and including termination of employment. A record of any discipline will be kept by the Director of Human Resource Services and shall become a part of the employee's official personnel file. Such record shall be removed from the employee's file after five (5) years provided the offense has not been repeated.

J. **Calamity Days**

1. On any day school is closed due to weather or other public calamity, teachers shall not be required to be on duty.

2. On any day school is closed due to weather or other public calamity and a teacher is absent on a paid leave, such absence for paid leave shall not be charged against the teacher's leave.
3. If school is closed due to weather or other public calamity for a part of a day and a teacher is absent on a paid leave, such absence will be charged to the teacher's leave proportionate to the length of the day school is in session when the teacher is absent.

K. Professional Leave

1. Professional leave may be granted for teachers to attend educational meetings, conferences, seminars, clinics or to conduct school visitation. Professional leave may be approved by the Superintendent upon the recommendation of the principal or the immediate supervisor. Requests for such attendance must reach the Superintendent or his/her designee not later than one (1) week prior to the date of departure.
2. The number of attendance days and the amount of reimbursement shall be determined by the Superintendent. Such approval may include all or part of the expenses incurred as a result of such attendance for transportation to and from, for lodging, registration fees, and meals that are included in the registration fees. Reimbursement shall be made upon presentation of an itemized expense account accompanied by receipts.
3. Expenses will not be approved for delegates attending association conventions which are interpreted to be legislative.

L. Leave to Testify

1. Teachers who are subpoenaed to testify in court in a matter related to their position as a teacher for the school district shall receive paid leave for all time necessary to testify.
2. Teachers who are subpoenaed to testify in court for cases not related to personal business shall receive paid leave for all time necessary to testify.

M. Adoption Leave

Teachers shall be allowed the use of up to 30 paid days of accrued sick leave to arrange and complete a child adoption process. The use of this accrued sick leave is limited to the primary caregiver of the adopted child. The use of the 30 days accrued sick leave includes any days used before the child arrives in the household and any days used after the child arrives in the household to finalize the adoption process.

ARTICLE XI
SEVERANCE PAY

- A. Employees leaving the employment of the Board shall be eligible for severance pay effective the last day of employment provided the following eligibility requirements are met:
1. Leave employment in good standing.
 2. If retiring under an Ohio public employment retirement system or otherwise having completed ten (10) or more years of active service with the Board.

An employee leaving the employment of the Board and eligible for severance pay may elect, in lieu of severance pay, to transfer all unused sick leave to the next employing Ohio public employer.

- B. Treasury Regulation Section 1.451-2 states that an employee's voluntary election not to receive severance payment until a later time, when the severance payment is available immediately, amounts to "constructive receipt." Such payment would be taxable in the year the employee terminates employment regardless of when he/she elects to receive the payment.

In order to avoid constructive receipt, payment of severance pay will be made in the second paycheck in January of the next calendar year after an employee's last day of employment.

- C. The formula for payment shall be: 25 percent of the accrued sick leave days, up to a maximum 280, not to exceed a total of 70 days severance pay. Such payment shall be calculated by multiplying the base daily rate, excluding supplemental pay, of the teacher's pay by the total number of days or fractional parts thereof. Payment for sick leave on this basis shall be considered to eliminate all sick leave credits accrued by the employee.

1. Severance will be paid to all eligible employees who are not 55 years of age or older during the calendar year, in one (1) total payment in January of the next calendar year; or
2. They may establish a tax-deferred annuity on behalf of the eligible employee, to be deducted from the severance payment, provided the annuity amount and payment date are in compliance with IRS rules/regulations. Payment shall be made on the second pay of January of the next calendar year after an employee's last day of employment.
3. Severance will be paid to all eligible employees 55 years of age or older on the second pay in January of the next calendar year after an employee's last day of employment into a board sponsored "Employer 403(b) Accumulated Leave Plan" per adoption agreement dated June 1, 2010 and as amended hereafter. By participating in the "Employer 403(b) Accumulated Leave Plan", eligible employees 55 years of age or older during the calendar year of the last day of employment will receive payment for their unused accumulated sick leave up to the maximum IRS 415 limit for the Section 403 (b) plan unreduced by current federal, state and local income taxes. These monies will be paid in the Employer 403 (b) Accumulated Leave Plan on the second pay of January of the next calendar year after an employee's last day of employment. Any additional monies due the eligible employee will be paid out up to the maximum IRS 415 limit each January until all monies have been paid.

- D. If an employee otherwise eligible for severance pay deceases, severance pay will be made to the employee's estate as though the employee had retired from employment under Paragraph C above.

ARTICLE XII

REDUCTION IN CERTIFICATED/LICENSED STAFF

When, by reason of decreased enrollment of pupils, return to duty of regular teachers after leaves of absence, suspension of schools, territorial changes affecting the District, financial necessity, or grade or curriculum reorganization, the Board of Education decides that it will be necessary to reduce the number of teachers, it may make a reasonable reduction in accordance with the Ohio Revised Code, Section 3319.17. In making such reduction, the Board shall proceed in the following manner:

A. Suspension

1. A list shall be prepared at the beginning of each school year ranking all tenured teachers in the District by seniority, giving areas of certification/licensure and present teaching and building assignment. Then all nontenured teachers in the District shall be ranked by seniority, giving areas of certification/licensure and present teaching and building assignment. A copy of this list shall be given to the president of KEA
2. When staff reduction is necessary, the Superintendent shall give a ten (10) calendar day notice of the intent to recommend the suspension of contracts to the Kettering Education Association prior to Board action to reduce staff. The Superintendent's central office staff and the Kettering Education Association shall confer on the reasons for such reductions.
3. Suspension of contracts shall occur to nontenured teachers first in order of continuous seniority in the Kettering City School District.
4. Suspension of contracts shall occur to tenured teachers only after all limited contract teachers in the given teaching field have been suspended. Suspension of tenured teachers shall occur in order of continuous seniority in the Kettering City School District.

B. Recall

1. Teachers whose contracts have been suspended because of staff reductions will be given the right of recall in inverse order of suspension of contracts.
2. The obligation of the Board of Education to recall teachers whose contracts have been suspended because of staff reductions is limited to two and one-half (2 1/2) school years (30 months) after the date of the original suspension. For recall purposes, the date of suspension will be considered as June 30.
3. Replacement rights shall be limited to areas of the teacher's certification/licensure on file in the Human Resource Services Office at the time of suspension. Teachers obtaining additional areas of certification/licensure after suspension will be placed at the end of the suspension list for the additional areas of certification/licensure.
3. Suspended teachers who refuse a position that is equal to or better, in terms of length of contract, than the position held before suspension give up further rights of recall unless the teacher is under contract to teach in another school district that will not release the recalled teacher.

C. Reducing a Certificated/Licensed Area

1. In the event that it becomes necessary to reduce teachers in an area of certification/licensure, the teachers(s) with the least seniority in the affected certificated/licensed areas will be reduced.

D. Reassignment

1. If another position is available through normal attrition in the same certification/licensure area, the displaced teacher shall be placed in that position.
2. If option (1) is not available, then the displaced teacher shall displace the least senior teacher in the system in the displaced teacher's certification/licensure areas. The primary placement will be in the teacher's current certificate/license area.
3. If an assignment opens in the original building or certificate/license area after placement occurs, the displaced teacher, or teacher returning from leave, will be given consideration to return to his or her original building or certificate/license area. This provision will not be in effect after the school year begins.
4. In the event of multiple reductions at any one time, the teachers involved shall be placed in new positions in order of greatest system seniority.

E. System Seniority

1. The length of continuous service in the system (seniority) shall begin with the date on which the Board took action to hire the employee under a regular teaching contract (not on a supplemental contract). In the event a teacher on a 100 percent contract is unable to fulfill the contract (leave of absence, late hiring date, etc.), one year of seniority is given for 120 or more days of teaching in the contract year; one-half year of seniority is given for 60 to 119 days of teaching in the contract year.
2. Part-day teachers shall accrue seniority prorated on the basis of their part-time service, such that one who is employed to work four (4) hours per day will, in a contract year, earn four-sevenths (4/7) of a year of seniority.
3. Seniority will be awarded from the time substitute experience begins if the substitute was in the position for at least sixty (60) days and was subsequently, without a break in service, given a teaching contract.
4. Leaves of absence shall not constitute an interruption in continuous service; however, the time that the teacher was on leave will not be counted in total years of service in determining seniority rights. Teachers on leaves of absence shall be placed on the seniority list and shall be subject to suspension in accordance with the policy.

5. In the event two or more teachers have equal seniority, the following criteria will be used to break ties:
 - a. The employee's first day of work under a regular contract (not on a supplemental contract). If a tie still exists, then;
 - b. The amount of training in the certificate/license area taught. If a tie still exists, then;
 - c. Additional ties shall be broken by lot.
 6. Seniority shall be lost when a teacher resigns, retires, or leaves employment with the Board.
 7. Employees in positions that do not require teaching certificates/licenses cannot accrue seniority for certificated/licensed positions.
- F. Nothing contained in this article shall be construed to limit the authority of the Board of Education or the Superintendent or his/her designee to:
1. Assign and reassign teachers within their areas of certification/licensure or transfer teachers between buildings at any time, including those times prior to a suspension of contracts, as specified in 3319.01 ORC.
 2. Exercise the authority to nonrenew limited contracts by 3319.11 ORC or subsequent enabling legislation.
- G. Reduction in force, 2009-10 school year: As determined through the negotiation process, and regardless of District funding or enrollment, no employee represented by the Kettering Education Association will be subject to any form of reduction in force for the 2009-10 school year.

ARTICLE XIII

ASSIGNMENTS AND TRANSFERS

A. Full-time/Part-Time Status Changes

Teachers desiring to move from a full-time status to a part-time status must make application for a status change. Said requests are to be written and filed with Human Resource Services. A status change request will remain a matter of record during the school year in which the request was made and will be removed from consideration on the first day of school of the next school year.

Teachers formerly full-time in the Kettering City School District and desiring to be returned to full-time status from part-time status must also make application for a status change. Said requests are to be written and filed with Human Resource Services. A status change request will remain a matter of record during the school year in which the request was made and will be removed from consideration on the first day of school of the next school year. Before any new teachers are hired to fill a vacancy, consideration will first be given to honoring the status change request.

In all cases of a status change, teachers must meet the certification/licensure requirements of any available position sought and the honoring of a status change request shall not be unreasonably denied. Normally, any status change made will be affected only at the start of a new school year.

Professional Staff Development requirements for part-time teachers may be found in Article XVII (Treatment of Staff) – N. (Staff Development).

B. Job Sharing

A desire to participate in job sharing between two (2) full-time Kettering teachers shall be among the reasons for the teachers involved to seek status changes, and all the teachers involved must make application as set forth herein.

1. Application, in the form of a written request, must be in the Human Resource Services office not later than 4:00 pm, April 15 of each school year.
2. Applications will always pertain to the forthcoming school year beginning in August/September and ending in June.
3. Teachers requesting job sharing situations will receive their final assignment for the coming school year not later than June 1.
4. Job sharing assignments will not exceed one (1) school year; however, teachers may request, through the application process, renewal of their job sharing schedule.
5. Job sharing assignments will be scheduled into open positions.

6. Job sharing participants must choose one of the following schedules:
 - a. One teacher will work mornings and one teacher will work afternoons of every contract day, or

7. Professional Development and Parent Teacher Conference requirements for both partners of the job share position:
 - a. Must attend one hundred percent (100%) of scheduled Professional Development
 1. Professional Development shall be defined as early dismissal, waiver days, late arrivals, and district and/or building level training which shall be scheduled no less than four (4) weeks in advance.
 2. Must attend one hundred percent (100%) of scheduled Parent Teacher Conferences
 3. As job share participants are required to work fifty percent (50%) of a full-time teacher's schedule, they will be paid twenty dollars (\$20.00) per hour for any time spent in scheduled professional development and parent teacher conferences beyond the fifty percent (50%).
8. Requests for job sharing assignments will not be rejected if open positions are available.
9. In the school year following the conclusion of a job sharing assignment, the teacher who vacated his/her position to assume part-time status will be reassigned to a full-time position in his/her certificate/license area; the teacher who retained his/her assignment will assume full-time status in the same position that was occupied by the team.
10. At the conclusion of a job sharing assignment, and in the event that the job sharing assignment was taught in a neutral classroom, the teacher with the most seniority will have the choice to remain in the shared classroom or be reassigned to a full-time position in his or her certificate/license area.
11. Job sharing participants cannot be required to substitute for other job sharing participants. If they agree to substitute, they will be reimbursed at the substitute rate.
12. In general, job sharing participants will have their salary and benefit levels reduced to 50%; however, there may be situations where the percentage split between participants will be something other than 50% each.

C. **Voluntary Transfers**

Teachers desiring to transfer voluntarily from one school assignment to another must make application for such transfer. Said requests are to be written and filed with Human Resource Services, with a copy given to the principal of the building in which the teacher is serving at the time of the filing of the request for transfer. A transfer request will remain a matter of record during the school year in which the request was made and will be removed from consideration on the first day of school of the next school year. In all cases of transfer, teachers must meet the certification/licensure requirements of the vacancy which he/she seeks to fill prior to the date of assuming the new assignment.

Notices of all positions declared to be vacant will be posted in all Kettering City School District buildings.

D. **Administration-Initiated Transfers**

Teachers receiving an administration-initiated transfer shall be informed in writing by the building principal of an impending transfer with the reasons for said transfer. A teacher notified of such an impending transfer shall be granted a conference with the Superintendent, Human Resources, or Instructional Services Director if requested. At such conference, the teacher shall have the reason(s) for such transfer delineated. Such conference shall be on a mutually set date.
